Item 11. Executive Compensation

Compensation Discussion and Analysis

The purpose of this Compensation Discussion and Analysis is to provide the information necessary for understanding the compensation philosophy, policies and decisions which are material to the compensation of our principal executive officer, our principal financial officer and our three other most highly compensated executive officers (we refer to these officers as our “named executive officers”) during 2010. This Compensation Discussion and Analysis will place in context the information contained in the tables and accompanying narratives that follow this discussion.

Philosophy and Objectives

Our compensation philosophy is to offer our named executive officers compensation that is fair, reasonable and competitive, and that meets our goals of attracting, retaining and motivating highly skilled management personnel so that we can be in a position to achieve our financial, operational and strategic objectives to create long-term value for our stockholders. We seek to deliver fair, reasonable and competitive compensation for our employees and executives, including our named executive officers, by structuring compensation around one fundamental goal: incentivizing our executives to build stockholder value over the short and long term. Our ability to attract, motivate and retain employees and executives with the requisite skills and experience to develop, expand and execute business opportunities for us is essential to our growth and success. We believe that we offer attractive career opportunities and challenges for our employees, but remain mindful that the best talent will always have a choice as to where they wish to pursue their careers, and fair and competitive compensation is an important element of job satisfaction.

Our compensation program includes short-term elements, such as annual base salary, and in some cases, an annual incentive cash bonus, and long term elements such as equity-based awards through grants of restricted stock, restricted stock units and stock options. We believe that our compensation program incentivizes our named executive officers and other employees to execute on our goals and perform their job functions with excellence and integrity. We also take into account the roles played by each of our named executive officers and endeavor to individually customize their compensation packages to align the amount and mix of their compensation to their contributions to, and roles

within, our organization. The compensation packages and structure for our chief executive officer, Mr. Neil Cole, and for our executive vice president, head of strategic development, David Blumberg, differ from those of our other named executive officers in light of the distinct role and responsibilities each such executive has within the Company. As Mr. Cole makes executive decisions that influence our direction and growth initiatives, his total compensation is intended to be strongly aligned with objective financial measures, including an annual bonus determined by criteria set forth in his employment agreement based upon our performance. As Mr. Blumberg is responsible for overseeing our merger and acquisition activities that influence our growth, a substantial portion of his total compensation is intended to be tied to our consummation of acquisitions that meet specified objective financial measures as set forth in his employment agreement.

We enter into employment agreements with senior officers, including our named executive officers, when the compensation committee determines that an employment agreement is in order for us to obtain a degree of certainty as to an executive's continued employment in light of prevailing market conditions and competition for the particular position held by the officer, or where the compensation committee determines that an employment agreement is appropriate to attract an executive in light of market conditions, the prior experience of the executive or practices at our company with respect to other similarly situated executives. Based on these and any other factors then deemed relevant, in 2008 we entered into new employment agreements with Messrs. Neil Cole, Warren Clamen and Andrew Tarshis, all of whom were executive officers at the time. We also entered into a new employment agreement in February 2009 with Mr. Blumberg, our executive vice president and head of strategic development, and we entered into a new employment agreement in November 2009 with Mr. Shmidman, our then executive vice president of operations, who is currently our chief operating officer. Messrs. Blumberg and Shmidman became executive officers in August 2009.

Forms of Compensation Paid to Named Executive Officers During 2010

During the last fiscal year, we provided our named executive officers with the following forms of compensation:

Base salary. Base salary represents amounts paid during the fiscal year to named executive officers as direct guaranteed compensation under their employment agreements for their services to us.

Equity-based awards. Awards of restricted stock units, shares of restricted stock and stock options are made under our 2006 Equity Incentive Plan and our 2009 Equity Incentive Plan, which were approved by our stockholders in August 2006 and August 2009, respectively. Shares of restricted stock that were issued subject to a vesting schedule cannot be sold until and to the extent the shares have vested. In 2010, we awarded shares of restricted stock to certain of our named executive officers. While we have not formally adopted any policies with respect to cash versus equity components in the mix of executive compensation, we feel that it is important to provide for a compensation mix that allows for acquisition of a meaningful level of equity ownership by our named executive officers in order to help align their interests with those of our stockholders.

Cash bonuses. Messrs. Cole, Clamen, Tarshis and Blumberg received cash bonuses in 2010. Mr. Cole received a contractually guaranteed cash bonus of \$1,725,000 based upon our achievement of certain 2010 performance goals. Mr. Cole was also awarded a discretionary cash bonus of \$2,300,000 in February 2011 related to our 2010 performance. In May 2008, our stockholders adopted the Executive Incentive Bonus Plan discussed below.

Perquisites and other personal benefits. During 2010, our named executive officers received, to varying degrees, a limited amount of perquisites and other personal benefits that we paid on their behalf. These included, among other things:

- payments of life insurance premiums; and
- car allowances.

Objectives of Our Compensation Program

The compensation paid to our named executive officers is generally structured into two broad categories:

- base salary; and
- incentive compensation, either in the form of equity-based awards under our various equity incentive and stock option plans; cash payments tied to the satisfaction of specified performance criteria set forth in the executive officers employment agreement and from time to time certain of our named executive officers also have received

discretionary cash bonuses not tied to specific pre established performance criteria.

Our overall compensation program with respect to our named executive officers is designed to achieve the following objectives:

- to attract, retain and motivate highly qualified executives through both short-term and long-term incentives that reward company and individual performance;
- to emphasize equity-based compensation to more closely align the interests of executives with those of our stockholders;
- to support and encourage our financial growth and development;
- to motivate our named executive officers to continually provide excellent performance throughout the year;
- to ensure continuity of services of named executive officers so that they will contribute to, and be a part of, our long-term success; and
- to manage fixed compensation costs through the use of performance and equity-based compensation.

Determination of Compensation for Named Executive Officers

Compensation of chief executive officer. During 2010, the compensation of Mr. Cole, our chairman, president and chief executive officer was primarily based on Mr. Cole's employment agreement dated January 28, 2008, as amended on December 24, 2008, which agreement was effective as of January 1, 2008. In determining the salary and other forms of compensation for Mr. Cole, the compensation committee took into consideration Mr. Cole's contribution to our growth over the past several years under his leadership, and his substantial experience and performance in the industry in general and with us in particular. The compensation committee also considered the increased responsibilities of Mr. Cole as a result of our diversification and the substantial growth experienced by our company during his tenure. The compensation committee believes that Mr. Cole's compensation for 2010 as our principal executive officer reflects our performance during 2010 and his significant contributions to that performance.

See “Executive Compensation - Narrative to Summary Compensation Table and Plan-Based Awards Table - Employment Agreements” for further description of Mr. Cole's employment agreement.

Overall compensation program. Compensation of our executive officers, including the named executive officers, has been determined by the Board of Directors pursuant to recommendations made by the chief executive officer and the compensation committee. The compensation committee is responsible for, among other things, reviewing and recommending approval of the compensation of our executive officers; administering our equity incentive and stock option plans; reviewing and making recommendations to the Board of Directors with respect to incentive compensation and equity incentive and stock option plans; evaluating our chief executive officer's performance in light of corporate objectives; and setting our chief executive officer's compensation based on the achievement of corporate objectives.

With respect to the named executive officers, their compensation is based upon what we believe is a competitive base salary in view of our business strategy and accelerated growth goals. In conjunction with our compensation committee, we have assessed our total compensation program, and its components, and believe that it operates well to serve both our goals and the current, short-term and long-term compensation needs of the executive officers. We have implemented a stockholder approved Executive Incentive Bonus Plan in conformance with Section 162(m) of the Internal Revenue Code of 1986 (“Internal Revenue Code” or “Code”) for our named executive officers and other senior executives. In 2010, Mr. Cole was the only named executive officer who was eligible to earn an award under the Executive Incentive Bonus Plan, and he did receive an award under the Executive Incentive Bonus Plan.

Compensation amounts for named executive officers are determined according to the level of seniority and position of the named executive officer. Generally, relatively greater emphasis is typically placed on the equity-based components of compensation so as to put a greater portion of total pay based on Company and individual performance. We believe the combination of a competitive base compensation, coupled with an opportunity to significantly enhance overall individual compensation if individual and Company performance warrant such enhancement, yields an attractive compensation program that facilitates our recruitment and retention of talented executive personnel.

The total compensation amount for our named executive officers is also established relative to officers at levels above and below them, which we believe rewards them for increased levels of knowledge, experience and responsibility.

Base salary. The base salary of each of our named executive officers is fixed pursuant to the terms of their respective employment agreements with us and, when a contract is up for, or otherwise considered for, renewal, upon a review of the executive's abilities, experience and performance, as well as a review of salaries for executives in the marketplace for comparable positions at corporations which either compete with us in its business or of comparable size and scope of operations. The recommendations to the Board of Directors by the compensation committee with respect to base salary are based primarily on informal judgments reasonably believed to be in our best interests. In determining the base salaries of certain of our executives whose employment agreements were up for, or otherwise considered for, renewal, the compensation committee considered our performance and growth plans. Base salaries are used to reward superior individual performance of each named executive officer on a day-to-day basis during the year, and to encourage them to perform at their highest levels. We also use our base salary as an incentive to attract top quality executives and other management employees from other companies. Moreover, base salary (and increases to base salary) are intended to recognize the overall experience, position within our company, and expected contributions of each named executive officer to us.

The following were contractual increases in the base salaries of our named executive officers from 2009 to 2010 as set forth on the table below:

Equity-based awards. During 2010 equity awards were made to certain of our named executive officers pursuant to our 2009 Equity Incentive Plan and our 2006 Equity Incentive Plan which provide for awards in the form of stock options, stock appreciation rights, restricted stock, unrestricted stock, stock units including restricted stock units, and performance awards to eligible persons. The mix of cash and equity-based awards, as well as the types of equity-based awards, granted to our named executive officers varies from year to year. Consideration has been given to various factors, such as the relative merits of cash and equity as a device for retaining and motivating the named executive officers, individual performance, an individual's pay relative to others, contractual commitments pursuant to employment or other agreements, and the value of already-outstanding grants of equity in determining the size and type of equity-based awards to each named executive officer. As of December 31, 2010, the number of shares remaining for issuance under the 2009 Equity Incentive Plan was 1,909,669.

In 2010, we continued to utilize restricted stock as the primary form of equity compensation primarily because of the increased stock-based compensation expense associated with stock options and similar instruments under Accounting Standards Codification Topic 718 - Stock Compensation. This accounting standard, which we adopted as of January 1, 2006, requires us to record as compensation expense the grant date fair value of restricted stock over the life of the grant.

As described above, we generally provide a substantial portion of named executive officer compensation in the form of equity awards because the compensation committee has determined that such awards serve to encourage our executives to create value for our company over the long-term, which aligns the interests of named executive officers with those of our stockholders.

Generally, we make three types of equity-based grants to our named executive officers:

- initial grants when a named executive officer is hired;
- annual performance based grants; and
- retention grants, which are typically made in connection with new employment agreements or renewals.

An initial grant when an executive officer is hired or otherwise becomes a named executive officer serves to help us to recruit new executives and to reward existing officers upon promotion to higher levels of management. Because these initial grants are structured as an incentive for employment, the amount of these grants may vary from executive to executive depending on the particular circumstances of the named executive officer and are usually recommended by the chief executive officer and approved by the appropriate committee. Annual, time-vested grants of equity awards, as well as retention grants made in connection with renewals of employment agreements are designed so as to compensate our named executive officers for their contributions to our long-term performance.

Generally, restricted stock and stock option awards granted to named executive officers as either initial or annual performance grants or in connection with employment agreement renewals vest in equal installments over the term of the agreement, or a period determined by the compensation committee, typically beginning on the first anniversary of the date of grant. Restricted stock grants for 2010 were as follows: Mr. Clamen – 3,145 shares of restricted stock, Mr. Tarshis – 3,145 shares of restricted stock, Mr. Shmidman – 20,939 shares of restricted stock, and Mr. Blumberg – 17,913 shares of restricted stock. The aforementioned grants to Messrs. Clamen, Tarshis and Shmidman vest over a one to three year period; the grant to Mr. Blumberg vested on the grant date. In addition, in 2010 Mr. Blumberg was granted 15,000 options as a result of the Company's consummation of an acquisition that met certain specified performance criteria set forth in his employment agreement; these options vested immediately. For a discussion of the performance criteria relating to Messrs. Cole's and Blumberg's equity awards, please see the description of their respective employment agreements following the Summary Compensation Table.

Cash bonuses. In May 2008 our stockholders approved the Executive Incentive Bonus Plan, sometimes referred to as the bonus plan. The purpose of the bonus plan is to promote the achievement of our short-term, targeted business objectives by providing competitive incentive reward opportunities to our executive officers who can significantly impact our performance towards those objectives. Further, the bonus plan enhances our ability to attract, develop and motivate individuals as members of a talented management team. The bonus plan is administered, and can be amended, by the compensation committee. All awards are paid in cash. Awards made under the bonus plan are subject to a participant achieving one or more performance goals established by the compensation committee. The performance goals may be based on our overall performance, and also may recognize business unit, team and/or individual performance. No payment will be made under the bonus plan unless the compensation committee certifies that at least the minimum objective performance measures have been met. Such performance measures may include specific or relative targeted amounts of, or changes in: earnings before interest, taxes, depreciation and amortization, herein referred to as EBITDA; revenues; expenses; net income; operating income; equity; return on equity, assets or capital employed; working capital; stockholder return; production or sales volumes; or certain other objective criteria. In 2010, our chairman, president and chief executive officer was the only named executive officer who was eligible to receive a bonus under the bonus plan, and only he received a bonus under the bonus plan.

The amount of any award under the bonus plan may vary based on the level of actual performance. The amount of any award for a given year is determined for each participant by multiplying the individual participant's actual base salary in effect at the end of that year by a target percentage (from 0% to 200%), related to the attainment of one or more performance goals, determined by the compensation committee. In the event that an award contains more than one performance goal, participants in the bonus plan will be entitled to receive the portion of the target percentage allocated to the performance goal achieved. In the event that we do not achieve at least the minimum performance goals established, no award payment will be made.

Additionally, cash bonuses are also covered by employment agreements with our executive officers. Under his employment agreement, in 2010 our chairman, president and chief executive officer received two separate cash performance based bonuses pursuant to his employment agreement and the Executive Bonus Plan which aggregated to \$1,725,000. Mr. Cole earned \$1,225,000 based on the Company's achievement of approximately \$205.9 million of EBITDA, which represents 110% of the targeted EBITDA established by the Board of Directors. Also under his employment agreement, Mr. Cole earned \$500,000 based on the Company's revenue growth of approximately 43%, which puts it in the upper 50th percentile of companies compiled in the Standard & Poors Small Cap Retailing Index for 2010. Also in 2010, Messrs. Clamen and Tarshis each received a discretionary cash bonus of \$100,000 under their respective employment agreements, and, as noted above, Mr. Cole received a discretionary cash bonus of \$2,300,000. These bonuses were based upon both the individual performance of the executives and our overall performance but were not tied to any specified performance criteria. Further, in 2010 Mr. Blumberg received a cash payment of \$500,000 as a result of the Company's consummation of an acquisition that met certain specified performance criteria set forth in his employment agreement.

Post-termination compensation. We have entered into employment agreements with each of the named executive officers. Each of these agreements had provided for certain payments and other benefits if the executive's employment terminated under certain circumstances, including, in the event of a "change in control". See "Executive Compensation - Narrative to Summary Compensation Table and Plan-Based Awards Table - Employment Agreements" and "Executive Compensation - Potential Payments Upon Termination or Change in Control" for a description of the severance and change in control benefits.

Perquisites. The perquisites provided to some or all of our executive officers are described below. Perquisites are generally provided, as applicable, in accordance with the executives' employment agreements. Below is a list of material perquisites, personal benefits and other items of compensation we provided to our named executive officers in 2010, the total amount of each such item paid to all named executive officers and an explanation as to why we chose to pay the item.

| Perquisite, Other Benefit or Other Item of Compensation (1) | Aggregate Amount of This Perquisite Paid to All Named Executive Officers in 2010 | Additional Explanation for Offering Certain Perquisites |
|---|--|--|
| Car allowances | \$ 105,821 | Serves to defray the cost of owning and operating an automobile often used for business purposes; prevents us from having to own and maintain a fleet of automobiles and is a taxable benefit for the named executive officer. |
| Life Insurance Premiums | \$ 21,420 | Reduces risk to the beneficiaries of executives in the event of the death of the executive. |

(1) Perquisites are generally granted as part of our executive recruitment and retention efforts.

Other matters. In 2007 and 2008, the compensation committee engaged an outside consulting firm, James F. Reda & Associates LLC for advice in connection with the negotiation of the employment agreement for our chief executive officer, which agreement was entered into in January 2008 and amended in December 2008. Our board of directors

has not established a policy for the adjustment of any compensation award or payment if the relevant performance measures on which they are based are restated or adjusted. Our board of directors has not established any security ownership guidelines for executive officers.

Tax Deductibility and Accounting Ramifications

The compensation committee generally takes into account the various tax and accounting ramifications of compensation paid to our executives. When determining amounts of equity-based grants to executives the compensation committee also considers the accounting expense associated with the grants.

Our 2009 Equity Incentive Plan and our other plans are intended to allow us to make awards to executive officers that are deductible under the Section 162(m) of the Code, which otherwise sets limits on the tax deductibility of compensation paid to a company's most highly compensated executive officers. The compensation committee will continue to seek ways to limit the impact of Section 162(m). However, the compensation committee also believes that the tax deduction limitation should not compromise our ability to maintain incentive programs that support the compensation objectives discussed above or compromise our ability to attract and retain executive officers. Achieving these objectives and maintaining flexibility in this regard may therefore result in compensation that is not deductible by Iconix for federal income tax purposes.

Summary

In summary, we believe that our mix of salary, cash incentives for short-term and long-term performance and the potential for additional equity ownership in Iconix motivates our management to produce significant returns for our stockholders. Moreover, we also believe that our compensation program strikes an appropriate balance between our interests and needs in operating and further developing our business and suitable compensation levels that can lead to the enhancement of stockholder value.

(c) The amounts shown in this column represent the aggregate grant date fair value in 2010, 2009, and 2008 with respect to shares of restricted stock and stock options. The 2008 award values were recalculated from amounts shown in prior filings made by us with SEC to reflect their grant date fair values, as required by SEC rules effective for 2010. See Notes 6 and 13 to Notes to the Consolidated Financial Statements included in this Report for a discussion for the relevant assumptions used in calculating grant date fair value.

(d) Option awards include, as applicable, Iconix options and equity-based compensation instruments that have option-like features and amounts represent grant date fair value.

(e) Non-equity incentive plan compensation represents the dollar value of all amounts earned during the fiscal year pursuant to non-equity incentive plans. There was no such compensation for 2010, 2009 and 2008 other than the cash payments of \$500,000 in each of 2010 and 2009. NARRATIVE TO SUMMARY COMPENSATION TABLE AND PLAN-BASED AWARDS TABLE

Employment Agreements

The compensation committee determines the compensation, including related terms of employment agreements with us for those who have them, for each of the named executive officers.

Neil Cole

On January 28, 2008, we entered into a five-year (subject to a one-year extension) employment agreement (the “new employment agreement”), effective as of January 1, 2008, with Neil Cole, chairman of the board, president and chief executive officer, which replaced his prior employment agreement that expired on December 31, 2007 and is described below. The new employment agreement also superseded and terminated the prior non-competition and non-solicitation agreement between us and Mr. Cole, which, among other things, provided for him to receive 5% of the sale price upon a sale of our Company under certain circumstances.

Consistent with our philosophy on executive compensation, Mr. Cole’s new employment agreement reflects a substantial portion of his compensation in the form of long-term equity incentives, including performance stock incentives that vest upon the achievement of specific metrics defined in the agreement, particularly, growth in EBITDA, market capitalization and stock price as measured by targets to be established and certified by the compensation committee.

As described above, in connection with the negotiation of the new employment agreement with Mr. Cole, the compensation committee retained James F. Reda & Associates LLC, as its outside compensation consulting firm to provide advice. In assisting the compensation committee, James F. Reda & Associates LLC performed market research as to compensation levels in similarly capitalized companies in the industry, as well as companies that had achieved similar growth. James F. Reda & Associates LLC also familiarized itself with the circumstances surrounding Mr. Cole's expiring contract and separate non-competition and non-solicitation agreement, which provided Mr. Cole with 5% of the proceeds upon a sale of the Company under certain circumstances. As various aspects of our business, operations and management are unique, the compensation committee utilized the James F. Reda & Associates LLC research as one resource, rather than a stand-alone tool, in assessing the appropriate level of compensation and other terms under Mr. Cole's new employment agreement.

Under his new employment agreement, Mr. Cole is entitled to an annual base salary of \$1,000,000 and received a signing bonus of \$500,000.

Pursuant to the terms of the employment agreement Mr. Cole has been granted 1,181,684 time-vested restricted common stock, or RSUs, and 787,789 performance-based restricted common stock units, or PSUs, under our 2006 Equity Incentive Plan and 2009 Equity Incentive Plan. The RSUs vest in five substantially equal annual installments commencing on December 31, 2008, subject to Mr. Cole's continuous employment with us on the applicable vesting date, and the PSUs are subject to vesting based on our achievement of the following performance goals: 50% is tied to the achievement of EBITDA growth, 25% is tied to the achievement of market cap growth, and 25% is tied to the achievement of stock price growth. Both grants are subject to forfeiture upon the termination of Mr. Cole's employment under certain circumstances. In addition, Mr. Cole's ability to sell or otherwise transfer the common stock underlying the RSUs and the PSUs while he is employed by us is subject to certain restrictions.

The annual performance goals required for the portion of Mr. Cole's PSUs to vest for the year ended December 31, 2010 were as follows: EBITDA of \$194.0 million, (for which Mr. Cole earned 118,169 PSUs); market capitalization of \$1,585.2 million, (for which Mr. Cole earned no PSUs); and a stock price of \$27.62 per share, (for which Mr. Cole earned no PSUs).

On December 24, 2008, we entered into an agreement with Mr. Cole which amended his employment agreement and the related RSU agreement to provide, among other things for the deferral of the issuance to Mr. Cole of the 1,181,684 shares of our common stock to which he is entitled to receive under the RSUs granted to him under the employment agreement until the earlier of (i) the date Mr. Cole is no longer employed by either (a) us or (b) any corporation or other entity owning, directly or indirectly, 50% or more of our outstanding common stock, or in which we or any such corporation or other entity owns, directly or indirectly, 50% or more of the outstanding capital stock (determined by aggregate voting rights) or other voting interests or (ii) a change in control (as defined in the new employment agreement). In consideration of Mr. Cole's agreement to delay the distribution to him of such shares of our common stock to which he will be entitled to receive under the RSUs as noted above, the agreement also provided for the award to Mr. Cole of an annual cash bonus to be granted under our executive incentive bonus plan, in the amount equal to five hundred thousand dollars (\$500,000) for each of the four completed calendar years commencing with the calendar year from January 1, 2009 through December 31, 2009, and ending with the calendar year from January 1, 2012 through December 31, 2012 if either of one of two performance measures specified in the agreement have been satisfied. The two performance measures are as follows: (a) if the percentage determined by dividing our EBITDA by our revenues for the calendar year in question places us in the top 50% of the companies contained in the Standard & Poors Small Cap Retailing Index at the end of that calendar year or (b) if our annual revenue percentage growth for the calendar year in question when compared to the immediately preceding calendar year places us in the top 50% of those companies contained in the Standard & Poors Small Cap Retailing Index at the end of that calendar year.

Mr. Cole is also entitled to various benefits, including benefits available to our other senior executives and certain automobile, air travel and life insurance benefits pursuant to the new employment agreement.

In addition to his salary and benefits, Mr. Cole is eligible to receive an additional annual cash bonus for each completed calendar year, including as a performance goal thereunder the targets specified in the employment agreement. This cash bonus shall not exceed 150% of Mr. Cole's base salary. The bonus shall be a percentage of the base salary determined based on the level of our consolidated earnings before interest, taxes, depreciation and amortization of fixed assets and intangible assets achieved for such year against a target level established for such year by the compensation committee of our board of directors, in the compensation committee's sole discretion, but with prior consultation with Mr. Cole, as follows:

| Annual Level of Targeted EBITDA Achieved | % of Base Salary | |
|--|------------------|---|
| less than 80% | 0 | % |
| 80% (threshold) | 50 | % |
| 90% | 75 | % |
| 100% (target) | 100 | % |
| 105% | 110 | % |
| 110% | 122.5 | % |
| 115% | 135 | % |
| 120% or more (maximum) | 150 | % |

Mr. Cole's annual bonus, if earned, will be paid in a lump sum cash payment in the calendar year following the calendar year for which such bonus is earned.

Under Mr. Cole's new employment agreement, if we terminate Mr. Cole's employment for "cause" or if Mr. Cole terminates his employment without "good reason", he will receive his earned and/or accrued but unpaid compensation, other than any bonus compensation, then due to him and shares of common stock in respect of any of his already vested restricted stock units. If we terminate Mr. Cole's employment without cause or if Mr. Cole terminates his employment for good reason, he will receive, in addition to the foregoing, an amount equal to two times his base salary then in effect plus any previously earned but unpaid annual bonus for a prior fiscal year and a pro-rata portion of the annual bonus for the year of termination, and, if such termination or resignation occurs prior to January 1, 2011, two times the average of the annual bonus amounts he received for the two prior completed fiscal years. In addition, that portion of his performance-based stock units subject to vesting in the year of termination based on performance goals achieved as of the date of termination, and 75% of his unvested restricted stock units, will vest. If his employment is terminated by us without cause or by him for good reason within 12 months of a change in control, the amount of his base salary-related payment will increase to three times, instead of two times, his base salary then in effect and that portion of his performance-based stock units that would vest in the year of termination or in the future based on performance goals achieved as of the date of the change of control, and all of his unvested restricted stock units, will vest, and if such change in control occurs prior to January 1, 2011, Mr. Cole will also receive three, instead of two, times the average of the annual bonus amounts he received for the three, instead of two, prior completed fiscal years.

If Mr. Cole's employment terminates as a result of his disability or death, he or his estate will be entitled to any previously earned and unpaid compensation then due to him plus any previously earned but unpaid annual bonus for the prior fiscal year and a pro-rata portion of the annual bonus for the year of such termination. In addition, that portion of his performance-based stock units subject to vesting in the year of termination based on performance goals achieved as of the date of termination, and 100% (50% in the event of disability) of his unvested restricted stock units, will vest.

The new employment agreement with Mr. Cole also contains certain non-competition and non-solicitation covenants restricting such activities for periods equal to the term of the agreement and any renewal period plus one and two years, respectively, after the agreement is terminated for any reason.

From November 2006 until the commencement of his employment with us in 2009, Mr. Blumberg provided consulting services to us.

In addition, subject to the acquisition cap, Mr. Blumberg will receive the acquisition payment for any acquisition that closes within 90 days of his termination. If his employment is terminated by us without cause or by him for good reason, he will receive, in addition to the foregoing, an amount equal to his base salary for the remaining agreement term plus any earned but unpaid annual bonus for a prior year or other completed period (the prior year bonus) and any unvested portion of his stock award will vest. In addition, subject to the acquisition cap, he will receive the acquisition payment for any acquisition that closes within 90 days of such termination. If his employment is terminated by us without cause or by him for good reason within 12 months of a “change in control” (as defined in the employment agreement), in addition to the foregoing payments he would have received had he been terminated without a change of control, he will also receive an amount equal to equal to three (3) times the greater of (i) \$400,000 or \$100 less than the average of the annual cash compensation received by him on or after January 1, 2009 in his capacity as an employee of the Company during the “base period” (as defined in Section 280G of the Internal Revenue Code) subject to an “excess parachute” payment limitation (as defined in Section 280G). (2) Included in this column is the aggregate dollar amount realized by the named executive officer upon exercise of the options.

(3) Includes 236,337 shares of common stock underlying RSU's that vested on December 31, 2010 and 118,169 shares of common stock underlying PSU's that were deemed earned by the compensation committee for the year ended December 31, 2010 as more fully discussed in footnote 2 to the table of Outstanding Equity Awards at Fiscal Year-End. POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

As noted under “- Narrative to Summary Compensation Table-and Plan-Based Awards Table - Employment Agreements”, we have entered into employment agreements with each of our named executive officers. These agreements provide for certain payments and other benefits if a named executive officer’s employment with us is terminated under circumstances specified in his or her respective agreement, including a “change in control” of the Company. A named executive officer’s rights upon the termination of his or her employment will depend upon the circumstances of the termination.

The receipt of the payments and benefits to the named executive officers under their employment agreements are generally conditioned upon their complying with customary non-solicitation, non-competition, confidentiality, non-interference and non-disparagement provisions. By the terms of such agreements, the executives acknowledge that a breach of some or all of the covenants described herein will entitle us to injunctive relief restraining the commission or continuance of any such breach, in addition to any other available remedies.

Except as provided in the footnotes below, the following table provides the term of such covenants following the termination of employment as it relates to each named executive officer:

| Covenant | Neil Cole | Warren Clamen | A n d r e w Tarshis | Yehuda Shidman | David Blumberg |
|-------------------|-------------------|-------------------|-----------------------------|-------------------|-------------------|
| Confidentiality | Infinite duration | Infinite duration | I n f i n i t e duration | Infinite duration | Infinite duration |
| Non-solicitation | Two years | Three years(1) | Three years(1) | Three years(1) | Two years(3) |
| Non-competition | One year | Two years(1) | Two years(1) | Three years(1) | Three years(3) |
| Non-interference | (2) | Three years(1) | Three years(1) | Three years(1) | Two years(3) |
| Non-disparagement | Five years | None | None | None | None |

(1) Covenant runs from the date of the executive's current employment agreement.

(2) Mr. Cole's employment agreement with us provides that during the term and a period of (i) two years thereafter, Mr. Cole cannot solicit our employees and (ii) one year thereafter, Mr. Cole cannot solicit our customers.

(3) Covenant runs from the date the executive's employment is terminated.

Termination Payments (without a change in control)

The table below includes a description and the amount of estimated payments and benefits that would be provided by us (or our successor) to each of the named executive officers under each employment agreement, assuming that a termination circumstance occurred as of December 31, 2010 and a "change in control" had not occurred:

| Type of Payment | Termination Event | Estimated Amount of Termination Payment to: | | | | |
|---|--|---|---------------|----------------|-----------------|----------------|
| | | Neil Cole(1) | Warren Clamen | Andrew Tarshis | Yehuda Shmidman | David Blumberg |
| Payment of earned but unpaid salary, unreimbursed expense, and accrued but unused vacation time (2) | Termination for Cause or by executive without Good Reason | none | none | none | none | none |
| Earned but unpaid bonuses (2) | Termination without Cause or by executive for Good Reason, death or disability | none | none | none | none | none |
| Lump Sum Severance Payment | Termination without Cause or by executive for Good Reason | \$ 6,350,000(3) | \$ 344,110(4) | \$ 344,110(4) | \$ 730,822(4) | 400,000(4) |

| | | | | | | | |
|--|---|-----------|----------|-----------|----------|----------|-----|
| Pro rata portion of current year bonuses | Death, termination without Cause, or termination by executive for Good Reason | \$ none | (6) none | (5) none | (5) none | (5) none | (6) |
| Continued coverage under medical, dental, hospitalization and life insurance plans | Death, termination without Cause, or termination by executive for Good Reason | \$ 52,388 | \$ 1,247 | \$ 44,207 | 44,072 | 44,207 | |

1 Upon Mr. Cole's termination without cause by us or for good reason by Mr. Cole, 75% of the then remaining unvested restricted stock units shall immediately vest, and the portion of performance based units shall become vested on the achievement of the performance goals through the date of termination.

2 At December 31, 2010, each named executive officer is assumed to have received all such payments.

3 Payable one half in monthly installments, and half on December 31, 2010.

4 These amounts are payable in lump sum within 30 days of termination.

5 All such bonuses are discretionary.

6 All such bonuses are performance based.

Change in Control Payments

In lieu of the lump sum severance payment upon termination without a change of control, Mr. Cole is entitled to a lump sum payment equal to three times his base salary plus three times his average annual bonus for the last three years upon termination following a change in control.

In addition to the payments made upon termination by the Company without cause or termination by the executive for good reason, the employment agreements with Messrs Tarshis, Clamen, Shmidman and Blumberg provide that, if, within twelve months of a “change in control,” their employment is terminated by us without “cause” or they terminate their employment with us for “good reason,” as all such terms are defined in each employment agreement, we are obligated to make a lump-sum severance payment to each such named executive officer equal to \$100 less than three times the named executive officer’s “annualized includable compensation for the base period” (as defined in Section 280G of the Internal Revenue Code).

Under the circumstances described above, all of the named executive officers were entitled to an accelerated vesting and payment of stock options and restricted stock awards granted to that named executive officer. However, the sum of any lump sum payments, the value of any accelerated vesting of stock options and restricted stock awards, and the value of any other benefits payable to the named executive officer, with the exception of Mr. Cole, may not equal or exceed an amount that would constitute an “excess parachute payment” (as defined in Section 280G of the Internal Revenue Code). With respect to Mr. Cole, such payment is due within 60 days of December 31, 2010.

The following table quantifies the estimated maximum amount of payments and benefits under our employment agreements and agreements relating to awards granted under our equity incentive and stock option plans to which the named executive officers would have been entitled upon termination of employment if we had terminated their employment without cause within twelve (12) months following a “change in control” of our Company that (by assumption) occurred on December 31, 2010 and prior to the expiration of any employment agreements.

| Name | Cash Severance Payment (\$)(1) | Continuation of Medical/Welfare Benefits (Present Value) (\$) | Present Value of Accelerated Vesting of Equity Awards (\$)(1) | Present Value of Accelerated Payment of Bonus (\$) | Total Termination Benefits (\$) |

Director Compensation

The compensation committee determined that for each full year of service as a director of our company during 2010, each non-employee member of the Board would receive a cash payment of \$50,000, payable 50% on or about each January 1 and 50% on or about each July 1, and a number of restricted shares of common stock with a fair market value of \$100,000 on January 1, vesting 100% on July 1 of each year. Item 12. Security Ownership of Certain Beneficial Owners and Management and Related Stockholder Matters

The following table presents information regarding beneficial ownership of our common stock as April 14, 2011 by each of our directors and our named executive officers, all of our executive officers and directors, as a group, and each person known by us to beneficially hold more than five percent of our common stock, based on information obtained from such persons.

Unless indicated below, to our knowledge, the persons and entities named in the table have sole voting and sole investment power with respect to all securities beneficially owned, subject to community property laws where applicable. The shares “beneficially owned” by a person are determined in accordance with the definition of “beneficial ownership” set forth in the regulations of the SEC and, accordingly, shares of our common stock underlying options, warrants, restricted stock units and other convertible securities that are exercisable or convertible within 60 days of April 14, 2011 and shares of our common stock underlying restricted stock awards that vest within 60 days of April 14, 2011 are deemed to be beneficially owned by the person holding such securities and to be outstanding for purposes of determining such holder’s percentage ownership. The same securities may be beneficially owned by more than one person.

Percentage ownership is based on 72,889,583 shares of our common stock outstanding as of April 14, 2011. The address for each beneficial owner, unless otherwise noted, is c/o Iconix Brand Group, Inc. at 1450 Broadway, New York, New York 10018.
