Forward Looking Statements This presentation includes “forward looking statements” within the meaning of the “safe harbor” provisions of the United States Private Securities Litigation Reform Act of 1995. Forward - looking statements may be identified by the use of words such as “anticipate”, “believe”, “expect”, “estimate”, “plan”, “outlook”, and “project” and other similar expressions that predict or indicate future events or trends or that are not statements of historical matters. Such forward looking statements with respect to the timing of the proposed Transaction with Videocon d2h, as well as the expected performance, strategies, prospects and other aspects of the businesses of Silver Eagle and Videocon d2h after completion of the Transaction, are based on current expectations that are subject to risks and uncertainties.

Disclaimer (cont.) A number of factors could cause actual results or outcomes to differ materially from those indicated by such forward looking statements. These factors include, but are not limited to: (1) the occurrence of any event, change or other circumstances that could give rise to the termination of Contribution Agreement, relating to the Transaction (the “Contribution Agreement”) (2) the outcome of any legal proceedings that may be instituted against Silver Eagle, Videocon d2h or others following announcement of the Contribution Agreement and transactions contemplated therein; (3) the inability to complete the Transaction due to the failure to obtain approval of the stockholders of Silver Eagle, redemptions by stockholders of Silver Eagle or other conditions to closing in the Contribution Agreement, or the inability to amend the warrant agreement due to the failure to obtain approval of the warrant holders of Silver Eagle, (4) delays in obtaining, a diverse conditions contained in, or the inability to obtain necessary regulatory approvals or complete regulatory reviews required to complete the Transaction; (5) the risk that the proposed Transaction disrupts current plans and operations as a result of the announcement and consummation of the Transaction described herein; (6) the ability to recognize the anticipated benefits of the Transaction, which may be affected by, among other things, competition, the ability of Videocon d2h to grow and manage growth profitably, effectively direct proceeds received in the Transaction, maintain relationships with suppliers and obtain adequate supply of products and retain its key employees; (7) costs related to the Transaction; (8) changes in applicable laws or regulations; (9) the possibility that Videocon d2h may be adversely affected by other economic, business, and/or competitive factors; and (10) other risks and uncertainties indicated from time to time in the proxy statement/prospectus relating to the transaction, including those under “Risk Factors” therein, and other filings with the SEC by Silver Eagle. Readers are cautioned not to place undue reliance upon any forward - looking statements, which speak only as of the date made, and Silver Eagle undertakes no obligation to update or revise the forward - looking statements, whether as a result of new information, future events or otherwise. Disclaimer This presentation shall not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any jurisdiction in which the offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such jurisdiction. No offering of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act of 1933, as amended. Industry and Market Data In this presentation, Videocon d2h relies on and refers to information and statistics regarding market shares in the sectors in which it competes and other industry data. Videocon d2h obtained this information and statistics from third - party sources, including reports by market research firms, such as Media Partners Asia, Ltd. Videocon d2h has supplemented this information where necessary with information from discussions with Videocon d2h customers and its own internal estimates, taking into account publicly available information about other industry participants and Videocon d2h’s management’s best view as to information that is not publicly available. Earnings before interest, tax and depreciation & amortization (EBITDA) EBITDA presented in this presentation, is a supplemental measure of performance and liquidity that is not required by or presented in accordance with IFRS. Furthermore, EBITDA is not a measure of financial performance or liquidity under IFRS and should not be considered as an alternative to profit after tax, operating income or other income or any other performance measures derived in accordance with IFRS or as an alternative to cash flow from operating activities or as a measure of liquidity. In addition, EBITDA is not a standardized term, hence direct comparison between companies using the same term may not be possible. Other companies may calculate EBITDA differently from Videocon d2h, limiting their usefulness as comparative measures. Videocon d2h believes that EBITDA helps identify underlying trends in its business that could otherwise be distorted by the effect of the expenses that are excluded calculating EBITDA. Videocon d2h believes that EBITDA enhances the overall understanding of its past performance and future prospects and allows for greater visibility with respect to key metrics used by its management in its financial and operational decision - making.
