Accredited Mortgage Loan REIT Trust

REIT was formed in May 2004 as a Maryland real estate investment trust for the purpose of acquiring, holding and managing real estate assets. All of the outstanding common shares of beneficial interest of REIT are held by Accredited Home Lenders, Inc., a wholly owned subsidiary of Accredited. REIT intends to elect to be subject to tax as a real estate investment trust under the Internal Revenue Code of 1986, as amended, as a result of which it generally will not be subject to federal income tax to the extent that it distributes its earnings to its shareholders, as required, and maintains its qualification as a real estate investment trust.

REIT's principal business objective is to acquire, hold and manage mortgage assets that will generate net income for distribution to shareholders.

Generally, REIT expects that it will acquire assets primarily in two ways:

First, in acting as the depositor in mortgage-backed securitization transactions that it sponsors, REIT will acquire the related retained interests in such transactions; and

Second, Accredited intends to transfer retained interests issued in securitization transactions to the REIT as contributions of capital.

REIT expects on a regular basis to execute securitizations of residential mortgage loans that have been originated or acquired by Accredited. In these transactions, Accredited will transfer a pool of mortgage loans to REIT as a contribution of capital. The mortgage loans are to be transferred subject to the lien of Accredited's warehouse lender. REIT then transfers the mortgage loans as a sale and contribution to a securitization trust, which is to be a wholly-owned subsidiary of REIT. The securitization trust then issues notes, which are underwritten and sold to third-party investors in a public transaction. The net proceeds of the offering are used by REIT to satisfy the warehouse debt, among other things. As the owner of the securitization trust, REIT will be entitled to receive distributions of excess cash flow released from the securitizations.

In May 2004, Accredited contributed mortgage loans and related liabilities to REIT which were then included in a securitization transaction closed by REIT in May 2004.

Accredited has executed securitizations of residential mortgage loans in which it obtained the related retained interests. In June 2004, Accredited transferred the retained interests from the Accredited Mortgage Loan Trust 2002-1 and 2002-2 securitizations to REIT as a contribution of capital. Accredited intends to transfer additional existing retained interests to REIT as capital contributions.

Accredited Home Lenders Holding Co.

Accredited is a nationwide mortgage banking company that originates, finances, sells, securitizes and services non-prime mortgage loans secured by residential real estate. Accredited focuses on borrowers who may not meet conforming underwriting guidelines because of higher loan-to-value ratios, the nature or absence of income documentation, limited credit histories, high levels of consumer debt, or past credit difficulties. Accredited originates loans primarily based upon the borrower's willingness and ability to repay the loan and the adequacy of the collateral. Accredited's management team has developed incentive programs, technology tools and business processes that focus its employees on originating non-prime mortgage loans with financial and other characteristics designed to generate profits for Accredited. Accredited believes that its business approach has contributed to disciplined growth in both origination volume and profits.

SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus and any accompanying prospectus supplement, including the information incorporated by reference, contain forward-looking statements. Forward-looking statements reflect REIT's and Accredited's current expectations or forecasts of future events. Forward-looking statements include statements about REIT's or Accredited's expectations, beliefs, plans, objectives, intentions, assumptions and other statements that are not historical facts. Words or phrases such as will, anticipate, believe, continue, ongoing, estimate, expect, intend, assume, potential, predict, project or similar words or phrases, or the negatives of those words or phrases, may identify forward-looking statements, but the absence of these words does not necessarily mean that a statement is not forward-looking. Statements that are forward-looking include, among other things, statements about the following:

REIT or Accredited's business strategy;

market trends and risks;

assumptions regarding interest rates; and

assumptions regarding prepayment rates on the mortgage loans securing Accredited's mortgage-backed securities.

Forward-looking statements are subject to known and unknown risks and uncertainties and may be based on assumptions that prove to be inaccurate or that are not realized for a number of reasons. As a result, actual results could differ materially from those expected or implied by the forward-looking statements. Actual results could differ for many reasons, including the disclosures and risks described in this prospectus, any accompanying prospectus supplement and the documents incorporated by reference. Accordingly, you should not unduly rely on these forward-looking statements, which speak only as of their respective dates. Unless required by law, neither REIT nor Accredited undertakes any obligation to revise any forward-looking statement to reflect circumstances or events after their respective dates or to reflect the occurrence of unanticipated events. You should carefully review the disclosures and risks described in this prospectus, any accompanying prospectus supplement and the documents incorporated by reference. The following are some of the factors that could cause actual results, performance or financial conditions to differ materially from expectations:

changes in the demand for, or the value of, mortgage loans due to the attributes of the loans originated by Accredited; the characteristics of borrowers; and fluctuations in the real estate market, interest rates or the market in which REIT or Accredited sells or securitizes loans;

a general deterioration in economic or political conditions;

REIT's and Accredited's ability to protect and hedge their mortgage loan portfolios against adverse interest rate movements;

changes in government regulations that affect the origination and servicing of mortgage loans;

changes in the credit markets, which affect Accredited's ability to borrow money to originate mortgage loans;

the degree and nature of competition;

Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form S-3

Accredited s ability to employ and retain qualified employees;

REIT s ability to elect to be qualified, and to maintain its qualification, as a real estate investment trust for federal income tax purposes;
and

the other factors referenced in this prospectus, any accompanying prospectus supplement or documents incorporated by reference, including, without limitation, those referred to under the section titled Risk Factors.

USE OF PROCEEDS

The estimated net proceeds to REIT from any sale of its preferred shares will be set forth in the applicable prospectus supplement. Accredited will not receive any proceeds from the sale of REIT's preferred shares or from the guarantees by Accredited of payments on REIT's preferred shares.

Except as otherwise described in an accompanying prospectus supplement, REIT currently intends to use any proceeds it receives to acquire mortgage assets, including retained interests in its securitization transactions. Proceeds may be used for other purposes specified in the applicable prospectus supplement, and REIT may temporarily invest net proceeds prior to their use.

Table of Contents**RATIO OF EARNINGS TO FIXED CHARGES**

The following table sets forth, for the periods indicated, Accredited's ratio of earnings to fixed charges. In calculating these ratios, earnings are based on Accredited's income before income taxes plus fixed charges. Fixed charges consist of interest expenses per Accredited's statements of operations, including interest expense on indebtedness, other interest expense and the amortization of deferred financing costs.

	<u>1999</u>	<u>2000</u>	<u>2001</u>	<u>2002</u>	<u>2003</u>	<u>Three months ended March 31, 2004</u>

⁽¹⁾ Accredited has authority to issue up to 5,000,000 shares of preferred stock. However, there are currently no shares outstanding and, Accredited does not have any preferred stock dividend obligations. Accordingly, the ratio of earnings to fixed charges and preferred stock dividends is equal to the ratio of earnings to fixed charges and is not disclosed separately.

DESCRIPTION OF PREFERRED SHARES OF REIT

REIT may issue, from time to time, shares of one or more series or classes of its preferred shares. The following description sets forth certain general terms and provisions of the preferred shares to which any prospectus supplement may relate. The particular terms of any series of preferred shares and the extent, if any, to which these general provisions may apply to the series of preferred shares offered will be described in the prospectus supplement relating to those preferred shares. The following summary of provisions of the preferred shares does not purport to be complete and is subject to, and is qualified in its entirety by reference to, the Maryland REIT Law and the provisions of REIT's Declaration of Trust, articles supplementary to the Declaration of Trust relating to a specific series of the preferred shares and Bylaws. The applicable articles supplementary will be in the form filed as an exhibit to, or incorporated by reference in, the registration statement of which this prospectus is a part at or prior to the time of issuance of that series of preferred shares.

General

As of the date of this prospectus, REIT's Declaration of Trust authorizes REIT to issue up to 200,000,000 preferred shares of beneficial interest, \$1.00 par value per share. REIT's Board of Trustees may, without any shareholder action, amend REIT's Declaration of Trust to increase or decrease the aggregate number of shares or the number of shares of any class or series that REIT has authority to issue.

REIT's Board of Trustees is authorized, subject to the provisions of REIT's Declaration of Trust, to classify any unissued preferred shares and to reclassify any previously classified but unissued preferred shares of any class or series from time to time, in one or more classes or series. Prior to issuance of shares of each class or series, the Board of Trustees is required by the Maryland REIT Law and REIT's Declaration of Trust to set, subject to the provisions of the Declaration of Trust regarding the restriction on transfer of shares of beneficial interest, the terms, preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends or other distributions, qualifications and terms or conditions of redemption for each such class or series. The prospectus supplement relating to an offering of preferred shares will describe the terms of any class or series of preferred shares being offered, including:

the designation of the shares and the number of shares that constitute the series;

the dividend rate (or the method of calculating dividends), if any, on the shares of the series and the priority as to payment of dividends with respect to other classes or series of REIT's shares of beneficial interest;

whether dividends will be cumulative or non-cumulative and, if cumulative, the date from which dividends on the preferred shares will accumulate;

the dividend periods (or the method of calculating the dividend periods);

the voting rights of the preferred shares, if any;

the liquidation preference and the priority as to payment of the liquidation preference with respect to other classes or series of REIT's shares of beneficial interest and any other rights of the shares of the series upon REIT's liquidation or winding-up;

Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form S-3

whether or not and on what terms the shares of the series will be subject to redemption or repurchase at REIT's option;

whether the shares of the series of preferred shares will be listed on a securities exchange or quoted on an inter-dealer quotation system;

any limitations on direct or beneficial ownership and restrictions on transfer applicable to the preferred shares that may be necessary to preserve REIT's status as a real estate investment trust; and

Table of Contents

the other rights and privileges and any qualifications, limitations or restrictions of the rights or privileges of the series.

Rank

Unless otherwise specified in the prospectus supplement relating to a particular series of preferred shares, the preferred shares will, with respect to dividend rights and rights upon liquidation, dissolution or winding up of REIT, rank (i) senior to all classes or series of common shares of REIT, and to all equity securities ranking junior to such preferred shares with respect to dividend rights or rights upon liquidation, dissolution or winding up of REIT; (ii) on a parity with all equity securities issued by REIT, the terms of which specifically provide that such equity securities rank on a parity with the preferred shares with respect to dividend rights or rights upon liquidation, dissolution or winding up of REIT; and (iii) junior to any equity securities issued by REIT, the terms of which specifically provide that such equity securities rank senior to the preferred shares with respect to dividend rights or rights upon liquidation, dissolution or winding up of REIT.

Dividends

Holders of preferred shares will be entitled to receive, when and as authorized by REIT's Board of Trustees, and declared by REIT, out of REIT's funds legally available for the payment of dividends, cash dividends, if any, payable at the dates, at the rates per share, and on the terms, set forth in the applicable prospectus supplement.

Dividends on any series of preferred shares may be cumulative or non-cumulative, to be described in the applicable prospectus supplement. Dividends, if cumulative, will accumulate from and after the date set forth in the applicable prospectus supplement. If the REIT fails to declare a dividend payable on a dividend payment date on any series of the preferred shares for which dividends are non-cumulative, then the holders of such series of preferred shares will have no right to receive a dividend in respect of the dividend period ending on such dividend payment date, and REIT will have no obligation to pay the dividend accrued for such period, whether or not dividends on such series are declared payable on any future dividend payment date.

The amount of dividends payable for the initial dividend period or any period shorter than a full dividend period will be computed on the basis of a 360-day year of twelve 30-day months, unless otherwise set forth in the applicable prospectus supplement. Accrued but unpaid dividends will not bear interest, unless otherwise set forth in the applicable prospectus supplement.

Guarantees of Accredited

Accredited will fully and unconditionally guarantee payments by REIT in respect of REIT's preferred shares offered by this prospectus and any prospectus supplement, including payments of dividends, redemption prices and liquidation preferences on REIT's preferred shares. Accredited's guarantees will be subordinated in right of payment to Accredited's indebtedness and other obligations. The specific terms of Accredited's guarantees will be described in the applicable prospectus supplement.

Redemption and Sinking Fund

Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form S-3

If so described in the applicable prospectus supplement, the preferred shares will be subject to mandatory redemption, redemption at the option of REIT or repurchase at the option of the holder of the preferred shares, in whole or in part, in each case upon the terms, at the times and at the redemption prices set forth in such prospectus supplement.

No series of preferred shares will receive the benefit of a sinking fund except as set forth in any applicable prospectus supplement.

Table of Contents

Liquidation Rights

Unless otherwise set forth in the applicable prospectus supplement, in the event of REIT's liquidation, dissolution or winding up, the holders of shares of each series of preferred shares will be entitled to receive out of REIT's assets available for distribution to shareholders, before any distribution of assets is made to holders of:

any other class of REIT's preferred shares ranking junior to that series of preferred shares as to rights upon liquidation, dissolution or winding up; and

REIT's common shares of beneficial interest,

liquidating distributions per share in the amount of the liquidation preference specified in the applicable prospectus supplement for that series of preferred shares plus any dividends accrued and accumulated but unpaid to the date of final distribution. However, except as otherwise provided in the applicable prospectus supplement, the holders of each series of preferred shares will not be entitled to receive the liquidating distribution of, plus such dividends on, those shares until the liquidation preference of any of REIT's shares of beneficial interest ranking senior to that series of the preferred shares as to the rights upon liquidation, dissolution or winding up have been paid (or a sum set aside for that purpose sufficient to provide for payment) in full. Unless otherwise set forth in the applicable prospectus supplement, if, upon REIT's liquidation, dissolution or winding up, the amounts payable with respect to the preferred shares, and any other preferred shares ranking as to any distribution on parity with the preferred shares, are not paid in full, then the holders of the preferred shares and the other parity preferred shares will share ratably in any distribution of assets in proportion to the full respective preferential amount to which they are entitled. Unless otherwise specified in the applicable prospectus supplement, after payment of the full amount of the liquidating distribution to which they are entitled, the holders of preferred shares will not be entitled to any further participation in any distribution of REIT's assets. Neither a consolidation or merger of REIT with another corporation, the sale, lease or conveyance of all or substantially all of REIT's property or business nor a sale of securities will be considered a liquidation, dissolution or winding up of REIT.

Voting Rights

The holders of each series or class of preferred shares REIT may issue will have the voting rights, if any, specified in the applicable prospectus supplement.

Restrictions on Ownership and Transfer

The Internal Revenue Code of 1986, as amended, sets forth certain ownership requirements for real estate investment trusts. For example, not more than 50% in value of REIT's outstanding shares of beneficial interest may be owned, directly or indirectly, by five or fewer individuals at any time during the last half of a taxable year. An individual for these purposes is defined by the federal income tax laws pertaining to real estate investment trusts and is very complex. Therefore, the terms of each series of preferred shares may contain provisions restricting the ownership and transfer of the preferred shares. The applicable prospectus supplement will specify any additional ownership limitations relating to a series of preferred shares.

Miscellaneous

When REIT offers to sell a series of preferred shares, the specific terms of the series will be described in the applicable prospectus supplement. If any particular terms of a series of preferred shares described in a prospectus supplement differ from any of the terms described in this prospectus, then the terms described in the applicable prospectus supplement will be deemed to supersede the terms described in this prospectus.

Except as otherwise provided in any applicable prospectus supplement, the holders of REIT's preferred shares will have no preemptive rights.

Table of Contents

If REIT redeems or otherwise reacquires any of its preferred shares, then those shares may resume the status of authorized and unissued preferred shares undesignated as to series and may be available for subsequent issuance.

No Other Rights

The preferred shares of a series will not have any preferences, voting powers or relative, participating, optional or other special rights except as set forth above or in the applicable prospectus supplement, REIT's Declaration of Trust, articles supplementary to the Declaration of Trust relating to the specific series of the preferred shares, Bylaws or as otherwise required by law.

Transfer Agent and Registrar

The transfer agent and registrar for each series of preferred shares will be specified in the applicable prospectus supplement.

Table of Contents

DESCRIPTION OF COMMON SHARES OF REIT

All of the issued and outstanding common shares of beneficial interest of REIT are owned by Accredited Home Lenders, Inc., a wholly owned subsidiary of Accredited.

Subject to the preferential rights of any other shares or series of beneficial interest, holders of common shares are entitled to receive dividends on such shares if, as and when authorized by the Board of Trustees and declared by REIT out of assets legally available therefor, and to share ratably in the assets of REIT legally available for distribution to its shareholders in the event of its liquidation, dissolution or winding up after payment of or adequate provision for all known debts and liabilities of REIT.

Each outstanding common share entitles the holder to one vote on all matters submitted to a vote of shareholders, including the election of trustees, and, except as provided in the applicable prospectus supplement with respect to any other class or series of shares, the holders of such shares will possess the exclusive voting power.

Holders of common shares have no preference, conversion, exchange, sinking fund, redemption or appraisal rights and have no preemptive rights to subscribe for any securities of REIT. Common shares will have equal dividend, liquidation and other rights.

CERTAIN PROVISIONS OF MARYLAND LAW AND OF REIT'S DECLARATION OF TRUST AND BYLAWS

The following summary of certain provisions of Maryland law and of the Declaration of Trust and Bylaws of REIT does not purport to be complete and is subject to and qualified in its entirety by reference to Maryland law and to the Declaration of Trust and Bylaws of REIT.

Board of Trustees

The Bylaws provide that the number of trustees of REIT may be established only by the Board of Trustees but may not be less than the minimum number required by the Maryland REIT Law nor more than 15. Any vacancy will be filled, at any regular meeting or at any special meeting called for that purpose, only by a majority of the remaining trustees, even if the remaining trustees do not constitute a quorum.

Removal of Trustees

The Declaration of Trust provides that a trustee may be removed with or without cause by the affirmative vote of at least two-thirds of the votes entitled to be cast in the election of trustees. This provision, when coupled with the provision in the Bylaws authorizing the Board of Trustees to fill vacant trusteeships, precludes shareholders from removing incumbent trustees except upon a substantial affirmative vote and filling the vacancies created by such removal with their own nominees.

Business Combinations

Under the Maryland General Corporations Law (the "MGCL"), as applicable to Maryland real estate investment trusts, certain business combinations (including a merger, consolidation, share exchange or, in certain circumstances, an asset transfer or issuance or reclassification of equity securities) between a Maryland real estate investment trust and any person who beneficially owns ten percent or more of the voting power of the trust's shares or an affiliate of the trust who, at any time within the two-year period prior to the date in question, was the beneficial owner of ten percent or more of the voting power of the then-outstanding voting shares of beneficial interest of the trust (an "Interested Shareholder") or an affiliate thereof are prohibited for five years after the most recent date on which the Interested Shareholder becomes an Interested Shareholder. Thereafter, any such business combination must be recommended by the board of trustees of such trust and approved by the affirmative vote of at least (a) 80% of the votes entitled to be cast by holders of outstanding voting shares of beneficial interest of the trust and (b) two-thirds of the votes entitled to be cast by holders of voting shares of the trust other than shares held by the Interested Shareholder with whom (or with whose affiliate) the business combination is to be effected, unless, among other conditions, the trust's common shareholders receive a minimum price (as defined in the MGCL) for their shares and the consideration is received in cash or in the same form as previously paid by the Interested Shareholder for its shares. These provisions of the MGCL do not apply, however, to business combinations that are approved or exempted by the board of trustees of the trust prior to the time that the Interested Shareholder becomes an Interested Shareholder. A person is not an Interested Shareholder under the statute if the board of trustees approved in advance the transaction by which he otherwise would have become an Interested Shareholder. The board of trustees may provide that its approval is subject to compliance with any terms and conditions determined by the board. REIT's Board of Trustees has adopted a resolution exempting any business combination with any person from the Business Combination Act. This resolution may be altered or repealed, in whole or in part, at any time by REIT's Board of Trustees.

Control Share Acquisitions

The MGCL, as applicable to Maryland real estate investment trusts, provides that control shares of a Maryland real estate investment trust acquired in a control share acquisition have no voting rights except to the extent approved by a vote of two-thirds of the votes entitled to be cast on the matter, excluding shares of beneficial interest owned by the acquiror, by officers or by trustees who are employees of the trust. Control

Table of Contents

Shares are voting shares of beneficial interest which, if aggregated with all other such shares of beneficial interest previously acquired by the acquiror, or in respect of which the acquiror is able to exercise or direct the exercise of voting power (except solely by virtue of a revocable proxy), would entitle the acquiror to exercise voting power in electing trustees within one of the following ranges of voting power: (i) one-tenth or more but less than one-third, (ii) one-third or more but less than a majority, or (iii) a majority or more of all voting power. Control shares do not include shares the acquiring person is then entitled to vote as a result of having previously obtained shareholder approval. A control share acquisition means the acquisition of control shares, subject to certain exceptions.

A person who has made or proposes to make a control share acquisition, upon satisfaction of certain conditions (including an undertaking to pay expenses), may compel the board of trustees of the trust to call a special meeting of shareholders to be held within 50 days of demand to consider the voting rights of the shares. If no request for a meeting is made, the trust may itself present the question at any shareholders meeting.

If voting rights are not approved at the meeting or if the acquiring person does not deliver an acquiring person statement as required by the statute, then, subject to certain conditions and limitations, the trust may redeem any or all of the control shares (except those for which voting rights have previously been approved) for fair value determined, without regard to the absence of voting rights for the control shares, as of the date of the last control share acquisition by the acquiror or of any meeting of shareholders at which the voting rights of such shares are considered and not approved. If voting rights for control shares are approved at a shareholders meeting and the acquiror becomes entitled to vote a majority of the shares entitled to vote, all other shareholders may exercise appraisal rights. The fair value of the shares as determined for purposes of such appraisal rights may not be less than the highest price per share paid by the acquiror in the control share acquisition.

The control share acquisition statute does not apply (a) to shares acquired in a merger, consolidation or share exchange if the trust is a party to the transaction or (b) to acquisitions approved or exempted by the declaration of trust or bylaws of the trust.

The Bylaws of REIT contain a provision exempting from the control share acquisition statute any and all acquisitions by any person of REIT's shares of beneficial interest. There can be no assurance that such provision will not be amended or eliminated at any time in the future.

Amendment to the Declaration of Trust and Bylaws; Extraordinary Actions

Under the Maryland REIT Law, a Maryland real estate investment trust generally cannot dissolve, amend its declaration of trust or merge, unless advised by the board of trustees and approved by the affirmative vote of shareholders entitled to cast at least two-thirds of the votes entitled to be cast on the matter unless a lesser percentage (but not less than a majority of all of the votes entitled to be cast on the matter) is set forth in the trust's Declaration of Trust. The Declaration of Trust of REIT generally provides for shareholder approval of such amendments and actions by a majority of the votes entitled to be cast on the matter, except that certain amendments to the Declaration of Trust require the affirmative vote of shareholders entitled to cast two-thirds of the votes entitled to be cast on the matter. Additionally, pursuant to REIT's Declaration of Trust, the dissolution of REIT must be approved by the affirmative vote of the shareholders entitled to cast at least two-thirds of the votes entitled to be cast on the matter.

The Declaration of Trust and Bylaws provide that the Board of Trustees shall have the exclusive power to adopt, alter or repeal any provision of the Bylaws and to make new Bylaws.

Advance Notice of Trustee Nominations and New Business

The Bylaws of REIT provide that (a) with respect to an annual meeting of shareholders, nominations of persons for election to the Board of Trustees and the proposal of business to be considered by shareholders may

be made only (i) pursuant to REIT's notice of the meeting, (ii) by the Board of Trustees or (iii) by a shareholder who is entitled to vote at the meeting and has complied with the advance notice procedures set forth in the Bylaws and (b) with respect to special meetings of shareholders, only the business specified in REIT's notice of meeting may be brought before the meeting of shareholders and nominations of persons for election to the Board of Trustees may be made only (i) pursuant to REIT's notice of the meeting, (ii) by the Board of Trustees or (iii) provided that the Board of Trustees has determined that trustees shall be elected at such meeting, by a shareholder who is entitled to vote at the meeting and has complied with the advance notice provisions set forth in the Bylaws.

Anti-takeover Effect of Certain Provisions of Maryland Law and of the Declaration of Trust and Bylaws

If the applicable board resolution is rescinded, the business combination provisions and, if the applicable provision in the Bylaws is rescinded, the control share acquisition provisions of the MGCL, the provisions of the Declaration of Trust on removal of trustees and the advance notice provisions of the Bylaws could delay, defer or prevent a transaction or a change in control of REIT.

Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form S-3

or NASD, the maximum public offering price may be determined by a qualified independent underwriter, as defined in Rule 2720 of the Conduct Rules of the NASD and as described in the applicable prospectus supplement. The obligations of the underwriters to purchase the securities may be subject to the conditions set forth in the applicable underwriting agreement. The prospectus supplement will describe certain of the terms of any underwriting arrangement, which may include a firm commitment underwriting or a best-efforts underwriting. The securities may be offered through underwriting syndicates represented by managing underwriters or by underwriters without a syndicate. The public offering price and any discounts or concessions allowed or reallocated or paid to dealers may change from time to time. Underwriters with whom REIT and Accredited have material relationships may be used, in which case such relationships will be described in the applicable prospectus supplement. Underwriters may be used who, or whose affiliates, have performed and may in the future perform various commercial banking, financial advisory, investment banking and/or other services for REIT or Accredited for which they have received or will receive fees.

In connection with underwritten offerings, underwriters generally may engage in activities or effect transactions that stabilize, maintain or otherwise affect the market price of the securities offered. As a result of

Table of Contents

these activities, the price of the securities offered may be higher than the price that otherwise might exist in an open market. These transactions may be effected on the New York Stock Exchange or the Nasdaq National Market, in the over-the-counter market or otherwise. If these activities are commenced, they may be discontinued by the underwriters at any time. These activities may include the following:

Stabilizing Transactions. Stabilizing transactions consists of bids or purchases for the purpose of pegging, fixing, or maintaining the price of a security.

Over-Allotments and Syndicate Covering Transactions. Over-allotments occur when underwriters sell more securities than they have committed to purchase in an underwritten offering. Over-allotments create a covered or naked short position for the underwriters. Covered short sales are short sales made in an amount that does not exceed the underwriters' over-allotment option to purchase additional securities. The underwriters may close out a covered short position either by exercising their over-allotment option or by purchasing shares in the open market. In making this determination, the underwriters may consider, among other things, the price of shares available for purchase in the open market compared to the price at which they may purchase securities through the over-allotment option. Naked short sales are short sales in excess of the over-allotment option. The underwriters must close out a naked short position by purchasing shares in the open market.

Penalty Bids. A penalty bid is an arrangement that permits the managing underwriters to reclaim a portion of the underwriting discount received by a syndicate member in connection with the offering when the managing underwriters have repurchased, in stabilizing or short covering transactions, securities sold by or for the account of that syndicate member.

Passive Market Making. If any of the securities offered are authorized for quotation on Nasdaq, underwriters who are Nasdaq market makers generally may engage in passive market making transactions in those securities. Passive market making generally consists of displaying bids on Nasdaq no higher than the highest independent bid and making purchases at prices no higher than these independent bids. On each day, a passive market maker generally cannot make net purchases that exceed 30% of the passive market maker's average daily trading volume in these securities during a specified period. If the passive market maker reaches or exceeds this limit, the passive market maker must promptly withdraw its quotations from Nasdaq and cease effecting any bids for or purchases of these securities for the remainder of the day.

The securities may or may not be listed on a national securities exchange or a foreign securities exchange or quoted on an inter-dealer quotation system. No assurances can be given that there will be a market for any of the securities.

In compliance with guidelines of the NASD, the maximum commission or discount to be received by any NASD member or independent broker-dealer may not exceed 8% of the aggregate amount of the securities offered pursuant to this prospectus and any applicable prospectus supplement.

ACCREDITED MORTGAGE LOAN REIT TRUST

(a wholly owned subsidiary of Accredited Home Lenders Holding Co.)

NOTES TO THE BALANCE SHEET

MAY 4, 2004 (Inception)

1. **Formation** Accredited Mortgage Loan REIT Trust (the Company) was formed on May 4, 2004 as a Maryland real estate investment trust for the purpose of acquiring, holding and managing an investment portfolio of mortgage loans.

All of the outstanding common shares of beneficial interest of the Company are held by Accredited Home Lenders, Inc. (AHL), which in turn is a wholly owned subsidiary of Accredited Home Lenders Holding Co. The shares were issued in exchange for a receivable which was collected on June 4, 2004.

The Company intends to elect to be taxed as a real estate investment trust and to comply with the provisions of the Internal Revenue Code with respect thereto. Accordingly, the Company will generally not be subject to Federal or state income tax to the extent that its distributions to shareholders satisfy the real estate investment trust requirements and certain asset, income and share ownership tests are met.

2. **Subsequent Events** On May 10, 11 and 12, 2004, AHL contributed to the Company mortgage loans with a principal balance of \$707.5 million and outstanding credit facility balance of \$707.5 million pursuant to a Contribution Agreement and Assignment. Additionally, AHL contributed to the Company deferred origination costs of \$480,000, accrued interest income of \$889,000 and market reserve on loans of \$4.7 million related to the contributed loans, as well as cash of \$26 million, resulting in additional paid-in capital to the Company of \$22.7 million.

On May 26, 2004, the Company completed a securitization of \$707.2 million of mortgage loans, of which \$22.3 million represented upfront overcollateralization. Pursuant to the securitization, two classes of notes were issued totaling \$684.9 million, rated AAA and Aaa by Standard & Poor's Rating Services and Moody's Investor Service, respectively. Class A-1 Notes in the amount of \$342.2 million were issued with a variable interest rate of One-Month LIBOR plus 0.29%, collateralized by fixed and adjustable interest rate conforming mortgage loans. Class A-2 Notes in the amount of \$342.7 million were issued with a variable interest rate of One-Month LIBOR plus 0.30%, collateralized by fixed and adjustable interest rate conforming and non-conforming mortgage loans. The classes A-1 and A-2 Notes have a final stated maturity date of July 25, 2034.

This securitization was structured legally as a sale, but for accounting purposes is treated as a financing under Statement of Financial Accounting Standards (SFAS) No. 140, *Accounting for Transfers and Servicing of Financial Assets and Extinguishments of Liabilities - a replacement of FASB Statement No. 125*. This securitization does not meet the qualifying special purpose entity criteria under SFAS No. 140 and related interpretations because after the loans are securitized, the securitization trust may acquire derivatives relating to beneficial interests retained by the Company. Also, AHL, as servicer, subject to applicable contractual provisions, has sole discretion to use its best commercial judgment in determining whether to sell or work out any loans securitized through the securitization trust that become troubled. Accordingly, the loans will remain on the balance sheet (retained interests are not created) and securitization indebtedness will replace outstanding credit facility originally associated with the securitized mortgage loans. The Company will record interest income on the mortgage loans and interest expense on the securities issued from the securitization over the life of the securitization and will record provisions for losses on these securitized loans in an amount sufficient to maintain credit loss reserves at a level considered adequate to cover probable losses in such portfolio.

Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form S-3

The \$26 million in cash contributed to the Company by AHL was used to pay off the outstanding credit facility balance on the \$22.3 million of loans held as overcollateralization by the securitization, purchase interest rate caps held in the securitization, and pay underwriter fees and other costs associated with closing the securitization on May 26, 2004.

In June 2004, AHL transferred the retained interests from the Accredited Mortgage Loan Trust 2002-1 and 2002-2 securitizations to the Company as a contribution of capital of \$14.5 million.

Item 15. Indemnification of Directors and Officers***Accredited Mortgage Loan REIT Trust (REIT)***

The Maryland REIT Law permits a Maryland real estate investment trust to include in its Declaration of Trust a provision limiting the liability of its trustees and officers to the trust and its shareholders for money damages except for liability resulting from (a) actual receipt of an improper benefit or profit in money, property or services or (b) active and deliberate dishonesty established by a final judgment as being material to the cause of action. REIT's Declaration of Trust contains such a provision which eliminates such liability to the maximum extent permitted by Maryland law.

REIT's Declaration of Trust authorizes REIT, to the maximum extent permitted by Maryland law, to obligate itself to indemnify and to pay or reimburse reasonable expenses in advance of final disposition of a proceeding to (a) any present or former trustee or officer or (b) any individual who, while a trustee or officer of REIT and at the request of REIT, serves or has served another real estate investment trust, corporation, partnership, joint venture, trust, employee benefit plan or any other enterprise as a trustee, director, officer or partner from and against any claim or liability to which such person may become subject or which such person may incur by reason of his or her service in any such capacity.

REIT's Bylaws obligate REIT, to the maximum extent permitted by Maryland law, to indemnify and to pay or reimburse reasonable expenses in advance of final disposition of a proceeding to (a) any present or former trustee or officer who is made, or threatened to be made, a party to the proceeding by reason of his or her service in any such capacity or (b) any individual who, while a trustee or officer of REIT and at the request of REIT, serves or has served another real estate investment trust, corporation, partnership, joint venture, trust, employee benefit plan or any other enterprise as a trustee, director, officer or partner and who is made, or threatened to be made, a party to the proceeding by reason of his or her service in any such capacity, against any claim or liability to which he or she may become subject by reason of his or her service in any such

Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form S-3

capacity. REIT's Declaration of Trust and Bylaws also permit REIT to indemnify and advance expenses to any person who served a predecessor of REIT in any of the capacities described above and to any employee or agent of REIT or a predecessor of REIT. REIT's Bylaws require REIT to indemnify a trustee or officer who has been successful, on the merits or otherwise, in the defense of any proceeding to which he or she is made, or threatened to be made, a party by reason of his or her service in any such capacity.

The Maryland REIT Law permits a Maryland real estate investment trust to indemnify and advance expenses to its trustees, officers, employees and agents to the same extent as permitted by the Maryland General Corporation Law (the MGCL) for directors and officers of Maryland corporations. The MGCL permits a

II-1

Table of Contents

corporation to indemnify its present and former directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be made, or threatened to be made, a party by reason of their service in those or certain other capacities unless it is established that (a) the act or omission of the director or officer was material to the matter giving rise to the proceeding and (i) was committed in bad faith or (ii) was the result of active and deliberate dishonesty, (b) the director or officer actually received an improper personal benefit in money, property or services or (c) in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful. However, under the MGCL, a Maryland corporation may not indemnify for an adverse judgment in a suit by or in the right of the corporation or for a judgment of liability on the basis that personal benefit was improperly received, unless in either case a court orders indemnification and then only for expenses. In addition, the MGCL permits a corporation to advance reasonable expenses to a director or officer upon the corporation's receipt of (a) a written affirmation by the director or officer of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification by the corporation and (b) a written undertaking by him or her or on his or her behalf to repay the amount paid or reimbursed by the corporation if it shall ultimately be determined that the standard of conduct was not met.

In addition, any underwriting agreement relating to an offering of the securities covered by this registration statement may provide for the indemnification, by the underwriters, of REIT's controlling persons, directors and officers against certain liabilities, including liabilities under federal securities laws.

Accredited Home Lenders Holding Co. (Accredited)

Under Section 145 of the Delaware General Corporation Law (the "DGCL"), Accredited has broad powers to indemnify its directors and officers against liabilities they may incur in such capacities, including liabilities under the Securities Act of 1933, as amended (the "Securities Act").

Accredited's certificate of incorporation and bylaws include provisions to (i) eliminate the personal liability of its directors for monetary damages resulting from breaches of their fiduciary duty to the extent permitted by Section 102(b)(7) of the Delaware General Corporation Law (the "DGCL") and (ii) require Accredited to indemnify its directors and officers to the fullest extent permitted by Section 145 of the DGCL. Pursuant to Section 145 of the DGCL, a corporation generally has the power to indemnify its present and former directors, officers, employees and agents against expenses incurred by them in connection with any suit to which they are or are threatened to be made, a party by reason of their serving in such positions so long as they acted in good faith and in a manner that they reasonably believed to be in, or not opposed to, the best interests of the corporation and, with respect to any criminal action, that they had no reasonable cause to believe their conduct was unlawful. Accredited believes that these provisions are necessary to attract and retain qualified persons as directors and officers. These provisions do not eliminate the directors' duty of care, and, in appropriate circumstances, equitable remedies such as injunctive or other forms of non-monetary relief may remain available under Delaware law. In addition, each director will continue to be subject to liability for breach of the director's duty of loyalty to Accredited, for acts or omissions not in good faith or involving intentional misconduct, for knowing violations of law, for acts or omissions that the director believes to be contrary to the best interests of Accredited or its stockholders, for any transaction from which the director derived an improper personal benefit, for acts or omissions involving a reckless disregard for the director's duty to Accredited or its stockholders when the director was aware or should have been aware of a risk of serious injury to Accredited or its stockholders, for acts or omissions that constitute an unexcused pattern of inattention that amounts to an abdication of the director's duty to Accredited or its stockholders, for improper transactions between the director and Accredited and for improper distributions to stockholders and loans to directors and officers. The provision also does not affect a director's responsibilities under any other law, such as the federal securities laws or state or federal environmental laws.

Accredited has entered into indemnity agreements with each of its directors and executive officers and certain senior managers that require Accredited to indemnify such persons against all expenses, judgments, fines,

Table of Contents

settlements and other amounts incurred (including expenses of a derivative action) in connection with any proceeding, whether actual or threatened, to which any such person may be made a party by reason of the fact that such person is or was a director or an executive officer of Accredited or any of its affiliated enterprises, provided that such person acted in good faith and in a manner such person reasonably believed to be in, or not opposed to, the best interests of Accredited and, with respect to any criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful. The indemnification agreements also set forth certain procedures that will apply in the event of a claim for indemnification thereunder.

In addition, any underwriting agreement relating to an offering of the securities covered by this registration statement may provide for the indemnification, by the underwriters, of Accredited's controlling persons, directors and officers against certain liabilities, including liabilities under federal securities laws.

Accredited maintains directors' and officers' liability insurance and intends to continue to maintain this insurance in the future. Accredited also has an insurance policy covering the officers and directors of Accredited with respect to certain liabilities, including liabilities arising under the Securities Act or otherwise.

That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

Accredited Mortgage Loan REIT Trust hereby undertakes to provide to the underwriters at the closing specified in the underwriting agreements certificates in such denominations and registered in such names as required by the underwriters to permit prompt delivery to each purchaser.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrants pursuant to the foregoing provisions, or otherwise, the registrants have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrants of expenses incurred or paid by a director, officer or controlling person of the registrants in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrants will, unless in the opinion of their counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form S-3

The registrants hereby undertake that, for purposes of determining any liability under the Securities Act of 1933, each filing of Accredited Home Lenders Holding Co.'s annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
