BY ORDER OF THE BOARD OF DIRECTORS,

April 4, 2005

MERCURY GENERAL CORPORATION

4484 Wilshire Boulevard

Los Angeles, California 90010

PROXY STATEMENT

The Board of Directors of the Company is soliciting the enclosed proxy for use at the Annual Meeting of Shareholders of the Company to be held at 10:00 a.m. May 11, 2005, at the Radisson Wilshire Plaza Hotel, 3515 Wilshire Boulevard, Los Angeles, California. This Proxy Statement was first mailed to shareholders on or about April 4, 2005.

All shareholders who find it convenient to do so are cordially invited to attend the meeting in person. In any event, please complete, sign, date and return the proxy in the enclosed envelope.

A proxy may be revoked by written notice to the Secretary of the Company at any time prior to the voting of the proxy, or by executing a later proxy or by attending the meeting and voting in person. Unrevoked proxies will be voted in accordance with the instructions indicated in the proxies, or if there are no such instructions, such proxies will be voted FOR the election of the Board of Directors nominees for director and FOR approval of the Mercury General Corporation 2005 Equity Incentive Award Plan (the 2005 Plan). Shares represented by proxies that reflect abstentions or include broker non-votes will be treated as present and entitled to vote for purposes of determining the presence of a quorum.

Shareholders of record at the close of business on March 15, 2005 will be entitled to vote at the meeting. As of that date, 54,539,318 shares of common stock, without par value (Common Stock), of the Company were outstanding. Each share of Common Stock is entitled to one vote. A majority of the outstanding shares of the Company, represented in person or by proxy at the meeting, constitutes a quorum. The costs of preparing, assembling and mailing the Notice of Annual Meeting, Proxy Statement and proxy will be borne by the Company.

VOTING

In voting for the election of directors of the Company under the California General Corporation Law, if, prior to the commencement of voting, any shareholder has given notice of an intention to cumulate votes at the meeting, then all shareholders may cumulate their votes in the election of directors for any nominee if the nominee's name was placed in nomination prior to the voting. Under cumulative voting, each shareholder is entitled in the election of directors to one vote for each share held by the shareholder multiplied by the number of directors to be elected, and the shareholder may cast all such votes for a single nominee for director or may distribute them among any two or more nominees as the shareholder sees fit. If no such notice is given, there will be no cumulative voting. In the absence of cumulative voting, each shareholder may cast one vote for each share held multiplied by the number of directors to be elected, but may not cast more votes than the number of shares owned for any candidate and therefore a simple majority of the shares voting will elect all of the directors. Under either form of voting, the candidates receiving the highest number of votes, up to the number of directors to be elected, will be elected. Abstentions and broker non-votes will have no effect on the outcome of the election of directors.

Edgar Filing: MERCURY GENERAL CORP - Form DEF 14A

In the event of cumulative voting, the proxy solicited by the Board of Directors confers discretionary authority on the proxies to cumulate votes so as to elect the maximum number of the Board of Directors nominees. The proxy may not be voted for more than nine persons.

The affirmative vote of the majority of the shares present in person or represented by proxy and entitled to vote at the meeting is required to approve the 2005 Plan. Abstentions will be considered shares entitled to vote in

the tabulation of votes cast on this proposal, and will have the same effect as negative votes. Broker non-votes are not counted for the purpose of determining whether this matter is approved, and therefore will not have the effect of a negative vote with respect to the approval of the 2005 Plan.

The Board of Directors recommends that shareholders vote FOR election of the nine directors named in this Proxy Statement to serve until the next Annual Meeting of Shareholders and until their successors are elected and have qualified (see page 3) and FOR approval of the 2005 Plan (see page 15).

Information Concerning the Board of Directors and Certain Committees Thereof

The Board of Directors held four meetings during the last fiscal year and is scheduled to meet quarterly during the current fiscal year. In 2004, each director attended at least 75% of the aggregate of all meetings held by the Board of Directors and all meetings held by all committees of the Board on which such director served. Directors are encouraged to attend in person each Annual Meeting of Shareholders. Seven directors attended the Annual Meeting of Shareholders in 2004. Directors are paid \$3,000 per quarter plus \$3,000 per meeting attended and reimbursement for their out-of-pocket expenses incurred in attending such meetings.

The Company has an Audit Committee established in accordance with requirements of Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. The Audit Committee acts pursuant to a written charter adopted by the Board of Directors. The responsibilities of the Audit Committee include, among other things, selecting and engaging the Company's independent auditors, reviewing the scope of audit engagements, reviewing comment letters of such auditors and management's response thereto, approving professional services provided by such auditors, reviewing the independence of such auditors, reviewing any major accounting changes made or contemplated, considering the range of audit and non-audit fees and reviewing the adequacy of the Company's internal accounting controls. The Audit Committee currently consists of Nathan Bessin, Donald P. Newell and Donald R. Spuehler, with Nathan Bessin acting as Chairman of this Committee. The Board of Directors has determined that each member of the Audit Committee is independent and meets the financial literacy requirements of the listing standards under the New York Stock Exchange (the "NYSE"), that each member of the Audit Committee meets the enhanced independence standards established by the Securities and Exchange Commission (the "SEC") and that Mr. Bessin qualifies as an audit committee financial expert as that term is defined in the rules and regulations established by the SEC. The Audit Committee held nine meetings in 2004. The chair of the Audit Committee receives an annual retainer of \$1,500, and each member of the Audit Committee receives \$2,500 per meeting attended plus reimbursement of their out-of-pocket expenses incurred in attending such meetings.

The Company has a Compensation Committee currently consisting of Donald R. Spuehler, Bruce A. Bunner and Richard E. Grayson, with Donald R. Spuehler acting as Chairman of this Committee. The Compensation Committee operates pursuant to a written charter adopted by the Board of Directors. The Compensation Committee held two meetings in 2004. The responsibilities of the Compensation Committee include, among other things, discharging the Board of Directors' responsibilities relating to compensation of the Company's executive officers, by designing in consultation with management and evaluating the compensation plans, policies and programs of the Company with respect to such executive officers, and administering the Company's stock option plan and Senior Executive Incentive Bonus Plan. The Board of Directors has determined that each member of the Compensation Committee is independent under the NYSE listing standards. Members of the Compensation Committee receive \$500 per meeting attended other than meetings held on the date of meetings of the entire Board of Directors plus reimbursement of their out-of-pocket expenses incurred in attending such meetings. The Chairman of the Compensation Committee also receives compensation based upon the number of additional hours spent on committee matters.

The Nominating/Corporate Governance Committee operates pursuant to a written charter adopted by the Board of Directors. The Nominating/Corporate Governance Committee held three meetings in 2004. The responsibilities of the Nominating/Corporate Governance Committee include, among other things, identifying and recommending to the Board of Directors qualified candidates for nomination as directors of the Company, developing and recommending to the Board of Directors corporate governance principles applicable to the Company and overseeing the evaluation of the Board of Directors and management of the Company. The Board of Directors has determined that each member of the Nominating/Corporate Governance Committee is independent under the NYSE listing standards. The chair of the Nominating/Corporate Governance Committee receives an annual retainer of \$1,500 and \$1,500 per meeting attended, and each other member of the Nominating/Corporate Governance Committee receives \$1,000 per meeting attended plus, in each case, reimbursement of their out-of-pocket expenses incurred in attending such meetings.

Executive Sessions of Non-Management Directors

The Board of Directors holds regularly scheduled executive sessions of its non-management directors, and at least annually schedules a meeting with only independent directors. In accordance with the Company's corporate governance guidelines, Donald P. Newell, Chairman of the Nominating/Corporate Governance Committee, will preside at these meetings. During 2004, the Board held four executive sessions of its non-management directors, including one such session with only independent directors.

Director Nomination Process

Director Qualifications. The Nominating/Corporate Governance Committee has established certain criteria as guidelines in considering nominations to the Company's Board of Directors. The criteria include: (a) personal characteristics, including such matters as integrity, age, education, diversity of background and experience, absence of potential conflicts of interest with the Company or its operations, and the availability and willingness to devote sufficient time to the duties of a director of the Company; (b) experience in corporate management, such as serving as an officer or former officer of a publicly held company; (c) experience in the Company's industry and with relevant social policy concerns; (d) experience as a board member of another publicly held company; (e) academic expertise in an area of the Company's operations; and (f) practical and mature business judgment. The criteria are not exhaustive and the Nominating/Corporate Governance Committee and the Board of Directors may consider other qualifications and attributes that they believe are appropriate in evaluating the ability of an individual to serve as a member of the Board of Directors. The Nominating/Corporate Governance Committee's goal is to assemble a Board of Directors that brings to the Company a variety of perspectives and skills derived from high quality business and professional experience. In doing so the Nominating/Corporate Governance Committee also considers candidates with appropriate non-business backgrounds.

Identification and Evaluation of Nominees for Directors. The Board of Directors believes that, based on the Nominating/Corporate Governance Committee's knowledge of the Company's corporate governance principles and the needs and qualifications of the Board at any given time, the Nominating/Corporate Governance Committee is best equipped to select nominees that will result in a well-qualified and well-rounded board of directors. Accordingly, it is the policy of the Nominating/Corporate Governance Committee not to accept unsolicited nominations from shareholders. In making its nominations, the Nominating/Corporate Governance Committee identifies nominees by first evaluating the current members of the Board willing to continue their service. Current members with qualifications and skills that are consistent with the Nominating/Corporate Governance Committee's criteria for Board service are re-nominated. As to new candidates, the Nominating/Corporate Governance Committee will generally poll the Board members and members of management for recommendations. The Nominating/Corporate Governance Committee may also review the composition and qualification of the boards of directors of the Company's competitors, and may seek input from industry experts or analysts. The Nominating/Corporate Governance Committee reviews the qualifications, experience and background of the candidates. Final candidates are interviewed by the independent directors and executive management. In making its determinations, the Nominating/Corporate Governance Committee evaluates each individual in the context of the Board as whole, with the objective of assembling a group that can best represent shareholder interests through the exercise of sound judgment. After review and deliberation of all feedback and data, the Nominating/Corporate Governance Committee makes its recommendation to the Board of Directors. Historically, the Board of Directors has not relied on third-party search firms to identify director nominees. The Nominating/Corporate Governance Committee may in the future choose to engage third-party search firms in situations where particular qualifications are required or where existing contacts are not sufficient to identify an appropriate candidate.

Each of the nominees for election as director at the 2005 Annual Meeting of Shareholders were elected at the Annual Meeting of Shareholders held in 2004. Each of the nominees for election are recommended by the Nominating/Corporate Governance Committee to stand for reelection.

Director Independence

The Company's Board of Directors currently consists of nine directors. The Board has determined that each of Nathan Bessin, Bruce A. Bunner, Richard E. Grayson, Charles E. McClung, Donald P. Newell and Donald R. Spuehler has no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company) and is independent under the NYSE listing standards. In making its determination, the Board considered transactions and relationships between each director (and any member of his or her immediate family) and the Company and its subsidiaries and relationships between the directors or their affiliates and members of the Company's senior management personnel and their affiliates.

Shareholder Communication with Directors

Shareholders may, at any time, communicate in writing with any particular director, or the non-management directors as a group, by sending such written communication to Mercury General Corporation – Non-Management Directors, P.O. Box 36662, Los Angeles, California 90036. Copies of written communications received at such address will be directed to the relevant director or the non-management directors as a group.

Code of Business Conduct and Ethics

The Company has established a Code of Business Conduct and Ethics that applies to its officers, directors and employees. The Code of Business Conduct and Ethics contains general guidelines for conducting the business of the Company consistent with the highest standards of business ethics, and is intended to qualify as a code of ethics within the meaning of Section 406 of the Sarbanes-Oxley Act of 2002 and the rules promulgated thereunder and as a code of business conduct and ethics within the meaning of the NYSE listing standards.

The Company's corporate governance documents, including the Corporate Governance Guidelines, Code of Business Conduct and Ethics, Audit Committee Charter, Compensation Committee Charter and Nominating/Corporate Governance Committee Charter, are available, free of charge, on the Company's website at www.mercuryinsurance.com. - (1) The Company maintains no equity compensation plans not approved by its securities holders that are not intended to meet the qualification requirements of Section 401(a) of the Internal Revenue Code. The Company maintains a Profit Sharing Plan that includes an employee stock ownership plan that covers substantially all employees and is intended to meet the qualification requirements of Section 401(a) of the Internal Revenue Code.

Senior Executive Incentive Bonus Plan

The Company's Board of Directors adopted a Senior Executive Incentive Bonus Plan (the "Senior Plan") on March 23, 1998 and reapproved the Senior Plan on January 31, 2003, which was approved by the Company's shareholders at the Annual Meeting of Shareholders held on May 13, 1998 and again at the Annual Meeting of Shareholders held on May 14, 2003. Under the Senior Plan, designated executive officers of the Company are eligible to receive bonus payments. The Senior Plan provides an incentive for senior executives to perform superior work, ties the incentives of such executives to those of the Company and its shareholders, and enables the Company to attract and retain highly qualified senior executives. The Company believes that the bonuses payable by the Company under the Senior Plan to its senior executives will be fully deductible for federal income tax purposes. As discussed under "Report of the Compensation Committee" below, Messrs. Joseph and Tirador were the only participants in 2004.

REPORT OF THE COMPENSATION COMMITTEE

The duty of the Compensation Committee, pursuant to its Charter approved by the Board of Directors of the Company, is to discharge the Board's responsibilities relating to compensation of the Company's executive officers, by designing in consultation with management and evaluating the compensation plans, policies and programs of the Company with respect to such executive officers. The Compensation Committee also reviews in detail with the Board its recommendations of the factors and criteria upon which the Company's Chief Executive Officer's compensation is based and the level of compensation recommended.

Historically, pursuant to Board policy embodied in a standing resolution adopted at the Board's January 31, 1986 meeting, Mr. Joseph, then President and Chief Executive Officer of the Company, was given authority for hiring, promotion and the establishment of compensation for all other executive officers. Mr. Joseph retains this authority and with the President, Gabriel Tirador, annually reviews compensation and responsibilities of all other executive officers. Mr. Joseph has periodically reported key executive appointments and key decisions as to executive compensation to the Board and this information has been recorded in Board minutes from time to time.

The compensation levels and the overall compensation policy of the Company adopted by Mr. Joseph for all executive officers other than the Chief Executive Officer in effect for 2004 has been reviewed by the Compensation Committee with Mr. Joseph and Mr. Tirador. The Compensation Committee expects, as described in this report, that compensation of such executive officers will continue to be governed by such policy in 2005.

The Compensation Committee's policy is to determine salary increases for the Chief Executive Officer on a calendar year basis, concurrent with the performance period under the Senior Plan. Mr. Tirador's salary will also be determined on a calendar year basis concurrent with the performance period under the Senior Plan. The Compensation Committee has established a bonus formula for Messrs Joseph and Tirador as the sole Covered Executives under the Senior Plan, pursuant to which a bonus will be accrued for 2005 and paid after its calculation in 2006. Other executive officers receive salary increases at various times during the year, normally on the anniversary of their date of hire or major change of responsibility.

The basic strategy of the Company is that executive officers subject to Mr. Joseph's review should receive compensation and benefits commensurate with responsibilities and competitive with compensation paid to executives in like positions, as determined by him and/or the President based on their experience in the insurance industry and the Company's continuing surveillance of industry and general business practice.

In addition to salary and benefits, executive officers receive a substantial portion of their annual total compensation through bonuses based on individual performance and underwriting results and revenues. Salaries for executive officers are reviewed on a yearly basis. Salary increases take into account the same factors used with respect to bonuses—underwriting results and revenues and the successful attainment of goals set by the Chief Executive Officer and the President. Also taken into account are factors reflecting the ability of the individual executive to manage direct and indirect costs as the volume of business varies, turnover and morale with respect to employees under the executive's management, the expense of adjusting claims and prevailing salaries in the industry, with all factors taken into account over appropriate cycles of rates, premiums and profitability of the Company and the industry.

In addition to the nondiscriminatory tax-qualified profit sharing plan and the tax deferred Section 401(k) option to that plan maintained for employees, the Company maintains a stock option plan under which key employees are granted options at 100% of fair market value of Company stock on the date of grant. The overall policy of the Company, as approved by the Board and Compensation Committee and embodied in awards made by the Compensation Committee, is that key officers and managers responsible for success of the Company should be granted options in Company stock under that program. Grants were made to optionees who were not Named Executive Officers in 2004 under the

Edgar Filing: MERCURY GENERAL CORP - Form DEF 14A

program on 37,000 shares of the Company's common stock. Grants were made to Named Executive Officers in 2004 on 17,500 shares of the Company's common stock. All grants were made at 100% of fair market value of Company stock on the date of grant.

The Chief Executive Officer

After study and discussions with management, under the policies established by the Compensation Committee, a modest increase for Mr. Joseph in base compensation was approved effective January 1, 2005.

Additional compensation paid to Mr. Joseph in 2004 included director fees and a bonus equivalent to one-half month's pay which is the level of bonus awarded to all employees. A bonus for 2004 was accrued for Mr. Joseph under the Senior Plan pursuant to the formula adopted by the Compensation Committee, and the bonus will be paid in 2005 after calculation. As described earlier, the Compensation Committee has established the bonus formula for Mr. Joseph under the Senior Plan for a bonus to be accrued in 2005 and paid after calculation in 2006. Mr. Joseph does not hold any options under the Company's stock option plan.

The Compensation Committee has reviewed compensation of executives for the years 2003 and 2004 in certain selected national and comparable insurance companies as publicly available in proxy statements and executive compensation analyses. The Compensation Committee has also reviewed summaries of executive compensation practices in financial and non-insurance companies available in various published studies. Taking into account this and other information, the Compensation Committee believes that the level of Mr. Joseph's compensation is entirely reasonable.

Internal Revenue Code Section 162(m)

The Compensation Committee has considered the potential impact of Section 162(m) (the Section) of the Internal Revenue Code adopted under the federal Revenue Reconciliation Act of 1993. The Section disallows a tax deduction for any publicly-held corporation for individual compensation exceeding \$1 million in any taxable year for any of the named executive officers, other than compensation that is performance-based under a plan approved by the shareholders of the corporation. The Compensation Committee has concluded that the Senior Plan and the 1995 Stock Option Plan of Mercury General Corporation meet the requirements for a performance-based plan under the regulation interpreting the Section and that the Mercury General Corporation 2005 Equity Incentive Award Plan, if approved by the shareholders at the Annual Meeting, will meet such requirements. Since targeted compensation aside from compensation under such plans is well below the \$1 million threshold, the Compensation Committee has concluded that the Section should not reduce the tax deductions available to the Company and that no changes to the Company's compensation program were needed in this regard.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the Mercury General Corporation Board of Directors is composed of three independent directors as required by the listing standards of the New York Stock Exchange and operates under a written charter adopted by the Board of Directors. The members of the Audit Committee are Nathan Bessin (Chair), Donald R. Spuehler and Donald P. Newell.

Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants, KPMG LLP, are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America, for performing an independent audit of the Company's internal control over financial reporting in accordance with standards of the Public Company Accounting Oversight Board (United States) and for issuing reports thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met and held discussions with management and the independent accountants. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Audit Committee discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Company's independent accountants also provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent accountants that firm's independence. The Audit Committee also considered whether the provision of financial information systems design and other non-audit services by the independent accountants is compatible with their independence.

Based upon the Audit Committee's discussion with management and the independent accountants and the Audit Committee's review of the representation of management and the report of the independent accountants to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2004 filed with the Securities and Exchange Commission.

Selection of Independent Auditors

The Audit Committee is responsible to select the independent auditors to audit the Company's annual financial statements included in the Company's Annual Report on Form 10-K. The Audit Committee selected KPMG LLP during 2004 as independent auditors for that year, and has selected KPMG LLP to review the interim financial statements of the Company for the first three quarters of 2005. The Audit Committee expects to select the independent auditors of the Company's annual financial statements for 2005 during the next few months, as part of its normal selection process.

Audit Committee Policy Regarding Pre-Approval of Audit and Permissible Non-Audit Services of the Company's Independent Auditors

The Company's Audit Committee has established a policy that all audit and permissible non-audit services provided by the independent auditors will be pre-approved by the Audit Committee. These services may include audit services, audit-related services, tax services and other services. The Audit Committee considers whether the provision of each non-audit service is compatible with maintaining the independence of the Company's auditors. Pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent auditors and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date.

PROPOSAL 2:

APPROVAL OF THE MERCURY GENERAL CORPORATION

2005 EQUITY INCENTIVE PLAN

Shareholders are requested in this Proposal 2 to consider and approve the Mercury General Corporation 2005 Equity Incentive Award Plan (the 2005 Plan) as a replacement for the Company's 1995 Stock Option Plan. The Board of Directors adopted, subject to shareholder approval, the 2005 Plan for non-employee directors and employees of the Company and its subsidiaries on January 28, 2005. The 2005 Plan will become effective upon shareholder approval at the 2005 Annual Meeting of Shareholders.

The Board believes that the 2005 Plan will promote the success and enhance the value of the Company by linking the personal interest of participants to those of Company shareholders and by providing participants with an incentive for outstanding performance.

The 2005 Plan provides for the grant of both incentive stock options and nonqualified stock options, restricted stock, stock appreciation rights, performance shares, performance stock units, dividend equivalents, stock payments, deferred stock, restricted stock units, other stock-based awards, and performance-based awards to eligible individuals. A summary of the principal provisions of the 2005 Plan is set forth below. The summary is qualified by reference to the full text of the 2005 Plan, which is attached as Annex A to this Proxy Statement.

Administration

The Compensation Committee of the Board of Directors will administer the 2005 Plan. The Compensation Committee may delegate to a committee of one or more members of the Board the authority to grant or amend awards to participants other than senior executives of the Company who are subject to Section 16 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or employees who are covered employees within the meaning of Section 162(m) (Section 162(m)) of the Internal Revenue Code (the Code). The Compensation Committee includes at least two directors, each of whom qualifies as a non-employee director pursuant to Rule 16b-3 of the Exchange Act, and an outside director pursuant to Section 162(m).

The Compensation Committee will have the exclusive authority to administer the 2005 Plan, including the power to determine eligibility, the types and sizes of awards, the price and timing of awards and the acceleration or waiver of any vesting restriction, provided that the Compensation Committee will not have the authority to accelerate vesting or waive the forfeiture of any performance-based awards.

Eligibility

Persons eligible to participate in the 2005 Plan include non-employee members of the Board and all of the employees of the Company and its subsidiaries, as determined by the Compensation Committee.

Limitation on Awards and Shares Available

The maximum number of shares of Common Stock available for issuance under the 2005 Plan is 5,400,000. To the extent that an award terminates, expires or lapses for any reason, any shares subject to the award may be used again for new grants under the 2005 Plan. In addition, shares tendered or withheld to satisfy the grant or exercise price or any tax withholding obligation may be used for grants under the 2005 Plan. Shares issued in assumption of, or in substitution for, any outstanding awards of any entity acquired in any form of combination by the Company or any of its subsidiaries will not be counted against the shares available for issuance under the 2005 Plan. Notwithstanding the foregoing, no shares will become available (a) upon the cancellation of existing awards or any similar transactions following the tenth anniversary of shareholder approval of the 2005 Plan or (b) if the return of shares would require additional shareholder approval of the 2005 Plan pursuant to applicable

rules of the New York Stock Exchange. The payment of dividend equivalents in conjunction with outstanding awards will not be counted against the shares available for issuance under the 2005 Plan. The shares of Common Stock covered by the 2005 Plan may be treasury shares, authorized but unissued shares, or shares purchased in the open market.

The maximum number of shares of Common Stock that may be subject to one or more awards to a participant pursuant to the 2005 Plan during any one-year period shall be 100,000.

Awards

The 2005 Plan provides for the grant of incentive stock options and nonqualified stock options, restricted stock, stock appreciation rights, performance shares, performance stock units, dividend equivalents, stock payments, deferred stock, restricted stock units, other stock-based awards and performance-based awards. No determination has been made as to the types or amounts of awards that will be granted to specific individuals pursuant to the 2005 Plan. Information regarding stock option grants to the Named Executive Officers for the fiscal year ended December 31, 2004 is set forth in the section of this Proxy Statement entitled Executive Compensation.

Stock options, including incentive stock options, as defined under Section 422 of the Code, and nonqualified stock options may be granted pursuant to the 2005 Plan. The option exercise price of all stock options granted pursuant to the 2005 Plan will be at least 100% of the fair market value of the Common Stock on the date of grant. Stock options may be exercised as determined by the Compensation Committee, but in no event after the tenth anniversary date of grant. The aggregate fair market value of the shares with respect to which options intended to be incentive stock options are exercisable for the first time by an employee in any calendar year may not exceed \$100,000, or such other amount as the Code provides.

Upon the exercise of a stock option, the purchase price must be paid in full in either cash or its equivalent, by delivering a promissory note bearing interest at no less than such rate as shall then preclude the imputation of interest under the Code, or by tendering previously acquired shares of Common Stock with a fair market value at the time of exercise equal to the exercise price (provided such shares have been held for such period of time as may be required by the Compensation Committee in order to avoid adverse accounting consequences) or other property acceptable to the Compensation Committee (including through the delivery of a notice that the participant has placed a market sell order with a broker with respect to shares then issuable upon exercise of the option, and that the broker has been directed to pay a sufficient portion of the net proceeds of the sale to the Company in satisfaction of the option exercise price, provided that payment of such proceeds is then made to the Company upon settlement of such sale). However, no participant who is a member of the Board or an executive officer of the Company will be permitted to pay the exercise price of an option in any method in violation of Section 13(k) of the Exchange Act.

Restricted stock may be granted pursuant to the 2005 Plan. A restricted stock award is the grant of shares of Common Stock at a price determined by the Compensation Committee (including zero) that is nontransferable and may be subject to substantial risk of forfeiture until specific conditions are met. Conditions may be based on continuing employment or achieving performance goals. During the period of restriction, participants holding shares of restricted stock may have full voting and dividend rights with respect to such shares. The restrictions will lapse in accordance with a schedule or other conditions determined by the Compensation Committee.

A stock appreciation right (an SAR) is the right to receive payment of an amount equal to the excess of the fair market value of a share of Common Stock on the date of exercise of the SAR over the fair market value of a share of Common Stock on the date of grant of the SAR.

The other types of awards that may be granted under the 2005 Plan include performance shares, performance stock units, dividend equivalents, deferred stock, restricted stock units, and other stock-based awards.

Changes in Capital Structure

In the event of a stock dividend, stock split, combination or exchange of shares, merger, consolidation, spin-off, recapitalization, distribution of assets or any other corporate event affecting the Common Stock or the share price of the Common Stock in a manner that causes dilution or enlargement of benefits or potential benefits under the 2005 Plan, then the Compensation Committee may make proportionate adjustments to: (i) the aggregate number of, and types of, shares of stock subject to the 2005 Plan, (ii) the terms and conditions of any outstanding awards (including any applicable performance targets) and (iii) the grant or exercise price for any outstanding awards. In addition, in such a case or in the event of any unusual or nonrecurring transactions or events affecting the Company or of changes in applicable laws, the Compensation Committee, may, subject to the terms of the 2005 Plan, take any of the following actions if it determines that such action is appropriate in order to prevent the dilution or enlargement of benefits or potential benefits intended to be made available under the 2005 Plan or with respect to any award: (i) provide for either the termination, purchase or replacement of the awards, (ii) provide that the awards shall be assumed by the successor or survivor corporation, or a parent or subsidiary thereof, or shall be substituted for by similar awards covering the stock of the successor or survivor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices, (iii) make adjustments in the number and type of shares of stock (or other securities or property) subject to outstanding awards and/or in the terms and conditions of (including the exercise price), and the criteria included in, outstanding awards which may be granted in the future, (iv) provide for the acceleration of vesting or exercisability of the awards and (v) provide that the awards cannot vest or be exercised after the event that triggers the action.

Amendment and Termination

The Compensation Committee, subject to approval of the Board, may terminate, amend, or modify the 2005 Plan at any time; provided, however, that shareholder approval must be obtained for any amendment to the extent necessary or desirable to comply with any applicable law, regulation or stock exchange rule, to increase the number of shares available under the 2005 Plan, to permit the Compensation Committee to grant options with an exercise price below fair market value on the date of grant, to extend the exercise period for an option beyond ten years from the date of grant or to allow a material increase in the benefits or change the eligibility requirements under the 2005 Plan. In addition, without approval of the Company's shareholders, no option may be amended to reduce the per share exercise price of the shares subject to such option below the per share exercise price as of the date the option was granted and, except to the extent permitted by the 2005 Plan in connection with changes in the Company's capital structure, no option may be granted in exchange for, or in connection with, the cancellation or surrender of an option having a higher per share exercise price.

In no event may an award be granted pursuant to the 2005 Plan on or after January 28, 2015.

Securities Law

The 2005 Plan is intended to conform to the extent necessary with all provisions of the Securities Act and the Exchange Act, and any and all regulations and rules promulgated by the Securities and Exchange Commission thereunder, including without limitation Rule 16b-3. The 2005 Plan will be administered, and options will be granted and may be exercised, only in such a manner as to conform to such laws, rules and regulations. To the extent permitted by applicable law, the 2005 Plan and options and other Awards granted thereunder shall be deemed amended to the extent necessary to conform to such laws, rules and regulations.

Federal Income Tax Consequences

Edgar Filing: MERCURY GENERAL CORP - Form DEF 14A

The tax consequences of the 2005 Plan under current federal law are summarized in the following discussion which deals with the general tax principles applicable to the 2005 Plan, and is intended for general information only. Alternative minimum tax and state and local income taxes are not discussed. Tax laws are complex and subject to change and may vary depending on individual circumstances and from locality to locality. The tax information summarized is not tax advice.

Nonqualified Stock Options. For federal income tax purposes, an optionee generally will not recognize taxable income on the grant of a nonqualified stock option (an NQSO) under the 2005 Plan, but upon the exercise of an NQSO will recognize ordinary income, and the Company generally will be entitled to a deduction. The amount of income recognized (and the amount generally deductible by the Company) generally will be equal to the excess, if any, of the fair market value of the shares at the time of exercise over the aggregate exercise price paid for the shares, regardless of whether the exercise price is paid in cash or in shares or other property. An optionee's basis for the stock for purposes of determining his or her gain or loss upon a subsequent disposition of the shares generally will be the fair market value of the stock on the date of exercise of the NQSO, and any subsequent gain or loss will generally be taxable as capital gains or losses.

Incentive Stock Options. An optionee generally will not recognize taxable income upon either the grant or exercise of an Incentive Stock Option (an ISO); however, the amount by which the fair market value of the shares at the time of exercise exceeds the exercise price will be an item of tax preference for the optionee for purposes of the alternative minimum tax. Generally, upon the sale or other taxable disposition of the shares of the Common Stock acquired upon exercise of an ISO, the optionee will recognize income taxable as capital gains in an amount equal to the excess, if any, of the amount realized in such disposition over the option exercise price, provided that no disposition of the shares has taken place within either (a) two years from the date of grant of the ISO or (b) one year from the date of exercise. If the shares of Common Stock are sold or otherwise disposed of before the end of the one-year and two-year periods specified above, the difference between the ISO exercise price and the fair market value of the shares on the date of exercise generally will be taxable as ordinary income; the balance of the amount realized from such disposition, if any, generally will be taxed as capital gain. If the shares of Common Stock are disposed of before the expiration of the one-year and two-year periods and the amount realized is less than the fair market value of the shares at the date of exercise, the optionee's ordinary income generally is limited to excess, if any, of the amount realized in such disposition over the option exercise price paid. The Company (or other employer corporation) generally will be entitled to a tax deduction with respect to an ISO only to the extent the optionee has ordinary income upon sale or other disposition of the shares of Common Stock.

Stock Appreciation Rights. No taxable income is generally recognized upon the receipt of a stock appreciation right (an SAR), but upon exercise of the SAR the fair market value of the shares (or cash in lieu of shares) received generally will be taxable as ordinary income to the recipient in the year of such exercise. The Company generally will be entitled to a compensation deduction for the amount the recipient recognizes as ordinary income.

Restricted Stock and Deferred Stock. An employee to whom restricted or deferred stock is issued generally will not recognize taxable income upon such issuance and the Company generally will not then be entitled to a deduction, unless, in the case of restricted stock, an election is made under Section 83(b) of the Code. However, when restrictions on shares of restricted stock lapse, such that the shares are no longer subject to a substantial risk of forfeiture, the employee generally will recognize ordinary income and the Company generally will be entitled to a deduction for an amount equal to the excess of the fair market value of the shares at the date such restrictions lapse over the purchase price therefor. Similarly, when deferred stock vests and is issued to the employee, the employee generally will recognize ordinary income and the Company generally will be entitled to a deduction for the amount equal to the fair market value of the shares at the date of issuance. If an election is made under Section 83(b) with respect to qualifying restricted stock, the employee generally will recognize ordinary income at the date of issuance equal to the excess, if any, of the fair market value of the shares at that date over the purchase price therefor and the Company will be entitled to a deduction for the same amount. The Code does not permit a Section 83(b) election to be made with respect to deferred stock.

Dividend Equivalents. A recipient of a dividend equivalent award generally will not recognize taxable income at the time of grant, and the Company will not be entitled to a deduction at that time. When a dividend equivalent is paid, the participant generally will recognize ordinary income, and the Company will be entitled to a corresponding deduction.

Performance Awards. A participant who has been granted a performance award generally will not recognize taxable income at the time of grant, and the Company will not be entitled to a deduction at that time. When an award is paid, whether in cash or Common Stock, the participant generally will recognize ordinary income, and the Company will be entitled to a corresponding deduction.

Stock Payments. A participant who receives a stock payment in lieu of a cash payment that would otherwise have been made will generally be taxed as if the cash payment has been received, and the Company generally will be entitled to a deduction for the same amount.

Section 162(m) Limitation. In general, under Section 162(m), income tax deductions of publicly held corporations may be limited to the extent total compensation (including base salary, annual bonus, stock option exercises, transfers of property and benefits paid under nonqualified plans) for certain executive officers exceeds \$1 million (less the amount of any excess parachute payments as defined in Section 280G of the Code) in any one year. However, under Section 162(m), the deduction limit does not apply to certain performance-based compensation. Under Section 162(m), stock options and SARs will satisfy the performance-based compensation exception if the awards of the options or SARs are made by a committee of the Board of Directors consisting solely of two or more outside directors, the plan sets the maximum number of shares that can be granted to any person within a specified period, and the compensation is based solely on an increase in the stock price after the grant date (i.e., the option or SAR exercise price is equal to or greater than the fair market value of the stock subject to the award on the grant date). Other types of awards may only qualify as performance-based compensation if such awards are granted or payable only to the recipients based upon the attainment of objectively determinable and pre-established performance targets established by a qualifying committee of the Board and related to performance goals approved by the Company's shareholders.

The 2005 Plan has been designed in order to permit the Compensation Committee to grant stock options and SARs that will qualify as performance-based compensation under Section 162(m). In addition, in order to permit Awards other than stock options and SARs to qualify as performance-based compensation, the 2005 Plan allows the Compensation Committee to designate as Section 162(m) Participants some employees whose compensation for a given fiscal year may be subject to the limit on deductible compensation imposed by Section 162(m). The Compensation Committee may grant awards to Section 162(m) Participants that vest or become exercisable upon the attainment of specific performance targets that are related to one or more of the performance goals set forth in the 2005 Plan. The Company's shareholders are also being asked in this proposal to approve the performance goals established in the 2005 Plan.

Performance Goals Under the 2005 Plan

General. As described above, the 2005 Plan contains performance goals that govern the grant of certain awards under the 2005 Plan. The Company is requesting that the shareholders approve the performance goals for the grant of certain awards under the 2005 Plan to comply with the requirements of Section 162(m) and regulations promulgated thereunder, as discussed above.

Eligible Employees. Restricted stock awards, deferred stock awards, performance awards, dividend equivalents and stock payments under the 2005 Plan are limited to Section 162(m) Participants who are selected by the Compensation Committee to participate. However, only such awards granted to such Section 162(m) Participants can qualify as performance-based compensation under Section 162(m).

Administration of Performance Goals. The Compensation Committee has discretion to determine if awards under the 2005 Plan are intended to qualify as performance-based compensation under Section 162(m) or not. If any awards other than options or SARs are so intended to qualify, then, within 90 days of the start of each performance period, the Compensation Committee (i) designates one or more Section 162(m) Participants, (ii) selects the performance goal or goals applicable to the designated performance period, (iii) establishes the various targets and bonus amounts which may be earned for such performance period and (iv) specifies the

relationship between performance goals and targets and the amounts to be earned by each Section 162(m) Participant for such performance period. The Compensation Committee may designate, as the performance period for awards intended to be qualified performance-based compensation under the 2005 Plan, the Company's fiscal year or any other fiscal period or period of service (or such other time as may be required or permitted by Section 162(m)).

The performance goals used to determine the terms and conditions of awards intended to be qualified performance-based compensation under the 2005 Plan are based on any or all of the following business criteria with respect to the Company, any subsidiary or any division or operating unit: net earnings (either before or after interest, taxes, depreciation and amortization), economic value-added (as determined by the Compensation Committee), sales or revenue, net income (either before or after taxes), underwriting income, underwriting results, operating earnings, cash flow (including, but not limited to, operating cash flow and free cash flow), cash flow return on capital, return on net assets, return on shareholders' equity, return on assets, return on capital, shareholder returns, return on sales, gross or net profit margin, productivity, expense, margins, operating efficiency, customer satisfaction, working capital, earnings per share, price per share of the Common Stock, and market share, any of which may be measured either in absolute terms or as compared to any incremental increase or as compared to results of a peer group.

Each business criterion will be determined in accordance with generally accepted accounting principles, or will be subject to such adjustments as the Compensation Committee may specify at the beginning of the performance period with respect to an award (other than an option or SAR) that is intended to qualify as qualified performance-based compensation.

The Compensation Committee must certify the attainment of the applicable performance target before a Section 162(m) award is paid under the 2005 Plan. In determining the amounts paid to any Section 162(m) Participant, the Compensation Committee has the right to reduce (but not to increase) the amount payable at a given level of performance to take into account additional factors that it may deem relevant to the assessment of individual or corporate performance for the designated performance period.

New Plan Benefits

No awards will be granted under the 2005 Plan until it is approved by the Company's shareholders. In addition, awards granted under the 2005 Plan are subject to the discretion of the Compensation Committee. Therefore, it is not possible to determine the benefits that will be received in the future by participants in the 2005 Plan or the benefits that would have been received by such participants if the 2005 Plan had been in effect in the year ended December 31, 2004. During the year ended December 31, 2004, the Company granted options to the following persons in the aggregate amounts indicated: Named Executive Officers: 17,500; all current executive officers of the Company as a group: 42,500; all employees as a group, including executive officers of the Company: 54,500. No directors of the Company received stock option grants during 2004.

Vote Required

The affirmative vote of the majority of the shares present in person or represented by proxy and entitled to vote at the meeting is required to approve the 2005 Plan. Abstentions will be considered shares entitled to vote in the tabulation of votes cast on this proposal, and will have the same effect as negative votes. Broker non-votes are not counted for the purpose of determining whether this matter is approved, and therefore will not have the effect of a negative vote with respect to the approval of the 2005 Plan.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends that shareholders vote FOR approval of the Mercury General Corporation 2005 Equity Incentive Award Plan. Proxies solicited by the Board of Directors will be so voted unless shareholders specify otherwise on the proxy cards.

5.4 *Paperless Exercise.* In the event that the Company establishes, for itself or using the services of a third party, an automated system for the exercise of Options, such as a system using an internet website or interactive voice response, then the paperless exercise of options by a Participant may be permitted through the use of such an automated system.

5.5 *Granting of Options to Independent Directors.* The Board may from time to time, in its sole discretion, and subject to the limitations of the Plan:

(a) Select from among the Independent Directors (including Independent Directors who have previously been granted Options under the Plan) such of them as in its opinion should be granted Options;

(b) Subject to Section 3.3, determine the number of shares of Stock that may be purchased upon exercise of the Options granted to such selected Independent Directors; and

All Awards of Restricted Stock shall be evidenced by a written Restricted Stock Award Agreement.

6.2 *Issuance and Restrictions.* Restricted Stock shall be subject to such restrictions on transferability and other restrictions as the Committee may impose (including, without limitation, limitations on the right to vote Restricted Stock or the right to receive dividends on the Restricted Stock). These restrictions may lapse separately or in combination at such times, pursuant to such circumstances, in such installments, or otherwise, as the Committee determines at the time of the grant of the Award or thereafter.

6.3 *Forfeiture.* Except as otherwise determined by the Committee at the time of the grant of the Award or thereafter, upon termination of employment or service during the applicable restriction period, Restricted Stock that is at that time subject to restrictions shall be forfeited; *provided, however*, that the Committee may (a) provide in any Restricted Stock Award Agreement that restrictions or forfeiture conditions relating to

6.4 *Certificates for Restricted Stock.* Restricted Stock granted pursuant to the Plan may be evidenced in such manner as the Committee shall determine. If certificates representing shares of Restricted Stock are registered in the name of the Participant, certificates must bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock, and the Company may, at its discretion, retain physical possession of the certificate until such time as all applicable restrictions lapse.

ARTICLE 7

STOCK APPRECIATION RIGHTS

7.1 *Grant of Stock Appreciation Rights.* A Stock Appreciation Right may be granted to any Participant selected by the Committee. A Stock Appreciation Right may be granted (a) in connection and simultaneously with the grant of an Option, (b) with respect to a previously granted Option, or (c) independent of an Option. A Stock Appreciation Right shall be subject to such terms and conditions not inconsistent with the Plan as the Committee shall impose and shall be evidenced by an Award Agreement.

7.2 *Coupled Stock Appreciation Rights.*

(a) A Coupled Stock Appreciation Right (*CSAR*) shall be related to a particular Option and shall be exercisable only when and to the extent the related Option is exercisable, *provided, however*, that the exercise price for any CSAR shall not be less than 100% of the Fair Market Value on the date of grant; and *provided, further*, that, the Committee in its sole and absolute discretion may provide that the CSAR may be exercised subsequent to a termination of employment or service, as applicable, or because of the Participant's retirement, death or disability, or otherwise.

(b) A CSAR may be granted to a Participant for no more than the number of shares subject to the simultaneously or previously granted Option to which it is coupled.

(c) A CSAR shall entitle the Participant (or other person entitled to exercise the Option pursuant to the Plan) to surrender to the Company the unexercised portion of the Option to which the CSAR relates (to the extent then exercisable pursuant to its terms) and to receive from the Company in exchange therefor an amount determined by multiplying the difference obtained by subtracting the Option exercise price from the Fair Market Value of a share of Stock on the date of exercise of the CSAR by the number of shares of Stock with respect to which the CSAR shall have been exercised, subject to any limitations the Committee may impose.

7.3 *Independent Stock Appreciation Rights.*

(a) An Independent Stock Appreciation Right (*ISAR*) shall be unrelated to any Option and shall have a term set by the Committee. An ISAR shall be exercisable in such installments as the Committee may determine. An ISAR shall cover such number of shares of Stock as the

Edgar Filing: MERCURY GENERAL CORP - Form DEF 14A

Committee may determine. The exercise price per share of Stock subject to each ISAR shall be set by the Committee; *provided, however*, that the exercise price for any ISAR shall not be less than 100% of the Fair Market Value on the date of grant; and *provided, further*, that, the Committee in its sole and absolute discretion may provide that the ISAR may be exercised subsequent to a termination of employment or service, as applicable, or because of the Participant's retirement, death or disability, or otherwise.

(b) An ISAR shall entitle the Participant (or other person entitled to exercise the ISAR pursuant to the Plan) to exercise all or a specified portion of the ISAR (to the extent then exercisable pursuant to its terms) and to receive from the Company an amount determined by multiplying the difference obtained by subtracting the exercise price per share of the ISAR from the Fair Market Value of a share of Stock on the date of exercise of the ISAR by the number of shares of Stock with respect to which the ISAR shall have been exercised, subject to any limitations the Committee may impose.

A-7

7.4 *Payment and Limitations on Exercise.*

(a) Payment of the amounts determined under Sections 7.2(c) and 7.3(b) above shall be in cash, in Stock (based on its Fair Market Value as of the date the Stock Appreciation Right is exercised) or a combination of both, as determined by the Committee.

(b) To the extent any payment under Section 7.2(c) or 7.3(b) is effected in Stock it shall be made subject to satisfaction of all provisions of Article 5 above pertaining to Options.

8.5 *Deferred Stock.* Any Participant selected by the Committee may be granted an award of Deferred Stock in the manner determined from time to time by the Committee. The number of shares of Deferred Stock shall be determined by the Committee and may be linked to the Performance Criteria or other specific performance criteria determined to be appropriate by the Committee, in each case on a specified date or dates or over any period or periods determined by the Committee. Stock underlying a Deferred Stock award will not be issued until the Deferred Stock award has vested, pursuant to a vesting schedule or performance criteria set by

A-8

the Committee. Unless otherwise provided by the Committee, a Participant awarded Deferred Stock shall have no rights as a Company stockholder with respect to such Deferred Stock until such time as the Deferred Stock Award has vested and the Stock underlying the Deferred Stock Award has been issued.

8.6 *Restricted Stock Units.* The Committee is authorized to make Awards of Restricted Stock Units to any Participant selected by the Committee in such amounts and subject to such terms and conditions as determined by the Committee. At the time of grant, the Committee shall specify the date or dates on which the Restricted Stock Units shall become fully vested and nonforfeitable, and may specify such conditions to vesting as it deems appropriate. At the time of grant, the Committee shall specify the maturity date applicable to each grant of Restricted Stock Units which shall be no earlier than the vesting date or dates of the Award and may be determined at the election of the grantee. On the maturity date, the Company shall, subject to Section 10.5(b), transfer to the Participant one unrestricted, fully transferable share of Stock for each Restricted Stock Unit scheduled to be paid out on such date and not previously forfeited. The Committee shall specify the purchase price, if any, to be paid by the grantee to the Company for such shares of Stock.

8.7 *Other Stock-Based Awards.* Any Participant selected by the Committee may be granted one or more Awards that provide Participants with shares of Stock or the right to purchase shares of Stock or that have a value derived from the value of, or an exercise or conversion privilege at a price related to, or that are otherwise payable in shares of Stock and which may be linked to any one or more of the Performance Criteria or other specific performance criteria determined appropriate by the Committee, in each case on a specified date or dates or over any period or periods determined by the Committee. In making such determinations, the Committee shall consider (among such other factors as it deems relevant in light of the specific type of Award) the contributions, responsibilities and other compensation of the particular Participant.

8.8 *Term.* Except as otherwise provided herein, the term of any Award of Performance Shares, Performance Stock Units, Dividend Equivalents, Stock Payments, Deferred Stock, Restricted Stock Units or Other Stock-Based Award shall be set by the Committee in its discretion.

8.9 *Exercise or Purchase Price.* The Committee may establish the exercise or purchase price, if any, of any Award of Performance Shares, Performance Stock Units, Deferred Stock, Stock Payments, Restricted Stock Units or Other Stock-Based Award; *provided, however*, that such price shall not be less than the par value of a share of Stock on the date of grant, unless otherwise permitted by applicable state law.

8.10 *Exercise Upon Termination of Employment or Service.* An Award of Performance Shares, Performance Stock Units, Dividend Equivalents, Deferred Stock, Stock Payments, Restricted Stock Units and Other Stock-Based Award shall only be exercisable or payable while the Participant is an Employee or a member of the Board, as applicable; *provided, however*, that the Committee in its sole and absolute discretion may provide that an Award of Performance Shares, Performance Stock Units, Dividend Equivalents, Stock Payments, Deferred Stock, Restricted Stock Units or Other Stock-Based Award may be exercised or paid subsequent to a termination of employment or service, as applicable, or because of the Participant's retirement, death or disability, or otherwise; *provided, however*, that any such provision with respect to Performance Shares or Performance Stock Units shall be subject to the requirements of Section 162(m) of the Code that apply to Qualified Performance-Based Compensation.

8.11 *Form of Payment.* Payments with respect to any Awards granted under this Article 8 shall be made in cash, in Stock or a combination of both, as determined by the Committee.

8.12 *Award Agreement.* All Awards under this Article 8 shall be subject to such additional terms and conditions as determined by the Committee and shall be evidenced by a written Award Agreement.

ARTICLE 9

PERFORMANCE-BASED AWARDS

9.1 *Purpose.* The purpose of this Article 9 is to provide the Committee the ability to qualify Awards other than Options and SARs and that are granted pursuant to Articles 6 and 8 as Qualified Performance-Based Compensation. If the Committee, in its discretion, decides to grant a Performance-Based Award to a Covered Employee, the provisions of this Article 9 shall control over any contrary provision contained in Articles 6 or 8; *provided, however*, that the Committee may in its discretion grant Awards to Covered Employees that are based on Performance Criteria or Performance Goals but that do not satisfy the requirements of this Article 9.

9.2 *Applicability.* This Article 9 shall apply only to those Covered Employees selected by the Committee to receive Performance-Based Awards. The designation of a Covered Employee as a Participant for a Performance Period shall not in any manner entitle the Participant to receive an Award for the period. Moreover, designation of a Covered Employee as a Participant for a particular Performance Period shall not require designation of such Covered Employee as a Participant in any subsequent Performance Period and designation of one Covered Employee as a Participant shall not require designation of any other Covered Employees as a Participant in such period or in any other period.

9.3 *Procedures with Respect to Performance-Based Awards.* To the extent necessary to comply with the Qualified Performance-Based Compensation requirements of Section 162(m)(4)(C) of the Code, with respect to any Award granted under Articles 6 and 8 which may be granted to one or more Covered Employees, no later than ninety (90) days following the commencement of any fiscal year in question or any other designated fiscal period or period of service (or such other time as may be required or permitted by Section 162(m) of the Code), the Committee shall, in writing, (a) designate one or more Covered Employees, (b) select the Performance Criteria applicable to the Performance Period, (c) establish the Performance Goals, and amounts of such Awards, as applicable, which may be earned for such Performance Period, and (d) specify the relationship between Performance Criteria and the Performance Goals and the amounts of such Awards, as applicable, to be earned by each Covered Employee for such Performance Period. Following the completion of each Performance Period, the Committee shall certify in writing whether the applicable Performance Goals have been achieved for such Performance Period. In determining the amount earned by a Covered Employee, the Committee shall have the right to reduce or eliminate (but not to increase) the amount payable at a given level of performance to take into account additional factors that the Committee may deem relevant to the assessment of individual or corporate performance for the Performance Period.

9.4 *Payment of Performance-Based Awards.* Unless otherwise provided in the applicable Award Agreement, a Participant must be employed by the Company or a Subsidiary on the day a Performance-Based Award for such Performance Period is paid to the Participant. Furthermore, a Participant shall be eligible to receive payment pursuant to a Performance-Based Award for a Performance Period only if the Performance Goals for such period are achieved.

9.5 *Additional Limitations.* Notwithstanding any other provision of the Plan, any Award which is granted to a Covered Employee and is intended to constitute Qualified Performance-Based Compensation shall be subject to any additional limitations set forth in Section 162(m) of the Code (including any amendment to Section 162(m) of the Code) or any regulations or rulings issued thereunder that are requirements for qualification as qualified performance-based compensation as described in Section 162(m)(4)(C) of the Code, and the Plan shall be deemed amended to the extent necessary to conform to such requirements.

ARTICLE 10

PROVISIONS APPLICABLE TO AWARDS

10.1 *Stand-Alone and Tandem Awards.* Awards granted pursuant to the Plan may, in the discretion of the Committee, be granted either alone, in addition to, or in tandem with, any other Award granted pursuant to the Plan. Awards granted in addition to or in tandem with other Awards may be granted either at the same time as or at a different time from the grant of such other Awards.

10.2 *Award Agreement.* Awards under the Plan shall be evidenced by Award Agreements that set forth the terms, conditions and limitations for each Award which may include the term of an Award, the provisions applicable in the event the Participant's employment or service terminates, and the Company's authority to unilaterally or bilaterally amend, modify, suspend, cancel or rescind an Award.

10.3 *Limits on Transfer.* No right or interest of a Participant in any Award may be pledged, encumbered, or hypothecated to or in favor of any party other than the Company or a Subsidiary, or shall be subject to any lien, obligation, or liability of such Participant to any other party other than the Company or a Subsidiary. Except as otherwise provided by the Committee, no Award shall be assigned, transferred, or otherwise disposed of by a Participant other than by will or the laws of descent and distribution. The Committee by express provision in the Award or an amendment thereto may permit an Award (other than an Incentive Stock Option) to be transferred to, exercised by and paid to certain persons or entities related to the Participant, including but not limited to members of the Participant's family, charitable institutions, or trusts or other entities whose beneficiaries or beneficial owners are members of the Participant's family and/or charitable institutions, or to such other persons or entities as may be expressly approved by the Committee, pursuant to such conditions and procedures as the Committee may establish. Any permitted transfer shall be subject to the condition that the Committee receive evidence satisfactory to it that the transfer is being made for estate and/or tax planning purposes (or to a blind trust in connection with the Participant's termination of employment or service with the Company or a Subsidiary to assume a position with a governmental, charitable, educational or similar non-profit institution) and on a basis consistent with the Company's lawful issue of securities.

10.4 *Beneficiaries.* Notwithstanding Section 10.3, a Participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death. A beneficiary, legal guardian, legal representative, or other person claiming any rights pursuant to the Plan is subject to all terms and conditions of the Plan and any Award Agreement applicable to the Participant, except to the extent the Plan and Award Agreement otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Committee. If the Participant is married and resides in a community property state, a designation of a person other than the Participant's spouse as his or her beneficiary with respect to more than 50% of the Participant's interest in the Award shall not be effective without the prior written consent of the Participant's spouse. If no beneficiary has been designated or survives the Participant, payment shall be made to the person entitled thereto pursuant to the Participant's will or the laws of descent and distribution. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is filed with the Committee.

10.5 *Stock Certificates; Book Entry Procedures.*

(a) Notwithstanding anything herein to the contrary, the Company shall not be required to issue or deliver any certificates evidencing shares of Stock pursuant to the exercise of any Award, unless and until the Board has determined, with advice of counsel, that the issuance and delivery of such certificates is in compliance with all applicable laws, regulations of governmental authorities and, if applicable, the requirements of any exchange on which the shares of Stock are listed or traded. All Stock certificates delivered pursuant to the Plan are subject to any stop-transfer orders and other restrictions as the Committee deems necessary or advisable to comply with federal, state, or foreign jurisdiction, securities or other laws, rules and regulations and the rules of any national securities exchange or automated quotation system on

A-11

which the Stock is listed, quoted, or traded. The Committee may place legends on any Stock certificate to reference restrictions applicable to the Stock. In addition to the terms and conditions provided herein, the Board may require that a Participant make such reasonable covenants, agreements, and representations as the Board, in its discretion, deems advisable in order to comply with any such laws, regulations, or requirements. The Committee shall have the right to require any Participant to comply with any timing or other restrictions with respect to the settlement or exercise of any Award, including a window-period limitation, as may be imposed in the discretion of the Committee.

(b) Notwithstanding any other provision of the Plan, unless otherwise determined by the Committee or required by any applicable law, rule or regulation, the Company shall not deliver to any Participant certificates evidencing shares of Stock issued in connection with any Award and instead such shares of Stock shall be recorded in the books of the Company (or, as applicable, its transfer agent or stock plan administrator).

ARTICLE 11

CHANGES IN CAPITAL STRUCTURE

11.1 *Adjustments.*

(a) In the event of any stock dividend, stock split, combination or exchange of shares, merger, consolidation, spin-off, recapitalization, distribution of Company assets to stockholders (other than normal cash dividends), or any other corporate event affecting the Stock or the share price of the Stock, the Committee may make such proportionate adjustments, if any, as the Committee in its discretion may deem appropriate to reflect such changes with respect to (i) the aggregate number and type of shares that may be issued under the Plan (including, but not limited to, adjustments of the limitations in Sections 3.1 and 3.3); (ii) the terms and conditions of any outstanding Awards (including, without limitation, any applicable performance targets or criteria with respect thereto); and (iii) the grant or exercise price per share for any outstanding Awards under the Plan. Any adjustment affecting an Award intended as Qualified Performance-Based Compensation shall be made consistent with the requirements of Section 162(m) of the Code.

(b) In the event of any transaction or event described in Section 11.1(a) or any unusual or nonrecurring transactions or events affecting the Company, any affiliate of the Company, or the financial statements of the Company or any affiliate, or of changes in applicable laws, regulations or accounting principles, and whenever the Committee determines that action is appropriate in order to prevent the dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or with respect to any Award under the Plan, to facilitate such transactions or events or to give effect to such changes in laws, regulations or principles, the Committee, in its sole discretion and on such terms and conditions as it deems appropriate, either by amendment of the terms of any outstanding Awards or by action taken prior to the occurrence of such transaction or event and either automatically or upon the Participant's request, is hereby authorized to take any one or more of the following actions:

(i) To provide for either (A) termination of any such Award in exchange for an amount of cash and/or other property, if any, equal to the amount that would have been attained upon the exercise of such Award or realization of the Participant's rights (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction or event described in this Section 11.1(b) the Committee determines in good faith that no amount would have been attained upon the exercise of such Award or realization of the Participant's rights, then such Award may be terminated by the Company without payment) or (B) the replacement of such Award with other rights or property selected by the Committee in its sole discretion;

(ii) To provide that such Award be assumed by the successor or survivor corporation, or a parent or subsidiary thereof, or shall be substituted for by similar options, rights or awards covering the stock of the successor or survivor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices; and

A-12

(iii) To make adjustments in the number and type of shares of Stock (or other securities or property) subject to outstanding Awards, and in the number and kind of outstanding Restricted Stock or Deferred Stock and/or in the terms and conditions of (including the grant or exercise price), and the criteria included in, outstanding options, rights and awards and options, rights and awards which may be granted in the future;

(iv) To provide that such Award shall be exercisable or payable or fully vested with respect to all shares covered thereby, notwithstanding anything to the contrary in the Plan or the applicable Award Agreement; and

(v) To provide that the Award cannot vest, be exercised or become payable after such event.

11.2 *Outstanding Awards Other Changes.* In the event of any other change in the capitalization of the Company or corporate change other than those specifically referred to in this Article 11, the Committee may, in its absolute discretion, make such adjustments in the number and kind of shares or other securities subject to Awards outstanding on the date on which such change occurs and in the per share grant or exercise price of each Award as the Committee may consider appropriate to prevent dilution or enlargement of rights.

11.3 *No Other Rights.* Except as expressly provided in the Plan, no Participant shall have any rights by reason of any subdivision or consolidation of shares of stock of any class, the payment of any dividend, any increase or decrease in the number of shares of stock of any class or any dissolution, liquidation, merger, or consolidation of the Company or any other corporation. Except as expressly provided in the Plan or pursuant to action of the Committee under the Plan, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number of shares of Stock subject to an Award or the grant or exercise price of any Award.

ARTICLE 12

ADMINISTRATION

12.1 *Committee.* Unless and until the Board delegates administration of the Plan to a Committee as set forth below, the Plan shall be administered by the full Board, and for such purposes the term Committee as used in this Plan shall be deemed to refer to the Board. The Board, at its discretion or as otherwise necessary to comply with the requirements of Section 162(m) of the Code, Rule 16b-3 promulgated under the Exchange Act or to the extent required by any other applicable rule or regulation, shall delegate administration of the Plan to a Committee. The Committee shall consist solely of two or more members of the Board each of whom is both an outside director, within the meaning of Section 162(m) of the Code and any other applicable rules and regulations, and a Non-Employee Director. Notwithstanding the foregoing: (a) the full Board, acting by a majority of its members in office, shall conduct the general administration of the Plan with respect to all Awards granted to Independent Directors and for purposes of such Awards the term Committee as used in this Plan shall be deemed to refer to the Board and (b) the Committee may delegate its authority hereunder to the extent permitted by Section 12.5. Appointment of Committee members shall be effective upon acceptance of appointment. The Board may abolish the Committee at any time and revert in the Board the administration of the Plan. Committee members may resign at any time by delivering written notice to the Board. Vacancies in the Committee may only be filled by the Board.

12.2 *Action by the Committee.* A majority of the Committee shall constitute a quorum. The acts of a majority of the members present at any meeting at which a quorum is present, and acts approved in writing by a majority of the Committee in lieu of a meeting, shall be deemed the acts of the Committee. Each member of the Committee is entitled to, in good faith, rely or act upon any report or other information furnished to that member by any officer or other employee of the Company or any Subsidiary, the Company's independent certified public accountants, or any

executive compensation consultant or other professional retained by the Company to assist in the administration of the Plan.

A-13

12.3 *Authority of Committee.* Subject to any specific designation in the Plan, the Committee has the exclusive power, authority and discretion to:

- (a) Designate Participants to receive Awards;
- (b) Determine the type or types of Awards to be granted to each Participant;
- (c) Determine the number of Awards to be granted and the number of shares of Stock to which an Award will relate;

- (e) Determine whether, to what extent, and pursuant to what circumstances an Award may be settled in, or the exercise price of an Award may be paid in, cash, Stock, other Awards, or other property, or an Award may be canceled, forfeited, or surrendered;
- (f) Prescribe the form of each Award Agreement, which need not be identical for each Participant;
- (g) Decide all other matters that must be determined in connection with an Award;
- (h) Establish, adopt, or revise any rules and regulations as it may deem necessary or advisable to administer the Plan;
- (i) Interpret the terms of, and any matter arising pursuant to, the Plan or any Award Agreement; and
- (j) Make all other decisions and determinations that may be required pursuant to the Plan or as the Committee deems necessary or advisable to administer the Plan.

12.4 *Decisions Binding.* The Committee's interpretation of the Plan, any Awards granted pursuant to the Plan, any Award Agreement and all decisions and determinations by the Committee with respect to the Plan are final, binding, and conclusive on all parties.

12.5 *Delegation of Authority.* To the extent permitted by applicable law, the Committee may from time to time delegate to a committee of one or more members of the Board or one or more officers of the Company the authority to grant or amend Awards to Participants other than (a) senior executives of the Company who are subject to Section 16 of the Exchange Act, (b) Covered Employees, or (c) officers of the Company (or members of the Board) to whom authority to grant or amend Awards has been delegated hereunder. Any delegation hereunder shall be subject to the restrictions and limits that the Committee specifies at the time of such delegation, and the Committee may at any time rescind the authority so delegated or appoint a new delegatee. At all times, the delegatee appointed under this Section 12.5 shall serve in such capacity at the pleasure of the Committee.

ARTICLE 13

EFFECTIVE AND EXPIRATION DATE

13.1 *Effective Date.* The Plan is effective as of the date the Plan is approved by the Company's stockholders (the *Effective Date*). The Plan will be deemed to be approved by the stockholders if it receives the affirmative vote of the holders of a majority of the shares of stock of the Company present or represented and entitled to vote at a meeting duly held in accordance with the applicable provisions of the Company's Bylaws.

13.2 *Expiration Date.* The Plan will expire on, and no Incentive Stock Option or other Award may be granted pursuant to the Plan after, the earlier of the tenth anniversary of (i) the Effective Date or (ii) the date this Plan is approved by the Board. Any Awards that are outstanding on the tenth anniversary of the Effective Date shall remain in force according to the terms of the Plan and the applicable Award Agreement.

ARTICLE 14

AMENDMENT, MODIFICATION, AND TERMINATION

14.1 *Amendment, Modification, And Termination.* With the approval of the Board, at any time and from time to time, the Committee may terminate, amend or modify the Plan; *provided, however*, that (a) to the extent necessary and desirable to comply with any applicable law, regulation, or stock exchange rule, the Company shall obtain stockholder approval of any Plan amendment in such a manner and to such a degree as required, and (b) stockholder approval is required for any amendment to the Plan that (i) increases the number of shares available under the Plan (other than any adjustment as provided by Article 11), (ii) permits the Committee to grant Options with an exercise price that is below Fair Market Value on the date of grant, (iii) permits the Committee to extend the exercise period for an Option beyond ten years from the date of grant or (iv) results in a material increase in benefits or a change in eligibility requirements. Notwithstanding any provision in this Plan to the contrary, absent approval of the stockholders of the Company, no Option may be amended to reduce the per share exercise price of the shares subject to such Option below the per share exercise price as of the date the Option is granted and, except as permitted by Article 11, no Option may be granted in exchange for, or in connection with, the cancellation or surrender of an Option having a higher per share exercise price.

14.2 *Awards Previously Granted.* No termination, amendment, or modification of the Plan shall adversely affect in any material way any Award previously granted pursuant to the Plan without the prior written consent of the Participant.

ARTICLE 15

GENERAL PROVISIONS

15.1 *No Rights to Awards.* No Eligible Individual or other person shall have any claim to be granted any Award pursuant to the Plan, and neither the Company nor the Committee is obligated to treat Eligible Individuals, Participants or any other persons uniformly.

15.2 *No Stockholders Rights.* Except as otherwise provided herein, a Participant shall have none of the rights of a stockholder with respect to shares of Stock covered by any Award until the Participant becomes the record owner of such shares of Stock.

15.3 *Withholding.* The Company or any Subsidiary shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, local and foreign taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any taxable event concerning a Participant arising as a result of this Plan. The Committee may in its discretion and in satisfaction of the foregoing requirement allow a Participant to elect to have the Company withhold shares of Stock otherwise issuable under an Award (or allow the return of shares of Stock) having a Fair Market Value equal to the sums required to be withheld. Notwithstanding any other provision of the Plan, the number of shares of Stock which may be withheld with respect to the issuance, vesting, exercise or payment of any Award (or which may be repurchased from the Participant of such Award within six months (or such other period as may be determined by the Committee) after such shares of Stock were acquired by the Participant from the Company) in order to satisfy the Participant's federal,

state, local and foreign income and payroll tax liabilities with respect to the issuance, vesting, exercise or payment of the Award shall be limited to the number of shares which have a

A-15

Fair Market Value on the date of withholding or repurchase equal to the aggregate amount of such liabilities based on the minimum statutory withholding rates for federal, state, local and foreign income tax and payroll tax purposes that are applicable to such supplemental taxable income.

15.4 *No Right to Employment or Services.* Nothing in the Plan or any Award Agreement shall interfere with or limit in any way the right of the Company or any Subsidiary to terminate any Participant's employment or services at any time, nor confer upon any Participant any right to continue in the employ or service of the Company or any Subsidiary.

15.5 *Unfunded Status of Awards.* The Plan is intended to be an unfunded plan for incentive compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award Agreement shall give the Participant any rights that are greater than those of a general creditor of the Company or any Subsidiary.

15.6 *Indemnification.* To the extent allowable pursuant to applicable law, each member of the Committee or of the Board shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such member in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action or failure to act pursuant to the Plan and against and from any and all amounts paid by him or her in satisfaction of judgment in such action, suit, or proceeding against him or her; *provided* he or she gives the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled pursuant to the Company's Certificate of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

15.7 *Relationship to other Benefits.* No payment pursuant to the Plan shall be taken into account in determining any benefits pursuant to any pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company or any Subsidiary except to the extent otherwise expressly provided in writing in such other plan or an agreement thereunder.

15.8 *Expenses.* The expenses of administering the Plan shall be borne by the Company and its Subsidiaries.

15.9 *Titles and Headings.* The titles and headings of the Sections in the Plan are for convenience of reference only and, in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

15.10 *Fractional Shares.* No fractional shares of Stock shall be issued and the Committee shall determine, in its discretion, whether cash shall be given in lieu of fractional shares or whether such fractional shares shall be eliminated by rounding up or down as appropriate.

15.11 *Limitations Applicable to Section 16 Persons.* Notwithstanding any other provision of the Plan, the Plan, and any Award granted or awarded to any Participant who is then subject to Section 16 of the Exchange Act, shall be subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the Exchange Act (including any amendment to Rule 16b-3 of the Exchange Act) that are requirements for the application of such exemptive rule. To the extent permitted by applicable law, the Plan and Awards granted or awarded hereunder shall be deemed amended to the extent necessary to conform to such applicable exemptive rule.

15.12 *Government and Other Regulations.* The obligation of the Company to make payment of awards in Stock or otherwise shall be subject to all applicable laws, rules, and regulations, and to such approvals by government agencies as may be required. The Company shall be under no obligation to register pursuant to the

A-16

Securities Act of 1933, as amended, any of the shares of Stock paid pursuant to the Plan. If the shares paid pursuant to the Plan may in certain circumstances be exempt from registration pursuant to the Securities Act of 1933, as amended, the Company may restrict the transfer of such shares in such manner as it deems advisable to ensure the availability of any such exemption.

15.13 *Governing Law.* The Plan and all Award Agreements shall be construed in accordance with and governed by the laws of the State of California.
