**INTRODUCTION**

This Information Statement is being furnished by theglobe.com, inc. (the “**Company**,” “**we**,” “**us**” or “**our**”) pursuant to Section 14(f) of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), and Rule 14f-1 promulgated under the Exchange Act (“**Rule 14f-1**”). This Information Statement is being provided solely for informational purposes and not in connection with a vote of our stockholders.

This Information Statement is first being mailed on or about December 21, 2017 to the holders of record as of the close of business on December 21, 2017 (the “**Record Date**”) of our common stock, par value \$0.001 per share (“**Common Stock**”), regarding an anticipated change in a majority of the members of our board of directors (the “**Board**”) in connection with a change in control pursuant to the Common Stock Purchase Agreement, dated December 20, 2017 (the “**Purchase Agreement**”), between Delfin Midstream LLC (the “**Purchaser**”) and Michael S. Egan and certain of our other stockholders affiliated with Mr. Egan (each a “**Seller**” and collectively the “**Sellers**”).

Pursuant to the Purchase Agreement, the Sellers have agreed to sell to the Purchaser, and the Purchaser has agreed to purchase from the Sellers, a total of 312,825,952 shares of Common Stock owned by the Sellers, representing approximately 70.9% of the outstanding shares of Common Stock (the “**Purchased Shares**”). The closing of the purchase and sale of the Purchased Shares (the “**Closing**”) is expected to occur on December 31, 2017 (the “**Closing Date**”). As contemplated by the Purchase Agreement, each of the current members of the Board, who are Michael S. Egan, Edward A. Cespedes and Robin S. Lebowitz, will resign from the Board and their respective officer positions with the Company, and William R. (Rusty) Nichols will be appointed as the sole member of the Board and as an executive officer of the Company.

Pursuant to Rule 14f-1, we are required to file with the Securities and Exchange Commission (the “**SEC**”) and transmit to our stockholders this Information Statement at least 10 days before the change in a majority of the members of our Board may become effective. See “*Change in Control*” for additional information.

**No action is required by our stockholders in connection with this Information Statement. Please read this Information Statement carefully. It contains certain biographical and other information concerning our current directors and executive officers and the individual to be appointed as a director and executive officer in connection with the Closing of the transactions contemplated by the Purchase Agreement.**

## Change in Control

In connection with the Closing, a change in control of the Company will be effected. As discussed above, pursuant to the Purchase Agreement, the Purchaser has agreed to purchase 312,825,952 shares of Common Stock from the Sellers, which include Michael S. Egan, Mr. Egan's spouse, S. Jacqueline Egan, various grantor retained annuity trusts for the benefit of Mr. Egan's children (the "**GRATs**"), and Dancing Bear Investments, Inc. ("**Dancing Bear**"), E&C Capital Partners, LLLP ("**E&C**"), E&C Capital Partners II, LLLP ("**E&C II**"), and The Registry Management Company, LLC ("**Registry Management**"), each of which is controlled, directly or indirectly, by Mr. Egan. The purchase price for the Purchased Shares is \$25,000, and the Purchaser expects to use working capital to fund the purchase price. The Purchased Shares represent approximately 70.9% of the issued and outstanding shares of Common Stock of the Company. Accordingly, following the purchase and sale of the Purchased Shares, the Purchaser will be the Company's majority stockholder and will have the voting power to control the election of the Company's directors and any other matter requiring the affirmative vote or consent of the Company's stockholders.

The Purchase Agreement includes certain conditions to the parties' obligations to consummate the Closing, including the following:

- delivery of documentation evidencing satisfaction of indebtedness under certain promissory notes and the Company's Revolving Loan Agreement;
- termination of the Services Agreement and satisfaction of accrued fees thereunder;
- satisfaction or waiver of accrued compensation to employees and directors; and
- resignation of all officers and directors of the Company, and appointment of Mr. Nichols as the continuing director.

For more information regarding these matters, see the section of this Information Statement entitled "*Certain Relationships and Related Party Transactions.*"

In addition, in connection with the transactions contemplated by the Purchase Agreement, effective upon the later of the Closing and the date which is 10 days following the first mailing of this Information Statement, the current members of the Board, Michael S. Egan, Chief Executive Officer and Chairman, Edward A. Cespedes, President, Treasurer and Chief Financial Officer and Director, and Robin S. Lebowitz, Vice President of Finance and Director, will resign from the Board and their respective officer positions with the Company, and William R. (Rusty) Nichols will be appointed as Chairman of the Board and President, Chief Executive Officer and Chief Financial Officer of the

Company.

## CORPORATE GOVERNANCE

### Board Leadership Structure and Role in Risk Oversight

As set forth in our Certificate of Incorporation and By-Laws, all directors of the Company hold office until the next annual meeting of stockholders or until their successors have been duly elected and qualified or their earlier death, removal or resignation.

We have not adopted a formal policy on whether the Chairman and Chief Executive Officer positions should be separate or combined and we do not have a lead director. We have traditionally determined that, due to the small size of the Company and the fact that it currently has no operations, it is in the best interests of the Company and its stockholders to combine these roles. Upon the effectiveness of the resignation of Mr. Egan as Chairman and Chief Executive Officer in connection with the Closing of the transactions contemplated by the Purchase Agreement, Mr. Nichols will be appointed as our Chairman and Chief Executive Officer.

Our Board is primarily responsible for overseeing our risk management processes. The Board receives and reviews periodic reports from management, auditors, legal counsel, and others, as considered appropriate regarding our Company's assessment of risks. The Board focuses on the most significant risks facing our Company and our Company's general risk management strategy, and also attempts to ensure that risks undertaken by our Company are consistent with the Board's tolerance for risk. While the Board oversees our Company, our Company's management is responsible for day-to-day risk management processes. We believe this structure is the most effective approach for addressing the risks facing our Company and that our Board leadership structure supports this approach.

### Director Independence

Our Common Stock is traded on the OTC Markets, OTC Pink, under the symbol "TGLO." The OTC Pink electronic trading platform does not maintain any standards regarding the "independence" of the directors for our Board or require that any of our directors be "independent." We do not believe that any current director qualifies as an "independent director" under the Nasdaq Stock Market's listing standards due to their status as employees of the Company. In addition, Mr. Nichols will not qualify as an "independent director" when his appointment is effective, since he will also be an employee of the Company. Other than as a result of his appointment in connection with the transactions contemplated by the Purchase Agreement, the Company is not aware of any arrangement or understanding between Mr. Nichols and any other person pursuant to which he or she is to be elected or appointed to an officer or director position at the Company.

## Board Meetings and Attendance

Including unanimous written actions of the Board, the Board met 5 times in 2016. None of our directors attended less than 75% of the total number of all meetings of the Board and any committees of the Board on which he or she served during 2016.

The Board encourages, but does not require, its directors to attend the Company's annual meeting of stockholders, if any. The Company did not hold an annual meeting in 2016.

## Committees of the Board

The Board currently has a standing Audit and Compensation Committee but does not maintain a standing Nominating Committee. The Board will continue to have a standing Audit and Compensation Committee upon the effectiveness of the resignations of Messrs. Egan and Cespedes and Ms. Lebowitz, and the appointment of Mr. Nichols as sole director, with Mr. Nichols serving as Chairman of both committees.

Set forth below is a brief description of our current committees:

*Audit Committee.* The Audit Committee reviews, acts on and reports to the Board with respect to various auditing and accounting matters, including the selection of our independent auditors, the scope of the annual audits, fees to be paid to the auditors, the performance of our auditors and our accounting practices and internal controls. The Audit Committee operates pursuant to a written charter, as amended, adopted by the Board on June 12, 2000 and attached to the Company's definitive proxy statement for its 2001 annual meeting of stockholders filed with the SEC. The current members of the Audit Committee are Messrs. Egan and Cespedes and Ms. Lebowitz, all of whom are also employees of the Company. As such, none of the current Audit Committee members are considered "independent" within the meaning of the Nasdaq Stock Market's listing standards, including any heightened independence requirements specific to audit committee members. Ms. Lebowitz serves as the "audit committee financial expert" within the meaning of applicable SEC rules. Including unanimous written actions of the Audit Committee, the Audit Committee held 5 meetings in 2016.

*Compensation Committee.* The Compensation Committee establishes or recommends to the Board the compensation, if any, for our executive officers, including salaries, incentives and other forms of compensation. Because the Company currently has no operations and its executive officers do not receive a salary or other compensation, the Compensation Committee did not meet in 2016. The current members of the Compensation Committee are Messrs. Egan and Cespedes, both of whom are employees of the Company. As such, neither Compensation Committee member is considered “independent” within the meaning of the Nasdaq Stock Market’s listing standards, including any heightened independence requirements specific to compensation committee members. The Company does not have a Compensation Committee charter.

#### Director Nominations

As noted above, the Board does not have a separate Nominating Committee. Rather, the entire Board considers and nominates directors for election. Based on the Board currently consisting only of employee directors, the Board does not believe the Company would derive any significant benefit from a separate Nominating Committee. The Company does not have a Nominating Committee charter.

In recommending director candidates (including director candidates recommended by stockholders), the Board takes into consideration such factors as it deems appropriate based on the Company’s current needs. These factors may include diversity, age, skills, decision-making ability, inter-personal skills, experience with businesses and other organizations of comparable size, community activities and relationships, and the interrelationship between the candidate’s experience and business background, and other Board members’ experience and business background. The Board may also consider whether such candidate would be considered “independent,” as such term is defined in the Nasdaq Stock Market’s listing standards, as well as the candidate’s ability to devote the required time and effort to serve on the Board.

The Board will consider for nomination by the Board director candidates recommended by stockholders if the stockholders comply with the following requirements. Under our By-Laws, if a stockholder wishes to nominate a director at the Annual Meeting, we must receive the stockholder’s written notice not less than 60 days nor more than 90 days prior to the date of the annual meeting, unless we give our stockholders less than 70 days’ notice of the date of our Annual Meeting. If we provide less than 70 days’ notice, then we must receive the stockholder’s written notice by the close of business on the 10th day after we provide notice of the date of the Annual Meeting. The notice must contain the specific information required in our By-Laws. A copy of our By-Laws may be obtained by writing to the Corporate Secretary. If we receive a stockholder’s proposal within the time periods required under our By-Laws, we may choose, but are not required, to include it in our proxy statement. If we do, we may tell the other stockholders how the Board recommends that stockholders vote on the proposal, and how we intend to use our discretionary authority to vote on the proposal. All proposals should be made in writing and sent via registered, certified or express mail, to our executive offices, 1500 Cordova Road, Suite 302, Fort Lauderdale, Florida 33316, Attention: Corporate Secretary.

## CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

The following is a summary of transactions, since January 1, 2015, to which we have been a party, in which the amount involved exceeded the lesser of \$120,000 or 1% of the average of our total assets at December 31, 2015 and December 31, 2016, and in which any of our directors, executive officers, beneficial holders of more than 5% of our capital stock or certain other related persons had or will have a direct or indirect material interest. For information regarding the Purchase Agreement to which Mr. Egan and entities controlled by Mr. Egan are parties, see the sections of this Information Statement entitled “*Introduction*” and “*Change in Control*.”

### Stock Ownership Relationships

Certain directors of the Company also serve as officers and directors of, and own controlling interests in, Dancing Bear, E&C, E&C II, Registry Management, Tralliance Registry Management, Labigroup and License Holdings. Dancing Bear, E&C and E&C II are stockholders of the Company, are entities controlled by Mr. Egan, and are Sellers under the Purchase Agreement.

### Registry Management Purchase Transaction

On September 29, 2008, the Company (i) sold the business and substantially all of the assets of Tralliance, the Company’s subsidiary, to Tralliance Registry Management and (ii) issued 229,000,000 shares of its Common Stock (the “**Registry Management Shares**”) to Registry Management (the “**Registry Management Purchase Transaction**”). Tralliance Registry Management and Registry Management are entities directly or indirectly controlled by Mr. Egan, our Chairman and Chief Executive Officer and principal stockholder prior to the Closing, and each of our two remaining executive officers and Board members prior to the Closing, Mr. Cespedes, our President, and Ms. Lebowitz, our Vice President of Finance, own a minority interest in Registry Management. After giving effect to the closing of the Registry Management Purchase Transaction and the issuance of the Registry Management Shares thereunder, Mr. Egan beneficially owned approximately 76% of the Company’s Common Stock and is expected to continue to beneficially own such amount until the Closing.

In connection with the Registry Management Purchase Transaction, the Company received (i) forgiveness of debt consideration totaling approximately \$6,400,000, and (ii) an earn-out equal to 10% (subject to certain minimums) of Tralliance Registry Management’s “net revenue” (as defined in the agreement governing the earn-out) derived from “.travel” names registered by Tralliance Registry Management from September 29, 2008 through May 5, 2015 (the “**Earn-out**”). The final prorated Earn-out payment was received by the Company in May 2015 and the Earn-out agreement has now expired. The minimum Earn-out payable by Tralliance Registry Management to the Company was

\$300,000 in the first year of the Earn-out agreement, and increased by \$25,000 in each subsequent year (pro-rated for the final year of the Earn-out). During 2015, the Company received Earn-out installment payments totaling \$149,625 from Tralliance Registry Management, which were recorded as Related Party Other Income in our Consolidated Statements of Operations for such year. The Company did not receive any Earn-out installment payment from Tralliance Registry Management for 2016.

#### Services Agreement

In connection with the closing of the Registry Management Purchase Transaction, the Company also entered into the Services Agreement with Dancing Bear, an entity which is controlled by Mr. Egan. Under the terms of the Services Agreement, for a fee of \$20,000 per month (\$240,000 per annum), Dancing Bear provides personnel and services to the Company so as to enable it to continue its existence as a public company without the necessity of any full-time employees of its own. The Services Agreement had an initial term of one year and was renewed for additional one year terms during 2009 through 2017.
