- (1) The Stock Options were granted pursuant to the Amended and Restated 2007 Share Incentive Plan (the "Plan") and will vest 25% on the one year anniversary of grant, and 6.25% each quarter thereafter.
- (2) The restricted share units were issued pursuant to the Plan. The Plan was amended in July 2011 to allow for restricted share unit grants. Each restricted share unit represents a contingent right to receive one common share of the Registrant.

The reporting person received restricted share units that shall vest based upon the achievement of performance criteria relating to return on equity, underwriting performance, revenue growth and operating expense during the performance period from January 1, 2011 to December 31, 2012. The recipient received a target award of 31,368 restricted share units, and 0 to 200% of such target award may vest depending upon the degree to which the performance targets are met. The 62,736 units reported represent 200% of the target award, which is the maximum number of units that may be earned.

Edgar Filing: JUDD RONALD M - Form 4

The restricted share units shall be settled in common shares or, at the discretion of the Compensation Committee, an amount in cash equal to the fair market value of the shares, and shall be settled shortly after the Committee certifies the attainment of performance goals (the "settlement date"), but in no event later than 2 1/2 months after December 31, 2012. The units are forfeited if the reporting person's employment is terminated prior to the settlement date. Certain special terms apply in the event of death, disability or a change of control.
