ITEM 1.01

ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On October 4, 2007, Apollo Gold Corporation (the “Company”) and its wholly owned subsidiary Apollo Gold, Inc. (together with the Company, the “Sellers”) entered into a Settlement Agreement and Mutual Release (the “Agreement”) with Jipangu Inc., Jipangu International Inc., Florida Canyon Mining, Inc., Standard Gold Mining, Inc. and Jipangu Exploration Inc. (collectively the “Buyer Indemnified Parties”).

The Agreement was entered into to settle indemnification claims made by the Buyer Indemnified Parties under the Stock Purchase Agreement among Jipangu Inc., Jipangu International, Inc. (collectively, “Jipangu”), and Sellers dated October 17, 2005 (the “Stock Purchase Agreement”), pursuant to which the Company sold to Jipangu the stock of certain subsidiaries owning, among other things, the Florida Canyon and Standard mines.

The indemnification claims related to certain costs related to a leach pad issue, liability for certain taxes and liability related to certain employee disability claims. Under the terms of the Agreement, Sellers agreed (i) to pay the Buyer Indemnified Parties \$650,000 in full satisfaction of the claims related to the leach pad and the tax claims and (ii) to reimburse the Buyer Indemnified Parties in full in respect of the employee disability claims when and if damages related to those claims exceed \$200,000.

As reported in the financial statements included in the Company’s Form 10-Q for the quarterly period ending June 30, 2007, the Company had previously reserved \$600,000 in respect of these indemnification claims and therefore will expense the remaining \$50,000 in the quarterly period ending September 30, 2007.
