2 Forward - Looking Statements Please be advised that except for historical information, the comments made during this presentation and in these slides constitute forward - looking statements under applicable securities laws. Such forward - looking statements involve certain risks and uncertainties, including statements regarding the company's strategic direction, prospects and future results. Certain factors may cause actual results to differ materially from those contained in the forward - looking statements, including global economic fluctuations, risks related to fluctuations in our operating results, the ability of clients to terminate their relationship at anytime, competition, limited availability under our credit facilities and our ability to successfully achieve our strategic initiatives and the other risks discussed in our filings made with the Securities and Exchange Commission. These forward - looking statements speak only as of the date of this presentation. The company assumes no obligation, and expressly disclaims any obligation, to review or confirm analysts' expectations or estimates or to update any forward - looking statements, whether as a result of new information, future events or otherwise.
