Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers

(e) On July 24, 2015, at the recommendation of the Compensation Committee of the Board of Directors of USA Technologies, Inc. (the “Company”), the Board of Directors approved certain compensation arrangements for its executive officers, Stephen P. Herbert, Chairman and Chief Executive Officer, and David M. DeMedio, Chief Financial Officer.

Base Salaries

Effective as of July 24, 2015, Mr. Herbert’s annual base salary was increased by approximately 5% to \$360,000 and Mr. DeMedio’s annual base salary was increased by approximately 14% to \$270,000.

2016 STI Plan

The Board approved the Fiscal Year 2016 Short-Term Incentive Plan (the “2016 STI Plan”) which provides that each executive officer would earn a cash bonus in the event that the Company achieves during the 2016 fiscal year certain annual financial goals (80% weighting) and certain annual specific performance goals relating to the executive officer which are to be established by the Compensation Committee (20% weighting). The annual financial goals are total revenues (30% weighting), cash generated from operations (30% weighting), and non-GAAP net income (40% weighting).

If none of the minimum threshold target goals are achieved, the executive officers would not earn a cash bonus. If all of the target goals are achieved, the executive officers would earn a cash bonus as follows: Mr. Herbert - \$180,000 (50% of base salary); and Mr. DeMedio - \$81,000 (30% of base salary). If all of the maximum distinguished target goals are achieved, the executive officers would earn a cash bonus as follows: Mr. Herbert - \$360,000 (100% of base salary); and Mr. DeMedio - \$162,000 (60% of base salary). Assuming the minimum threshold target goal would be achieved for a particular metric, the amount of the cash bonus to be earned would be determined on a pro rata basis, provided that the bonus would not exceed the maximum distinguished award for that metric.

2016 LTI Stock Plan

The Board approved the Fiscal Year 2016 Long-Term Stock Incentive Plan (the “2016 LTI Stock Plan”) which provides that each executive officer would be awarded shares of common stock of the Company in the event that certain metrics relating to the Company’s 2016 fiscal year would result in specified ranges of year-over-year percentage growth. The metrics are total number of connections as of June 30, 2016 as compared to total number of connections as of June 30, 2015 (50% weighting) and adjusted EBITDA earned during the 2016 fiscal year as compared to the adjusted EBITDA earned during the 2015 fiscal year (50% weighting).

If none of the minimum threshold year-over-year percentage target goals are achieved, the executive officers would not be awarded any shares. If all of the year-over-year percentage target goals are achieved, the executive officers would be awarded shares having the following value: Stephen P. Herbert - \$360,000 (100% of base salary); and David M. DeMedio - \$202,500 (75% of base salary). If all of the maximum distinguished year-over-year percentage target goals are achieved, the executive officers would be awarded shares having the following value: Mr. Herbert - \$720,000 (200% of base salary); and Mr. DeMedio - \$405,000 (150% of base salary). Assuming the minimum threshold year-over-year percentage target goal would be achieved for a particular metric, the number of shares to be awarded for that metric would be determined on a pro rata basis, provided that the award would not exceed the maximum distinguished award for that metric. The shares awarded under the 2016 LTI Stock Plan would vest as follows: one-third at the time of issuance; one-third on the first anniversary of issuance; and one-third on the second anniversary of issuance.

Herbert Stock Option Award

Mr. Herbert was awarded incentive stock options intended to qualify under Section 422 of the Internal Revenue Code of 1986, as amended, to purchase up to 29,585 shares at an exercise price of \$3.38 per share. The options vest on August 1, 2016, and expire if not exercised prior to August 1, 2022.

DeMedio Stock Award

Mr. DeMedio was awarded 7,396 shares of common stock as a bonus. The shares vest on August 1, 2016.

SIGNATURES

Pursuant to the Securities Exchange Act of 1934, the Company has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
