RECOMMENDED CASH OFFER

by

LAZARD & CO., LIMITED AND MORGAN STANLEY & CO. LIMITED

on behalf of

SKY BROADBAND SERVICES LIMITED

a wholly-owned subsidiary of

BRITISH SKY BROADCASTING GROUP PLC

for

EASYNET GROUP PLC

Summary

- * The Boards of BSKyB and Easynet are pleased to announce that they have agreed the terms of a recommended cash offer, to be made by Lazard and Morgan Stanley on behalf of the Offeror, a wholly-owned subsidiary of BSKyB, for the entire issued and to be issued share capital of Easynet.
- * The Offer is 175 pence in cash for each Easynet Share, valuing the entire issued share capital of Easynet at approximately GBP 211 million.
- * The Offer represents a premium of:
 - * approximately 81 per cent. to the Closing Price of 96.5 pence for each Easynet Share on 14 October 2005, the last business day prior to the commencement of the Offer Period; and
 - * approximately 38 per cent. to the Closing Price of 127.0 pence for each Easynet Share on 20 October 2005, the last business day prior to the date of this announcement.

The Easynet Directors, who have been so advised by ABN AMRO, consider the terms of the Offer to be fair and reasonable and unanimously recommend that Easynet Shareholders accept the Offer, as the Easynet Directors have irrevocably undertaken to do (or procure to be done) in respect of their own beneficial interests and holdings. In providing advice to the Easynet Directors, ABN AMRO has taken into account the commercial assessments of the Easynet Directors.

BSkyB has received irrevocable undertakings to accept the Offer from the Easynet Directors and certain other Easynet Shareholders in respect of, in aggregate, 19,175,334 Easynet Shares, representing approximately 15.9 per cent. of the issued share capital of Easynet. BSKyB has also received a letter of intent to accept the Offer from GAM London Limited in respect of 7,100,000 Easynet Shares, representing approximately 5.9 per cent. of the issued share capital of Easynet.

Edgar Filing: BRITISH SKY BROADCASTING GROUP PLC - Form 6-K

Accordingly, BSkyB has received irrevocable undertakings and a letter of intent to accept (or procure the acceptance of) the Offer in respect of, in aggregate, 26,275,334 Easynet Shares, representing approximately 21.8 per cent. of the issued share capital of Easynet. Further details of the irrevocable undertakings and the letter of intent are set out in Appendix II.

BSkyB believes that the acquisition of Easynet will bring it:

- * an established presence in UK broadband:
- * a leading position in Local Loop Unbundling in the UK with 232 local exchanges unbundled
- * managerial and technical expertise to expand this local infrastructure through the unbundling of additional exchanges
- * ownership of key parts of a national network, giving it control over the quality and availability of services to customers and the ability to offer differentiated and innovative products
- * an attractive source of new revenues and new customers for BSkyB as a result of involvement in a fast growing segment of the UK communications sector. The number of UK broadband connections increased from approximately 4.4 million to 8.1 million, an increase of 86 per cent., in the twelve months to 30 June 2005, and is projected to continue to grow further in the future
- * the opportunity to build on its nearly 8 million DTH subscriber relationships.

The Offer Document and Form of Acceptance are being posted to Easynet Shareholders (and, for information only, to Easynet Optionholders), although the Offer is not being made, directly or indirectly, in or into the United States, Canada, Australia or Japan. Copies of the Offer Document and the Form of Acceptance are available from Capita Registrars at Corporate Actions, PO Box 166, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TH, from Lazard at 50 Stratton Street, London W1J 8LL and from Morgan Stanley at 25 Cabot Square, Canary Wharf, London E14 4QA.

Commenting on the Offer, BSkyB's Chief Executive, James Murdoch, said:

"Today's offer reflects the exciting opportunities that now exist to combine quality entertainment with significant high-speed connections. Entertainment is at the core of Sky's success. Easynet's innovative network and technological expertise perfectly complement Sky's strengths in programming and in making technologies easy to use. We see value for families in moving well beyond just another triple play to offer a new level of connected entertainment and communications services."

Commenting on the Offer, Easynet's Chief Executive, David Rowe, said:

"We believe that this offer is in the interests of Easynet's shareholders, customers and employees. This is a great opportunity to accelerate Easynet's local loop footprint, capture market share for next generation broadband services and support new and existing corporate and public sector customers."

for each Easynet Share 175 pence in cash

The Offer values the entire issued share capital of Easynet at approximately GBP 211 million.

The Offer represents a premium of:

- * approximately 81 per cent. to the Closing Price of 96.5 pence for each Easynet Share on 14 October 2005, the last business day prior to the commencement of the Offer Period; and
- * approximately 38 per cent. to the Closing Price of 127.0 pence for each Easynet Share on 20 October 2005, the last business day prior to the date of this announcement.

Easynet Shares will be acquired pursuant to the Offer fully paid and free from all liens, equities, charges, encumbrances, rights of pre-emption and any other third party rights or interests of any nature whatsoever and together with all rights now or hereafter attaching thereto, including voting rights and, without limitation, the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid on or after the date of this announcement.

3. Recommendation

The Easynet Directors, who have been so advised by ABN AMRO, consider the terms of the Offer to be fair and reasonable and unanimously recommend that Easynet Shareholders accept the Offer, as the Easynet Directors have irrevocably undertaken to do (or procure to be done) in respect of their own beneficial interests and holdings. In providing advice to the Easynet Directors, ABN AMRO has taken into account the commercial assessments of the Easynet Directors.

4. Irrevocable undertakings and letter of intent

BSkyB has received irrevocable undertakings to accept (or procure the acceptance of) the Offer from the Easynet Directors in respect of their entire beneficial shareholdings amounting to, in aggregate, 3,811,889 Easynet Shares, representing approximately 3.2 per cent. of the issued share capital of Easynet. These undertakings to accept the Offer are also binding in the event of a competing offer being made for Easynet.

BSkyB has also received irrevocable undertakings to accept (or procure the acceptance of) the Offer from certain other Easynet Shareholders in respect of, in aggregate, 15,363,445 Easynet Shares, representing approximately 12.8 per cent. of the issued share capital of Easynet. These undertakings to accept the Offer are also binding in the event of a competing offer being made for Easynet.

BSkyB has also received a letter of intent to accept the Offer from GAM London Limited in respect of 7,100,000 Easynet Shares,

Edgar Filing: BRITISH SKY BROADCASTING GROUP PLC - Form 6-K

representing approximately 5.9 per cent. of the issued share capital of Easynet.

Accordingly, BSkyB has received irrevocable undertakings and a letter of intent to accept (or procure the acceptance of) the Offer in respect of, in aggregate, 26,275,334 Easynet Shares, representing approximately 21.8 per cent. of the issued share capital of Easynet.

Further details of the irrevocable undertakings and the letter of intent are set out in Appendix II.

5. Background to and reasons for recommendation of the Offer

The Board of Easynet believes that the terms of the Offer represent an attractive opportunity for Easynet Shareholders to realise their investment for cash at a substantial premium to the prevailing share price, providing certain value against the risks associated with the fulfilment of the Easynet Group's strategy in the medium term.

Easynet continues to expand its established core corporate business around its innovative IP VPN (Internet Protocol virtual private network) solutions and continues to win significant new customers. The Ofcom review published in June 2005 encouraged Easynet to extend its local loop footprint further in the UK, capitalising on its next generation network and benefiting from the rapidly developing opportunities in broadband. Easynet has therefore started to invest significantly in products, provisioning, support and systems to handle the rapid increase in volumes from consumer broadband operations, both directly through UK Online and indirectly through LLUstream, Easynet's wholesale LLU service. In July 2005, Easynet announced its intention to expand its UK local loop footprint with a view to targeting coverage of up to 350 exchanges, covering approximately 5.8 million homes and 850,000 businesses. The additional exchange roll-out is expected to be based on visibility provided by pre-registrations from UK Online and wholesale customer demand. This extension is also expected to support Easynet's current leased line replacement and VPN services.

With this additional investment, Easynet is seeking to capture market share in the rapidly evolving next generation broadband arena. With its limited exposure to "legacy" revenues, its 21st Century IP network, local loop assets and local loop experience, the Board believes that Easynet is well positioned in the evolving telecoms market place.

Nevertheless, each of Easynet's market segments is highly competitive and the Board evaluates each investment opportunity in light of the related risks. In the current competitive environment, there are risks, both operational and financial, in executing the next phase of Easynet's development. While the Board has every confidence in Easynet's current strategy and its ability to deliver value, it has carefully considered the certainty of immediate value for Easynet Shareholders against the risks associated with delivering Easynet's strategy in the medium term.

Against this background, the Board believes that the Offer represents an attractive opportunity for Easynet Shareholders to realise their investment for cash at an attractive valuation, and accordingly is unanimously recommending the Offer.

6. Background to and reasons for the Offer

Edgar Filing: BRITISH SKY BROADCASTING GROUP PLC - Form 6-K

Broadband is a fast growing segment of the UK communications sector. The number of UK broadband connections increased from approximately 4.4 million to 8.1 million, an increase of 86 per cent. in the 12 months to 30 June 2005, and is projected to continue to grow further in the future. BSkyB believes that the characteristics of broadband as a consumer subscription business make it an attractive source of new revenues and new customers for BSkyB. Furthermore, BSkyB expects that continued developments in line speeds, interactivity and home data storage will increasingly drive convergence between broadband and other entertainment and communication services in the future.

Through the acquisition of Easynet, BSkyB believes that it will secure control of certain key elements of an advanced, Internet Protocol-based, national network including local infrastructure and that it will gain managerial and technical expertise to expand this local infrastructure through the unbundling of additional exchanges. BSkyB believes that ownership of the key parts of this network will give BSkyB control over the quality and availability of services to customers and the ability to offer differentiated and innovative products. BSkyB believes that the acquisition of Easynet will allow it to build on its nearly 8 million DTH subscriber relationships and to seek to establish a significant presence in UK consumer broadband.

7. Information on BSkyB

BSkyB is a public limited company which, together with its subsidiaries, operates the leading pay television broadcast service in the UK and Ireland.

The BSkyB Group currently owns, operates and distributes 17 television channels including Sky Movies, Sky Sports, Sky One and Sky News. In addition, the BSkyB Group currently retails 109 third party television channels and holds equity interests in a number of joint venture channels.

At 30 June 2005, there were approximately 7,787,000 DTH subscribers to the BSkyB Group television service, and approximately 3,872,000 subscribers to the cable operators to whom the BSkyB Group supplies certain of its channels, in the UK and Ireland.

In its audited accounts for the year ended 30 June 2005, the BSkyB Group reported turnover of GBP4,048 million and profit on ordinary activities before taxation of GBP631 million. As at 30 June 2005, the BSkyB Group had net liabilities of GBP34 million.

The Offeror is a wholly-owned subsidiary of BSkyB, newly incorporated for the purpose of making the Offer.

8. Information on Easynet

Founded in 1994, Easynet is a leading pan-European broadband networking company, providing customers with innovative, IP-based wide area network solutions. The Easynet network covers eight countries, enabling companies to connect their European sites to a high quality, secure and reliable MPLS network with service level guarantees and class of service.

In the UK, Easynet is the pioneer of Local Loop Unbundling delivering differentiated services to businesses, consumers and wholesale to other providers. It has 232 exchanges "unbundled" covering 4.4 million homes (18 per cent. of UK homes) and 750,000 businesses across a network that covers 50 cities and towns. In July 2005, it announced

Edgar Filing: BRITISH SKY BROADCASTING GROUP PLC - Form 6-K

plans to extend to up to 350 exchanges covering 5.8 million homes (23 per cent. of UK homes) and 850,000 businesses.

In December 2004, Easynet launched its wholesale LLU offering, LLUStream, making services from its enabled exchanges available to telecom carriers, ISPs and systems integrators and, in the process, became a significant, viable wholesale alternative to BT Wholesale. In July 2005, Easynet announced it had signed a 3-year deal to provide wholesale broadband services to OneTel.

In April 2005, UK Online launched its new consumer broadband offering. UK Online, which uses Easynet's local loop infrastructure, had approximately 21,000 subscribers at the end of August 2005.

In its audited accounts for the year ended 31 December 2004, Easynet reported turnover of GBP144.1 million, and losses on ordinary activities before taxation of GBP19.5 million. As at 31 December 2004, Easynet had gross assets of GBP174.4 million.

Set out below is a list of key members of Easynet's management team:

Name	Position
David Rowe	Chief Executive Officer
Will Gardiner	Chief Financial Officer
Justin Fielder	Group Director, Business Development
Jill Ainscough	Joint Managing Director, Easynet UK
Terry Hart	Joint Managing Director, Easynet UK

9. Management and employees

BSkyB attaches great importance to the skills and experience of the existing management and employees of Easynet and believes that opportunities for them will be enhanced in the event that the Offer becomes or is declared unconditional in all respects.

BSkyB has given assurances to Easynet that the existing employment rights (including pension entitlements) of the management and employees of Easynet will be fully safeguarded upon the Offer becoming or being declared unconditional in all respects.

10. Easynet Share Option Schemes

The Offer is being extended to any Easynet Shares which are issued or unconditionally allotted and fully paid (or credited as fully paid) while the Offer remains open for acceptance (or, subject to the Code, by such earlier date as BSKyB or the Offeror may decide), including Easynet Shares issued pursuant to the exercise of options granted under the Easynet Share Option Schemes or otherwise.

If the Offer becomes or is declared unconditional in all respects, to the extent options remain unexercised or have not lapsed, the Offeror will make appropriate proposals to the participants in the Easynet Share Option Schemes in due course.

11. Financing of the Offer

The Offer will be financed from the BSKyB Group's existing cash resources.

12. Compulsory acquisition, de-listing and cancellation of trading

If the Offer becomes or is declared unconditional in all respects and

Edgar Filing: BRITISH SKY BROADCASTING GROUP PLC - Form 6-K

if sufficient acceptances are received under the Offer, the Offeror intends to exercise its rights pursuant to the provisions of sections 428 to 430F of the Companies Act to acquire compulsorily the outstanding Easynet Shares to which the Offer relates on the same terms as the Offer.

If the Offer becomes or is declared unconditional in all respects, the Offeror also intends to procure that Easynet applies to the UK Listing Authority for the cancellation of listing of Easynet Shares on the Official List and to the London Stock Exchange for the cancellation of admission to trading of Easynet Shares on its market for listed securities. Such cancellation of listing and admission to trading will take effect no earlier than 20 business days after (a) BSKyB and the Offeror have, by virtue of their shareholding (if any) and acceptances under the Offer, acquired or agreed to acquire 75 per cent. of the issued share capital of Easynet or (b) the first date of issue of compulsory acquisition notices under section 429 of the Companies Act.

The cancellation of listing and admission to trading of Easynet Shares would significantly reduce the liquidity and marketability of any Easynet Shares not assented to the Offer.

13. Offer Document and Form of Acceptance

The Offer Document and Form of Acceptance are being posted to Easynet Shareholders and, for information purposes, to Easynet Optionholders, although the Offer is not being made, directly or indirectly, in or into the United States, Canada, Australia or Japan. Copies of the Offer Document and the Form of Acceptance are available from Capita Registrars at Corporate Actions, PO Box 166, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TH, from Lazard at 50 Stratton Street, London W1J 8LL and from Morgan Stanley at 25 Cabot Square, Canary Wharf, London E14 4QA.

If you are in any doubt as to the action you should take, you are recommended to seek your own personal financial advice immediately from your stockbroker, bank manager, solicitor, accountant or other independent financial adviser duly authorised under the Financial Services and Markets Act 2000 if you are resident in the United Kingdom or, if not, from another appropriately authorised independent financial adviser.

14. General

Neither BSKyB nor the Offeror nor, so far as BSKyB or the Offeror are aware, any person presumed to be acting in concert with them, owns or controls any Easynet Shares or any securities convertible or exchangeable into Easynet Shares or any rights to subscribe for or purchase, or options (included traded options) in respect of, or derivatives referenced to, any such shares ("Relevant Easynet Securities") nor does any such person have any arrangement in relation to Relevant Easynet Securities. For these purposes, "arrangement" includes any indemnity or option arrangement, any agreement or understanding, formal or informal, of whatever nature, relating to Relevant Easynet Securities which may be an inducement to deal or refrain from dealing in such securities.
