The Board of Directors of Deer Consumer Products, Inc. is soliciting proxies for use at the Annual Meeting of Stockholders to be held at our corporate offices, Area 2, 1/F, Building M-6, Central High-Tech Industrial Park, Nanshan, Shenzhen, China commencing at 10:00 a.m. (local time), and at any adjournments thereof. Distribution to shareholders of the attached notice of annual meeting, this proxy statement, the enclosed proxy card, and our annual report on Form 10-K for 2008 (which is not part of the proxy soliciting materials) is scheduled to begin on or about October 6, 2009 to each shareholder of record at the close of business on September 18, 2009, the "record date" set for this meeting.

QUESTIONS AND ANSWERS

WHO MAY ATTEND THE ANNUAL MEETING?

All stockholders who held shares of our common stock on September 18, 2009 may attend. If your stock is held in the name of a broker, bank, or other holder of record, often referred to as "in street name," just bring a copy of your brokerage account statement or a proxy card which you can get from your broker, bank or other holder of record of your stock.

WHO CAN VOTE AT THE MEETING?

The record date for the 2009 Annual Meeting of Stockholders is September 18, 2009. The record date was established by our Board of Directors. Stockholders of record at the close of business on the record date are entitled to:

- (a) receive notice of the meeting; and
- (b) vote at the meeting and any adjournments or postponements of the meeting.

On the record date, 11,284,786 shares of our common stock were outstanding. Each stockholder is entitled to one vote for each share of common stock held on the record date, as further described under "Voting Securities," in this Proxy Statement.

HOW DO I VOTE?

You may vote in person at the meeting or you may appoint a proxy, by mail, to vote your shares. If you return a signed card but do not provide voting instructions, your shares will be voted FOR the proposal to be voted on at the meeting.

WHAT ARE THE DIFFERENT METHODS THAT I CAN USE TO VOTE MY SHARES OF COMMON STOCK?

(a) By Written Proxy: Stockholders of record can vote by marking, signing, and timely returning the enclosed proxy card. Street name or beneficial holders must follow the directions provided by their broker, bank, or other nominee in order to direct such broker, bank, or nominee how to vote.

(b) In Person: All stockholders may vote in person at the meeting. Street names or beneficial holders must obtain a legal proxy from their broker, bank, or nominee prior to the meeting in order to vote in person.

HOW MANY VOTES MUST BE PRESENT TO HOLD THE MEETING?

At least a majority of our outstanding shares of common stock, as of the record date, must be present at the annual meeting in order to hold the annual meeting and conduct business. This is called a quorum. Shares of our common stock are counted as present at the annual meeting if the holder of such shares:

- (a) is present and votes in person at the annual meeting; or
- (b) has properly submitted a proxy card.

Abstentions are counted as present for the purpose of determining the presence of a quorum.

CAN I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. You may revoke your proxy card at any time before its exercise at the Annual Meeting by giving our Secretary, a written notice revoking your proxy card, or a duly executed proxy bearing a later date, or by attendance at the Annual Meeting and electing to vote in person.

WILL MY STOCK BE VOTED IF I DO NOT PROVIDE MY PROXY?

Your stock may be voted if it is held in the name of a brokerage firm, even if you do not provide the brokerage firm with voting instructions. Brokerage firms have the authority under the rules of The NASDAQ Stock Market, Inc., or NASDAQ, to vote stock for which their customers do not provide voting instructions on certain “routine” matters. Proposals 1 and 2 are considered “routine” and Proposal 3 is considered “non-routine” under the Nasdaq Marketplace Rules.

HOW MANY VOTES ARE NEEDED TO APPROVE OUR PROPOSALS?

The affirmative vote of a plurality of the shares of common stock present in person or by proxy and entitled to vote is required for the election of a director. Proposals 2 and 3 will require the affirmative vote of a majority of the votes cast on the proposal. Other matters that may properly come before the annual meeting may require a majority or more than a majority vote under our By-laws, the laws of the state of Nevada, our Articles of Incorporation, or other applicable laws.

WHO PAYS FOR THIS PROXY SOLICITATION?

We do. In addition to sending you these materials, some of our employees may contact you by telephone, by mail, by fax, by email, or in person. None of these employees will receive any extra compensation for doing this.

WHY ARE WE IMPLEMENTING AN EQUITY COMPENSATION PLAN?

We believe that it is in the Company’s best interests and in the best interests of the shareholders to adopt the 2009 Plan to help attract, motivate and retain outstanding employees, directors, and consultants and to align further their interests with those of shareholders.

WHY IS DEER SEEKING STOCKHOLDER APPROVAL FOR THESE PROPOSALS?

Proposal No. 1: The General Corporation Law of the State of Nevada and rules applicable to the Company as a result of the listing of our common stock on The Nasdaq Global Market require corporations to hold elections for directors each year.

Proposal No. 2: The Company appointed Goldman Parks Kurland Mohidin, LLP to serve as the Company's independent auditors for the 2009 fiscal year. The Company elects to have its stockholders ratify such appointment.

Proposal No. 3: The Nasdaq Marketplace Rules require the Company to have its stockholders approve the adoption of an equity based compensation plan.

PROPOSAL FOR ACTION AT THE ANNUAL MEETING

Proposal One: Election of Directors

Our Articles of Incorporation and By-laws provide that the Board of Directors shall consist of at least one but not more than nine directors, the exact number of which may be fixed and changed from time to time by ordinary resolution of the shareholders of the Corporation. The Board of Directors has adopted a resolution establishing five (5) as the number of directors of the Company.

Our Articles of Incorporation and By-laws provide that the Board of Directors shall be elected at each annual meeting. Based on the recommendation of the Nominating and Corporate Governance Committee, the Board of Directors has nominated its current members to be re-elected for another term.

The persons named in the accompanying proxy card intend to vote such proxy in favor of the election of the nominees named below, who are currently directors, unless authority to vote for the director is withheld in the proxy. Although the Board of Directors has no reason to believe that the nominees will be unable to serve as a director, if one of the nominees withdraws or otherwise becomes unavailable to serve, the persons named as proxies will vote for any substitute nominee designated by the Board of Directors, unless contrary instructions are given on the proxy.

The affirmative vote of a plurality of the shares of our common stock present in person or by proxy at the meeting and entitled to vote is required for the election of directors. Proxies for which authority to vote for the nominee is

withheld and broker non-votes will be tabulated for the purpose of computing the number of shares of our common stock present for purposes of determining the presence of a quorum for the meeting. They will have no effect on the outcome of the election of the directors.

Our Board of Directors unanimously recommends a vote FOR the nominees listed below.

CORPORATE GOVERNANCE

INDEPENDENCE OF DIRECTORS

Subject to certain exceptions, under the listing standards of NASDAQ, a listed company's board of directors must consist of a majority of independent directors. Currently, our board of directors has determined that each of Messrs. Hua, Staloff and Xu are independent directors for purposes of the NASDAQ's listed company standards currently in effect and approved by the SEC and all applicable rules and regulations of the SEC. We have established the following standing committees of the board: Audit, Compensation and Corporate Governance and Nominating. All members of the Audit Committee and a majority of the members of the Compensation and Nominating and Corporate Governance Committees satisfy the "independence" standards applicable to members of each such committee. The

board of directors made this affirmative determination regarding these directors' independence based on discussion with the directors and on its review of the directors' responses to a standard questionnaire regarding employment and compensation history; affiliations, family and other relationships; and transactions with the Company. The board of directors considered relationships and transactions between each director or any member of his immediate family and the Company and its subsidiaries and affiliates. The purpose of the board of director's review with respect to each director was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent under the NASDAQ rules.

MEETINGS OF THE BOARD OF DIRECTORS

Our Board of Directors held two regular meetings and one special meeting during fiscal year 2008. Each director attended at least 75% of the meetings of the Board of Directors and the Board committees on which he served in fiscal year 2008. Under our Corporate Governance Guidelines, directors are expected to attend meetings of our Board of Directors and committees of which he is a member and to spend the time necessary to properly discharge his respective duties and responsibilities.

COMMITTEES OF BOARD OF DIRECTORS

Audit Committee

We established our Audit Committee in April of 2009. The Audit Committee consists of Messrs. Hua, Staloff and Xu, each of whom is an independent director. Mr. Staloff, Chairman of the Audit Committee, is an “audit committee financial expert” as defined under Item 407(d) of Regulation S-K. The purpose of the Audit Committee is to represent and assist our board of directors in its general oversight of our accounting and financial reporting processes, audits of the financial statements and internal control and audit functions.

As more fully described in its charter, the functions of the Audit Committee include the following:

- appointment of independent auditors, determination of their compensation and oversight of their work;
- review the arrangements for and scope of the audit by independent auditors;
- review the independence of the independent auditors;
- consider the adequacy and effectiveness of the internal controls over financial reporting;
- pre-approve audit and non-audit services;
- establish procedures regarding complaints relating to accounting, internal accounting controls, or auditing matters;
- review and approve any related party transactions; and
- discuss with management and the independent auditors our draft quarterly interim and annual financial statements and key accounting and reporting matters.

The board of directors has adopted a written charter for the Audit Committee. A copy of the Audit Committee Charter is posted on our website at www.Deerinc.com.

Compensation Committee

We established our Compensation Committee in April of 2009. The Compensation Committee consists of Messrs. Hua, Staloff and Xu, each of whom is an independent director. Mr. Xu is the Chairman of the Compensation Committee. The Compensation Committee is responsible for the design, review, recommendation and approval of compensation arrangements for our directors, executive officers and key employees, and for the administration of our equity incentive plans, including the approval of grants under such plans to our employees, consultants and directors. The Compensation Committee also reviews and determines compensation of our executive officers, including our Chief Executive Officer. The board of directors has adopted a written charter for the Compensation Committee. A current copy of the Compensation Committee Charter is posted on our website at www.Deerinc.com.

The compensation of our executive officers and other employees is composed of base salaries. For 2008, compensation for our officers, including our named executive officers, was determined by our executive officers prior to the establishment of the compensation committee. The compensation committee will review base salaries of the executives considering Deer's overall financial position and the state of its business. The compensation committee will determine any increase in compensation, with respect to each officer, based on individual performance, level of responsibility, and skills and experience, taking into account the anticipated level of difficulty in replacing such officers and employees with persons of comparable experience, skill and knowledge.

Nominating and Corporate Governance Committee

We established our Nominating and Corporate Governance Committee in April of 2009. The Nominating and Corporate Governance Committee consists of Messrs. Hua, Staloff and Xu, each of whom is an independent director. Mr. Hua is the Chairman of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee assists in the selection of director nominees, approves director nominations to be presented for shareholder approval at our annual general meeting and fills any vacancies on our board of directors, considers any nominations of director candidates validly made by shareholders, and reviews and considers developments in corporate governance practices. The board of directors has adopted a written charter for the Nominating and Corporate Governance Committee. A current copy of the Nominating and Corporate Governance Committee Charter is posted on our website at www.Deerinc.com.

CODE OF BUSINESS CONDUCT AND ETHICS

Our board of directors has adopted a Code of Conduct, which applies to all directors, officers and employees. The purpose of the Code is to promote honest and ethical conduct. The Code is posted on our website located at www.Deerinc.com, and is available in print, without charge, upon written request to Corporate Secretary, Deer Consumer Products, Inc. at Area 2, 1/F, Building M-6, Central High-Tech Industrial Park, Nanshan, Shenzhen, China 518057. STOCKHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

You may communicate with our directors, individually or as a group, by writing to Board of Directors, Deer Consumer Products Inc. Area 2, 1/F, Building M-6, Central High-Tech Industrial Park, Nanshan, Shenzhen, China 518057. All such communications will be forwarded to the relevant director(s), except for solicitations or other matters not related to the Company.

NOMINATION PROCESS

The members of the Nominating and Corporate Governance Committee (the "Committee"), other than incumbent director nominees, discuss the qualifications of the director nominees and the needs of the Company. The Committee will consider nominees recommended by our directors and officer. In evaluating director candidates, the Committee considers factors that are in the best interests of the Company and its stockholders, including, but not limited to, the knowledge, experience, integrity and judgment of possible candidates for nomination as directors; the potential contribution of each candidate to the diversity of backgrounds, experience and competencies which the Committee desires to have represented on the Board of Directors, including familiarity with and experience in our specific industry; the NASDAQ's requirements for directors, including any applicable independence standards and other qualifications and experience; each candidate's ability to devote sufficient time and effort to his or her duties as a director of the Company and, where applicable, prior service as a director of the Company. There are, however, no stated minimum criteria for director nominees. The Committee recommends candidates to the Board of Directors for election at the annual meeting of stockholders.

STOCKHOLDER NOMINATIONS FOR DIRECTORS

Nominations for the election of directors may only be made by the Board of Directors in consultation with its Nominating and Corporate Governance Committee. A shareholder of record may recommend to the Committee a candidate for consideration as a nominee. The Committee will consider a shareholder nominee only if a shareholder provides written notice to: Deer Consumer Products, Inc., Area 2, 1/F, Building M-6, Central High-Tech Industrial Park, Nanshan, Shenzhen, China 518057, Attention: Chairman of the Nominating and Corporate Governance Committee.

In order to provide sufficient time to enable the Committee to evaluate candidates recommended by shareholders in connection with selecting candidates for nomination in connection with Deer's annual meeting of shareholders, the Chairman of the Nominating and Corporate Governance Committee must receive the shareholder's recommendation not less than sixty (60) days nor more than ninety (90) days prior to the anniversary of the mailing of the proxy statement for the annual meeting of shareholders for the preceding year. Each such notice must include the following information about the candidate:

- Name;

- A signed consent of the nominee to serve as a director of Deer, if elected.

PROPOSAL FOR ACTION AT THE ANNUAL MEETING

Proposal Two

Ratification of Appointment of Independent Auditors

The Audit Committee of the Board of Directors has appointed Goldman, Parks, Kurland, Mohidin LLP (“GPKM”) as our independent auditors for its fiscal year ending December 31, 2009. GPKM has acted in such capacity since its appointment on April 14, 2008. The Audit Committee is directly responsible for the appointment, retention, compensation and oversight of the work of our independent auditors (including resolution of disagreements between management and the independent auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. In making its determination regarding whether to appoint or retain a particular firm of independent auditors the Audit Committee takes into account the views of management. A representative of GPKM is expected to be available telephonically at the annual meeting, with the opportunity to make a statement if the representative desires to do so, and is expected to be available to respond to appropriate questions.

Stockholder Ratification

We are not required to submit the appointment of GPKM for ratification by our stockholders. However, we are doing so as a matter of good corporate practice. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such an appointment would be in our best interests and that of our stockholders.

The Board of Directors, based upon the recommendation of the Audit Committee, unanimously recommends a vote FOR the ratification of the appointment of GPKM as the independent registered public accounting firm to serve as our auditors for 2009.

Change in Company’s Accountant

On September 3, 2008, we dismissed Dale Matheson Carr Hilton Labonte LLP (“DMCHL”) as our independent accountant. DMCHL had previously been engaged as the principal accountant to audit our financial statements. The reason for the dismissal of DMCHL was that, following the consummation of the Share Exchange on April 14, 2008, (i) the former stockholders of Deer own a significant amount of the outstanding shares of our common stock and (ii) our primary business became the business previously conducted by Deer. The independent registered public accountant of Deer for US accounting purposes was the firm of Goldman Parks Kurland Mohidin, LLP. We believed that it was in our best interest to have GPKM continue to work with our business, and we therefore retained GPKM as our new principal independent registered accounting firm, effective as of September 3, 2008. GPKM is located at 16133 Ventura Blvd., Suite 880, Encino, CA 91436. The decision to change accountants was approved by our board of directors on September 3, 2008.

During our two most recent fiscal years and any subsequent interim period through to the date of our engagement of GPKM, neither we nor anyone on its behalf, has consulted with GPKM or any other auditor regarding any accounting or audit concerns, including, without limitation, those stated in Item 304(a)(2) of Regulation S-K.

The report of DMCHL on our financial statements for the period from July 8, 2006 (inception) through our fiscal year ended September 31, 2007 did not contain an adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope or accounting principles, except that the report was qualified as to our ability to continue as a going concern.

From our inception through September 3, 2008, there were no disagreements with DMCHL on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to the satisfaction of DMCHL, would have caused it to make reference to the matter in connection with its reports.

From our inception through September 3, 2008, we did not consult GPKM regarding either: (i) the application of accounting principles to a specific completed or contemplated transaction, or the type of audit opinion that might be rendered on our financial statements; or (ii) any matter that was the subject of a disagreement as described in Item 304(a)(1)(iv) of Regulation S-K.

Audit Fees

The firm of Goldman Parks Kurland Mohidin, LLP has been selected by the board of directors as the independent registered certified public accounting firm to audit the books and accounts of our company and its subsidiaries for the fiscal year ending December 31, 2008. This firm has served as independent public accountants for our company since April 14, 2008. Prior to September 3, 2008, we engaged Dale Matheson Carr Hilton Labonte, LLP as our independent accountants.

The aggregate fees billed by GPKM, for professional services rendered for the audit of our annual financial statements for the year ended December 31, 2008, and for the reviews of the financial statements included in our Quarterly Reports on Form 10-Q during the fiscal year were \$107,500.

The aggregate fees billed by DMCHL for the reviews of the financial statements included in our Quarterly Reports on Form 10-Q during the fiscal year 2008 was \$5,000.

The aggregate fees billed by DMCHL for the reviews of the financial statements included in our Quarterly Reports on Form 10-Q during the fiscal year 2007 was \$5,000.

Audit Related Fees

We incurred fees to auditors of \$0, for audit related fees during the fiscal year ended 2007, and for the fiscal year ended December 31, 2008 audit related fees were \$0.

Tax Fees

We incurred no fees to auditors for tax compliance, tax advice and tax compliance services during the fiscal year ended December 31, 2007 and the fiscal year ended December 31, 2008.

All Other Fees

We incurred no fees to auditors for professional services other than the services described above during the fiscal year ended December 31, 2007 and the fiscal year ended December 31, 2008.

Audit Committee's Pre-Approval Policy

It is the Audit Committee's policy to approve in advance the types and amounts of audit, audit-related, tax and any other services to be provided by our independent auditors. In situations where it is not possible to obtain full Audit Committee approval, the Committee has delegated authority to the Chairman of the Audit Committee to grant pre-approval of auditing, audit-related, tax and all other services. Any pre-approved decisions by the Chairman are required to be reviewed with the Audit Committee at its next scheduled meeting.

PROPOSAL FOR ACTION AT THE ANNUAL MEETING

Proposal Three
Adoption of the 2009 Equity Incentive Plan

We are asking our shareholders to vote to adopt the 2009 Plan that will provide stock-based compensation to our employees, directors and consultants. Currently, the Company has approximately 1,500 employees, 5 directors, and 1 consultant. The Board approved the 2009 Plan on October 2, 2009, subject to shareholder approval. The affirmative vote by a majority of votes cast on the proposal at the Annual Meeting is required for approval of the 2009 Plan. To date, the Company has not made grants under the 2009 Plan.

The following summary of the material features of the 2009 Plan is qualified in its entirety by reference to the 2009 Plan, a copy of which is attached as Appendix A. Unless otherwise defined, capitalized terms in this summary have the same meanings as provided in the 2009 Plan.

The Board believes that it is in the Company's best interests and in the best interests of the shareholders to adopt the 2009 Plan to help attract, motivate and retain outstanding employees, directors, and consultants and to align further their interests with those of shareholders.

The Board unanimously recommends a vote FOR the approval of the 2009 Plan.

Summary of the 2009 Plan

Purpose. The purpose of the 2009 Plan is to advance the interests of our shareholders by enhancing our ability to attract, retain, and motivate employees, directors, and consultants and by providing such persons with equity ownership opportunities and performance-based incentives that are intended to align their interests with those of our shareholder's.

Eligibility and Type of Awards. Employees, officers, directors, and consultants of the Company, its parent or its subsidiaries are generally eligible to receive stock options, restricted stock, restricted stock units ("RSUs"), stock appreciation rights ("SARs"), and other share-based awards. Incentive stock options ("ISOs") may be granted only to Employees. SARs and nonqualified stock options ("NSOs") may not be granted to Service Providers of a parent if the Service Provider is subject to U.S. tax.

Administration. The 2009 Plan will be administered by the Board or a committee thereof. The 2009 Plan is currently being administered by the Compensation Committee. The Compensation Committee may determine the specific terms and conditions of all Awards granted under the 2009 Plan, including, without limitation, the number of shares subject to each Award, the price to be paid for the shares and the vesting criteria, if any. The Compensation Committee has discretion to administer the 2009 Plan as it deems necessary or advisable.

Shares Available for Award. Subject to adjustment as described below, (i) the maximum aggregate number of shares of Common Stock ("Share") that may be issued under the 2009 Plan is 500,000 Shares, (ii) not more than 200,000 Shares (or for Awards denominated in Shares and satisfied in cash, the Fair Market Value of 200,000 Shares on the grant date), may be awarded to any individual participant in any one fiscal year of the Company, such limitation to be applied in a manner consistent with the requirements of, and only to the extent required for compliance with, the exclusion from the limitation on deductibility of compensation under section 162(m) of the Internal Revenue Code of 1986, as amended ("Code"), and (iii) to the extent consistent with Code section 422, not more than an aggregate of 500,000 Shares may be issued pursuant to the exercise of ISOs under the 2009 Plan.

Transferability. An Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution, and Options and SARs may be exercised, during the lifetime of the participant, only by the participant.

Vesting Conditions. For every Award under the 2009 Plan, the Compensation Committee may impose conditions on vesting as it deems advisable or appropriate, including but not limited to, achievement of Company-wide, business unit, or individual goals (including, but not limited to, continued employment), or any other basis.

Option Grants. An option is the right to purchase shares of Common Stock at a future date at a specified price. Options granted under the 2009 Plan may be either ISOs, within the meaning of Code section 422, or NSOs (i.e ., options not intended to qualify as ISOs). The Compensation Committee determines the terms of each Option at the time of grant, including the number of Shares covered by, the exercise price of, and the conditions and limitations applicable to the exercise of each Option; provided that (i) the exercise price of an Option may not be less than the Fair Market Value of a Share on the grant date and the option term may not exceed ten years, (ii) ISOs may only be granted to employees; (iii) if the optionee owns more than 10% of the total combined voting power of all classes of stock, the exercise price of an ISO may not be less than 110% of the Fair Market Value of a Share on the grant date and the option term may not exceed five years. To the extent that the aggregate Fair Market Value of the stock underlying ISOs that first become exercisable in any calendar year exceeds \$100,000, such options will be treated as NSOs.

The 2009 Plan permits the following forms of payment of the exercise price of Options:

- cash or check;
- to the extent not prohibited by Section 402 of the Sarbanes-Oxley Act of 2002, a promissory note;
- other Shares, provided the Shares have a Fair Market Value on the date of exercise of the Option equal to the aggregate exercise price for the Shares being purchased;
- to the extent not prohibited by Section 402 of the Sarbanes-Oxley Act of 2002, in accordance with any broker-assisted cashless exercise procedures approved by the Company and as in effect from time to time;
- by requesting the Company to withhold such number of Shares then issuable upon exercise of the Option that have an aggregate Fair Market Value equal to the exercise price for the Option being exercised;
- any combination of the foregoing; or
- such other consideration and method of payment for the issuance of Shares to the extent permitted by Applicable Laws.

Stock Appreciation Rights. A SAR is an award entitling the recipient, upon exercise, to receive an amount in shares of common stock or cash or a combination thereof determined by reference to appreciation, from and after the grant date, in the fair market value of a share of common stock. The Compensation Committee determines the terms of each SAR at the time of grant, including the number of Shares to be covered by, the exercise price of, and the conditions and limitations applicable to the exercise of each SAR; provided that (i) the exercise price of a SAR may not be less than the Fair Market Value of a Share on the grant date. Upon exercise of a vested SAR, the recipient of the SAR will receive payment in an amount no greater than (i) the difference between the Fair Market Value of a Share on the exercise date over the exercise price; times (ii) the number of Shares with respect to which the SAR is exercised. The payment upon exercise of a vested SAR may be in cash, Shares of equivalent value or some combination thereof.

Restricted Stock Awards and Restricted Stock Units. The Compensation Committee may grant Restricted Stock and RSUs, both which are subject to forfeiture in the event conditions specified by the Compensation Committee are not satisfied prior to the end of the applicable restriction period. Restricted Stock Units entitle the recipient to receive Shares at the time the award vests. Restricted Stock may be issued at the time of grant or the Company may hold the Restricted Stock in escrow until the award vests and restrictions lapse.

The Compensation Committee determines the number and form of Award, vesting conditions, the purchase price, if any, and any other terms and conditions of Restricted Stock and RSU Awards at the time of grant. All restrictions will lapse and the restriction period will end upon the satisfaction of vesting conditions. The Compensation Committee may (i) the time at which restrictions will lapse or (ii) provide for complete or partial exceptions to an employment condition as it deems equitable.

During the restriction period, Service Providers holding Restricted Stock (i) may exercise full voting rights with respect to those Shares and (ii) will be entitled to receive all dividends and other distributions paid with respect to such Shares, unless the Compensation Committee determines otherwise. If any such dividends or distributions are paid in Shares, the Shares will be subject to the same restrictions on transferability and forfeitability as the Restricted Stock with respect to which they were paid.

Other Stock-Based Awards. The Compensation Committee may grant other awards that are payable in, valued in whole or in part by reference to, or otherwise based on or related to Shares. Other Share-Based Awards may include, without limitation, (i) Shares awarded as a bonus and not subject to any restrictions or conditions, (ii) grants in lieu of cash compensation, (iii) other rights convertible or exchangeable into Shares, and (iv) other awards valued by reference to the value of Shares or the value of securities of or the performance of specified Subsidiaries. At the time of grant, the Compensation Committee will determine the number of Shares or stock units to be granted pursuant to an Award, and all other terms and conditions of an Award, including, but not limited to, the vesting period (if any), purchase price (if any), and whether such Awards will be payable or paid in cash, Shares or otherwise.

Cash Settlement. The Compensation Committee may, in its sole discretion, choose to settle any Award granted under the 2009 Plan in cash (in whole or in part) in lieu of Shares. The value of such Award on the date of distribution will be determined in the same manner as the Fair Market Value of Shares on the grant date of an Option.

Adjustments, Dissolution, Liquidation, Merger or Change in Control. In the event that any dividend or other distribution (whether in the form of cash, Shares, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of Shares or other securities of the Company, or other change in the corporate structure of the Company affecting the Shares occurs, the Committee will equitably adjust (i) the number and kind of shares authorized for issuance under the 2009 Plan, (ii) the number and kind of shares subject to outstanding Awards, and (iii) the exercise price of Options and SARs.

In the event of the dissolution or liquidation of the Company, the Compensation Committee will notify each participant as soon as practicable prior to the effective date of such transaction. To the extent it has not been previously exercised, an Award will terminate immediately prior to the dissolution or liquidation.

In the event of a merger or Change in Control, the surviving or successor entity may either assume the Company's rights and obligations with respect to outstanding Awards or substitute outstanding Awards for substantially equivalent property (including, but not limited to comparable equity interests in the surviving or successor entity) that are subject to vesting requirements and repurchase restrictions no less favorable to the participant than those in effect prior to the merger or Change in Control.

In the event that the successor corporation does not assume or provide a substitute for the Award, all outstanding Awards will vest, all vesting criteria will be deemed to have been achieved at target levels, and all restrictions on Awards will lapse. Any Option or SAR that is not assumed or substituted in the event of a Change in Control will be exercisable for a period determined by the Compensation Committee in its sole discretion. The Compensation Committee will provide reasonable notice of the exercise period to the participant, and the Option or SAR will terminate upon the expiration of such exercise period.

Termination of, or Amendments to, the 2009 Plan. The 2009 Plan may be amended, altered, suspended or terminated by the Board at any time. No amendment will be effective prior to approval of the shareholders to the extent shareholder approval is necessary or appropriate to comply with any legal requirement or the terms of the 2009 Plan. Any amendment that impairs the rights of a participant requires participant consent. The 2009 Plan will terminate on 10 years following the earlier of (i) the date it was adopted by the Board or (ii) the date it became

effective upon approval by shareholders, unless the 2009 Plan is terminated sooner by the Board. However, all Awards granted prior to and which are outstanding on the date the 2009 Plan is terminated will remain valid in accordance with their terms and conditions.

Consequences of Nonapproval. If shareholders do not approve the adoption of the 2009 Plan, the 2009 Plan will not go into effect, and any Awards granted under the 2009 Plan will be null and void and of no effect.

U.S. Federal Income Tax Consequences. The following is a brief summary of the United States federal income tax consequences relating to Awards granted under the 2009 Plan. This summary is based on the federal tax laws in effect as of the date of this proxy statement. The summary is limited to the federal income tax consequences for individuals who are U.S. citizens or residents for U.S. federal income tax purposes and the summary does not purport to address all tax considerations that are relevant. State, local, foreign and other taxes may differ. In addition, this summary assumes that all Awards are exempt from, or comply with, Code section 409A. Each participant is urged to consult his or her own tax advisor as to the specific tax consequences to such participant of the grant of an Award, the vesting or exercise of an Award, and the disposition of shares that may be issued pursuant to an Award.

Incentive Stock Options. Generally, a participant will not recognize income on the grant or exercise of an ISO. At exercise, however, the excess of the Fair Market Value of the shares acquired upon exercise over the exercise price is an item of adjustment in computing the participant's alternative minimum taxable income. If the participant holds the stock received upon exercise of an ISO for at least two years from the grant date and one year from the exercise date, any gain realized on a sale of the stock is treated as long-term capital gain. If the participant sells the stock received upon exercise prior to the expiration of such periods (a "disqualifying disposition"), the participant will recognize ordinary income in the year of the disqualifying disposition equal to the excess of the Fair Market Value of such stock on the exercise date over the exercise price (or, if less, the excess of the amount realized upon the sale over the exercise price). The excess, if any, of the sale price over the Fair Market Value on the exercise date will be short-term capital gain.

Our Company is not entitled to a tax deduction as the result of the grant or exercise of an ISO. If the participant has ordinary income as a result of a disqualifying disposition, the Company is entitled to a deduction at the same time equal to the amount of ordinary income realized by the participant, assuming the deduction is allowed by Code section 162(m).

Nonqualified Stock Options. Generally, a participant will not recognize income, and the Company is not entitled to a deduction, upon a grant of a NSO. On exercise, a participant will recognize as ordinary income the difference between the exercise price and the Fair Market Value of the shares on the exercise date, unless the shares are subject to any restrictions on the participant's ownership or disposition thereof. At the time the participant recognizes income, the Company is entitled to a deduction equal to the amount of income recognized by the participant, assuming the deduction is allowed by Code section 162(m). Upon sale of the shares, the participant will recognize long-term or short-term capital gain or loss depending on the sale price and holding period of the shares.

Stock Appreciation Rights. Generally, a participant will not recognize income, and the Company is not entitled to a deduction, upon a grant of a SAR. On exercise, a participant will recognize as ordinary income the amount of cash or the Fair Market Value of the shares received. At the time the participant recognizes income, the Company is entitled to a deduction equal to the amount of income recognized by the participant, assuming the deduction is allowed by Code section 162(m). Upon the sale of any shares acquired by exercise of a SAR, the participant will recognize long-term or short-term capital gain or loss depending on the sale price and holding period of the shares.

Restricted Stock or RSUs. Generally, a participant will not recognize income, and the Company is not entitled to a deduction, upon a grant of Restricted Stock or RSUs. A participant may elect to be taxed on the difference between the purchase price of Restricted Stock and the Fair Market Value of the Restricted Stock on the grant date by filing a Code section 83(b) election. Otherwise, upon the lapse of restrictions on Restricted Stock, the participant generally recognizes ordinary compensation income equal to the Fair Market Value of the shares less the purchase price (if any) paid by the participant. Upon the delivery to the participant of common shares in respect of Restricted Stock Units, the

participant generally recognizes ordinary income equal to the Fair Market Value of the shares as of the delivery date less the purchase price (if any) paid by the participant. At the time the participant recognizes income, the Company is entitled to a deduction equal to the amount of income recognized by the participant, assuming the deduction is allowed by Code section 162(m). Upon the sale of any shares acquired through Restricted Stock or RSUs, the participant will recognize long-term or short-term capital gain or loss depending on the sale price and holding period of the shares.

Other Stock-Based Awards. The tax consequences associated with any other Stock-Based Award granted under the 2009 Plan will vary depending on the specific terms of the Award. Among the relevant factors are whether the Award has a readily ascertainable Fair Market Value, whether or not the Award is subject to forfeiture provisions or restrictions on transfer, the nature of the property to be received by the participant and the participant's holding period and tax basis for the Award or underlying common stock.

Withholding. Our Company generally must collect and pay withholding taxes upon the exercise of a NSO or SAR, upon the earlier of the filing of a Code section 83(b) election or the date the restrictions on Restricted Stock lapse, and at the time that Restricted Stock Units are settled by delivering stock or cash to a participant. The Compensation Committee may permit a participant to satisfy tax withholding by (i) paying cash, (ii) electing to have our Company withhold otherwise deliverable Shares having a Fair Market Value (as of the date that the taxes should be withheld) equal to the withholding amount, or (iii) delivering to the Company already-owned Shares having a Fair Market Value (as of the date that the taxes should be withheld) equal to the withholding amount.

Limits on Company Deduction. Subject to certain exceptions, Code section 162(m) disallows federal income tax deductions for compensation paid by a publicly-held corporation to certain executives to the extent the amount paid to an executive exceeds \$1 million for the taxable year. The 2009 Plan has been designed to allow, but not require, grants to qualify for an exception to the Code section 162(m) deduction limit.

Tax Rules Affecting Nonqualified Deferred Compensation Plans. Awards granted under the 2009 Plan may be subject to Code section 409A. Failure to comply with Code section 409A or to qualify for an exemption from Code section 409A could result in significant adverse tax results to the grantee of the Award, including immediate taxation, an additional 20 percent tax on the amount of income so recognized, plus interest. The 2009 Plan has been designed in accordance with the Company's intent to grant awards that qualify for an exemption from Code section 409A.

Vote Required

The affirmative vote of a majority of the votes cast on the proposal at the Annual Meeting is required for approval of this proposal.

STOCKHOLDER PROPOSALS

The rules of the SEC govern when a company must include a stockholder's proposal in its proxy statement and identify the proposal in its form of proxy when the company holds an annual or special meeting of stockholders. Under these rules, proposals that stockholders would like to submit for inclusion in our proxy statement for our 2010 annual meeting of stockholders should be received by our Corporate Secretary no later than June 8, 2010 (which is not more than 120 days prior to the anniversary of the mailing date of this proxy statement), assuming that the date of the annual meeting to be held in 2010 is not changed by more than 30 days from the date of this annual meeting. In such event, we will provide notice of the date by which such proposals must be received in order to be included in our proxy statement in Item 5 of our quarterly report on Form 10-Q. Our determination of whether we will oppose inclusion of any proposal in our proxy statement and proxy will be made on a case-by-case basis in accordance with our judgment and the rules and regulations promulgated by the SEC.

In addition, if a stockholder wishes to present a proposal at the 2010 annual meeting that will not be included in our proxy statement and the Company is not notified prior to August 22, 2010 (which is 45 days prior to the anniversary of the mailing date of this proxy statement), then the proxies solicited by our management for the 2010 annual meeting will include discretionary authority to vote on the proposal in the event that it is properly brought before the meeting.

As of the date of this proxy statement, the board is not aware of any matters to come before the annual meeting other than those set forth on the notice accompanying this proxy statement. If any other matters come before the annual meeting, the proxy card, if executed and returned, gives discretionary voting authority to the persons named as proxy holders, Ying He and James Chiu, our chief executive officer and chief operating officer, respectively, with respect to such matters.

ANNUAL REPORT AND FORM 10-K

The proxy statement is accompanied by the Annual Report of the Company for its fiscal year ended December 31, 2008. Stockholders are referred to such Annual Report for information about our business and activities.

Copies of our Annual Report on Form 10-K filed with the SEC pursuant to Section 13 of the Securities Exchange Act of 1934, as amended, will be provided without charge to record or beneficial owners of shares of our common stock entitled to vote at the meeting. Written requests for copies of said report should be directed to the Corporate Secretary, Deer Consumer Products Inc., Area 2, 1/F, Building M-6, Central High-Tech Industrial Park, Nanshan, Shenzhen, China 518057.

Appendix A

DEER CONSUMER PRODUCTS, INC.

2009 EQUITY INCENTIVE PLAN

1. **Purposes.** The purposes of this Plan are to promote the success of the Company's business, advance the interests of the Company, attract and retain the best available personnel for positions of substantial responsibility, and provide additional incentive to Employees, Directors and Consultants. The Plan permits the grant of Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units, and Other Share-Based Awards as the Administrator may determine. Capitalized terms used herein shall have the meanings given to such terms in Section 23.
2. **Stock Subject to the Plan.** Subject to adjustment as provided in Section 12, a maximum of five hundred thousand (500,000) Shares will be available for issuance under the Plan. The Shares may be authorized but unissued, or reacquired Common Stock.

If an Award granted under the Plan lapses, is forfeited, terminated or canceled, or expires or becomes unexercisable without having been exercised in full, the unpurchased, forfeited or unissued Shares which were subject to the Award will become available for future grant or sale under the Plan (unless the Plan has terminated). Shares that have actually been issued under the Plan under any Award will not be returned to the Plan and will not become available for grant or sale under the Plan. With respect to SARs, only Shares actually issued pursuant to a SAR will cease to be available for future grant or sale under the Plan (unless the Plan has terminated). Forfeited Restricted Stock will revert to the Company and will not be available for grant under the Plan. Shares related to forfeited RSUs will become available for grant under the Plan. Except with respect to issued Shares, Shares withheld by the Company to pay the exercise price of an Award or to satisfy tax withholding obligations with respect to an Award will become available for future grant or sale under the Plan. To the extent an Award under the Plan is paid out in cash rather than Shares, such cash payment will not reduce the number of Shares available for issuance under the Plan.

The Company, during the term of this Plan, will at all time reserve and keep available such number of Shares as will be sufficient to satisfy the requirements of the Plan.

3. **Administration of the Plan.**
 - a. **Administrator.** The Board will act as Plan Administrator or will appoint a Committee consistent with Applicable Laws to act as Administrator. If and so long as the Shares are registered under Section 12(b) or 12(g) of the Exchange Act, the Board will consider in selecting the membership of any Committee acting as Administrator the requirements regarding (1) "nonemployee directors" within the meaning of Rule 16b-3 under the Exchange Act; (2) "independent directors" as described in the listing requirements for any stock exchange on which Shares are listed; and (3) Section 14.b.i. of the Plan if the Company pays salaries for which it claims on its U.S. tax returns deductions that are subject to the Code section 162(m) limitation. The Board will determine any Committee member's term and may remove a Committee member at any time.

- b. Powers of the Administrator. Subject to the provisions of the Plan and the approval of any relevant authorities, and in the case of a Committee, subject to the specific duties delegated by the Board to such Committee, the Administrator will have the authority, in its discretion:
- i. to determine the Fair Market Value;
 - ii. to select the Service Providers to whom Awards may be granted;
 - iii. to determine the types of Awards to each Participant;

- iv. to determine the number of Shares to be covered by each Award;
 - v. to approve forms of agreement for use under the Plan;
 - vi. to determine the terms and conditions of each Award, including without limitation, the exercise price, amount, the exercise period, vesting conditions, any vesting acceleration, any waiver of forfeiture restrictions, and any other restriction, condition, or limitation regarding any Award or its related Shares;
 - vii. to construe and interpret the terms of the Plan and Awards and resolve any disputes regarding Plan and Award provisions;
 - viii. to prescribe, amend, rescind or waive rules and regulations relating to the Plan;
 - ix. to modify or amend each Award to the extent any modification or amendment is consistent with the terms of the Plan;
 - x. to allow Participants to satisfy withholding tax obligations as permitted by Section 13;
 - xi. to authorize any person to execute on behalf of the Company any instruments required to effect the grant of an Award previously granted by the Administrator;
 - xii. to delay issuance of Shares or suspend a Participant's right to exercise an Award as deemed necessary to comply with Applicable Laws;
 - xiii. to determine any issues necessary or advisable for administering the Plan; and
 - xiv. to correct any defect, supply any omission, or reconcile any inconsistency in the Plan or any Award in the manner and to the extent it shall deem desirable to carry the Plan into effect.
- c. Effect of Administrator's Decision. Any act or decision of the Administrator will be binding and conclusive on the Company, all Participants, anyone holding an Award, and any person claiming under or through any Participant.
4. Eligibility. ISOs may be granted only to Employees who may be subject to U.S. tax. All other Awards may be granted to Service Providers. Service Providers may include prospective Employees or Consultants to whom Awards are granted in connection with written offers of employment or engagement of services, respectively, with the Company; provided that no Award granted to a prospective Employee or Consultant may be exercised or purchased prior to the commencement of employment or services with the Company.
5. Stock Options.

- a. **Grant of Options.** The Administrator may grant Options in such amounts as it will determine from time to time. The Administrator may grant NSOs, ISOs, or any combination of the two. ISOs will be granted in accordance with Section 14.a. of the Plan. NSOs granted to U.S. taxpayers will be granted in accordance with Section 14.c. of the Plan.
- b. **Option Award Agreement.** Each Option will be evidenced by an Award Agreement that will specify the type of Option granted, the exercise price, the number of Shares to which the Option pertains, vesting conditions, the exercise period, restrictions on transferability, and any other terms and conditions specified by the Administrator (which need not be identical among Participants). If the Award Agreement does not specify that the Option is to be treated as an ISO, the Option will be a NSO.

- c. **Exercise Price.** The exercise price per share with respect to each Option will be determined by the Administrator provided that the exercise price per share cannot be less than the Fair Market Value of a Share on the Grant Date.
- d. **Exercisability.** An Option may be exercised at such time as the Option vests. No Option will be exercisable after the expiration of ten (10) years from the Grant Date, provided that if an exercise would violate applicable securities laws, the Option will be exercisable no more than thirty (30) days after the exercise of the Option first would no longer violate applicable securities laws. Subject to the terms of the Plan, Options may be exercised at such times, and in such amount and subject to such restrictions as will be determined by the Administrator, in its discretion.
- e. **Vesting Conditions.** The Administrator shall establish and set forth in the Award Agreement the times, installments or conditions upon which the Options shall vest and become exercisable, which may include the achievement of Company-wide, business unit, and individual goals (including, but not limited to continued employment or service).
- f. **Modification of Option Awards.** The Administrator may accelerate the exercisability of any Option or a portion of any Option. The Administrator may extend the period for exercise provided the exercise period is not extended beyond the earlier of the original term of the Option or ten (10) years from the original Grant Date.
- g. **Exercise of Option.** An Option is exercised when the Company receives: (1) notice of exercise (in such form as the Administrator will specify from time to time) from the person entitled to exercise the Option, and (2) full payment for the Shares with respect to which the Option is exercised (together with all applicable withholding taxes). An Option may not be exercised for a fraction of a Share. Exercise of an Option in any manner shall result in a decrease in the number of Shares thereafter available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.
- h. **Payment.** Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Award Agreement and the Plan (together with all applicable withholding taxes). Such consideration may consist entirely of:
 - i. cash;
 - ii. check;
 - iii. to the extent not prohibited by Section 402 of the Sarbanes-Oxley Act of 2002, a promissory note;
 - iv. other Shares, provided the Shares have a Fair Market Value on the date of exercise of the Option equal to the aggregate exercise price for the

Shares being purchased;

- v. to the extent not prohibited by Section 402 of the Sarbanes-Oxley Act of 2002, in accordance with any broker-assisted cashless exercise procedures approved by the Company and as in effect from time to time;

- vi. by requesting the Company to withhold such number of Shares then issuable upon exercise of the Option that have an aggregate Fair Market Value equal to the exercise price for the Option being exercised;
 - vii. any combination of the foregoing; or
 - viii. such other consideration and method of payment for the issuance of Shares to the extent permitted by Applicable Laws.
- i. Shares Issued Upon Exercise. The Company will issue (or cause to be issued) Shares promptly after the Option is exercised. Shares issued upon exercise of an Option will be issued in the name of the Optionee or, if requested by the Optionee, in the name of the Optionee and his or her spouse. Until the Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder will exist with respect to the Shares, notwithstanding the exercise of the Option. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Shares are issued, except as provided in Section 12.
- j. Termination and Forfeiture of Options.
- i. Termination of Relationship as a Service Provider. If a Participant ceases to be a Service Provider, such Participant may exercise his or her Option within three (3) months of termination, or such other period of time as specified in the Award Agreement, to the extent that the Option is vested on the date of termination (but in no event later than the expiration of the term of the Option as set forth in the Award Agreement). Unless the Administrator provides otherwise, if on the date of termination the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall revert to the Plan. If, after termination, the Participant does not exercise his or her Option within the time specified by the Administrator, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.
 - ii. Disability of Participant. If a Participant ceases to be a Service Provider as a result of the Participant's Disability, the Participant may exercise his or her Option within twelve (12) months of termination, or such longer period of time as specified in the Award Agreement, to the extent the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement). Unless the Administrator provides otherwise, if on the date of termination the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall revert to the Plan. If, after termination, the Participant does not exercise his or her Option within the time specified herein,

the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

- iii. **Death of Participant.** If a Participant dies while a Service Provider, the Option may be exercised within twelve (12) months following Participant's death, or such longer period of time as specified in the Award Agreement, to the extent that the Option is vested on the date of death (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement) by the Participant's designated beneficiary, provided such beneficiary has been designated prior to Participant's death in a form acceptable to the Administrator. If no such beneficiary has been designated by the Participant, then such Option may be exercised by the personal representative of the Participant's estate or by the person(s) to whom the Option is transferred pursuant to the Participant's will or in accordance with the laws of descent and distribution. If, at the time of death, the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall immediately revert to the Plan. If the Option is not so exercised within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

- iv. Expiration of Option Term. Subject to the provisions of section 5.d, if the Option is not exercised prior to the expiration of the term of such Option as set forth in the Award Agreement, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

6. Stock Appreciation Rights.

- a. Grant of SARs. The Administrator may grant SARs in such amounts as it will determine from time to time. SARs granted to U.S. taxpayers will be granted in accordance with Section 14.c. of the Plan.
- b. SAR Award Agreement. Each SAR will be evidenced by an Award Agreement that will specify the exercise price, the number of Shares underlying the SAR grant, vesting conditions, the exercise period, restrictions on transferability, and such other terms and conditions specified by the Administrator (which need not be identical among Participants).
- c. Exercise Price. The exercise price per share with respect to each SAR will be determined by the Administrator provided that the exercise price per share cannot be less than the Fair Market Value of a Share on the Grant Date.
- d. Exercisability. A SAR may be exercised at such time as the SAR vests. No SAR will be exercisable after the expiration of ten (10) years from the Grant Date, provided that if an exercise would violate applicable securities laws, the SAR will be exercisable no more than thirty (30) days after the exercise of the SAR first would no longer violate applicable securities laws. Subject to the terms of the Plan, SARs may be exercised at such times, and in such amount and subject to such restrictions as will be determined by the Administrator, in its discretion.
- e. Vesting Conditions. The Administrator shall establish and set forth in the Award Agreement the times, installments or conditions upon which the SARs shall vest and become exercisable, which may include the achievement of Company-wide, business unit, and individual goals (including, but not limited to continued employment or service).
- f. Modification of SAR Awards. The Administrator may accelerate the exercisability of any SAR or a portion of any SAR. The Administrator may extend the period for exercise provided the exercise period is not extended beyond the earlier of the original term of the SAR or 10 years from the original Grant Date.
- g. Exercise of SAR. Upon exercise of a vested SAR, a Participant will be entitled to receive payment from the Company in an amount no greater than (1) the difference between the Fair Market Value of a Share on the date of exercise over the exercise price; times (2) the number of Shares with respect to which the SAR is exercised.

- h. Settlement. An Award Agreement may provide that the amount payable upon the exercise of a SAR may consist of cash, Shares of equivalent value, or a combination thereof.

- i. If paid in Shares, the Company will issue (or cause to be issued) Shares promptly after the SAR is exercised. Until the Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder will exist with respect to the Shares, notwithstanding the exercise of the SAR. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Shares are issued, except as provided in Section 12.
- ii. If paid in cash, the Company will pay the participant promptly after the SAR is exercised but in no event later than the 15th day of the third month following the end of the year in which the SAR is exercised.

- i. Forfeiture of SARs. All unexercised SARs will be forfeited to the Company in accordance with the terms and conditions set forth in the Award Agreement and again will become available for grant under the Plan.

7. Restricted Stock and Restricted Stock Units.

- a. Grant. The Administrator may grant Restricted Stock or RSUs in such amounts and form as it will determine from time to time.
- b. Award Agreement. Each Award of Restricted Stock or RSUs will be evidenced by an Award Agreement that will specify the number and form, vesting conditions, the Period of Restriction, purchase price (if any), method of payment, restrictions on transferability, repurchase rights, and such other terms and conditions specified by the Administrator (which need not be identical among Participants).
- c. Vesting Conditions. The Administrator may impose vesting conditions on awards of Restricted Stock or RSUs which may include the achievement of Company-wide, business unit, and individual goals (including, but not limited to continued employment or service). Unless the Administrator determines otherwise, Restricted Stock will be held in escrow by the Company until the restrictions on such Shares have lapsed.
- d. Modification of Restricted Stock or RSUs. The Administrator may accelerate or waive the time at which vesting conditions and other restrictions lapse and provide for a complete or partial exception to an employment or service restriction.
- e. Rights During the Restriction Period. During the Period of Restriction, Service Providers who have been granted Restricted Stock may exercise full voting rights and will be entitled to receive all dividends and other distributions paid with respect to those Shares, unless otherwise provided in the Award Agreement. Any such dividends or distributions paid in Shares will be subject to the same restrictions on transferability and forfeitability as the Restricted Stock with respect to which they were paid. Service Providers

who have been granted RSU's do not have any voting rights with respect to those RSUs and are not entitled to receive any dividends and other distributions paid with respect to those RSUs. Restricted Stock and RSUs may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until the end of the applicable Period of Restriction.

- f. **Removal of Restrictions.** All restrictions imposed on Restricted Stock and RSUs will lapse and the Period of Restriction will end upon the satisfaction of the vesting conditions imposed by the Administrator at which time:
 - i. vested Restricted Stock, if held in escrow, will be released from escrow as soon as practicable after the last day of the Period of Restriction or at such other time as the Administrator may determine, but in no event later than the 15th day of the third month following the end of the year in which vesting occurred, or
 - ii. vested RSUs will be paid in Shares at the time provided for in the Award Agreement, but in no event later than the 15th day of the third month following the end of the year in which vesting occurred.

- b. Dissolution or Liquidation. In the event of the dissolution or liquidation of the Company, the Administrator will notify each Participant as soon as practicable prior to the effective date of such transaction. To the extent it has not been previously exercised, an Award will terminate immediately prior to the dissolution or liquidation.

- c. Change in Control. In the event of a Change in Control, any or all outstanding Awards may be assumed by the successor corporation, which assumption shall be binding on all Participants. In the alternative, the successor corporation may substitute equivalent Awards (after taking into account the existing provisions of the Awards). The successor corporation may also issue, in place of outstanding Shares of the Company held by the Participants, substantially similar shares or other property subject to vesting requirements and repurchase restrictions no less favorable to the Participants than those in effect prior to the Change in Control.

In the event that the successor corporation does not agree to assume or provide a substitute for the Award, unless the Administrator provides otherwise, the Participants will fully vest in and have the right to exercise all of their outstanding Options, including Shares as to which such Awards would not otherwise be vested or exercisable, and all restrictions on Restricted Stock and Restricted Stock Units will lapse. The Administrator will notify the Participants in writing or electronically that the Option or SAR will be exercisable for a period of time prior to the Change in Control determined by the Administrator in its sole discretion, and the Option or SAR will terminate upon the expiration of such period.

For the purposes of this section, an Award will be considered assumed if, following the Change in Control, the Award confers the right to purchase or receive, for each Share subject to the Award immediately prior to the Change in Control, the consideration (whether stock, cash, or other securities or property) received in the merger or Change in Control by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the Change in Control is not solely common stock of the successor corporation or its parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of an Option or SAR or upon the payout of a Restricted Stock Unit, for each Share subject to such Award (or in the case of Restricted Stock Units, the number of implied shares determined by dividing the value of the Restricted Stock Units by the per share consideration received by holders of Common Stock in the Change in Control), to be solely common stock of the successor corporation or its parent equal in fair market value to the per share consideration received by holders of Common Stock in the Change in Control.

Notwithstanding anything in this section to the contrary, an Award that vests, is earned or paid-out upon the satisfaction of one or more performance goals will not be considered assumed if the Company or its successor modifies any of such performance goals without the Participant's consent; provided, however, a modification to such performance goals only to reflect the successor corporation's post-Change in Control corporate structure will not be deemed to invalidate an otherwise valid Award assumption.

13. Tax Withholding.

- a. **Withholding Requirements.** The Company may require the Participant to pay to the Company the amount of any taxes that the Company is required by applicable federal, state, local, foreign law or other Applicable Laws to withhold with respect to the grant, vesting or exercise of an Award; provided, however, that the Company will not withhold any amounts in excess of the Participant's minimum statutory withholding requirements ("tax withholding obligations"). The Company shall not be required to issue any shares of Common Stock under the Plan until such tax withholding obligations are satisfied.
- b. **Withholding Arrangements.** The Administrator may permit or require a Participant to satisfy all or part of his or her tax withholding obligations by (i) paying cash to the Company, (ii) having the Company withhold an amount from any cash amounts otherwise due or to become due from the Company to the Participant, (iii) having the Company withhold a number of shares of Common Stock that would otherwise be issued to the Participant (or become

vested in the case of Restricted Stock) having a Fair Market Value equal to the tax withholding obligations, or (iv) surrendering a number of shares of Common Stock the Participant already owns having a value equal to the tax withholding obligations. The Fair Market Value of the Shares to be withheld or delivered will be determined as of the date that the taxes are required to be withheld.

14. Provisions Applicable In the Event the Company or the Service Provider is Subject to U.S. Taxation.

8

- a. Grant of Incentive Stock Options. The Administrator may grant ISOs to Employees that may be subject to U.S. taxation. Section 5 of this Plan and the following terms apply to all grants that are intended to qualify as ISO Awards:
- i. **Maximum Amount.** Subject to adjustment as provided in Section 12, to the extent consistent with Code section 422, not more than an aggregate of five hundred thousand (500,000) Shares may be issued pursuant to the exercise of ISOs granted under the Plan.
 - ii. **Eligibility.** Only Employees of the Company or an Affiliate will be eligible for the grant of ISOs.
 - iii. **Continuous Employment.** The Optionee must remain in the continuous employ of the Company or the Affiliate from the ISO Grant Date to the date that is three months prior to exercise. Service will be treated as continuous during a leave of absence approved by the Employer that does not exceed three (3) months. A leave of absence approved by the Employer may exceed three (3) months if reemployment upon expiration of such leave is guaranteed by statute or contract. An Option exercised more than three (3) months after termination of employment will be treated as a NSO.
 - iv. **Award Agreement.**
 - (1) The Administrator will designate Options granted as ISOs in the Award Agreement.
 - (2) The Award Agreement will specify the term of the ISO. The term will not exceed ten (10) years from the Grant Date or five (5) years from the Grant Date for Ten Percent Owners.
 - (3) The Award Agreement will specify an exercise price of not less than the Fair Market Value per Share on the Grant Date or, for Ten Percent Owners, one hundred ten percent (110%) of the Fair Market Value per Share on the Grant Date.
 - v. **Limitation on ISOs.** To the extent that the aggregate Fair Market Value of the Shares with respect to which ISOs are exercisable for the first time by the Optionee during any calendar year (under all plans of the Company or any Affiliate) exceeds one hundred thousand dollars (\$100,000), Options will not qualify as ISOs and will be treated as NSOs. For purposes of this section, ISOs will be taken into account in the order in which they were granted. The Fair Market Value of the Shares will be determined as of the Grant Date.
 - vi. **Notice Required Upon Disqualifying Dispositions.** The Optionee must notify the Company in writing within thirty (30) days after any disposition of Shares acquired pursuant to the exercise of an ISO within two years from the Grant Date or one year from the exercise

date. The Optionee must also provide the Company with all information that the Company reasonably requests in connection with determining the amount and character of Optionee's income, the Company's deduction, and the Company's obligation to withhold taxes or other amounts incurred by reason of a disqualifying disposition.

- b. Performance-Based Compensation. The Administrator may impose the following conditions on any Award under this Plan to any Service Provider:
 - i. Outside Directors. Awards that the Administrator intends to qualify as "performance-based compensation" must be (1) granted by a committee of the Board comprised solely of two or more "outside directors" within the meaning of Code section 162(m) and (2) administered in a manner that will enable such Awards to qualify as "performance-based compensation" within the meaning of Code section 162(m).

- ii. **Maximum Amount.** In any calendar year, no eligible Employee may receive (1) with respect to Awards denominated in Shares, Awards covering more than two hundred thousand (200,000) Shares (adjusted in accordance with Section 12), or (2) with respect to Awards denominated in cash, Awards with a Fair Market Value exceeding that of two hundred thousand (200,000) Shares determined as of the Grant Date.

- iii. **Performance Criteria.** The performance goal applicable to any Award (other than an Option or SAR) that is intended to qualify as performance-based compensation must be established in writing prior to the beginning of the Performance Period or at a later time as permitted by Code section 162(m) and may be based on any one or more of the following performance measures that apply to the individual, a business unit, or the Company as a whole:
 - (1) increased revenue;
 - (2) net income measures (including but not limited to income after capital costs and income before or after taxes);
 - (3) stock price measures (including but not limited to growth measures and total stockholder return);
 - (4) market share;
 - (5) earnings per Share (actual or targeted growth);
 - (6) earnings before interest, taxes, depreciation, and amortization (“EBITDA”);
 - (7) cash flow measures (including but not limited to net cash flow and net cash flow before financing activities);
 - (8) return measures (including but not limited to return on equity, return on average assets, return on capital, risk-adjusted return on capital, return on investors’ capital and return on average equity);
 - (9) operating measures (including operating income, funds from operations, cash from operations, after-tax operating income, sales volumes, production volumes, and production efficiency);
 - (10) expense measures (including but not limited to overhead cost and general and administrative expense);
 - (11) margins;
 - (12) stockholder value;

- (13) total stockholder return;
- (14) proceeds from dispositions;
- (15) production volumes;

- (16) total market value; and
 - (17) corporate values measures (including but not limited to ethics compliance, environmental, and safety).
 - iv. The terms of the performance goal applicable to any Award that is intended to qualify as performance-based compensation must preclude discretion to increase the amount of compensation that would otherwise be due upon attainment of the goal.
 - v. - b. Investment Representations. The Company shall be under no obligation to any Participant to register for offering or resale or to qualify for exemption under the Securities Act, or to register or qualify under the laws of any state or foreign jurisdiction, any shares of Common Stock, security or interest in a security paid or issued under, or created by, the Plan, or to continue in effect any such registrations or qualifications if made.
