On that same date, the Company issued to the Investors in a private placement \$3 million of the July 2009 Notes and Common Stock. In connection with the July 2009 Financing, the Company entered into a consent and amendment agreement (the “Consent and Amendment Agreement”) with certain holders of its 2008 Notes and April 2009 Notes.
- Effective August 10, 2009, upon receipt of consent from the appropriate parties, the Company entered into an Amendment Agreement, dated August 6, 2009, in order to effect amendments to the Consent and Amendment Agreement, the July 2009 Notes, the July 2009 Purchase Agreement and the Registration Rights Agreement entered into by the Company and the Investors in connection with the July 2009 Purchase Agreement (the “July 2009 Registration Rights Agreement”), which (i) increased the amount of the Additional Closing (as defined in the July 2009 Purchase Agreement) under the July 2009 Purchase Agreement to permit the Company to finance up to an aggregate of \$13 million in July 2009 Notes, Common Stock and warrants, (ii) delayed the Additional Closing, (iii) delayed the Company’s ability to force conversion of the July 2009 Notes, (iv) delayed the Company’s obligation to file an initial Registration Statement (as defined in the July 2009 Registration Rights Agreement) and (v) placed restrictions on the Company’s ability to enter into subsequent financings.

On September 4, 2009, the Company entered into a Consent and Amendment Agreement (the “September 2009 Consent and Amendment Agreement”), in order to effect the following amendments:

- An amendment to the July 2009 Purchase Agreement to:
  - o delay the Additional Closing to September 4, 2009; and
  - o decrease the amount of the Additional Closing from \$10 million to \$7 million; and

- An amendment to the July 2009 Registration Rights Agreement to delay the deadline for the Company to file an initial Registration Statement until the earlier of (i) September 11, 2009 and (ii) two business days after the Company consummates a public offering pursuant to an effective Registration Statement

In connection with the execution of the September 2009 Consent and Amendment Agreement, the Company issued to the Investors in a private placement \$7million of the July 2009 Notes and Common Stock. The Company will use proceeds from the Additional Closing to fund activities related to its late Phase 3 trial of Genasense® in patients with advanced melanoma, along with its early-phase clinical trials with tasetaxel.

A complete copy of the September 2009 Consent and Amendment Agreement is attached hereto. The foregoing description of the September 2009 Consent and Amendment Agreement and any other documents or filings referenced herein are qualified in their entirety by reference to such exhibits, documents or filings.

In connection with the sale of the Units, the Company is also issuing to the investors two-year warrants to purchase Common Stock in an amount equal to 25% of the number of shares of Common Stock issuable upon conversion of the September 2009 Notes purchased by each investor at the closing. Under the September 2009 Purchase Agreement, the per share purchase price for a share of Common Stock must be at least \$0.10 per share. The September 2009 Notes will bear interest at an annual rate of 8% payable semi-annually in other unsecured subordinated convertible promissory notes (“Other Notes”) to the holder, and will be convertible into shares of the Company’s Common Stock at a conversion rate of 10,000 shares of common stock for every \$1,000.00 of principal. The Company believes that the issuance of the securities in this transaction was exempt from registration under Section 4(2) of the Securities Act. The Company has agreed to file a re-sale registration statement to register the Common Stock and any shares of Common Stock issuable upon conversion of the September 2009 Notes and upon exercise of the warrants, within 30 days of the closing.
