PROXY STATEMENT

November 3, 2005

Annual Meeting of Stockholders

General Information

This proxy statement is furnished to stockholders of Saba Software, Inc., a Delaware corporation, in connection with the solicitation by our Board of Directors of proxies in the accompanying form for use in voting at our annual meeting of stockholders to be held on Thursday, November 3, 2005, at 9:00 a.m., Pacific Time, at our corporate headquarters located at 2400 Bridge Parkway, Redwood Shores, California 94065-1166, and any adjournment or postponement thereof. The shares represented by the proxies received, properly marked, dated, executed and not revoked will be voted at the annual meeting for the purposes set forth in the accompanying notice of annual meeting of stockholders.

The proxy holders will vote all proxies in accordance with the instructions contained in the proxy and, if no choice is specified, the proxy holders will vote in favor of the proposals set forth herein. Proxies will confer upon the proxy holders discretionary authority to vote upon matters that the Board does not know as of the date hereof but may be presented at the annual meeting, as well as the authority to adjourn or postpone the annual meeting in order to assure that all stockholders who wish to vote on the matter will be able to cast their votes and to act upon other matters incident to the conduct of the meeting.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is exercised by delivering to us (to the attention of Peter E. Williams III, our Secretary) a written notice of revocation or a duly executed proxy bearing a later date, or by attending the annual meeting and voting in person.

Solicitation and Voting Procedures

The proxy statement and the enclosed proxy card are being mailed to the stockholders on or about September 28, 2005. This proxy statement and the accompanying proxy card are for use by the stockholders.

Edgar Filing: SABA SOFTWARE INC - Form DEF 14A

The close of business on September 9, 2005 has been fixed as the record date for determining the holders of shares of our common stock entitled to notice of, and to vote, at the annual meeting. As of the close of business on the record date, we had 17,946,629 shares of common stock outstanding and entitled to vote at the annual meeting. The presence at the annual meeting of a majority, or 8,973,315, of these shares of our common stock, either in person or by proxy, will constitute a quorum for the transaction of business at the annual meeting. Each outstanding share of common stock on the record date is entitled to one vote on all matters.

All expenses in connection with the solicitation of proxies will be borne by us. These costs will include the expense of preparing and mailing proxy materials for the annual meeting and reimbursements paid to brokerage firms and others for their expenses incurred in forwarding solicitation material regarding the annual meeting to beneficial owners of our common stock. We may conduct further solicitation personally, by telephone or by facsimile through our officers, directors and employees, none of who will receive additional compensation for assisting with the solicitation.

An automated system administered by ADP-Investor Communication Services and Mellon Investor Services will tabulate votes cast by proxy at the annual meeting, and one of our officers, duly appointed by the Board of Directors, will tabulate votes cast in person at the annual meeting.

Under the General Corporation Law of the State of Delaware, abstentions and broker non-votes are each included in the determination of the number of shares present and voting, and each is tabulated separately. However, broker non-votes are not counted for purposes of determining the number of votes cast with respect to a particular proposal and, therefore, will have no effect on the result of the vote. A broker non-vote occurs when a broker submits a proxy card with respect to shares of common stock held in a fiduciary capacity (typically referred to as being held in street name) but declines to vote on a particular matter because the broker has not received voting instructions from the beneficial owner. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have the discretion to vote such shares on routine matters, but not on non-routine matters. Routine matters include, among others, the election of directors and ratification of auditors. Non-routine matters include, among others, approval of actions with respect to a company's certificate of incorporation, bylaws or stock option plan. In determining whether a proposal has been approved, other than the election of directors, abstentions have the same effect as votes against the proposal. As a result, (i) with respect to proposal 1, which requires a plurality vote, and proposal 2, which requires the affirmative vote of a majority of our common stock represented at the meeting and entitled to vote, broker non-votes have no effect and abstentions have the same effect as negative votes.

The shares represented by properly executed proxy cards will be voted at the annual meeting as indicated or, if no instructions are given, in favor of proposals 1 and 2. We do not presently know of any other business that may come before the annual meeting.

Householding of Annual Meeting Materials

Some brokers and other nominee record holders may be participating in the practice of householding proxy statements and annual reports. This means that only one (1) copy of this proxy statement and annual report may have been sent to multiple stockholders in a stockholder's household. We will promptly deliver a separate copy of either document to any stockholder who contacts our investor relations department at (650) 581-2500 requesting such copies. If a stockholder is receiving multiple copies of the proxy statement and annual report at the stockholder's household and would like to receive a single copy of the proxy statement and annual report for a stockholder's household in the future, stockholders should contact their broker, other nominee record holder, or our investor relations department to request mailing of a single copy of the proxy statement and annual report.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The number of directors on the Board of Directors is currently fixed at six. Our Certificate of Incorporation divides our Board of Directors into three classes designated Class I, Class II and Class III. The members of each class of directors serve staggered three-year terms. The Board of Directors is composed of two Class I Directors: Joe E. Kiani and Clifton T. Weatherford; one Class II Director: Bobby Yazdani; and three Class III Directors: Douglas C. Allred, Larry D. Lenihan, Jr. and Michael J. Moritz. The term of office of the Class II Director expires at this annual meeting, the term of office of the Class III Directors expires at the 2006 annual meeting and the term of office of the Class I Directors expires at the 2007 annual meeting. At each annual meeting of stockholders, directors will be elected for a full term of three years to succeed those directors whose terms are expiring. Directors will be elected by a plurality of votes cast.

At the annual meeting, the stockholders will elect one Class II Director, to serve a three year term until the election and qualification of a successor at the 2008 annual meeting of stockholders, until a successor is otherwise duly elected or appointed and qualified or until the director's earlier resignation or removal. The Board of Directors has nominated Bobby Yazdani for election as Class II Director. The Corporate Governance and Nominating Committee approved Mr. Yazdani as nominee for the Class II director to be voted upon at the annual meeting. The Board has no reason to believe that the nominee will be unable or unwilling to serve as a nominee or as a director, if elected.

Certain information about Mr. Yazdani, the Class II Director nominee, is furnished below:

Bobby Yazdani founded Saba, has been a Director of Saba since inception and has served as Saba's Chairman of the Board and Chief Executive Officer since September 2003. From February 2003 through September 2003, Mr. Yazdani served as Saba's President and Chief Operating Officer. From inception until February 2003, Mr. Yazdani served as Saba's Chairman of the Board and from inception until March 2002, Mr. Yazdani served as Chief Executive Officer. From 1988 until founding Saba, Mr. Yazdani served in various positions at Oracle, most recently as Senior Director. Mr. Yazdani holds a B.A. from the University of California, Berkeley.

Required Vote

The affirmative vote of a plurality of all the votes represented in person or by proxy at the annual meeting is required to approve the foregoing proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE *FOR* THE ELECTION OF THE NOMINEE NAMED ABOVE.

Meetings and Committees of the Board of Directors

During our fiscal year ended May 31, 2005, the Board of Directors met six times. No current director attended fewer than 75% of all the meetings of the Board of Directors and its committees on which he served after becoming a member of the Board of Directors. The Board of

Edgar Filing: SABA SOFTWARE INC - Form DEF 14A

Directors has three standing committees: the Audit Committee, the Compensation Committee and the Corporate Governance and Nominating Committee. The Company encourages, but does not require, its Board members to attend the annual stockholders meeting. None of the Company's directors attended the 2004 annual meeting of stockholders. The Board of Directors has determined that a majority of its members, Messrs. Allred, Kiani, Lenihan, Moritz and Weatherford, are independent as that term is defined in Rule 4200 of the listing standards of the Marketplace Rules of the NASDAQ Stock Market, Inc. (NASDAQ).

During our fiscal year ended May 31, 2005, the Audit Committee held nine meetings. Messrs. Kiani, Moritz and Weatherford are the current members of our Audit Committee. The Audit Committee oversees the

accounting and financial reporting processes of Saba and audits of the financial statements of Saba. The Audit Committee reviews, acts on and reports to our Board of Directors with respect to various auditing and accounting matters. The Audit Committee reviews and monitors the corporate financial reporting and the external audits of Saba, including, among other things, our internal control functions, the results and scope of the annual audit and other services provided by our independent auditors and our compliance with legal matters that have significant impact on our financial reports. In addition, the Audit Committee is responsible for the appointment, compensation and oversight of our independent auditors. See Report of the Audit Committee of the Board of Directors. Our Board adopted and approved a charter for the Audit Committee on October 21, 1999. The charter for the Audit Committee was amended to reflect relevant provisions of the Sarbanes-Oxley Act of 2002 and The NASDAQ Stock Market rules. A copy of the Audit Committee charter, as amended to date, can be viewed on our website at www.saba.com. The Audit Committee is composed solely of non-employee directors, as such term is defined in Rule 16b-3 under the Exchange Act and the Board of Directors has determined that all members of the Audit Committee are independent as that term is defined in Rule 4200(a)(15) of the Marketplace Rules of the NASDAQ Stock Market, Inc. The Board has further determined that Mr. Weatherford, Chairman of the Audit Committee, is an audit committee financial expert as defined by Item 401(h) of Regulation S-K of the Exchange Act and is independent as defined by Item 7(d)(3)(iv) of Schedule 14A of the Exchange Act.

During our fiscal year ended May 31, 2005, the Compensation Committee held two meetings. Messrs. Allred, Kiani, Lenihan and Moritz are the current members of our Compensation Committee. The Compensation Committee establishes salaries, incentives and other forms of compensation for executive officers and other key employees. This committee also administers our incentive compensation and benefit plans.

During our fiscal year ended May 31, 2005, the Corporate Governance and Nominating Committee held one meeting. The current members of the Corporate Governance and Nominating Committee are Messrs. Kiani, Lenihan and Moritz. The Corporate Governance and Nominating Committee oversees the operation of the Board, the selection, nomination, evaluation and education of directors, and the establishment and implementation of our policies and programs regarding internal governance and legal and ethical conduct. Prior to our annual meeting of stockholders, the Corporate Governance and Nominating Committee, pursuant to guidelines designed to highlight the necessary qualifications, assists the existing Board in selecting the candidates who will be presented to our stockholders for election to serve on our Board of Directors. The Corporate Governance and Nominating Committee will consider and make recommendations to the Board of Directors regarding any stockholder recommendations for candidates to serve on the Board of Directors. However, it has not adopted a formal process for that consideration because it believes that the informal consideration process will be adequate given the historical absence of stockholder proposals. The Corporate Governance and Nominating Committee will review periodically whether a more formal policy should be adopted. Stockholders wishing to recommend candidates for consideration by the Corporate Governance and Nominating Committee may do so by writing to our Corporate Secretary, 2400 Bridge Parkway, Redwood Shores, California 94065-1166, providing the candidate's name, biographical data and qualifications, a document indicating the candidate's willingness to act if elected, and evidence of the nominating stockholder's ownership of our Common Stock at least 120 days prior to the next annual meeting to assure time for meaningful consideration by the Corporate Governance and Nominating Committee. There are no differences in the manner in which the Corporate Governance and Nominating Committee evaluates nominees for director based on whether the nominee is recommended by a stockholder. We do not currently pay any third party to identify or assist in identifying or evaluating potential nominees.

The Corporate Governance and Nominating Committee operates under a written charter setting forth the functions and responsibilities of the committee. A copy of the charter can be viewed on our website at www.saba.com.

In reviewing potential candidates for the Board of Directors, the Corporate Governance and Nominating Committee considers the individual's experience in human capital development and management solutions and related industries, the general business or other experience of the candidate, our needs for an additional or replacement director, the personality of the candidate, the candidate's interest in our business, as well as

numerous other subjective criteria. Of greatest importance is the individual's integrity, willingness to get involved and ability to bring to us experience and knowledge in areas that are most beneficial to us as a company. The Board intends to continue to evaluate candidates for election to the Board of Directors on the basis of the foregoing criteria.

All members of the Corporate Governance and Nominating Committee are independent directors within the meaning of Rule 4200 of the Marketplace Rules of the NASDAQ Stock Market, Inc.

Communication between Stockholders and Directors

Our Board of Directors currently does not have a formal process for stockholders to send communications to the Board of Directors. Nevertheless, every effort has been made to ensure that the views of stockholders are heard by the Board or individual directors, as applicable, and that appropriate responses are provided to stockholders on a timely basis. The Board of Directors does not recommend that formal communication procedures be adopted at this time because it believes that informal communications are sufficient to communicate questions, comments and observations that could be useful to the Board. However, stockholders wishing to formally communicate with the Board of Directors may send communications directly to Bobby Yazdani, Chairman of the Board, c/o Saba Software, Inc., 2400 Bridge Parkway, Redwood Shores, California 94065-1166.

Corporate Governance

The Company has formal corporate governance standards in place. The Board has reviewed the provisions of the Sarbanes-Oxley Act of 2002, the rules of the Securities and Exchange Commission and the NASDAQ Stock Market, Inc. corporate governance listing standards regarding corporate governance policies and procedures. The Board believes the Company is in compliance with such rules and listing standards. We do not pay directors affiliated with a venture fund cash compensation for their services as directors or members of committees of the Board of Directors. We reimburse all non-employee directors for their reasonable expenses incurred in attending meetings of the Board of Directors. Members of the Board who are not employees of the Company are eligible to receive stock options under the Company's 2000 Stock Incentive Plan. During the fiscal year ended May 31, 2005, an option to purchase 8,750 shares of common stock was granted to the Chairman of the Audit Committee, an option to purchase 7,500 shares of common stock was granted to each of the other members of the Audit Committee and an option to purchase 5,000 shares of common stock was granted to Messrs. Report of the Compensation Committee of the Board of Directors

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended (the Securities Act), or the Securities Exchange Act of 1934, as amended (the Exchange Act), that might incorporate future filings, including this Proxy Statement, in whole or in part, the following report shall not be deemed to be soliciting material or to be filed with the Securities and Exchange Commission, nor shall such report be incorporated by reference into any such filings, nor shall the following report be deemed to be incorporated by reference into any future filings under the Securities Act or the Exchange Act.

We have a compensation committee of the Board of Directors (the Compensation Committee) which has the authority and responsibility to approve the overall compensation strategy, administer our annual and long-term compensation plans, and review and make recommendations to the Board of Directors with respect to executive compensation. The Compensation Committee is comprised of independent, non-employee board of director members.

Executive Officer Compensation Programs

The objectives of the executive officer compensation program are to attract, retain, motivate and reward key personnel who possess the necessary leadership and management skills, through competitive base salary, annual cash bonus incentives, long-term incentive compensation in the form of stock options, and various benefits, including medical and life insurance plans.

The executive compensation policies of the Compensation Committee are intended to combine competitive levels of compensation and rewards for above average performance and to align relative compensation with the achievements of key business objectives, optimal satisfaction of customers and maximization of stockholder value. The Compensation Committee believes that stock ownership by management is beneficial in aligning management and stockholder interests, thereby enhancing stockholder value.

Base Salaries. Salaries for our executive officers are determined primarily on the basis of the executive officer's responsibility, general salary practices of peer companies and the officer's individual qualifications and experience. The base salaries are reviewed annually and may be adjusted by the Compensation Committee in accordance with certain criteria which include individual performance, the functions performed by the executive officer, the scope of the executive officer's on-going duties, general changes in the compensation peer group in which we compete for executive talent, and our financial performance generally. The weight given to each such factor by the Compensation Committee may vary from individual to individual.

Incentive Bonuses. The Compensation Committee believes that a cash incentive bonus plan can serve to motivate our executive officers and management to address annual performance goals, using more immediate measures for performance than those reflected in the appreciation in value of stock options. The bonus amounts are based upon recommendations by management and a subjective consideration of factors including such officer's level of responsibility, individual performance, contributions to our success and our financial performance generally.

Stock Option Grants. Stock options may be granted to executive officers and other employees under the 1997 Stock Incentive Plan and the 2000 Stock Incentive Plan (collectively, the Plans). Because of the direct relationship between the value of an option and the stock price, the Compensation Committee believes that options motivate executive officers to manage Saba in a manner that is consistent with stockholder interests. Stock option grants are intended to focus the attention of the recipient on our long-term performance which we believe results in improved stockholder value, and to retain the services of the executive officers in a competitive job market by providing significant long-term earnings potential. To this end, stock options generally vest and become fully exercisable over a four-year period. The principal factors

considered in granting stock options to

executive officers of Saba are prior performance, level of responsibility, other compensation and the executive officer's ability to influence our long-term growth and profitability. However, the Plans do not provide any quantitative method for weighing these factors, and a decision to grant an award is primarily based upon a subjective evaluation of the past as well as future anticipated performance.

Other Compensation Plans. We have adopted certain general employee benefit plans in which executive officers are permitted to participate on parity with other employees. We also provide a 401(k) deferred compensation pension plan.

Deductibility of Compensation. Section 162(m) of the Internal Revenue Code (IRC) disallows a deduction by Saba for compensation exceeding \$1.0 million paid to certain executive officers, excluding, among other things, performance based compensation. Because the compensation paid to the executive officers has not approached the limitation, the Compensation Committee has not had to use any of the available exemptions from the deduction limit. The Compensation Committee remains aware of the IRC Section 162(m) limitations and the available exemptions and will address the issue of deductibility when and if circumstances warrant the use of such exemptions.

Chief Executive Officer Compensation

The compensation of our Chief Executive Officer is reviewed annually on the same basis as discussed above for all executive officers. The Compensation Committee established an annual base salary of \$300,000 for Mr. Yazdani at the time he was reappointed to serve as Chief Executive Officer in September 2003. Mr. Yazdani's base salary was established in part by comparing the base salaries of chief executive officers at other companies of similar size in the high-technology industry. Mr. Yazdani's base salary was at the approximate median of the base salary range for chief executive officers of comparative companies.
