Item 2.            Identity and Background.

## Edgar Filing: COMMUNICATIONS SYSTEMS INC - Form SC 13D

(a) This statement is filed by (i) Ira Albert, an individual, with respect to shares of the Issuer's Common Stock held by him and with respect to shares of the Issuer's Common Stock held in investment accounts over which Mr. Albert has discretionary authority, and (ii) Albert Investment Associates, L.P., a Delaware limited partnership (the "Albert Partnership") with respect to shares of the Issuer's Common Stock held by it. Ira Albert and the Albert Partnership shall sometimes be collectively referred to herein as the "Reporting Person."

(b) The business address of Ira Albert and of the Albert Partnership is 1304 SW 160th Avenue, Suite 209, Ft. Lauderdale, FL 33326. The general partner of the Albert Partnership is Albert Investment Strategies, Inc., a Florida corporation (the "General Partner"), which also has a business address located at 1304 SW 160th Avenue, Suite 209, Ft. Lauderdale, FL 33326.

(c) The principal business of Ira Albert and of the Albert Partnership is securities investment.

(d) During the past five years, neither Mr. Albert nor the Albert Partnership nor the General Partner nor any of its executive officers, directors or controlling persons have been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

(e) During the past five years, neither Mr. Albert nor the Albert Partnership nor the General Partner nor any of its executive officers, directors or controlling persons have been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction resulting in their being subject to a judgment, decree or final order enjoining any such person from future violations of or prohibiting or mandating activities subject to federal or state securities laws, or finding any violation of such laws by any such person.

### Item 4. Purpose of Transaction.

Although at this time, the Reporting Person has no current plans or proposals which, other than as expressly set forth below, would relate to or would result in any of the actions set forth in parts (a) through (j) of Item 4 of Schedule 13D, the Reporting Person believes management should take certain actions towards maximizing shareholder value. First, management should re-list the Issuer's securities from the American Stock Exchange to the NASDAQ National Securities Market System. It is believed that such repositioning will enhance visibility of the Issuer and make its shares more attractive to investors and increase the liquidity of its shares which currently trade in very low volume. The Reporting Person also believes that the Issuer should continue to vigorously pursue its share repurchase program at any time that the market value of its shares presents an attractive buying opportunity.

## Edgar Filing: COMMUNICATIONS SYSTEMS INC - Form SC 13D

The Reporting Person pursues an investment philosophy of identifying undervalued securities and intends to adhere to this investment philosophy with respect to the Issuer. In pursuing its investment philosophy, the Reporting Person will continuously assess the Issuer's business, financial conditions, results of operations and prospects, general economic conditions, the securities markets in general and other investment opportunities, as well as the investment objectives and diversification requirements of its clients. Accordingly, the Reporting Person reserves the right to change its plans and intentions at any time and in any manner deemed appropriate. The Reporting Person may acquire additional shares and/or dispose of Shares (either in the open market or under privately negotiated arrangements), or purchase or sell derivative securities or enter into privately negotiated counterparty transactions to hedge the market risk or all or a portion of his Shares of the Issuer.

The Reporting Person further reserves the right to act in concert with any other shareholders of the Issuer, or other persons, for a common purpose should they determine to do so, and/or to recommend courses of action to management and the shareholders of the Issuer.

### Item 5.            Interest in Securities of the Issuer.

(a)        The number of shares of the Issuer's Common Stock and the percentage of the outstanding shares (based upon 8,615,568 shares of Common Stock outstanding as reported in the Issuer's Annual Report on Form 10-K for the fiscal year ending December 31, 2007) directly beneficially owned by each Reporting Person is as follows:
