INFORMATION NOT REQUIRED IN PROSPECTUS

ITEM 20. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Under the Business Corporations Act (Ontario), a corporation may indemnify a director or officer, a former director or officer or a person who acts or acted at the corporation's request as a director or officer of another corporation of which the corporation is or was a shareholder or creditor, and his or her heirs and legal representatives, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by him or her in respect of any civil, criminal or administrative action or proceeding to which he or she is made a party by reason of being or having been a director or officer of the corporation or such other

Edgar Filing: KINROSS GOLD CORP - Form F-4/A

corporation, if: (1) he or she acted honestly and in good faith with a view to the best interests of the corporation; and (2) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, he or she had reasonable grounds to believe that his or her conduct was lawful. Any such person is entitled to such indemnity from the corporation if he or she was substantially successful on the merits in his or her defense of the action or proceeding and fulfilled the conditions set out in (1) and (2) above. A corporation may, with the approval of a court, also indemnify any such person in respect of an action by or on behalf of the corporation or such other corporation to procure a judgment in its favor, to which such person is made a party by reason of being or having been a director or officer of the corporation or such other corporation, if he or she fulfills the conditions set out in (1) and (2) above. Kinross' bylaws require Kinross to indemnify the persons permitted to be indemnified by the provisions of the Business Corporations Act (Ontario) summarized above and every other person who properly incurred any liability on behalf of Kinross or acted at Kinross' request.

Insofar as indemnification for liabilities arising under the Securities Act of 1993 may be permitted to directors, officers, and controlling persons pursuant to the foregoing provisions, Kinross has been informed that in the opinion of the Securities and Exchange Commission such indemnification is contrary to public policy as expressed in the Securities Act and, therefore, is unenforceable. (See "ITEM 22. UNDERTAKINGS.")

ITEM 22. UNDERTAKINGS

The undersigned registrant hereby undertakes as follows: that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

The registrant undertakes that every prospectus: (i) that is filed pursuant to paragraph (1) immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial BONA FIDE offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a

director, officer, or controlling person of the registrant in the successful defense of any action, suit, or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.
