Item 7.01            Regulation FD Disclosure

On September 13, 2007, we reaffirmed our previous 2007 earnings guidance in the range of \$2.50 to \$2.70 per diluted share, stating that our full-year 2007 operating income guidance for our three operating segments remains unchanged. We previously updated our earnings guidance on Aug. 1, 2007.

The third-quarter 2007 financial performance of our distribution and ONEOK Partners segments is consistent with our expectations included in our earnings guidance issued in August. However, our energy services segment is forecasted to be near break-even for the quarter, resulting in our anticipated third-quarter earnings being at the low end of the third-quarter guidance range of 9 to 19 cents per diluted share provided on March 22, 2007.

We will release our third-quarter 2007 earnings after the market closes on Wednesday, Oct. 31, 2007, and will hold a conference call the following day. Additional information on conference call timing and dial-in instructions will be announced at a later date.
