### PART III - NARRATIVE

State below in reasonable detail why the Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period. (Attach extra Sheets if Needed.)

The Company could not complete and file its Annual Report on Form 10-KSB in a timely manner because of delays in accurately preparing and presenting all necessary disclosures required for a complete filing. Such delays are due in part to the fact that this is the Company's first Annual Report since the closing of its February 2008 merger, at which time the Company became engaged in a new line of business, its operations were moved to China and it hired a new management team (including chief financial officer). In addition, in July 2008, the Company replaced its principal accountant engaged to audit the Company's financial statements. Thus, the Company is unable to file its Annual Report on Form 10-KSB in a timely manner without unreasonable effort or expense. The Company will file its Annual Report on Form 10-KSB no later than the fifth calendar day following its prescribed due date.
