PROXY STATEMENT

FOR

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD MAY 30, 2014

SOLICITATION AND REVOCABILITY OF PROXIES

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the “Board”) of Hallmark Financial Services, Inc., a Nevada corporation (the “Company”), to be voted at the 2014 Annual Meeting of Shareholders (the “Annual Meeting”) to be held on Friday, May 30, 2014, at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders (the “Notice”), and at any adjournment thereof. When proxies in the accompanying form are properly executed and received, the shares represented thereby will be voted at the Annual Meeting in accordance with the directions noted thereon. If no direction is indicated on the proxy, the shares represented thereby will be voted for the election of each of the nominees for director, for the approval of the Say-On-Pay Resolution (defined below), and in the discretion of the proxy holder on any other matter that may properly come before the meeting.

Submitting a proxy will not affect a shareholder’s right to vote in person at the Annual Meeting. Any shareholder who gives a proxy may revoke it at any time before it is exercised by delivering written notice of revocation to the Company, by substituting a new proxy executed on a later date, or by making a written request in person at the Annual Meeting that the proxy be returned. However, mere attendance at the Annual Meeting will not revoke the proxy.

All expenses of preparing, assembling and mailing this Proxy Statement and the enclosed materials and all costs of soliciting proxies will be paid by the Company. In addition to solicitation by mail, proxies may be solicited by officers and regular employees of the Company by telephone or in person. Such officers and employees who solicit proxies will receive no compensation for their services other than their regular salaries. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of shares they hold, and the Company may reimburse them for reasonable out-of-pocket expenses they incur in forwarding these materials.

The principal executive offices of the Company are located at 777 Main Street, Suite 1000, Fort Worth, Texas 76102. The Company's mailing address is the same as that of its principal executive offices.

This Proxy Statement and the accompanying form of proxy are first being mailed or given to shareholders on or about May 9, 2014. A copy of the Company's Annual Report to Shareholders for the fiscal year ended December 31, 2013, is enclosed herewith. Such Annual Report does not constitute a part of the materials used for the solicitation of proxies.

PURPOSES OF THE MEETING

At the Annual Meeting, the shareholders of the Company will consider the following matters:

1. Election of four directors to serve until the next annual meeting of shareholders or until their successors are duly elected and qualified;
2. An advisory vote on a resolution approving the Company's compensation of its executive officers (the "Say-On-Pay Resolution"); and
3. Such other business as may properly come before the meeting or any adjournment thereof.

QUORUM AND VOTING

The record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting was the close of business on April 4, 2014 (the "Record Date"). On the Record Date, there were 19,263,457 shares of common stock of the Company, par value \$0.18 per share (the "Common Stock"), issued and outstanding, each of which is entitled to one vote on all matters to be acted upon at the Annual Meeting. There are no cumulative voting rights. The presence, in person or by proxy, of holders of one-third of the outstanding shares of Common Stock entitled to vote at the meeting is necessary to constitute a quorum to transact business. Assuming the presence of a quorum, directors will be elected by a plurality of the votes cast. The affirmative vote of the holders of a majority of the shares of Common Stock actually voted will be required for approval of the Say-On-Pay Resolution and all other matters to come before the Annual Meeting.

Abstentions and broker non-votes will be counted solely for purposes of determining whether a quorum is present at the Annual Meeting. Pursuant to the Bylaws of the Company, abstentions and broker non-votes will not be counted in determining the number of shares voted on any matter. Therefore, abstentions and broker non-votes will have no effect on the election of directors or the approval of any other matter submitted to a vote of the shareholders at the Annual Meeting.

ELECTION OF DIRECTORS

(Item 1)

At the Annual Meeting, four directors will be elected for a term expiring at the 2015 annual meeting of the Company's shareholders or when their successors are elected and qualify. Directors will be elected by a plurality of the votes cast at the Annual Meeting. Cumulative voting is not permitted in the election of directors.

The Board has proposed the following slate of nominees for election as directors at the Annual Meeting. None of the nominees was selected on the basis of any special arrangement or understanding with any other person. None of the nominees bears any family relationship to any other nominee or to any executive officer of the Company. The Board has determined that all of its nominees other than Mark E. Schwarz meet the current independence requirements of The Nasdaq Stock Market ("Nasdaq").

In the absence of instructions to the contrary, shares represented by proxy will be voted for the election of each nominee named below. Each nominee has accepted nomination and agreed to serve if elected. If any nominee becomes unable to serve before election, shares represented by proxy may be voted for the election of a substitute nominee designated by the Board.

The Board recommends a vote FOR election of each nominee below.

Name	Age	Director Since	Current Position(s) with the Company
Mark E. Schwarz	53	2001	Director and Executive Chairman
Scott T. Berlin	44	2001	Director
James H. Graves	65	1995	Director
Jim W. Henderson	67	2009	Director

Mark E. Schwarz was elected Executive Chairman of the Company in August, 2006. He served as Chief Executive Officer of the Company from January, 2003 until August, 2006, and as President from November, 2003 through March, 2006. Since 1993, Mr. Schwarz has indirectly controlled Newcastle Partners, L.P., a private investment firm. Mr. Schwarz presently serves as Chairman of the boards of directors of Pizza Inn Holdings, Inc., an operator and franchisor of pizza restaurants; and Wilhelmina International, Inc., a model management and talent representation company. Mr. Schwarz is also presently a director of SL Industries, Inc., a developer of power systems used in a variety of aerospace, computer, datacom, industrial, medical, telecom, transportation and utility equipment applications. Within the past five years, Mr. Schwarz has served as a director of Bell Industries, Inc., a company primarily engaged in providing computer systems integration services; MedQuist, Inc., a provider of clinical documentation workflow solutions in support of electronic health records; and Nashua Corporation, a manufacturer of specialty papers, labels and printing supplies. He also serves as a director of various privately held companies. The Board believes that Mr. Schwarz should serve as a director of the Company due to his extensive business and investment expertise, broad director experience and significant direct and indirect shareholdings in the Company. (See, *Principal Shareholders and Stock Ownership of Management*.)

Scott T. Berlin is a Managing Director and principal of Brown, Gibbons, Lang & Company, an investment banking firm serving middle market companies. His professional activities are focused on the corporate finance and mergers/acquisitions practice. Prior to joining Brown, Gibbons, Lang & Company in 1997, Mr. Berlin was a lending officer in the Middle Market Group at The Northern Company. The Board believes that Mr. Berlin should serve as a director of the Company due to his general background in investment banking and his particular experience in advising public and private companies and their boards in merger, acquisition and financing transactions.

James H. Graves has served as Managing Director and Partner of Erwin, Graves & Associates, LP, a management consulting firm, since 2002. He also served as an Executive Vice President of Financial Strategy for DeviceFidelity Inc., a financial services technology company, from 2008 to 2012. Mr. Graves was a director, Vice Chairman and Chief Operating Officer of Detwiler, Mitchell & Co., a securities research firm, from 2002 until 2006. Prior to 2002, he served as a senior executive in Dean Witter Reynolds Investment Banking Division and as the Chief Operating Officer of J.C. Bradford & Company. Mr. Graves also presently serves as a director of Cash America International, Inc., a company operating pawn shops and jewelry stores; and TriState Capital Holdings, Inc., a bank holding company. He also serves as a director of various privately held companies. The Board believes Mr. Graves should serve as a director due to his executive leadership and management experience in several businesses, including

large corporations and businesses within the financial services industry, his over 30 years of experience analyzing financial statements and his experience as a director of both private and public companies, including his service as chairman of the audit committee of another public company.

Jim W. Henderson became Chairman and Chief Executive Officer of AssuredPartners, Inc., a middle market insurance brokerage firm, in 2011. Mr. Henderson was previously employed by Brown & Brown, Inc., a diversified insurance agency and wholesale broker, as Vice Chairman and Chief Operating Officer since 2008, as President and Chief Operating Officer from 2002 to 2008, as Executive Vice President from 1995 to 2002, as Senior Vice President from 1993 to 1995, as Senior Vice President of a predecessor corporation from 1989 to 1993, and as Chief Financial Officer of such predecessor from 1985 to 1989. He also served as a director of Brown & Brown from 1993 to 2011. Previously, Mr. Henderson had served as Senior Vice President, Chief Financial Officer and Treasurer of Ormond Reinsurance Group from 1975 to 1985. The Board believes that Mr. Henderson should serve as a director of the Company due to his extensive knowledge of and significant executive experience in the property and casualty insurance industry, as well as his prior experience as a director of a public company.

ADVISORY VOTE ON SAY-ON-PAY RESOLUTION

(Item 2)

Section 14A of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and Rule 14a-21 promulgated by the Securities and Exchange Commission (“SEC”) thereunder, require the Company to (i) at least once every three years, present to the shareholders a non-binding, advisory vote on a resolution approving the compensation of certain executive officers, and (ii) at least once every six years, present to the shareholders a non-binding, advisory vote on the frequency of future resolutions to approve executive compensation. In accordance with the majority vote at the Company’s 2011 Annual Meeting of Shareholders, the Board has determined to provide the shareholders an opportunity to approve executive compensation every year. Accordingly, at the 2014 Annual Meeting the Board will submit to the shareholders for a non-binding, advisory vote the following Say-On-Pay Resolution:

“RESOLVED, that the shareholders hereby approve the compensation paid to the Company’s executive officers as disclosed pursuant to Item 402 of Regulation S-K under the heading ‘EXECUTIVE COMPENSATION’ in the Company’s 2014 Proxy Statement, including the compensation tables and narrative discussion.”

The advisory vote on the Say-On-Pay Resolution is intended to address the overall compensation of the Company’s executive officers rather than any specific element or amount of compensation. This advisory vote on the Say-On-Pay Resolution is not binding on the Board or the Company. However, the Compensation Committee will take into account the results of the advisory vote on the Say-On-Pay Resolution when considering future executive compensation arrangements.

The Board recommends a vote FOR approval of the Say-On-Pay Resolution.

A vote on the frequency of future such resolutions to approve executive compensation will be submitted to the shareholders not later than the 2017 Annual Meeting of Shareholders.

OTHER BUSINESS

(Item 3)

The Board knows of no other business to be brought before the Annual Meeting. If, however, any other business should properly come before the Annual Meeting, the persons named in the accompanying proxy will vote the proxy as they in their discretion may deem appropriate, unless they are directed by the proxy to do otherwise.

BOARD OF DIRECTORS

Leadership Structure and Risk Oversight

Mark E. Schwarz serves as the Executive Chairman of the Company. In such capacity, he functions as both the chairman of the Board and an executive officer with responsibilities for corporate strategy, capital allocation and management of the Company's investment portfolio. Mark J. Morrison serves as the President and Chief Executive Officer of the Company but is not a director. The Board believes that this leadership structure is appropriate because it permits Mr. Schwarz to provide Board leadership independent of operational management, while still providing the Company the benefit of his business and investment expertise. As a result, the Board believes that all directors are able to objectively evaluate the management and operations of the Company. The Board also believes that, as a result of his significant beneficial ownership of Common Stock, Mr. Schwarz's role as Executive Chairman enhances the focus of the Board on building shareholder value. (See, *Principal Shareholders and Stock Ownership of Management*.)

The Board is responsible for providing general oversight over all of the Company's strategies, operations and affairs, including its management of risk. The Board and its standing committees regularly discuss material risk exposures, the potential impact of such exposures on the Company and the efforts of management to mitigate the identified risks. The Company has adopted enterprise risk management policies based on the Integrated Framework of the Committee of Sponsoring Organizations. Executive management periodically report on the Company's risk management policies and practices to the Board and relevant standing committees. The Audit Committee reviews the Company's major financial risk exposures and a number of operational, compliance and strategic risks, including steps to monitor and manage those risks. The Nomination and Governance Committee also monitors the Company's corporate governance and certain compliance risks, while the Compensation Committee is primarily responsible for oversight of risks associated with employee relations and compensation strategy. The Board believes that its leadership structure supports the ability of the Board to effectively oversee the risk management policies and procedures of the Company.

Board Composition

The Board is presently composed of Mark E. Schwarz, Scott T. Berlin, James H. Graves and Jim W. Henderson. None of these directors was selected on the basis of any special arrangement or understanding with any other person. None of these directors bears any family relationship to any other director or to any executive officer of the Company. The Board has determined that all of these directors other than Mr. Schwarz meet the current Nasdaq independence requirements. Information concerning the business experience of each of the director nominees is provided under *Election of Directors*.

Board Committees

Standing committees of the Board of the Company include the Audit Committee, the Nomination and Governance Committee, and the Compensation Committee. Messrs. Berlin, Graves and Henderson presently serve on the standing committees set forth below. Mr. Schwarz does not presently serve on any of these standing committees.

	Nomination and		
	Audit	Governance	Compensation
	Committee	Committee	Committee
Scott T. Berlin	X	X	X
James H. Graves	X	X	X
Jim W. Henderson	X		X

Audit Committee. James H. Graves currently serves as chairman of the Audit Committee. The Board has determined that all members of the Audit Committee satisfy the current independence and experience requirements of Nasdaq and the SEC. The Board has also determined that Mr. Graves satisfies the requirements for an “audit committee financial expert” under applicable rules of the SEC and has designated Mr. Graves as its “audit committee financial expert.”

The Audit Committee oversees the conduct of the financial reporting processes of the Company, including (i) reviewing with management and the outside auditors the audited financial statements included in the Company’s Annual Report, (ii) reviewing with management and the outside auditors the interim financial results included in the Company’s quarterly reports filed with the SEC, (iii) discussing with management and the outside auditors the quality and adequacy of internal controls, and (iv) reviewing the independence of the outside auditors. (See, *Audit Committee Report*.) A copy of the Amended and Restated Audit Committee Charter is available for review on the Company’s website at www.hallmarkgrp.com. The Audit Committee met eight times during 2013.

Nomination and Governance Committee. Scott T. Berlin currently serves as chairman of the Nomination and Governance Committee. The Nomination and Governance Committee is responsible for advising the Board about the appropriate composition of the Board and its committees, identifying and evaluating candidates for Board service, recommending director nominees for election at annual meetings of shareholders or for appointment to fill vacancies, and recommending the directors to serve on each committee of the Board. The Nomination and Governance Committee is also responsible for periodically reviewing and making recommendations to the Board regarding corporate governance policies and responses to shareholder proposals. A copy of the Nomination and Governance Committee Charter is available for review on the Company’s website at www.hallmarkgrp.com. The Nomination and Governance Committee did not meet during 2013.

The Nomination and Governance Committee strives to identify and attract director nominees of personal integrity whose diversity of business background and experience will represent the interests of all shareholders. The Nomination and Governance Committee has not established any policy regarding specific minimum qualifications that must be met by a director nominee. However, factors considered in evaluating potential candidates include educational achievement, managerial experience, business acumen, financial sophistication, insurance industry expertise and strategic planning and policy-making skills. Depending upon the current needs of the Board, some factors may be weighed more or less heavily than others in the deliberations. The Nomination and Governance Committee evaluates the suitability of a potential director nominee on the basis of written information concerning the candidate, discussions with persons familiar with the background and character of the candidate and personal interviews with the candidate.

The Nomination and Governance Committee will consider candidates for nomination to the Board from any reasonable source, including shareholder recommendations. The Nomination and Governance Committee does not evaluate candidates differently based on the source of the proposal. The Nomination and Governance Committee has not, and has no present intention to, use consultants or search firms to assist in the process of identifying and evaluating director candidates.

Shareholders may recommend director candidates for consideration by the Nomination and Governance Committee by writing to its chairman in care of the Company's headquarters in Fort Worth, Texas, giving the candidate's name, contact information, biographical data and qualifications. A written statement from the candidate consenting to be named as a candidate and, if nominated and elected, to serve as a director should accompany any such recommendation. The Nomination and Governance Committee has not implemented any formal procedures for consideration of director nominees submitted by shareholders of the Company. The Nomination and Governance Committee has not received any recommendations of nominees for election to the Board at the 2014 Annual Meeting from any person or group beneficially owning more than five percent of the Common Stock.

Compensation Committee. Jim W. Henderson currently serves as chairman of the Compensation Committee. The Compensation Committee reviews, evaluates and recommends to the Board compensation policies of the Company with respect to directors, executive officers and senior management. The Compensation Committee also administers the Company's 2005 Long Term Incentive Plan (the "2005 LTIP"). A copy of the Compensation Committee Charter is available for review on the Company's website at www.hallmarkgrp.com. The Compensation Committee met three times during 2013.

The Compensation Committee has the authority to approve the compensation of the directors, executive officers and senior management of the Company. The Compensation Committee also has the authority to grant stock options and other equity awards under the 2005 LTIP. The Compensation Committee does not delegate any of its authority to any other person. The Executive Chairman and Chief Executive Officer of the Company provide recommendations to the Compensation Committee concerning most of these compensation decisions. Neither the Company nor the Compensation Committee currently engages any consultant to assist in the review of director or executive officer compensation.

Attendance at Meetings

The Board held four meetings during 2013. Various matters were also approved by the unanimous written consent of the directors during the last fiscal year. Each director attended at least 75% of the aggregate of (i) the total number of meetings of the Board, and (ii) the total number of meetings held by all committees of the Board on which such director served. The Company has no formal policy with respect to the attendance of Board members at the Annual Meeting, but encourages all incumbent directors and all director nominees to attend each annual meeting of shareholders. All incumbent directors attended the Company's last annual meeting of shareholders held on May 30, 2013.

Compensation of Directors in 2013 Fiscal Year

The Company's standard compensation arrangement for each non-employee director is currently a \$30,000 annual retainer plus a fee of \$1,500 for each Board meeting attended in person or telephonically and a fee of \$750 for each committee meeting attended in person or telephonically. The chairman of the Audit Committee also receives an additional \$7,500 annual retainer. No other cash compensation was paid to any non-employee director during 2013. The Compensation Committee also periodically grants stock options to the directors of the Company. However, no stock options were granted to any of the non-employee directors of the Company during 2013.

The following table sets forth information concerning the compensation of the non-employee directors of the Company for the fiscal year ended December 31, 2013.

Shareholder Communications

The Board believes that, in light of the accessibility of its directors to informal communications, a formal process for shareholders to communicate with directors is unnecessary. Any shareholder communication sent to the Board, either generally or in care of the Executive Chairman, will be forwarded to members of the Board without screening. Any shareholder communication to the Board should be addressed in care of the Executive Chairman and transmitted to the Company's headquarters in Fort Worth, Texas. In order to assure proper handling, the transmittal envelope should include a notation indicating "Board Communication" or "Director Communication." All such correspondence should identify the author as a shareholder and clearly state whether the intended recipients are all members of the Board or only specified directors. The Executive Chairman will circulate all such correspondence to the appropriate directors.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Role of the Compensation Committee. The Company's Compensation Committee reviews, evaluates and recommends to the Board compensation policies with respect to directors, executive officers and senior management of the Company. The Compensation Committee has the authority to approve the compensation of the directors, executive officers and senior management of the Company. The Compensation Committee also has the authority to grant stock options and other equity awards under the 2005 LTIP. The Compensation Committee does not delegate any of its authority to any other person. The Executive Chairman and Chief Executive Officer of the Company provide recommendations to the Compensation Committee concerning most of these compensation decisions. Neither the Company nor the Compensation Committee currently engages any consultant to assist in the review of director or executive officer compensation.

Compensation Objectives and Components. The compensation policies of the Company are intended to reinforce the Company's annual and long-term performance objectives, reward and encourage quality performance, and assist the Company in attracting, retaining and motivating executive officers and other senior management with exceptional leadership abilities. Consistent with these objectives, the Compensation Committee has established a compensation program consisting primarily of base salary, annual bonus and equity compensation. These components of compensation are intended to reward performance, responsibility, initiative and teamwork in developing and implementing the Company's strategic goals.

The Compensation Committee believes that competitive base salaries are a prerequisite to attracting and retaining a qualified and motivated leadership team. Annual bonuses are primarily intended to encourage performance which contributes to achieving annual and other near-term corporate objectives. Equity compensation, generally in the form of stock options or restricted stock units, is primarily intended to align the financial interests of management and directors with those of other shareholders and thereby provide incentives for achieving long-term growth in the value of the Company. The Compensation Committee strives for an appropriate balance among the elements of compensation but has not established any formula or policy for the allocation of total compensation among the base

salary, annual bonus and equity compensation components. Although the Company endeavors to provide a total compensation package for its executive officers and senior management which is competitive in its segment of the insurance industry, the Compensation Committee has not engaged in any benchmarking of total compensation or any component of compensation.

Determination of Compensation. Base salaries of the Company's executive officers and senior management are determined based on factors including scope of responsibilities, level of experience, contributions to the achievement of business objectives, leadership skills and overall management effectiveness. Base salaries are generally intended to be competitive with those offered in the markets in which the Company competes for executive talent. However, the overall assessment is primarily subjective, reflecting the level of responsibility and personal performance of the individual executive.

The Compensation Committee evaluates the propriety of discretionary annual bonuses primarily on the basis of the Company's financial performance and the job performance of each executive officer, including characteristics of cooperation, positive attitude and teamwork in achieving corporate goals. The primary measure of the Company's financial performance used in determining any discretionary annual bonuses is business unit and/or consolidated pre-tax income as compared to the annual budget. The Compensation Committee retains and exercises discretion with respect to whether any annual bonus is paid to a particular executive officer and, if so, the ultimate amount of such annual bonus. In light of the Company's financial performance, the Compensation Committee did not award discretionary annual bonuses to any of the executive officers of the Company for fiscal 2013.

The Compensation Committee believes that periodically awarding equity compensation to the executive officers and other senior management promotes the Company's long-term performance by aligning the officers' economic interests with shareholder value. The amounts of stock option or restricted stock units awarded are based on various subjective factors primarily relating to the responsibilities of the officer and his past and expected future contributions to the growth and profitability of the Company. During fiscal 2013, the Compensation Committee did not award any stock options to any of the executive officers of the Company. During fiscal 2013, the Compensation Committee granted an aggregate of 56,481 restricted stock units to executive officers of the Company. Each grant provided that the restricted stock units would vest and shares of the common stock become issuable on March 31, 2016, if and to the extent that the compound average annual growth rate in the book value per share of the Common Stock for the period from January 1, 2013 through December 31, 2015 achieved or exceeded certain targets. The total number of shares which may ultimately become issuable with respect to the restricted stock units conditionally granted to executive officers ranges from zero shares, if the compound average annual growth rate in the book value per share of the Common Stock during this period is less than 8%, to 84,722 shares, if the compound average annual growth rate in the book value per share of the Common Stock during this period is 15% or greater.

Consideration of Shareholder Advisory Vote. At the Company's 2013 annual meeting of shareholders, an advisory resolution approving the compensation of the Company's executive officers was favored by approximately 96% of the shares represented at the meeting. The Compensation Committee has considered these results in determining to continue its current compensation policies. The Compensation Committee believes that its subsequent compensation decisions have been consistent with both its existing compensation policies and the 2013 shareholder advisory vote.

Tax and Accounting Implications. Section 162(m) of the Internal Revenue Code generally imposes a \$1.0 million per person annual limit on the amount the Company may deduct as compensation expense for its executive officers. The Compensation Committee has not established any policy precluding the payment of compensation in excess of the

amount deductible under IRC Section 162(m). However, the compensation of all executive officers was fully deductible during fiscal 2013, and the Company does not presently anticipate that the compensation of any executive officer will exceed this limit on deductibility for fiscal 2014.

The Company accounts for all equity compensation, including awards under the 2005 LTIP, in accordance with Accounting Standards Codification 718 promulgated by the Financial Accounting Standards Board. Pursuant to these provisions, the grant date fair value of equity compensation is recognized pro rata over the vesting periods of the awards.

Employment Agreements

The Company does not have employment agreements with any of its executive officers.

The primary purpose of the Audit Committee is to assist the Board in fulfilling its responsibility to oversee management's conduct of the Company's financial reporting process. In discharging its oversight role, the Audit Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities and personnel of the Company and is authorized to retain outside counsel, auditors or other experts for this purpose. Subject to any action that may be taken by the full Board, the Audit Committee also has the authority and responsibility to select, evaluate and, where appropriate, replace the Company's independent registered public accountants.

The Company's management is responsible for preparing the Company's financial statements and the independent registered public accountants are responsible for auditing those financial statements. The role of the Audit Committee is to monitor and oversee these processes.

In this context, the Audit Committee has reviewed and discussed the consolidated financial statements with both management and the independent registered public accountants. The Audit Committee also discussed with the independent registered public accountants the matters required to be discussed by Statement on Auditing Standards No. 61 *Communication with Audit Committees*, as amended and adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit Committee has pre-approved the retention of E&Y to perform audit and non-audit services in an amount up to \$5,000, provided that (i) the chairman of the Audit Committee is notified of each such retention within 48 hours, and (ii) the annual aggregate of such pre-approved services does not exceed \$15,000. The current policy of the Audit Committee is to review and approve all other proposed audit and non-audit services prior to the engagement of independent registered public accountants to perform such services. Review and approval of such services generally occur at the Audit Committee’s regularly scheduled quarterly meetings. In situations where it is impractical to wait until the next regularly scheduled quarterly meeting, the Audit Committee has delegated to its chairman the authority to approve audit and non-audit services. Any audit or non-audit services approved pursuant to such delegation of authority must be reported to the full Audit Committee at its next regularly scheduled meeting.
