Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

Effective August 1, 2008, Emvelco Corp. (the “Company”) amended its certificate of incorporation to increase its authorized shares of common stock from 35,000,000 to 400,000,000 (the “Increase Amendment”). The amendment of the certificate of incorporation was approved by the board of directors as well as the shareholders holding a majority of the issued and outstanding shares of common stock (the “Majority Shareholders”) at the special meeting of shareholders held July 28, 2008 (the “Special Meeting”). The Majority Shareholders at the Special Meeting adopted the 2008 Stock Incentive Plan and approved the issuance of up to 50,000,000 shares of common stock upon the conversion of our Series A Convertible Preferred Stock (the “Series A Preferred”) held by PMFT Holdings, Ltd., Corporate Group Services Limited, Sully LLC and Beacon Financial Corp. (collectively, the “Series A Holders”) and the resulting change of control that will occur in connection with the share issuance. Following the conversion of the Series A Preferred, the Series A Holders will own approximately 87% of the issued and outstanding shares of the Company. There are no arrangements or understandings among the Series A Holders and the Company’s former control group and their associates with respect to election of directors or other matters. The Company is not aware of any arrangements, including any pledge by any person of securities of the Company or any of its parents, the operation of which may at a subsequent date result in a change in control of the Company.

Upon filing the Increase Amendment, the Company advised the Series A Holders that it is converting the Series A Preferred into shares of common stock as permitted by the Certificate of Designation for the Series A Preferred. The Company claims an exemption from the registration requirements of the Securities Act of 1933 (the “Act”) for the private placement of these securities pursuant to Section 4(2) of the Act and/or Regulation D promulgated thereunder since, among other things, the transaction did not involve a public offering, the Series A Holders are accredited investor and/or qualified institutional buyer, the Series A Holders had access to information about the Company and its investment, the Series A Holders took the securities for investment and not resale, and the Company took appropriate measures to restrict the transfer of the securities.
