This Amendment No. 2 (the "Amendment") with respect to the Common Stock of Storm Cat Energy Corporation ("Storm Cat") amends and supplements the Schedule 13D, as amended (the "Schedule 13D"), which was originally filed on January 31, 2007. Capitalized terms used herein but not defined shall have the meanings ascribed thereto in the Schedule 13D. The Schedule 13D is hereby amended and supplemented as follows:

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

The purchase price of the Common Stock and notes convertible into Common Stock reported in this Schedule 13D was CDN\$22,988,819 in respect of the Common Stock (which was purchased as part of a Unit, which included common stock warrants that have since expired) and US\$16,563,000 in respect of the convertible notes. The Common Stock and convertible notes to which this Schedule 13D relates were purchased using available funds in discretionary investment accounts managed by

## Edgar Filing: Storm Cat Energy CORP - Form SC 13D/A

either TAMI or TCC and the advisory clients of TAMI and TCC provided the funds to purchase such securities (with the exception of US\$1,700,000 principal amount of convertible notes purchased by Randall Abramson with his personal funds). Many of the accounts managed by TAMI and TCC are margin accounts and, therefore, the Common Stock and convertible notes held in the discretionary investment accounts managed by TAMI and TCC may have been financed in part with margin loans secured by the securities held in the accounts.

### ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

(a) Since Abramson, Holdco, TAMI and TCC comprise a "group" within the meaning of Section 13(d)(3) of the Exchange Act of 1934, as amended, each Reporting Person is reporting beneficial ownership in accordance with Exchange Act Rule 13d-5(a). As of the close of business on April 8, 2008, the Reporting Persons' beneficial ownership of Common Stock, including an aggregate of 14,156,410 shares of Common Stock issuable upon the conversion of convertible notes held by the Reporting Persons, was 27,839,186 shares. Of this amount, 1,452,991 shares of Common Stock were held by Abramson directly; nil shares of Common Stock were held by Holdco directly; 7,570,492 shares of Common Stock were owned by advisory clients of TCC and held in accounts managed by TCC; and 18,815,703 shares of Common Stock were owned by advisory clients of TAMI and held in accounts managed by TAMI. The foregoing amounts include: 1,452,991, nil, 3,091,453 and 9,611,966 shares issuable upon the exercise of convertible notes owned by (or in client investment accounts managed by), Abramson, Holdco, TCC and TAMI, respectively. Each convertible note is convertible into Common Stock at a conversion price of US\$1.17 per share of Common Stock, maturing March 31, 2012.

(b) The responses of the Reporting Persons to Items 7 through 13 on the cover pages and the responses of the directors and executive officers of the Reporting Persons set forth on Schedule 1 are incorporated herein by reference. All responses reflect the beneficial ownership as of the close of business on April 8, 2008. Abramson exercises sole voting and dispositive power over shares held by each of the Reporting Persons. Holdco exercises sole voting and dispositive power over shares held by each of the Reporting Persons. TAMI exercises sole voting and dispositive power over the shares held in discretionary investment accounts managed by it. TCC exercises sole voting and dispositive power over the shares held in discretionary investment accounts managed by it. The Reporting Persons disclaim beneficial ownership in shares of Common Stock owned by the directors and officers of the Reporting Persons listed on Schedule 1 (except to the extent that shares are held in discretionary investment accounts managed by TAMI and TCC).

(c) Except for the transactions to which this Schedule 13D relates, no transactions with respect to the Common Stock have been effected in the past 60 days by the Reporting Persons. Set forth on Schedule 2 hereto is the following information with respect to each transaction: (1) the date of the transaction, (2) the identity of the Reporting Person that effected the transaction, (3) the type of security transacted, (4) whether the transaction was a purchase or sale, (5) the price, and (6) the amount of securities involved.

(d) The advisory clients of TAMI and TCC have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, a portion of the Common Stock beneficially owned by the Reporting Persons. No individual clients' interest in the Common Stock represents more than five percent of the Issuer's total outstanding Common Stock.

(e) Not applicable
