Proxy Statement

For the Annual Meeting of Stockholders

To Be Held on May 30, 2018

This Proxy Statement contains information relating to our Annual Meeting to be held on May 30, 2018 beginning at 10:00 a.m. Pacific Standard Time, at the Truett-Hurst Winery located at 5610 Dry Creek Road, Healdsburg, CA 95448, and at any postponements or adjournments of the annual meeting. Your proxy for the Annual Meeting is being solicited by our Board of Directors (the "Board").

About the Annual Meeting and Voting

Purposes — At the Annual Meeting, you will be asked:

1.

To re-elect Class II directors, Messrs. Phillip L. Hurst, Paul E. Dolan, III, Daniel A. Carroll and Marcus Benedetti, to serve for three years and until their successors have been duly elected and qualified.

2.

To ratify the appointment of BPM LLP as our independent registered public accounting firm for the fiscal year ending June 30, 2018.

3.

To transact any other business that may properly come before the Annual Meeting or any adjournment of the Annual Meeting.

The Board knows of no other matters to be presented for action at the Annual Meeting. If any other matters properly come before the Annual Meeting, however, the persons named in the proxy will vote on such other matters in accordance with their best judgment.

Record Date; Stockholders Entitled to Vote — Only holders of record of our Class A common stock and Class B common stock at the close of business on April 30, 2018, the record date, will be entitled to vote at the Annual Meeting or any adjournment thereof. Each share of common stock will be entitled to one vote. As of the record date, 4,496,383 shares of our Class A common stock and six (6) shares of our Class B common stock were outstanding and entitled to vote. Holders of our Class A common stock and Class B common stock will vote as a single class on all matters discussed in this Proxy Statement.

Quorum — A majority of the voting power of the outstanding shares of Class A common stock and Class B common stock are entitled to vote, represented in person or by proxy, will be required to constitute a quorum for the Annual Meeting. Shares of common stock held by persons attending the annual meeting but not voting, shares represented by proxies that reflect abstentions as to a particular proposal and broker "non-votes," if any, will be counted as present for purposes of determining a quorum.

Vote Required — The following proposals require your vote:

For Proposal No. 1, the affirmative vote of a majority of the shares represented in person or by proxy at the Annual Meeting and entitled to vote is required to approve each named director standing for election or re-election at the Annual Meeting. If stockholders withhold their votes, including brokers holding their clients' shares of record who cause withheld votes to be recorded, these shares will be considered present and entitled to vote at the Annual Meeting and will be counted towards determining whether a quorum is present. Withheld votes and broker non-votes (as defined below) will not be treated as votes cast with regard to Proposal No. 1.

For Proposal No. 2, the affirmative vote of a majority of the shares represented in person or by proxy at the Annual Meeting and entitled to vote is required for the ratification of the selection of BPM LLP, as our independent registered public accounting firm for the year ending June 30, 2018. Abstentions will have the same effect as voting against this proposal. Brokers generally have discretionary authority to vote on the ratification of our independent auditors, and thus broker non-votes are generally not expected to result from the vote on Proposal 2. Accordingly, any broker non-votes would not have any effect on the outcome of this proposal.

TABLE OF CONTENTS

A representative of American Stock Transfer & Trust Company, LLC, our transfer agent, will tabulate the votes.

Dissenters' Rights — No dissenters' rights are provided under the Delaware General Corporation Law, our Amended and Restated Certificate of Incorporation or our bylaws with respect to any of the proposals described in this Proxy Statement.

Board Recommendation — Our Board has unanimously approved and recommends that an affirmative vote be cast "FOR" each director standing for election or re-election, and "FOR" the ratification of the selection of BPM LLP, as our independent registered public accounting firm.

Voting Your Shares — If you are a registered stockholder, you may submit your proxy by U.S. Mail, internet or telephone and following the instructions in the proxy card. The deadline for submitting your proxy by internet or telephone is 11:59 a.m. Pacific Time the day before the Annual Meeting date. The designated proxy will vote according to your instructions. You may also attend the annual meeting and vote in person.

If you are a street name or beneficial stockholder because your shares are held in a brokerage account or by a bank or other nominee, your broker or nominee firm will provide you with instructions that you must follow in order to have your shares voted. Your broker, bank or other nominee may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction form provided by your broker, bank or other nominee that accompanies this Proxy Statement. If you wish to change your voting instructions after you have returned a voting instruction form to your broker, bank or other nominee, you must contact your broker, bank or other nominee.

If you sign and submit your proxy without specifying how you would like your shares voted, your shares will be voted in accordance with the Board of Director's recommendations specified below and in accordance with the discretion of the proxy holders with respect to any other matters that may be voted upon at the annual meeting.

Changing Your Vote by Revoking Your Proxy — If you are a registered stockholder, you may revoke or change your vote at any time before the proxy is voted by filing with our Secretary either a written notice of revocation or a duly executed proxy bearing a later date. If you attend the annual meeting in person, you may ask the judge of elections to suspend your proxy holder's power to vote and you may submit another proxy or vote by ballot. Your attendance at the annual meeting will not by itself revoke a previously granted proxy.

If your shares are held in street name or you hold shares through a retirement or savings plan or other similar plan, please check your voting instruction card or contact your broker, nominee, trustee or administrator to determine whether you will be able to revoke or change your vote.

Written notices of revocation and other communications with respect to the revocation of proxies should be addressed to:

Truett-Hurst, Inc.
P.O. Box 1532
Healdsburg, CA, 95448
Attention: Corporate Secretary

Voting in Person

Broker Non-Votes — Under the rules that govern brokers who have record ownership of shares that they hold in "street name" for their clients who are the beneficial owners of the shares, brokers normally have discretion to vote such shares on routine matters, such as ratifications of independent registered public accounting firms, but not on non-routine matters. Broker non-votes generally occur when shares held by a broker nominee for a beneficial owner are not voted on a proposal because the broker nominee has not received voting instructions from the beneficial owner and lacks discretionary authority to vote the shares. We urge you to provide instructions to your broker so that your votes may be counted on this important matter.

TABLE OF CONTENTS

Adjournment of Annual Meeting

If a quorum is not present to transact business at the Annual Meeting or if we do not receive sufficient votes in favor of the proposals by the date of the Annual Meeting, the persons named as proxies may propose one or more adjournments of the Annual Meeting to permit solicitation of additional proxies. The chairperson of the Annual Meeting shall have the power to adjourn the Annual Meeting.

Assistance

If you need assistance in voting over the Internet or completing your proxy card or have questions regarding the annual meeting, please contact Investor Relations at 707.431.4423 or ir@truettthurstinc.com or write to: Truett-Hurst, Inc., P.O. Implications of being an “emerging growth company”

We are an “emerging growth company,” as defined in the Jumpstart Our Business Startups Act, enacted on April 5, 2012 (the “JOBS Act”). For as long as we are an “emerging growth company,” we may take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not “emerging growth companies,” including, but not limited to, not being required to comply with the auditor attestation requirements of Section 404(b) of the Sarbanes Oxley Act of 2002, reduced disclosure obligations regarding executive compensation in our periodic reports and proxy statements, and exemptions from the requirements of holding stockholder advisory “say-on-pay” votes on executive compensation and stockholder advisory votes on golden parachute compensation.

Under the JOBS Act, we will remain an “emerging growth company” until the earliest of:

- the last day of the fiscal year during which we have total annual gross revenues of \$1 billion or more;
- the last day of the fiscal year following the fifth anniversary of our initial public offering, which is June 30, 2018;
- the date on which we have, during the previous three-year period, issued more than \$1 billion in non-convertible debt; and
- the date on which we are deemed to be a “large accelerated filer” under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) (we will qualify as a large accelerated filer as of the first day of the first fiscal year after we have (i) more than \$700 million in outstanding common equity held by our non-affiliates and (ii) been public for at least 12 months; the value of our outstanding common equity will be measured each year on the last day of our second fiscal quarter).

You should rely only on the information provided in this Proxy Statement. We have not authorized anyone to provide you with different or additional information. You should not assume that the information in this Proxy Statement is accurate as of any date other than the date of this Proxy Statement or, where information relates to another date set forth in this Proxy Statement, then as of that date.

PROPOSAL NO. 1 — RE-ELECTION OF DIRECTORS

Proposal No. 1 is the proposed re-election of four incumbent director nominees to each serve for a three year term as a Class II director with the term expiring at the 2020 annual meeting or until such director's earlier death, resignation or removal.

Pursuant to our Amended and Restated Certificate of Incorporation, the Board is divided into three classes, designated as Class I, Class II and Class III, the terms of which expire alternately over a three-year period. At each annual meeting of stockholders, successors to directors whose terms expire at that meeting will be elected for three-year terms. Our Board is currently divided into the following classes: Class I directors consist of Mr. Barrie Graham and Mr. Spencer Grimes; Class II directors consist of Mr. Phillip L. Hurst, Mr. Paul E. Dolan, III, Mr. Daniel A. Carroll, and Mr. Marcus Benedetti; and Class III directors consist of Ms. Gerry Hansen.

Our bylaws provide that our Board shall be comprised of not less than five nor more than nine directors, with the exact number to be fixed by resolution of the Board. The Board is currently comprised of seven directors. The Board periodically reviews the appropriate size of the Board. The Board sets its size so that the Board will possess, in the aggregate, the strategic, managerial and financial skills and experience necessary to fulfill its duties and to achieve its objectives and to maintain a sufficient number of independent directors.

Based on the recommendation of the Nominating and Governance Committee, the Board has nominated Mr. Hurst, Mr. Dolan, Mr. Carroll and Mr. Benedetti, currently Class II directors, for re-election to the Board. The Board believes that the re-election of Mr. Hurst, Mr. Dolan, Mr. Carroll and Mr. Benedetti is important to the future success of our company and is in the best interests of all of our stockholders. Information regarding the business experience of each nominee and the particular experience, qualifications, attributes, or skills that qualify that person to serve as a director of the Company is provided below.

Class III and Class I directors will stand for re-election or election at the 2018 and 2019 annual meetings of stockholders, respectively. Unless otherwise provided by law, any vacancy on the Board, including a vacancy created by an increase in the authorized number of directors, may only be filled by the affirmative vote of a majority of the remaining directors then in office, although less than a quorum. Any director elected in accordance with the preceding sentence shall hold office until the next election of the class for which such director shall have been chosen and until his or her successor shall be elected and qualified, or his or her earlier death, resignation or removal.

If re-elected at the Annual Meeting, each nominee will serve for three years and until his successor is duly elected and qualified, or until such director's earlier death, resignation or removal. If any nominee is unable or unwilling to be a candidate for election by the time of the Annual Meeting (a contingency which the Board does not expect to occur), the stockholders may vote for a substitute nominee chosen by the present Board to fill the vacancy. In the alternative, the stockholders may vote for just the remaining nominee or nominees, leaving a vacancy or vacancies that may be filled at a later date by the Board. Alternatively, the Board may reduce the size of the Board.

Criteria for Nomination to the Board

Director Qualifications

There are no specific, minimum qualifications that the Board shall require to be met by a director nominee recommended for membership on the Board, nor are there any specific qualities or skills that are necessary for one or more of the Company's directors to possess, other than as are necessary to meet any requirements under rules and regulations (including any stock exchange rules) applicable to the Company. Notwithstanding the foregoing, the Nominating and Governance Committee assessment of the nominees included consideration of the following minimum qualifications:

- nominees must have experience at a strategic or policy making level in a business, government, non-profit or academic organization of high standing;

TABLE OF CONTENTS

- nominees must be highly accomplished in their respective field, with superior credentials and recognition;
- nominees must be well regarded in the community and shall have a long-term reputation for the highest ethical and moral standards;
- nominees must have sufficient time and availability to devote to the affairs of the Company;
- nominees must be free of conflicts of interest and potential conflicts of interest, in particular with relationships with other Boards; and
- nominees must, to the extent such nominee serves or has previously served on other Boards, demonstrate a history of actively contributing at Board meetings.

The Board seeks members from diverse professional backgrounds who combine a broad spectrum of relevant industry and strategic experience and expertise that, in concert, offer us and our stockholders diversity of opinion and insight in the areas most important to us and our corporate mission. Candidates for director nominee who do not meet all of these criteria may still be considered for nomination to the Board, if the Nominating and Governance Committee believes that the candidate will make an exceptional contribution to us and our stockholders. The Nominating and Governance Committee considers diversity in evaluating candidates for director with respect to the contribution that individual diversity of professional skills and experiences makes to overall Board effectiveness. Certain information is given below for the nominees for directors, directors standing for re-election and for each director whose term of office will continue after the Annual Meeting.

Process for Identifying and Evaluating Director Nominees

The Board delegates the selection and nomination process to the Nominating and Governance Committee, with the expectation that other members of the Board, and of management, will be requested to take part in the process as appropriate.

Generally, the Nominating and Governance Committee identifies candidates for director nominee in consultation with management, through the use of search firms or other advisors, through the recommendations submitted by stockholders or through such other methods as the Nominating and Governance Committee deems to be helpful to identify candidates. The Nominating and Governance Committee may gather information about the candidates through interviews, detailed questionnaires, comprehensive background checks or any other means that the Nominating and Governance Committee deems to be helpful in the evaluation process. The Nominating and Governance Committee then meets as a group to discuss and evaluate the qualities and skills of each candidate, both on an individual basis and taking into account the overall composition and needs of the Board. Based on the results of the evaluation process, the Nominating and Governance Committee recommends candidates for the Board's approval as director nominees for election to the Board. The Nominating and Governance Committee also recommends candidates to the Board for appointment to the committees of the Board.

Nominees Standing for Election and Re-election as Class II Directors

Upon the unanimous recommendation of the Nominating and Governance Committee, the Board has unanimously nominated the following nominees for re-election and election, respectively, as director at the Annual Meeting:

Each year the Board and the Audit, Compensation, and Nominating and Governance committees complete an internal self-evaluation. The self-evaluations are discussed within each committee and then by the Board as a whole, including any areas for improvement.

Board Committees

Our Board has established an Audit Committee, a Compensation Committee and Nominating and Governance Committee, which have the composition and responsibilities described below. Each committee operates under a charter that has been approved by the Board and current copies of these charters are posted on our website, <https://www.truettthurstinc.com/corporate-governance/>. The information on our website is not incorporated by reference and is not part of this Proxy Statement.

Audit Committee

We have a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. Our Audit Committee is composed of Marcus Benedetti, Daniel A. Carroll and Gerry Hansen. All are non-employee members of our Board. Gerry Hansen is our Audit Committee chairwoman. Ms. Hansen is considered an “audit committee financial expert,” as currently defined under the SEC and NASDAQ rules. Our Board has determined that Mr. Benedetti, Mr. Carroll, and Ms. Hansen are independent within the meaning of the applicable SEC rules and the listing standards of NASDAQ.

Our Audit Committee oversees our corporate accounting and financial reporting process. Among other matters, the Audit Committee evaluates the independent registered public accounting firm’s qualifications, independence and performance; determines the engagement of the independent registered public accounting firm; reviews and approves the scope of the annual audit and the audit fee; discusses with management and the independent registered public accounting firm the results of the annual audit and the review of our quarterly financial statements; approves the retention of the independent registered public accounting firm to perform any proposed permissible non-audit services; monitors the rotation of partners of the independent registered public accounting firm on our engagement team as required by law; reviews our critical accounting policies and estimates; and will annually review the Audit Committee charter and the committee’s performance. The Audit Committee operates under a written charter adopted by the Board that satisfies the applicable standards of NASDAQ.

Compensation Committee

Our Compensation Committee is composed of Marcus Benedetti, Barrie Graham and Gerry Hansen. Mr. Graham is our Compensation Committee chairman.

Our Compensation Committee reviews and recommends policies relating to the compensation and benefits of our officers. The Compensation Committee reviews and approves corporate goals and objectives relevant to the compensation of our chief executive officer and other executive officers, evaluates the performance of these officers in light of those goals and objectives, and makes recommendations to the Board regarding compensation of these officers based on such evaluations. The Compensation Committee

will administer the issuance of stock options and other awards under our stock plans. The Compensation Committee reviews and evaluates, at least annually, its own performance. The Compensation Committee operates under a written charter adopted by the Board that satisfies the applicable standards of NASDAQ.

Compensation Committee Interlocks and Insider Participation

Our Company was formed as a Delaware corporation on December 10, 2012. Pursuant to a re-organization into a holding corporation structure, we became a holding corporation and our sole asset is a managing member's equity interest in the LLC. We operate and control all of the businesses and affairs of the LLC and, through the LLC, continue to conduct our business.

None of our executive officers currently serves or in the past year has served as a member of the Board or Compensation Committee of any other entity that has one or more executive officers serving on our Board.

Historically, the following managing members of the LLC participated in deliberations regarding the compensation of the LLC's executive officers: Phillip L. Hurst, Paul E. Dolan, III, Heath E. Dolan, Barrie Graham and Daniel A. Carroll.

Nominating and Governance Committee

Our Nominating and Governance Committee is composed of Daniel A. Carroll, Barrie Graham and Spencer Grimes, and Mr. Carroll is our Nominating and Governance Committee chairman. Our Nominating and Governance Committee is responsible for making recommendations regarding candidates for directorships and the size and the composition of our Board. In addition, the Nominating and Governance Committee is responsible for overseeing our corporate governance principles and making recommendations concerning governance matters. The Nominating and Governance Committee operates under a written charter adopted by the Board that satisfies the applicable standards of NASDAQ.

The Nominating and Governance Committee's purpose is to monitor and oversee matters of corporate governance, including the evaluation of the Board's performance and processes and the "independence" of directors, and select, evaluate and recommend to the Board qualified candidates for election or appointment to the Board. The Nominating and Governance Committee identifies director candidates through recommendations made by members of the Board, management, stockholders and others, including the possibility of a search firm. The Nominating and Governance Committee does consider nominations from its stockholders made pursuant to Section 2.10 of our bylaws. The applicable procedures from Section 2.10 of our bylaws include, but are not limited to, the following. Stockholders wishing to submit nomination recommendations to the Nominating and Governance Committee should review Section 2.10 of our bylaws in their entirety as the below summary is incomplete.

- Timeliness. To be timely, notice by the stockholder must be delivered to the Secretary at the Corporation's principal executive offices not later than 90 days prior to the date of the annual meeting.

- Substance of Notice. The stockholder's notice relating to director nomination(s) must set forth, among other things more fully discussed in Section 2.10 of our bylaws, the following:

as to each person whom the stockholder proposes to nominate for election or re-election as a director, (i) the name, age, business address and residence address of the person, (ii) the principal occupation or employment of the person, (iii) the class and number of shares of the Corporation which are beneficially owned by the person, (iv) a statement whether such person, if elected, intends to tender a resignation effective upon such person's failure to receive the required vote for re-election at the next meeting at which such person would face re-election and upon acceptance of such resignation by the Board and (v) any other information relating to the person that is required to be disclosed in solicitations for proxies for election of directors pursuant to Regulation 14A under the Exchange Act; and

as to the stockholder giving the notice, (i) the name and record address of the stockholder, and (ii) the class and number of shares of the Corporation which are beneficially owned by the stockholder.

TABLE OF CONTENTS

At a minimum, a Board nominee should have significant management or leadership experience which is relevant to the Company’s business, as well as personal and professional integrity. The Board believes it is in the best interest of the Company and its stockholders to identify and select highly-qualified candidates to serve as directors and for the Board to be comprised of a diverse group of individuals with different backgrounds and perspectives.

Recommendations are developed based on the nominee’s own knowledge and experience in a variety of fields, and research conducted by the Company’s staff at the Nominating and Governance Committee’s direction.

Board Meetings and Attendance

There were seven meetings held by the Board for the fiscal year ended June 30, 2017. The Audit Committee had five meetings, the Compensation Committee had one meeting and the Nominating & Governance Committee did not meet for the fiscal year ended June 30, 2017. The Board requires that directors make a reasonable effort to attend the Company’s annual stockholder meeting.

Director Compensation

Board Role in Risk Oversight

Our Board as a whole has responsibility for overseeing our risk management. The Board exercises this oversight responsibility directly and through its committees. The oversight responsibility of the Board and its committees is informed by reports from our management team that are designed to provide visibility to the Board about the identification and assessment of key risks and our risk mitigation strategies. The full Board has primary responsibility for evaluating strategic and operational risk management, and succession planning. Our Audit Committee has the responsibility for overseeing our major financial and accounting risk exposures and the steps our management has taken to monitor and control these exposures, including policies and procedures for assessing and managing risk. Our Audit Committee also reviews programs for promoting and monitoring compliance with legal and regulatory requirements. Our Compensation Committee evaluates risks arising from our compensation policies and practices. The Audit Committee and the Compensation Committee provide reports to the full Board regarding these and other matters.

Director Compensation

Under our current director compensation program, we provide compensation to our directors who are not employed by us or any of our subsidiaries (referred to herein as “non-employee directors”) as follows:

Annual Retainer	\$ 15,000
Quarterly Meeting Fee	\$2,500 per meeting
Audit Committee Chair Retainer	\$ 10,000
Compensation Committee Chair Retainer	\$ 5,000
Nominating and Governance Committee Chair Retainer	\$ 5,000

These retainers and fees are paid to the non-employee directors solely in the form of restricted stock units that generally vest over a one-year period following the date of grant. The non-employee director awards are typically granted in or around December each year. Non-employee directors may also be reimbursed for travel, food, lodging and other expenses directly related to their activities as directors.

Under our director compensation program in effect for fiscal 2017, retainer and meeting fees for Messrs. Benedetti, Fruth, Graham, and Weber were granted in the form of restricted stock units in April 2017, with the applicable dollar amounts being converted to shares based on the closing price of our common stock on the grant date. Each of these awards vested on December 24, 2017. The other non-employee directors declined to receive any award grants for fiscal 2017.

Directors who also serve as employees receive no additional compensation for their service as directors. During the fiscal year ended June 30, 2017, Mr. Hurst, our President and Chief Executive Officer, was our employee as well as a member of the Board of Directors and thus received no additional compensation for service as a director. See the section titled “Executive Compensation” below for more information about Mr. Hurst’s compensation for the fiscal year ended June 30, 2017.

Executive Compensation

Compensation Discussion and Analysis

Our executive compensation program is straightforward. We provide our executives with an annual base salary as a fixed, stable form of compensation and an annual cash bonus opportunity to create additional performance incentives for our executives. We also from time to time grant our executives equity-based awards to provide an additional incentive to grow our business and further link the interests of our executives with those of our stockholders. Our Compensation Committee reviews our executive officers' overall compensation packages on an annual basis or more frequently as it deems warranted.

As an emerging growth company, we have opted to comply with the executive compensation disclosure rules applicable to "smaller reporting companies" (as such term is defined under applicable securities laws). These rules require that we disclose the compensation for our principal executive officer and our two most highly compensated executive officers other than our principal executive officer. In certain cases, disclosure may also be required for individuals who served as executive officers for a portion of the fiscal year but were not serving as executive officers at the end of the year.

TABLE OF CONTENTS

The table below sets forth the annual compensation for services rendered during fiscal 2016 and 2017 by Phillip L. Hurst, our President and Chief Executive Officer, Evan B. Meyer, our former Chief Financial Officer, and Paul Forgue, our former Chief Financial Officer and Chief Operations Officer. These individuals are referred to as our “named executive officers.”

(1)

This option was 25% vested on the grant date and vests as to the remaining 75% of the option in four annual installments, with the first installment vesting on October 26, 2017.

(2)

Mr. Forgue terminated employment with the Company on October 3, 2016.

Executive Employment and Severance Agreements

We entered into an offer letter with Mr. Meyer in September 2016 that provided for him to receive an initial base salary of \$275,000 and an annual bonus of 20% of the bonus pool established each year under our executive bonus plan described below. The letter also provided for Mr. Meyer to receive a grant of 70,000 stock options upon joining the Company. If a majority interest in the Company was sold and Mr. Meyer's employment was terminated due to the sale within the first 18 months of his employment with the Company, he would be entitled to severance equal to 12 months of his initial base salary.

Executive Bonus Plan

We provide our named executive officers the opportunity to receive a cash incentive bonus each fiscal year under our executive bonus plan. Under the plan, a bonus pool equal to 50% of our net income for the fiscal year (up to a maximum pool amount of \$500,000) is established, and each participant in the plan is entitled to receive a specified percentage of the pool, subject to the participant's continued employment with the Company in good standing through the bonus payment date. For fiscal 2017, Mr. Hurst was eligible to receive a 25% share of this bonus pool, and Mr. Meyer was eligible to receive a 20% share of this bonus pool pursuant to his offer letter described above. The Company determined that no bonuses would be awarded under the plan for fiscal 2017 as the Company did not have positive net income for the year.

Equity Incentive Plan

From time to time, the Company grants equity incentive awards to our named executive officers and other selected employees. Such awards are granted under, and are subject to, the terms of the Company's 2012 Stock Incentive Plan (the "2012 Plan"). The 2012 Plan is administered by the Compensation Committee of our Board of Directors. The Compensation Committee has authority to interpret the plan provisions and make all required determinations under the 2012 Plan (including making appropriate adjustments to reflect stock splits and similar events). Employees, directors and consultants of the Company and its subsidiaries and affiliates are eligible for award grants under the 2012 Plan. Awards of stock options, stock appreciation rights, restricted stock, restricted stock units and other awards may be granted under the plan.

Awards granted under the 2012 Plan are generally only transferable to a beneficiary of a named executive officer upon his death. However, the Compensation Committee may establish procedures for the transfer of awards to other persons or entities, provided that such transfers comply with applicable securities laws and, with limited exceptions set forth in the plan document, are not made for value.

14

TABLE OF CONTENTS

Under the terms of the 2012 Plan, if there is a change in control of the Company, outstanding awards granted under the plan (including awards held by our named executive officers) will generally terminate unless the Compensation Committee provides for the substitution, assumption, exchange or other continuation of the outstanding awards. The Compensation Committee has discretion to provide for outstanding awards to become vested in connection with the change in control transaction.

In October 2016, we granted Mr. Meyer an option under the 2012 Plan with respect to 70,000 shares of our common stock in connection with his commencing employment as our Chief Financial Officer. The option has a per-share exercise price of \$1.64, has a maximum term of 10 years (subject to early termination in connection with a termination of Mr. Meyer's employment or a change in control of the Company), and vested 25% upon grant and, as to the remaining 75% of the option, vests in four annual installments as measured from the grant date.

We did not grant any other stock options or equity awards to any of the named executive officers during fiscal 2017.

In July 2017, we granted Mr. Meyer 50,000 options with an exercise price of \$2.08 per share and a maximum term of 10 years (subject to early termination in connection with a termination of Mr. Meyer's employment or a change in control of the Company). The option was 25% vested upon grant, and the remaining 75% vests in three annual installments thereafter. In October 2017, we granted Mr. Meyer an award of 10,000 restricted stock units that vests in four annual installments and an award of 50,000 restricted stock units that vests if a change in control of the Company occurs during Mr. Meyer's employment with the Company. Each unit represents the right to receive a share of the Company's common stock upon vesting of the unit.

Other Benefits

The named executive officers are entitled to participate in the Company's health and welfare plans on the same terms as other employees generally. We do not maintain any retirement plan for our employees. We also do not provide any material perquisites to our executives, other than a car allowance of \$900 per month to Mr. Hurst and certain housing benefits as we deem appropriate from time to time.

We also provide all full-time employees, including our named executive officers, with the opportunity to participate in a defined contribution 401(k) plan. Our 401(k) plan is intended to qualify under Section 401 of the Internal Revenue Code so that employee contributions and income earned on such contributions are not taxable to employees until withdrawn. Employees may elect to defer a percentage of their eligible compensation (not to exceed the statutorily prescribed annual limit) in the form of elective deferral contributions to our 401(k) plan. Our 401(k) plan also has a "catch-up contribution" feature for employees aged 50 or older (including those who qualify as "highly compensated" employees) who can defer amounts over the statutory limit that applies to all other employees. Currently, we make matching contributions of 25% of an employee's deferrals up to 4% of the employee's eligible compensation under the plan.

Separation Agreement

As noted above, Mr. Meyer's employment with the Company terminated effective March 30, 2018. In connection with his termination, the Company and Mr. Meyer entered into a separation agreement that provides for him to receive a cash severance payment of \$144,500, to be paid in two monthly installments, and payment of his COBRA premiums for continuation of health benefits for up to six months. In addition, Mr. Meyer's outstanding equity-based awards granted by the Company that were unvested on the date of his termination became fully vested and, in the case of options, exercisable. The separation agreement also includes Mr. Meyer's release of claims and certain other covenants in favor of the Company.

Equity Compensation Plan Information

We currently maintain the 2012 Stock Incentive Plan (the “2012 Plan”), which has been approved by our stockholders. The following table sets forth information with respect to the 2012 as of June 30, 2017.

Plan Category	(a) Number of Securities to be Issued Upon Exercise of Outstanding Options, Warrants and Rights	(b) Weighted Average Exercise Price of Outstanding Options, Warrants, and Rights	(c) Number of Securities Remaining Available for Future Issuance Under Equity Compensation Plans (Excluding Securities Reflected in Column (a))

Plan Not Approved by Stockholders	—	—	—
Totals	250,966	\$ 1.67	481,486

(1)

215,000 of these shares were subject to stock options then outstanding under the 2012 Plan, and 35,966 of these shares were to subject to restricted stock unit awards outstanding under the 2012 Plan. The weighted-average exercise price presented in column (b) of the table above does not take restricted stock unit awards into account.

(2)

All of these shares were available for issuance under the 2012 Plan. The shares available under the 2012 Plan may be used for any type of award authorized under the 2012 Plan, including stock options, stock appreciation rights, stock awards, restricted stock, restricted stock units and other awards payable in shares of our common stock.

Limitations of Liability and Indemnification Matters

Our certificate of incorporation and our bylaws provide that we shall indemnify our directors and executive officers and shall indemnify our other officers and employees and other agents to the fullest extent permitted by law. We believe that indemnification under our bylaws covers at least negligence and gross negligence on the part of indemnified parties. Our bylaws also permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in this capacity, regardless of whether our bylaws would permit indemnification.

We believe that these provisions are necessary to attract and retain qualified persons as directors and executive officers. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling our company pursuant to the foregoing provisions, the opinion of the SEC is that such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

In addition, we maintain standard policies of insurance under which coverage is provided to our directors and officers against loss arising from claims made by reason of breach of duty or other wrongful act, and to us with respect to payments which may be made by us to such directors and officers pursuant to the above indemnification provisions or otherwise as a matter of law. We also make available standard life insurance and accidental death and disability insurance policies to our employees.

Security Ownership of Certain Beneficial Owners and Management

The following table sets forth certain information regarding beneficial ownership of the Class A and Class B common stock as of March 15, 2018 (i) by each person who is known by us to beneficially own more than 5% of the

outstanding shares of our Class A common stock, (ii) by each of our directors, (iii) by each of our named executive officers, and (iv) by all directors and executive officers as a group.

The table is based upon information supplied by directors, officers and principal stockholders. Applicable percentage ownership for each stockholder is based on 4,496,383 shares of Class A common stock and six (6) shares of Class B Common Stock, outstanding as of March 15, 2018, together with applicable vested restricted stock units for such stockholders. Beneficial ownership is determined in accordance with the SEC rules and generally includes voting or investment power with respect to securities,

PROPOSAL NO. 2 — RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Background

The Audit Committee of our Board has selected BPM LLP, as our independent registered public accountants for the year ending June 30, 2018, and has further directed that management submit the selection of independent registered public accountants for ratification by the stockholders at the annual meeting. A representative of BPM LLP is expected to be present at the annual meeting and will have an opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

If the stockholders fail to ratify the selection of BPM LLP as our independent registered public accountants for the year ending June 30, 2018, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of us and our stockholders.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR”

THE RATIFICATION OF BPM LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING JUNE 30, 2018.

POLICIES AND PROCEDURES REGARDING RELATED PARTY TRANSACTIONS
AND DIRECTOR INDEPENDENCE

Our Board reviews related party transactions for potential conflict of interest issues. Our Board has adopted a written related party transaction policy to set forth the policies and procedures for the review and approval or ratification of related person transactions. This policy covers any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships in which we were or are to be a participant, the amount involved exceeds \$120,000 and a related person had or will have a direct or indirect material interest, including, without limitation, purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness, guarantees of indebtedness or employment by us or a related person.

Grape and Bulk Wine Agreements

We enter into grape and bulk wine purchase agreements from time to time with entities in which our executives and/or founders have financial interests. We have entered into such arrangements with:

- Ghianda Rose Vineyard, which is owned by Diana Fetzer, wife of Paul E. Dolan, III, a member of our Board.
- Gobbi Street Vineyards, which is partly owned by Diana Fetzer and Paul E. Dolan, III's daughter, Nya Kusakabe.
- Dark Horse Farming Company, which is owned by Paul E. Dolan, III (75%), and Heath E. Dolan (25%).
- Premium Wine Storage, which is owned by Paul E. Dolan, III (33%) and Heath E. Dolan (33%).

We believe these arrangements reflect substantially the same market terms we would receive in transactions with unaffiliated third parties. However, if we fail to receive market terms for these transactions or other similar transactions in the future, our profits could be reduced.

During the fiscal year 2017, payments of \$64K and \$188K to Dark Horse Farming Company, and Premium Wine Storage, respectively were made.

Security Agreements and Limited Guaranties

The bank borrowings are collateralized by substantially all of the Company's assets. Additionally, certain LLC members who are also executive officers and/or directors of the Company, as well as certain trusts and other entities under their control (together, the "Guarantors"), have entered into limited guarantee agreements which guarantee the payment to the bank of all sums presently due and owing and all sums which shall in the future become due and owing. The liability of the individual Guarantors ranges from 23% to 61% of the sum of all obligations due plus the costs, expenses and interest associated with the collection of amounts recoverable under the guaranties.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and officers, and persons who beneficially own more than ten percent (10%) of our common stock, who are hereinafter collectively referred to as the Reporting Persons, to file with the SEC reports of beneficial ownership and reports of changes in beneficial ownership of our common stock on Forms 3, 4 and 5. Reporting Persons are required by applicable SEC rules to furnish us with copies of all such forms filed with the SEC pursuant to Section 16(a) of the Exchange Act. To our knowledge, based solely on our review of the copies of the Forms 3, 4 and 5 received by us during the fiscal year ended June 30, 2017 and written representations that no other reports were required, we believe that all reports required to be filed by such persons with respect to the Company's fiscal year ended June 30, 2017, were timely filed, except that Barrie Graham and Marcus Benedetti filed a late Form 4 and Paul J. Weber and John D. Fruth failed to file a Form 4.

As required under the listing standards of NASDAQ, a majority of the members of the Board must qualify as “independent” as affirmatively determined by the Board. Our Board has affirmatively determined that the following four directors are independent within the meaning of the applicable NASDAQ listing standards: Messrs. Benedetti, Carroll, Graham and Grimes and Ms. Hansen.

Stockholder Proposals and Nominations

Proposals Pursuant to Rule 14a-8. Pursuant to Rule 14a-8 under the Exchange Act, stockholders may present proper proposals for inclusion in the proxy statement and for consideration at our next annual meeting of stockholders. To be eligible for inclusion in the 2018 proxy statement, your proposal must be received by us no later than December 8, 2018, and must otherwise comply with Rule 14a-8. While our Board of Directors will consider stockholder proposals, we reserve the right to omit from the proxy statement stockholder proposals that we are not required to include under the Exchange Act, including Rule 14a-8.

Other Proposals and Nominations. For proposals not made in accordance with Rule 14a-8, pursuant to Rule 14a-4(c), in order for a stockholder proposal to be presented at our meeting without it being included in our proxy materials, notice of such proposal must be delivered to our Corporate Secretary at our principal offices no later than December 8, 2018. If notice of any stockholder proposal is received after December 8, 2018, then the notice will be considered untimely and we are not required to present such proposal at the 2018 Annual Meeting, and then the persons named in proxies solicited by our Board of Directors for the 2018 Annual Meeting may exercise discretionary voting power with respect to such proposal. You may write to our Corporate Secretary at our principal executive offices, Truett-Hurst, Inc., P.O. Box 1532, Healdsburg, California 95448, and Attention: Corporate Secretary, to deliver the notices discussed above.

Proxy Solicitation Costs

The enclosed proxy is being solicited by the Board of the Company. We will bear the entire cost of solicitation of proxies on behalf of the Company, including preparation, assembly, printing and mailing of this Proxy Statement, the enclosed proxy card, the enclosed annual report for fiscal year ended 2017, coordination of the Internet and telephone voting process, and any additional information furnished to you by the Company. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of our common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by internet and mail may be supplemented by telephone, facsimile, or personal solicitation by our directors, officers or other regular employees.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (such as banks and brokers) to satisfy the delivery requirements for notices of annual meetings, proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies. This year, a single notice of the annual meeting of stockholders, or copy of the proxy statement and annual report, will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your bank or broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your bank or broker, and direct your written request to Truett-Hurst, Inc., P.O. Box 1532, Healdsburg, California 95448, Attention: Investor Relations, or contact Investor Relations by telephone at 707.431.4436. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their bank or broker.
