Item 4. Description of Securities.

Not applicable with respect to Common Stock, \$0.001 par value, to be issued under the Epicor Software Corporation 2005 Stock Incentive Plan.

The Securities being registered pursuant to the DCP represent obligations (the Obligations) of the Registrant to pay deferred compensation in the future in accordance with the terms of the DCP, which is filed hereto as Exhibit 4.3.

The Obligations are general unsecured obligations of the Registrant to pay deferred compensation in the future according to the DCP from accounts established by the Registrant for each participant in the DCP. Although the funds are available to creditors of the Registrant, they are not available for general corporate purposes.

The amount of compensation to be deferred by each participant is determined in accordance with the DCP based on elections by the participant. Certain eligible employees may defer up to 70% of base salary and up to 100% of eligible bonuses and sales commissions, with an annual minimum of \$10,000. Amounts credited to a participant's account are credited with deemed investment returns equal to the experience of selected investment funds offered under the DCP and elected by the participant. The Obligations are generally payable upon a date or dates selected by the participant in accordance with the terms of the DCP, subject to exceptions for certain types of withdrawals and certain terminations of employment. The Obligations generally are payable in the form of a lump-sum distribution or in installments, at the election of the participant made in accordance with the terms of the DCP.

Participants or beneficiaries generally may not sell, transfer, anticipate, assign, hypothecate or otherwise dispose of any right or interest in the DCP. A participant may designate one or more beneficiaries to receive any portion of Obligations payable in the event of death. The Registrant reserved the right to amend, suspend or terminate the DCP at any time and for any reason, however no such amendment, termination or suspension shall have any retroactive effect to reduce any amounts allocated to a participant's account.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law authorizes a corporation to grant or a court to award indemnification to directors and officers in terms that are sufficiently broad to permit indemnification under certain circumstances for liabilities (including reimbursement for expenses incurred) arising under the Securities Act of 1933, as amended (the Securities Act). The Registrant's second restated certificate of incorporation, as amended, and the Registrant's

amended and restated bylaws provide for indemnification of its directors, officers, employees and other agents to the maximum extent permitted by Delaware Law. The Registrant's amended and restated bylaws also provide that the Registrant may purchase insurance to protect any director, officer, employee or agent against any liability, whether or not the Company would have the power to indemnify such person against such liability under Delaware Law. In addition, the Registrant has entered into indemnification agreements with its directors and certain officers, pursuant to which these directors and officers are indemnified to the fullest extent permitted by the Registrant's second restated certificate of incorporation, the Registrant's amended and restated bylaws and applicable law as the same exists or may be amended.

Item 7. Exemption from Registration Claimed.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

Edgar Filing: EPICOR SOFTWARE CORP - Form S-8

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration

Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act, and will be governed by the final adjudication of such issue.
