ITEM 2.02. RESULTS OF OPERATIONS AND FINANCIAL CONDITION.

On November 14, 2005, Interlink Electronics, Inc. (the "Company") issued a press release indicating that the Company would not timely file its quarterly report on Form 10-Q for the period ended September 30, 2005 because

the Company's Audit Committee is examining issues raised by the Company's previously announced intention to restate its historical financial results. As a result of the continuing examination, the Company is unable to complete its quarterly financial close process in a timely manner and, accordingly, the Company's auditors are unable to finalize their review of the Company's financial statements reportable in the Company's quarterly report on Form 10-Q for the third quarter of 2005. The Company previously filed for an extension of the reporting deadline; however, the extension period ended November 14, 2005 and thus the Company is delinquent in filing its quarterly report on Form 10-Q for the period ended September 30, 2005. The Audit Committee and its advisors will work diligently to complete their investigation with a view to permitting resumption of regular financial reporting at the earliest practicable date. A copy of the press release is attached as Exhibit 99.1 and is incorporated by reference herein.
