Allianz Leben increases dividend

At its meeting today, the Supervisory Board of Allianz Lebensversicherungs-AG, Stuttgart, confirmed the annual financial statements. The Board of Management and Supervisory Board will propose to the Annual General Meeting on April 22, 2005 to pay out a dividend of 23 euros per no-par-value share as the appropriation of net income for the fiscal year 2004. The dividend for the previous year was 20 euros per no-par-value share. The background to this proposal is the good equity capital structure of the company, which allows it to appropriate the entire net income for the year amounting to 241,5 million euros (prior year: 210 million euros) for the payout.

These assessments are, as always, subject to the disclaimer provided below.
