As reported in its press release dated July 29, 2004, Flow International Corporation (the Company), recently completed negotiation and documentation of amendments to its credit agreements with both its senior and subordinated lenders that were set to expire on August 1, 2004. The dedication of management's time to the negotiations associated with the credit agreement amendments have resulted in a delay in the Company completing its Annual Report on Form 10-K for the year ended April 30, 2004. The amendments to the credit facilities require modification to the disclosure in the Company's Annual Report on Form 10-K. Furthermore, the Company needs to finalize other disclosures. Accordingly, the Company needs additional time to complete the disclosure in the Annual Report on Form 10-K as required under the Securities Exchange Act of 1934.
