Item 3.03 Material Modification to Rights of Security Holders

Calibre Energy, Inc. ("we", "us", "Calibre", or "the Company"), as of this filing, has outstanding Common Stock Purchase Warrants ("the Warrants") to purchase 18,162,500 common shares which have been issued in conjunction with our financing efforts since inception. The Warrants are comprised of the following tranches:

- |-- 9,555,000 are outstanding with a strike price of \$0.75 and an expiration date of October 31, 2007 (collectively with the 2,000,000 warrants detailed below, "the October 2007 Warrants")
- 2,000,000 are outstanding with a strike price of \$0.40 and an expiration date of October 31, 2007 (collectively with the 9,555,000 warrants detailed above, "the October 2007 Warrants")
- 577,500 are outstanding with a strike price of \$2.00 and an expiration date of March 28, 2008 ("the March 2008 Warrants")
- 4,030,000 are outstanding with a strike price of \$2.75 and an expiration date of April 18, 2008 ("the April 2008 Warrants")
- 1,000,000 are outstanding with a strike price of \$1.50 and an expiration date of November 5, 2008 ("the November 2008 Warrants")
- 1,000,000 are outstanding with a strike price of \$0.75 and an expiration date of February 23, 2009 ("the February 2009 Warrants")

Our Board of Directors has approved an amendment to all outstanding Common Stock Purchase Warrants to: (1) reduce the per share exercise price from the price stated in each individual Common Stock Purchase Warrant, to \$0.10 per share, and (2) to extend the term and permit exercise of the Warrants at the election of the holder anytime prior to May 14, 2009.

In conjunction with the exercise price reduction, the Board also approved a reduction in the trading price at which we have the right to call the Warrants. Should our common shares on any exchange or bulletin board trade equal to or exceed U.S. \$0.40 or more for 10 trading days, then the Warrant Term shall be automatically reduced to 30 days from the date of initial issuance of a news release by the Company announcing the change to the Warrant Term.

The October 2007 Warrants as originally issued permitted a cashless exercise by the warrant holder. As part of the amendment authorized by our Board of Directors, the October 2007 Warrants will now be exercisable for cash, at \$0.10 per share.

As soon as practical, Calibre will notify all warrant holders via mail of the proposed amendments to the terms of the Warrants. Should warrant holders agree with these changes, they should sign and return the consent letter to the Company within 60 days from the date of the mailing in order for the changes to each Amended Stock Purchase Warrant to be declared effective.

Although authorized and approved by our Board of Directors, none of the proposed changes in the Warrants are effective with respect to any warrant until written individual warrant holder approval is received by the Company.
