## Item 7.01 Regulation FD Disclosure

As previously announced, on May 15, 2016, WestRock Company (“WestRock”) completed the separation of its specialty chemicals business to form Ingevity Corporation (“Ingevity”). WestRock acquired the specialty chemicals business in connection with the July 1, 2015 combination of Rock-Tenn Company and MeadWestvaco Corporation. Therefore, WestRock’s historical financial statements have included the specialty chemicals business since the fourth quarter of fiscal 2015.

WestRock is furnishing this current report on Form 8-K to provide investors with supplemental financial information for each of the prior seven quarters to reflect the separation of Ingevity. The combined financial results disclosed as “combined” do not reflect WestRock’s pro forma results on a GAAP basis, but rather represent the addition of RockTenn’s and MeadWestvaco’s individual results. MeadWestvaco’s results have been recast for changes to charge the MeadWestvaco segments for items such as additional corporate costs, pension service costs and stock-based compensation in order to be consistent with WestRock’s methodology, as well as to remove interest expense and other income, net from MeadWestvaco’s Corporate and Other category. The combined results for RockTenn and MeadWestvaco also do not reflect the effect of any purchase accounting adjustments, including but not limited to the elimination of intercompany sales and the fair value of assets and liabilities. The financial information is attached as Exhibit 99.1.

This Form 8-K should not be read to modify or update disclosures as presented in the annual reports on Form 10-K or quarterly reports on Form 10-Q filed by WestRock, Rock-Tenn or MeadWestvaco for the covered periods.

The information provided pursuant to this Item 7.01, including Exhibit 99.1 in Item 9.01, is “furnished” and shall not be deemed to be “filed” with the Securities and Exchange Commission or incorporated by reference in any filing under the Exchange Act or the Securities Act, except as shall be expressly set forth by specific reference in any such filings.
