DEREGISTRATION OF SHARES

This post-effective amendment relates to Check Point Software Technologies Ltd. s (the Registrant) Registration Statement on Form S-8 (Registration No. 333-9508) (the Registration Statement), filed with the Securities and Exchange Commission (the SEC) on October 9, 1998, relating to 36,600,000 Ordinary Shares (as adjusted for stock splits), nominal value 0.01 New Israeli Shekels per share (the Shares), of the Registrant reserved for issuance under the Registrant s (i) 1996 Israel Stock Option Plan, (ii) 1996 United States Stock Option Plan, and (iii) Employee Stock Purchase Plan (collectively, the Check Point Plans). Of the 36,600,000 Shares registered in connection with the Check Point Plans, 6,516,068 Shares have not been issued and are not subject to future issuance under the Check Point Plans. This post-effective amendment to the Registration Statement (the Post-Effective Amendment) is hereby filed to deregister an aggregate of 6,516,068 Shares previously registered that have not been issued and will not in the future be issued under the Check Point Plans.

Prior to the filing of this Post-Effective Amendment, the Board of Directors and the shareholders of the Registrant approved and adopted the 2005 Israel Equity Incentive Plan and the 2005 United States Equity Incentive Plan (the 2005 Plans). Pursuant to Instruction E of Form S-8 and the telephonic interpretation of the SEC in the Division of Corporate Finance s Manual of Publicly Available Telephone Interpretations, dated July 1997 (see G. Securities Act Forms, number 89), the 6,516,068 Shares deregistered by this Post-Effective Amendment, and the filing fee paid in connection with the initial registration of such Shares, will be carried forward to the registration statement on Form S-8 filed on or about the date hereof in connection with the registration of Shares that may be issued under the 2005 Plans. However, Shares previously registered under the Registration Statement that are not being deregistered hereby remain subject to outstanding options granted under the Registrant s 1996 United States Stock Option Plan and the Registrant s 1996 Israel Stock Option Plan, and also remain available for purchase under the Registrant s Employee Stock Purchase Plan. Accordingly, the Registration Statement will remain in effect to cover the potential exercise of such outstanding options or purchase of Shares.
