Explanation of Responses:

* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) The Reporting Person received these shares in connection with a settlement agreement regarding the termination of the Reporting Person's employment with the Issuer.

(2) The four reported transactions involved anti-dilution adjustments of two outstanding warrants, resulting in the deemed cancellation of the "old" warrants and the deemed grant of a replacement warrant. The adjustments were necessary because the anti-dilution provision in each "old" warrant was triggered by a subsequent warrant issuance by the Issuer, resulting in a new exercise price and a change in the amount of shares underlying the warrants.

(3) This total includes 72,362 shares of common stock issuable upon the exercise of warrants as previously reported with the Securities and Exchange Commission on July 5, 2005, but excludes options to purchase 2,379,090 common shares, as previously reported on form 4.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
