Report of Independent Auditors

Stockholders and Board of Directors

Wells Real Estate Investment Trust II, Inc.

We have audited the accompanying statement of revenues over certain operating expenses of the University Circle Buildings (the Buildings) for the year ended December 31, 2004. This statement is the responsibility of the Buildings management. Our responsibility is to express an opinion on this statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of revenues over certain operating expenses is free of material misstatement. We were not engaged to perform an audit of the Buildings internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Buildings internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of revenues over certain operating expenses, assessing the accounting principles used and significant estimates made by management, and evaluating the overall presentation of the statement of revenues over certain operating expenses. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenues over certain operating expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, as described in Note 2, and is not intended to be a complete presentation of the University Circle Buildings revenues and expenses.

In our opinion, the statement of revenues over certain operating expenses referred to above presents fairly, in all material respects, the revenues and certain operating expenses described in Note 2 of the University Circle Buildings for the year ended December 31, 2004 in conformity with accounting principles generally accepted in the United States.

Notes to Statements of Revenues Over Certain Operating Expenses

For the year ended December 31, 2004 (audited)

and the six months ended June 30, 2005 (unaudited)

1. Description of Real Estate Property Acquired

On September 21, 2005, Wells Operating Partnership II, L.P. (Wells OP II), through a wholly owned subsidiary, acquired the University Circle Buildings (the Buildings), three multi-story office buildings containing a total of approximately 451,000 square feet located in East Palo Alto, California. Total consideration for the acquisition was approximately \$291.0 million. Pursuant to the terms of an earnout agreement entered into at closing between Wells OP II and the seller, Wells OP II would owe the seller additional purchase consideration ranging from \$7.7 million to \$12.9 million, for which the exact amount will be calculated based on a pre-determined formula upon the seller's procurement of qualified leases for the Buildings' vacant space. Wells OP II is a Delaware limited partnership formed to acquire, own, lease, operate and manage real properties on behalf of Wells Real Estate Investment Trust II, Inc. (Wells REIT II), a Maryland corporation. Wells REIT II is the sole general partner of Wells OP II.

2. Basis of Accounting

The accompanying statements of revenues over certain operating expenses are presented in conformity with U. S. generally accepted accounting principles and in accordance with the applicable rules and regulations of the Securities and Exchange Commission for real estate properties acquired. Accordingly, the statements exclude certain historical expenses that are not comparable to the proposed future operations of the property such as certain ancillary income, amortization, depreciation, interest and corporate expenses. Therefore, the statements will not be comparable to the statements of operations of the Buildings after their acquisition by the Company.

3. Significant Accounting Policies

Rental Revenues

Rental revenue is recognized on a straight-line basis over the terms of the related leases. The excess of rental income recognized over the amounts due pursuant to the lease terms is recorded as straight-line rent receivable. The adjustment to straight-line rent receivable increased revenue by approximately \$4.1 million for the year ended December 31, 2004 and increased revenue by approximately \$1.9 million for the six months ended June 30, 2005.

Use of Estimates

The preparation of financial statements in conformity with U. S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Table of Contents**University Circle Buildings****Notes to Statements of Revenues Over Certain Operating Expenses (continued)****For the year ended December 31, 2004 (audited)****and the six months ended June 30, 2005 (unaudited)****4. Description of Leasing Arrangements**

The Building is approximately 90% leased, with McCutchen, Doyle, Brown & Enersen, LLP (McCutchen), DLA Piper Rudnick Gray Cary US LLP (DLA Piper) and Dewey Ballantine, LLP (Dewey Ballantine) leasing approximately 55% of the Building's rentable square footage under long-term lease agreements. McCutchen, DLA Piper and Dewey Ballantine contributed approximately 41%, 30% and 17%, respectively, of rental income for the year ended December 31, 2004. Under the terms of the McCutchen, DLA Piper and Dewey Ballantine leases, each tenant is required to reimburse to the landlord its proportionate share of the Buildings' operating expenses. The remaining rentable square footage is leased to various office and retail tenants under lease agreements with terms that vary in length and with various reimbursement clauses.

5. Future Minimum Rental Commitments

Future minimum rental commitments for the years ended December 31 are as follows (in thousands):

2005	\$ 12,024
2006	16,202
2007	18,711
2008	19,799
2009	19,868
Thereafter	103,760
	<u>\$ 190,364</u>

Subsequent to December 31, 2004, DLA Piper, McCutchen and Dewey Ballantine will contribute approximately 33%, 23% and 15%, respectively, of the future minimum rental income from the leases in place at that date.

6. Interim Unaudited Financial Information

Edgar Filing: WELLS REAL ESTATE INVESTMENT TRUST II INC - Form 8-K/A

The statement of revenues over certain operating expenses for the six months ended June 30, 2005 is unaudited; however, in the opinion of management, all adjustments (consisting solely of normal, recurring adjustments) necessary for the fair presentation of the financial statement for the interim period have been included. The results of the interim period are not necessarily indicative of the results to be obtained for a full fiscal year.
