- Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

ITEM 8.01 OTHER EVENTS.

On June 13, 2007, Apex Bioventures Acquisition Corporation (the “Company”) consummated the initial public offering (the “IPO”) of 7,500,000 units (the “Units”) and the concurrent sale of 1,125,000 units in connection with the exercise by the underwriters of their over-allotment option (the “Over-Allotment Option”). Each Unit consists of one share of the Company's common stock, par value \$0.0001 per share (the “Common Stock”) and one warrant to purchase one share of Common Stock (the “Warrants”). The Units were sold at an offering price of \$8.00 per Unit. Immediately prior to the consummation of the IPO, the Company completed a private placement with its officers, directors and existing stockholders of 1,800,000 warrants at a purchase price of \$1.00 per warrant. The warrants sold in the private placement were identical to the warrants included in the Units, except that such warrants are non-redeemable and may be exercisable on a cashless basis. The IPO, including the exercise of the Over-Allotment Option and the private placement of warrants, generated gross proceeds of \$70,800,000. Of this amount, \$67,330,000 is being held in trust, including the deferred underwriting discounts.

Audited financial statements as of June 13, 2007 reflecting receipt of the proceeds upon consummation of the IPO have been issued by the Company and are included as Exhibit 99.1 to this Current Report on Form 8-K.

In addition, the Code of Conduct and Ethics of the Company is hereby included as Exhibit 99.3 to this Current Report on Form 8-K.
