Item 3. Source and Amount of Funds or Other Consideration

The Partnership was formed on March 2, 2015 as a Delaware limited partnership to provide ethanol and fuel storage, terminal and transportation services by owning, operating, developing and acquiring ethanol and fuel storage tanks, terminals, transportation assets and other related assets and businesses. Upon the formation of the Partnership, Green Plains, as the organizational limited partner and Green Plains Holdings LLC, as the general partner (the “General Partner”), contributed \$980 and \$20, respectively, to the Partnership.

On July 1, 2015, the Partnership closed its initial public offering (the “Offering”) of 11,500,000 Common Units, which included 1,500,000 Common Units pursuant to the underwriters’ option to purchase additional Common Units which was exercised in full on June 29, 2015, at a price to the public of \$15.00 per Common Unit (\$14.08125 per Common Unit, net of underwriting discounts). The Offering was pursuant to the Partnership’s Registration Statement on Form S-1 (File No. 333-204279), as amended, initially filed with the Securities and Exchange Commission (the “Commission”) pursuant to the Securities Act of 1933, as amended (the “Securities Act”), on May 18, 2015. The material terms of the Offering are described in the prospectus, dated June 25, 2015 filed by the Partnership with the Commission on June 29, 2015, pursuant to Rule 424(b) under the Securities Act.

At the closing of the Offering, the Partnership, Green Plains, the General Partner, Green Plains Operating Company LLC (“Opco”), Green Plains Trucking and Obion entered into a Contribution, Conveyance and Assumption Agreement (the “Contribution Agreement”). Pursuant to the Contribution Agreement, in exchange for the contribution of certain assets to the Partnership, the Partnership issued (a) to Green Plains 3,629,982 Common Units and 13,139,822 Subordinated Units representing an aggregate 52.8% limited partner interest in the Partnership at such time, (b) to Green Plains Trucking 109,955 Common Units and 398,014 Subordinated Units representing an aggregate 1.6% limited partner interest in the Partnership at such time, (c) to Obion 649,705 Common Units and 2,351,806 Subordinated Units representing an aggregate 9.4% limited partner interest in the Partnership at such time, and (d) to the General Partner a 2% general partner interest in the Partnership (equivalent to 648,557 notional general partner units as of such time) and all of the Incentive Distribution Rights (as defined in the Partnership Agreement). Green Plains’ record and beneficial ownership (including any deemed beneficial ownership as the sole member of Green Plains Trucking and Obion) of the Common Units and Subordinated Units issued to the Reporting Persons pursuant to the Contribution Agreement represents an aggregate 63.8% limited partner interest in the Partnership based on the number of Common Units (15,889,642) and Subordinated Units (15,889,642) issued and outstanding as of July 1, 2015, as reported to the Reporting Persons by the Partnership.

In connection with the Offering, certain Covered Individuals acquired with personal funds beneficial ownership of Common Units through the Partnership’s directed unit program at the initial public offering price of \$15.00 per Common Unit, as set forth in Item 5(a).

Item 4. Purpose of Transaction.

The Reporting Persons acquired the Common Units and Subordinated Units reported herein solely for investment purposes as consideration for the assets and operations contributed by the Reporting Persons to the Issuer in connection with the Offering. The Reporting Person may make additional purchases of Common Units either in the open market or in private transactions depending on the Reporting Person’s business, prospects and financial condition, the market for the Common Units, general economic conditions, stock market conditions and other future developments.

The following describes any other plans or proposals that the Reporting Person may have with respect to the matters set forth in Item 4(a)-(j) of Schedule 13D:

(a) The Subordinated Units owned of record by the Reporting Persons are convertible into Common Units on a one-to-one basis upon the termination of the subordination period as set forth in the Partnership Agreement. The General Partner may grant unit awards, restricted units, phantom units, unit options, unit appreciation rights, profits interests, distribution equivalent rights and other unit-based awards to officers, directors and employees of the General Partner and its affiliates pursuant to the terms of the Green Plains Partners LP 2015 Long-Term Incentive Plan (the "LTIP"). The General Partner may acquire Common Units for issuance pursuant to the LTIP on the open market, may issue Common Units already owned by the General Partner, may issue Common Units acquired by the General Partner directly from the Partnership or any other person or any combination of the foregoing.

As the sole member of the General Partner, Green Plains has the right to appoint the entire board of directors of the General Partner. Green Plains has no present intention of changing the board of directors or management of the General Partner.

(e) Subject to the restrictions contained in the Partnership Agreement, Green Plains, as the sole member of the General Partner of the Partnership, exercises control over the amount of distributions declared by the Partnership and may cause the Partnership to change its capitalization, through the issuance of debt or equity securities, from time to time in the future. Green Plains has no current intention of changing the present capitalization or distributions of the Partnership.

(g) None.

(h) None.

(j) Except as described in this Item 4, the Reporting Persons do not have, as of the date of this Schedule 13D, any other plans or proposals that relate to or would result in any of the actions or events specified in clauses (a) through (i) of Item 4 of Schedule 13D. The Reporting Persons may change their plans or proposals in the future. In determining from time to time whether to sell the Common Units reported as beneficially owned in this Schedule 13D (and in what amounts) or to retain such securities, the Reporting Persons will take into consideration such factors as they deem relevant, including the business and prospects of the Partnership, anticipated future developments concerning the Partnership, existing and anticipated market conditions from time to time, general economic conditions, regulatory matters, and other opportunities available to the Reporting Persons. The Reporting Persons reserve the right to acquire additional securities of the Partnership in the open market, in privately negotiated transactions (which may be with the Partnership or with third parties) or otherwise, to dispose of all or a portion of their holdings of securities of the Partnership or to change their intention with respect to any or all of the matters referred to in this Item 4.

Green Plains' record and beneficial ownership of these Common Units and Subordinated Units represents an aggregate 63.8% limited partner interest in the Partnership.

(2) Green Plains Trucking is the record and beneficial owner of (i) 109,955 Common Units, which represents 0.7% of the outstanding Common Units, and (ii) 398,014 Subordinated Units, which represents 2.5% of the outstanding Subordinated Units. (e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

The information provided or incorporated by reference in Items 3 and 4 is hereby incorporated by reference herein.

Partnership Agreement

The General Partner, as the sole general partner of the Partnership, and Green Plains, Green Plains Trucking and Obion as limited partners of the Issuer, together with all other limited partners of the Issuer, are party to the Partnership Agreement.

Cash Distributions

The Partnership's cash distribution policy will require it to pay cash distributions at an initial distribution rate of \$0.40 per Common Unit per each whole quarter (\$1.60 per Common Unit on an annualized basis) to the extent the Partnership has sufficient cash from operations after establishment of cash reserves and payment of fees and expenses, including payments to the General Partner and its affiliates. The Partnership calls this quarterly distribution amount the "minimum quarterly distribution" and the Partnership's ability to pay it is subject to various restrictions and other factors. The amount of distributions the Partnership will pay and the decision to make any distribution is determined by the General Partner, taking into consideration the terms of the Partnership Agreement. Additionally, certain restrictions in the Partnership's new revolving credit facility may restrict the Partnership's ability to make distributions.

The Partnership Agreement requires the Partnership to distribute, within 45 days after the end of each quarter beginning with the quarter ending September 30, 2015, all of its cash on hand, less cash reserves established by the General Partner. The Partnership Agreement refers to this amount as "available cash."

The Partnership Agreement provides that, during the subordination period, the Common Units will have the right to receive distributions of available cash each quarter in an amount equal to \$0.40 per Common Unit, plus any arrearages in the payment of the minimum quarterly distribution on the Common Units from prior quarters, before any distributions of available cash from operating surplus may be made on the Subordinated Units. Furthermore, no arrearages will be paid on the Subordinated Units.

The Partnership Agreement requires that the Partnership distribute all of its available cash from operating surplus for any quarter during the subordination period in the following manner:

first, 98% to the holders of Common Units, pro rata, and 2% to the General Partner, until the Partnership distributes for each outstanding Common Unit an amount equal to the minimum quarterly distribution for that quarter;

second, 98% to the holders of Common Units, pro rata, and 2% to the General Partner, until the Partnership distributes for each outstanding Common Unit an amount equal to any arrearages in payment of the minimum quarterly distribution on the Common Units for any prior quarters during the subordination period;

third, 98% to the holders of Subordinated Units, pro rata, and 2% to the General Partner, until the Partnership distributes for each Subordinated Unit an amount equal to the minimum quarterly distribution for that quarter; and

thereafter, in the manner described in the Partnership Agreement taking into account the General Partner's incentive distribution rights.

If cash distributions to the Partnership's unitholders exceed \$0.46 per unit in any quarter, the General Partner will receive, in addition to distributions on its 2% general partner interest, increasing percentages, up to 48%, of the cash the Partnership distributes in excess of that amount. These distributions are referred to as "incentive distributions." In certain circumstances set forth in the Partnership Agreement, the General Partner, as the initial holder of Incentive Distribution Rights, has the right to reset the target distribution levels for the Incentive Distribution Rights based on the Partnership's cash distributions at the time of the exercise of this reset election.

The Partnership Agreement requires that the Partnership distribute all of its available cash from operating surplus for any quarter after the subordination period in the following manner:

first, 98% to the holders of Common Units, pro rata, and 2% to the General Partner, until the Partnership distributes for each outstanding Common Unit an amount equal to the minimum quarterly distribution for that quarter; and

thereafter, in the manner described in the Partnership Agreement taking into account the General Partner's incentive distribution rights.

Conversion of Subordinated Units

The subordination period generally will end on the first business day after the date the Partnership has earned and paid distributions of at least (i) \$1.60 (the minimum quarterly distribution on an annualized basis) on each outstanding Common Unit, Subordinated Unit and the corresponding distributions on the 2% General Partner Interest, for each of three consecutive, non-overlapping four-quarter periods ending on or after June 30, 2018, or (ii) \$2.40 (150% of the annualized minimum quarterly distribution) on each outstanding Common Unit, Subordinated Unit and the corresponding distributions on the 2% General Partner Interest, in addition to any distribution made in respect of the incentive distribution rights, for any four-quarter period ending on or after June 30, 2016, in each case provided that there are no arrearages on the Common Units at that time. Additionally, the subordination period will end upon the removal of the General Partner other than for cause if the units held by the General Partner and its affiliates are not voted in favor of such removal.

When the subordination period ends, all outstanding Subordinated Units will convert into Common Units on a one-for-one basis, and the Common Units will no longer be entitled to arrearages.

Issuance of Additional Units

The Partnership Agreement authorizes the Partnership to issue an unlimited number of units on the terms determined by the General Partner without unitholder approval. Unitholders of the Partnership do not have preemptive or participation rights to purchase their pro rata share of any additional units issued.

Limited Voting Rights

The General Partner will manage and operate the Partnership, and the unitholders will have only limited voting rights. Unitholders will have no rights to elect the General Partner or its directors on an annual or other continuing basis. The General Partner may not be removed, except by a vote of the holders of at least 66 2/3% of the Partnership's outstanding Common Units and Subordinated Units, including any Common Units and Subordinated Units owned by the General Partner and its affiliates, voting together as a single class. Green Plains indirectly owns an aggregate of approximately 63.8% of the Common Units and Subordinated Units. This gives Green Plains the ability to prevent the involuntary removal of the General Partner.

Limited Call Right

If at any time the General Partner and its affiliates own more than 80% of the outstanding Common Units, the General Partner will have the right (but not the obligation), which it may assign in whole or in part to any of its affiliates or to the Partnership, to purchase all, but not less than all, of the limited partner interests of such class held by unaffiliated persons as of a record date to be selected by the General Partner, on at least 10, but not more than 60, days' written notice. The purchase price in the event of this purchase is the greater of:

the highest cash price paid by either the General Partner or any of its affiliates for any limited partner interests of the class purchased within the 90 days preceding the date on which the General Partner first mails notice of its election to purchase those limited partner interests; and

the daily closing prices of the Partnership securities of such class over the 20 trading days preceding the date that is three business days before the date the notice is mailed.

Registration Rights

Pursuant to the Partnership Agreement, the Partnership has agreed to register for resale under the Securities Act of 1933, as amended, and applicable state securities laws any Common Units, Subordinated Units or other partnership interests proposed to be sold by the General Partner or any of its affiliates or their assignees if an exemption from the registration requirements is not otherwise available. These registration rights continue for two years following the withdrawal or removal of the General Partner as general partner. The Partnership is obligated to pay all expenses incidental to the registration, excluding underwriting discounts and commissions.

General Partner's Board of Directors

Green Plains, as the sole member of the General Partner, has the right to elect the members of the board of directors of the General Partner.

Lockup Agreements

Pursuant to the terms of the Underwriting Agreement dated as of June 25, 2015, by and among the Partnership, the General Partner, Green Plains and the Underwriters, each of the Reporting Persons and certain of the Covered Individuals that purchased Common Units in the directed unit program described in Item 3 agreed not to sell or transfer any Common Units or securities convertible into, exchangeable for, exercisable for, or repayable with

Common Units, for 180 days from June 25, 2015 without first obtaining the written consent of Barclays Capital Inc. and Merrill Lynch, Pierce, Fenner & Smith, on behalf of the underwriters.

To the Reporting Persons' knowledge, there are no other contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 and between such persons and any person with respect to any securities of the Partnership.
