Item 4.01 Changes in Registrant's Certifying Accountant.

On March 30, 2011, Jiangbo Pharmaceuticals, Inc. (the "Company") engaged Bernstein & Pinchuk LLP ("B&P") as its principal accountant to replace Frazer Frost, LLP ("FF"), who advised the Company that it did not intend to stand for re-appointment as the Company's principal accountant for its next fiscal year. The Company decided to engaged B&P at this time in order to ensure an orderly transition from FF to B&P. The change in accountants was approved by the Company's Board of Directors and the Audit Committee and did not result from any dissatisfaction with the quality of professional services rendered by FF.

In connection with the audit of the Company's financial statements for the fiscal years ended June 30, 2010 and 2009 and the subsequent interim period, (i) there were no disagreements with FF on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to FF's satisfaction, would have caused FF to make reference in connection with its opinion to the subject matter of the disagreement, and (ii) there were no "reportable events," as that term is described in Item 304(a)(1)(v) of Regulation S-K.

Attached as Exhibit 16.1 is a copy of FF's letter addressed to the SEC relating to the statements made by the Company in this Current Report on Form 8-K.

During the Company's two most recent fiscal years and in the subsequent interim period prior to March 30, 2011, the Company did not consult with B&P regarding (i) the application of accounting principles to a specific completed or contemplated transaction, or the type of audit opinion that might be rendered on the Company's consolidated financial statements and no written or oral advice was provided by B&P that was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue or (ii) any matter that was either the subject of a disagreement or event, as set forth in Item 304(a)(1)(iv) or Item 304(a)(1)(v) of Regulation S-K.
