CORPORATE GOVERNANCE

The Board of Directors periodically reviews its corporate governance policies and procedures to ensure that the Company meets the highest standards of ethical conduct, reports results with accuracy and transparency, and maintains full compliance with the laws, rules and regulations which govern the Company's operations.

Meetings and Committees of the Board of Directors

Board of Directors. The Board of Directors holds regular monthly meetings and special meetings as needed. During the year ended December 31, 2012, the Board met 12 times. No incumbent director attended fewer than 75% of the total number of meetings of the Board of Directors held during 2012 and the total number of meetings held by all committees on which the director served during such year. Board members are expected to attend the Annual Meeting of Stockholders, and all incumbent directors attended the 2012 Annual Meeting of Stockholders.

The Board has numerous committees, each of which meets at scheduled times, including the following committees:

Audit Committee. The Bank's Audit Committee acts as the audit committee for the Company and currently consists of Directors William N. Scherer, Sr., Karen B. Thorwarth, Norman E. Harrison, Jr. and Thomas Clocker. During the year ended December 31, 2012, the Audit Committee met 12 times.

The Audit Committee monitors internal accounting controls, meets with the Bank's Internal Auditor to review internal audit findings, recommends independent auditors for appointment by the Board, and meets with the Company's

independent auditors regarding these internal controls to assure full disclosure of the Company's financial condition. Each member of the Audit Committee is independent, as defined in Rule 5605(a)(2) of the NASDAQ Stock Market Rules and under the criteria for independence set forth in Rule 10A-3(b)(1) promulgated by the Securities and Exchange Commission (SEC) under the Exchange Act, and otherwise meets the criteria for Audit Committee membership set forth in applicable NASDAQ rules. In addition, each member of the Audit Committee is able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement. Additionally at least one member of the Committee has employment experience in finance or accounting and the requisite professional certification in accounting, which results in the individual's financial sophistication. The Audit Committee does not include an "audit committee financial expert" (as defined in applicable SEC rules), because the Board of Directors believes that the benefits provided by the addition to the Audit Committee of an individual who meets the SEC criteria at this time do not justify the cost of retaining such an individual.

The Board of Directors of the Company has adopted a written charter for the Audit Committee, which is included as an Appendix to this Proxy Statement.

Employee Compensation and Benefits Committee. The Bank's Employee Compensation and Benefits Committee acts as the compensation committee for the Company and is composed of Directors F. William Kuethe, Jr., John E. Demyan, William N. Scherer, Sr., Frederick W. Kuethe, III, Thomas Clocker, Michael G. Livingston, Norman E. Harrison, Jr., and Karen Thorwarth. Messrs. Kuethe, Demyan, Kuethe and Livingston are not independent directors. This Committee met four times during 2012. The Board has not adopted a written charter for the Employee Compensation and Benefits Committee. The purpose of the Compensation Committee is to evaluate and ascertain the appropriateness of compensation levels pertaining to the officers of the Bank other than the Chief Executive Officer and the other executive officers of the Bank. The compensation levels of all of the executive officers, other than the Chief Executive Officer, are recommended by the Chief Executive Officer for deliberation and approval of the Committee prior to submission to the full Board. The compensation levels of the Chief Executive Officer and the other executive officers of the Bank are reviewed by the full Board of Directors and must be approved by a majority of the independent directors. No executive officer is present during deliberations or voting on his compensation.

During 2012, the Employee Compensation and Benefits Committee engaged the services of ChaseCompGroup, LLC as its independent advisor on matters of executive and board compensation, reporting directly to the Committee. ChaseCompGroup, LLC provides no other remunerated services to the Company or any of its affiliates.

Nominations. The independent members of the Company's Board of Directors acts as a nominating committee for the annual selection of its nominees for election as directors, and the Board held one meeting during 2012 in order to make nominations for directors. The Board has not adopted a charter with respect to the nominating committee function. The Board of Directors believes that the interests of the Company's shareholders are served by relegating the nominations process to the Board members who are independent from management. While the Board of Directors will consider nominees recommended by stockholders, it has not actively solicited recommendations from the Company's stockholders for nominees, nor established any procedures for this purpose. In considering prospective nominees, the Board of Directors will consider the prospect's relevant financial and business experience, familiarity with and participation in the Bank's market area, the integrity and dedication of the prospect, his independence and other factors the Board deems relevant. The Board of Directors will apply the same criteria to nominees recommended by stockholders as those recommended by the Board. Nominations by stockholders must comply with certain informational requirements set forth in Article III, Section 1 of the Company's Bylaws. See "Stockholder Proposals" elsewhere in this Proxy Statement.

Director Compensation

Director's Fees. Currently, all directors are paid a fee of \$1,000 for each combined regular or special meeting of the Company and the Bank attended, with fees paid for one excused absence. In addition to the foregoing director's fees, Mr. Demyan is compensated at the rate of \$38,219 per annum for the additional responsibilities of serving as the Chairman of the Board. Directors (other than F. William Kuethe, Jr., Mr. Demyan and Mr. Livingston who receive no fees for committee meetings) are paid an additional \$300 chairman fee or \$200 member fee, as applicable, for each committee meeting. Directors are also eligible for annual bonuses.

Executive and Director Deferred Compensation Plan. The Bank's Executive and Director Deferred Compensation Plan was terminated effective December 31, 2008, at which time two directors participated in this plan. Under the terms of the plan, participating directors could elect to defer all or a portion of their fees on a pre-tax basis. Deferred fees are held in a trust account and invested as directed by the participant. Participants are fully vested in their accounts at all times and may elect to have their accounts paid out in a lump sum or in equal installments over a period of five, ten or fifteen years beginning on a date no earlier than three years after the initial deferral election. Upon a participant's death, any amounts remaining in their account will be paid to their beneficiaries.

The following table summarizes the compensation paid to directors other than those included in the Summary Compensation Table below, for the fiscal year ended December 31, 2012:

Similar transactions are expected to occur in the future. All such transactions were made in the ordinary course of business of the Bank and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collection or present other unfavorable features.

The Bank's Internal Audit Department reviews all loan transactions with directors, officers and employees of the Bank and members of their immediate families to ensure that they are fair and reasonable, on market terms, on an arms-length basis and comply with all applicable regulations including Federal Reserve Board Regulation O which governs such loans. The Internal Audit Department also provides the Board of Directors with semi-annual reports of all loans outstanding to employees, officers, and directors which reports are reviewed by the entire Board at a regularly scheduled meeting.

Code of Ethics

The Company has adopted a Code of Business Conduct and Ethics that is designed to promote the highest standards of ethical conduct by the Company's and the Bank's directors, executive officers and employees. The Code of Business Conduct and Ethics has been posted on the Bank's website, www.thebankofglenburnie.com.

Communications with the Board

The Board of Directors has not established a formal process for stockholders to send communications to the Board. Due to the infrequency of stockholder communications to the Board, the Board does not believe that a formal process is necessary. Furthermore, all of the Company's Board members are residents of the communities served by the Bank and where most of the Company's stockholders reside, and therefore are accessible to the great majority of the Company's stockholders.

Leadership Structure and Risk Oversight

While the Board believes that there are various structures which can provide successful leadership to the Company, we currently have separate individuals serving in the roles of Chairman of the Board and Chief Executive Officer in recognition of the differences between the two roles. The CEO is responsible for setting the strategic direction for the Company and the day-to-day leadership of the Company, while the Chairman of the Board provides guidance to the CEO and presides over meetings of the full Board. This structure is appropriate at this time to the Company's business because it reflects the Company and industry experience and vision brought to the Board of Directors by the Chairman, and the day-to-day management direction of the Company under our CEO.

Management is responsible for the day-to-day management of risks the Company faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. To do this, the Chairman of the Board meets regularly with management to discuss strategy and the risks facing the Company. Senior management attends the Board meetings and is available to address any questions or concerns raised by the Board on risk management and any other matters. The Chairman of the Board and independent members of the Board work together to provide strong, independent oversight of the Company's management and affairs through its standing committees and, when necessary, special meetings of independent directors.

Pursuant to regulations promulgated under the Exchange Act, the Company's officers, directors and persons who own more than ten percent of the outstanding Common Stock ("Reporting Person") are required to file reports detailing their ownership and changes of ownership in such Common Stock, and to furnish the Company with copies of all such reports. Based on the Company's review of such reports which the Company received during the last fiscal year, or written representations from Reporting Persons that no annual report of change in beneficial ownership was required, the Company believes that, with respect to the last fiscal year, all persons subject to such reporting requirements have complied with the reporting requirements, except for one transaction by William N. Change in Control Severance Plan

The Company and the Bank maintain a Change in Control Severance Plan. All employees, including the named executive officers, and Board members of the Company, the Bank and affiliates of the Company or Bank who, on the date of a change in control, are not parties to an employment agreement or change in control severance agreement with the applicable employer, are eligible to participate in the Plan. A "change in control" is defined as any one of the following events: (i) the acquisition of ownership, holding or power to vote more than 25% of the Company's voting stock, (ii) the acquisition of the ability to control the election of a majority of the Bank's or the Company's directors, (iii) the acquisition of a controlling influence over the management or policies of the Bank or the Company by any person or by persons acting as a "group" (within the meaning of Section 13(d) of the Exchange Act, or (iv) during any period of two consecutive years, individuals who at the beginning of such period constitute the board of directors of the Bank or the Company (excluding individuals whose election or nomination for election as a member of the existing board was approved by a vote of at least two-thirds of the continuing directors then in office) cease for any reason to constitute at least two-thirds thereof.

Under the terms of the Plan, in the event the individual voluntarily terminates his employment within two years following a change in control, or in the event the individual's employment is terminated by the Bank (or its successor) for any reason, other than cause, within two years following a change in control, the individual is entitled to receive the benefits specified in the Plan based on the individual's position with the employer and, in some instances, years of service on the date of the change in control. The payment will be made either in a lump sum or in installments, at the option of the individual. Under the Plan, upon a change in control Mr. Livingston would receive an amount equal to the aggregate present value of 2.99 times his average annual taxable compensation from the Company for the prior five complete years, and Mr. Porter, Mrs. Elswick and Mrs. Ohmer would receive an amount equal to 130 weeks of their gross weekly salary as of the date of termination. In addition, Mr. Porter, Mrs. Elswick and Mrs. Ohmer would receive \$10,000 toward the premiums for their COBRA medical insurance coverage following the termination of employment if they elect to receive COBRA benefits. The aggregate present value of Mr. Porter's, Mrs. Elswick's and Mrs. Ohmer's cash payment and COBRA benefits may not exceed 2.99 times their average annual taxable compensation from the Company for the prior five complete years.

- x -

If change in control payments would be triggered today, the named executive officers would receive the following amounts: Mr. Livingston, \$648,591, and Mr. Porter, Mrs. Elswick, Mrs. Ohmer, and Mrs. Stambaugh, \$310,317, \$338,694, \$306,675, and \$279,024 respectively, plus \$10,000 each toward COBRA coverage.

Employee Stock Purchase Plan

All employees, including the named executive officers, are eligible to participate in the Company's Employee Stock Purchase Plan at levels determined by the Bank's human resources department and commensurate with each employee's salary level. The Board believes that by making shares of the Company's stock available to employees at a discounted price, employees become vested in the successful financial performance of the Bank and the Company.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee has reviewed and discussed with management the annual audited financial statements of the Company and its subsidiaries.

The Audit Committee has discussed with TGM Group LLC, the independent auditors for the Company for 2012, the matters required to be discussed by Statement on Auditing Standards 61, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit Committee has received the written disclosures and the letter from the independent auditors required by Rule 3526, *Communication with Audit Committees Concerning Independence*, as adopted by the Public Company Accounting Oversight Board and has discussed with the independent auditors the independent auditors' independence.

Based on the foregoing review and discussions, the Audit Committee recommended to the Company's Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year 2012 for filing with the Securities and Exchange Commission.

PROPOSAL II — ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

Regulation 14A under the Exchange Act was revised following the recent enactment of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”), and now requires that the Company seek an advisory, non-binding shareholder vote on the compensation of its named executive officers as disclosed in this Proxy Statement. Accordingly, as required by the Exchange Act and the rules promulgated by the SEC, the Company is providing its stockholders with the opportunity to cast an advisory, non-binding vote on the compensation of the named executive officers, as disclosed in this proxy statement.

This proposal, commonly known as a “say-on-pay” proposal, gives the Company’s stockholders the opportunity to endorse or not endorse the Company’s executive pay program and policies through the following resolution:

“Resolved, that the stockholders approve the compensation of the named executive officers, as disclosed in the compensation tables and related material in the Proxy Statement distributed in connection with this Meeting.”

The Employee Compensation and Benefits Committee and the Board believe that the Company’s compensation policies and procedures align with the long-term success of the Company and the interests of the stockholders.

Because the vote on this Proposal is advisory, it will not be binding on the Board and may not be construed as overruling a decision by the Board nor to create or imply any additional fiduciary duty by the Board. However, the Employee Compensation and Benefits Committee and the Board will take into account the outcome of the vote when considering future executive compensation arrangements.

This matter will be decided by the affirmative vote of a majority of the votes cast at the annual meeting. The affirmative vote of holders of a majority of the all of the votes cast at a meeting at which a quorum is present is needed to approve the proposal. Consequently, abstentions and broker non-votes with respect to shares otherwise present at the Annual Meeting in person or by proxy will have no effect on the result of the vote although they will be considered present for purposes of determining the presence of a quorum.

The Board of Directors recommends a vote FOR approval of the compensation of the named executive officers.

PROPOSAL III — ADVISORY VOTE ON THE FREQUENCY OF HOLDING FUTURE ADVISORY VOTES ON NAMED EXECUTIVE OFFICER COMPENSATION

The Dodd-Frank Act and related SEC rules also require that the Company seek an advisory, non-binding stockholder vote on whether stockholders would prefer “say-on-pay” advisory votes of the type described in Proposal II every year, every two years, or every three years. The voting instructions allow stockholders to choose the desired frequency.

This proposal, sometimes referred to as a “say-on-frequency” proposal, is the expression of the stockholders’ expression of how often they would like to be consulted for the non-binding vote on executive compensation. Stockholders will have the opportunity to vote for the following options for this proposal: one year, two years, three years, or abstain.

As with Proposal II, your vote is advisory and it will not be binding on the Company. However, the Employee Compensation and Benefits Committee and the Board will take into account the outcome of the vote when considering the frequency of future shareholder advisory votes on executive compensation.

The Board and the Employee Compensation and Benefits Committee value the input of stockholders on the Company’s compensation practices. However, they also believe that a three year cycle would give shareholders, management and the Employee Compensation and Benefits Committee time to evaluate the effectiveness of executive compensation on long-term company performance. A three-year cycle would also provide the Committee sufficient time to thoughtfully respond to stockholders’ input, and to implement any appropriate changes to our executive compensation program and to evaluate the results of such changes before the next stockholder advisory vote. Therefore, after careful consideration, the Board and Employee Compensation and Benefits Committee believe that a three year review of executive officer compensation is in the best interest of the stockholders and the Company.

On this Proposal, Stockholders are not voting to approve or disapprove the Board’s recommendation; rather Stockholders are requested to select a one year, two year, or three year frequency. The option that receives the highest

number of votes cast by Stockholders will be deemed the preferred frequency for the advisory vote on the approval of compensation for the named executive officers. Consequently, abstentions and broker non-votes with respect to shares otherwise present at the Annual Meeting in person or by proxy will have no effect on the result of the vote.

The Board of Directors recommends a vote FOR approval of shareholder advisory votes on executive compensation once every three years.

PROPOSAL IV — AUTHORIZATION FOR APPOINTMENT OF AUDITORS

Selection of Auditors

TGM Group LLC, which was the Company's independent auditing firm for the 2012 fiscal year, is expected to be retained by the Audit Committee of the Board of Directors to be the Company's independent auditors for the 2013 fiscal year. A representative of TGM Group LLC is expected to be present at the Annual Meeting to respond to appropriate questions from stockholders and will have the opportunity to make a statement if he or she so desires. **The Board of Directors recommends a vote FOR the proposal to authorize the Board of Directors to accept the selection of the Audit Committee of an outside auditing firm for the ensuing year.**

The Company’s Audit Committee reviews all fees charged by the Company’s independent auditors, and actively monitors the relationship between audit and non-audit services provided. The Audit Committee must pre-approve all audit and non-audit services provided by the Company’s independent auditors and fees charged.

MISCELLANEOUS

The cost of soliciting proxies will be borne by the Company. The Company will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of Common Stock. In addition to solicitations by mail, directors, officers and regular employees of the Company may solicit proxies personally or by telegraph or telephone without additional compensation therefore.

The Company's 2012 Annual Report to Stockholders, including financial statements, has been mailed to all stockholders of record as of the close of business on the Record Date with this Proxy Statement. The persons designated by the Company to vote proxies given by stockholders in connection with the Company's 2014 Annual Meeting of Stockholders will not exercise any discretionary voting authority granted in such proxies on any matter not disclosed in the Company's 2014 proxy statement with respect to which the Company has received written notice no later than February 26, 2014 that a stockholder (i) intends to present such matter at the 2014 Annual Meeting, and (ii) intends to and does distribute a proxy statement and proxy card to holders of such percentage of the shares of Common Stock required to approve the matter. If a stockholder fails to provide evidence that the necessary steps have been taken to complete a proxy solicitation on such matter, the Company may exercise its discretionary voting authority if it discloses in its 2014 proxy statement the nature of the proposal and how it intends to exercise its discretionary voting authority.

GLEN BURNIE BANCORP

AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

CHARTER

Purpose

The Audit Committee (the “Committee”) assists the Board of Directors (the “**Board**”) of Glen Burnie Bancorp (the “Company”) in their responsibilities to oversee the independence of the independent auditor and evaluate the Company’s financial reporting practices, accounting policies and internal control structure. The Audit Committee fulfills these responsibilities by carrying out the activities enumerated in this Charter.

Composition

The Committee will be comprised of three or more directors as determined by the Board. The members of the Committee will meet the independence and experience requirements specified by applicable regulations of the Securities and Exchange Commission (“SEC”) and relevant self-regulatory organizations. The members of the Committee will be appointed annually at the organizational meeting of the full Board held in May. The Board will select one Committee member to the Committee Chair, and may appoint one or more staff members and engage consultants to assist the Committee.

Responsibility

The Committee is a part of the Board. Its primary function is to assist the Board in fulfilling its oversight responsibilities with respect to (i) the annual financial information to be provided to shareholders and the SEC; (ii) the review of quarterly financial statements; (iii) the system of internal controls that management has established; and (iv) the internal audit, external audit and loan review processes. In addition, the Committee provides an avenue for communication between the internal auditor, the independent auditor, financial management and the Board.

The Committee should have a clear understanding with the independent auditor that the independent auditor must maintain an open relationship with the Committee, and that the ultimate accountability of the independent auditor is to

the Board and the Committee. The Committee will make regular reports to the Board concerning its activities.

While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the independent auditor. Nor is it the duty of the Audit Committee to conduct investigations, to resolve disagreements, if any, between management and the independent auditor or to assure compliance with laws and regulations and the Company's business conduct guidelines.

Authority

The Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent auditor engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company (including resolution of disagreements between management and the auditor regarding financial reporting), and such independent auditor must report directly to the Committee.

The Committee is granted authority to investigate any matter or activity involving financial accounting and financial reporting, as well as the internal controls of the Company, or any other any matter within the Committee's scope of responsibilities. In that regard, the Committee will have the authority to engage independent counsel and other advisers, as it determines necessary to carry out its duties. All employees will be directed to cooperate with respect thereto as requested by members of the Committee.

In furtherance of its duties, the Company will provide for appropriate funding, as determined by the Committee, in its capacity as a committee of the Board, for the payment of: (i) compensation to such independent auditor; (ii) compensation to any advisers employed by the Committee; and (iii) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

Meetings

The Committee will meet monthly, or more frequently as circumstances dictate. The Committee may, at its discretion, meet in separate executive sessions with the chief financial officer, independent auditor and internal auditor.

Attendance

Committee members will strive to be present at all meetings. As necessary or desirable, the Committee Chair may request that members of management and representatives of the independent auditor and internal auditor be present at Committee meetings.

Specific Duties

To fulfill its responsibilities and duties the Audit Committee shall:

- (i) Review the scope and general extent of the independent auditor's annual audit. The Committee's review should include an explanation from the independent auditor of the factors considered by the auditor in determining the audit scope, including the major risk factors. The independent auditor should confirm to the Committee that no limitations have been placed on the scope or nature of their audit procedures. The Committee will review annually with management the fee arrangement with the independent auditor.
- (ii) Establish procedures for (i) the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters, and (ii) the confidential, anonymous submission by Company employees of concerns regarding questionable accounting or auditing matters.
- (iii) Review with management, the internal auditor and independent auditor, the Company's accounting and financial reporting controls.
- (iv) Review with management, the internal auditor and the independent auditor significant accounting and reporting principles, practices and procedures applied by the Company in preparing its financial statements.

- (v) Discuss with the independent auditor its judgments about the quality, not just the acceptability of the Company's accounting principles used in financial reporting.

- (vi) Review legal and regulatory matters that may significantly impact the financial affairs or operations of the Company.

- (vii) Inquire as to the independence of the independent auditor and obtain from the independent auditor, at least annually, a formal written statement delineating all relationships between the independent auditor and the Company as contemplated by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*.

- (viii) Review with financial management and the independent auditor the quarterly financial statements prior to the filing of the Company's Form 10-Q. The review will focus on the impact of significant events, transactions and changes in accounting estimates considered by the independent auditor in performing their review of the Company's interim financial statements. The Chair of the Committee may represent the entire committee for purpose of this review. At the completion of the annual audit, review with management, the Company's internal auditor and the independent auditor the following:

§ The Company's annual financial statements and related footnotes and financial information to be included in the Company's annual report to shareholders and on annual report on Form 10- K.

§ Results of the audit of the financial statements and the related report thereon and, if applicable, a report on changes during the year in accounting principles and their application.

§ Any significant changes to the audit plan, any serious disputes or difficulties with management encountered during the audit, and the level of cooperation received by the independent auditor from Company personnel during the audit, including access to all requested records, data and information.

§ Any disagreements between the independent auditor and management, which, if not satisfactorily resolved, would have caused the independent auditor to issue a nonstandard report on the Company's financial statements.

Other communications as required to be communicated by the independent auditor by Statement of Auditing Standards (SAS) 61 as amended by SAS 90 relating to the conduct of the audit. Such communication should include a discussion of the independent auditor's judgment about the quality of the Company's accounting principles.

If deemed appropriate after such review and discussion, recommend to the Board that the financial statements be included in the Company's annual report on Form 10-K.

(ix) Meet with management, the internal auditor and the independent auditor to discuss any relevant significant recommendations that the independent auditor may have, particularly those characterized as "reportable conditions". The Committee should review responses of management to the reportable conditions from the independent auditor and receive follow-up reports on action taken concerning the aforementioned recommendations.

(x) Evaluate the internal auditor's risk assessment matrix of the Company's subsidiary activities used in developing the annual audit program.

(xi) Receive reports of major findings from the internal auditor and evaluate management's response in addressing the reported conditions.

(xii) Evaluate the performance of and, where appropriate, replace the internal auditor.

(xiii) Review and reassess the adequacy of this charter annually and recommend any proposed changes to the Board for approval. This should be done in compliance with applicable regulatory Audit Committee requirements. The charter is to be published as an appendix to the Company's proxy statement every three years.
