Such funds were available from cash on Walgreen's balance sheet.

Item 4. Purpose of Transaction.

The Framework Agreement and the Warrants

The following description of the Framework Agreement (as defined below) is qualified in its entirety by reference to the full text of the Framework Agreement, which is included as Exhibit 99.2 hereto and is incorporated herein by reference. The following description of the Warrants (as defined below) is qualified in its entirety by reference to the full text of the Warrants, which are included as Exhibits 99.3, 99.4, 99.5 and 99.6 hereto and are incorporated herein

by reference.

On March 18, 2013, Walgreen, Alliance Boots and the Issuer entered into a Framework Agreement, dated as of March 18, 2013 (the **Framework Agreement**). Under the Framework Agreement, among other things, (1) Walgreen and Alliance Boots were granted the right to purchase up to 19,859,795 shares of Common Stock in open market transactions (such shares, the **Initial Open Market Shares**), (2) WPS was issued (i) a warrant to purchase up to 11,348,456 shares of Common Stock at an exercise price of \$51.50 (**Walgreens Warrant 1**) and (ii) a warrant to purchase up to 11,348,456 shares of Common Stock at an exercise price of \$52.50 (**Walgreens Warrant 2**), and (3) AB Luxembourg was issued (i) a warrant to purchase up to 11,348,456 shares of Common Stock at an exercise price of \$51.50 (together with Walgreens Warrant 1, collectively **Warrant 1**) and (ii) a warrant to purchase up to

11,348,456 shares of Common Stock at an exercise price of \$52.50 (together with Walgreens Warrant 2, collectively, **Warrant 2** and Warrant 1 and Warrant 2, collectively, the **Warrants**). The Framework Agreement also provides that, if at any time during the period when Warrant 1 is exercisable the market price of Common Stock is less than the then-applicable exercise price of Warrant 1, the holders of Warrant 1 shall have the right to acquire (either directly or through Walgreen or Alliance Boots or wholly-owned subsidiaries of either) in open market transactions up to an aggregate total 14,185,570 additional shares of Common Stock (the **Additional Open Market Shares** , and together with the Initial Open Market Shares, the **Open Market Purchase Rights**).

The number of Initial Open Market Shares and Additional Open Market Shares Walgreen and Alliance Boots are entitled to purchase is subject to adjustment for stock splits, stock dividends, reclassifications and certain issuances of Common Stock (or securities convertible into or exercisable for Common Stock). The number of shares issuable upon the exercise of Warrant 1 is reduced on a one-for-one basis by acquisitions of Additional Open Market Shares.

Warrant 1 is exercisable in whole or in part and from time to time during a period of six months, beginning on March 18, 2016, at an exercise price of \$51.50 per share of Common Stock. Warrant 2 is exercisable in whole or in part and from time to time during a period of six months, beginning on March 18, 2017, at an exercise price of \$52.50 per share of Common Stock.

If the Issuer enters into an agreement with a third party other than an Investor (as defined below), recommends that stockholders tender in response to a tender or exchange offer made by a third party other than an Investor or fails to recommend within the ten-business day period specified in Rule 14e-2(a) under the Exchange Act, that stockholders reject a tender or exchange offer made by a third party other than an Investor (any of the foregoing transactions, an **Acceleration Transaction**), and, in response to the foregoing, an Investor has made a Qualifying Public Acquisition Proposal (as defined below), then the Warrants become exercisable on (1) if the completion of the applicable Acceleration Transaction or Qualifying Public Acquisition Proposal requires stockholder approval, five business days before the applicable record date or (2) if such Acceleration Transaction or Qualifying Public Acquisition Proposal is structured as a tender/exchange offer, five business days before the initial expiration date of such tender/exchange offer. In addition, subject to certain exceptions, the Warrants become exercisable if the Issuer issues, authorizes the issuance of or agrees to issue voting securities other than Common Stock. Further, if a third party consummates an acquisition with respect to 30% or more of the Issuer, the Warrants will be accelerated and become exercisable immediately prior to such consummation.

The exercise prices and the number of shares issuable upon exercise of the Warrants are subject to anti-dilution adjustments for stock splits, stock dividends, reclassifications, noncash distributions, extraordinary cash dividends, certain above-market repurchases of Common Stock, business combination transactions and certain issuances of Common Stock (or securities convertible into or exercisable for Common Stock) at a price (or having a conversion or exercise price) that is less than the market price of Common Stock.

Among other potential consequences in respect of the failure to obtain certain required antitrust approvals, in the event that certain specified antitrust approvals are required to complete the purchase of the Initial Open Market Shares and the Additional Open Market Shares and the exercise of the Warrants, and such approvals are not received within one year of the applicable filing, the Investors can offer to sell to the Issuer the portion of Warrant 2 that cannot be exercised by the Investors. If the Issuer does not elect to purchase the relevant portion of Warrant 2, the Investors will be free to sell such portion of Warrant 2 to a third party.

If at any time the agreement, originally dated March 18, 2013 (as may be amended from time to time), governing the purchase by the Issuer of generic drugs through Walgreens Boots Alliance Development GmbH (**WBAD**), a global pharmaceutical sourcing joint venture between Walgreen and Alliance Boots, has been terminated (1) by the Issuer because of a material breach by, or insolvency of, WBAD or (2) by mutual agreement of the Issuer and WBAD or for certain legal reasons, the Issuer may cancel any unexercised Warrants and Open Market Purchase Rights. In the case

of the foregoing clause (2), if the Issuer cancels any unexercised Warrants and Open Market Purchase Rights, Walgreen may cause the term of the Distribution Agreement (as defined below) to be reduced to the greater of (A) an aggregate four-year term and (2) two years from the date Walgreen elects to exercise this right.

In addition, in the event that a pharmaceutical distribution contract between the Issuer and Walgreen, originally dated March 18, 2013 (as may be amended from time to time) (the **Distribution Agreement**) is terminated by Walgreen because of a material breach by the Issuer, the Framework Agreement provides for the manner in which the transactions contemplated by the Framework Agreement will be unwound.

The shares of Common Stock reported by the Reporting Persons in this Schedule 13D are held of record by WAB Holdings and represent Initial Open Market Shares under the Framework Agreement.

The Shareholders Agreement

Pursuant to the Framework Agreement, the Issuer, Walgreen and Alliance Boots entered into the AmerisourceBergen Shareholders Agreement, dated as of March 18, 2013 (the **Shareholders Agreement**). The following description of the Shareholders Agreement is qualified in its entirety by reference to the full text of the Shareholders Agreement, which is included as Exhibit 99.7 hereto and is incorporated herein by reference.

The Shareholders Agreement sets forth certain governance arrangements and contains various provisions relating to the acquisition of additional equity interests in the Issuer, prohibitions on taking certain actions relating to the Issuer, stock purchase rights, transfer restrictions, board representation, voting arrangements, registration rights and other matters.

Pursuant to the Shareholders Agreement, upon Walgreen and Alliance Boots, together with their respective wholly-owned subsidiaries and WAB Holdings (collectively, the **Investors**), collectively owning 5% or more of the Common Stock, Walgreen is entitled to designate one director to the Board of Directors of the Issuer (the **Initial Designation Right**). In addition, upon the later to occur of (1) the exercise in full of Warrant 1 and (2) the acquisition in full by the Investors of the Initial Open Market Shares, Walgreen will be entitled to designate a second director to the Board (subject to certain rights of Alliance Boots in respect of selecting such designee). If the Investors divest equity securities of the Issuer such that they collectively own less than 14%, but at least 5%, of the Common Stock, Walgreen will no longer be entitled to designate two directors to the Board of Directors of the Issuer (the **Board**) and will only be entitled to designate one director to the Board. If the Investors divest equity securities of the Issuer such that they collectively own less than 5% of the Common Stock, Walgreen will no longer be entitled to designate any directors to the Board.

Pursuant to the Initial Designation Right, Walgreen expects that, on or prior to May 15, 2014, Gregory D. Wasson, President and Chief Executive Officer of Walgreen, will be appointed by the Board to serve as a director of the Issuer.

For so long as Walgreen has the right to designate a director to the Board, subject to certain exceptions, including matters related to acquisition proposals, the Investors will be obligated to vote all of their shares of Common Stock in accordance with the recommendation of the Board on all matters submitted to a vote of the Issuer's stockholders (including the election of directors).

The Shareholders Agreement contains, among other things, certain restrictions on the Investors' ability to transfer the Warrants and their shares of Common Stock. Subject to certain exceptions, including certain transfers among each other and/or with their respective wholly-owned subsidiaries, the Investors cannot transfer:

the Warrants at any time (other than a portion of Warrant 2 as described above under the discussion of the Framework Agreement);

any Initial Open Market Shares until the expiration of Warrant 1;

any Additional Open Market Shares until the earlier of (1) the later of the two-year anniversary of (x) the exercise in full of Warrant 1, (y) the expiration of Warrant 1 and (z) the last purchase of Additional Open Market Shares

by the Investors and (2) the irrevocable commitment by each of Walgreen and Alliance Boots not to exercise Warrant 2;

any shares issued upon the exercise of Warrant 1 until the earlier of (1) the later of the two-year anniversary of (x) the exercise in full of Warrant 1, (y) the expiration of Warrant 1, and (z) the last purchase of Additional Open Market Shares by the Investors and (2) the irrevocable commitment by each of Walgreen and Alliance Boots not to exercise Warrant 2; or

any shares issued upon the exercise of Warrant 2 until the later of the one-year anniversary of (1) the exercise in full of Warrant 2 and (2) the expiration of Warrant 2.

In addition, the Shareholders Agreement further provides that Walgreen and Alliance Boots cannot transfer Common Stock or other voting securities:

(1) in transactions in which any person or group would acquire more than 5% of the Common Stock or (2) (x) to any person or group (other than activist investors) if after such transfer such person or group would own 10% or more of the Common Stock or (y) to any activist investor if after such transfer such activist investor would own 5% or more of the Common Stock;

on any day, an amount greater than 10% of the Issuer's 20-day average daily trading volume; or

to any prohibited transferees on an enumerated list.

The Shareholders Agreement also contains certain standstill provisions that, among other things, and subject to certain exceptions, prohibit the Investors and their respective affiliates from acquiring additional shares of Common Stock. Among other things, the standstill provisions provide that the Investors cannot acquire any shares of Common Stock, other than (a) the Initial Open Market Shares, (b) the Additional Open Market Shares, (c) pursuant to the exercise of the Warrants, (d) pursuant to the exercise of preemptive rights (described below), (e) pursuant to the reinvestment of dividends or (f) pursuant to certain transfers among the Investors. In the case of acquisitions pursuant to clauses (a), (b), (d), (e) and (f), the standstill provisions further provide that the Investors' collective beneficial ownership of shares of Common Stock is not permitted to exceed 30% of the issued and outstanding Common Stock (the **Ultimate Standstill Level**). In the event that (1) the Issuer conducts share repurchases that cause, or (2) the Investors exercise the Warrants in a manner that causes, in either case, the Investors' collective beneficial ownership of Common Stock to exceed the Ultimate Standstill Level, the Issuer may require the Investors to sell Common Stock to the Issuer, at a market price determined pursuant to the Shareholders Agreement, such that their collective ownership no longer exceeds the Ultimate Standstill Level.

In addition, the standstill provisions prohibit, among other things, and subject to certain exceptions, the Investors from entering into voting agreements or granting a proxy to any other person; participating or engaging in a proxy solicitation with respect to the Issuer; seeking to control or influence the management or policies of the Issuer; or entering into or proposing a merger, business combination or other similar extraordinary transaction involving the Issuer.

The foregoing restrictions do not prohibit the Investors from, subject to certain requirements, making private proposals to the Issuer, or competing with third-party acquisition proposals. In the event that a third party makes an acquisition proposal for between 30% and 50% of the Issuer, then the Investors can make a competing acquisition proposal for either (1) all of the Issuer or (2) between 30% and 50% of the Issuer, *provided* that, in the case of clause (2), the Investors will not own more than 49% of the Issuer following such transaction. In addition, in the event that a third party makes an acquisition proposal for more than 50% of the Issuer, then the Investors can make a competing proposal to acquire at least 30% of the Issuer (each of the foregoing permitted competing acquisition proposals, a **Qualifying Public Acquisition Proposal**).

The Shareholders Agreement also provides that from and after the expiration of the transfer restrictions set forth in the Shareholders Agreement, the Investors will be granted customary registration rights with respect to Common Stock.

In addition, pursuant to the terms of the Shareholders Agreement, Walgreen and Alliance Boots will have preemptive rights to purchase their respective proportionate share of equity securities in future issuances of equity securities by the Issuer. These purchase rights will not apply to issuances in connection with conversions of certain convertible

securities, equity compensation plan awards and certain other types of issuances.

The Shareholders Agreement will, subject to certain exceptions, terminate when the Investors' collective beneficial ownership of Common Stock decreases to less than 5%.

The Transaction Rights Agreement and WAB Holdings LLC Agreement

In connection with entering into the Framework Agreement, the Shareholders Agreement and the issuance of the Warrants, Walgreen, WPS, Alliance Boots, AB Luxembourg and WAB Holdings entered into a Transaction Rights Agreement, dated as of March 18, 2013 (the **Transaction Rights Agreement**). The following description of the Transaction Rights Agreement and the Limited Liability Company Agreement of WAB Holdings, entered into by WPS and AB Luxembourg on March 18, 2013 (the **LLC Agreement**), is qualified in its entirety by reference to the full text of each of the Transaction Rights Agreement and the LLC Agreement, which are included as Exhibit 99.8 and Exhibit 99.9 hereto, respectively, and are incorporated herein by reference.

The Transaction Rights Agreement provides, among other things, that, in general, unless and until Walgreen fails to complete the Second Step Transaction, WAB Holdings will be the sole vehicle through which Walgreen and Alliance Boots acquire equity securities of the Issuer (other than the Warrants, which were issued by the Issuer to each of WPS and AB Luxembourg), including, without limitation, any Initial Open Market Shares.

If the Warrants become exercisable prior to the completion or failure of the Second Step Transaction, the Transaction Rights Agreement (together with the LLC Agreement), provides that WAB Holdings will acquire 100% of the Warrants from WPS and AB Luxembourg, in exchange for a payment by WAB Holdings equal to the fair market value of the Warrants as of their date of issuance (the **Warrants Transfer**).

Under the LLC Agreement, WPS has agreed to provide WAB Holdings with funding in connection with any acquisition of Common Stock pursuant to the arrangements described above, including the Initial Open Market Shares, as well as to complete the Warrants Transfer. The LLC Agreement also provides that, upon certain events, including the failure to complete the Second Step Transaction, at the election of AB Luxembourg (an **Equity Transfer Election**), AB Luxembourg will pay to WPS an amount equal to approximately 50% of the aggregate amount of funding theretofore provided by or on behalf of WPS to WAB Holdings to acquire Issuer equity securities (including pursuant to the Warrants Transfer), plus interest, following which WAB Holdings will dissolve, resulting in each of WPS and AB Luxembourg receiving 50% of the Issuer equity securities and other assets (if any) then held by WAB Holdings (a **50/50 Dissolution**). In the event of the failure to complete the Second Step Transaction, if AB Luxembourg does not make the Equity Transfer Election, WPS would thereafter solely own 100% of the Issuer equity securities and other assets (if any) held by WAB Holdings, and either (1) AB Luxembourg will be required to make a payment to WPS or (2) WPS will be required to make a payment to AB Luxembourg, in either case in an amount calculated to achieve the same economic outcome (based on the then-current market price of Common Stock) as a 50/50 Dissolution for each of AB Luxembourg and WPS.

Moreover, the Transaction Rights Agreement provides that, following a failure to complete the Second Step Transaction, subject to certain exceptions and to the extent the standstill provisions of the Shareholders Agreement are still applicable, each of Walgreen and Alliance Boots will not acquire equity securities of the Issuer if such acquisition would cause its beneficial ownership of Common Stock to exceed its *pro rata* share of the Ultimate Standstill Level.

The Transaction Rights Agreement also provides that, if Walgreen fails to complete the Second Step Transaction, to the extent that Walgreen is entitled under the Shareholders Agreement to designate two directors to the Board, the second director will be an executive officer of Alliance Boots, designated by the board of directors of Walgreen in consultation with and at the direction of Alliance Boots.

The LLC Agreement further provides that, subject to certain exceptions, WAB Holdings will be managed by a board of managers, comprised of two managers selected by WPS and two managers selected by AB Luxembourg. The current directors of WAB Holdings are set forth on Annex A hereto.

The shares of Common Stock reported by the Reporting Persons in this Schedule 13D were acquired in connection with Walgreen's and Alliance Boots' strategic, long-term relationship with the Issuer. The Reporting Persons will review on an ongoing and continuing basis their investment in the Issuer and, depending upon the factors discussed below, and subject to applicable law and contractual restrictions, including under the Shareholders Agreement, the Reporting Persons may in the future take actions with respect to the Issuer as they deem appropriate, including changing their current intentions, with respect to any or all matters required to be disclosed in this Schedule 13D.

Without limiting the foregoing, the Reporting Persons (subject to applicable law and contractual restrictions, including under the Shareholders Agreement) may acquire additional shares of Common Stock or other securities of the Issuer or may sell shares of Common Stock or other securities of the Issuer. Further, subject to applicable law and contractual restrictions described herein, including under the Shareholders Agreement, (a) the Reporting Persons may enter into derivative transactions or alternative structures with respect to the shares of Common Stock or the economic or voting rights attached thereto and (b) any open market or privately negotiated purchases, sales, distributions or other transactions may be made at any time without additional prior notice. Any alternative that the Reporting Persons may pursue will depend upon a variety of factors, including without limitation, current and anticipated future trading prices of the shares of Common Stock or other securities of the Issuer, the financial condition, results of operations and prospects of the Issuer and general economic, financial market and industry conditions, other investment and/or business opportunities available to the Reporting Persons, strategic considerations in respect of the Reporting Persons, general stock market and economic conditions, tax considerations and other factors.

In addition, without limitation, and subject to applicable law and contractual restrictions, including under the Shareholders Agreement, the Reporting Persons may engage in discussions with management, the Board, stockholders of the Issuer and other relevant parties or take other actions through their representatives on the Board or otherwise, concerning any extraordinary corporate transaction (including but not limited to a merger, reorganization or liquidation) or the business, operations, assets, strategy, future plans, prospects, corporate structure, board composition, management, capitalization, dividend policy, charter, bylaws, corporate documents, agreements (including alterations of the contractual agreements described herein), de-listing or de-registration of the Issuer.

Pursuant to the Initial Designation Right as described above, Walgreen expects that, on or prior to May 15, 2014, Gregory D. Wasson, President and Chief Executive Officer of Walgreen, will be appointed by the Board to serve as a director of the Issuer. In his capacity as a director of the Issuer, Mr. Wasson may have influence over the corporate activities of the Issuer, including activities which may relate to transactions described in paragraphs (a) through (j) of Item 4 of Schedule 13D.

While, with respect to each Reporting Person, the foregoing reflects activities presently contemplated in respect of the Issuer by such Reporting Person and, to the knowledge of such Reporting Person, the persons listed in Annex A hereto with respect to such Reporting Person, the foregoing is subject to change at any time. Except as set forth above, or as would occur upon completion of any of the matters discussed herein, with respect to each Reporting Person, such Reporting Person and, to the knowledge of such Reporting Person, the persons listed in Annex A hereto with respect to such Reporting Person, have no present plans or intentions which would result in or relate to any of the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer.

The information set forth in Item 2 of this Schedule 13D is hereby incorporated by reference in this Item 5.

(a) and (b). The ownership percentages set forth below are based on 229,201,153 shares of Common Stock outstanding as of January 31, 2014, as reported by the Issuer on its Quarterly Report on Form 10-Q for the quarterly period ended December 31, 2013, filed by the Issuer with the Securities and Exchange Commission on February 7, 2014.

As a result of its acquisition of Initial Open Market Shares pursuant to the Framework Agreement, WAB Holdings may be deemed to beneficially own 11,461,043 shares of Common Stock, representing approximately 5.0% of the total number of shares of Common Stock outstanding. By virtue of relationships reported in Item 2, each of the Reporting Persons may be deemed to share the power to vote or to direct the voting of, and to dispose or to direct the disposition of, such shares of Common Stock. As a result of the foregoing, each of the Reporting Persons may be

deemed to beneficially own such shares of Common Stock that may be deemed to be beneficially owned by WAB Holdings.

Neither the filing of this Schedule 13D nor any of its contents shall be deemed to constitute an admission by any Reporting Person (other than WAB Holdings) that it is the beneficial owner of any shares of Common Stock for purposes of Section 13(d) of the Exchange Act, or for any other purpose, and such beneficial ownership is expressly disclaimed.

(c) Other than as described elsewhere in this Schedule 13D or as set forth in the attached Schedule I, with respect to each Reporting Person, such Reporting Person and, to the knowledge of such Reporting Person, the persons listed in Annex A hereto with respect to such Reporting Person, have not effected any transaction in shares of Common Stock in the past 60 days.

(d) Other than the Reporting Persons and the persons listed in Annex A hereto, no other person is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of the shares of Common Stock covered by this Schedule 13D.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

The information set forth in Item 4 of this Schedule 13D is hereby incorporated by reference in this Item 6.
