MINUTES of Meeting of the Arran Capital Raising Committee of the Board of Directors of THE ROYAL BANK OF SCOTLAND GROUP plc (the Company) held by telephone between 135 Bishopsgate, London and Gogarburn, Edinburgh on 3 October 2007.

PRESENT

Mr G R Whittaker, Group Finance Director (in the Chair) at Gogarburn, Edinburgh.

Mr J A N Cameron, Chief Executive, Corporate Markets at 135 Bishopsgate, London.

IN ATTENDANCE

Mr A W McKean, Assistant Secretary at Gogarburn, Edinburgh.

**ISSUE OF CATEGORY II
NON- CUMULATIVE
DOLLAR PREFERENCE
SHARES OF US\$0.01,
SERIES U**

The Arran Capital Raising Committee (the Committee) had been appointed at a meeting of the Board of Directors of the Company held on 16 September 2007 as a Committee of such Board with authority to approve the external issuance of up to £5,000,000,000 in aggregate (or a foreign currency equivalent thereof at the time of issue) of preference shares, capital securities or loan capital by the Company.

It was reported that the Company, acting on the advice of Merrill Lynch, Pierce, Fenner & Smith Incorporated, proposed to issue 15,000 Category II Non-cumulative Dollar Preference Shares of US\$0.01 each in the capital of the Company, to be designated Series U (the Series U Preference Shares) at a public offering price of US\$100,000 per Series U Preference Share plus accrued dividends, if any, since 4 October 2007 (with commissions to be deducted from the proceeds thereof payable to the Company), such Series U Preference Shares to be represented by American Depositary Shares (the ADSs) evidenced by American Depositary Receipts and that certain of the terms of issue of the Series U Preference Shares, by the terms of the Company s Articles of Association, were to be determined by the Committee prior to allotment thereof.

Mr McKean explained that it was proposed to issue the Series U Preference Shares into the United States market under the Form F-3 Shelf Registration Statement

Table of Contents

approved for filing with the United States Securities and Exchange Commission (the SEC) by the Board on 15 December 2004, filed with the SEC on 8 April 2005 and declared effective by the SEC on 25 April 2005 (the Shelf Registration Statement) and that in connection with such an issue it would be necessary to prepare a prospectus supplement (the Prospectus Supplement), supplemental to the base prospectus (the Prospectus) forming part of the Shelf Registration Statement. Mr McKean explained that the Series U Preference Shares would be offered to institutional, rather than retail, investors.

After due consideration, IT WAS RESOLVED THAT the Company should issue the Series U Preference Shares.

Mr McKean explained that the purpose of the meeting was to consider, and if thought fit, ratify (if applicable) and approve (1) the launch of the issue of the Series U Preference Shares; (2) the terms of issue of the Series U Preference Shares; (3) the various actions and documents related to the closing of the issue of the Series U Preference Shares; and (4) the use of funds separately available to the Company to subscribe for 15,000 Non-cumulative Dollar Preference Shares of US\$0.01 each in the capital of The Royal Bank of Scotland plc (RBS).

The Committee would consider, and if thought fit, approve each matter in turn.

LAUNCH OF ISSUE

It was noted that at the Annual General Meeting of the Company held on 20 April 2005 a further 71,000,000 Category II Non-cumulative Dollar Preference Shares were created and the Company's shareholders granted to the Directors the authority to allot all of the 71,000,000 newly created Category II Non-cumulative Dollar Preference Shares and the 179,500,000 authorised but unissued Category II Non-cumulative Dollar Preference Shares, such authority to expire on 20 April 2010.

Mr McKean confirmed that the UK Financial Services Authority (the FSA) had been notified of the issue of the Series U Preference Shares and it was anticipated that (subject to certain conditions) the Series U Preference Shares would be treated as forming part of non-innovative Tier 1 Capital.

Table of Contents

It was further noted that the issue of the Series U Preference Shares would provide the Company with additional funds to finance in part the cash portion of the offer for ABN AMRO Holding N.V. which is attributable to the Company, for its general corporate purposes, which may include the redemption or repurchase of outstanding securities (should all or part of the funds not be used for the purposes of such offer), and to strengthen the Company's capital base.

Accordingly, IT WAS RESOLVED:

- (a) THAT it was desirable and in the best interests of the Company that the Company issue the Series U Preference Shares, to be offered and sold in the United States pursuant to the Shelf Registration Statement and elsewhere and the Company hereby authorises and (where applicable) ratifies:
 - (i) the issue and sale of the Series U Preference Shares to be issued and sold by the Company to the underwriters of the issue, being Merrill Lynch, Pierce, Fenner & Smith Incorporated, Greenwich Capital Markets, Inc., Goldman, Sachs & Co., Lehman Brothers Inc., Banc of America Securities LLC and Wachovia Capital Markets, LLC, as representatives (the Representatives) of certain underwriters (together with the Representatives, the Underwriters);
 - (ii) the issue of a preliminary Prospectus Supplement and of a final Prospectus Supplement, each to be filed with the SEC;
 - (iii) the registration of the Series U Preference Shares under the United States Securities Act of 1933, as amended (the Securities Act) and the Securities Exchange Act of 1934, as amended (the Exchange Act); and
 - (iv) the preparation and the filing of any Free Writing Prospectus (as defined in Rule 405 under the Securities Act) that may be

- agreed with the Underwriters and/or required to be filed with the SEC;
- (b) THAT any Director, the Secretary, the Director, Capital Management & Securitisation, the Deputy Secretary or any Assistant Secretary of the Company, or any attorney of the Company (in terms of the Commission and Power of Attorney of the Company from time to time in effect and registered in the Books of Council and Session in Edinburgh (an Attorney)), be, and each of them hereby is, authorised to sign in the name and on behalf of the Company the Underwriting Agreement (as defined below) in relation to the Series U Preference Shares and to sign in the name and on behalf of the Company and to cause to be filed with the SEC a Registration Statement on Form 8-A for the registration under the Exchange Act of the Series U Preference Shares and the ADSs representing the Series U Preference Shares;
- (c) THAT any Director, the Secretary, the Director, Capital Management & Securitisation, the Deputy Secretary or any Assistant Secretary of the Company, or any Attorney, be, and each of them hereby is, authorised and directed in the name and on behalf of the Company to take any and all action which they may deem necessary or advisable in order to effect the registration or qualification of part or all of the Series U Preference Shares of the Company for offer and sale under the securities or "blue sky" laws of any of the states of the US, and in connection therewith to execute, acknowledge, verify, deliver, file and publish all such applications, reports, issuer's covenants, resolutions and other papers and instruments as may be required under such laws, and to take any and all further action which they may deem necessary or advisable in order to maintain any such registration or qualification for as long as they deem to be in the best interests of the Company;
- (d) THAT any Director, the Secretary, the Director, Capital Management & Securitisation, the Deputy

Secretary or any Assistant Secretary of the Company, or any Attorney, be, and each of them hereby is, authorised and directed in the name and on behalf of the Company to execute and file irrevocable written consents on the part of the Company to be used in such states of the US wherein such consents to service of process may be required under the securities laws thereof in connection with the said registration or qualification of the Series U Preference Shares; and

- (e) THAT any Director, the Secretary, the Director, Capital Management & Securitisation, the Deputy Secretary or any Assistant Secretary of the Company, or any Attorney, be, and each of them hereby is, authorised and directed to take such other action and to execute, deliver and/or file any and all such documents as he/she deems necessary or advisable to carry into effect the foregoing resolutions and to effect the registration, issuance and sale of the Series U Preference Shares and related ADSs.

**TERMS OF ISSUE AND
PRICING TERMS**

It was reported that copies of the preliminary prospectus and final prospectus had been filed with the SEC on 25 September 2007 and 28 September 2007, respectively.

IT WAS RESOLVED THAT CT Corporation System be and hereby is appointed as Agent of the Company to accept service of any and all legal processes, summons, notices and documents in respect of any action, suit or proceedings brought in any United States or State Court in respect of the Underwriting Agreement.

The Committee considered the pricing terms to be applied to the Series U Preference Shares, with particular reference to prevailing market conditions and in relation to the non-cumulative preferential dividend to be paid (subject to the Terms of Issue (as defined below)) to the holders of the Series U Preference Shares, current yields on the US Long Bond and the impact of spreads and credit risk on this.

There was tabled a pricing agreement between the Company and the Representatives of the Underwriters therein mentioned (the Pricing Agreement), providing

Table of Contents

for the purchase (i.e. subscription) price of the Series U Preference Shares to be US\$100,000 (comprising the nominal amount of US\$0.01 and a premium of US\$99,999.99 per Series U Preference Share) per Series U Preference Share, and for the underwriting commission per Series U Preference Share to be US\$1,000. The terms of the Pricing Agreement were carefully considered and IT WAS RESOLVED THAT such terms be and they are hereby approved AND THAT the Pricing Agreement in the form tabled be executed by any one Director, the Secretary, the Director, Capital Management & Securitisation, the Deputy Secretary or any Assistant Secretary of the Company or any Attorney and delivered by the Company or its Attorney to the other parties thereto. The list of Underwriters in Schedule I to the Pricing Agreement was also approved.

IT WAS FURTHER RESOLVED THAT the terms of issue to be applied by the Directors to the Series U Preference Shares (Terms of Issue) should be as set out in the Appendix to these Minutes (which Appendix will be deemed to form part of this Resolution).

The closing of the issue of the Series U Preference Shares (Closing) was expected to take place by means of a meeting held at the offices of Shearman & Sterling LLP, Broadgate West, 9 Appold Street, London E2A 2AP on 4 October 2007 (the London Closing Meeting). It was noted that all transactions connected with the Closing would be deemed to take place simultaneously and that no delivery or payment would be considered to have been finally made until all action in connection with the Closing had been completed.

The following documents were tabled:

**SUBSCRIPTION BY THE
COMPANY OF US
DOLLAR DENOMINATED
PREFERENCE SHARES**

Separately, Mr McKean advised that the Company proposed to use funds available to it (comprising funds other than those payable to the Company in connection with its issue of the Series U Preference Shares) to subscribe for 15,000 Category II Non-cumulative Dollar Preference Shares of US\$0.01 each (the Preference Shares) at a subscription price and having a liquidation preference of US\$100,000 each to be issued by RBS and designated Series Y (the Series Y Preference Shares). It was noted that the Series Y Preference Shares would be issued on terms substantially similar to the terms of the Company's Series U Preference Shares.

It was noted that the issue of the Series Y Preference Shares would provide RBS with additional funds for its general corporate purposes, which may include the redemption or repurchase of outstanding securities, and to strengthen RBS's capital base, with the intention that the Preference Shares should constitute non-innovative Tier One capital of RBS.

It was also noted that, in terms of a special resolution of RBS passed on 23 August 2004, the Directors of RBS had authority under Section 80 of the Companies Act 1985, as amended to allot the Preference Shares.

Careful consideration was given to the proposal and IT WAS RESOLVED:

- (i) THAT the subscription for the Preference Shares is in the best interests of the Company and the subscription be and it is hereby APPROVED;

Table of Contents

- (ii) THAT any Director, the Secretary, the Director, Capital Management & Securitisation, the Deputy Secretary, any Assistant Secretary of the Company or any Attorney be, and they hereby are, authorised with full authority and instructed to approve, execute and deliver any applications, documents or instruments on behalf of the Company to effect the subscription for the Preference Shares; and
- (iii) THAT all further actions reasonably necessary and/or incidental (including the execution of any additional documentation), to allow the issue of and subscription for the Preference Shares to proceed be hereby authorised and approved and that any authorised signatory of the Company be hereby authorised to take such further action and sign, execute, enter into and deliver such further documentation.

It was noted that after the issue of the Series U Preference Shares, 95,485,000 Category II Non-cumulative Dollar Preference Shares of US\$0.01 each remain authorised and available for issue.

There being no further business the Chairman declared the meeting closed.

Certified a true extract.

Appendix

Terms of Issue of the Series U Preference Shares

The terms of issue of the Series U Preference Shares are set out below:

- (a) the Series U Preference Shares shall form a separate class of shares from the 8,000,000 Series F Category II Non-cumulative Dollar Preference Shares issued on 26 March 1997, the 12,000,000 Series H Category II Non-cumulative Dollar Preference Shares issued on 8 February 1999, the 34,000,000 Series L Category II Non-Cumulative Dollar Preference Shares issued on 30 September 2004 (in exchange for the Company's 34,000,000 Exchangeable Capital Securities, Series B which had originally been issued on 23 June 2003), the 37,000,000 Series M Category II Non-cumulative Dollar Preference Shares issued on 18 August 2004, the 40,000,000 Series N Category II Non-cumulative Dollar Preference Shares issued on 12 May 2005, the 22,000,000 Series P Non-cumulative Dollar Preference Shares issued on 26 October 2005, the 27,000,000 Series Q Non-cumulative Dollar Preference Shares issued on 25 May 2006, the 26,000,000 Series R Category II Non-cumulative Dollar Preference Shares issued on 27 December 2006, the 38,000,000 Series S Category II Non-cumulative Dollar Preference Shares issued on 28 June 2007 and the 64,000,000 Series T Category II Non-cumulative Dollar Preference Shares issued on 27 September 2007 (together, the Existing Series of Category II Non-cumulative Dollar Preference Shares);
- (b) Non-cumulative preferential dividends on the Series U Preference Shares will accrue at a rate of 7.640 per cent. per annum on the liquidation preference of US\$100,000 per Series U Preference Share from (and including) the date of issue of the Series U Preference Shares to (but excluding) 29 September 2017 (the first redemption date). During this period, the dividend will be payable (subject to the terms of this Resolution) semi-annually in arrears on, and to the holders of record 15 days prior to, 31 March and 30 September of each year (except that the last such payment shall be made on the first redemption date and not on 30 September 2017) (each a semi-annual dividend payment date) in respect of the dividend period ending on such date (each a semi-annual dividend period), commencing with a payment on, and to the holders of record 15 days prior to, 31 March 2008 (the first semi-annual dividend payment date). The dividend on each Series U Preference Share will therefore amount to US\$3,820 per Series U Preference Share semi-annually during this period, except that (i) the dividend in respect of the period from (and including) the date of issue of the Series U Preference Shares to (but excluding) the first semi-annual dividend payment date will amount to US\$3,735 per Series U Preference Share; and (ii) the dividend in respect of the period from (and including) 31 March 2017 to (but excluding) the first redemption date will amount to US\$3,798.78 per Series U Preference Share.

From (and including) the first redemption date (to the extent that the Series U Preference Shares are not redeemed on the first redemption date), non-

Table of Contents

cumulative preferential dividends will accrue on the Series U Preference Shares at a variable rate per annum, reset quarterly of 2.32 per cent. per annum plus the three month London interbank offered rate (expressed as a percentage per annum) for deposits in US dollars (the manner of determination of such rate, including detailed fallback provisions, being as described in the Prospectus Supplement). During this period, the dividend will be payable (subject to the terms of this Resolution) quarterly in arrear on, and to the holders of record 15 days prior to, 31 March, 30 June, 30 September, and 31 December of each year commencing on 31 December 2017 (each a quarterly dividend payment date and, together with each semi-annual dividend payment date, each a dividend payment date) in respect of the three-month period ending on such date (each a quarterly dividend period and, together with each semi-annual dividend period, a dividend period), in accordance with the Modified Following Business Day Convention.

Modified Following Business Day Convention means if a dividend payment date falls on a day which is not a Dollar Business Day, such dividend payment date shall be postponed to the next day which is a Dollar Business Day unless it would fall into the next calendar month in which event such payment date shall be bought forward to the immediately preceding day which is a Dollar Business Day.

The amount of dividends payable for any period shorter than a full dividend period after the first redemption date will be calculated on the basis of the actual number of days elapsed in such period and a 360-day year. Payments of less than US\$0.01 will be rounded upwards;

Article 4(D)(2)(b)(v) shall not apply to the Series U Preference Shares;

- (c) all of the provisions set out in Article 4(D)(2)(b) (as amended by Article 4(E) and the last two sub-paragraphs of paragraph (b) above) of the Company's Articles of Association, and as further supplemented by the terms of this Resolution, shall apply to the Series U Preference Shares, save that the provisions of Article 4(E)(2)(g) of the Company's Articles of Association shall not apply to the Series U Preference Shares and shall instead be replaced by the provisions of paragraph (d) below. It was noted that the provisions of Articles 4(D)(2)(b)(viii) and (ix) of the Company's Articles of Association were part of the terms of issue of the Existing Series of Category II Non-cumulative Dollar Preference Shares and that accordingly those provisions would affect the Series U Preference Shares in the event of non-payment of dividends on the Existing Series of Category II Non-cumulative Dollar Preference Shares;
- (d) in relation to the Series U Preference Shares:
 - (i) the Directors may, in their sole and absolute discretion, resolve prior to any dividend payment date that the dividend on the Series U Preference Shares, or part thereof, shall not be paid on that dividend payment date. If the Directors resolve as aforesaid, then none or (as the case may be) part only of the dividend shall be declared and/or paid. The Directors may exercise their

discretion in respect of a dividend notwithstanding the previous setting aside of a sum to provide for payment of that dividend;

- (ii) to the extent that any dividend or part of a dividend on the Series U Preference Shares is, on any occasion, not paid for the reasons referred to in paragraph (e) below, the holders of Series U Preference Shares shall have no claim in respect of such non-payment;
- (iii) if any dividend or part of a dividend stated to be payable on the Series U Preference Shares has, on the most recent dividend payment date, not been declared and paid in full or set aside for the reasons referred to in paragraph (e) below:
 - (1) the provisions of sub-paragraphs (viii) and (ix) of Article 4(D)(2)(b) shall not apply in respect of such non-payment; and
 - (2) the Company may not (a) declare or pay dividends or other distributions upon any Parity Securities (other than, in the case of non-payment by reason of the resolution referred to in sub-paragraph (i) above, any Mandatory Securities) or Junior Securities and the Company may not set aside any sum for the payment of these dividends or distributions, unless, on the date of declaration of any such dividends or distributions, it sets aside an amount equal to the dividend for the then-current dividend period payable on the Series U Preference Shares to provide for the payment in full of such dividend on the Series U Preference Shares on the next dividend payment date; or (b) redeem, purchase or otherwise acquire for any consideration any Parity Securities or Junior Securities, and the Company may not set aside any sum nor establish any sinking fund for the redemption, purchase or other acquisition of such Parity Securities or Junior Securities, until such time as dividends on the Series U Preference Shares in respect of successive dividend periods together aggregating no less than 12 months shall thereafter have been declared and paid in full. Junior Securities means the ordinary shares and any other securities issued by the Company or any of its subsidiaries ranking or expressed to rank junior to the Series U Preferences Shares either issued directly by the Company or, where issued by any of its subsidiaries, where the terms of the securities benefit from a guarantee or support agreement entered into by the Company which ranks or is expressed to rank junior to the Series U Preferences Shares; Parity Securities means (I) the most senior ranking class or classes of non-cumulative preference shares in the Company's capital from time to time and (II) any other securities issued by the Company or any of its subsidiaries ranking or expressed to rank *pari passu* with the Series U Preference Shares either issued directly by the Company or, where issued by one of its subsidiaries, where the terms of the securities benefit from a guarantee or support agreement entered into by the Company which ranks or is expressed to rank *pari passu* with the Series U Preference Shares and which in the case of (I) and (II) above

comply with the then current requirements of the FSA in relation to Tier 1 Capital or are otherwise treated by the FSA as Tier 1 Capital; Mandatory Securities means any Parity Securities the terms of which do not provide for the Directors to be able to elect not to pay any dividend or other distribution in cash at its discretion; and Tier 1 Capital has the meaning given to it by the FSA from time to time;

- (iv) if there is any conflict between the provisions of this paragraph (d), as they apply to the Series U Preference Shares, and any other provisions of Article 4(D) or Article 4(E) applying to Series U Preference Shares, the provisions of this paragraph (d) shall prevail. All references to Article 4(E)(2)(g) in the Articles shall be deemed to refer to this paragraph (d);
- (v) in determining the sum payable on the Series U Preference Shares pursuant to Article 4(D)(2)(c)(i) on a winding up or liquidation, the Directors' discretion under sub-paragraph (i) above shall be disregarded save in so far as such discretion was actually exercised prior to the making of the determination; and
- (vi) for the avoidance of doubt, no Series U Preference Shares shall be treated as ranking after any other New Preference Shares (as defined in the Company's Articles of Association) with which it is expressed to rank *pari passu* as regards participating in profits, by reason only of the provisions set out in this paragraph (d) being included in the terms of issue applicable to that series, or any dividend on that series not being paid by virtue of this paragraph (d);
- (e) in circumstances where any dividend otherwise payable on any dividend payment date is not declared and/or paid in full by reason of (i) lack of distributable profits as referred to in Article 4(D)(2)(b)(i), (ii) the application of capital adequacy requirements referred to in Article 4D in Article 4(D)(2)(b)(iii) (amended as described below) or (iii) the exercise by the Directors of their discretion referred to in paragraph (d) above, the Company will notify the holders of the Series U Preference Shares as soon as reasonably practicable after the date of the relevant resolution. Each such notification shall specify the reasons why the relevant dividend has not been declared and/or paid in full.

The Companies Act 1985, as amended defines distributable profits as, in general terms, and subject to adjustment, accumulated realised profits less accumulated realised losses.

Article 4(D)(2)(b)(iii) of the Company's Articles of Association, which refers to the Bank of England's capital adequacy requirements, should now instead refer to the FSA and its capital adequacy requirements, regulations, guidelines or policies, as referred to above;

- (f) in addition to their rights under Article 4(D) (as supplemented and amended by Article 4(E) and the provisions of paragraph (d) above) of the Company's Articles of Association, the Series U Preference Shares shall carry the right to attend at a General Meeting of the Company and to speak to or vote upon any resolution proposed thereat in circumstances where the dividend stated to be payable on the

Table of Contents

Series U Preference Shares in respect of the most recent dividend period has not been declared and paid in full, and such right shall continue until the dividends have thereafter been declared and paid thereon in full in respect of successive dividend periods singly or together aggregating no less than 12 months, but not otherwise, together with the right in accordance with the Statutes (as defined in the Company's Articles of Association) to seek to requisition a General Meeting of the Company in the circumstances and for the period specified in this paragraph (f) (and for this purpose the Series U Preference Shares will be deemed to confer the number of votes referred to in paragraph (g) below);

- (g) whenever holders of Series U Preference Shares are so entitled to vote on a resolution at a General Meeting of the Company, on a poll every such holder who is present in person or by proxy shall have one vote for each such Series U Preference Share held subject to adjustment as hereinafter prescribed. Such adjustments as the Directors consider necessary to the number of votes to which each Series U Preference Share is entitled shall be made by the Directors at the time of the occurrence of the event requiring such adjustment to reflect:
- (i) any capitalisation issue, consolidation, sub-division or re-classification of Ordinary Shares as a result of any distribution to the holders of Ordinary Shares of assets of the Company; and
 - (ii) issues of Ordinary Shares or grants of rights or options to subscribe for Ordinary Shares at a discount to the market value of the Ordinary Shares on the business day in London preceding the date of issue or grant as the case may be, ascertained by reference to the middle market quotation derived from the London Stock Exchange Daily Official List for such preceding business day in London (subject to the exceptions listed below), in each case in order to ensure as nearly as may be that the ratio which the number of vote(s) in a General Meeting to which the holder of a Series U Preference Share would be entitled on a poll bears to the number of vote(s) to which the holder of an Ordinary Share is entitled in such circumstances will be the same (but no higher) after than as it was before any such event. The exceptions referred to above are:
 - (a) rights issues at a discount of no more than 10 per cent. of such market value of the Ordinary Shares;
 - (b) any issue or grant of such number of Ordinary Shares as represents no more than 1 per cent. of the number of Ordinary Shares in issue from time to time for a consideration other than cash (in whole or in part), including, without limitation, for any purchase or acquisition of any shares or any other investments of any kind, or any business, undertaking or assets of any description, by the Company or any subsidiary;
 - (c) issues or grants under the Company's Profit Sharing (Share Ownership) Scheme, Executive Share Option Scheme or Savings-related Share Option

Scheme or any additional or successive or substitute schemes or the equivalent schemes of any subsidiary of the Company; and

- (d) issues pursuant to the provisions of Article 143 of the Company's Articles of Association;
- (h) without prejudice to any redemption pursuant to paragraph (l) below, the Company may redeem the Series U Preference Shares on the first redemption date or any quarterly dividend payment date falling on or around any tenth anniversary thereafter (each, an optional redemption date). In addition, the Company may also redeem the Series U Preference Shares at any time during the period from (and including) 31 December 2012 to (but excluding) the first redemption date and thereafter on any quarterly dividend payment date if a Capital Disqualification Event has occurred. A Capital Disqualification Event shall be deemed to have occurred if the FSA has confirmed to the Company that the Series U Preference Shares are no longer of the type eligible for inclusion in its Tier 1 Capital on a solo and/or consolidated basis.

Accordingly, the Redemption Date for the purposes of the Series U Preference Shares (including for the purposes of any substitution under paragraph (l) below) shall be any date falling on or after 31 December 2012 subject to the requirement (except in relation to redemption pursuant to paragraph (l) below) that if such date falls before the first redemption date, a Capital Disqualification Event has occurred; if such date falls on the first redemption date, a Capital Disqualification Event need not have occurred; and, if such date falls after the first redemption date, it is a quarterly dividend payment date and either a Capital Disqualification Event has occurred or the quarterly dividend payment date is also an optional redemption date. In addition, the Directors will only exercise the Company's option to redeem any of the Series U Preference Shares on a Redemption Date if:

- (i) the Company has given at least one month's prior notice to the FSA of its intention to do so, or such other period of notice, be it greater or less, as the FSA requires; and
- (ii) at the time when the notice of such redemption is given and immediately following such redemption, the Company is or will be (as the case may be) in compliance with its capital adequacy requirements, as provided in the capital regulations relating to capital adequacy then in effect of the FSA, unless at the time of such redemption such requirement of the FSA no longer applies;
- (i) if to be redeemed, the Series U Preference Shares shall only be redeemed in whole and not in part only;
- (j) it was noted that there shall be paid on each Series U Preference Share so redeemed, in US dollars, the aggregate of the nominal amount thereof together with any premium paid on issue and together with arrears (if any) of dividends thereon (whether earned or declared or not) in respect of the period from the dividend payment date last preceding the Redemption Date to the Redemption

Table of Contents

Date. No relevant Redemption Premium (as set out in the Company's Articles of Association) shall be payable on redemption of the Series U Preference Shares;

- (k) the special rights attached to the Series U Preference Shares shall be deemed to be varied by the creation or issue of any New Shares (as defined in the Company's Articles of Association) ranking as regards participation in the profits or assets of the Company in some or all respects *pari passu* with such Series U Preference Shares if the dividend stated to be payable on the Series U Preference Shares on the dividend payment date immediately preceding such issue shall not have been paid in full, but, subject thereto, such special rights shall not be deemed to be varied by the creation or issue of any New Shares ranking as to participation in the profits or assets of the Company in some or all respects *pari passu* with or after such Series U Preference Shares;
- (l) subject to the conditions referred to below, the Company shall be entitled to substitute the Series U Preference Shares with Qualifying Non-Innovative Tier 1 Securities, at any time (the Substitution Date) without any requirement for the consent or approval of the holders of the Series U Preference Shares, provided that the Substitution Date shall not occur prior to 31 December 2012. Such substitution shall be subject to the Company's Articles of Association, the provisions of the Companies Act 1985, as amended and all other laws and regulations applying to the Company, to the prior consent of the FSA (if required) and also to any condition the FSA may impose on such substitution. Not less than 30 days nor more than 60 days written notice of any such substitution shall be given to the holders of the Series U Preference Shares.

For the purposes of effecting any such substitution, the Company shall redeem the Series U Preference Shares in whole (but not in part) on the Substitution Date in accordance with the Terms of Issue and shall mandatorily apply the proceeds thereof to the purchase of Qualifying Non-Innovative Tier 1 Securities issued on such Substitution Date in an amount at least equal to the total number of the Series U Preference Shares multiplied by US\$100,000 (in each case without the need for any further action on the part of the holders of the Series U Preference Shares). The Company will pay any costs and expenses associated with such substitution and issuance of the Qualifying Non-Innovative Tier 1 Securities, including, without limitation, the fees and expenses of the ADR Depositary, trustee or other third-party involved in the issuance thereof and any fees and expenses relating to the registration and exchange listing of the Qualifying Non-Innovative Tier 1 Securities. The Qualifying Non-Innovative Tier 1 Securities will be exempt from state blue sky or state securities laws. The Company will also pay any stamp duty reserve taxes, capital duties, stamp duties or similar taxes payable in the UK arising on the allotment and issue of the Qualifying Non-Innovative Tier 1 Securities, including (if applicable) their deposit with the ADR Depositary under the Deposit Agreement. The Company will not be obliged to pay, and each holder of Series U Preference Shares must pay, (i) any other taxes, stamp duty reserve taxes and capital, stamp, issue and registration duties arising in connection with

Table of Contents

the relevant substitution and (ii) all, if any, taxes arising by reference to any disposal or deemed disposal of a Series U Preference Share in connection with the relevant substitution. To the extent that under applicable law and HM Revenue & Customs practice transfers of the ADRs representing the Series U Preference Shares are able to be effected between holders thereof free of any stamp duty, stamp duty reserve tax or similar taxes arising on such transfer immediately prior to the Substitution Date, the Company will procure that transfers of the Qualifying Non-Innovative Tier 1 Securities (or ADRs representing such securities) shall also be able to be effected between holders thereof free of any such taxes immediately following such date.

Prior to the publication of any notice of substitution pursuant to the foregoing provisions, the Company shall first deliver to the ADR Depository (i) a certificate, signed by two duly authorised officers of the Company, certifying that the securities to be offered in substitution for the Series U Preference Shares are Qualifying Non-Innovative Tier 1 Securities and that such substitution is in accordance with the Deposit Agreement and (ii) any opinion required under the terms of the Deposit Agreement.

Qualifying Non-Innovative Tier 1 Securities means securities, whether debt, limited partnership interests, equity or otherwise, issued directly or indirectly by the Company, that comply with the following:

- (i) such securities will have the same material terms as the terms of the Series U Preference Shares, including without limitation a first redemption date (or as such term may otherwise be defined in the terms thereof) which falls on the same day as the first redemption date, except that such securities will be permitted (but not required) to include the ability to be redeemed in the circumstances and on the basis (including, but without limitation, relating to tax and capital adequacy) substantially similar to the circumstances in which, and the basis on which, securities issued by companies then regulated by the FSA and comprising tax-deductible Innovative Tier 1 Capital may then be redeemed;
- (ii) to the extent that dividends on the Series U Preference Shares are eligible to be treated as qualified dividend income under Section 1(h)(11) of the Internal Revenue Code of 1986, as amended (or any successor legislation) by a particular holder immediately prior to the Substitution Date, dividends paid to such holder with respect to securities will also be so eligible;
- (iii) such securities will comply with the then current requirements of the FSA in relation to Non-Innovative Tier 1 Capital;
- (iv) such securities will preserve any existing rights under the Series U Preference Shares to any accrued dividend which has not been paid in respect of the period from (and including) the dividend payment date last preceding the Substitution Date to (but excluding) the Substitution Date; and

Table of Contents

- (v) at the time of issue, payments made by the issuer in respect of such securities can be made free from any withholding tax imposed by any taxing or other authority (whether within or outside the UK) competent to impose, administer or collect any such tax.

Notwithstanding anything to the contrary set forth above, the Qualifying Non-Innovative Tier 1 Securities may be issued with terms more favourable to the holders thereof than the terms of the Series U Preference Shares.

Tier 1 Capital and Innovative Tier 1 Capital have the respective meanings given to them by the FSA from time to time. Non-Innovative Tier 1 Capital means Tier 1 Capital which does not comprise Innovative Tier 1 Capital; and

- (m) the foregoing paragraphs (a) to (l) inclusive and this paragraph (m) shall be the whole of the terms of issue of the Series U Preference Shares determined by the Committee prior to allotment thereof in accordance with the Company's Articles of Association.
