PROXY STATEMENT

This proxy statement is being furnished in connection with the solicitation by the Board of Directors of the Company of proxies for the annual meeting of stockholders of Storage Computer Corporation to be held on Thursday July 15, 2004 at 10:00 AM EST at the offices of the Company, 11 Riverside Drive, Nashua, New Hampshire, and at any postponements or adjournments thereof.

The Company is mailing this proxy statement, the accompanying proxy card and the Company's 2003 Annual Report on or about June 28, 2004 to the holders of record of the Company's outstanding shares of common stock on April 28, 2004. The Board of Directors of the Company is soliciting the accompanying proxy for use at the annual meeting. The Company will bear the cost of solicitation of proxies. Directors, officers and employees may assist in the solicitation of proxies, in person or otherwise, without additional compensation.

ABOUT THE MEETING

What is the purpose of the annual meeting?

At our annual meeting, stockholders will act upon the matters outlined in the Notice of Annual Meeting of Stockholders on the cover page of this proxy statement. In addition, management will report on the performance of the Company during fiscal 2003 and respond to questions from stockholders.

Who is entitled to vote at the meeting?

Only stockholders of record at the close of business on April 28, 2004, the record date for the meeting, are entitled to receive notice of and to vote at the annual meeting. If you were a shareholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the meeting, or any postponements or adjournments of the meeting. Each share of common stock is entitled to one vote on all matters presented at the annual meeting.

Who can attend the meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend the meeting, and each may be accompanied by one guest. Seating, however, is limited. Admission to the meeting will be on a first-come, first-served basis. Registration will begin at 8:30 a.m. If you attend, please note that you may be asked to present valid picture identification, such as a driver's license or passport. Cameras, recording devices and other electronic devices will not be permitted at the meeting. Please also note that if you hold your shares in street name (that is, through a broker or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date and check in at the registration desk at the meeting.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the aggregate voting power of the Company's common stock outstanding on the record date will constitute a quorum, permitting business to be conducted at the meeting. As of the record date, 38,910,125 shares of the Company's common stock, representing the same number of votes, were outstanding. Thus, the presence of the holders of common stock representing at least 19,455,064 votes will be required to establish a quorum. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of votes considered to be present at the meeting.

Table of Contents

How do I vote?

If you complete and properly sign the accompanying proxy card and return it to the Company, it will be voted as you direct in the proxy card. If you are a registered stockholder and attend the meeting, you may either vote or deliver your completed proxy card in person at the meeting. Street name stockholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with the Secretary of the Company either a notice of revocation or a duly executed proxy bearing a later date. In addition, the powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

What are the Board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board of Directors. The Board's recommendations are set forth together with the description of each proposal to be voted upon in this proxy statement. In summary, the Board recommends you vote: **For** election of the nominated slate of directors (see page 6); **For** Amendment to the 1999 Stock Incentive Plan (see page 17); **For** Amendment of the Company's Certificate of Incorporation to increase the authorized number of shares of Common Stock of the Company from 50,000,000 shares to 100,000,000 shares (see page 18); and **For** ratification of the appointment of Sullivan Bille, P C as the Company's independent auditors for fiscal year 2004 (see page 18).

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

What vote is required to approve each proposal?

Election of Directors. The affirmative vote of a plurality of the votes cast at the meeting is required for the election of directors. A properly executed proxy marked **WITHHOLD AUTHORITY** with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. If no instructions are indicated on your proxy card, the shares represented by your proxy will be voted **FOR** the election of the nominees for director listed in this proxy statement.

Amendment to the 1999 Stock Incentive Plan. The affirmative vote of a plurality of the votes cast at the meeting is required for approval the amendment to the 1999 Stock Incentive Plan.+

Edgar Filing: STORAGE COMPUTER CORP - Form PRER14A

Increase of Authorized Shares of Common Stock. To increase by 50,000,000 the number of authorized shares of the Company's Common Stock requires the affirmative vote of a majority of all outstanding shares of Common Stock entitled to vote.

Other Items. For each other proposal, the affirmative vote of the holders of a majority of the shares represented in person or by proxy at the meeting and entitled to vote on the item will be required for approval. A properly executed proxy marked ABSTAIN with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

If you hold your shares in street name through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such broker non-votes will, however, be counted in determining whether there is a quorum.

The Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under the Committee's charter. To carry out its responsibilities, the Committee met four times during fiscal 2003.

On March 19, 2004 after discussions between our management and BDO Seidman L.L.P. (BDO) it was mutually agreed that BDO would no longer serve as our independent auditor. The decision was approved by the Audit Committee of our Board of Directors.

BDO's reports on the financial statements for our most recent two fiscal years ended December 2001 and 2002 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. During our two most recent fiscal years ended December 31, 2001 and 2002, and through March 26, 2004, there were no disagreements with BDO on any matter of accounting principles or practices, financial statement disclosure or auditing scope and procedure, which disagreement, if not resolved to the satisfaction of BDO, would have caused BDO to make reference to the subject matter of the disagreement(s) in connection with its report. None of the reportable events as defined in paragraph (A) through (D) of Item 304(a)(1)(v) of regulation S-K occurred during our two most recent fiscal years ended December 31, 2001 and December 31, 2002, and through March 26, 2004.

We have provided BDO with a copy of the above disclosure as it appeared in our Form 8K filing. A copy of BDO's letter dated March 25, 2004 stating its agreement with the above is filed in our Form 8K filing as exhibit 16.1.

Edgar Filing: STORAGE COMPUTER CORP - Form PRER14A

We have engaged Sullivan Bille PC (Sullivan Bille) as our new independent auditor, effective March 19, 2004. The decision to engage Sullivan Bille was recommended by the Audit Committee of our Board of Directors and was approved by our Board of Directors.

During our two most recent fiscal years ended December 31, 2001 and December 31, 2002, and the subsequent interim period commencing December 31, 2002 we did not consult with Sullivan Bille regarding any matters or events set forth in Item 304 (a)(2)(i) and (ii) of regulation S-K.

In overseeing the preparation of the Company's financial statements, members of the Committee met with both management and the Company's outside auditors to review and discuss all financial statements prior to their

issuance and to discuss significant accounting and disclosure issues. Management advised the Committee that all financial statements were prepared in accordance with generally accepted accounting principles, and the Committee discussed the statements with both management and the outside auditors. The Committee's review included discussion with the outside auditors of matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communication With Audit Committees).

With respect to the Company's outside auditors, the Committee, among other things, discussed with Sullivan Bille PC matters relating to the auditors independence, and has received the written disclosures and letter from Sullivan Bille PC as required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

On the basis of these reviews and discussions, the Committee recommended to the Board of Directors that the Board approve the inclusion of the Company's audited financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003, for filing with the Securities and Exchange Commission. In addition, the Committee recommended to the Board of Directors the appointment of Sullivan and Bille, PC as the Company's independent auditors for fiscal year 2004.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee of the Board of Directors consists of Messrs. Gardner and Wooters. Mr. Gardner was formerly an officer of the Company, serving as its President from May 8, 2000 until August 28, 2002. See Are there certain relationships and related transactions among the Company and its Executive Officers or the Board of Directors? on page 8 for a discussion of certain related transactions between Mr. Gardner and the Company.

Report of the Compensation Committee

The following report of the Compensation Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange of 1934, except to the extent the Company specifically incorporates this Report by reference.

The Compensation Committee determines the compensation of the executive officers of the Company and sets policies for and reviews the compensation awarded to the other officers of the Company. This is designed to ensure consistency throughout the officer compensation programs. In reviewing the individual performances of the executive officers (other than the Chief Executive Officer and President) the Compensation Committee takes into account the views of the Chief Executive Officer. In fiscal year 2003, the Compensation Committee determined the base salary for executive officers, other than for the Chief Executive Officer and the President, based largely on recommendations by the Company's Chief Executive Officer.

During the fiscal year ended December 31, 2003, the Compensation Committee of the Board of Directors was responsible for establishing and administering the compensation policies that govern annual salary, bonuses, and stock-based incentives (currently stock options) for directors, officers and employees.

The Company's compensation program for executive officers consists of two key elements:

A base salary; and

periodic grants of stock options.

Base Salary. Base salary is generally set within the ranges of salaries of executive officers with comparable qualifications, experience and responsibilities at other companies of similar size, complexity and profitability, taking into account the position involved and the level of the executive's experience. In addition, consideration is given to other factors, including an officer's contribution to the Company as a whole.

Annual Bonus Compensation. Over the past five years, the Company has generally not awarded cash bonuses to its executive officers. In connection with Mr. Hood's participation in the Company's 2002 Short-Term Deferred Compensation Plan a bonus of \$8,270 was accrued and deferred at December 31, 2002.

Long Term Incentives. Currently, stock options are the Company's primary long-term incentive vehicle. Stock option awards have been made from time to time to persons who currently serve as middle and upper level managers, including the executive officers named in the Summary Compensation Table. The size of awards has historically been based on position, responsibilities, and individual performance.

The Compensation Committee is aware that the Company's grants of stock options are less frequent and smaller in size than the grants of many comparable companies, although the Committee believes that the overall mix of compensation components has been adequate.

Edgar Filing: STORAGE COMPUTER CORP - Form PRER14A

On July 19, 2002, the Committee at the direction of the Board of Directors authorized the repricing of options to purchase 2,610,110 shares of common stock from an exercise price ranging between \$1.44 and \$12.17 per share to an exercise price of \$1.37 per share, which represented the fair market value of our common stock on the date of the repricing.

The Company has historically established levels of executive compensation that provide for a base salary intended to allow the Company to hire and retain qualified management. From time to time the Company has

Table of Contents

also granted stock options to executives and key employees to keep the management focused on the stockholders' interests. The Compensation Committee believes that the Company's past compensation practices provided an overall level of compensation that is competitive with companies of similar size and complexity. During 2003 salary levels were significantly reduced to conserve cash. The Company intends to restore competitive salary levels when cash flow permits. The Company has been able to retain a core of employees to continue the operations of the business.

Chief Executives Officers Compensation. After consideration and comparison of other industry executives, the Compensation Committee continued the annual salary level of the Company's Chief Executive Officer, Mr. Goodlander, at \$200,000 per year. However, Mr. Goodlander's salary was temporarily reduced by 75% for the last five months of 2003 to conserve cash.

PROPOSAL NO. 2 AMENDMENT TO THE 1999 INCENTIVE STOCK PLAN

The Board of Directors proposes to amend Section 4(a) of the Company's amended and restated 1999 Incentive Stock Plan (The 1999 Plan) to increase the maximum number of shares of Common Stock with respect to which options may be granted under The Plan from 2,000,000 to 6,000,000. (The 1999 Incentive Stock Plan, as amended and restated, is hereafter referred to as the "1999 plan")

In all other respects, the 1999 plan is unchanged from the prior version. Accordingly, the Board of directors proposes that the first sentence of Section 4(a) of the 1999 Plan be amended to read as follows: Subject to adjustment by the operation of Section 4(b) hereof, the maximum number of shares with respect to which Options may be granted under the 1999 plan is 6,000,000 shares

The 1999 plan is intended to promote the long-term interests of the Company and its shareholders by providing directors, consultants, officers and other employees of the Company with additional incentive arising from capital stock ownership to promote the financial success of, and to provide future services to, the Company. The 1999 plan shall be administered by two or more members of the Board of Directors (the "Committee"), each of whom shall be a disinterested person as defined in Rule 16b-3 (or successor provision), promulgated by the SEC. The Committee has full authority and power to:

Construe and interpret provisions of the 1999 Plan and make rules and regulations for the 1999 plan not inconsistent with the 1999 Plan;

Decide all questions of eligibility for the 1999 plan participation and for the grant of awards;

Adopt forms of awards and other documents consistent with the 1999 plan;

Engage agents to perform legal, accounting, and other such professional services as it may deem proper for administering the 1999 plan; and

Take such other actions as may be reasonable, required or appropriate to administer the 1999 Plan or to carry out the Committee activities contemplated by other sections of the 1999 Plan.

The 1999 plan will be available to all employees, officers and directors of the Company. In accordance with the 1999 Plan, the exercise price of any option shall be determined by the committee. Grants will consist of Qualified (ISO) and Non-Qualified Options. With respect to an ISO option, the exercise price shall not be less than 100% (or with respect to any participant owning more than 10% of the combined voting of all classes of the Company's or an affiliate's stock, 110%) of the fair market value per share on the date of grant.

Notwithstanding the foregoing, in no event shall the Exercise Price of an Option be less than the par value per share.

Edgar Filing: STORAGE COMPUTER CORP - Form PRER14A

Any option granted under the 1999 Plan will expire no later than ten years from the date of the grant. As of April 23, 2004 each share of Common Stock had a closing price of \$0.37, so that the 6,000,000 shares of common stock underlying the 1999 plan had an aggregate market value of \$2,220,000.

The approval of the Company's shareholders to increase the number of shares of Common Stock with respect to which options may be granted under the 1999 plan is required pursuant to Section 422 of the Internal Revenue Code and Rule 16b-3 of the Exchange Act. (See Exhibit B)

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR PROPOSAL NUMBER 2 TO AMEND THE 1999 INCENTIVE STOCK PLAN.

Table of Contents

PROPOSAL NO. 3 AMENDMENT TO CERTIFICATE OF INCORPORATION

On April 13, 2004, the Board of Directors approved an amendment to the Company's Certificate of Incorporation, subject to stockholder approval, to increase the authorized number of shares of Common Stock from 50,000,000 shares to 100,000,000 shares. The number of preferred shares will remain unchanged at 1,000,000 shares. On April 28, 2004, 38,910,125 shares of Common Stock were issued and outstanding, 1,803,107 shares were reserved for issuance of outstanding options, 1,097,856 shares were reserved for issuance upon exercise of outstanding warrants and 673,247 were reserved for future grants under existing option plans.

The Board believes that authorizing additional shares of Common Stock is essential to provide the Company with financial and strategic flexibility. With the authorization of the additional 50,000,000 shares of Common Stock, the Company will better be able to take advantage of opportunities that may present themselves, such as future acquisitions of businesses or assets. Furthermore, such increase in authorized shares could provide a source of financial liquidity to the Company by direct sale of Common Stock or other securities convertible into Common Stock. Additional authorized shares could also be used to increase the number of shares available for issuance to employee benefit plans. At present, The Company has no specific plans for the use of the additional 50,000,000 shares of Common Stock proposed to be authorized.

The Company's Board of Directors has not proposed the increase in the amount of authorized shares with the intention of discouraging tender offers or takeover attempts of the Company. However, the availability of additional authorized shares for issuance could render more difficult or discourage a merger, tender offer, proxy contest or other attempt to obtain control of the Company, which may adversely affect the ability of the Company's shareowners to obtain a premium for their shares of the Company's common stock.

If the stockholders approve the proposed amendment, the Company will file with the Secretary of State of the State of Delaware an amendment to its Certificate of Incorporation effecting the increase in the authorized shares.

Rights of dissenting stockholders

Under the Delaware General Corporate Law, you are not entitled to any rights of appraisal of dissenters' rights in connection with the adoption of Proposal No. 3 Amendment to Certificate of Incorporation.

The Shares with respect to which Options may be granted under the Plan may be either authorized and un-issued shares or issued shares heretofore or hereafter reacquired and held as treasury shares. An award shall not be considered to have been made under the Plan with respect to an Option to the extent that it terminates without being exercised, and new Awards may be granted under the Plan with respect to the number of Shares as to which such termination has occurred.

(b) Adjustment of Shares and Price. In the event that the Shares are changed into or exchanged for a different kind or number of Shares of stock or securities of the Company as the result of any stock dividend, stock split, combination of shares, exchange of shares, merger, consolidation, reorganization, recapitalization or other change in capital structure, than the number of Shares subject to this Plan and to Awards granted hereunder and the purchase or Exercise Price for such Shares shall be equitably adjusted by the Committee to prevent the dilution or enlargement of Awards, and any new stock or securities into which the Shares are changed or for which they are exchanged shall be substituted for the Shares subject to this Plan and to Awards granted hereunder; provided, however that fractional Shares may be deleted from any such adjustment or substitution.

5. GENERAL TERMS AND CONDITIONS OF OPTIONS

identical) among Participants thereof. In particular, the Committee shall prescribe the following terms and conditions with respect to any Options:

(i) the Exercise Price of any Option determined in accordance with Section 5(b) hereof.

(ii) the number of Shares subject to and the expiration date of any Option, provided, however that no Option shall have a term in excess of ten years from the date of grant of the Option.

(iii) the manner, time and rate (cumulative or otherwise) of exercise of such Option.

(iv) the restrictions, if any to be placed upon such Option or upon Shares which may be issued upon exercise of such Option. The Committee may as a condition of granting any Option require that a Participant agree not to exercise thereafter one or more Options previously granted to such Participant.

(v) provisions, if any, for automatic vesting of any Option upon a Change in Control of the Company.

(b) Exercise Price. The exercise price of any Option shall be determined by the Committee. With respect to an ISO, the Exercise Price of an Option shall not be less than 100% (or with respect to any participant owning more than 10% of the combined voting power of all classes of the Company's or an Affiliate's Stock, (110%) of the Fair Market Value per Share on the date of the grant. If the Company engages in a merger or business combination with another entity, options may be issued under the Plan at a price lower than Fair Market Value per share to employees of such other entity who hold employee options to purchase securities of such entity and who become employees of the Company or of a subsidiary of the Company, provided that the Exercise Price and number of shares shall be determined by the Committee generally in accordance with the principles set forth in Section 4(b) above. To the extent permitted by the Code, the Committee may designate such options as ISO's.

Notwithstanding the foregoing, in no event shall the Exercise Price of an Option be less than the par value per Share.

6. EXERCISE OF OPTIONS

(a) General Exercise Rights. An Option granted under the Plan shall be exercisable during the lifetime of the Participant to whom such Option was granted only by such Participant and, except as provided in Section 6(c), no such Option may be exercised unless at the time such Participant exercises such Option, such Participant is an employee, director or consultant of, and has continuously since the grant thereof been an employee, director or consultant of the Company. A leave of absence by an employee at the request or with the approval of the Company shall not be deemed an interruption or termination of employment, so long as the period of such leave does not exceed 180 days, or, if longer, so long as the Participant's right to re-employment with the Company is guaranteed by contract, applicable law, a vote of the Board of Directors or the Company's corporate policy in effect on the date such leave commences. An Option also shall contain such conditions upon exercise (including, without limitation, conditions limiting the time of exercise to specified periods) as may be required to satisfy applicable regulatory requirements,

including, without limitation, Rule 16b-3 (or any successor rule) promulgated by the SEC.

(b) Notice of Exercise. An Option may not be exercised with respect to less than 100 Shares, unless the exercise relates to all Shares covered by the Options at the date of exercise. An Option shall be exercised by delivery of written notice to the Company. Such notice shall state the election to exercise the Option and the number of whole Shares in respect of which it is being exercised, and shall be signed by the person or persons so exercising the Option. In the case of an exercise of an Option such notice shall either: (a) be accompanied by payment of the full Exercise Price and all applicable withholding taxes, in which event the Company shall deliver any certificate(s) representing Shares which the Participant is entitled to receive as a result of the exercise as soon as practicable after the notice has been received; or (b) fix a date (not less than 5 nor more than 15 business days from the date such notice has been received by the Company) for the payment of the full Exercise Price and all applicable withholding taxes, against delivery by the Company of any certificate(s) representing Shares which

the Participant is entitled to receive as a result of the exercise. Payment of such Exercise Price and withholding taxes shall be made as provided in Sections 6(d) and 9 hereof, respectively. In the event the Option be exercised pursuant to Section 6(c)(i) hereof, by any person or persons other than the Participant, such notice shall be accompanied by appropriate proof of the right of such person or persons to exercise the Option.

(c) Exercise After Termination of Employment. Subject to Section 6(a) and except as otherwise determined by the Committee at the date of the grant of the Option, upon termination of a Participant's employment with the Company, such Participant (or in the case of death, the persons to whom the Option is transferred by will or the laws of descent and distribution) may exercise such Option during the following periods of time (but in no event after the normal expiration date of such Option) to the extent that such Participant was entitled to exercise such Options at the date of such termination:

(i) in the case of termination as a result of death, disability or retirement of the Participant, the Option shall remain exercisable for one year after the date of termination; for this purpose, disability shall mean such physical or mental condition affecting the Participant as determined by the Committee in its sole discretion, and retirement shall mean voluntary retirement under a retirement plan, policy or program of the Company;

(ii) in the case of termination for cause or the Participant's voluntary resignation, the Option shall immediately terminate and shall no longer be exercisable; and

(iii) in the case of termination for any reason other than those set forth in subparagraphs (i) and (ii) above, the Option shall remain exercisable for three months after the date of termination.

TO THE EXTENT THE OPTION IS NOT EXERCISED WITHIN A TIMELY MANNER AS SET FORTH ABOVE, AND IN THE PROPER MANNER AS PRESCRIBED HEREIN, THE OPTION SHALL AUTOMATICALLY TERMINATE AT THE END OF THE APPLICABLE PERIOD OF TIME.

Notwithstanding the foregoing provisions, failure to exercise an ISO within the periods of time prescribed under Sections 421 and 422 of the Code shall cause an ISO to cease to be treated as an incentive stock option for purposes of Section 421 of the Code.

(d) Payment of Option Exercise Price. Upon the exercise of an Option, payment of the Exercise Price shall be made either (i) in cash (by certified check, bank draft or money order), (ii) with the consent of the Committee and subject to Section 6(c) hereof, by delivering the Participant's duly executed promissory note and related documents, (iii) with the consent of the Committee, by delivering Shares already owned by the Participant valued at Fair Market Value; provided that no shares received upon exercise of the Option thereafter may be exchanged to pay the Option price for additional Shares within the following six months, or (iv) by a combination of the foregoing forms of payment.

(e) Payment with Loan. The Committee may in its sole discretion assist any Participant in the exercise of one or more Options granted to such Participant in the exercise of one or more Options granted to such Participant under the Plan by authorizing the extension of a loan to such Participant from the Company. Except as otherwise provided in this Section 6(e), the terms of any loan (including the interest rate and terms of repayment) shall be established by the Committee in its sole discretion. The maximum amount of any loan shall not exceed 80% of the Exercise Price payable from the Shares being purchased. Any such loan by the Company shall be with full recourse against the Participant to whom such loan is granted, shall be secured in whole or in part by the Shares so purchased, and shall bear interest at a rate not less than the minimum interest rate required at the time of purchase of the Shares in order to avoid having imputed interest or original issue discount under Sections 483

Edgar Filing: STORAGE COMPUTER CORP - Form PRER14A

or 1202 of the Code. In addition, any such loan by the Company shall become immediately due and payable in full at the option of the Company, upon termination of the Participant's employment with or service to the Company for any reason whatsoever, or upon a sale of any shares acquired with such loan to the extent of the cash and fair market value of any property received by the Participants in such sale. The Committee may make arrangements for the application of payroll deduction from compensation payable to the Participant to amounts owing to the Company under any such loan. Until any loan by the Company under this Section 6(e) is fully paid in cash, the Shares shall be pledged to the Company as

security for such loan and the Company shall retain physical possession of the stock certificates evidencing the Shares so purchased together with a duly executed stock power for such Shares. No loan shall be made hereunder unless counsel for the Company shall be satisfied that the loan and the issuance of Shares funded thereby, will be in compliance with all applicable federal, state and local laws.

(f) Rights as a Shareholder. A Participant shall have no rights as a shareholder with respect to any Shares issuable or exercise of any Option, until the date of the issuance of a stock certificate to the Participant for such Shares. No adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distributions or other rights for which the record date is prior to the date such stock certificate is issued, except as provided in Section 4(b) hereof.

(g) Effect of Merger, Etc. In the event of a consolidation or merger or sale of all or substantially all of the assets of the Company in which outstanding shares of Common Stock are exchanged for securities, cash or other property of any other corporation or business entity, or in the event of a liquidation of the Company, the Board of Directors of the Company or the Board of Directors of any Corporation assuming the obligations of the Company, may in its discretion take any one or more of the following actions, as to outstanding options: (i) provide that such options shall be assumed, or equivalent options shall be substituted, by the acquiring or succeeding corporation (or an affiliate thereof), provided that any such options substituted for ISO s shall meet the requirements of Section 424 of the Code; (ii) upon written notice to the optionees, provide that all unexercised options will terminate immediately prior to the consummation of such transaction unless exercised by the optionee within a specified period following the date of such notice; (iii) in the event of a merger under the terms of which holders of the Common Stock of the Company will receive upon consummation thereof, a cash payment for each share surrendered in the merger (the Merger Price), make or provide for a cash payment to the optionees equal to the difference between (A) the Merger Price times the number of shares of Common Stock subject to such outstanding options (to the extent then exercisable at prices not in excess of the Merger Price) and (B) the aggregate exercise price of all such outstanding options in exchange for the termination of such options; and (iv) provide that all or any outstanding options shall become exercisable in full immediately prior to such event; provided that notwithstanding anything to the contrary in this Section 6(g), any action taken by the Board of Directors hereunder shall be in compliance with Rule 16b-3 and the conditions thereof necessary to maintain qualification of the Plan under Rule 16b-3. In the case of any Option which by the terms of the grant thereof (or the agreement or instrument governing such grant) or pursuant to a decision by the Board of Directors under this Section 6(g) provides for such Option becoming fully exercisable upon a Change In Control or otherwise under this Section 6, such Option shall be deemed vested on the day immediately prior to the day on which such Change in Control occurs and Participants holding such Options shall be given prior written notice of such Change in Control sufficient to permit them to exercise such Options.

(h) Manner of Exercise. Subject to the conditions set forth in the Plan, the Participant may exercise the Option(s) with respect to all or any part of the number of such shares then exercisable. The options evidenced by an Award, may be exercised subject to the requirements herein set forth by:

(i) giving written notice to exercise the option with respect to a specified number of full shares;

(ii) exercising as to not less than one hundred (100) shares at any one time, unless the number of shares to be purchased upon such exercise is the total number remaining under such Option granted;

(iii) making full payment to the Company of the amount of such Option Price for the number of shares with respect to which the option is then exercised, in accordance with the terms and conditions of Section 6(d) herein; and

Edgar Filing: STORAGE COMPUTER CORP - Form PRER14A

(iv) executing an undertaking and such other documents as the Company, in its sole discretion, shall deem necessary to lawfully effectuate the transfer of shares, evidencing the exercise of the option and/or to determine whether registration is then required under the Securities Act of 1993, or any other laws then in effect.

(i) Exercise of Option and Termination. The right of exercise is cumulative so that if the Option is not exercised to the maximum extent permissible during any exercise period, it is exercisable, in whole or in part,

B-5

with respect to all shares not so purchased, at any time prior to the Expiration Date, Last Exercise Date or earlier termination of any such Option. No Option may be exercised at any time on or after the Expiration Date, for any reason whatsoever. Subject to the provisions of Section 6 herein, to the extent that any Option, in whole or in part, is not exercised in a timely manner, the Option shall terminate and the shares shall automatically revert to the Plan.

7. SPECIAL PROVISIONS FOR ISOs

Any provision of the Plan to the contrary notwithstanding, the following special provisions shall apply to all ISOs granted under the Plan:

(i) the Option must be expressly designated as an ISO by the Committee and in an Award;

(ii) no ISO shall be granted more than ten years from the effective date of the Original Plan and no ISO shall be exercisable more than ten years from the date such ISO is granted;

(iii) the Exercise Price of any ISO shall not be less than the Fair Market Value per Share on the date such ISO is granted; provided however, that with respect to an ISO granted to any individual who, at the time such ISO is granted, owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or any Affiliate, the Exercise Price of such ISO shall be at least 110% of the Fair Market Value per Share at the date of grant;

(iv) the aggregate Fair Market Value (determined as of the time any ISO is granted) of any Company stock with respect to which any ISOs granted to a Participant are exercisable for the first time by such Participant during any calendar year (under this Plan and all other stock option plans of the Company and any predecessor) shall not exceed \$100,000 as required under Section 422 of the Code. (To the extent \$100,000 limit is exceeded, the \$100,000 in Options, measured as described above, granted earlier in time will be treated as ISOs), and

(v) any other terms and conditions as may be required in order that the ISO qualifies as an incentive stock option under Section 422 of the Code or successor provision.

8. RESTRICTIONS ON TRANSFERS; GOVERNMENT REGULATIONS

(a) Awards not Transferable. Except as set forth herein, no Option nor any right or interest of a Participant under the Plan in any instrument evidencing any Option under the Plan may be assigned, encumbered, or transferred, (whether by operation of law or otherwise). Options may be transferable in the event of the death of a Participant, by will or the laws of descent and distribution or, in the case of NQSOs, pursuant to a qualified domestic relations order as defined by the Code or Title 1 of the Employee Retirement Income Security Act or the rules there under. Notwithstanding the foregoing, to the extent permitted by applicable law (including Exchange Act Rule 16b-3), NQSOs may be transferred by a Participant to an immediate family member, or a family trust of the Participant. During the Participant's lifetime, a Participant may designate a beneficiary to receive and exercise the Participant's NQSOs upon the Participant's death. Any other attempt to transfer, assign, pledge or otherwise dispose of any Option or right or unvested stock under the Plan, or of any right or privilege conferred thereby, contrary to the

provisions of the Plan shall be null and void. **All vesting and exercising of the Options by a permitted assignee or transferee shall be determined by the Participant's eligibility and no permitted transfer or assignment shall affect, modify or alter the Participant's qualifications under the terms and conditions of the Plan.**

(b) Government Regulations. This Plan, the granting of Awards under this Plan and the issuance or transfer of Shares (and/or payments of money) pursuant thereto, are subject to all applicable Federal and state laws, rules and regulations and to such approvals by any regulatory or governmental agency (including without limitation no action positions of the Securities and Exchange Commission) which may, in the opinion of counsel to the Company, be necessary or advisable in connection therewith.

Without limiting the generality of the foregoing, no Awards may be granted under this Plan, and no Shares shall be issued by the Company, nor cash payments by the Company, pursuant to or in connection with any such

Award, unless and until, in each such case, all legal requirements applicable to the issuance or payment, which, in the opinion of counsel to the Company, have been complied with in all respects. In connection with any stock issuance or transfer, the person acquiring the Shares shall, if requested by the Company, give assurances satisfactory to counsel to the Company, in respect of such matters as the Company may deem desirable to assure compliance with all applicable legal requirements. The Company shall not be required to deliver any Shares under the Plan prior to (i) the admission of such Shares to listing or for quotation on any stock exchange, or automated quotation system on which such Shares may then be listed or quoted, and (ii) the completion and effectiveness of such registration or other qualification of such Shares under state or federal law, rule or regulation, as the Committee shall determine to be necessary or advisable.

9. TAX WITHHOLDING

The Company shall have the right to withhold from amounts due Participants, or to collect from Participants directly, the amount which the Company deems necessary to satisfy any taxes required by law to be withheld at any time by reason or participation in the Plan, and the obligations of the Company under the Plan shall be conditional on payment of such taxes. The Participant may, prior to the due date of any taxes, pay such amounts to the Company, in cash, or with the consent of the Committee, in Shares (which shall be valued at their Fair Market Value on the date of payment); provided however, that notwithstanding the foregoing, in the case of a Reporting Person, no election to use Shares for the payment of withholding taxes shall be effective unless made in compliance with any applicable requirements of Rule 16b-3 under the Exchange Act. There is no obligation under this Plan that any Participant be advised of the existence of the tax or the amount required to be withheld. Without limiting the generality of the foregoing, in any case where it determines that a tax is or will be required to be withheld in connection with the issuance or transfer of Shares under this Plan, the Company may, pursuant to such rules as a Committee may establish, reduce the number of such Shares so issued or transferred by such number of Shares as the Company may deem appropriate, in its sole discretion, to accomplish such withholding, or make such other arrangements as it deems satisfactory. Notwithstanding any other provisions of this Plan, the Committee may impose such conditions on the payment of any withholding obligation as may be required to satisfy applicable regulatory requirements including, without limitation, Rule 16b-3 (or any successor provision) promulgated by the Securities and Exchange Commission.

The Company makes no representation or warranty to the Participants, their successors and/or assigns, regarding the possible tax treatment or effect to be given to the transaction and events contemplated by an Award and the Plan, including, but not limited to, registration of an Award, Option(s) and/or transfers of stock certificates, and the Company hereby advises and directs the Participants to seek their own individual counsel and advice concerning these matters. The Participants agree that they will not rely upon the advice of any person or persons associated with the Company, including, but not limited to; possible adverse tax consequences of this transaction, Option(s) the Plan, or the exercise of any Option(s); and will waive any claim, that the Participants, or their successors and assigns, may have against the Company, and will agree to hold harmless, and will indemnify the Company against any such claim(s) and/or liability.

10. ADMINISTRATION OF THE PLAN

(a) The Committee. Except as otherwise provided by the Board, the Plan shall be administered by the Committee, which shall be comprised of two or more members of the Board of Directors, each of whom shall be a disinterested person as defined in Rule 16b-3 (or successor provision) promulgated by the Securities and Exchange Commission. In the absence of specific designation by the Board of Directors, the Committee shall consist of those members of the Board of Directors who, from time to time, shall be disinterested persons as so defined.

(b) Committee Action. A majority of the members of the Committee at the time in office, shall constitute a quorum for the transaction of business and any determination or action may be taken at the meeting of a majority vote or may be taken without a meeting by a written resolution signed by all members of the Committee. All decisions and determinations of the Committee shall be final, conclusive and binding upon all Participants and

upon all persons claiming any rights under the Plan with respect to any Options. Members of the Board of Directors and members of the Committee acting under the Plan shall be fully protected in relying in good faith upon the advice of counsel and shall incur no liability except for willful misconduct in the performance of their duties.

(c) Committee Authority. In amplification of the Committee's power and duties, but not by way of limitation, the Committee shall have full authority and power to:

(i) construe and interpret the provisions of the Plan and make rules and regulations for the administration of the Plan not inconsistent with the Plan;

(ii) decide all questions of eligibility for Plan participation and for the grant of Awards;

(iii) adopt forms of Awards and other documents consistent with the Plan;

(iv) engage agents to perform legal, accounting and other such professional services as it may deem proper for administering the Plan; and

(v) take such other actions as may be reasonable, required or appropriate to administer the Plan or to carry out the Committee activities contemplated by other sections of this Plan.

(d) Indemnification. In addition to such other rights of indemnifications as they may have as directors or as members of the Committee, the Board of Directors and the members of the Committee shall be indemnified by the Company against the reasonable expenses, including court costs and reasonable attorney's fees actually incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal therein, to which they or any of them may be a party by reason of any action taken or failure to act under or in connection with the Plan or any Award granted hereunder, and against all amounts paid by them in settlement thereof, or paid by them in satisfaction of a judgment in any such action, suit or proceeding, except where such indemnification is expressly prohibited by applicable law.

11. EFFECTIVE DATE

The effective date of the Plan shall be May 17, 1999 (the date it was approved by the Board of Directors). Nothing contained in this Plan shall be deemed to limit or adversely amend or modify the terms of, or rights of Participants under, Options granted prior to the Effective Date in any manner which derogates from or otherwise diminishes the terms of, or rights under, such Options.

12. AMENDMENT AND TERMINATION

Edgar Filing: STORAGE COMPUTER CORP - Form PRER14A

(a) The Plan. (i) Amendment. The Board of Directors may amend the Plan from time to time in its sole discretion; provided however, that no such amendment shall, without the approval of the shareholders of the Company in accordance with the laws of the State of Delaware, Section 422 of the Code and Rule 16b-3 under the Exchange Act: (A) change the class of persons eligible to receive Awards or otherwise materially modify the requirement as to eligibility for participation in the Plan; (B) increase the aggregate number of Shares with respect to which Awards may be made under the Plan; (C) materially increase the benefits accruing the Participants under the Plan; or (D) remove the administration of the Plan from the Committee or render any member of the Committee eligible to receive an Award under the Plan while serving thereon. Any purported amendment in violation of these restrictions shall be void and of no effect. Furthermore, no amendment shall impair the rights of any Participant under any Award theretofore made under the Plan, without the Participant's consent.

(ii) Termination. The Board of Directors may suspend or terminate the Plan at any time. Upon termination of the Plan, no additional Awards shall be granted under the Plan; provided however, that the terms of the Plan shall continue in full force and effect with respect to outstanding and unexercised Options granted under the Plan and Shares issued under the Plan.

(b) Awards. Subject to the terms and conditions and the limitations of the Plan, the Committee may, in the exercise of its sole discretion, modify, extend or renew the terms of outstanding Awards granted under the Plan, or accept the surrender of outstanding Awards (to the extent not theretofore exercised). Without limiting the generality of the foregoing, the Committee may in its discretion at any time accelerate the time in which any Option is exercisable, subject to compliance with the requirements of Rule 16b-3 (or successor provision) promulgated by the Securities and Exchange Commission. Notwithstanding the foregoing, however, no modifications of an Award shall, without the consent of the Participant, impair any rights or obligations under any Awards theretofore granted under the Plan.

13. MISCELLANEOUS

(a) Employment. Neither the establishment of the Plan nor any amendments thereto, nor the granting of any Award under the Plan, shall be construed as in any way modifying or affecting or evidencing any intention or understanding with respect to, the terms of the employment of or service of any Participant with, or the nomination of any Participant to stand for election as a director, by the Company. No person shall have a right to be granted Awards or having been selected as a Participant for one Award, to be so selected again.

(b) Multiple Awards. Subject to the terms and restrictions set forth in the Plan, a Participant may hold more than one Award.

(c) Written Notice. As used herein, any notices required hereunder shall be in writing and shall be given in the forms, if any, provided or specified by the Committee. Written notice shall be effective upon actual receipt by the person to whom such notice is to be given, provided however, that in the case of notices to Participants and their heirs, legatees, and legal representatives, notice shall be effective upon delivery, if delivered personally or three business days after mailing, registered first class postage prepaid to the last known address to whom notice is given. (e) Compliance with SEC Regulations. It is the Company's intent that the Plan comply in all respects with Rule 16b-3 under the Exchange Act and any successor rule pursuant thereto. If any provision of this Plan is later found not to be in compliance with Rule 16b-3, the provision shall be deemed void.
