To comply with EC State Aid requirements RBS has agreed a series of restructuring measures to be implemented over a four year period. This will supplement the measures in the Strategic Plan already announced by RBS. This comprises divesting fully RBS Insurance, Global Merchant Services and RBS Sempra Commodities. Further, the Group is to divest the RBS branch based business in England & Wales and the NatWest branch network in Scotland, along with the Direct SME customers across the UK. This will reduce RBS market share by 2% of the UK retail market, 5% in the SME market and 5% of the mid-corporate market.
