Re: Recent Federal Filings  
-----

Dear Mr. Dadon:

We are aware of your recent filings, which are blatant self-serving attempts to demonstrate your ownership in Brookmount Explorations Inc. (the "Company").

We believe that these filings are grossly misleading and that you have knowingly filed false documents as the shares you purport to own were either cancelled or could not have been issued since they were issued in consideration of services that were not rendered and in any event were issued under false pretenses made by you. This is not the first time that you have attempted knowingly to file false documents in contravention of the anti-fraud provisions of the U.S. federal securities laws. In fact, on March 7, 2006, you knowingly amended the Company's annual report filing on Form 10-KSB to amend the disclosure to indicate that the Company was not considered a shell company as defined in Rule 12b-2 of the Securities Exchange Act of 1934, as amended, when you most certainly were aware that the Company is, in fact, a shell company.

You are strongly advised to amend these recent filings (a Form 3 filed on July 17, 2006, and a Schedule 13D filed on July 20, 2006), particularly inasmuch as we are copying the enforcement division of the Securities and Exchange Commission on this correspondence.

Yours very truly,

/s/ Peter Flueck
