Item 8.01. Other Events

Littlefield Corporation (OTCBB: LTFD) has determined to terminate its registration under Section 12 of the Securities Exchange Act of 1934 and to cease filing periodic and current reports with the Securities and Exchange Commission. Littlefield has determined that it has only 105 shareholders of record as of February 5, 2013. Accordingly, Littlefield will file a Form 15 with the Commission pursuant to Rule 12h-3(b)(1)(i), to notify the Commission of the suspension of its duty to file reports under the Exchange Act. Littlefield is current in all of its filing obligations under the Exchange Act.

Littlefield made the decision to cease filing reports voluntarily with the Commission because the continued expense of filing reports is not justified in light of the thin trading of the company's stock and the lack of any following for the stock in the financial analyst community and the company's current financial condition. Littlefield expects that its stock will continue to be quoted for trading on the Pink Sheets sponsored by the OTC Markets Group.

After terminating its registration with the SEC, Littlefield expects to continue posting its annual financial statements on its website, <http://littlefield.com>, as financial results become available.
