PROXY STATEMENT

March 17, 2004

GENERAL

This Proxy Statement and the accompanying proxy card are being mailed to shareholders of Westamerica Bancorporation (Westamerica or the Corporation) beginning on or about March 17, 2004. The Westamerica Board of Directors is soliciting proxies to be used at the 2004 Annual Meeting of Westamerica shareholders, which will be held at 11:00 a.m. P.T., Thursday, April 22, 2004, or at any adjournment or postponement of the Meeting. Proxies are solicited to give all shareholders of record an opportunity to vote on matters to be presented at the Annual Meeting. In the following pages of this Proxy Statement, you will find information on matters to be voted on at the Annual Meeting.

Voting Information

Who Can Vote. You are entitled to vote if you were a shareholder of record of Westamerica common stock as of the close of business on February 23, 2004. Your shares can be voted at the Meeting only if you are present or represented by a valid proxy.

Proxy Card. The Board has designated Arthur C. Latno, Jr., Ronald A. Nelson and Edward B. Sylvester to serve as Proxies for the Annual Meeting. As Proxies, they will vote the shares represented by proxies at the Annual Meeting. If you sign, date and return the proxy card but do not specify how you want your shares to be voted, your shares will be voted by the Proxies in favor of the election of all of the director nominees and for ratifying the appointment of independent auditors for 2004. The Proxies will have discretionary authority to vote in accordance with their judgment on any other matter that may properly come before the Meeting.

Quorum and Shares Outstanding. A quorum, which is a majority of the total shares outstanding as of the Record Date, must be present to hold the Annual Meeting. A quorum is calculated based on the number of shares represented by shareholders attending in person or by proxy. On February 23, 2004, 32,033,615 shares of Westamerica common stock were outstanding.

Required Votes Election of Director Nominees. Each share is entitled to one vote, except in the election of directors where a shareholder may cumulate votes as to candidates nominated prior to voting, but only when a shareholder gives notice of intent to cumulate votes prior to the

Edgar Filing: WESTAMERICA BANCORPORATION - Form DEF 14A

voting at the Meeting. If any shareholder gives such notice, all shareholders may cumulate their votes for nominees. Under cumulative voting, each share carries as many votes as the number of directors to be elected, and the shareholder may cast all of such votes for a single nominee or distribute them in any manner among as many nominees as desired. In the election of directors, the 10 nominees receiving the highest number of votes will be elected. If your proxy is marked **Withhold** with regard to the election of any nominee, your shares will be counted toward a quorum but they will not be voted for or against the election of that nominee.

Required Votes Ratification of Auditors. The selection of the independent auditors will be ratified if the number of shares voted in favor of the proposal is equal to at least a majority of the shares represented at the Meeting, in person or by proxy. Abstentions are deemed present for the purpose of obtaining a quorum, but for purposes of determining the outcome of the proposal, abstentions will not be treated as affirmative votes. In other words, abstentions will have the same effect as negative votes.

Broker Non-Votes. Broker non-votes will be included as present for the purpose of determining the presence of a quorum. A broker non-vote occurs under the stock exchange rules when a broker is not permitted to vote on a matter without instructions from the beneficial owner of the shares and no instruction is given on a timely basis. Brokers may vote in their discretion on routine matters, but not on non-routine matters. Applicable rules governing brokers classify the election of directors and ratification of auditors as routine matters.

How You Can Vote. You may vote by proxy or in person at the Meeting. To vote by proxy, you may select one of the following options:

Vote by Telephone. You can vote your shares by telephone by calling the toll-free telephone number shown on your proxy card. Telephone voting is available 24 hours a day, seven days a week. Easy-to-follow voice prompts allow you to vote your shares and confirm that your instructions have been properly recorded. Our telephone voting procedures are designed to authenticate the shareholder by using individual control numbers, which you will find on your proxy card. If you vote by telephone, you should **NOT** return your proxy card.

Vote by Internet. You can also choose to vote on the Internet. The web site for Internet voting is shown on your proxy card. Internet voting is available 24 hours a day, seven days a week. You will be given the opportunity to confirm that your instructions have been properly recorded. If you vote on the Internet, you should **NOT** return your proxy card.

If you vote by Internet or telephone, your vote must be received by 1:00 a.m., C.T., on April 22, 2004 to ensure that your vote is counted. For Westamerica Retirement Plan participants, your vote must be received by 1:00 a.m., C.T., on April 20, 2004.

Vote by Mail. If you choose to vote by mail, simply mark your proxy card, date and sign it, and return it in the postage-paid envelope provided.

Shares Registered in the Name of a Bank or Brokerage Firm. If your shares of common stock are held by a bank, broker or other nominee in street name, you will receive voting instructions from the record holder (including instructions, if any, on how to vote by telephone or through the Internet). You must follow these instructions in order to have your shares voted by proxy. To be able to vote in person at the meeting, you must obtain a proxy, executed in your favor, from the institution that holds your shares, indicating that you were the beneficial owner of the shares on February 23, 2004, the record date for voting.

Revocation of Proxy. If you vote by proxy, whether by telephone, Internet or mail, you may revoke that proxy at any time before it is voted at the Meeting. You may do this by: (a) signing another proxy card with a later date and delivering it to us prior to the Meeting or sending a notice of revocation to the Corporate Secretary of Westamerica at 1108 Fifth Avenue, San Rafael, CA 94901; (b) voting at a later time by telephone or on the Internet prior to the Meeting; or (c) attending the Meeting in person and casting a ballot.

Additional Information

Multiple Copies of Annual Reports to Shareholders. If you own Westamerica stock through a bank, broker, or other holder of record and received more than one copy of the Westamerica Annual Report at the same address, contact the holder of record to ask them to eliminate duplicate mailings. You should also contact the holder of record if, at a later date, you wish to resume the mailing of an Annual Report. To request additional Annual Reports or Proxy Statements, you can call Westamerica Bancorporation at (707) 863-6992 or you can send your request in writing to the Corporate Secretary of Westamerica at 1108 Fifth Avenue, San Rafael, CA 94901.

At least one account at your address must continue to receive an Annual Report, unless you elect to receive future Annual Reports and Proxy Statements over the Internet. Mailing of dividends, dividend reinvestment statements, proxy materials, and special notices will not be affected by your election to discontinue duplicate mailings of the Annual Report.

Electronic Access to Proxy Materials and Annual Reports. This Proxy Statement and the 2003 Annual Report are available on our Internet site at www.westamerica.com/investor_relations/index.html. If you hold your Westamerica common stock in street name through a broker, a bank or other nominee, you may have the option of securing your Proxy Statement and Annual Report over the Internet. If you vote this year's proxy electronically, you may also be able to elect to receive future Proxy Statements, Annual Reports and other materials electronically by following the instructions when you vote.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act) requires the Corporation's directors and executive officers and persons who own more than 10% of a registered class of the Corporation's equity securities to file with the Securities and Exchange Commission (the SEC) and the NASDAQ initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Corporation. Such persons are required by SEC regulation to furnish the Corporation with copies of all Section 16(a) forms they file.

To the Corporation's knowledge, except as disclosed below and based solely on a review of the copies of such reports furnished to the Corporation and written representations that no other reports were required, during the fiscal year ended December 31, 2003, all Section 16(a) filing requirements were complied with by Westamerica's officers, directors and 10% shareholders. Former director, Patrick J. Mon Pere, failed to timely file reports required by Section 16(a) with respect to 110 transactions as to which 108 were reported in a Form 4 filed on June 24, 2003 and two were reported in a Form 4 filed on September 27, 2003.

PROPOSAL 1 ELECTION OF DIRECTORS

On May 15, 2003, Patrick J. Mon Pere resigned from the Board of Directors. In August, based on the recommendation from a non-management director, E. Joseph Bowler was appointed to the Board of Directors. The number of directors of the Board to be elected at the Meeting to hold office for the ensuing year and until their successors are elected and qualified is ten. It is the intention of the proxy holders named in the enclosed proxy to vote such proxies (except those containing contrary instructions) for the ten nominees named below. The Board does not anticipate that any of the nominees will be unable to serve as a director, but if that should occur before the Meeting, the proxy holders reserve the right to substitute another person as nominee and vote for such person as directed by the Corporation's Board of Directors. The proxy holders reserve the right to cumulate votes for the election of directors and cast all of such votes for any one or more of the nominees, to the exclusion of the others, and in such order of preference as the proxy holders may determine in their discretion.

Board of Directors and Committees

Director Independence

The Board of Directors has considered whether any relationships or transactions related to a director were inconsistent with a determination that a director is independent. Based on this review, the Board affirmatively determined that E. Allen, L. E. Bartolini, A. C. Latno, Jr., P. D. Lynch, C. C. MacMillan, R. A. Nelson, C. R. Otto and E. B. Sylvester are independent directors, as that term is defined by applicable rules of NASDAQ.

The Corporation expects all Board members to attend all meetings, including the Annual Meeting of shareholders, except for reasons of health or special circumstances. Last year nine directors attended the Annual Meeting. The Board held a total of 12 meetings during 2003. Every director attended at least 75% of the aggregate of: (i) the 12 Board meetings or that number of Board Meetings held during the period in which they served; and (ii) the total number of meetings of any Committee of the Board on which such director served.

The Committee will annually recommend a slate of nominees to be submitted for election at each Annual Meeting. As part of that process, it will evaluate and consider all candidates submitted by shareholders in accordance with the Corporation's bylaws and will consider each existing Board member's contributions to evaluate his or her experience as a Director prior to recommending for re-nomination each year. The Committee will apply the same standards to evaluate candidates whether the candidate was recommended by a shareholder or otherwise. The minimum criteria set for all nominees is found below.

Nominating Directors: For the Annual Meeting to be held in 2005, the Nominating Committee will consider shareholder nominations for election to the Board submitted in accordance with Section 2.14 of the Bylaws of the Corporation, which requires, among other things, that nominations be submitted in writing and must be received by the Corporate Secretary at least 45 days before the anniversary of the date on which the Corporation first mailed its proxy materials for the prior year's Annual Meeting of shareholders. Corporation Transactions with Directors and Management

Certain of the directors, executive officers and their associates have had banking transactions with subsidiaries of the Corporation in the ordinary course of business. With the exception of the Corporation's Employee Loan Program, all outstanding loans and commitments included in such transactions were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, did not involve more than a normal risk of collectibility and did not present other favorable features. As part of the Employee Loan Program, all employees, including corporate officers, are eligible to receive mortgage loans at one percent (1%) below the Bank's prevailing interest rate at the time of loan origination.

Board Compensation Committee Report⁽¹⁾

Overview. The Employee Benefits and Compensation Committee of the Board of Directors (the Committee) is comprised solely of directors who are not current or former employees of Westamerica Bancorporation and are independent, as that term is defined by applicable rules of NASDAQ. The Committee oversees the executive compensation program. The Committee recommends compensation for the CEO and other executive officers to the Board. The Committee evaluates the CEO's performance and compensation without the CEO present. This executive compensation program and annual evaluation process establishes a competitive base salary for each executive and offers incentive compensation which can provide additional compensation if established performance measures are achieved.

Compensation Objectives and Policies. The Committee seeks to ensure that:

incentive compensation is closely linked to company-wide, division and individual performance;

the interests of the Corporation's key employees are aligned with those of its shareholders through stock-based incentives and resulting stock ownership; and

compensation and benefits are set at levels that enable the Corporation to attract and retain highly qualified employees.

In determining total compensation, the Committee obtains competitive market data, comparing the Corporation's compensation practices to those of a peer group of companies. The peer group is comprised of companies in the banking industry with which the Corporation competes for executive talent and which are generally comparable with respect to business activities.

Base Salary and Bonus. Each executive officer named in the Summary Compensation Table receives a monthly base salary and is eligible to receive an annual cash bonus. Over time, the Committee intends to limit base salaries, creating an increasing reliance on annual cash bonuses to achieve targeted total cash compensation, thus increasing the percentage of total compensation dependent upon meeting specific performance objectives.

Corporate performance measures are established each year based on the Corporation's business objectives. Specific criteria for each corporate objective are established for Threshold, Target, and Outstanding performance. Achievement of these annual corporate-level performance measures determines between 55% and 80% of the annual cash bonuses to be paid to each named executive, with the remaining 45% to 20% of the annual cash bonus determined by individual and division-level performance. This furthers the Committee's goal of linking management compensation to shareholder interests.

Stock Options and Restricted Performance Shares. Each named executive officer may be awarded an annual grant of stock options if one-year corporate-level goals are achieved. Stock options are priced at 100% of fair market value on the date of grant and generally vest over three years. Options generally expire ten years after grant. All named executive officers are also eligible to receive an annual grant of restricted performance shares. Restricted performance shares generally vest three years after grant but only if three-year corporate-level performance goals are met.

⁽¹⁾ The material in the Compensation Committee Report and the investment performance graph included elsewhere in this proxy statement is not soliciting material, is not deemed filed with the Securities and Exchange Commission, and is not to be incorporated by reference in any of the Corporation's filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, whether made before or after the date of this proxy statement and irrespective of any general incorporation language therein.

Performance Criteria. Specific criteria for each corporate objective are established for Threshold, Target, and Outstanding performance. During 2003, corporate performance measures for cash bonuses and stock option grants included meeting predetermined target levels for:

return on equity, return on assets and earnings per share;

credit quality measures;

revenue per share growth;

controlling non-interest expenses;

maintaining satisfactory audit results; and

improving service quality.

Additional corporate performance objectives for a three-year period are established by the Committee to accompany each grant of restricted performance shares. Whether each grant vests three years following the date of grant is determined by achievement of these pre-established, three-year performance objectives which may include one or more of the following:

earnings, diluted earnings per share;

revenue and revenue per diluted share;

expenses;

share price;

return on equity, return on assets;

return on equity and return on assets relative to the average return on equity for similarly-sized institutions;

efficiency ratio (operating expenses divided by operating revenue);

net loan losses as a percentage of average loans outstanding; and

nonperforming assets and nonperforming assets as a percentage of total assets.

Compensation of Chief Executive Officer. Mr. Payne's 2003 base salary was \$371,000 and annual cash bonus was \$450,000. His 2003 bonus (included in the Summary Compensation Table below) was related 80% to the achievement of the corporate goals listed above and 20% to the

Edgar Filing: WESTAMERICA BANCORPORATION - Form DEF 14A

achievement of individual management goals. Individual management goals achieved in 2003 included satisfactory results from regulatory examinations, satisfactory internal controls, satisfactory progress on acquisition activity, satisfactory progress on employee development plans, and satisfactory improvements in service quality. Pursuant to the 1995 Stock Option Plan, Mr. Payne was granted 250,000 nonqualified stock options in January 2004 which was related to achievement of the 2003 performance measures. Compared to the corporate objectives, the Corporation:

exceeded its profitability objectives;

improved credit quality measures to better than targeted levels;

outperformed non-interest expense and control goals; and

improved efficiency measures to better than targeted levels.

Other. Internal Revenue Code (IRC) Section 162(m) places a limit of \$1,000,000 on the amount of compensation that may be deducted by the Corporation in any year with respect to certain of the Corporation s highest paid executives. Certain performance-based compensation is not counted toward this limit. The Corporation intends generally to qualify compensation paid to executive officers for deductibility under the IRC, including Section 162(m), but reserves the right to pay compensation that is not deductible under Section 162(m).

The Employee Benefits and Compensation Committee believes that the foregoing compensation programs and policies provide competitive levels of compensation, encourage long-term performance and promote management retention while further aligning shareholder and management interests in the performance of the Corporation and the Corporation s common stock.

All of these grants were made on January 23, 2003, based on achievement of 2002 corporate performance objectives.

⁽¹⁾ All options are nonqualified stock options, which vest ratably over a three-year period commencing one year after the grant date. All options have an exercise price equal to the market value on the date of grant. The terms of all of the Corporation's stock option plans provide that options may become exercisable in full in the event of a Change of Control as defined in the 1995 Stock Option Plan.

⁽²⁾ The Roll-Geske option pricing model (Modified Roll), which is used to determine grant date present value, modifies the Black-Scholes Model to take into account dividends and American options. To derive the per share option value of \$5.79, the assumptions used include 10.0% annual dividend growth, a risk-free rate equal to the seven-year interpolated treasury yield of 3.30%, volatility of 17.0% and a seven-year maturity.

The following table sets forth the stock options exercised in 2003 and the December 31, 2003 unexercised value of both vested and unvested stock options for the Corporation's Chief Executive Officer and the four other most highly compensated executive officers.

Other Compensation Arrangements

Certain Employment Contracts

Westamerica entered into an employment agreement with Mr. Entwisle, dated January 7, 1987. Mr. Entwisle's annual base salary is \$134,280. The agreement is evergreen in the sense that the term of the agreement is automatically extended for one additional month upon completion of each additional month of employment unless Westamerica gives Mr. Entwisle one year's notice of intent to terminate. Westamerica may terminate Mr. Entwisle's employment without cause and Mr. Entwisle may terminate his employment for good reason, as defined in the agreement. Under such circumstances, however, Mr. Entwisle would be entitled to severance pay or liquidated damages equal to the sum of: (i) one time his annual base salary; (ii) his maximum bonus(es) had he remained employed one additional year past the date of termination; and (iii) an amount equal to his automobile allowance for the one year preceding the date of termination.

Hans T. Y. Tjian accepted a position with Westamerica as Senior Vice President and Manager of Operations and Systems Administration under the terms set forth in a letter agreement dated April 14, 1989. Under the terms of this agreement, Mr. Tjian is entitled to: (i) receive an annual salary of \$130,008; (ii) receive a car allowance of \$1,000 per month; (iii) participate in Westamerica's executive bonus plan; (iv) participate in the Corporation's Stock Option Plan; and (v) vacation leave. In addition, Mr. Tjian is entitled to receive severance pay equal to his annual base salary for one year, if his position is eliminated as a result of a Change of Control (as defined in the agreement).

Pension Agreement

During 1997, the Corporation entered into a nonqualified pension agreement (Pension Agreement) with Mr. Payne in consideration of Mr. Payne's agreement that restricted performance shares granted in 1995, 1996 and 1997 would be canceled. In January 2000, the Employee Benefits and Compensation Committee (the Committee), based on the Corporation's achievement of certain performance goals which had first been established for Mr. Payne's 1995, 1996, and 1997 restricted performance shares, determined Mr. Payne's annual pension will be \$511,950. The vested portion of the pension will be paid to Mr. Payne as a 20-year certain pension commencing at age 55. Mr. Payne became fully vested in the pension on December 31, 2002.

As part of the Pension Agreement, if Mr. Payne becomes subject to an excise tax as a result of the accelerated vesting of the pension in connection with a Change of Control (as defined in the Pension Agreement), Mr. Payne will also receive a cash payment equal to the sum of (i) the portion of any excise tax due attributable to the vested pension in excess of the portion of any excise tax that would be due if Mr. Payne's restricted performance shares had not been canceled, and (ii) the amount necessary to restore Mr. Payne to the same after-tax position as if no such excise tax had been imposed.

Deferred Compensation Agreement

In December 1998, the Corporation entered into a deferred compensation agreement with Mr. Payne for additional discretionary deferred compensation to provide an incentive to remain with the Corporation. The deferred compensation was to be delivered in the form of discretionary monthly company contributions to be deposited in a non-qualified deferred compensation plan. The Committee was to periodically review the accumulated deferred compensation balance, including investment performance, to determine if the additional discretionary company contributions were necessary to provide Mr. Payne with an appropriate level of benefits. The amount of such additional company contributions was to be determined quarterly by the Committee and be based on Mr. Payne's attainment of certain performance goals to include, but not be limited to, shareholder returns, overall financial performance, merger and acquisition activities, loan review examinations, asset quality and related reserves, and revenue growth.

In 2002, the Compensation Committee and Mr. Payne mutually agreed that monthly contributions be temporarily suspended. As a result no contributions were made in 2003. Mr. Payne's deferred compensation award of \$456,430 was paid in a lump sum on January 1, 2004 pursuant to the provision that he be continuously employed through that date.

PROPOSAL 2 RATIFICATION OF AUDITORS

The Audit Committee has approved the selection of the firm of KPMG LLP to serve as independent auditors for 2004 to examine the consolidated financial statements of the Corporation. Action by the shareholders is not required by law in the appointment of independent auditors, but their appointment is submitted by the Audit Committee and the Board of Directors in order to give the shareholders an opportunity to present their views. If the proposal is approved, the Audit Committee, in its discretion, may direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of the Corporation and its shareholders. If the proposal to ratify the selection of KPMG LLP as the Corporation's independent auditors is rejected by the shareholders then the Audit Committee will reconsider its choice of independent auditors. The Board of Directors recommends that the shareholders vote for the proposal to ratify the selection of the Corporation's independent auditors.

Audit Fees

The aggregate fees billed to the Company by KPMG LLP with respect to services performed for fiscal 2003 and 2002 are as follows:

	<u>2003</u>	<u>2002</u>
Audit fees ⁽¹⁾	\$ 385,000	\$ 350,000
Audit related fees		
Tax fees ⁽²⁾	8,000	34,375
All other fees		
	<u>\$ 393,000</u>	<u>\$ 384,375</u>

(1) Audit fees consisted of fees billed by KPMG LLP for professional services rendered for the audit of Company's consolidated financial statements included in the 10-K, for reviews of the financial statements included in the Company's quarterly reports on Form 10-Q, and for audits of mortgage banking subsidiaries for fiscal 2003 and 2002.

(2) Tax fees consisted principally of fees billed by KPMG LLP for assistance relating to tax compliance and reporting for fiscal 2003 and 2002.

The Audit Committee's policy is to pre-approve all audit, audit-related, and tax services and fees by the Company's independent auditors and approve all other services and fees. The Audit Committee pre-approved all audit services, audit-related services and tax services performed for the Company by KPMG LLP during fiscal 2003.

The Audit Committee considered whether the provision of the services other than the audit services is compatible with maintaining KPMG LLP's independence.

Representatives of KPMG LLP will be present at the Annual Meeting with the opportunity to make a statement, if they desire to do so, and to respond to appropriate questions.

THE BOARD RECOMMENDS RATIFICATION OF KPMG LLP AS INDEPENDENT AUDITORS FOR 2004.

AUDIT COMMITTEE REPORT ⁽¹⁾

The Audit Committee is composed of four Directors who are neither officers nor employees of the Company, and who meet the independence requirements for audit committee members of NASDAQ and of the Securities and Exchange Commission (SEC). A written charter approved by the Board of Directors governs the Committee, a current version of which is included as Appendix A to this Proxy Statement. The Audit Committee selects and retains the Corporation's independent auditors, and assists the Board in its oversight of the integrity of the Corporation's financial statements and the internal audit and control function. The Audit Committee oversees the performance of the independent auditors in their conduct of the audit.

The Board of Directors appointed Ronald A. Nelson as the Chairman of the Audit Committee. The Board has determined that Mr. Nelson is both independent and an audit committee financial expert, as defined by SEC regulations.

The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management or the independent auditors. In performing its functions, the Audit Committee acts only in an oversight capacity and necessarily relies on the work and assurances of the Corporation's management, which has the primary responsibility for financial statements and reports, and of the independent auditors, who, as part of their examination, express an opinion on the conformity of the Corporation's annual financial statements to generally accepted accounting principles. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited consolidated financial statements and discussed such statements with management and the independent auditors.

Management represented to the Audit Committee that the Corporation's consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee discussed with the independent auditor matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees) as amended, including the auditor's judgment about the quality as well as the acceptability of the Corporation's accounting principles, as applied in its financial reporting.

The Corporation's independent auditors also provided to the Audit Committee the written disclosures and the letter from the independent auditors required by the Independence Standards Board No. 1 (Independence Discussions with the Audit Committees). The Audit Committee discussed with the independent auditors the firm's independence.

Based on the Audit Committee's discussion with management and the independent auditors, the Audit Committee's review of the representations of management and the report of the independent auditors to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2003, for the filing with the SEC. The Audit Committee and the Board of Directors also have appointed the Corporation's independent auditors.

Oversight of the Company's Relationship with its Independent Auditors

10. Review and evaluate the experience and qualifications of the lead members of each independent auditor's team.
11. Evaluate the performance and independence of each independent auditor, including considering whether the auditor's quality controls are adequate and the provision of permitted non-audit services is compatible with maintaining the auditor's independence. The opinions of management and the internal auditor shall be taken into consideration as part of this review.
12. Receive and review a report from each independent auditor at least annually regarding the independent auditor's independence and discuss such reports with the auditor. 23. Discuss with management and each independent auditor any correspondence with regulators or governmental agencies and any published reports which raise material issues regarding the Company's financial statements or accounting policies.
24. Prepare the report required by the rules of the Securities and Exchange Commission to be included in the Company's annual proxy statement.

27. Meet at least annually with the senior internal audit officer or other members of management if needed, in separate executive sessions.

While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits, or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the independent auditor.
