Item 1.01. Entry into a Material Definitive Agreement.

On April 18, 2008, China Sky One Medical, Inc., a Nevada corporation (the “Company”), through its indirect wholly owned subsidiary in the Peoples Republic of China (the “PRC” or “China”), Harbin Tian Di Ren Medical Science and Technology Company, a PRC limited liability company (“TDR”), consummated a share acquisition pursuant to an Equity Transfer Agreement (the “Equity Transfer Agreement”) with the shareholders of Heilongjiang Haina Pharmaceutical Inc., a recently formed corporation organized under the laws of the PRC (“Haina Pharmaceutical”) licensed as a wholesaler of TCD, bio-medicines, bio-products, medicinal devices, antibiotics and chemical medicines. Haina Pharmaceutical does not have an established sales network and was acquired for its primary asset, a Good Supply Practice (GSP) license (License No. A-HLJ03-010) issued by the Heilongjian office of the SFDA. The SFDA recently started issuing such licenses to resellers of medicines that maintain certain quality controls. The GSP license was issued as of December 21, 2006 and will expire on January 29, 2012 and will enable the Company to expand its sales of medicinal products without having to go through a lengthy license application process.

Pursuant to the Equity Transfer Agreement, TDR acquired 100% of the issued and outstanding capital stock of Haina Pharmaceutical from its three stockholders in consideration for payment of 3,000,000 RMB (approximately \$428,571). TDR has been overseeing the operations of Haina Pharmaceutical since January of 2008 as part of its due diligence prior to closing of this acquisition.

The foregoing description of the Equity Transfer Agreement does not purport to be complete and is qualified in its entirety by reference to the complete text of the Equity Transfer Agreement, which is filed as Exhibit 10.1 hereto and incorporated herein by reference.
