### Forward Looking Statements

This document contains certain forward-looking statements within the meaning of Section 21E of the US Securities Exchange Act of 1934, as amended and Section 27A of the US Securities Act of 1933, as amended, with respect to certain of the plans, current goals and expectations of Absa Group Limited (Absa) relating to its future financial condition and performance. These forward-looking statements can be identified by the fact that they do not relate only to historical or current facts. Forward-looking statements sometimes use words such as "aim", "anticipate", "target", "expect", "estimate", "intend", "plan", "objective", "believe", or other words of similar meaning. Examples of forward-looking statements include, among others, statements regarding Absa's future financial position, income growth, impairment charges, business strategy, projected levels of growth in the banking and financial markets, projected costs, estimates of capital expenditures, and plans and objectives for future operation.

By their nature, forward-looking statements involve risk and uncertainty because they relate to future events and circumstances including, but not limited to, the further development of standards and interpretations under International Financial Reporting Standards (IFRS) applicable to past, current and future periods, evolving practices with regard to the interpretation and application of standards under IFRS and pending tax elections with regard to certain subsidiaries, as well as South African domestic and global economic and business conditions, market related risks such as changes in interest rates and exchange rates, the policies and actions of government and regulatory authorities, changes in legislation, the outcome of pending and future litigation, the impact of competition, and Absa's ability to increase earnings per share from acquisitions, which may be affected, among other things, by the ability to realise expected synergies, integrate businesses, and costs associated with the acquisition and integration - a number of which factors are beyond Absa's

## Edgar Filing: BARCLAYS PLC - Form 6-K

control. As a result, Absa's actual future results may differ materially from the plans, goals, and expectations set forth in Absa's forward-looking statements.

Any forward-looking statements made by or on behalf of Absa speak only as of the date they are made. Absa does not undertake to update forward-looking statements to reflect any changes in its expectations with regard thereto or any changes in events, conditions or circumstances on which any such statement is based. The reader should, however, consult any additional disclosures that Absa has made or may make in documents it has filed or may file with South African regulatory authorities including its most recent annual report.
