STAR GAS PARTNERS, L.P.

Stamford, CT 06902

To our Unitholders:

You are cordially invited to attend a special meeting of the unitholders of Star Gas Partners, L.P. ("Star Gas Partners") to be held at the offices of _____, _____, on _____, 2006, at _____ a.m. local time. The board of directors of Star Gas LLC ("Star Gas"), our general partner, has called the special meeting.

The board of directors of Star Gas has approved a strategic recapitalization of Star Gas Partners that, if approved by unitholders and completed, would result in a reduction in the outstanding amount of our 10.25% senior notes due 2013 ("senior notes") of between approximately \$87 million and \$100 million and the issuance of approximately 42,171,308 new common units.

At the special meeting you will be asked to consider and approve the issuance and sale to Kestrel Energy Partners, LLC ("Kestrel") or its affiliates of a minimum of 7,500,000 common units and a maximum of 25,000,000 common units at a purchase price of \$2.00 per unit, pursuant to the terms and conditions of a unit purchase agreement dated as of December 5, 2005 (the "unit purchase agreement"), by and among Star Gas Partners, Star Gas, Kestrel, Kestrel Heat, LLC, ("Kestrel Heat") and KM2, LLC ("M2"). A copy of the unit purchase agreement is attached to the enclosed proxy statement as Annex A.

As part of the proposed recapitalization, you will also be asked to approve the election of Kestrel Heat, as successor general partner to Star Gas, and the adoption of amendments to Star Gas Partners' amended and restated agreement of limited partnership that reflect the election of Kestrel Heat as successor general partner and revise the terms of our partnership securities in several respects, as further described in the proxy statement, including the conversion of each outstanding senior subordinated unit and junior subordinated unit into one common unit.

The board of directors of Star Gas has determined that the proposed recapitalization is in the best interests of Star Gas Partners and our unitholders and recommends that unitholders vote FOR each of the recapitalization proposals.

Representation of your units at the meeting is very important. Your vote is important, no matter how many or how few units you hold. We urge you, whether or not you plan to attend the meeting, to promptly date, sign and return the enclosed proxy in the envelope furnished for that purpose. If you attend the meeting, you may, if you wish, revoke your proxy and vote in person.

Star Gas LLC, the general partner of

Star Gas Partners, L.P.

Please see the sections entitled Important Considerations, The Recapitalization Reasons for the Recapitalization that the Board Considered; Recommendations of the Board and Interest of Certain Persons in the Recapitalization for a discussion of potential advantages and disadvantages and other factors which you should consider in connection with the recapitalization proposal.

NOTICE OF SPECIAL MEETING OF UNITHOLDERS

TO BE HELD ON _____, 2006

To our Unitholders:

We, the board of directors of Star Gas, the general partner of Star Gas Partners, give notice that a special meeting of our unitholders will be held at the offices of _____ on _____, 2006, at _____ a.m. local time. At the meeting, our unitholders will act on the following matters:

Proposal 1. Approval of the issuance of:

7,500,000 new common units at a purchase price of \$2.00 per unit to Kestrel Heat and M2, wholly owned subsidiaries of Kestrel, on the terms and subject to the conditions set forth in the unit purchase agreement dated as of December 5, 2005 in the form attached to this proxy statement as Annex A;

17,500,000 new common units in an offering of non-transferable rights to our common unitholders at an exercise price of \$2.00 per unit, with a standby commitment from M2 to purchase all units that are not subscribed for in the rights offering;

13,433,962 (subject to adjustment based on rounding) new common units upon the conversion by certain holders of Star Gas Partners 10.25% senior notes due 2013 of approximately \$26.9 million in principal amount of senior notes at a conversion price of \$2.00 per unit; and

3,737,346 new common units upon the conversion of each outstanding senior subordinated unit and each outstanding junior subordinated unit into one common unit in accordance with the terms and conditions of the second amended and restated agreement of limited partnership submitted to unitholders for approval in Proposal 3.

Proposal 2. Approval of the election of Kestrel Heat as successor general partner upon the withdrawal of Star Gas; and

Proposal 3. The adoption of a second amended and restated agreement of limited partnership of Star Gas Partners, substantially in the form attached to the proxy statement as Annex B, that will, among other matters, reflect the election of Kestrel Heat as successor general partner upon the withdrawal of Star Gas and revise the terms and distribution rights of our partnership securities as further described in this proxy statement, including the conversion of each outstanding senior subordinated unit and junior subordinated unit into one common unit, as indicated in Proposal 1 above.

The form of proxy provides unitholders with the opportunity to vote on each of the three proposals to effect the recapitalization separately. However, none of the proposals will be implemented unless all three proposals are approved by unitholders. Under our partnership agreement, proposal 1 requires the approval of a majority of the outstanding common units and proposals 2 and 3 require the approval of a unit majority which means (i) a majority of common units entitled to vote and outstanding as of the record date, and (ii) a majority of senior subordinated units and junior subordinated units, voting together as one class, entitled to vote and outstanding as of the record date, in each case excluding units owned by Star Gas or its affiliates, including its executive officers, directors and members. Under the NYSE rules, proposal 1 requires the approval of a majority of the votes cast by the holders of the common units and senior subordinated units, provided that the total votes cast on the proposal represent at least 50% of all units entitled to vote, and proposals 2 and 3 do not require unitholder approval.

About Star Gas Partners

Star Gas Partners. We are the largest retail distributor of home heating oil in the United States, based on volume as reported by the National Oilheat Research Alliance Organization, March 2003. Our home heating oil operations serve approximately 480,000 customers in the Northeast and Mid-Atlantic regions. For the fiscal year ended September 30, 2005, our home heating oil segment sold 487 million gallons of home heating oil. We were also formerly engaged as a retail distributor of propane until December 17, 2004 when we sold our propane segment.

Our executive offices are located at 2187 Atlantic Street, Stamford, Connecticut 06902. The telephone number is (203) 328-7310.

The Recapitalization (see pages 25 to 43)

The board of directors of Star Gas has approved a strategic recapitalization of Star Gas Partners that, if approved by unitholders and completed, would result in a reduction in the outstanding amount of our senior notes of between approximately \$87 million and \$100 million and the issuance of approximately 42,171,308 new common units.

The recapitalization includes a commitment by Kestrel and its affiliates to purchase \$15 million of new equity capital and provide a standby commitment in a \$35 million rights offering to our common unitholders, each at a price of \$2.00 per common unit. We would utilize the \$50 million in new equity financing, together with additional funds from operations, to repurchase at least \$60 million in face amount of our senior notes and, at our option, up to approximately \$73.1 million of senior notes. In addition, certain noteholders have agreed to convert approximately \$26.9 million in face amount of such notes into 13,433,962 (subject to adjustment based on rounding) new common units at a conversion price of \$2.00 per unit in connection with the closing of the recapitalization.

Unit Purchase Agreement. We have entered into a unit purchase agreement with Kestrel and its affiliates, which provides for, among other things: the receipt by us of \$50 million in new equity financing through the issuance to Kestrel's affiliates of 7,500,000 common units at \$2.00 per unit for an aggregate of \$15 million and the issuance of an additional 17,500,000 common units in a rights offering to our common unitholders at an exercise price of \$2.00 per unit for an aggregate of \$35 million. The rights will be non-transferable, and an affiliate of Kestrel has agreed to buy any common units not subscribed for in the rights offering. Under the terms of the unit purchase agreement, Kestrel Heat will become our new general partner and Star Gas, our current general partner, will receive no consideration for its withdrawal as general partner.

Noteholder Agreements. We have entered into agreements with the holders of approximately 94% in principal amount of our senior notes that provide that these noteholders will tender their senior notes to us at par for:

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

a pro rata portion of \$60 million or, at our option, up to approximately \$73.1 million in cash;

13,433,962 (subject to adjustment based on rounding) new common units at a conversion price of \$2.00 per unit (which new units would be acquired by certain noteholders exchanging approximately \$26.9 million in face amount of senior notes); and

new notes representing the remaining face amount of the tendered notes.

Table of Contents

The closing of the tender offer for the senior notes is conditioned upon the simultaneous closing of the transactions under the Kestrel unit purchase agreement.

Subject to and until the closing of the recapitalization, these noteholders have agreed not to accelerate indebtedness due under the senior notes or initiate any litigation or proceeding with respect to the senior notes. The consenting noteholders have further agreed:

to waive certain potential defaults under the indenture;

not to tender the senior notes in the change of control offer which will be required to be made by us following the closing of the transactions under the unit purchase agreement with Kestrel; and

to consent to certain amendments to the existing indenture.

The agreements with the consenting noteholders further provide for the termination of their provisions in the event that the Kestrel unit purchase agreement is no longer in effect. The understandings and agreements contemplated by these transactions will terminate if the transaction does not close prior to April 30, 2006.

Amendments to Partnership Agreement. The unit purchase agreement provides for the adoption of a second amended and restated agreement of limited partnership that will, among other things, provide for the following:

Conversion of Senior Subordinated Units and Junior Subordinated Units into Common Units. The proposed amendments will provide for the mandatory conversion of each outstanding senior subordinated unit and each junior subordinated unit into one common unit, as a result of which the subordination period (as defined in our partnership agreement) will end.

Reduction of the Minimum Quarterly Distribution. The proposed amendments will reduce the minimum quarterly distribution on the common units from \$0.575 per unit per quarter, or \$2.30 per year, to \$0.0 per unit through September 30, 2008 and to \$0.0675 per unit, or \$0.27 per year, thereafter. The amendment will also eliminate all previously accrued cumulative distribution arrearages, which aggregated \$92.5 million at November 30, 2005. We believe that this amendment will more closely align the minimum quarterly distribution with the levels of available cash that we expect to generate in the future.

Reduction of Incentive Distribution Levels. The proposed amendments will reduce the target distribution levels for the incentive distribution rights so that, commencing with the quarter beginning October 1, 2008, or, if we elect to commence making distributions sooner, the quarter in which any distribution of available cash is made, the new general partner units in the aggregate will be entitled to receive 10% of the cash distributions in a quarter once each common unit and general partner unit has received \$.0675 for that quarter, plus any arrearages on the common units from prior quarters, and 20% of the cash distributions in a quarter once each common unit and general partner unit has received \$.1125 for that quarter, plus any arrearages on the common units from prior quarters. Under the partnership agreement as currently in effect, the senior subordinated units, junior subordinated units and general partner units are not entitled to receive incentive distributions until \$0.604 has been distributed on each common unit for a quarter, plus any arrearages on the common units for prior quarters.

Suspension of Mandatory Distribution of Available Cash. We suspended distributions on our senior subordinated units, junior subordinated units and general partner units on July 29, 2004 and on our common units on October 18, 2004. The proposed

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

amendments will provide that we are not required to distribute available cash through the quarter ending September 30, 2008. We currently do not intend to make distributions of available cash during this period, even if we have available cash to distribute.

Table of Contents

Reasons for the Recapitalization; Potential Advantages and Disadvantages of the

Recapitalization (see pages 30 to 33)

Reasons for the Recapitalization

As discussed under The Recapitalization-Background, during fiscal 2004, we experienced difficult operating and financial conditions as a result of our inability to pass on the full impact of record wholesale heating oil prices to customers and the effects of unusually high net customer attrition principally related to our heating oil segment's operational restructuring. Prior to the 2004 winter heating season, our heating oil segment attempted to develop a comprehensive advantage in customer service, and as part of that effort, centralized its heating equipment service dispatch and engaged a centralized call center to fulfill its telephone requirements for the majority of its home heating oil customers. We experienced difficulties in advancing this initiative during the fiscal year ended September 30, 2004, which adversely impacted our customer base, product sales and costs. These conditions led to the suspension of distributions on our senior subordinated units, junior subordinated units and general partner units on July 29, 2004 and to the suspension of distributions on the common units on October 18, 2004. We continued to experience difficult operating and financial conditions in fiscal 2005. As indicated below, we believe that the recapitalization would permit us to address the problems resulting from these difficult operating and financial conditions in a manner that would be beneficial to our unitholders.

Certain Potential Advantages of the Proposed Recapitalization to Common Unitholders:

Reduce Liquidity Concerns. The use of the \$50 million in new equity financing, together with additional funds from operations, to repurchase at least \$60 million in face amount of our senior notes and, at our option, up to \$73.1 million in senior notes, and the conversion of an additional \$26.9 million in face amount of senior notes into equity in connection with the closing of the recapitalization would substantially strengthen our balance sheet and thereby reduce our concerns about liquidity and a shortage of capital. We believe this would provide us with the financial flexibility to better manage this period of high oil prices and to continue our program to improve operating results.

Facilitate Future Acquisitions. The repayment or conversion into equity of between \$87 million and \$100 million in senior notes would significantly reduce our indebtedness, which should help to facilitate our access to the capital markets to obtain equity capital and debt financing for acquisitions. If we are unable to access additional capital to grow our business, we may be adversely affected in our ability to maintain or increase our customer base, which could further erode our ability to generate available cash. Reducing our indebtedness should enhance our ability to make acquisitions, which could help offset the current and continuing net customer attrition rates.

Simplify Capital Structure. The elimination of the cumulative common unit arrearages and the conversion of the senior subordinated units and junior subordinated units into common units would simplify our capital structure, which should help to facilitate our access to the capital markets. We believe that it would be difficult to issue new common or subordinated units while our existing common units are subject to significant arrearages for past distributions, which could adversely affect our ability to obtain debt financing for acquisitions since an important element of obtaining debt financing is our ability to access equity markets to repay the debt. If we are limited in our ability to access capital to grow the business, we may be adversely affected in our ability to maintain or increase our customer base. Such reduction of activity could further erode our ability to generate available cash.

Experience of Kestrel Representatives. Subject to the closing of the transactions contemplated by the unit purchase agreement, Star Gas will withdraw as general partner and Kestrel Heat will become our new general partner. Kestrel will be entitled to elect the board of directors of the general partner. We expect to benefit from the ability of the Kestrel representatives who have substantial experience in the energy markets. Paul

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

A. Vermylen, Jr., the President of Kestrel, served as an executive officer of Meenan Oil Co., L.P., a heating oil company, for 18 years before it was sold to Star Gas Partners in 2001.

Table of Contents

Agreements With Senior Noteholders. The agreements with the holders of 94% of the senior notes would largely eliminate the costs and significant risks associated with the potential for litigation and alleged defaults under the indenture for our senior notes involving, among other matters, our use of proceeds from the sale of our propane segment. If this matter was not resolved and we were unsuccessful in defending our position in any future claim that might be brought by noteholders, this would constitute an event of default if declared by either of the holders of 25% in principal amount of the senior notes or by the trustee and in such event all amounts due under the senior notes would become immediately due and payable. An acceleration of our senior notes would have a material adverse effect on our ability to continue as a going concern. The report of our independent registered public accounting firm on our consolidated financial statements as of September 30, 2005 and 2004, and for the three years ended September 30, 2005, includes an explanatory paragraph with respect to the impact of this matter on our ability to continue as a going concern if this matter is resolved adversely to us.

Certain potential disadvantages of the proposed recapitalization to common unitholders:

Elimination of Previously Accrued Cumulative Distribution Arrearages. Arrearages on the common units that have accrued through the date of the closing of the recapitalization proposal would be eliminated. As of November 30, 2005, cumulative distribution arrearages on all outstanding units aggregated \$92.5 million.

Reduction and Postponement of Minimum Quarterly Distributions. The approval of the proposals would result in a reduction of the minimum quarterly distribution from the current \$0.575 per common unit to \$0.0675 per common unit. Also there would be no mandatory distributions on the common units until at least fiscal 2009. However, regardless of whether the minimum quarterly distribution is reduced, the board of directors of our general partner has concluded that (absent the proposed recapitalization) we are not generating enough available cash to pay any quarterly distributions and/or arrearages at the present time or in the foreseeable future.

Increased Distributions to General Partner. If the proposals are approved, the general partner would be entitled to receive a substantially higher percentage of cash distributed above \$0.0675 per unit than under the existing partnership agreement as a result of the revisions to the incentive distribution payments to allocate all incentive distributions to the holders of the general partner units. The reduction of the minimum quarterly distribution would mean that the general partner would be able to receive incentive distributions sooner.

Depressed Purchase Price. The price per common unit that we would receive from Kestrel Heat and M2 and in connection with the rights offering is close to the bottom of the trading range for our common units since we became a public partnership, but such price represents a 34% premium to the closing sales price of the common units on the last trading day prior to the public announcement of the recapitalization transaction.

Substantial Dilution. The number of common units outstanding would increase from 32,165,528 to approximately 74,336,836, representing a significant dilution to existing unitholders. However, common unitholders who participate in the rights offering would be able to reduce the dilution in their unit holdings.

Termination of Subordination Period. The termination of the subordination period would eliminate the priority of payment to the common unitholders in preference to the senior subordinated units and junior subordinated units. In addition, the termination of the subordination period would eliminate the requirement that the general partner receive unitholder approval for issuance of more than a certain number of additional common units during the subordination period. However, the rules of the NYSE generally would require prior unitholder approval before we could issue common units in excess of 20% of the then currently issued and outstanding common units in a single or series of related transactions other than a public offering for cash.

Restriction on Use of NOLs. As of September 30, 2005, Star/Petro, Inc., had net operating losses of approximately \$181.7 million. We believe that the issuance of units in the recapitalization will likely result in an ownership change of our corporate subsidiary, Star/Petro, Inc. (Star/Petro), under the Internal Revenue Code

Table of Contents

of 1986, as amended (Tax Code). As a result of this ownership change, Star/Petro will be materially restricted in its ability to use its net operating loss carryforwards. To the extent that these net operating loss carryforwards cannot be used to reduce Star/Petro's taxable income, Star/Petro will have less cash to distribute to us and we will have less cash to distribute to our unitholders.

Potential Advantages and Disadvantages to Senior Subordinated Unitholders and Junior Subordinated Unitholders:

In addition to the certain potential advantages to the common unitholders, the following are certain potential advantages of the proposed recapitalization to senior subordinated unitholders and junior subordinated unitholders:

Increased Likelihood of Distributions. The conversion of each outstanding senior subordinated unit and junior subordinated unit into one common unit will eliminate the priority common units had on distributions ahead of the senior subordinated units and junior subordinated units and will significantly increase the likelihood that we will resume distributions to the holders of these units.

In addition to the certain potential disadvantages to the common unitholders, the following are certain potential disadvantages of the proposed recapitalization to senior subordinated and junior subordinated unitholders:

No Incentive Distributions. The right of the senior subordinated units and junior subordinated units to receive incentive distributions would be eliminated. However, given that as of September 30, 2005 we had approximately \$92.5 million in accrued distribution arrearages on the common units that must be paid prior to the payment of any incentive distributions, it is unlikely that any incentive distributions would be received by the holders of senior subordinated units in the foreseeable future.

No Separate Class Vote. The senior subordinated and junior subordinated units would lose their right to vote separately as a class during the subordination period on all matters on which unitholders are entitled to vote. However, the separate class vote was originally intended to protect the rights of the subordinated unitholders when they constituted a junior class of securities to the common units, which would no longer be the case once the subordinated units are converted in common units.

Dilution. Subordinated units would not be allowed to participate in the rights offering being made to the holders of common units, and therefore would be diluted to a greater extent than the holders of common units who participate in the rights offering.

Important Considerations (see pages 20 to 24)

We refer you to Important Considerations beginning on page 20, which discusses certain important matters that you should carefully consider in evaluating the recapitalization proposals.

Recommendations of the Board of Directors

(see page 33)

After considering the advice of its independent legal counsel and financial advisor, the board of directors believes that the transaction is fair to, and in the best interests of, the Star Gas Partners unitholders. The board of directors of Star Gas unanimously recommends that Star Gas Partners unitholders vote FOR each of the recapitalization proposals.

Table of Contents

Each of Star Gas Partners' executive officers and directors who owns units has indicated that he intends to vote in favor of each of the proposals. These officers and directors own in the aggregate 35,125 common units, 290,037 senior subordinated units and 53,426 junior subordinated units. The votes of affiliates of Star Gas, including its executive officers, directors and members, will be excluded for the purposes of the votes required to approve proposals 2 and 3.

Opinion of Jefferies & Company, Inc.

(see pages 33 to 40)

On December 2, 2005, Jefferies & Company, Inc., or Jefferies, rendered to Star Gas' board of directors its opinion as investment bankers to the effect that, as of that date and based upon and subject to the various considerations and assumptions set forth therein, the Recapitalization Transaction (as defined in such opinion), taken as a whole, was fair, from a financial point of view, to the existing holders of common units on that date. The full text of the Jefferies opinion, which sets forth the assumptions made, matters considered and limitations on the scope of review undertaken by Jefferies in rendering its opinion, is attached to this proxy statement as Annex D. See "The Recapitalization" Opinion of Jefferies & Company, Inc. or such Annex D for a description of the Recapitalization Transaction as used in the Jefferies opinion. Star Gas and its board of directors encourage the holders of common units to read the Jefferies opinion carefully and in its entirety. The summary of the Jefferies opinion in this proxy statement is qualified in its entirety by reference to the full text of the Jefferies opinion. **The Jefferies opinion was provided to Star Gas' board of directors in connection with its consideration of the proposed recapitalization, taken as a whole, and does not address the underlying business decision of Star Gas Partners to engage in the proposed recapitalization or the terms of the unit purchase agreement and the documents referred to therein. The Jefferies opinion addresses only the fairness, from a financial point of view and as of the date of the Jefferies opinion, of the Recapitalization Transaction, taken as a whole, to existing holders of common units as of the date of its opinion, and does not address any individual element of the Recapitalization Transaction. The Jefferies opinion does not constitute a recommendation as to how any holder of units should vote on the Recapitalization, or as to whether any holder of common units should exercise rights to acquire additional common units in the rights offering.**

Interests of Certain Persons in the Recapitalization (see pages 42 to 43)

In connection with the proposed recapitalization, our current general partner, Star Gas, will withdraw as general partner by contributing its general partner units and its .01% equity interest in Star/Petro to Star Gas Partners for no consideration.

Kestrel has proposed that following the closing of the recapitalization, Mr. William P. Nicoletti, the chairman of the board of Star Gas, Mr. Joseph P. Cavanaugh, the chief executive officer and a director of Star Gas, and Mr. Daniel P. Donovan, the president of Star Gas, would become directors of Kestrel Heat. Mr. Paul Biddelman, Mr. Stephen Russell and Mr. Irik P. Sevin, the other three directors of Star Gas, will not become directors of Kestrel Heat. In addition, if the recapitalization is consummated, Mr. Cavanaugh, Mr. Donovan and Mr. Richard F. Ambury, the chief financial officer of Star Gas, would continue to be employed by us under the terms of their current employment arrangements. If Kestrel Heat is elected successor general partner, the proposed directors and executive officers of Kestrel Heat will have interests in the proposed recapitalization as described in "Information Regarding Kestrel Heat" below.

The unit purchase agreement provides in general that Kestrel will cause Star Gas Partners to maintain, for a period of six years after the completion of the transaction, the current indemnification agreements and provisions for Star Gas' officers and directors and the current policies of directors' and officers' liability insurance maintained by Star Gas Partners, or policies of at least the same coverage and amounts containing terms and conditions that are no less advantageous, with respect to claims arising from facts or events that occurred on or before the date of the completion of the transaction.

Table of Contents

Mr. Paul Biddelman, who is a director of Star Gas, is an executive officer of Hanseatic Corporation, the sole managing member of Hanseatic Americas, LDC, which is the indirect parent of Hanseatic Americas, Inc.

In addition, the executive officers and directors of Star Gas (excluding Mr. Sevin) own an aggregate of 18,561 senior subordinated units that will be converted into common units in connection with the proposed recapitalization.

The Meeting; Required Vote

The special meeting of unitholders to vote on the recapitalization proposals will be held on _____, at _____ a.m., local time, at _____ (the Meeting). The recapitalization cannot be effected without approval of each of the recapitalization proposals. Under our partnership agreement, proposal 1 requires the approval of a majority of the outstanding common units and proposals 2 and 3 require the approval of a unit majority, which means (i) a majority of common units entitled to vote and outstanding as of the record date, and (ii) a majority of senior subordinated units and junior subordinated units, voting together as one class, entitled to vote and outstanding as of the record date, in each case excluding units owned by Star Gas or its affiliates, including its executive officers and directors and members. Under the NYSE rules,

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

proposal 1 requires the approval of a majority of the votes cast by the holders of the common units and senior subordinated units, voting as a single class, provided that the total votes cast on the proposal represent at least 50% of all units entitled to vote, and proposals 2 and 3 do not require unitholder approval. None of the proposals will be implemented unless all three recapitalization proposals are approved by unitholders.

Material U.S. Federal Income Tax Consequences (see pages 44 to 46)

In general, the recapitalization is not expected to result in taxable income or loss to the unitholders. See Material U.S. Federal Income Tax Consequences.

- (a) Income (loss) from continuing operations per unit is computed by dividing the limited partners' interest in income (loss) from continuing operations by the weighted average number of limited partner units outstanding. Net income (loss) per unit is computed by dividing the limited partners' interest in net income (loss) by the weighted average number of limited partner units outstanding.
- (b) EBITDA from continuing operations should not be considered as an alternative to net income (as an indicator of operating performance) or as an alternative to cash flow (as a measure of liquidity or ability to service debt obligations), but provides additional information for evaluating our ability to make the minimum quarterly distribution. The working capital facility and the senior notes, impose certain restrictions on our ability to pay distributions to unitholders.

Did Star Gas board of directors receive an opinion from its financial advisor?

The full text of the Jefferies opinion, which sets forth the assumptions made, matters considered and limitations on the scope of review undertaken by Jefferies in rendering its opinion, is attached to this proxy statement as Annex D. See *The Recapitalization Opinion of Jefferies & Company, Inc.* or such Annex D for a description of the Recapitalization Transaction as used in the Jefferies opinion. Star Gas and its board of directors encourage the holders of common units to read the Jefferies opinion carefully and in its entirety. The summary of the Jefferies opinion in this proxy statement is qualified in its entirety by reference to the full text of the Jefferies opinion.

A properly executed proxy marked **ABSTAIN** with respect to any matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention, or the failure to vote at all, will have the effect of a negative vote for the purposes of the votes required under our partnership agreement but not for the purposes of the vote required under the NYSE rules.

If you own your common units or senior subordinated units in **street name** through a broker or nominee, your broker or nominee will not be permitted to exercise voting discretion with respect to the matters to be acted upon at the special meeting. Thus, if you do not give your broker or nominee specific instructions, your units will not be voted on those matters and will not be counted in determining the number of common units or senior subordinated units necessary for approval and will have the effect of a negative vote. Any **broker non-votes** will, however, be counted in determining whether there is a quorum. Voting results are tabulated and certified by our transfer agent, LaSalle Bank National Association.

How do I vote?

If you properly complete, sign and return the accompanying proxy card it will be voted as you direct. If you owned common units, senior subordinated units or junior subordinated units as of the record date and attend the special meeting, you may deliver your completed proxy card in person. **Street name** unitholders who wish to vote at the special meeting will need to obtain a **legal** proxy from the institution that holds their units. Even if you plan to attend the special meeting, your plans may change, so it is a good idea to complete, sign and return your proxy card or vote through the internet or by telephone in advance of the meeting.

Can I vote by telephone or electronically?

If you are a registered unitholder (that is, you hold your units in certificate form), you may vote by telephone or through the internet by following the instructions included with your proxy card.

If your common units or senior subordinated units are held in **street name**, please check your proxy card or contact your broker or nominee to determine whether you will be able to vote by telephone or electronically.

The deadline for voting by telephone or through the Internet for registered unitholders is _____ p.m. Eastern Daylight Time on [one day before meeting date], 2006.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with the Secretary of Star Gas either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you are a registered unitholder and attend the special meeting in person and so request. Please note that attendance at the meeting will not by itself revoke a previously granted proxy.

What should I do if I want to make a proposal to be considered at the meeting?

Your units do not entitle you to make proposals at the special meeting. Under our partnership agreement, only our general partner, Star Gas, can make a proposal at the meeting. Our partnership agreement establishes a procedure for calling meetings whereby limited partners owning 20% or more of the outstanding units of the class for which a meeting is proposed may call a meeting at which they may make proposals.

Do I have any dissenters' rights?

No. Dissenters' rights are not available to our unitholders with respect to matters to be voted on at the special meeting.

IMPORTANT CONSIDERATIONS

In addition to the information set forth below, for other important considerations concerning Star Gas Partners, see the information under Item 1A-Risk Factors, in our Annual Report on Form 10-K for the fiscal year ended September 30, 2005, which is attached hereto as Annex C.

Each senior subordinated unit and junior subordinated unit will be converted into one common unit.

If the recapitalization is consummated, each senior subordinated unit and junior subordinated unit will be converted into one common unit even though under our partnership agreement as currently in effect such a conversion into common units is remote. The purpose of such conversion is to serve as an inducement to the holders of senior subordinated units to vote in favor of the recapitalization, which requires a class vote of the subordinated unitholders to approve two of the proposals, and to simplify our capital structure. In order for the senior subordinated units and junior subordinated units to convert under the existing partnership agreement, Star Gas would have had to distribute the annualized minimum quarterly distribution of \$2.30 on all outstanding units for each of three consecutive non-overlapping four-quarter periods, adjusted operating surplus during each of the three consecutive non-overlapping four-quarter periods would have to exceed the annualized minimum quarterly distribution and there would have to be no cumulative common unit arrearages. On October 18, 2004, we announced that we would not pay a distribution on the common units. We had previously announced the suspension of distributions on the senior subordinated units on July 29, 2004. As of November 30, 2005, the amount of accrued and unpaid arrearages on the common units was \$92.5 million. Assuming that the number of outstanding common units remained at 32,165,528 and that we did not distribute any available cash from operating surplus, these arrearages would increase by \$18.5 million per quarter. If the recapitalization is not consummated, it is unlikely that regular distributions on the common units would be resumed in the foreseeable future and it is considerably less likely that regular distributions would ever resume on the senior subordinated units because of their subordination terms.

Each common unitholder will experience substantial dilution in his interest in Star Gas.

As a result of the issuance of units to Kestrel and the issuance of units in the rights offering, the issuance of additional units to the noteholders in conversion of senior notes into common units and the conversion of the senior subordinated units and junior subordinated units into common units, the number of common units will increase from 32,165,528 to approximately 74,336,836, representing a substantial dilution of the common unitholders' existing interest. As a result of this dilution:

each common unitholder's proportionate ownership interest in us will decrease;

the amount of cash available for distribution on each unit will decrease (without taking into account the additional cash that would be available as a result of the reduction in interest expense in connection with the repayment or conversion of between \$87.1 million and \$100 million of senior notes);

the relative voting strength of each previously outstanding unit will be diminished; and

the market price of the common units may decline.

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

However, common unitholders who participate in the rights offering would be able to reduce the dilution in their unit holdings.

Accrued and unpaid arrearages in the payment of the minimum quarterly distribution on the common units will be eliminated.

Under our partnership agreement as currently in effect, during the subordination period, no distributions can be made on the subordinated units until all accrued and unpaid arrearages in the payment of the minimum quarterly distribution on the common units have been paid. As of November 30, 2005, the amount of accrued and unpaid arrearages in the payment of the minimum quarterly distribution on the common units was \$92.5 million. Assuming that the number of outstanding common units remained at 32,165,528 and that we did not distribute any available cash from operating surplus, these arrearages would increase by \$18.5 million per quarter. As a result of the recapitalization, all accrued and unpaid arrearages on the common units will be eliminated. Consequently, the preference of the existing common unitholders to cash distributions in that amount has been eliminated.

Table of Contents

We have substantially lowered the minimum quarterly distribution and the first target distribution, which will make it easier for the general partner units to receive incentive distributions.

Under our partnership agreement as currently in effect, the senior subordinated units, junior subordinated units and general partner units are not entitled to receive incentive distributions in a quarter until the first target distribution of \$0.604 per unit has been distributed on each common unit. Under the proposed amendments to our partnership agreement, commencing with the quarter beginning October 1, 2008, or, if we elect to commence making distributions sooner, the quarter in which any distribution of available cash is made, the new general partner units in the aggregate will be entitled to receive 10% of the cash distributions in a quarter once each common unit and general partner unit has received the minimum quarterly distribution of \$.0675 for that quarter, plus any arrearages on the common units from prior quarters, and 20% of the cash distributions in a quarter once each common unit and general partner unit has received \$.1125 for that quarter, plus any arrearages on the common units from prior quarters. Thus, the ability of the general partner units to receive incentive distributions has been enhanced in several ways:

The general partner units are entitled to incentive distributions once the minimum quarterly distribution has been paid on the common units and general partner units, as opposed to only after the first target distribution has been paid under the existing partnership agreement.

The minimum quarterly distribution and the first target distribution have been substantially reduced. The minimum quarterly distribution has been reduced from \$0.575 to \$0.0 for each quarter through September 30, 2008 and to \$0.0675 thereafter, representing an 88% decrease. The first target distribution has been reduced from \$0.604 to \$.1125 per unit, representing an 81% decrease.

We are not required to, and currently do not intend to, distribute any available cash through the quarter ending September 30, 2008.

The partnership agreement amendments provide that we are not obligated to distribute available cash through the quarter ending September 30, 2008. We currently do not intend to make distributions of available cash during this period, even if we have available cash to distribute. Also, if we accumulate available cash during this period, it will be easier for us to make distributions on the general partner units after this period than if we had distributed available cash each quarter.

We may issue additional units without your approval, which would dilute your existing ownership interests.

The recapitalization will result in a termination of the subordination period during which certain issuances of additional units required a unitholder vote. Consequently, there will be no limit in the partnership agreement on the number of additional limited partner interests, including units senior to the common units, that we may issue at any time without the approval of our unitholders. The issuance by us of additional common units or other equity securities of equal or senior rank will have the following effects:

each common unitholder's proportionate ownership interest in us will decrease;

the amount of cash available for distribution on each unit may decrease (without taking into account the additional cash that would be available as a result of the reduction in interest expense in connection with the repayment of conversion of between \$87.1 million and \$100 million of senior notes);

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

the common units may be subordinated as to distributions and voting rights to newly issued senior units although we do not have any present intention to issue senior units;

the relative voting strength of each previously outstanding unit may be diminished; and

the market price of the common units may decline.

If our use of the net proceeds from the sale of the propane segment does not comply with the terms of the indenture for the senior notes, we may be subject to liability to the noteholders, which could have a material adverse effect on our ability to continue as a going concern.

On December 17, 2004, we completed the sale of our propane segment for a purchase price of \$481.3 million, without assumption of the propane segment's indebtedness for borrowed money at the time of sale. Pursuant to the terms of the indenture relating to our senior notes, we were permitted, within 360 days of the sale, to apply the net proceeds of the sale of the propane segment either to reduce our indebtedness or the indebtedness of a restricted subsidiary, or to make an investment in assets or capital expenditures useful to our or any subsidiary's business. To the extent any net proceeds that were not so applied exceed \$10 million (referred to in this proxy statement as excess proceeds), the indenture requires us to make an offer to all holders of notes to purchase for cash that number of notes that may be purchased with excess proceeds at a purchase price equal to 100% of the principal amount of notes plus accrued and unpaid interest to the date of purchase.

After repayment of certain debt and transaction expenses, the net proceeds from the propane segment sale were approximately \$156.3 million. As of the closing of the propane sale and application of the proceeds, the amount of net proceeds not applied in excess of \$10 million was \$146.3 million. As of September 30, 2005, the heating oil segment had utilized \$53.1 million of the proceeds to invest in working capital assets, purchase capital assets and repay long-term debt, which reduced the amount available to repurchase notes to \$93.2 million. As of December 2, 2005, the heating oil segment had used all of the remaining excess proceeds.

Our board of directors and management considered, based on informal communications with certain noteholders and their counsel, that certain noteholders might take the position that the use of net proceeds to invest in working capital assets was not a permitted use under the indenture. Based upon the advice of counsel, we disagreed with this position. However, we recognized that if we were unsuccessful in defending our position, this would constitute an event of default if declared by either of the holders of 25% in principal amount of the senior notes or by the trustee and in such event all amounts due under the senior notes would become immediately due and payable. An acceleration of our senior notes would have a material adverse effect on our ability to continue as a going concern. The report of our independent registered public accounting firm on our consolidated financial statements as of September 30, 2005 and 2004, and for the three years ended September 30, 2005, includes an explanatory paragraph with respect to the impact of this matter on our ability to continue as a going concern if this matter is resolved adversely to us. We have reached an agreement with the holders of 94% in aggregate principal amount of the senior notes to resolve this matter, which is subject to our completing the proposed recapitalization, of which there can be no assurance.

The recapitalization will significantly restrict our ability to use the net operating losses at Star/Petro.

We believe that the issuance of units in the recapitalization will likely result in an ownership change of our corporate subsidiary, Star/Petro, under the Tax Code. As a result of this ownership change, Star/Petro will be materially restricted in its ability to use its net operating loss carryovers to reduce its future taxable income. As of September 30, 2005, Star/Petro had federal net operating losses of approximately \$181.7 million. These net operating losses will begin to expire in 2025 and generally would be available to reduce future taxable income that would otherwise be subject to federal income taxes.

As a result of the ownership change, Star/Petro will be restricted annually in its ability to use its net operating losses to reduce its federal taxable income. We believe that the restriction may entirely eliminate Star/Petro's ability to use its net operating losses. The restriction on Star/Petro's ability to use net operating losses to reduce its federal tax liability will reduce the amount of cash Star/Petro has available to make distributions to us. Consequently, the restriction will reduce the amount of cash we have available to distribute to our unitholders.

Table of Contents

You may be required to pay taxes on income from us even if you do not receive distributions from us.

A common unitholder is required to report on his U.S. federal income tax return his share of our taxable income without regard to whether the unitholder receives corresponding cash distributions from us. The suspension of mandatory distributions, elimination of distribution arrearages and reduction in the minimum quarterly distribution will increase the risk that a common unitholder will be allocated a portion of our taxable income without any cash being distributed to him or that he will be allocated taxable income in excess of the amount of cash distributed to him.

Affiliates of the general partner will now be able to vote on all matters.

Under the existing partnership agreement, during the subordination period the votes of the general partner and its affiliates were excluded in determining a quorum for, and the votes on, any matter requiring the approval of a unit majority, which included certain amendments to our partnership agreement; the merger of our partnership or the sale of all or substantially all our assets; and the dissolution of our partnership. Due to the mandatory conversion of the senior and junior subordinated units into common units, the subordination period will end. Consequently, after the recapitalization, the general partner and its affiliates will be able to vote their units on all matters brought before the unitholders.

Possible conflicts of interest were present in negotiating and structuring the recapitalization.

Certain executive officers and directors of Star Gas have interests in the recapitalization that are different from, and may conflict with, the interests of the public unitholders. Kestrel has proposed that following the closing of the recapitalization, Mr. Nicoletti, the chairman of the board of Star Gas, Mr. Cavanaugh, the chief executive officer and a director of Star Gas and Mr. Donovan, the president of Star Gas, would become directors of Kestrel Heat. Mr. Biddelman, Mr. Russell and Mr. Sevin, the other three directors of Star Gas, will not become directors of Kestrel Heat. In addition, if the recapitalization is consummated, Mr. Cavanaugh, Mr. Donovan and Mr. Ambury, the chief financial officer of Star Gas, would continue to be employed by us under the terms of their current employment arrangements.

The unit purchase agreement provides in general that Kestrel will cause Star Gas Partners to maintain, for a period of six years after the completion of the transaction, the current indemnification agreements and provisions for Star Gas officers and directors and the current policies of directors and officers liability insurance maintained by Star Gas Partners, or policies of at least the same coverage and amounts containing terms and conditions that are no less advantageous, with respect to claims arising from facts or events that occurred on or before the date of the completion of the transaction.

The membership interests in Star Gas are owned by Irik P. Sevin, Audrey L. Sevin and Hanseatic Americas, Inc. Mr. Sevin is a director of Star Gas. Star Gas and its members own an aggregate of 314,305 senior subordinated units and 345,364, junior subordinated units, all of which will be converted into common units in connection with the proposed recapitalization. Mr. Paul Biddelman, who is a director of Star Gas, is an executive officer of Hanseatic Corporation, the sole managing member of Hanseatic Americas, LDC, which is the indirect parent of Hanseatic Americas, Inc.

In addition, the executive officers and directors of Star Gas (excluding Mr. Sevin) own an aggregate of 18,561 senior subordinated units that will be converted into common units in connection with the proposed recapitalization.

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

Kestrel has agreed that Star Gas Partners shall continue to reimburse Star Gas for amounts that are payable by Star Gas to Mr. Sevin under his agreement dated March 7, 2005.

Star Gas board of directors considered whether to appoint a special committee.

In connection with the Star Gas board's review of the Kestrel transaction, the board considered whether it would be advisable to appoint a special committee of directors to review this transaction on behalf of our public unitholders, but determined that the interests of such unitholders could be properly represented without the

Table of Contents

appointment of a special committee. In reaching this determination, the board took into account that neither Kestrel nor Yorktown is affiliated with our general partner or any of its directors or any of their affiliates and that under the terms of the unit purchase agreement our current general partner will not receive any compensation for its general partner units or its equity interest in Star/Petro. The board also took into account the requirement that proposals 2 and 3 of the recapitalization transaction must be approved by a unit majority, which consists of (1) a majority of common units entitled to vote and outstanding as of the record date, and (2) a majority of senior subordinated units and junior subordinated units, voting together as one class, entitled to vote and outstanding as of the record date, in each case excluding units owned by Star Gas or its affiliates, including its executive officers, directors and members. See The Recapitalization Interests of Certain Persons in the Recapitalization.

Our noteholders and affiliates of Kestrel may sell common units in the public market, which sales could have an adverse impact on the trading price of our common units.

After the recapitalization, our senior noteholders will own 13,433,962 (subject to adjustment based on rounding) common units and affiliates of Kestrel will own between 7,500,000 common units and 25,000,000 common units. We have granted the consenting noteholders certain registration rights for these units and our partnership agreement would provide Kestrel and its affiliates with certain registration rights for these units. The sale of these units in the public market could have an adverse impact on the price of the common units.

THE RECAPITALIZATION

Background

We are the largest retail distributor of home heating oil in the United States, based on volume as reported by the National Oilheat Research Alliance Organization, March 2003. Our home heating oil operations serve approximately 480,000 customers in the Northeast and Mid-Atlantic regions. For the fiscal year ended September 30, 2005, our home heating oil segment sold 487 million gallons of home heating oil. We were also formerly engaged as a retail distributor of propane until December 17, 2004 when we sold our propane segment.

During fiscal 2004, we experienced difficult operating conditions as a result of our inability to pass on the full impact of record wholesale heating oil prices to customers and the effects of unusually high net customer attrition principally related to our heating oil segment's operational restructuring. Prior to the 2004 winter heating season, our heating oil segment attempted to develop a comprehensive advantage in customer service, and as part of that effort, centralized its heating equipment service dispatch and engaged a centralized call center to fulfill its telephone requirements for the majority of its home heating oil customers. We experienced difficulties in advancing this initiative during the fiscal year ended September 30, 2004, which adversely impacted our customer base, product sales and costs.

These conditions led to the suspension of distributions on our senior subordinated units, junior subordinated units and general partner units on July 29, 2004 and to the suspension of distributions on the common units on October 18, 2004.

During fiscal 2005, we continued to experience difficult operating conditions. As of September 30, 2005, the average wholesale price of home heating oil, as measured by the closing price on the New York Mercantile Exchange, increased 48% to \$2.06 per gallon from \$1.39 per gallon, as compared to September 30, 2004. The continuing unprecedented rise and volatility in the price of heating oil has intensified price sensitivity among our customers and price competition among our competitors, which has adversely impacted the heating oil segment's margins and added to the heating oil segment's difficulties in reducing customer attrition.

We experienced net customer attrition of 7.1% in fiscal 2005, compared to net attrition of 6.4% and 1.5% in fiscal 2004 and 2003, respectively. This rate represents the net of its annual customer loss rate after customer gains. For fiscal 2004 and 2005, gross customer losses were 19.5% and 20%, respectively. We believe that net customer attrition for the fiscal 2005 resulted from (i) a combination of the effect of our premium service/premium price strategy when customer price sensitivity increased due to high energy prices and our refusal, to reduce our retail prices to what we believe are unreasonably low levels in spite of competitors aggressive pricing tactics; (ii) the lag effect of customer attrition related to service and delivery problems experienced by customers in prior fiscal years; (iii) continued customer dissatisfaction with the centralization of customer care; and (iv) tightened customer credit standards.

We believe that we have identified the problems associated with the home heating oil segment's centralization efforts and are taking steps to address these issues. However, we expect that high net attrition rates may continue through fiscal 2006 and perhaps beyond. We note that even to the extent the rate of attrition can be reduced, attrition from prior fiscal years will adversely impact net income in the future. The heating oil segment may not be able to achieve net gains of customers and may continue to experience net customer attrition in the future.

Traditionally, we have sought to offset the effects of net customer attrition through our acquisition program. However under the heating oil segment's current revolving credit facility the heating oil segment was restricted from making any acquisitions through June 17, 2005 and

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

thereafter individual acquisitions may not exceed \$10 million and annual acquisitions may not exceed an aggregate of \$25 million, subject to meeting certain availability requirements. These restrictions severely limit our heating oil segment's ability to make acquisitions. We did not make any acquisitions during fiscal 2005.

Table of Contents

On December 17, 2004, we completed the sale of our propane segment for a purchase price of \$481.3 million, without assumption of the propane segment's indebtedness for borrowed money at the time of sale. Pursuant to the terms of the indenture relating to our senior notes, we were permitted, within 360 days of the sale, to apply the net proceeds of the sale of the propane segment either to reduce our indebtedness or the indebtedness of a restricted subsidiary, or to make an investment in assets or capital expenditures useful to our or any subsidiary's business. To the extent any net proceeds that were not so applied exceed \$10 million (referred to in this proxy statement as excess proceeds), the indenture requires us to make an offer to all holders of notes to purchase for cash that number of notes that may be purchased with excess proceeds at a purchase price equal to 100% of the principal amount of notes plus accrued and unpaid interest to the date of purchase.

After repayment of certain debt and transaction expenses, the net proceeds from the propane segment sale were approximately \$156.3 million. As of the closing of the propane sale and application of the proceeds, the amount of net proceeds not applied in excess of \$10 million was \$146.3 million. As of September 30, 2005, the heating oil segment had utilized \$53.1 million of the proceeds to invest in working capital assets, purchase capital assets and repay long-term debt, which reduced the amount available to repurchase notes to \$93.2 million. As of December 2, 2005, the heating oil segment had used all of the remaining excess proceeds.

Our board of directors and management considered, based on informal communications with certain noteholders and their counsel, that certain noteholders might take the position that the use of net proceeds to invest in working capital assets was not a permitted use under the indenture. Based on the advice of counsel, we disagreed with this position. However, we recognized that if we were unsuccessful in defending our position, this would constitute an event of default if declared by either of the holders of 25% in principal amount of the senior notes or by the trustee and in such event all amounts due under the senior notes would become immediately due and payable. An acceleration of our senior notes would have a material adverse effect on our ability to continue as a going concern. The report of our independent registered public accounting firm on our consolidated financial statements as of September 30, 2005 and 2004, and for the three years ended September 30, 2005, includes an explanatory paragraph with respect to the impact of this matter on our ability to continue as a going concern if this matter is resolved adversely to us. We have reached an agreement with the holders of 94% in aggregate principal amount of the senior notes to resolve this matter, which is subject to our completing the proposed recapitalization, of which there can be no assurance.

Kestrel Proposal

In March 2005, Mr. Nicoletti was contacted by Mr. Bryan Lawrence of Yorktown Energy Partners and Mr. Paul Vermeylen, Jr. of Kestrel, an affiliate of Yorktown Energy Partners VI, L.P. (Yorktown) to inquire whether we would be interested in discussing a transaction in which Kestrel would make an equity investment in Star Gas Partners and an affiliate of Kestrel would become the new general partner of Star Gas Partners.

On April 12, 2005, Mr. Nicoletti and Mr. Cavanaugh meet with Mr. Lawrence and Mr. Vermeylen at Yorktown's offices in New York City to further discuss Kestrel's interest in Star Gas Partners. At a subsequent meeting on April 27, 2005, Kestrel presented a written proposal to Mr. Nicoletti and Mr. Cavanaugh.

Kestrel's initial proposal included the following provisions:

The replacement of our general partner, Star Gas, with an affiliate of Kestrel.

The purchase of 7,500,000 common units by Kestrel at \$2.00 per unit.

A tender offer to purchase a minimum of \$70 million and a maximum of \$120 million of our senior notes, with the first \$85 million in funds to be provided by Kestrel's \$15 million equity investment and \$70 million in excess proceeds from the sale of the propane segment, with the balance of the funds for purchases over \$85 million to be supplied from up to a \$35 million rights offering to a unitholders, with a standby commitment from Kestrel.

Table of Contents

The suspension of all mandatory distributions of available cash through the fiscal quarter ending September 30, 2008.

The elimination of all cumulative distribution arrearages on all units that have accrued through the closing of the restructuring.

Beginning in fiscal 2009, all common units would receive or accrue a minimum quarterly distribution of \$.075 per unit.

Kestrel would receive an incentive distribution equal to 10% of the cumulative amounts distributed to common units above \$.075 per quarter and 20% of the cumulative amounts distributed to common units above \$.125 per quarter.

There would be no incentive distributions if there are any distribution arrearages.

There would be no change in the terms of the senior subordinated units and the junior subordinated units.

Our board of directors discussed the Kestrel proposal at a board meeting on May 4, 2005 and authorized our chairman to pursue further discussions with Kestrel regarding its proposal. The board took into account that Kestrel's principal investor, Yorktown, has a reputation for successfully completing transactions in the energy field and has had experience in making investments in master limited partnerships. The board also considered that Mr. Vermeylen has substantial experience in the home heating oil business, including having served as an executive officer of our subsidiary, Meenan Oil Co., L.P., for 18 years prior to our acquisition of that company in August 2001.

Engagement of Financial Advisors. In May 2005, we engaged Jefferies as our exclusive financial advisor to provide advice and assistance to us in connection with various matters, including with respect to our capital structure, the senior notes and our other indebtedness. We also engaged Alvarez & Marsal LLC to provide advice and assistance to us with respect to our business plan, cash flows, working capital and liquidity requirements.

At the meeting of our board of directors held on July 25, 2005, representatives of Jefferies reviewed with the board the partnership's liquidity requirements and capital structure. The board discussed various potential avenues to provide liquidity, including the following:

Commence self-help initiatives to improve our liquidity, including by seeking to revise our supply arrangements and hedging arrangements to free up working capital and dispose of non-strategic assets.

Commence discussions with our existing bank lenders and with potential alternate traditional and non-traditional lenders to obtain a more flexible credit agreement with greater availability.

Begin conducting due diligence with Kestrel and other interested equity investors.

Pursue a transaction to deleverage, reduce interest expense and position us for future growth with a view towards resuming distributions to unitholders.

Following a discussion, the board authorized management and our financial advisors to proceed to explore each of these possibilities.

July-September Meetings. From the end of July through the beginning of September 2005, our chairman, chief executive officer, chief financial officer and chief operating officer were in communication with representatives of Kestrel and representatives of Kestrel were in communication with the operating management of our heating oil segment. During the same period, our chairman, members of our management and our financial and legal advisors had several meetings and telephone conversations with representatives of the senior noteholders.

At the meeting of our board of directors held on September 7, 2005, representatives of Jefferies and our management provided our board with an update of the status of the various initiatives. Representatives of Alvarez & Marsal also provided us with an update of their analysis of our liquidity requirements for fiscal 2006.

Table of Contents

This analysis indicated that if home heating oil prices were to remain at their present levels or increase, we would need to use substantially all of the net proceeds from the propane segment sale to support our working capital requirements.

During this time we communicated to Kestrel that the recapitalization transaction would require a majority vote of the public holders of our senior subordinated units and that in order to provide an incentive to the public holders of our senior subordinated units to vote in favor of the recapitalization we might need to provide for the conversion of our senior subordinated units into common units. We also noted that such conversion as well as the conversion of the junior subordinated units into common units would reduce administrative expenses in the future, simplify our capital structure and eliminate the continuance of a class of equity securities with separate voting rights,

Revised Kestrel Proposal. On September 28, 2005, we received a revised term sheet from Kestrel concerning its investment proposal that responded to the various issues that we had raised concerning the original proposal.

The revised Kestrel proposal reflected the following material changes from the original proposal:

The amount of senior notes to be repurchased was reduced from \$120 million to \$60 million and the source of funds to repay these notes was revised so that \$50 million would come from the issuance of \$15 million of common units to Kestrel at \$2.00 per unit and a rights offering to common unitholders of 17,500,000 common units at \$2.00 per unit, with a standby commitment from Kestrel, with the remaining \$10 million to come from cash from operations.

The minimum quarterly distribution on common units was reduced to \$0.0675 from 0.075 per unit and the first target level distribution was reduced from \$0.125 per unit to \$0.1125 per unit.

The senior subordinated units and junior subordinated units would be converted into common units.

October 7 Board Meeting. At the meeting of our board of directors held on October 7, 2005, management and our financial advisors reported that:

They had conducted a thorough search to create additional liquidity to enable us to finance volatility in home heating oil prices and potentially effect a deleveraging transaction.

They had explored a number of potential sources of additional liquidity, including:

an expansion of the heating oil segment's existing credit facility with covenant relief; and

a new working capital facility from traditional or alternative lenders.

Negotiations with the current bank group to provide for additional liquidity were ongoing and had been generally positive to date.

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

Negotiations with alternative lenders had also been successful and offered a potential alternative to the current credit facility.

Jefferies also reported on the status of the negotiations with Kestrel as well as the input that Jefferies had received from two other potential equity sources; however, none of those sources offered terms comparable to the Kestrel proposal.

Our management then reported on the status of various self-help initiatives, including proposals for new supply arrangements that would reduce our inventory level requirements and free up working capital and proposals for the disposition of certain non-strategic assets.

The board and its advisors then discussed the anticipated impact on future operating results as well as the cost, timing and likelihood of success of the various financing alternatives. After discussion, our board

Table of Contents

determined that a transaction in which Kestrel would make an equity investment in us of up to \$50 million, combined with an amendment to our existing revolving credit facility to expand this credit facility, appeared to offer the partnership the most favorable opportunity to improve our liquidity and to deleverage.

Our board authorized Jefferies to proceed with the negotiations with Kestrel. Our board also authorized management and our advisors to contact our heating oil segment's bank lenders and representatives of the senior noteholders to discuss the Kestrel proposal with them.

October-November Negotiations. During October and November 2005, we negotiated the terms of a definitive unit purchase agreement with Kestrel as well as the terms of agreements concerning our senior notes with representatives of our senior noteholders. The unit purchase agreement and the agreements with the senior noteholders were each conditioned upon the closing of each other. Separately, we negotiated and closed an amendment to the terms of our revolving credit facility to increase our seasonal availability under this facility.

We facilitated (and our chairman, management and financial and legal advisors attended) a meeting on November 9, 2005 between representatives of our senior noteholders and Kestrel to discuss the terms of the proposed transactions. Kestrel had requested that all senior notes be callable immediately at par upon the completion of the proposed transactions. The noteholders indicated they were not prepared to permit the senior notes to be called at par, and requested the opportunity to convert a portion of their senior notes to equity at \$2.00 per unit, the same price being paid by Kestrel. During the subsequent discussions, the noteholders also requested that certain changes be made to the covenants of the indenture which would govern the new notes to be issued. Over a period of several weeks, discussions ensued among representatives of Kestrel, the noteholders and the Partnership, through which: Kestrel agreed that the notes would not be callable at par; the noteholders agreed to a \$40 million conversion of senior notes into equity at \$2.00 per common unit (which amount was ultimately reduced to approximately \$26.9 million); and certain modifications to the financial covenants of the indenture governing the new notes were agreed upon. During the course of the negotiations, we agreed that if Kestrel terminated the agreement, one or more of the noteholders would have certain step-in rights to complete the recapitalization in place of Kestrel.

On November 3, 2005, our heating oil segment entered into an amendment to its revolving credit facility that increased the borrowing limits by \$50 million to \$310 million (subject to certain borrowing base limitations and coverage ratios) for the peak winter months of December through March.

In the course of lengthy negotiations with Kestrel, the original draft of the unit purchase agreement was changed for the benefit of the unitholders in various respects, including:

the break-up fee originally proposed to be \$5 million was reduced to \$4 million and the conditions under which it may be paid were significantly tightened;

each senior subordinated unit and each junior subordinated unit would be converted into a common unit;

the maximum liability of the partnership for breaches was capped at 25% of Kestrel's total purchase price; and

the definition of partnership material adverse change was tightened to reduce the circumstances under which Kestrel could terminate the agreement.

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

In connection with the board's review of the Kestrel transaction, the board considered whether it would be advisable to appoint a special committee of directors to review this transaction on behalf of our public unitholders, but determined that the interests of such unitholders could be properly represented without the appointment of a special committee. In reaching this determination, the board took into account that neither Kestrel nor Yorktown is affiliated with our general partner or any of its directors or any of their affiliates and that under the terms of the unit purchase agreement our current general partner will not receive any compensation for its general partner units or its equity interest in Star/Petro. The board also took into account the requirement that proposals 2 and 3 of the recapitalization must be approved by a unit majority, which consists of (1) a majority of common units entitled to vote and outstanding as of the record date, and (2) a majority of senior subordinated

Table of Contents

units and junior subordinated units, voting together as one class, entitled to vote and outstanding as of the record date, in each case excluding units owned by Star Gas or its affiliates, including its executive officers, directors and members. See [Interests of Certain Persons in the Recapitalization](#).

The board also considered whether it would be advisable to obtain a separate opinion as to the fairness from a financial point of view of the transaction to the public holders of the senior subordinated units in addition to an opinion with respect to the holders of the common units. In viewing the transaction from the viewpoint of the public senior subordinated unitholders, the board concluded that the conversion of the senior subordinated units into common units would align the interests of the senior subordinated unitholders with the common unitholders following the closing of the transaction. With respect to the terms of conversion of the senior subordinated units into common units, the board concluded that it had the ability to evaluate the fairness of the conversion ratio without a separate opinion. Among other matters, the board considered that arrearages on the common units were \$92.5 million as of November 30, 2005 and that no distributions could be paid on the senior subordinated units until such arrearages were paid in full, which made it unlikely that distributions would be paid on the senior subordinated units in the foreseeable future. The board also considered that there are no circumstances under our current partnership agreement, as currently in effect, in which the holders of the senior subordinated units could expect to receive more than one Class B common unit for each senior subordinated unit upon the termination of the subordination period. The board also took into account the requirement under our partnership agreement that proposals 2 and 3 must be approved by a separate class vote of the senior subordinated units and junior subordinated units, excluding units owned by Star Gas and its affiliates.

At a meeting of our board on November 16, 2005, our financial and legal advisors updated the board as to the status of the negotiations with Kestrel and the representatives of the senior noteholders. Following such meeting, we and our representatives continued the negotiations with Kestrel and its representatives and the representatives of the senior noteholders.

November-December Board Discussions. At meetings of our board held on November 30, 2005 and December 2, 2005, the board received presentations concerning, and reviewed the terms of, the proposed recapitalization pursuant to the unit purchase agreement and the noteholder agreements with members of management and our legal and financial advisors. At the December 2 meeting, Jefferies rendered to Star Gas board of directors its opinion as investment bankers to the effect that, as of that date and based upon and subject to the various considerations and assumptions set forth therein, the Recapitalization Transaction (as defined in such opinion), taken as a whole, was fair, from a financial point of view, to the existing holders of common units on that date. Also at the December 2, 2005 meeting, the board unanimously determined that the proposed recapitalization pursuant to the unit purchase agreement and noteholder agreements is fair to, and in the best interests of, the Star Gas Partners public unitholders. See [Interests of Certain Persons in the Recapitalization](#).

Reasons for the Recapitalization that the Board Considered; Recommendations of the Board

During the course of its deliberations, the board, with the assistance of management and its legal and financial advisors, considered a number of factors, including, among others, the following potential advantages and disadvantages of the recapitalization to our unitholders.

Certain Potential Advantages of the Proposed Recapitalization to Common Unitholders:

Reduce Liquidity Concerns. The use of the \$50 million in new equity financing, together with additional funds from operations, to repurchase at least \$60 million in face amount of our senior notes and, at our option, up to \$73.1 million in senior notes, and the conversion of an additional \$26.9 million in face amount of senior notes into equity in connection with the closing of the recapitalization would substantially strengthen our balance sheet and thereby reduce our concerns about liquidity and a shortage of capital. We believe this would provide us with the financial

flexibility to better manage this period of high oil prices, to continue our program to improve operating results.

Facilitate Future Acquisitions. The repayment or conversion into equity of between \$87 million and \$100 million in senior notes would significantly reduce our indebtedness, which should help to facilitate our access to

Table of Contents

the capital markets to obtain equity capital and debt financing for acquisitions. If we are unable to access additional capital to grow our business, we may be adversely affected in our ability to maintain or increase our customer base, which could further erode our ability to generate available cash. Reducing our indebtedness should enhance our ability to make acquisitions, which could help offset the current and continuing net customer attrition rates.

Simplify Capital Structure. The elimination of the cumulative common unit arrearages and the conversion of the senior subordinated units and junior subordinated units into common units would simplify our capital structure. We believe that it would be difficult to issue new common or subordinated units while our existing common units are subject to significant arrearages for past distributions, which could adversely affect our ability to obtain debt financing for acquisitions since an important element of obtaining debt financing is our ability to access equity markets to repay the debt. If we are limited in our ability to access capital to grow the business, we may be adversely affected in our ability to maintain or increase our customer base. Such reduction of activity could further erode our ability to generate available cash.

Experience of Kestrel Representatives. Subject to the closing of the transactions contemplated by the unit purchase agreement, Star Gas will withdraw as general partner, Kestrel Heat, will become our new general partner. Kestrel will be entitled to elect the board of directors of the general partner. We expect to benefit from the ability of the Kestrel representatives who have substantial experience in the energy markets. Mr. Vermynen, Jr., the President of Kestrel, served as an executive officer of Meenan Oil Co., L.P., a heating oil company, for 18 years before it was sold to Star Gas Partners in 2001.

Agreements With Senior Noteholders. The agreements with the holders of 94% of the senior notes would largely eliminate the costs and significant risks associated with the potential for litigation and alleged defaults under the indenture for our senior notes involving, among other matters, our use of proceeds from the sale of our propane segment. If this matter was not resolved and we were unsuccessful in defending our position in any future claim that might be brought by noteholders, this would constitute an event of default if declared by either the holders of 25% in principal amount of the senior notes or by the trustee and in such event all amounts due under the senior notes would become immediately due and payable. An acceleration of our senior notes would have a material adverse effect on our ability to continue as a going concern. The report of our independent registered public accounting firm on our consolidated financial statements as of September 30, 2005 and 2004, and for the three years ended September 30, 2005, includes an explanatory paragraph with respect to the impact of this matter on our ability to continue as a going concern if this matter is resolved adversely to us.

Certain Potential Disadvantages of the Proposed Recapitalization to Common Unitholders:

Elimination of Previously Accrued Cumulative Distribution Arrearages. Arrearages on the common units that have accrued through the date of the closing of the recapitalization proposal would be eliminated for no consideration. As of November 30, 2005, cumulative distribution arrearages on all outstanding units aggregated \$92.5 million.

Reduction and Postponement of Minimum Quarterly Distributions. The approval of the proposals would result in a reduction of the minimum quarterly distribution from the current \$0.575 per common unit to \$0.0675 per common unit. Also there would be no mandatory distributions on the common units until at least fiscal 2009. However, regardless of whether the minimum quarterly distribution is reduced, the board of directors of our general partner has concluded that (absent the proposed recapitalization) we are not generating enough available cash to pay any quarterly distributions and/or arrearages at the present time or in the foreseeable future.

Increased Distributions to General Partner. If the proposals are approved, the general partner would be entitled to receive a substantially higher percentage of cash distributed above \$0.0675 per unit than under the existing partnership agreement as a result of the revisions to the

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

incentive distribution payments to allocate all incentive distributions to the holders of the general partner units. The reduction of the minimum quarterly distribution would mean that the general partner would be able to receive incentive distributions sooner.

Table of Contents

Depressed Purchase Price. The price per common unit that we would receive from Kestrel Heat and M2 and in connection with the rights offering is close to the bottom of the trading range for our common units since we became a public partnership, but such price represents a 34% premium to the closing sales price of the common units on the last trading day prior to the public announcement of the recapitalization transaction.

Substantial Dilution. The number of common units outstanding would increase from 32,165,528 to approximately 74,336,836, representing a significant dilution to existing unitholders. However, common unitholders who participate in the rights offering would be able to reduce the dilution in their unit holdings.

Termination of Subordination Period. The termination of the subordination period would eliminate the priority of payment to the common unitholders in preference to the senior subordinated units and junior subordinated units. In addition, the termination of the subordination period would eliminate the requirement that the general partner receive unitholder approval for issuance of more than a certain number of additional common units during the subordination period. However, the rules of the NYSE generally would require prior unitholder approval before we could issue common units in excess of twenty percent of the then currently issued and outstanding common units in a single or related transactions other than a public offering for cash.

Restriction on Use of NOLs. As of September 30, 2005, Star/Petro had net operating losses of approximately \$181.7 million. We believe that the issuance of units in the recapitalization will likely result in an ownership change of our corporate subsidiary, Star/Petro, under the Tax Code. As a result of this ownership change, Star/Petro will be materially restricted in its ability to use its net operating loss carryforwards. To the extent that these net operating loss carryforwards can not be used to reduce Star/Petro's taxable income, Star/Petro will have less cash to distribute to us and we will have less cash to distribute to our unitholders.

Potential Advantages and Disadvantages to Senior Subordinated Unitholders and Junior Subordinated Unitholders:

In addition to the certain potential advantages to the common unitholders, the following are certain potential advantages of the proposed recapitalization to senior subordinated unitholders and junior subordinated unitholders:

Increased Likelihood of Distributions. The conversion of each outstanding senior subordinated unit and junior subordinated unit into one common unit will eliminate the priority common units had on distributions ahead of the senior subordinated units and junior subordinated units and will significantly increase the likelihood that we will resume distributions to the holders of these units.

In Addition to the Certain Potential Disadvantages to the Common Unitholders, the Following are Certain Potential Disadvantages of the Proposed Recapitalization to Senior Subordinated and Junior Subordinated Unitholders:

No Incentive Distributions. The right of the senior subordinated units and junior subordinated units to receive incentive distributions would be eliminated. However, given that as of September 30, 2005 we had approximately \$92.5 million in accrued distribution arrearages on the common units that must be paid prior to the payment of any incentive distributions, it is unlikely that any incentive distributions would be received by the holders of senior subordinated units in the foreseeable future.

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

No Separate Class Vote. The senior subordinated and junior subordinated units would lose their right to vote separately as a class during the subordination period on all matters on which unitholders are entitled to vote. However, the separate class vote was originally intended to protect the rights of the subordinated unitholders when they constituted a junior class of securities to the common units, which would no longer be the case once the subordinated units are converted in common units.

Table of Contents

Dilution. Subordinated units would not be allowed to participate in the rights offering being made to the holders of common units, and therefore would be diluted to a greater extent than the holders of common units who participate in the rights offering.

Other Factors Considered by the Board:

Our board also considered, among other factors:

Proposals 2 and 3 of the recapitalization would be subject to a unitholder vote of both common and senior subordinated units, each voting as a class.

The terms of the unit purchase agreement and the second amended and restated partnership agreement.

The conditions to the completion of the transaction, specifically the fact that approximately 94% of the noteholders had entered into agreements with us to support the recapitalization and that the material adverse change provision in the unit purchase agreement and noteholder agreement was expressly tied to a draft of our Annual Report on Form 10-K, which report highlighted the current attrition rates of customers.

The unit purchase agreement allows us to consider superior proposals, and allows us to negotiate with the parties making any such unsolicited superior proposal, and to enter into a transaction with such parties. The board of directors believed that these provisions of the unit purchase agreement allow the board of directors sufficient flexibility if a superior proposal is presented.

The termination fee of \$4 million and the maximum expense reimbursement of \$500,000 upon termination of the unit purchase agreement would not be likely to unduly deter a third party from making or inhibit the board of directors in evaluating, negotiating and, if appropriate, approving a superior proposal.

The discussion above of information and factors considered and given weight by the board is not intended to be exhaustive. Except for Jefferies opinion, on which it placed significant weight in view of the wide variety of factors considered in its evaluation, the board did not find it practicable to, and did not, quantify or otherwise attempt to assign relative weights to the specific factors considered in reaching its determination. In addition, individual members of the board may have given different weights to different factors.

The board of directors of Star Gas unanimously recommends that the Star Gas Partners public unitholders vote FOR the recapitalization proposals. See [Interests of Certain Persons in the Recapitalization](#).

Opinion of Jefferies & Company

Star Gas Partners engaged Jefferies & Company, Inc., or Jefferies, to serve as its financial advisor in connection with the proposed recapitalization and to render an opinion to Star Gas board of directors as to the fairness of the Recapitalization Transaction (as defined below), from a financial point of view, to existing holders of common units. On December 2, 2005, Jefferies rendered to Star Gas board of directors its opinion as investment bankers to the effect that, as of that date and based upon and subject to the various considerations and assumptions set

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

forth therein, the Recapitalization Transaction, taken as a whole, was fair, from a financial point of view, to the existing holders of common units on that date.

The full text of the Jefferies opinion, which sets forth the assumptions made, matters considered and limitations on the scope of review undertaken by Jefferies in rendering its opinion, is attached to this proxy statement as Annex D. Star Gas and its board of directors encourage the holders of common units to read the

Table of Contents

Jefferies opinion carefully and in its entirety. The summary of the Jefferies opinion in this proxy statement is qualified in its entirety by reference to the full text of the Jefferies opinion. **The Jefferies opinion was provided to Star Gas board of directors in connection with its consideration of the proposed recapitalization, taken as a whole, and does not address the underlying business decision of Star Gas Partners to engage in the proposed recapitalization or the terms of the unit purchase agreement and the documents referred to therein. The Jefferies opinion addresses only the fairness, from a financial point of view and as of the date of the Jefferies opinion, of the Recapitalization Transaction, taken as a whole, to existing holders of common units as of the date of its opinion, and does not address any individual element of the Recapitalization Transaction. The Jefferies opinion does not constitute a recommendation as to how any holder of units should vote on the Recapitalization, or as to whether any holder of common units should exercise rights to acquire additional common units in the rights offering.**

For purposes of the Jefferies opinion, the Recapitalization Transaction was defined to mean the following:

the receipt of \$50 million in new equity financing through the issuance to Kestrel or its affiliates of 7,500,000 common units at a purchase price of \$2.00 per unit for an aggregate of \$15 million and the issuance of an additional 17,500,000 common units in the rights offering to the holders of common units at an exercise price of \$2.00 per unit for an aggregate of \$35 million, with a standby commitment from Kestrel or its affiliates to purchase all units that are not subscribed for in the rights offering;

the conversion of approximately \$26.9 million in face amount of senior notes into approximately 13.4 million newly issued common units at a conversion price of \$2.00 per unit;

the adoption of a second amended and restated agreement of limited partnership of Star Gas Partners, that will include, among others, the following changes to the terms of Star Gas Partners' securities:

suspend all mandatory distributions of available cash by Star Gas Partners through the fiscal quarter ending September 30, 2008;

eliminate, for no consideration, all cumulative distribution arrearages on the common units that have accrued through the closing of the proposed recapitalization;

change the minimum quarterly distribution to the common units to \$0.0675 per unit, or \$0.27 per year, which will commence accruing October 1, 2008;

mandatory conversion of each outstanding senior subordinated unit and junior subordinated unit into one common unit; and

authorize the new general partner units in replacement of the existing general partner units and reallocate the incentive distribution rights so that, commencing October 1, 2008, the new general partner units will be entitled to receive 10% of the available cash distributed once \$.0675 per quarter, or \$0.27 per year has been distributed to common units and 20% of the available cash distributed in excess of \$.1125 per quarter, or \$0.45 per year, provided that there are no arrearages in minimum quarterly distributions at the time of such distribution.

the amendment of the indenture of the senior notes to eliminate certain covenants from such indenture on the terms set forth in the lock-up agreements.

In conducting its analysis and arriving at its opinion, Jefferies, among other things:

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

reviewed a draft dated November 29, 2005 of the unit purchase agreement, a draft dated November 17, 2005 of the second amended and restated agreement of limited partnership, and a draft dated November 29, 2005 of this proxy statement;

reviewed Star Gas Partner s operations and prospects both on a standalone basis and after giving effect to the Recapitalization Transaction;

reviewed certain financial and other information about Star Gas Partners that was publicly available;

Table of Contents

reviewed information furnished to Jefferies by Star Gas Partners senior management, including certain internal financial analyses, budgets, reports and other information;

held discussions with various members of senior management of Star Gas Partners concerning historical and current operations, financial conditions and prospects, including recent financial performance;

reviewed the trading price history of the common units for a period Jefferies deemed appropriate;

reviewed the valuations of publicly traded companies that Jefferies deemed comparable in certain respects to Star Gas Partners;

prepared a discounted cash flow analysis of Star Gas Partners; and

reviewed the potential pro forma impact of the Recapitalization Transaction on Star Gas Partners, including on Star Gas Partners indebtedness, leverage ratios and distributable cash flow to common units.

In addition, Jefferies conducted such other quantitative reviews, analyses and inquiries relating to Star Gas Partners as Jefferies considered appropriate in rendering its opinion.

In its review and analysis and in rendering its opinion, Jefferies assumed and relied upon, but did not assume any responsibility to independently investigate or verify, the accuracy, completeness and fair presentation of, all financial and other information that was provided to Jefferies by Star Gas Partners or that was publicly available to Jefferies (including, without limitation, the information described above), or that was otherwise reviewed by Jefferies. The Jefferies opinion was expressly conditioned upon such information (whether written or oral) being complete, accurate and fair in all respects material to Jefferies analysis.

With respect to the financial forecasts provided to and examined by Jefferies, Jefferies noted that projecting future results of any company is inherently subject to uncertainty. Star Gas Partners has informed Jefferies, however, and Jefferies assumed, that such financial forecasts were reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of the management of Star Gas Partners as to the future performance of Star Gas Partners. Jefferies expressed no opinion as to Star Gas Partners financial forecasts or the assumptions on which they are made. In addition, in rendering its opinion, Jefferies assumed that Star Gas Partners will perform in accordance with such financial forecasts for all periods specified therein. Although such financial forecasts did not form the principal basis for the Jefferies opinion, but rather constituted one of many items that Jefferies employed, changes to such financial forecasts could affect its opinion.

Accordingly, the analyses performed by Jefferies must be considered as a whole. Considering any portion of such analyses or the factors considered, without considering all analyses and factors, could create a misleading or incomplete view of the process underlying the conclusions expressed in its opinion. Jefferies expressly disclaimed any undertaking or obligation to advise any person of any change in any fact or matter affecting the Jefferies opinion of which Jefferies became aware after the date of its opinion.

In its review, Jefferies did not obtain any independent evaluation or appraisal of the assets or liabilities of, nor did Jefferies conduct a physical inspection of any of the assets of, Star Gas Partners, nor was Jefferies furnished with any such evaluations or appraisals or reports of such physical inspections, nor did Jefferies assume any responsibility to obtain any such evaluations, appraisals or inspections. In addition, Jefferies did not evaluate the solvency or fair value of Star Gas Partners under any state or federal laws relating to bankruptcy, insolvency or similar matters. The Jefferies opinion was based on economic, monetary, regulatory, market and other conditions existing and which could be evaluated

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

as of the date of its opinion. Jefferies made no independent investigation of any legal or accounting matters affecting Star Gas Partners, and Jefferies assumed the correctness in all respects material to its analysis of all legal and accounting advice given to Star Gas Partners and Star Gas board of directors, including, without limitation, advice as to the legal, accounting and tax consequences of the terms of, and transactions contemplated by, the unit purchase agreement to Star Gas Partners and its unit holders. In addition, in preparing its opinion, Jefferies did not take into account any tax consequences of the Recapitalization Transaction to Star Gas Partners or any holder of common units.

Table of Contents

In rendering its opinion, Jefferies also assumed with the consent of Star Gas board of directors that:

the transactions contemplated by the unit purchase agreement will be consummated on the terms described therein without any waiver of any material terms or conditions;

there was not as of the date of its opinion, and there will not as a result of the consummation of the transactions contemplated by the unit purchase agreement be, any default, or event of default, under any indenture, credit agreement or other material agreement or instrument to which Star Gas Partners or any of its subsidiaries or affiliates is a party; and

all material assets and liabilities (contingent or otherwise, known or unknown) of Star Gas Partners were as set forth in the consolidated financial statements provided to Jefferies by Star Gas Partners, as of the dates of such financial statements.

In addition, Jefferies was not authorized to and did not solicit any expressions of interest from any other parties (other than a limited number of parties that had approached Star Gas Partners on an unsolicited basis) with respect to a potential equity investment in Star Gas Partners or any other alternative transaction.

It is understood that Jefferies opinion was for the use and benefit of the board of directors of Star Gas in its consideration of the Recapitalization Transaction, taken as a whole, and the Jefferies opinion did not address the relative merits of the transactions contemplated by the unit purchase agreement as compared to any alternative transactions that might be available to Star Gas Partners, nor did it address the underlying business decision by Star Gas Partners to engage in the Recapitalization Transaction or the terms of the unit purchase agreement or the documents referred to therein. Jefferies expressed no opinion as to the price at which the common units will trade at any time, and also expressed no opinion as to any individual element of the Recapitalization Transaction.

Jefferies opinion did not constitute a recommendation as to how any holder of units should vote on the Recapitalization Transaction or any matter relating thereto or as to whether any holder of common units should exercise rights to acquire additional common units in the rights offering. Jefferies expressed no opinion as to the price at which the common units will trade at any time.

In preparing its opinion, Jefferies performed a variety of financial and comparative analyses. The preparation of a fairness opinion is a complex process involving various determinations as to the most appropriate and relevant quantitative and qualitative methods of financial analysis and the applications of those methods to the particular circumstances and, therefore, is not necessarily susceptible to partial analysis or summary description. Jefferies believes that its analyses must be considered as a whole. Considering any portion of its analyses or the factors considered by it, without considering all analyses and factors, could create a misleading or incomplete view of the process underlying the conclusion expressed in its opinion. In addition, Jefferies may have given various analyses more or less weight than other analyses, and may have deemed various assumptions more or less probable than other assumptions, so that the range of valuation resulting from any particular analysis described below should not be taken to be Jefferies view of Star Gas Partners actual value. Accordingly, the conclusions reached by Jefferies are based on all analyses and factors taken as a whole and also on the application of Jefferies own experience and judgment.

In performing its analyses, Jefferies made numerous assumptions with respect to industry performance, general business and economic conditions and other matters, many of which are beyond Jefferies and Star Gas Partners control. The analyses performed by Jefferies are not necessarily indicative of actual values or actual future results, which may be significantly more or less favorable than suggested by such analyses. In addition, analyses relating to the value of businesses or assets do not purport to be appraisals or to necessarily reflect the prices at which businesses or assets may actually be sold and are inherently subject to uncertainty. The analyses performed were prepared solely as part of Jefferies analysis of the fairness, from a financial point of view, of the Recapitalization Transaction and were provided to Star Gas board of

directors in connection with the delivery of the Jefferies opinion.

Table of Contents

The following is a summary of the material financial and comparative analyses performed by Jefferies that were presented to Star Gas' board of directors on December 2, 2005 in connection with the delivery of its opinion. The financial analyses summarized below include information presented in tabular format. In order to fully understand Jefferies' financial analyses, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses. Considering the data described below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of Jefferies' financial analyses.

Star Gas Partners Analysis

Historical Trading Analysis. Jefferies reviewed the trading history of the common units for the thirteen month period ending November 18, 2005 both on a stand-alone basis and also in relation to the S&P 500 Index, the S&P 500 Energy Sector Index and to two composite indices consisting of the following propane master limited partnerships, or Propane MLPs, and pipeline master limited partnerships:

Propane MLPs

AmeriGas Partners L.P.

Ferrellgas Partners L.P.

Inergy L.P.

Suburban Propane Partners L.P.

Pipeline MLPs

Sunoco Logistics Partners L.P.

TC Pipelines L.P.

TEPPCO Partners L.P.

Valero L.P.

US Shipping Partners L.P., and

During this period, Jefferies noted that the common units traded as low as \$1.01 per unit and as high as \$7.74 per unit, compared to the closing price of the Star Gas common units on December 2, 2005 of \$1.32. Jefferies also noted that during the thirteen month period ending November 18, 2005, the price of the common units decreased 74.8%, the S&P 500 Energy Sector Index increased by 33.9%, the S&P 500 Index increased by 12.1%, the Pipeline MLPs increased 9.0%, and the Propane MLPs decreased 1.5%.

Comparable Company Analysis. Using publicly available information and information provided by Star Gas Partners, Jefferies analyzed the trading multiples of Star Gas Partners and the corresponding trading multiples of the Propane MLPs. In its analysis, Jefferies derived and compared multiples for Star Gas Partners and the Propane MLPs, calculated as follows:

the enterprise value divided by actual or estimated, as the case may be, earnings before interest, taxes, depreciation and amortization, or EBITDA, for fiscal year 2005, which is referred to as Enterprise Value/2005 EBITDA, ;

the enterprise value divided by estimated EBITDA for fiscal year 2006, which is referred to as Enterprise Value/2006E EBITDA, ; and

the latest indicative annualized common unit distribution divided by the common unit price on November 18, 2005, which is referred to as the 2006E Indicative Yield .

Jefferies noted that there are few public companies in the home heating oil space, and that the most similar publicly traded master limited partnerships are propane distributors. While there are a number of similarities between home heating oil and propane distributors, due to the more limited growth, higher historical customer attrition rates, elevated risk profile and volatility of Star Gas Partners cash flows as compared to the Propane MLPs, as well as the distressed nature of Star Gas Partners current financial situation, for purposes of this analysis the valuation multiples for the Propane MLPs were decreased by 25%.

Using a reference range of 7.5x to 9.9x Star Gas Partners estimated 2005 EBITDA and 7.3x to 7.9x Star Gas Partners estimated 2006 EBITDA, Jefferies determined an implied enterprise value for Star Gas Partners. Jefferies then subtracted net long-term debt, estimated to be \$265 million as of November 30, 2005, from the enterprise value to determine an implied equity value. This analysis indicated a range of implied values per common unit of not meaningful (NM) using the 2005 EBITDA multiples and approximately \$0.90 to \$1.61 using the 2006E EBITDA multiples.

Using a reference range of indicative yields from 9.8% to 12.1% Star Gas Partners estimated 2006 distributable cash flow, or DCF, Jefferies determined an implied equity value for Star Gas Partners. This analysis indicated a range of implied values per common unit of NM using the estimated 2006 DCF, and approximately \$1.29 to \$1.59 using the hypothetical estimated 2006 DCF, which assumed for illustrative purposes that

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

Star Gas Partners would be able to distribute DCF to common unit holders notwithstanding prohibitions under its current indebtedness. Under the stand alone projections, Jefferies noted that Star Gas Partners will not be in compliance with certain debt covenants and therefore cannot make distributions to common unit holders.

No company utilized in the comparable company analysis is identical to Star Gas Partners. In evaluating the selected companies, Jefferies made judgments and assumptions with regard to industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond Star Gas Partners and Jefferies control. Mathematical analysis, such as determining the mean or median, is not in itself a meaningful method of using comparable company data.

Discounted Cash Flow Analysis Terminal EBITDA Method. Jefferies performed a discounted cash flow analysis to estimate the present value of the unlevered free cash flows of Star Gas Partners through the fiscal year ending September 30, 2010 using Star Gas Partners management's financial projections. Jefferies calculated the terminal value of the enterprise at September 30, 2010 by multiplying projected EBITDA in the fiscal year ending September 30, 2010 by multiples ranging from 8.0x to 10.0x. To discount the projected free cash flows and the terminal value to present value, Jefferies used a weighted average cost of capital ranging from 14.0% to 18.0%. To determine the implied total equity value for Star Gas Partners, Jefferies subtracted net long-term debt, estimated to be \$265 million as of November 30, 2005, from the implied enterprise value. This analysis indicated a range of implied values per common unit of approximately NM to approximately \$1.30.

Discounted Cash Flow Analysis Hypothetical Terminal Distributable Cash Flow Yield Method. Jefferies performed a discounted cash flow analysis to estimate the present value of the levered cash flows of Star Gas Partners through the fiscal year ending September 30, 2010 using Star Gas Partners management's financial projections, which assumed for illustrative purposes that Star Gas Partners would be able to distribute DCF to common unit holders notwithstanding prohibitions under its current indebtedness. Under the stand alone projections, Jefferies noted that Star Gas Partners will not be in compliance with certain debt covenants and therefore cannot make distributions to common unit holders. Jefferies calculated the terminal value of the enterprise at September 30, 2010 by dividing projected DCF in the fiscal year ending September 30, 2010 by indicative yields ranging from 10.0% to 14.0%. To discount the projected levered cash flows and the terminal value to present value, Jefferies used a cost of equity capital ranging from 20.0% to 30.0%. This analysis indicated a range of implied values per common unit of approximately \$0.57 to \$0.87.

Pro Forma Financial Analysis. Using Star Gas Partners management's financial projections, Jefferies analyzed the potential pro forma impact of the Recapitalization Transaction on Star Gas Partners for the periods 2006 to 2010. Jefferies analyzed the impact of the Recapitalization Transaction on Star Gas Partners coverage ratios, including (a) estimated debt divided by estimated EBITDA and (b) estimated EBITDA divided by estimated interest expense, in each case based upon forecasts provided by management.

The results of this pro forma analysis for these items for 2006 to 2010 are as follows:

	Status Quo Case		Pro Forma for the Recapitalization Transaction	
	Debt/EBITDA	EBITDA/Interest	Debt/EBITDA	EBITDA/Interest
2006	6.5x	1.35x	4.0x	1.91x
2007	6.6x	1.36x	4.0x	2.05x

2009	6.9x	1.32x	3.9x	2.33x
2010	7.1x	1.30x	4.0x	2.31x

Jefferies also analyzed the pro forma effects on DCF per common unit, and DCF available for distribution, in each case for fiscal years 2006 to 2010 based on forecasts provided by management. The pro forma effects were as follows:

	Status Quo Case		Pro Forma for the Recapitalization Transaction	
	DCF Available for Distribution ¹	Hypothetical DCF per Unit ²	DCF Available for Distribution ³	Hypothetical DCF per Unit ⁴

Assumes for illustrative purposes that that Star Gas Partners would be able to distribute DCF to common unit holders in years 2006 – 2008 notwithstanding the suspension of mandatory common unit distributions through September 30, 2008 under the second amended and restated agreement of limited partnership.

Jefferies also compared and analyzed the potential accretion/dilution to existing common unit holders under the Recapitalization Transaction for the period 2006 through 2010 based on forecasts provided by management. This analysis showed that the Recapitalization Transaction would be accretive on a DCF basis throughout the period.

In addition, Jefferies performed a discounted cash flow analysis for Star Gas Partners taking into account the Recapitalization Transaction based on pro forma management financial projections. The discounted cash flow analysis estimated the present value of the unlevered free cash flows of Star Gas Partners through the fiscal year ending September 30, 2010 using Star Gas Partners management's financial projections. Jefferies calculated the terminal value of the enterprise at September 30, 2010 by multiplying projected EBITDA in the fiscal year ending September 30, 2010 by multiples ranging from 7.0x to 11.0x. To discount the projected free cash flows and the terminal value to present value, Jefferies used a weighted average cost of capital ranging from 14.0% to 18.0%. To determine the implied total equity value for Star Gas Partners, Jefferies subtracted net long-term debt of \$265 million from the implied enterprise value. This analysis indicated a range of implied values per common unit of approximately \$1.99 to \$4.27.

Jefferies' opinion was one of many factors taken into consideration by Star Gas' board of directors in making its determination to approve the proposed recapitalization and should not be considered determinative of the views of Star Gas' board of directors or management with respect to the proposed recapitalization.

Jefferies was selected by Star Gas' board of directors based on Jefferies' qualifications, expertise and reputation. Jefferies is an internationally recognized investment banking and advisory firm. Jefferies, as part of its investment banking business, is regularly engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements, financial restructurings and other financial services. Jefferies, from time to time, may make a market in the securities of Star Gas Partners, and Jefferies and its affiliates may trade or hold such securities of Star Gas Partners for its own account and for the accounts of its customers and, accordingly, may at any time hold long or short positions in those securities.

Pursuant to an engagement letter between Star Gas Partners and Jefferies dated May 12, 2005, Star Gas Partners agreed to pay Jefferies a customary fee for its services in connection with the proposed recapitalization, a portion of which was paid upon delivery of Jefferies' written opinion and a significant portion of which is payable contingent upon consummation of the recapitalization. Jefferies will also be reimbursed for reasonable expenses incurred, including the fees and disbursements of its counsel. Star Gas Partners has also agreed to indemnify Jefferies against liabilities arising out of or in connection with the services rendered or to be rendered by it under its engagement.

2006 EBITDA Forecast of Star Gas Partners

Our management prepared an EBITDA (earnings from continuing operations before interest, taxes, depreciation and amortization) forecast for fiscal 2006 that was provided to Kestrel. The forecast was not prepared with a view to public disclosure or compliance with published guidelines

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

of the Securities and Exchange Commission, or SEC, or the guidelines established by the American Institute of Certified Public Accountants regarding projections. This forecast is included in this proxy statement only because it was provided

to Kestrel. The forecast was prepared in October, 2005 as of September 30, 2005 and has not been updated to give effect to any developments since that time. The forecast was prepared by, and is the responsibility of, management of Star Gas Partners. Neither Jefferies nor an independent registered public accounting firm, examined, compiled or applied any procedures for the projections or expressed any opinion or provided any kind of assurance on the forecast.

While presented with numerical specificity, the forecast is based on a variety of assumptions relating to the business of Star Gas Partners that, although considered appropriate by Star Gas Partners at the time, may not be realized. Moreover, the forecast and the assumptions upon which it is based are subject to significant uncertainties and contingencies, many of which are beyond the control of management of Star Gas Partners. Consequently, the forecast and the underlying assumptions are necessarily speculative in nature and inherently imprecise, and there can be no assurance that the forecasted financial results will be realized. It is expected that there will be differences between actual and forecasted results, and actual results are likely to vary materially from those shown. None of the financial advisors, Star Gas Partners, the board of directors nor any of their affiliates or advisors intends to update or otherwise revise the forecast.

The inclusion of the forecast in this proxy statement should not be regarded as an indication that the financial advisors, Star Gas Partners, the board of directors of Star Gas, Kestrel or any of their affiliates or advisors considers the forecast likely to be an accurate prediction of future results. Star Gas Partners' unitholders are cautioned not to place undue reliance on the forecast, which should be read in conjunction with the information relating to the business, assets and financial condition of Star Gas Partners included herein.

The forecast contains forward-looking information and is subject to a number of risks discussed elsewhere in this proxy statement. See **Important Considerations** and **Forward-Looking Statements**. These risks are likely to cause actual results in the future to differ significantly from results expressed or implied in the forecast.

The forecast set forth below is the most recent version of the forecast provided to Kestrel. Star Gas Partners believes that discussion of the earlier version would not add materially to the information provided here.

EBITDA from continuing operations should not be considered as an alternative to net income (as an indicator of operating performance) or as an alternative to cash flow (as a measure of liquidity or ability to service debt obligations), but provides additional information for evaluating our ability to make the minimum quarterly distribution. The working capital facility and the senior notes impose certain restrictions on our ability to pay distributions to unitholders. This definition of EBITDA may be different from that used by other companies.

Interests of Certain Persons in the Recapitalization

In connection with the proposed recapitalization, our current general partner, Star Gas, will withdraw as general partner by contributing its general partner units and its .01% equity interest in Star/Petro to Star Gas Partners for no consideration.

Kestrel has proposed that following the closing of the recapitalization, Mr. Nicoletti, the chairman of the board of Star Gas, Mr. Cavanaugh, the chief executive officer and a director of Star Gas, and Mr. Donovan, the president of Star Gas, would become directors of Kestrel Heat. Mr. Biddelman, Mr. Russell and Mr. Sevin, the other three directors of Star Gas, will not become directors of Kestrel Heat. In addition, if the

recapitalization is consummated, Mr. Cavanaugh, Mr. Donovan and Mr. Ambury, the chief financial officer of Star Gas, would continue to be employed by us under the terms of their current employment arrangements. If Kestrel Heat is elected successor general partner, the proposed directors and executive officers of Kestrel Heat shall have interests in the proposed recapitalization as described in Information Regarding Kestrel Heat below.

The unit purchase agreement provides in general that Kestrel will cause Star Gas Partners to maintain, for a period of six years after the completion of the transaction, the current indemnification agreements and provisions for Star Gas officers and directors and the current policies of directors and officers liability insurance maintained by Star Gas Partners, or policies of at least the same coverage and amounts containing terms and conditions that are no less advantageous, with respect to claims arising from facts or events that occurred before the date of the completion of the transaction.

MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES

The following discussion summarizes the material U.S. federal income tax consequences of the implementation of the proposed recapitalization to Star Gas Partners and the common, senior subordinated and junior subordinated unitholders.

The following summary is based on the Tax Code, Treasury regulations promulgated and proposed thereunder, judicial decisions and published administrative rules and pronouncements of the Internal Revenue Service (" Service ") as in effect on the date hereof. Changes in such rules or new interpretations thereof may have retroactive effect and could significantly affect the federal income tax consequences described below.

The federal income tax consequences of the recapitalization are complex and are subject to significant uncertainties. Star Gas Partners has not requested a ruling from the Service or an opinion of counsel with respect to any of the tax aspects of the recapitalization, other than an opinion from Baker Botts L.L.P. required under the partnership agreement to the effect that the withdrawal of Star Gas as our general partner will not cause Star Gas Partners to be treated as an association taxable as a corporation or otherwise to be taxed as an entity for federal income tax purposes. Thus, no assurance can be given as to the interpretation that the Service will adopt. In addition, this summary does not address foreign, state or local tax consequences of the recapitalization, nor does it purport to address the federal income tax consequences of the recapitalization to special classes of taxpayers (such as foreign taxpayers, members of management or other taxpayers who acquired their units in compensatory transactions, broker-dealers, banks, mutual funds, insurance companies, financial institutions, small business investment companies, regulated investment companies, tax-exempt organizations, and investors in pass-through entities). This summary addresses only the federal income tax consequences to unitholders whose interests in Star Gas Partners have been held as capital assets.

ACCORDINGLY, THE FOLLOWING SUMMARY OF THE MATERIAL FEDERAL INCOME TAX CONSEQUENCES IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING AND ADVICE BASED UPON THE INDIVIDUAL CIRCUMSTANCES PERTAINING TO EACH UNITHOLDER. ALL UNITHOLDERS ARE URGED TO CONSULT THEIR OWN TAX ADVISORS FOR THE FEDERAL, STATE, LOCAL AND OTHER TAX CONSEQUENCES APPLICABLE TO THEM UNDER THE RECAPITALIZATION.

Acquisition by Kestrel Heat and M2 of Common Units and General Partner Units

Except as described in the remainder of this paragraph, neither Star Gas Partners nor the unitholders will recognize taxable income or gain upon the purchase of common units and general partner units by Kestrel Heat and M2. However, (as occurs whenever a partnership sells new units) the unit purchase by Kestrel Heat and M2 may decrease the percentage interest of certain unitholders in Star Gas Partners. A decrease in a unitholder's percentage interest in Star Gas Partners would decrease the unitholder's share of Star Gas Partners' nonrecourse liabilities, and would result in a corresponding deemed distribution of cash to the unitholder. The deemed distribution of cash generally would not be taxable to the unitholder to the extent of the unitholder's tax basis in his units immediately before the deemed distribution, but would reduce such basis dollar for dollar. Any deemed cash distribution in excess of the unitholder's tax basis would be treated as taxable gain from the sale of the unitholder's units.

We believe that the issuance of units in the recapitalization will likely result in an ownership change of our corporate subsidiary, Star/Petro, under the Tax Code. As a result of this ownership change, Star/Petro will be materially restricted in its ability to use its net operating loss carryovers to reduce its future taxable income. As of September 30, 2005, Star/Petro had federal net operating losses of approximately \$181.7 million. These net operating losses will begin to expire in 2025 and generally would be available to reduce future taxable income that would otherwise be subject to federal income taxes.

Table of Contents

As a result of the ownership change, Star/Petro will be restricted annually in its ability to use its net operating losses to reduce its federal taxable income. We believe that the restriction may entirely eliminate Star/Petro's ability to use its net operating losses. The restriction on Star/Petro's ability to use net operating losses to reduce its federal tax liability will reduce the amount of cash Star/Petro has available to make distributions to us. Consequently, the restriction will reduce the amount of cash we have available to distribute to our unitholders.

The Rights Offering

Star Gas Partners will not recognize taxable income upon its issuance of non-transferable rights to purchase common units pursuant to the rights offering in connection with the recapitalization. Likewise, Star Gas Partners does not anticipate that unitholders will recognize taxable income as a result of the receipt of such rights. However, if the rights were determined to be consideration issued to a unitholder in exchange for his consent to the recapitalization proposal, that consideration would be subject to tax as ordinary income.

Neither Star Gas Partners nor the unitholders will recognize taxable income or gain upon a unitholder's exercise of the right to acquire common units. However, in order to comply with the capital account requirements of the Treasury Regulations, Star Gas Partners may be required to specially allocate, for tax and book purposes, items of income and gain or loss and deduction to the holders of common units acquired pursuant to the rights offering, existing holders, or both.

Conversion of Senior Subordinated and Junior Subordinated Units Into Common Units

Neither Star Gas Partners nor the holders of senior subordinated units or junior subordinated units will recognize taxable income upon the conversion of the subordinated units into common units. Upon the conversion of senior subordinated and junior subordinated units into common units, the partnership agreement of Star Gas Partners provides that holders of the converted units will receive special allocations, for tax and book purposes, of income and gain or loss and deduction until the capital account associated with each converted unit is equal to the capital account of all other common units.

Senior Note Consent and Tender Offer

The exchange of cash and new common units for a portion of the senior notes pursuant to the senior note exchange will reduce the total amount of Star Gas Partners' nonrecourse liabilities. Also, the exchange of a portion of the senior notes for new common units will cause a portion of the current unitholders' share of Star Gas Partners' nonrecourse liabilities to be allocated to such former holders of the senior notes. Accordingly, the senior note exchange will decrease the current unitholders' share of Star Gas Partners' nonrecourse liabilities and will result in a corresponding deemed distribution of cash to the unitholders. As previously discussed, any deemed cash distribution to a unitholder in excess of the unitholder's tax basis will be treated as taxable gain from the sale of the unitholder's units. In addition, if and to the extent that the amount of cash, and the fair market value of units exchanged is less than the principal amount of the old notes exchanged therefor, then unitholders (who are unitholders immediately prior to the exchange) would recognize an allocable portion of income from a deemed cancellation of indebtedness.

Amendments to the Partnership Agreement

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

Distribution Adjustments. A common unitholder is required to report on his income tax return his share of Star Gas Partner's income, gains, losses and deductions without regard to whether the unitholder receives corresponding cash distributions from Star Gas Partners. If the recapitalization is consummated, the partnership agreement of Star Gas Partners will be amended to (i) suspend all mandatory distributions to the common units; (ii) eliminate all cumulative distribution arrearages on the common units that have accrued through the closing of the recapitalization; and (iii) reduce the minimum quarterly distribution on the common units to \$0.0675 per unit. The suspension of mandatory distributions, elimination of distribution arrearages and reduction in the minimum

Table of Contents

quarterly distribution will increase the risk that a common unitholder will be allocated a portion of Star Gas Partner's taxable income without any cash being distributed to him or that he will be allocated taxable income in excess of the amount of cash distributed to him.

Interim Closing of the Books. If the recapitalization proposals are adopted, the partnership agreement of Star Gas Partners will be amended to provide for an interim closing of the partnership's books for federal income tax purposes upon the purchase of units by Kestrel Heat and M2. Under the interim closing of the books method, each item of Star Gas Partners' income, gain, loss, deduction and credit for the 2006 taxable year will be determined based upon a closing of the partnership's books on the date of the unit purchase. Thus, all such items incurred by Star Gas Partners during the period from the beginning of the year through the date of the unit purchase will be allocated among the unitholders based upon their percentage interest in Star Gas Partners prior to the unit purchase. Correspondingly, all such items incurred by Star Gas Partners after the unit purchase will be allocated among the unitholders based upon their percentage interest in Star Gas Partners following the unit purchase.

Interests of the Proposed Executive Officers and Directors in the Recapitalization

Kestrel will have the ability to elect the board of directors of Kestrel Heat, including Messrs. Vermynen, Lawrence and Lubar. Messrs. Vermynen, Lawrence and Lubar are also members of the board of managers of Kestrel and, either directly or through affiliated entities, own equity interests in Kestrel. Kestrel owns all of the issued and outstanding membership interests of Kestrel Heat and M2. Kestrel Heat and M2 will receive an aggregate of 7,500,000 common units as a result of the recapitalization. M2 also will make a commitment to purchase all units which are not subscribed for in the rights offering of 17,500,000 common units. Kestrel Heat and M2, therefore, will receive an aggregate minimum of 7,500,000 common units and could receive an aggregate maximum of 25,000,000 common units as a result of the recapitalization. Mr. Vermynen also individually owns 50,000 common units and \$100,000 face amount of senior notes, which he owned prior to the commencement of the negotiations of the recapitalization transaction. See also Unit Ownership for additional information on the unit ownership by prospective directors and/or officers of Kestrel Heat who are currently officers and/or directors of Star Gas.

Table of Contents

Kestrel Heat intends to establish management incentive programs whereby executive officers will be offered an opportunity to invest in Kestrel Heat. Pursuant to the proposed second and amended restated partnership agreement that, if approved by unitholders, will be adopted as part of the recapitalization, Kestrel Heat, as the general partner of Star Gas Partners, is entitled to incentive distributions commencing fiscal 2009 if minimum quarterly distributions to common unitholders exceed certain target levels. Kestrel Heat also intends to compensate non-management directors for service on the board and respective board committees in customary amounts and types. The specific types and amounts of management incentive compensation arrangements and non-management director fees are expected to be formulated and finalized prior to consummation of the recapitalization.

Future Plans of Kestrel Heat

Except as part of the recapitalization disclosed in this proxy statement, Kestrel Heat does not have any specific intention with respect to Star Gas Partners that would involve any of the following transactions:

payment of extraordinary distributions;

issuance of additional equity to third parties;

refinancing, reducing or increasing existing indebtedness of Star Gas Partners;

additional purchases of interests in Star Gas Partners; and

mergers or other consolidation transactions involving Star Gas Partners.

However, if the recapitalization is consummated, Kestrel Heat will be able to consider those transactions and may recommend them to the unitholders of Star Gas Partners for approval or, if no other partnership approvals are required, effect those transactions as the general partner of Star Gas Partners. There is no assurance, however, as to when or whether any of the transactions referred to above might occur. Under applicable law, directors of Kestrel Heat as general partner of Star Gas Partners will owe fiduciary obligations to all of the unitholders of Star Gas, not just M2 and affiliates of Kestrel. However, Kestrel's right to control the board of directors could have the effect of delaying, deterring or preventing tender offers or takeover attempts that some or a majority of Star Gas's unitholders might consider in their best interests, including offers or attempts that might result in the payment of a premium over the market price for the units. If Star Gas Partners enters into a transaction, Kestrel Heat, M2 and Kestrel will participate in the benefits of that transaction to the extent of their ownership of interests in Star Gas Partners.

UNIT PURCHASE AGREEMENT

The following is a summary of the material provisions of the unit purchase agreement. This summary does not include all of the provisions of the unit purchase agreement, which is attached as Annex A to this proxy statement, and the full text of which is incorporated into this proxy statement by reference. Holders of common units and subordinated units should read the unit purchase agreement in its entirety.

Agreement to Sell and to Purchase Common Units

The unit purchase agreement provides that subject to the terms and subject to the conditions set forth in the agreement, on the closing date Star Gas Partners shall sell to Kestrel Heat and M2, both wholly-owned subsidiaries of Kestrel:

- (a) 500,000 common units to Kestrel Heat;
- (b) 7,000,000 common units to M2;
- (c) 325,729 new general partner units to Kestrel Heat; and
- (d) a number of common units to M2 equal to the number of common units that are not subscribed for in the rights offering.

The purchase price for the common units is \$2.00 per unit. The general partner units will be issued for no additional consideration.

On December 27, 2005, the last trading day prior to the commencement of the printing of this proxy statement, the closing sales price of the common units on the NYSE was \$1.72 per unit and the closing sales price of the subordinated units on the NYSE was \$1.75 per unit. On December 2, 2005, the last trading day prior to the public announcement of the recapitalization transaction with Kestrel, the closing sales price of the common units on the NYSE was \$1.32 per unit and the closing sales price of the subordinated units was \$1.89 per unit.

Replacement of the General Partner

The unit purchase agreement provides, as a condition to closing, for the withdrawal of Star Gas as our general partner and the election of Kestrel Heat as our new general partner, effective as of the closing date. Star Gas shall contribute its existing general partner units and its .01% equity interest in Star/Petro to Star Gas Partners for no consideration. Kestrel Heat will agree to assume the rights and duties of Star Gas as our general partner and to be bound by the provisions of our partnership agreement.

The Rights Offering

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

The unit purchase agreement provides, as a condition to closing, that we shall distribute to each record holder of common units, as of a record date to be set by us, a non-transferable right (the "right") to purchase, at \$2.00 per unit, a pro-rata portion of 17,500,000 common units (subject to rounding as set forth below). It is currently anticipated that in the rights offering:

we will distribute .5441 non-transferable rights with respect to each common unit outstanding as of the record date for the rights offering, at no cost to the record holders;

one full right plus \$2.00 in cash will entitle the holder to purchase one common unit;

the rights will be evidenced by non-transferable subscription certificates;

no fractional rights or cash in lieu thereof will be issued or paid, and the number of rights distributed to each holder of common units will be rounded up to the nearest whole number of rights (provided that such rounding shall not cause the total purchase price of the common units issuable upon exercise of the right to exceed \$35,000,000); and

Table of Contents

brokers, dealers and other nominees holding common units on the record date of more than one beneficial owner will be entitled to obtain separate subscription certificates for their beneficial owners so that they may each receive the benefit of rounding.

M2 has agreed to purchase at \$2.00 per unit any common units that are not purchased in the rights offering.

Covenants of Star Gas Partners in the Unit Purchase Agreement

The unit purchase agreement contains various covenants regarding the recapitalization. The unit purchase agreement requires that Star Gas Partners take all commercially reasonable action necessary to call and hold the special meeting as promptly as practicable to consider and vote on the adoption and approval of the issuance and sale of common units pursuant to the unit purchase agreement and other matters incident to the recapitalization for which unitholder approval is required.

The unit purchase agreement provides that, subject to its fiduciary duties, the board must:

recommend to the unitholders that they vote in favor of the adoption and approval;

use its reasonable best efforts to solicit from the unitholders proxies in favor of such adoption and approval; and

take all other action reasonably necessary to secure a favorable vote of the unitholders.

Star Gas Partners must also use its reasonable best efforts to obtain a statement from its officers and directors who own partnership securities to the effect that such persons intend to vote all of their partnership securities in favor of the recapitalization.

In addition the unit purchase agreement requires Star Gas Partners to prepare and file with the SEC a registration statement to register common units issued in the rights offering, and use its reasonable best efforts to have such registration statement declared effective as promptly as practicable after the special meeting. Star Gas Partners must also use its reasonable best efforts to cause the common units issuable upon exercise of the rights to be approved for listing on the NYSE prior to the closing.

Covenants Regarding the Conduct of Star Gas Partners Business Prior to Closing

Under the unit purchase agreement, Star Gas Partners has agreed that, at all times prior to the earlier of the closing or the termination of the unit purchase agreement in accordance with its terms, Star Gas Partners will conduct its business in the ordinary and usual course. make or change any material tax election, change any method of tax accounting, grant any extension of time to assess any tax or settle any tax claim, amend any tax return in any material respect or settle or compromise any material tax liability.

Table of Contents

Partnership material adverse effect means, except as disclosed in our financial statements and SEC reports, including a draft of our fiscal 2005 Annual Report on Form 10-K that we provided to Kestrel in connection with the execution of the unit purchase agreement, an event that would have a material adverse effect on the financial condition, business, properties, or results of operations of the partnership entities, taken as a whole, except for changes affecting the economy generally or changes in commodity prices or other changes affecting the heating oil industry generally.

Amendment and Waiver

The unit purchase agreement provides that any provision of the unit purchase agreement may be:

waived in writing by the party benefited by that provision; or

modified or amended at any time by a written agreement signed by all of the parties.

Indemnification of Kestrel and Star Gas Partners

The unit purchase agreement contains certain mutual indemnification agreements between Kestrel and Star Gas Partners for claims and liabilities arising from the unit purchase agreement, the recapitalization and breaches of representations, warranties, covenants and agreements contained in the unit purchase agreement; provided that claims with respect to the breach of representations and warranties must be brought within a one year period following closing. The parties' indemnification obligations do not apply to any individual claim of less than \$50,000 until the aggregate of all claims less than \$50,000 exceeds \$500,000. Once the \$500,000 threshold is exceeded, the indemnified parties are entitled to recovery from the first dollar of liability up to a cap of 25% of the aggregate purchase price paid by the Kestrel entities for their common units.

Directors and Officers Indemnification and Insurance

The unit purchase agreement also provides that Kestrel will cause Star Gas Partners to maintain, for a period of six years after the completion of the transaction, the current indemnification agreements and provisions for Star Gas Partners' officers and directors and the current policies of directors and officers' liability insurance maintained by Star Gas Partners, or policies of at least the same coverage and amounts containing terms and conditions that are no less advantageous, with respect to claims arising from facts or events that occurred before the date of the completion of the transaction. Star Gas Partners will not be required to expend in any one year an amount more than current annual premiums paid by Star Gas Partners for directors' and officers' liability insurance, and if that insurance cannot be obtained or if the annual premiums of that insurance coverage exceed this amount, Star Gas Partners will be obligated to obtain a policy with the most advantageous policies available for a cost not exceeding that amount. Alternatively, Star Gas Partners may purchase a six-year tail prepaid policy covering liabilities arising from facts or events that occurred on or prior to the closing date (including acts and omissions occurring in connection with the approval of the unit purchase agreement and the transactions contemplated thereby) on terms and conditions no less advantageous to the insured than the directors' and officers' insurance; provided, that in no event shall Star Gas Partners be required to expend in excess of the current annual premiums.

Covenants Regarding Exclusivity

We have agreed that we will not, and will use reasonable efforts to insure that our affiliates and representatives do not, directly or indirectly, solicit any offer from, initiate or engage in any discussions or negotiations with, or provide any information other than publicly available information to, any person concerning any acquisition proposal. In addition, subject to the other provisions described below, we have agreed that we will not engage in any communications whatsoever, directly or indirectly, with any party that initiates discussions regarding a potential acquisition proposal except for communications that are wholly unrelated to such a potential acquisition proposal or to notify such party that it will not engage in any communications at such time.

Table of Contents

Acquisition proposal means (i) any proposal to commence or conduct a tender or exchange offer involving Star Gas Partners or one or more of the partnership entities, (ii) any proposal for a merger, consolidation or other business combination involving Star Gas Partners or one or more of the partnership entities, (iii) any proposal or offer to acquire in any manner a substantial equity interest in Star Gas Partners or one or more of the partnership entities, (iv) any proposal or offer to acquire in any manner a substantial portion of our business or the assets associated with our business, (v) any proposal or offer with respect to any recapitalization or restructuring (whether of equity or debt or a combination thereof) with respect to Star Gas Partners or one or more of the partnership entities, or (vi) any proposal or offer with respect to any other transaction similar to any of the foregoing with respect to Star Gas Partners or any of the partnership entities.

Notwithstanding the foregoing, nothing contained in the unit purchase agreement prohibits us from (x) in the event of an unsolicited acquisition proposal, requesting from the third party such information as may be reasonably necessary for the board of directors of Star Gas to inform itself as to the material terms of such acquisition proposal for the sole purpose of determining whether such acquisition proposal constitutes a superior proposal, (y) taking (and disclosing to our unitholders or partners) our position with respect to a tender or exchange offer by a third party pursuant to Rules 14d-9 and 14e-2 under the Exchange Act or (z) making such disclosure to our unitholders or partners as in the good-faith judgment of the board of directors of Star Gas, after receipt of advice from outside legal counsel, that such disclosure is advisable for the board of directors of Star Gas to comply with its fiduciary duties under applicable law.

Notwithstanding the foregoing, prior to the closing date, we may furnish information concerning our business or the assets associated with our business to any person pursuant to a confidentiality agreement with terms no less favorable to us or our affiliates than those contained in the confidentiality agreement with Kestrel and may negotiate and participate in discussions and negotiations with such person concerning an acquisition proposal if, but only if, (i) such acquisition proposal is reasonably likely to be consummated (taking into account the legal aspects of the proposal, the person making the acquisition proposal and approvals required in connection therewith), (ii) such person has on an unsolicited basis, and in the absence of any violation of the nonsolicitation provisions by us or our affiliates, submitted a bona fide, written proposal to us relating to any such transaction that the board of directors of Star Gas determines in good faith, after receiving advice from our financial advisors, may reasonably be expected to be more favorable to us or our unitholders or partners from a financial point of view than the transactions contemplated by the unit purchase agreement, and (iii) in the good faith opinion of the board of directors of Star Gas, after consultation with our outside legal counsel, providing such information or access or engaging in such discussions or negotiations is in the best interests of Star Gas Partners and its unitholders or partners and necessary in order for the board of directors of Star Gas to discharge its fiduciary duties to our unitholders or partners under applicable law (an acquisition proposal that satisfies clauses (i), (ii) and (iii) being referred to as a superior proposal).

Except as set forth above, neither the board of directors of Star Gas nor any committee thereof may (i) withdraw or modify, or propose to withdraw or modify, in a manner adverse to the transactions contemplated by the unit purchase agreement or to buyers, the approval or recommendation by the board of directors of Star Gas of the unit purchase agreement or the transactions contemplated by the unit purchase agreement, (ii) approve or recommend or propose to approve or recommend, any acquisition proposal or (iii) enter into any contract or other agreement with respect to any acquisition proposal. Notwithstanding the foregoing, prior to the closing, the board of directors of Star Gas may (subject to the terms of this and the following sentence) withdraw or modify its approval or recommendation of the unit purchase agreement or the transactions contemplated by the unit purchase agreement, approve or recommend a superior proposal, or enter into a contract or other agreement with respect to a superior proposal.

We may terminate the unit purchase agreement, and we or our affiliates may enter into an acquisition agreement with respect to a superior proposal, provided that, prior to any such termination we have provided certain required notice to the Kestrel entities and have paid the break-up fee and expense reimbursement payments described below under Termination; Break-up fee and Expense Reimbursement.

Table of Contents

Termination; Break up Fee

The unit purchase agreement may be terminated, and the transaction abandoned, at any time prior to the completion of the transaction, whether before or after approval of the restructuring by the Star Gas Partners unitholders:

by the mutual consent of Kestrel and Star Gas Partners;

by either Kestrel or Star Gas Partners:

if the other party materially breaches any of its representations, warranties and covenants and the breach is not cured or curable within the prescribed time;

if approval of Star Gas Partners unitholders is not obtained; or

upon the occurrence of a bankruptcy event with respect to Star Gas Partners or any of its subsidiaries;

by Kestrel if Star Gas Partners breaches any of its exclusivity obligations or if the senior lender or the non-consenting bondholders take steps to accelerate their existing indebtedness; and

by Star Gas Partners if it elects to accept a superior proposal.

Furthermore, the unit purchase agreement may be terminated by Star Gas Partners or Kestrel if the transaction is not completed on or before April 30, 2006.

The unit purchase agreement provides that, in addition to the fees and expenses which Star Gas Partners is obligated to reimburse Kestrel (described below), Star Gas Partners shall pay Kestrel a break-up fee of \$4,000,000 in the event:

the unit purchase agreement is terminated by Star Gas Partners in order to accept a superior proposal or by Kestrel upon a breach by us of our exclusivity obligations;

the unit purchase agreement is terminated for any reason, other than by Star Gas Partners by reason of or resulting from any breach by Kestrel of any of its representations, warranties, covenants, or agreements contained in the unit purchase agreement, and at the time of such termination a superior proposal existed; or

(x) the unit purchase agreement is terminated for any reason, other than by Star Gas Partners by reason of or resulting from any breach by Kestrel of any of its representations, warranties, covenants, or agreements contained in the unit purchase agreement, (y) an acquisition proposal existed at any time during the term of the unit purchase agreement and (z) prior to the twelve-month anniversary of such termination, Star Gas Partners or any of its affiliates consummates an acquisition proposal that is from a financial point of

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

view to the holders of the common units equal to or superior to the transactions contemplated by the unit purchase agreement and such acquisition proposal resulted, directly or indirectly, from any communication with respect to such acquisition proposal which occurred either during the term of the unit purchase agreement or within six months following the termination of the unit purchase agreement. If Kestrel terminates the purchase agreement and one or more of the noteholders who have entered into lockup agreements with Star Gas Partners (as long as such noteholders have not interfered with the transaction with Kestrel and are not otherwise in breach of such lockup agreements) consummates an acquisition proposal pursuant to the terms of the lock-up agreements, then Kestrel will be entitled only to expenses, and not to the break-up fee.

If the parties disagree as to whether the consummated acquisition proposal is, from the financial point of view of the holders of common units, equal to or superior to the transactions contemplated by the unit purchase agreement for purposes of triggering the payment of the termination fee, Star Gas Partners and Kestrel shall jointly engage and equally share the expense of a mutually agreeable nationally recognized investment banking firm within 30 days of the date of the consummation of the acquisition proposal to make such determination and

Table of Contents

the decision of such investment banking firm shall be binding upon all parties. Except for claims for indemnification pursuant to the provisions discussed above or circumstances involving fraud, any amount payable as set forth above shall, when paid, be the sole and exclusive remedy of Kestrel and shall be in lieu of all remedies at law or equity of the Kestrel parties.

Expense Reimbursement

Star Gas Partners will bear all of its own expenses incurred for the unit purchase agreement and the transactions contemplated therein. Star Gas Partners shall also reimburse the Kestrel entities for all out-of-pocket expenses reasonably incurred by them in connection with the proposed transaction including, without limitation, the fees and expenses of Kestrel's legal counsel and all third party consultants engaged by the Kestrel entities to assist in the transaction, subject to the requirement that any such third party consultants other than accountants or environmental consultants, shall be subject to the approval of Star Gas Partners, which approval will not be unreasonably withheld. Such reimbursements to the Kestrel entities shall be due at the closing, or promptly following any earlier termination of the unit purchase agreement by any of the parties for any reason, other than a termination by Star Gas Partners as a result of Kestrel's breach of its obligations or if Kestrel's representations and warranties should fail to be accurate in all material respects; provided, that in the event of such earlier termination, the amount of expense reimbursement shall be limited to between \$350,000 and \$500,000 depending on the reason for such termination. The \$350,000 reimbursement would be payable due to a termination for the failure of the limited partners of Star Gas Partners to adopt the matters in this proxy statement necessary for the completion of the transaction, while the \$500,000 reimbursement would be payable due to a termination for any other reason other than a breach by Kestrel.

Equity Maintenance Agreement

Yorktown, Kestrel's principal investor, has entered into an equity maintenance agreement with the Kestrel entities pursuant to which Yorktown has agreed to provide Kestrel with sufficient funds to permit the Kestrel entities to purchase the common units that they have agreed to purchase under the unit purchase agreement. Star Gas Partners is a third party beneficiary of this agreement.

Registration Rights

If Kestrel Heat replaces Star Gas as general partner of Star Gas Partners, Kestrel Heat and M2 will have three demand and unlimited piggyback registration rights by virtue of the provisions in the amended and restated agreement of limited partnership, including our partnership agreement as currently in effect.

Table of Contents

AMENDMENTS TO THE PARTNERSHIP AGREEMENT

The following is a summary of the material amendments to the current Star Gas Partners amended and restated agreement of limited partnership to be voted upon by the Star Gas Partners unitholders, which is qualified in its entirety by reference to the full text of the proposed Star Gas Partners second amended and restated agreement of limited partnership attached as Annex B. Annex B shows the portions of the existing Star Gas Partners amended and restated agreement of limited partnership that will be deleted or changed and provisions that will be added if the transaction is completed.

Introduction; Vote Required by Unitholders in Order to Amend the Partnership Agreement

Star Gas, the current general partner, proposes the adoption of the amendments described below to the Star Gas Partners amended and restated agreement of limited partnership. This amendment proposal must receive the approval of the holders of a unit majority. The enclosed proxy affords unitholders an opportunity to separately vote for or against the amendment proposal by marking the appropriate box on their proxy card. **However, the other proposals relating to the recapitalization proposal will not be effected unless the amendments are adopted.**

The following are the principal amendments proposed to be adopted in the recapitalization. Please read this section in connection with Comparison of the Star Gas Partnership Agreement Before and After the Recapitalization and Cash Distribution Policy, as those sections will provide more detail about the second amended and restated partnership agreement that will be in effect after the recapitalization.

Conversion of Senior Subordinated Units and Junior Subordinated Units into Common Units. The proposed amendments will provide for the mandatory conversion of each outstanding senior subordinated unit and each junior subordinated unit into one common unit, as a result of which the subordination period will end. Collectively, 3,391,982 senior subordinated units and 345,364 junior subordinated units will convert into 3,737,346 common units. The termination of the subordination period will have the following effects:

There will no longer be senior subordinated units or junior subordinated units whose distributions are subordinated to the common units. The converted common units will share pro rata with all distributions on the existing common units.

The cumulative accrued and unpaid arrearages in payment of the minimum quarterly distribution on the common units as of the effective date of the recapitalization will be eliminated. Under our partnership agreement as currently in effect, no distributions of available cash from operating surplus may be made on the senior subordinated units, junior subordinated units and general partner units, including incentive distributions, until all arrearages on the common units have been paid. As of November 30, 2005, the amount of accrued and unpaid arrearages on the common units was \$92.5 million. Assuming that the number of outstanding common units remained at 32,165,528 and that we did not distribute any available cash from operating surplus, these arrearages would increase by \$18.5 million per quarter. If the recapitalization is not consummated, it is unlikely that regular distributions on the common units would be resumed in the foreseeable future and it is considerably less likely that regular distributions would ever resume on the senior subordinated units because of their subordination terms.

Our partnership agreement currently requires a unitholder vote during the subordination period for us to issue units senior to the common units or in excess of 5,500,000 additional common units except in connection with accretive acquisitions or capital improvements or in certain other circumstance. The amendment proposal would eliminate all restrictions on our ability to issue additional partnership units.

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

Reduction of the Minimum Quarterly Distribution. The proposed amendments will reduce the minimum quarterly distribution on the common units from \$0.575 per unit per quarter, or \$2.30 per year, to \$0.0 per unit through September 30, 2008 and to \$0.0675 per unit, or \$0.27 per year, thereafter. We believe that this amendment will more closely align the minimum quarterly distribution with the levels of available cash that we expect to generate in the future.

Table of Contents

Reduction of Incentive Distribution Levels. The proposed amendments will reduce the target distribution levels for the incentive distribution rights so that, commencing with the quarter beginning October 1, 2008, or, if we elect to commence making distributions sooner, the quarter in which any distribution of available cash is made, the new general partner units in the aggregate will be entitled to receive 10% of the cash distribution in a quarter once each common unit and general partner unit has received \$.0675 for that quarter, plus any arrearages on the common units from prior quarters, and 20% of the cash distributions in a quarter once each common unit and general partner unit has received \$.1125 for that quarter, plus any arrearages on common units from prior quarters. Under the partnership agreement as currently in effect, the senior subordinated units, junior subordinated units and general partner units are not entitled to receive incentive distributions until \$.604 has been distributed on each common unit for a quarter, plus any arrearages on the common units for prior quarters.

Suspension of Mandatory Distribution of Available Cash. We suspended distributions on our senior subordinated units, junior subordinated units and general partner units on July 29, 2004 and on our common units on October 18, 2004. The proposed amendments will provide that we are not required to distribute available cash through the quarter ending September 30, 2008. We do not intend to make distributions of available cash during this period, even if we have available cash to distribute.

Amendment to Distributions Upon Liquidation. The proposed amendments will modify the manner in which net income, net loss, net termination gain and net termination loss are allocated among the unitholders. The allocation provisions will be modified to be consistent with the reduction of the incentive distribution levels. The amendments in the allocation provisions will affect the balances in the unitholders' capital accounts. Consequently, the amendments will affect the amount of distributions that the unitholders will receive upon liquidation.

Reduction of Initial Unit Price. The initial unit price will be reduced from \$22.00 to \$2.00, which means that distributions of available cash from capital surplus will be made 100% on all units, pro rata, until each common unit outstanding on the closing date of the recapitalization has received available cash from capital surplus of \$2.00 per unit, plus any unpaid arrearages in payment of the minimum quarterly distribution on the common units, at which time the general partner units will be entitled to receive incentive distributions on further distributions of available cash from capital surplus. The effect of this change is to substantially reduce the amount of the distributions from capital surplus to be made to holders of the common units before the general partner units will receive 20% of distributions of capital surplus.

Amendment to the Definition of Operating Surplus. The definition of operating surplus will be amended to (1) change the operating surplus basket from \$20,340,600 to \$22,000,000, (2) reset the measurement date for cash on hand to be included in operating surplus from the closing date of our initial public offering to the closing date of the recapitalization and (3) reset the measurement date for calculating operating surplus from the closing date of our initial public offering to the closing date of the recapitalization. The cumulative operating surplus through September 30, 2005, including cash on hand as of the closing date of the initial public offering and the operating surplus basket, is a negative \$120.5 million, meaning that without this change, we would have to generate over \$120.5 million in positive operating surplus before we would be able to make any payments toward the minimum quarterly distribution on the common units.

Change to the Definition of Operating Expenditure. Clarifies that non-pro rata purchases of common units, other than those made with the proceeds of interim capital transactions, are operating expenditures that reduce available cash from operating surplus.

Changes to the Audit Committee. Our partnership agreement currently provides that the audit committee of the general partner shall, if requested by the general partner, approve transactions that involve potential conflicts of interest between the general partner and its affiliates, on one hand, and the partnership, any partner or

Table of Contents

any assignee, on the other hand. If such a transaction is approved by the audit committee, it is deemed fair and reasonable to the partnership. The amendment proposal would provide for a conflicts committee comprised of independent directors to assume this role in place of the audit committee and would tighten the independence requirements for membership on the committee.

Changes to Tax Provisions. Because taxable income and loss are allocated among the unitholders in a manner consistent with the manner in which distributions are made, the amendments to the distribution provisions disclosed above will require corresponding modifications in the allocation of taxable income and loss among the unitholders. In addition, the proposed amendments will require an interim closing of our books for federal income tax purposes in 2006 on the effective date of the recapitalization. In 2006, tax items incurred on or before the effective date will be allocated among the unitholders based upon their percentage interest in Star Gas Partners prior to the effective date, and tax items incurred after the effective date will be allocated among the unitholders based upon their percentage interest following the effective date.

Conforming Changes. Additional changes will be required to conform our current partnership agreement to the amendments and to facilitate the restructuring proposal. It is the good faith opinion of Star Gas that the conforming changes do not adversely affect the unitholders in any material respect. Thus, under the current partnership agreement, Star Gas may make any or all conforming changes without the consent of the unitholders.

There are currently 3,391,982 senior subordinated units and 345,364 junior subordinated units outstanding. The subordination period will end and these units will convert into common units on a one-for-one basis on the first day of any quarter that each of the following tests are met:

distributions of available cash from operating surplus on all units equaled or exceeded the minimum quarterly distribution with respect to each of the three non-overlapping four-quarter periods immediately preceding that date;

After Recapitalization

Subordination Period

Because all senior subordinated units and junior subordinated units will convert into common units, the subordination period will end. All outstanding limited partner units will be common units.

the adjusted operating surplus generated during each of the three immediately preceding non-overlapping four-quarter periods equaled or exceeded the sum of the minimum quarterly distribution on all units on a fully diluted basis; and

there are no arrearages in payment of the minimum quarterly distribution on the common units.

Upon the expiration of the subordination period, each senior subordinated unit and junior subordinated unit shall convert into one class B common unit and each common unit will be redesignated as a class A common unit. The main difference between the class A common units and the class B common units is that the class B common units will continue to have the right to receive incentive distributions.

Based on current conditions, we do not expect the subordination period to end in the foreseeable future, since we have not been generating sufficient operating surplus to pay the minimum quarterly distribution and as of November 30, 2005 there were \$92.5 million in arrearages on the common units and we are not currently making any distributions on our units.

DESCRIPTION OF DEBT AMENDMENTS

Amendment to Revolving Credit Facility

On November 3, 2005, our heating oil segment entered into an amendment to its revolving credit facility that increased the borrowing limits by \$50 million to \$310 million (subject to certain borrowing base limitations and coverage ratios) for the peak winter months of December through March.

In addition, it is a condition of closing of the unit purchase agreement that we obtain the agreement of the lenders that the appointment of Kestrel Heat as our new general partner shall not constitute a change of control.

Senior Note Consent Solicitation and Tender Offer

Effective as of December 5, 2005, we entered into agreements with an unaffiliated group of investors who hold approximately 94% of the principal amount of our outstanding 10.25% senior notes due 2013 (the consenting noteholders). The obligations of the consenting noteholders under the agreements are contingent upon the continued effectiveness of, and closing of the transactions contemplated by, the Kestrel unit purchase agreement.

The agreements with the consenting noteholders provide that:

- (a) The consenting noteholders commit to and will tender their senior notes at par in exchange for (i) a pro rata portion of \$60 million or, at Star Gas Partners' option, up to approximately \$73.1 million in cash (less any principal, interest and premium payments required to be offered to non-tendering noteholders pursuant to the change-in-control offer required to be made under the indenture for the senior notes), (ii) 13,433,962 (subject to adjustment based on rounding) newly issued common units at a conversion price of \$2.00 per unit (which new units would be acquired by exchanging approximately \$26.9 million senior notes), and (iii) new senior notes representing the remaining face amount of the tendered senior notes. The tender offer is conditioned upon closing of the transactions under the unit purchase agreement and receipt of valid tenders from holders of at least 93% of the outstanding senior notes.
- (b) The consenting noteholders will not, without the prior written consent of Star Gas Partners, sell, transfer, assign, pledge, grant an option on, grant proxies on, deposit with a voting trust, enter into a voting agreement with respect to or otherwise dispose of or encumber their senior notes, subject to the right to transfer notes to a person that becomes a signatory to the agreement.
- (c) The consenting noteholders will not short sell any equity securities of Star Gas Partners other than in connection with the recapitalization and will not take any action to oppose or interfere with the transactions contemplated by the unit purchase agreement, including the vote of unitholders contemplated by the unit purchase agreement.
- (d) The consenting noteholders have agreed not to:

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

- (i) take any action, and direct the trustee to take any action, to accelerate indebtedness due under the indenture for the senior notes; and
 - (ii) initiate, or have initiated on their behalf, any litigation or proceeding with respect to the senior notes, Star Gas Partners or any act or omission of Star Gas Partners prior to the closing of the transactions under the unit purchase agreement.
- (e) The consenting noteholders will:
- (i) forbear from exercising any rights or remedies in respect of any default, breach or claim under the indenture governing the existing senior notes (Indenture) resulting from the sale of Star Gas Partners propane business in December 2004, including Star Gas Partners use of such proceeds to purchase working capital inventory and Star Gas Partners determination that excess proceeds (as defined in the Indenture) shall not include any amounts invested in such inventory, the granting of liens or collateral to the lenders pursuant to the credit facility and to oppose any request or attempt to assert any default under the Indenture arising from the same;

Table of Contents

- (ii) not tender the senior notes held by such consenting noteholders in the change of control offer which will be required to be made following the closing of the transactions under the unit purchase agreement;
 - (iii) consent to the amendments to the amended indenture to which Star Gas Partners and the consenting noteholders agreed (which amended indenture will eliminate restrictive covenants);
 - (iv) approve the indenture for the new senior notes which will, among other things, provide a restricted payments basket of \$22 million, provide a basket for acquisitions of \$60 million and provide that proceeds of asset sales may not be invested in current assets for purposes of the asset sale covenant; and
 - (v) subject to the approval of the required consenting noteholders (2/3 of the principal amount of the outstanding senior notes), waive the right to object to confirmation of a plan of reorganization in the event that Star Gas Partners files a petition for protection under Chapter 11 and to support Star Gas Partners Chapter 11 plan.
- (f) Following the termination of the Kestrel unit purchase agreement (other than as a result of a failure to obtain a favorable unitholder vote or because the board of directors of Star Gas accepts a superior proposal), certain of the noteholders will have the right, at the option of such noteholders, to step into the Kestrel transaction and effect the Kestrel transaction with Star Gas Partners.

Certain of the noteholders agreements provide that the consenting noteholders retain the right to not exchange their notes for common units if a material adverse change occurs to Star Gas Partners prior to the exchange offer. In such event, the senior notes held by such consenting noteholders which would have been exchanged for common units would be subject to Star Gas Partners right, for the life of the notes, to call the notes at par.

The agreements with the consenting noteholders provide for the termination of its provisions in the event that the unit purchase agreement is no longer in effect, in the event that the unit purchase agreement has not closed by April 30, 2006, or in the event that the required consenting noteholders have consented to the commencement of Chapter 11 proceedings in accordance with Section 12(a) of the agreement, in which case the agreement will terminate 120 days after the filing for Chapter 11 protection, or such other date as the consenting noteholders agree.

Star Gas Partners has also entered into backstop agreements with two of the noteholders under which such noteholders each agreed to subscribe for 50% of the common units that are not subscribed for by other noteholders in connection with the exchange of approximately \$26.9 million in senior notes for 13,433,962 (subject to adjustment based on rounding) common units. Star Gas Partners has further agreed to enter into a registration rights agreement with noteholders who, upon consummation of the tender offer, own 10% or more of the then outstanding common units, or provide an opinion of counsel that no such registration is required for the sale of the new units.

We intend to commence the tender/exchange offer and consent solicitation for the senior notes promptly following the mailing of this proxy statement.

Following the closing of the recapitalization, we will be required to make an offer to repurchase the senior notes that are not tendered in the exchange offer at a purchase price equal to 101% of face value. The amount of any notes that we are required to offer to purchase will reduce on a dollar-for-dollar basis the amount of cash that we are obligated to pay to the consenting noteholders in the tender offer.

DESCRIPTION OF COMMON UNITS

The common units have been registered under the Exchange Act and we are subject to the reporting and certain other requirements of the Exchange Act. We are required to file periodic reports containing financial and other information with the SEC.

Purchasers of common units may hold their common units in nominee accounts, provided that the broker, or other nominee, executes and delivers a transfer application and becomes a limited partner. We will be entitled to treat the nominee holder of a common unit as the absolute owner of that unit, and the beneficial owner's rights will be limited solely to those that it has against the nominee holder.

The Rights of Unitholders

Generally, the common units represent limited partner interests, which entitle the holders of those units to participate in our distributions and exercise the rights or privileges available to limited partners under the partnership agreement. For a description of the relative rights and preferences of holders of common units in and to our distributions, see Cash Distribution Policy.

Transfer Agent and Registrar

We have retained LaSalle Bank National Association as registrar and transfer agent for the common units. The transfer agent receives a fee from us for serving in these capacities. All fees charged by the transfer agent for transfers of common units will be borne by us and not by the holders of common units, except that fees similar to those customarily paid by stockholders for surety bond premiums to replace lost or stolen certificates, taxes and other governmental charges, special charges for services requested by a holder of a common unit and other similar fees or charges will be borne by the unitholder. There will be no charge to holders for disbursements of cash distributions. We will indemnify the transfer agent, its agents and each of their shareholders, directors, officers and employees against all claims and losses that may arise out of acts performed or omitted for its activities as transfer agent, except for any liability due to any negligence, gross negligence, bad faith or intentional misconduct of the indemnified person or entity.

The transfer agent may resign, or be removed by us. If no successor is appointed within 30 days, the general partner may act as the transfer agent and registrar until a successor is appointed.

Obligations and Procedures for the Transfer of Units

Until a common unit has been transferred on our books, we and the transfer agent, notwithstanding any notice to the contrary, may treat the record holder as the absolute owner for all purposes, except as otherwise required by law or stock exchange regulations. Any transfers of a common unit will not be recorded by the transfer agent or recognized by us unless the transferee executes and delivers a transfer application. By executing and delivering a transfer application, the transferee of common units does the following:

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

becomes the record holder of those units and shall be constituted as an assignee until admitted into Star Gas Partners as a substituted limited partner;

automatically requests admission as a substituted limited partner in Star Gas Partners;

agrees to be bound by the terms and conditions of, and executes, the partnership agreement;

represents that the transferee has the capacity, power and authority to enter into the partnership agreement;

grants powers of attorney to the general partner and any liquidator of Star Gas Partners as specified in the partnership agreement; and

makes the consents and waivers contained in the partnership agreement.

Table of Contents

An assignee will become a substituted limited partner of Star Gas Partners for the transferred common units upon satisfaction of the following two conditions:

the consent of the general partner, which may be withheld for any reason in its sole discretion; and

the recording of the name of the assignee on the books and records of Star Gas Partners.

Common units are securities and are transferable according to the laws governing transfer of securities. In addition to other rights acquired upon transfer, the transferor gives the transferee the right to request admission as a substituted limited partner in Star Gas Partners for the transferred common units. A purchaser or transferee of common units who does not execute and deliver a transfer application obtains only the following rights:

the right to assign the common unit to a purchaser or other transferee; and

the right to transfer the right to seek admission as a substituted limited partner in Star Gas Partners for the transferred common units.

Thus, a purchaser or transferee of common units who does not execute and deliver a transfer application will not receive cash distributions, unless the common units are held in a nominee or street name account and the nominee or broker has executed and delivered a transfer application for those common units. In addition, such purchaser or transferee may not receive some federal income tax information or reports furnished to record holders of common units. The transferor of common units will have a duty to provide the transferee with all information that may be necessary to obtain registration of the transfer of the common units, but a transferee agrees, by acceptance of the certificate representing common units, that the transferor will not have a duty to insure the execution of the transfer application by the transferee and will have no liability or responsibility if the transferee neglects or fails to execute and forward the transfer application to the transfer agent.

Unit Purchase Rights

Each common unit and each other partnership security consisting of a unit of limited or general partnership interest includes a right to purchase from us a Class A common unit at an exercise price of \$80.00 per unit, subject to adjustment. The rights, which we refer to as the 2001 rights, are different than the rights that would be issued under the proposed rights offering that is discussed above. The 2001 rights are issued pursuant to a rights agreement dated as of April 17, 2001, as amended, between us and American Stock Transfer & Trust Company, as rights agent. We have summarized selected portions of the rights agreement and the 2001 rights below. For a complete description of the 2001 rights, we encourage you to read the summary below and the rights agreement, which we have filed as an exhibit to the Form 10-K.

Detachment of 2001 Rights; Exercisability

The 2001 rights are attached to all certificates representing our currently outstanding units and will attach to all unit certificates we issue prior to the distribution date. That date will occur, except in some cases, on the earlier of:

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

ten days following a public announcement that a person or group of affiliated or associated persons, who we refer to collectively as an acquiring person, has acquired, or obtained the right to acquire, beneficial ownership of 15% or more of either our outstanding common units or the aggregate of our outstanding senior subordinated units and junior subordinated units, or

ten business days following the start of a tender offer or exchange offer that would result in a person becoming an acquiring person.

Our general partner may defer the distribution date in some circumstances. Also, some inadvertent acquisitions of our units will not result in a person becoming an acquiring person if the person promptly divests itself of sufficient units.

Table of Contents

Until the distribution date:

unit certificates will evidence the 2001 rights,

the 2001 rights will be transferable only with those certificates,

new unit certificates will contain a notation incorporating the rights agreement by reference, and

the surrender for transfer of any unit certificate will also constitute the transfer of the 2001 rights associated with the units represented by the certificate.

The 2001 rights are not exercisable until the distribution date and will expire at the close of business on April 16, 2011, unless we redeem or exchange them at an earlier date as described below.

As soon as practicable after the distribution date, the rights agent will mail certificates representing the 2001 rights to holders of record of units as of the close of business on the distribution date. From that date on, only separate rights certificates will represent the 2001 rights. We will issue 2001 rights with all units issued prior to the distribution date. We will also issue 2001 rights with units issued after the distribution date in connection with some employee benefit plans or upon conversion of some securities. Except as otherwise determined by our board of directors, we will not issue 2001 rights with any other units issued after the distribution date.

Flip-In Event

A flip-in event will occur under the rights agreement when a person becomes an acquiring person otherwise than pursuant to a permitted offer. The rights agreement defines permitted offer as a tender or exchange offer for all outstanding units at a price and on terms that our general partner determines to be fair to and otherwise in the best interests of our unitholders.

If a flip-in event occurs, each 2001 right, other than any 2001 right that has become null and void as described below, will become exercisable to receive the number of common units, or in some specified circumstances, cash, property or other securities, which has a current per unit market price equal to two times the exercise price of the 2001 right. Please refer to the rights agreement for the definition of current per unit market price.

Flip-Over Event

A flip-over event will occur under the rights agreement when, at any time from and after the time a person becomes an acquiring person:

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

we are acquired or we acquire such person in a merger or other business combination transaction, other than specified mergers that follow a permitted offer, or

50% or more of our assets, cash flow or earning power is sold, leased or transferred.

If a flip-over event occurs, each holder of a 2001 right, except 2001 rights that are voided as described below, will thereafter have the right to receive, on exercise of the 2001 right, a number of common units or equivalent securities of the acquiring company that has a current market price equal to two times the exercise price of the 2001 right.

When a flip-in event or a flip-over event occurs, all 2001 rights that then are, or under the circumstances the rights agreement specifies previously were, beneficially owned by an acquiring person or specified related parties will become null and void in the circumstances the rights agreement specifies.

Common Units

After the distribution date and following the end of the subordination period, each 2001 right will entitle the holder to purchase common units.

Anti-dilution

The number of 2001 rights associated with a unit, the number of common units issuable upon exercise of a 2001 right and the exercise price of the 2001 right are subject to adjustment in the event of a unit distribution on, or a subdivision, combination or reclassification of, our common units occurring prior to the distribution date. The exercise price of the 2001 rights and the number of common units or other securities or property issuable on exercise of the 2001 rights are subject to adjustment from time to time to prevent dilution in the event of some specified transactions affecting the common units.

With some exceptions, we will not be required to adjust the exercise price of the 2001 rights until cumulative adjustments amount to at least 1% of the exercise price. The rights agreement also will not require us to issue fractional common units and, in lieu thereof, we will make a cash payment based on the market price of the common units.

Redemption of 2001 Rights

At any time until the time a person becomes an acquiring person, we may redeem the 2001 rights in, whole, but not in part, at a price of \$0.01 per right, payable, at our option, in cash, securities or such other consideration as our general partner may determine. Upon such redemption, the 2001 rights will terminate and the only right of the holders of 2001 rights will be to receive the \$0.01 redemption price.

Exchange of 2001 Rights

At any time after the occurrence of a flip-in event and prior to a person's becoming the beneficial owner of 50% or more of our outstanding units or the occurrence of a flip-over event, we may exchange the rights, other than rights owned by an acquiring person or an affiliate or an associate of an acquiring person, which will have become void, in whole or in part, at an exchange ratio of one Class A common unit, and/or other equity securities deemed to have the same value as one Class A common unit, per right, subject to adjustment.

Substitution

If we have an insufficient number of authorized but common units available to permit an exercise or exchange of 2001 rights upon the occurrence of a flip-in event, we may substitute other specified types of property for common units so long as the total value received by the holder of the 2001 rights is equivalent to the value of the common units that the unitholder would otherwise have received. We may substitute cash, property, equity securities or debt, reduce the exercise price of the 2001 rights or use any combination of the foregoing.

No Rights as a Unitholder; Taxes

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

Until a 2001 right is exercised, a holder of 2001 rights will have no rights to vote or receive distributions or any other rights as a holder of our units. Unitholders may, depending upon the circumstances, recognize taxable income in the event that the 2001 rights become exercisable for our common units, or other consideration, or for the common units or equivalent securities of the acquiring company or are exchanged as described above.

Amendment of Terms of 2001 Rights

Our general partner may amend any of the provisions of the rights agreement, other than some specified provisions relating to the principal economic terms of the 2001 rights and the expiration date of the 2001 rights, at any time prior to the time a person becomes an acquiring person. Thereafter, our general partner may only amend the rights agreement in order to cure any ambiguity, defect or inconsistency or to make changes that do not materially and adversely affect the interests of holders of the 2001 rights, excluding the interests of any acquiring person.

Table of Contents

Rights Agent

American Stock Transfer & Trust Company serves as rights agent with regard to the 2001 rights.

Antitakeover Effects

The 2001 rights will have anti-takeover effects. They will cause substantial dilution to any person or group that attempts to acquire us without the approval of our general partner. As a result, the overall effect of the 2001 rights may be to make more difficult or discourage any attempt to acquire us even if such acquisition may be favorable to the interests of our unitholders. Because our general partner can redeem the 2001 rights or approve a permitted offer, the 2001 rights should not interfere with a merger or other business combination approved by our general partner.

First Amendment to Rights Agreement

Effective as of December 2, 2005, we entered into an amendment to the rights agreement that provides that notwithstanding anything contained in the rights agreement to the contrary, Kestrel, Kestrel Heat, M2 and their affiliates or associates shall not become or be an acquiring person solely by virtue of either:

- (i) the execution, delivery and performance of either the unit purchase agreement or the ancillary documents (as defined in the unit purchase agreement); or
- (ii) the consummation of the transaction (as defined in the unit purchase agreement);

unless and until such time as any such person together with its respective affiliates and associates, is then the beneficial owner of 15% or more of the common units then outstanding (including, without limitation, by virtue of beneficial ownership referenced in clause (i) or (ii) above) and either (1) such person shall then purchase or otherwise become (as a result of actions taken by such person or its affiliates or associates) the beneficial owner of additional common units more than 1% of the common units then outstanding or otherwise than as permitted by the unit purchase agreement and ancillary documents or (2) any other person who is the beneficial owner of more than 1% of the common units then outstanding shall become an affiliate or associate of Kestrel, Kestrel Heat or M2.

Article 20 of Second Amended and Restated Agreement of Limited Partnership

Article 20 of the second amended and restated agreement of limited partnership, is substantially the same as Section 203 of the Delaware General Corporation Law.

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

Article 20 prohibits an interested holder, which is defined generally as a person or group owning 15% or more of the partnership's outstanding units, but excluding Kestrel Heat and any of its affiliates or associates, from engaging in a business combination with the partnership for three years following the date such person became an interested holder unless:

(i) Before such person or group became an interested holder, the general partner approved either the transaction in which the interested holder became an interested holder or the proposed business combination;

(ii) Upon consummation of the transaction that resulted in the interested holder becoming an interested holder, the interested holder owns at least 85% of the outstanding units at the time the transaction commenced (excluding units held by the general partner and its affiliates); or

(iii) Following the transaction in which such person or group became an interested holder, the business combination is approved by the general partner and authorized at a meeting of the unitholders by the affirmative vote of the holders of two-thirds of the outstanding units that are not owned by the interested holder.

CASH DISTRIBUTION POLICY

The following description gives effect to the adoption of the second amended and restated agreement of limited partnership. For information concerning our cash distribution policy under our partnership agreement, as currently in effect, see Amendments to the Partnership Agreement.

General Description of Cash Distribution

There will be no mandatory distributions of available cash by us through the fiscal quarter ending September 30, 2008. Thereafter, in general, we intend to distribute to our partners on a quarterly basis, all of our available cash, if any, in the manner described below. Available cash generally means, for any of our fiscal quarters, all cash on hand at the end of that quarter, less the amount of cash reserves that are necessary or appropriate in the reasonable discretion of the general partner to:

- (1) provide for the proper conduct of our business;
- (2) comply with applicable law, any of our debt instruments or other agreements; or
- (3) provide funds for distributions to the common unitholders during the next four quarters, in some circumstances.

Cash distributions will be characterized as distributions from either operating surplus or capital surplus. This distinction affects the amounts distributed among different classes of units. See Quarterly Distributions of Available Cash.

Operating surplus generally means:

- (1) \$22 million, plus all of our cash on the date of closing of the recapitalization, plus all of our cash receipts, excluding cash receipts that constitute capital surplus, that are generated after the closing of the recapitalization; less
- (2) all of our operating expenses, debt service payments, maintenance capital expenditures and reserves established for future operations and certain amounts expended to repurchase common units after the closing of the recapitalization.

Capital surplus is generally generated only by borrowings other than for working capital purposes, sales of debt and equity securities and sales or other dispositions of assets for cash, other than inventory, accounts receivable and other assets, all as disposed of in the ordinary course of business.

All available cash distributed from any source will be treated as distributed from operating surplus until the sum of all available cash distributed since the closing date of the recapitalization equals the operating surplus as of the end of the quarter before that distribution. This method of cash distribution avoids the difficulty of trying to determine whether available cash is distributed from operating surplus or capital surplus. Any excess available cash, irrespective of its source, will be deemed to be capital surplus and distributed accordingly.

If capital surplus is distributed on each common unit issued and outstanding on the date of closing of the recapitalization in an aggregate amount per unit equal to \$2.00 per common unit, the distinction between operating surplus and capital surplus will cease. All distributions after that date will be treated as from operating surplus. The general partner does not expect that there will be significant distributions from capital surplus.

Quarterly Distributions of Available Cash

Except for the limitations and prohibitions on distributions discussed below, commencing with the fiscal quarter ending December 31, 2008, we will make distributions to our partners for each of our fiscal quarters before liquidation in an amount equal to all of our available cash for that quarter. Distributions will be made approximately 45 days after each March 31, June 30, September 30 and December 31, to holders of record on the applicable record date.

Table of Contents

Distributions of Available Cash from Operating Surplus

Distributions of available cash from operating surplus will be made in the following manner:

- (1) First, 100% to all common units, pro rata, until there has been distributed to each common unit an amount equal to the minimum quarterly distribution of \$0.0675 for that quarter.
- (2) Second, 100% to all common units, pro rata, until there has been distributed to each common unit an amount equal to any arrearages in the payment of the minimum quarterly distribution for prior quarters.
- (3) Third, 100% to all general partner units, pro rata, until there has been distributed to each general partner unit an amount equal to the minimum quarterly distribution.
- (4) Fourth, 90% to all common units, pro rata, and 10% to all general partner units, pro rata, until each common unit has received the first target distribution of \$0.1125.
- (5) Thereafter, 80% to all common units, pro rata, and 20% to all general partner units, pro rata.

Distributions from Capital Surplus

Distributions of available cash from capital surplus will be made 100% on all units, pro rata, until each common unit that was issued and outstanding on the closing date of the recapitalization received distributions equal to \$2.00. This was the unit price paid by Kestrel and, thereafter, all distributions from capital surplus will be distributed as if they were from operating surplus.

When a distribution is made from capital surplus, it is treated as if it were a repayment of the \$2.00 unit price paid in the recapitalization. To reflect repayment, the minimum quarterly distribution and the first target distribution will be adjusted downward by multiplying each amount by a fraction. This fraction is determined as follows: the numerator is the unrecovered initial unit price immediately after giving effect to the repayment and the denominator is the unrecovered initial unit price immediately before the repayment. For example, based on the unrecovered initial unit price of \$2.00 per unit and assuming available cash from capital surplus of \$1.00 per unit is distributed on all common units outstanding on the closing date of the recapitalization, then the amount of the minimum quarterly distribution and the target distribution levels would each be reduced to 50% of its initial level.

A payback of the initial unit price from the recapitalization occurs when the unrecovered initial unit price is zero. At that time, the minimum quarterly distribution and the first target distribution levels each will have been reduced to zero. All distributions of available cash from all sources after that time will be treated as if they were from operating surplus. Because the minimum quarterly distribution and the first target

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

distribution level will have been reduced to zero, the holders of the general partner units will then be entitled to receive 20% of all distributions of available cash, after distributions for cumulative common unit arrearages.

Distributions from capital surplus will not reduce the minimum quarterly distribution or the first target distribution level for the quarter in which they are distributed.

Adjustment of Minimum Quarterly Distribution and First Target Distribution Level

In addition to adjustments made upon a distribution of available cash from capital surplus, the following will each be proportionately adjusted upward or downward, as appropriate, if any combination or subdivision of units should occur:

- (1) the minimum quarterly distribution;
- (2) the first target distribution;
- (3) the unrecovered initial unit price; and
- (4) other amounts calculated on a per unit basis.

Table of Contents

However, no adjustment will be made by reason of the issuance of additional units for cash or property. For example, if a two-for-one split of the common units should occur, the minimum quarterly distribution, the first target distribution and the unrecovered initial unit price would each be reduced to 50% of its initial level.

The minimum quarterly distribution and first target distribution may also be adjusted if legislation is enacted or if existing law is modified or interpreted in a manner that causes us to become taxable as a corporation or otherwise subject to taxation as an entity for federal, state or local income tax purposes. In this event, the minimum quarterly distribution and first target distribution for each quarter after that time would be reduced to amounts equal to the product of:

- (1) the minimum quarterly distribution or first target distribution; multiplied by
- (2) one minus the sum of:
 - (x) the highest marginal federal corporate income tax rate to which we are then subject as an entity; plus
 - (y) any increase in the effective overall state and local income tax rate to which we are subject as a result of the new imposition of the entity level tax, after taking into account the benefit of any deduction allowable for federal income tax purposes for the payment of state and local income taxes, but only to the extent of the increase in rates resulting from that legislation or interpretation.

For example, assuming we are not previously subject to state and local income tax, if we were to become taxable as an entity for federal income tax purposes and we became subject to a maximum marginal federal, and effective state and local, income tax rate of 38%, then the minimum quarterly distribution and the target distribution levels would each be reduced to 62% of the amount thereof immediately before the adjustment.

The minimum quarterly distribution and first target level distribution may also be adjusted in connection with the occurrence of certain events under our unit purchase rights agreement.

Distributions of Cash Upon Liquidation

Following the beginning of the dissolution and liquidation, assets will be sold or otherwise disposed of and the partners' capital account balances will be adjusted to reflect any resulting gain or loss. The proceeds of liquidation will first be applied to the payment of our creditors in the order of priority provided in the partnership agreement and by law and, thereafter, be distributed on the units in accordance with respective capital account balances, as so adjusted.

Partners are entitled to liquidation distributions in accordance with capital account balances. Although operating losses are allocated on all units pro rata, the allocations of gains attributable to liquidation are intended to favor the holders of outstanding common units over the holders of all

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

other outstanding units, to the extent of the unrecovered initial unit price plus any cumulative common unit arrearages. However, no assurance can be given that there will be sufficient gain upon liquidation of Star Gas Partners to enable the holders of common units to fully recover their unrecovered initial unit price and arrearages.

Any gain, or unrealized gain attributable to assets distributed in kind, will be allocated to the partners in the following manner:

First, to the partners that have negative balances in their capital accounts to the extent of and in proportion to those negative balances.

Second, 100% to all common units, until the capital account for each common unit is equal to the unrecovered initial unit price, plus the amount of the minimum quarterly distribution for the fiscal quarter during which the dissolution occurs, plus any then existing common unit arrearages

Third, 100% to all general partner units until the capital account for each general partner unit is equal to the unrecovered initial unit price, plus the amount of the minimum quarterly distribution for the fiscal quarter during which the dissolution occurs;

Table of Contents

Fourth, 90% to all common units, pro rata, and 10% to general partner units, pro rata, until there has been allocated under this clause an amount per common unit equal to (a) the excess of the first target distribution per common unit over the minimum quarterly distribution per common unit for each quarter of our existence, less (b) the amount per common unit of any distributions of available cash from operating surplus in excess of the minimum quarterly distribution but not in excess of the first target distribution for each quarter of our existence.

Thereafter, 80% to all units, pro rata, and 20% to all general partner units, pro rata.

Any loss or unrealized loss will be allocated to the general partner units and the common units, pro rata, in proportion to the positive balances in their capital accounts, until the positive balances in those capital accounts have been reduced to zero and thereafter to the general partner units.

Interim adjustments to capital accounts will be made at the time we issue additional interests or make distributions of property. These adjustments will be based on the fair market value of the interests issued or the property distributed and any gain or loss resulting from the adjustments will be allocated to the unitholders in the same manner as gain or loss is allocated upon liquidation.

Explanatory Notes:

(a) As a result of the recapitalization, cash decreases by \$30.9 million. The components of the change are as follows:

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

(in thousands)

<u>Net Change in Cash</u>	
Proceeds from the sale of 25,000 common units	\$ 50,000
10.25% senior notes repurchased	(73,132)
Costs associated with the transaction	(6,500)
Payment of accrued interest	(1,281)
Net decrease in cash	<u>\$ (30,913)</u>

Pursuant to the tender offer for the senior notes, we must exchange for cash at least \$60 million of the senior notes but not more than \$73.1 million. We intend to repurchase \$73.1 million of the senior notes, subject to cash availability at the time of closing. If we tender for \$60.0 million of the senior notes, cash will decrease by \$17.6 million.

Table of Contents

- (b) Represents the elimination of unamortized debt issuance costs relating to the senior notes. If we tender for \$60.0 million of senior notes, the write-off of unamortized debt issuance costs would be \$2.0 million.
- (c) Represents accrued interest on the retirement of \$100.0 million in senior notes, \$73.1 million for cash in the tender offer and \$26.9 million exchanged for equity. If we tender for \$60 million of senior notes, accrued interest would decline by \$1.1 million.
- (d) Represents the repurchase of \$73.1 million in senior notes, the exchange of \$26.9 million face value of senior notes into common units at \$2.00 per unit and a reduction in debt premium of \$0.9 million. If we tender for \$60 million of senior notes, long-term debt would decrease by \$87.7 million, including \$0.8 million in debt premiums.
- (e) As a result of the recapitalization, Partners' capital increases by \$68.9 million. The components of the change are as follows:

(in thousands)

Proceeds from the sale of common units	\$ 50,000
Exchange of debt for equity	26,868
Write-off of deferred charges	(2,313)
Unamortized debt premium	876
Transaction expenses	(6,500)
	<hr/>
Net increase in Partners' capital	\$ 68,931
	<hr/>

If we tender for \$60 million of senior notes, Partners' capital would increase by \$69.2 million as write-off of deferred charges would be less by \$0.3 million and write-off of the unamortized debt premium would be less by \$0.1 million.

As a result of the recapitalization, we will record a loss of \$1.4 million on the early extinguishment of debt, as the write-off of unamortized deferred charges of \$2.3 million is reduced by the write-off of unamortized debt premium of \$0.9 million. These pro forma financials assume that \$26.9 million of senior notes are converted into 13,433,962 common units at \$2.00 per unit. If the market price of our common units differs at the time of conversion, the loss on early extinguishment of debt will be adjusted. For example, if the market value of our common units is \$1.75 per unit, the loss will be reduced by \$3.4 million. Conversely, if the market value of our common units is \$2.25 per unit, the loss will be increased by \$3.4 million.

- (f) Reflects the reduction to interest expense of \$10.2 million due to the recapitalization and a reduction in the amortization of a net debt premium of \$0.1 million. If we tender for \$60 million of senior notes and exchange \$26.9 million of senior notes for equity, interest expense would decline by \$8.8 million.
- (g) Reflects the reduction to interest income of \$0.9 million from the use of cash to partially fund the repurchase of the senior notes. If we tender for \$60 million of senior notes and exchange \$26.9 million of senior notes for equity, interest income would decline by \$0.5 million.
- (h) Reflects the reduction to amortization of debt issuance costs of \$0.3 million relating to the repurchase and exchange of \$100.0 million in senior notes. If we tender for \$60 million of senior notes and exchange \$26.9 million of senior notes for equity, the reduction to amortization of debt issuance costs would be \$0.3 million.

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

Closing Price: The last sale price on a day, regular way, or in case no sale takes place on that day, the average of the closing bid and asked prices on that day, regular way. ARTICLE IX

SURVIVAL OF REPRESENTATIONS; INDEMNIFICATION

9.1 **Survival.** The representations and warranties of the parties hereto contained in Articles III and IV of this Agreement or in any certificate delivered pursuant to Section 6.1(i) or 7.1(m) hereof shall survive the Closing, respectively, regardless of any investigation made by or on behalf of any party, until the first anniversary of the Closing Date (the Survival Date). No action may be brought with respect to a breach of any representation and warranty after the Survival Date unless, prior to such time, the party seeking to bring such an action has notified the other parties of such claim, specifying in reasonable detail the nature of the loss suffered. The provisions of this Section 9.1 shall have no effect upon any of the covenants of the parties set forth in Article V or any of the other obligations of the parties hereto under the Agreement, whether to be performed later, at or after the Closing.

9.2 Indemnification by Partnership.

(a) The Partnership shall indemnify, defend, and hold harmless each of the Kestrel Entities, their respective Affiliates and each of their respective directors, officers, employees and agents (collectively, the Indemnified Parties) from and against any and all Indemnified Liabilities, REGARDLESS OF WHETHER SUCH INDEMNIFIED LIABILITIES ARE CAUSED BY THE NEGLIGENCE OF AN INDEMNIFIED PARTY; provided however, that the Partnership shall not be obligated to indemnify an Indemnified Party with respect to any Indemnified Liabilities to the extent it is ultimately determined by a final non-appealable judgment of a court of competent jurisdiction that such Indemnified Liabilities were caused by the gross negligence, willful misconduct or material breach of this Agreement of or by such Indemnified Party.

(b) At the written request of an Indemnified Party, the Expenses incurred by an Indemnified Party in connection with any Proceeding, other than as provided in subparagraph (c), shall be paid by the Partnership

as and when incurred by the Indemnified Party in advance of the final disposition of such Proceeding upon receipt by the Partnership of an undertaking by or on behalf of the Indemnified Party to repay promptly such amount to the extent that it is ultimately determined that the Indemnified Party is not entitled to be indemnified by the Partnership (a Repayment Undertaking). The request for advancement of Expenses by the Indemnified Party and the Repayment Undertaking need not be secured. Any advancement of Expenses shall be made no later than 20 days after receipt by the Partnership of the Repayment Undertaking from the Indemnified Party, and is required to be made notwithstanding any allegation by the Partnership or any other person that an Indemnified Party is not entitled to indemnification pursuant to the exception set forth in subparagraph (a) hereof.

(c) Notwithstanding any other provisions herein, the Partnership shall not be obligated hereunder to indemnify or advance Expenses to an Indemnified Party with respect to any Proceeding, or any claim therein, brought or made (i) by an Indemnified Party against the Partnership, other than a Proceeding, or a claim therein, made by an Indemnified Party in connection with successfully establishing or enforcing his right of indemnification or to receive advancement of Expenses, in whole or in part, hereunder or (ii) by the Partnership against Buyers pursuant to Section 9.3 hereof.

(i) Promptly after receipt by an Indemnified Party of notice of the commencement of any Proceeding against an Indemnified Party with respect to which an Indemnified Party demands indemnification or advancement of Expenses hereunder, such Indemnified Party shall promptly notify the Partnership in writing of the commencement thereof, provided that the failure to so notify the Partnership shall not relieve it from any liability that it may have to an Indemnified Party, except to the extent that such failure has materially prejudiced the Partnership's ability to provide a defense in the Proceeding. The Partnership shall have the right to assume the defense of any such Proceeding, but the Indemnified Parties collectively shall have the right, at the expense of the Partnership, to retain not more than one counsel of their choice to represent the Indemnified Parties in such Proceeding. The counsel for the Indemnified Parties may participate in, but not control, the defense of such Proceeding.

(ii) The indemnity provided for herein shall cover the amount of any settlements entered into by an Indemnified Party in connection with any claim for which an Indemnified Party may be indemnified hereunder; provided that, no settlement binding on an Indemnified Party may be made without the consent of a Kestrel Indemnified Party and the Partnership (which consent shall not be reasonably withheld).

(iii) Any indemnification hereunder shall be made no later than 45 days after receipt by the Partnership of the written request of the Indemnified Party.

(d) If an Indemnified Party is entitled under any provision hereof to indemnification or to receive advancement by the Partnership for some or a portion of the Expenses, judgments, fines or amounts paid in settlement actually and reasonably incurred by the Indemnified Party in the investigation, defense, appeal, settlement or other disposition of any proceeding but not, however, for the total amount thereof, the Partnership shall nevertheless indemnify the Indemnified Party for the portion thereof to which the Indemnified Party is entitled.

(e) In the event of the Partnership's payment to an Indemnified Party hereunder, the Partnership shall be subrogated to the extent of such payment to all the rights of recovery of the Indemnified Party, who shall execute all papers required and shall do everything that may be necessary to secure such rights, including without limitation the execution of such documents as may be necessary to enable the Partnership effectively to bring suit to enforce such rights.

(f) If any provision or provisions of this Section 9.2 shall be held to be invalid, illegal or unenforceable for any reason whatsoever, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby; and, to the fullest extent possible,

the provisions of this Section 9.2 shall be construed so as to give effect to the intent manifested by the provisions held invalid, illegal or unenforceable.

(g) In the absence of fraud, each Indemnified Party's sole and exclusive remedy with respect to any and all claims relating to the subject matter of this Agreement will be pursuant to the indemnification provisions set forth in this Article 11; provided, that nothing in this provision shall be deemed to limit the rights of any Indemnified Party to (1) be indemnified by any other party to this Agreement (as opposed to a third party) pursuant to the indemnification obligations in ARTICLE IX or (2) to receive the Termination Fee, expense reimbursement and injunctive relief as provided herein.

(h) In the absence of fraud, the Partnership will not be liable to an Indemnified Party for any punitive damages resulting from or arising out of this Agreement or the transactions contemplated by this Agreement.

(i) Notwithstanding any other provision of this Section 9.2, the obligations of the Partnership to indemnify the Indemnified Parties for Indemnified Liabilities shall: (i) not apply to any individual claim of less than \$50,000 (a Small Claim) until the aggregate of all Small Claims exceeds \$500,000 and then once the \$500,000 threshold is exceeded the Indemnified Parties shall be entitled to recovery from the first dollar of liability; and (ii) be limited to, and will not exceed, 25% of the aggregate Purchase Price.

9.3 Indemnification by Kestrel.

(a) Kestrel shall indemnify, defend, and hold harmless the Partnership from and against any and all claims, actions, causes of action, demands, assessments, losses, damages, liabilities, judgments, settlements, penalties, costs and Expenses of any nature whatsoever asserted against, resulting to, imposed upon, or incurred by the Partnership, directly or indirectly, by reason of or resulting from any breach by Kestrel of any of its representations, warranties, covenants, or agreements contained in this Agreement or in any certificate, instrument, or document delivered pursuant hereto regardless of whether discovered prior to or after the Closing and regardless of whether the Closing occurs.

(b) Promptly after receipt by the Partnership of notice of the commencement of any Proceeding against it with respect to which the Partnership demands indemnification hereunder, the Partnership shall promptly notify Kestrel in writing of the commencement thereof, provided that the failure to so notify Kestrel shall not relieve it from any liability that it may have to the Partnership, except to the extent that such failure has materially prejudiced Kestrel's ability to provide a defense in the Proceeding. Kestrel shall have the right to assume the defense of any such Proceeding, but the Partnership shall have the right, at the expense of Kestrel, to retain not more than one counsel of its choice to represent the Partnership in such Proceeding. The counsel for the Partnership may participate in, but not control, the defense of such Proceeding. The indemnity provided for herein shall cover the amount of any settlements entered into by the Partnership in connection with any claim for which the Partnership may be indemnified hereunder; provided that, no settlement binding on the Partnership may be made without the consent of the Partnership and Kestrel (which consent shall not be reasonably withheld). Any indemnification hereunder shall be made no later than 45 days after receipt by Kestrel of the written request of the Partnership.

(c) If the Partnership is entitled under any provision of this Section 9.3 to indemnification by Kestrel for some or a portion of the Expenses, judgments, fines or amounts paid in settlement actually and reasonably incurred by the Indemnified Party in the investigation, defense, appeal, settlement or other disposition of any proceeding but not, however, for the total amount thereof, Kestrel shall nevertheless indemnify the Partnership and/or the Partnership GP for the portion thereof to which the Partnership is entitled.

(d) In the event of Kestrel's payment to the Partnership hereunder, Kestrel shall be subrogated to the extent of such payment to all the rights of recovery of the Partnership, who shall execute all papers required and shall do everything that may be necessary to secure such rights, including without limitation the execution of such documents as may be necessary to enable Kestrel effectively to bring suit to enforce such rights.

(e) If any provision or provisions of this Section 9.3 shall be held to be invalid, illegal or unenforceable for any reason whatsoever, the validity, legality and enforceability of the remaining

provisions shall not in any way be affected or impaired thereby; and, to the fullest extent possible, the provisions of this Section 9.3 shall be construed so as to give effect to the intent manifested by the provisions held invalid, illegal or unenforceable.

(f) In the absence of fraud, the Partnership's sole and exclusive remedy with respect to any and all claims relating to the subject matter of this agreement will be pursuant to the indemnification provisions set forth in this Article IX; provided, that nothing in this provision shall be deemed to limit the rights of the Partnership to (1) be indemnified by any other party to this Agreement (as opposed to a third party) pursuant to the indemnification obligations in ARTICLE IX or (2) to receive injunctive relief as provided herein.

(g) In the absence of fraud, Kestrel will not be liable to the Partnership for any punitive damages resulting from or arising out of this Agreement or the transactions contemplated by this Agreement.

(h) Notwithstanding any other provision of this Section 9.3, the obligations of Kestrel to indemnify the Partnership for Indemnified Liabilities shall: (i) not apply to any Small Claim until the aggregate of all Small Claims exceeds \$500,000 and then once the \$500,000 threshold is exceeded the Partnership shall be entitled to recovery from the first dollar of liability; and (ii) be limited to, and will not exceed, 25% of the aggregate Purchase Price.

ARTICLE II

DEFINITIONS

The following definitions shall be for all purposes, unless otherwise clearly indicated to the contrary, applied to the terms used in this Agreement.

Acquisition means any transaction in which any Group Member acquires (through an asset acquisition, merger, stock acquisition or other form of investment) control over all or a portion of the assets, properties or business of another Person for the purpose of increasing the operating capacity of the Partnership Group from the operating capacity of the Partnership Group existing immediately prior to such transaction.

Additional Book Basis means the portion of any remaining Carrying Value of an Adjusted Property that is attributable to positive adjustments made to such Carrying Value as a result of Book-Up Events. For purposes of determining the extent to which Carrying Value constitutes Additional Book Basis:

(i) Any negative adjustment made to the Carrying Value of an Adjusted Property as a result of either a Book-Down Event or a Book-Up Event shall first be deemed to offset or decrease that portion of the Carrying Value of such Adjusted Property that is attributable to any prior positive adjustments made thereto pursuant to a Book-Up Event or Book-Down Event.

(ii) If Carrying Value that constitutes Additional Book Basis is reduced as a result of a Book-Down Event and the Carrying Value of other property is increased as a result of such Book-Down Event, an allocable portion of any such increase in Carrying Value shall be treated as Additional Book Basis; provided that the amount treated as Additional Book Basis pursuant hereto as a result of such Book-Down Event shall not exceed the amount by which the Aggregate Remaining Net Positive Adjustments after such Book-Down Event exceeds the remaining Additional Book Basis attributable to all of the Partnership's Adjusted Property after such Book-Down Event (determined without regard to the application of this clause (ii) to such Book-Down Event).

Additional Book Basis Derivative Items means any Book Basis Derivative Items that are computed with reference to Additional Book Basis. To the extent that the Additional Book Basis attributable to all of the Partnership's Adjusted Property as of the beginning of any taxable period exceeds the Aggregate Remaining Net Positive Adjustments as of the beginning of such period (the Excess Additional Book Basis), the Additional Book Basis Derivative Items for such period shall be reduced by the amount that bears the same ratio to the amount of Additional Book Basis Derivative Items determined without regard to this sentence as the Excess Additional Book Basis bears to the Additional Book Basis as of the beginning of such period.

reasonably expected to be made to such Partner in subsequent years in accordance with the terms of this Agreement or otherwise to the extent they exceed offsetting increases to such Partner's Capital Account that are reasonably expected to occur during (or prior to) the year in which such distributions are reasonably expected to be made (other than increases as a result of a minimum gain chargeback pursuant to Section 5.1(d)(i) or 5.1(d)(ii)). The foregoing definition of Adjusted Capital Account is intended to comply with the provisions of Treasury Regulation Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith. Notwithstanding the foregoing, Available Cash with respect to the Quarter in which the Liquidation Date occurs and any subsequent Quarter shall equal zero.

Book Basis Derivative Items means any item of income, deduction, gain, or loss included in the determination of Net Income, Net Loss, Net Termination Gain or Net Termination Loss that is computed with reference to the Carrying Value of an Adjusted Property (e.g., depreciation, depletion, or gain or loss with respect to an Adjusted Property).

Any restoration of such basis pursuant to Section 48(q)(2) of the Code shall, to the extent possible, be allocated in the same manner to the Partners to whom such deemed deduction was allocated.

(c) A transferee of a Partnership Interest shall succeed to a Pro Rata portion of the Capital Account of the transferor relating to the Partnership Interest so transferred.

(d) (i) Consistent with the provisions of Treasury Regulation Section 1.704-1(b)(2)(iv)(f), on an issuance of additional Units for cash or Contributed Property, the conversion of Senior Subordinated Units and Junior Subordinated Units to Common Units pursuant to Section 4.4(d) or the conversion of the General Partner's Combined Interest to Common Units pursuant to Section 13.3(b), the Capital Account of all Partners and the Carrying Value of each Partnership property immediately prior to such issuance shall be adjusted upward or downward to reflect any Unrealized Gain or Unrealized Loss attributable to such Partnership property, as if such Unrealized Gain or Unrealized Loss had been recognized on an actual sale of each such property immediately prior to such issuance and had been allocated to the Partners at such time pursuant to Section 5.1(c). In determining such Unrealized Gain or Unrealized Loss, the aggregate cash amount and fair market value of all Partnership assets (including, without limitation, cash or cash equivalents) immediately prior to the issuance of additional Units shall be determined by the General Partner using such reasonable method of valuation as it may adopt; *provided, however*, the General Partner, in arriving at such valuation, must take fully into account the fair market value of the Partnership Interests of all Partners at such time. The General Partner shall allocate such aggregate value among the assets of the Partnership (in such manner as it determines in its sole discretion to be reasonable) to arrive at a fair market value for individual properties.

(ii) In accordance with Treasury Regulation Section 1.704-1(b)(2)(iv)(f), immediately prior to any actual or deemed distribution to a Partner of any Partnership property (other than a distribution of cash that is not in redemption or retirement of a Partnership Interest), the Capital Accounts of all Partners and the Carrying Value of all Partnership property shall be adjusted upward or downward to reflect any Unrealized Gain or Unrealized Loss attributable to such Partnership property, as if such Unrealized Gain or Unrealized Loss had been recognized in a sale of such property immediately prior to such distribution for an amount equal to its fair market value, and had been allocated to the Partners, at such time, pursuant to Section 5.1(c). Any Unrealized Gain or Unrealized Loss attributable to such property shall be allocated in the same manner as Net Termination Gain or Net Termination Loss pursuant to Section 5.1(c); *provided, however*, that, in making any such allocation, Net Termination Gain or Net Termination Loss actually realized shall be allocated first. In determining such Unrealized Gain or Unrealized Loss the aggregate cash amount and fair market value of all Partnership assets (including, without limitation, cash or cash equivalents) immediately prior to a distribution shall (A) in the case of an actual distribution which is not made pursuant to Section 13.3 or 13.4 or (B) in the case of a liquidating distribution pursuant to Section 14.4, be determined and allocated by the Liquidator using such reasonable method of valuation as it may adopt.

Section 4.9 *Interest and Withdrawal.*

No interest shall be paid by the Partnership on Capital Contributions, and no Partner or Assignee shall be entitled to withdraw any part of its Capital Contributions or otherwise to receive any distribution from the Partnership, except as provided in Articles V, VII, XIII and XIV.

ARTICLE V

ALLOCATIONS AND DISTRIBUTIONS

Section 5.1 *Allocations for Capital Account Purposes.*

For purposes of maintaining the Capital Accounts and in determining the rights of the Partners among themselves, the Partnership's items of income, gain, loss and deduction (computed in accordance with Section 4.8(b)) shall be allocated among the Partners in each taxable year (or portion thereof) as provided hereinbelow.

(a) *Net Income.* After giving effect to the special allocations set forth in Section 5.1(d), Net Income for each taxable period and all items of income, gain, loss and deduction taken into account in computing Net Income for such taxable period shall be allocated as follows:

(i) First, 100% to the General Partner until the aggregate Net Income allocated to the General Partner pursuant to this Section 5.1(a)(i) for the current taxable year and all previous taxable years is equal to the aggregate Net Losses allocated to the General Partner pursuant to Section 5.1(b)(vi) for all previous taxable years;

(ii) Second, 100% to the General Partner and the Limited Partners, in accordance with their respective Percentage Interests, until the aggregate Net Income allocated to such Partners pursuant to this Section 5.1(a)(ii) for the current taxable year and all previous taxable years is equal to the aggregate Net Losses allocated to such Partners pursuant to Section 5.1(b)(v) for all previous taxable years; and

(iii) Third, 100% to Partners holding Common Units, Pro Rata, until the aggregate Net Income allocated to each Common Unit pursuant to this Section 5.1(a)(iii) for the current taxable year and all previous taxable years is equal to the aggregate Minimum Quarterly Distributions payable with respect to such Unit for the current taxable year and all previous taxable years;

(iv) Fourth, 100% to the Partners holding General Partner Units, Pro Rata, until the aggregate Net Income allocated to each General Partner Unit pursuant to this Section 5.1(a)(iv) for the current taxable year and all previous taxable years is equal to the aggregate Minimum Quarterly Distributions distributed to such Partners pursuant to Section 5.4(a)(iii) for the current taxable year and all previous taxable years;

(v) Fifth, 90% to the Partners holding Common Units, Pro Rata, and 10% to the Partners holding General Partner Units, Pro Rata, until the aggregate Net Income allocated to such Partners pursuant to this Section 5.1(a)(v) is equal to the aggregate amount distributed to such Partners pursuant to Section 5.4(iv);

(vi) Sixth, the balance, if any, 80% to the Partners holding Common Units, Pro Rata and 20% to the Partners holding General Partner Units, Pro Rata.

(b) *Net Losses.* After giving effect to the special allocations set forth in Section 5.1(d), Net Losses for each taxable period and all items of income, gain, loss and deduction taken into account in computing Net Losses for such taxable period shall be allocated as follows:

(i) First, 80% to the Partners holding Common Units, Pro Rata, and 20% to the Partners holding General Partner Units, Pro Rata, until the aggregate Net Losses allocated pursuant to this

Section 5.1(b)(i) for the current taxable year and all previous taxable years is equal to the aggregate Net Income allocated to such Partners pursuant to Section 5.1(a)(vi) for all previous taxable years;

(ii) Second, 90% to the Partners holding Common Units, Pro Rata, and 10% to the Partners holding General Partner Units, Pro Rata, until the aggregate Net Losses allocated pursuant to this Section 5.1(b)(ii) for the current taxable year and all previous taxable years is equal to the aggregate Net Income allocated to such Partners pursuant to Section 5.1(a)(v) for all previous taxable years;

(iii) Third 100% to the Partners holding General Partner Units, Pro Rata, until the aggregate Net Losses allocated pursuant to this Section 5.1(b)(iii) for the current taxable year and all previous taxable years is equal to the aggregate Net Income allocated to such Partners pursuant to Section 5.1(a)(iv) for all previous taxable years;

(iv) Fourth, 100% to the Partners holding Common Units, Pro Rata, until the aggregate Net Losses allocated pursuant to this Section 5.1(b)(iv) for the current taxable year and all previous taxable years is equal to the aggregate Net Income allocated to such Partners pursuant to Section 5.1(a)(iii) for all previous taxable years;

(v) Fifth, 100% to the General Partner and the Limited Partners in accordance with their respective Percentage Interests; provided, that Net Losses shall not be allocated pursuant to this Section 5.1(b)(v) to the extent that such allocation would cause any Limited Partner to have a deficit balance in its Adjusted Capital Account at the end of such taxable year (or increase any existing deficit balance in its Adjusted Capital Account); and

(vi) Sixth, the balance, if any, 100% to the General Partner.

(c) *Net Termination Gains and Losses.* After giving effect to the special allocations set forth in Section 5.1(d), all items of income gain, loss and deduction taken into account in computing Net Termination Gain or Net Termination Loss for such taxable period shall be allocated in the same manner as such Net Termination Gain or Net Termination Loss is allocated hereunder. All allocations under this Section 5.1(c) shall be made after Capital Account balances have been adjusted by all other allocations provided under this Section 5.1 and after all distributions of Available Cash provided under Section 5.4 have been made with respect to the taxable period ending on the date of the Partnership's liquidation pursuant to Section 14.4.

(i) If a Net Termination Gain is recognized (or deemed recognized pursuant to Section 4.8(d)) from Termination Capital Transactions, such Net Termination Gain shall be allocated among the General Partner and the Limited Partners in the following manner (and the Capital Accounts of the Partners shall be increased by the amount so allocated in each of the following subclauses, in the order listed, before an allocation is made pursuant to the next succeeding subclause):

(A) First, to each Partner having a deficit balance in its Capital Account, in the proportion that such deficit balance bears to the total deficit balances in the Capital Accounts of all Partners, until each such Partner has been allocated Net Termination Gain equal to any such deficit balance in its Capital Account;

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

(B) Second, 100% to all Partners holding Common Units, Pro Rata, until the Capital Account in respect of each Common Unit then Outstanding is equal to the sum of (1) its Unrecovered Initial Unit Price plus (2) the Minimum Quarterly Distribution for the Quarter during which such Net Termination Gain is recognized, reduced by any distribution pursuant to Sections 5.4(i) with respect to such Common Unit for such Quarter (the amount determined pursuant to this clause (2) is hereinafter defined as the Unpaid MQD) plus (3) any then existing Cumulative Common Unit Arrearage;

(C) Third, 100% to all Partners holding General Partner Units, Pro Rata, until the Capital Account in respect of each General Partner Unit then Outstanding is equal to the sum of (i) its Unrecovered Initial Unit Price plus (ii) the Minimum Quarterly Distribution for the Quarter during which such Net Termination Gain is recognized, reduced by any distribution pursuant to Section 5.4(iii) with respect to such General Partner Unit for such Quarter;

B1-26

(D) Fourth, 10% to all Partners holding General Partner Units, Pro Rata and 90% to all Partners holding Common Units, Pro Rata, until the Capital Account in respect of each Common Unit then Outstanding is equal to the sum of (1) its Unrecovered Initial Unit Price, plus (2) the Unpaid MQD, if any, for such Common Unit with respect to the Quarter during which such Net Termination Gain is recognized, plus (3) any then existing Cumulative Common Unit Arrearage, plus (4) the excess of (aa) the First Target Distribution less the Minimum Quarterly Distribution for each Quarter of the Partnership's existence over (bb) the amount of any distributions of Operating Surplus that was distributed pursuant to Sections 5.4(iv) (the sum of (1) plus (2) plus (3) plus (4) is hereinafter defined as the First Liquidation Target Amount);

(E) Finally, any remaining amount 20% to the Partners holding General Partner Units, Pro Rata, and 80% to all Partners holding Common Units, Pro Rata.

(ii) If a Net Termination Loss is recognized (or deemed recognized pursuant to Section 4.8(d)) from Termination Capital Transactions, such Net Termination Loss shall be allocated to the Partners in the following manner:

(A) First, 100% to all Partners holding Common Units, the Capital Account balances attributable to which are in excess of the Capital Account balances attributable to the remainder of the Common Units then Outstanding, Pro Rata, until the Capital Accounts in respect of each Common Unit then Outstanding are equal;

(B) Second, 100% to all Partners holding Common Units, Pro Rata, until the Capital Account in respect of each Common Unit then Outstanding has been reduced to zero; and

(C) Thereafter, the balance, if any, 100% to the General Partner.

(d) *Special Allocations.* Notwithstanding any other provision of this Section 5.1, the following special allocations shall be made for such taxable period:

(i) *Partnership Minimum Gain Chargeback.* Notwithstanding any other provision of this Section 5.1, if there is a net decrease in Partnership Minimum Gain during any Partnership taxable period, each Partner shall be allocated items of Partnership income and gain for such period (and, if necessary, subsequent periods) in the manner and amounts provided in Treasury Regulation Sections 1.704-2(f)(6), 1.704-2(g)(2) and 1.704-2(j)(2)(i), or any successor provision. For purposes of this Section 5.1(d), each Partner's Adjusted Capital Account balance shall be determined, and the allocation of income or gain required hereunder shall be effected, prior to the application of any other allocations pursuant to this Section 5.1(d) with respect to such taxable period (other than an allocation pursuant to Sections 5.1(d)(vi) and 5.1(d)(vii)). This Section 5.1(d)(i) is intended to comply with the Partnership Minimum Gain chargeback requirement in Treasury Regulation Section 1.704-2(f) and shall be interpreted consistently therewith.

(ii) *Chargeback of Partner Nonrecourse Debt Minimum Gain.* Notwithstanding the other provisions of this Section 5.1 (other than Section 5.1(d)(i)), except as provided in Treasury Regulation Section 1.704-2(i)(4), if there is a net decrease in Partner Nonrecourse Debt Minimum Gain during any Partnership taxable period, any Partner with a share of Partner Nonrecourse Debt Minimum Gain at the beginning of such taxable period shall be allocated items of Partnership income and gain for such period (and, if necessary, subsequent periods) in the manner and amounts provided in Treasury Regulation Sections 1.704-2(i)(4) and 1.704-2(j)(2)(ii), or any successor provisions. For purposes of this Section 5.1(d), each Partner's Adjusted Capital Account balance shall be determined, and the allocation of income or gain required hereunder

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

shall be effected, prior to the application of any other allocations pursuant to this Section 5.1(d), other than Section 5.1(d)(i) and other than an allocation pursuant to Sections 5.1(d)(vi) and 5.1(d)(vii), with respect to such taxable period. This Section 5.1(d)(ii) is intended to comply with the chargeback of items of income and gain requirement in Treasury Regulation Section 1.704-2(i)(4) and shall be interpreted consistently therewith.

(iii) *Priority Allocations.* If the amount of cash or the Net Agreed Value of any property distributed (except cash or property distributed pursuant to Section 14.4) to any Limited Partner with

B1-27

Table of Contents

respect to a taxable year is greater (on a per Unit basis) than the amount of cash or the Net Agreed Value of property distributed to the other Limited Partners (on a per Unit basis), then (1) each Limited Partner receiving such greater cash or property distribution shall be allocated gross income in an amount equal to the product of (aa) the amount by which the distribution (on a per Unit basis) to such Limited Partner exceeds the distribution (on a per Unit basis) to the Limited Partners receiving the smallest distribution and (bb) the number of Units owned by the Limited Partner receiving the greater distribution.

(iv) *Qualified Income Offset.* In the event any Partner unexpectedly receives any adjustments, allocations or distributions described in Treasury Regulation Sections 1.704-1(b)(2)(ii)(d)(4), 1.704-1(b)(2)(ii)(d)(5), or 1.704-1(b)(2)(ii)(d)(6), items of Partnership income and gain shall be specifically allocated to such Partner in an amount and manner sufficient to eliminate, to the extent required by the Treasury Regulations promulgated under Section 704(b) of the Code, the deficit balance, if any, in its Adjusted Capital Account created by such adjustments, allocations or distributions as quickly as possible unless such deficit balance is otherwise eliminated pursuant to Section 5.1(d)(i) or (ii).

(v) *Gross Income Allocations.* In the event any Partner has a deficit balance in its Capital Account at the end of any Partnership taxable period in excess of the sum of (A) the amount such Partner is required to restore pursuant to the provisions of this Agreement and (B) the amount such Partner is deemed obligated to restore pursuant to Treasury Regulation Sections 1.704-2(g) and 1.704-2(i)(5), such Partner shall be specially allocated items of Partnership gross income and gain in the amount of such excess as quickly as possible; provided, that an allocation pursuant to this Section 5.1(d)(v) shall be made only if and to the extent that such Partner would have a deficit balance in its Capital Account as adjusted after all other allocations provided for in this Section 5.1 have been tentatively made as if this Section 5.1(d)(v) were not in this Agreement.

(vi) *Nonrecourse Deductions.* Nonrecourse Deductions for any taxable period shall be allocated to the Partners in accordance with their respective Percentage Interests. If the General Partner determines in its good faith discretion that the Partnership's Nonrecourse Deductions must be allocated in a different ratio to satisfy the safe harbor requirements of the Treasury Regulations promulgated under Section 704(b) of the Code, the General Partner is authorized, upon notice to the Limited Partners, to revise the prescribed ratio to the numerically closest ratio that satisfies such requirements.

(vii) *Partner Nonrecourse Deductions.* Partner Nonrecourse Deductions for any taxable period shall be allocated 100% to the Partner that bears the Economic Risk of Loss with respect to the Partner Nonrecourse Debt to which such Partner Nonrecourse Deductions are attributable in accordance with Treasury Regulation Section 1.704-2(i). If more than one Partner bears the Economic Risk of Loss with respect to a Partner Nonrecourse Debt, such Partner Nonrecourse Deductions attributable thereto shall be allocated between or among such Partners in accordance with the ratios in which they share such Economic Risk of Loss.

(viii) *Nonrecourse Liabilities.* For purposes of Treasury Regulation Section 1.752-3(a)(3), the Partners agree that Nonrecourse Liabilities of the Partnership in excess of the sum of (A) the amount of Partnership Minimum Gain and (B) the total amount of Nonrecourse Built-in Gain shall be allocated among the Partners in accordance with their respective Percentage Interests.

(ix) *Code Section 754 Adjustments.* To the extent an adjustment to the adjusted tax basis of any Partnership asset pursuant to Section 734(b) or 743(b) of the Code is required, pursuant to Treasury Regulation Section 1.704-1(b)(2)(iv)(m), to be taken into account in determining Capital Accounts, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis), and such item of gain or loss shall be specially allocated to the Partners in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to such Section of the Treasury Regulations.

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

(x) *Economic Uniformity.* Upon the conversion of any Unit into another class after application of Section 4.4(d), items of gross income and gain or items of deduction or loss shall be allocated to the holder of such Unit until the Capital Account of such Unit is the same as the Capital Account per Unit of all other Units of the same class.

B1-28

(xi) *Curative Allocation.*

(A) Notwithstanding any other provision of this Section 5.1, other than the Required Allocations, the Required Allocations shall be taken into account in making the Agreed Allocations so that, to the extent possible, the net amount of items of income, gain, loss and deduction allocated to each Partner pursuant to the Required Allocations and the Agreed Allocations, together, shall be equal to the net amount of such items that would have been allocated to each such Partner under the Agreed Allocations had the Required Allocations and the related Curative Allocation not otherwise been provided in this Section 5.1. Notwithstanding the preceding sentence, Required Allocations relating to (1) Nonrecourse Deductions shall not be taken into account except to the extent that there has been a decrease in Partnership Minimum Gain and (2) Partner Nonrecourse Deductions shall not be taken into account except to the extent that there has been a decrease in Partner Nonrecourse Debt Minimum Gain. Allocations pursuant to this Section 5.1(d)(xi)(A) shall only be made with respect to Required Allocations to the extent the General Partner reasonably determines that such allocations will otherwise be inconsistent with the economic agreement among the Partners. Further, allocations pursuant to this Section 5.1(d)(xi)(A) shall be deferred with respect to allocations pursuant to clauses (1) and (2) hereof to the extent the General Partner reasonably determines that such allocations are likely to be offset by subsequent Required Allocations.

(B) The General Partner shall have reasonable discretion, with respect to each taxable period, to (1) apply the provisions of Section 5.1(d)(xi)(A) in whatever order is most likely to minimize the economic distortions that might otherwise result from the Required Allocations, and (2) divide all allocations pursuant to Section 5.1(d)(xi)(A) among the Partners in a manner that is likely to minimize such economic distortions.

(xii) *Corrective Allocations.* In the event of any allocation of Additional Book Basis Derivative Items or any Book-Down Event, the following rules shall apply:

(A) In the case of any allocation of Additional Book Basis Derivative Items (other than an allocation of Unrealized Gain or Unrealized Loss under Section 4.8(d) hereof), the General Partner shall allocate additional items of gross income and gain to the Limited Partners or additional items of deduction and loss to the General Partner to the extent that the Additional Book Basis Derivative Items allocated to the Limited Partners exceeds their Share of those Additional Book Basis Derivative Items. For this purpose, the Limited Partners shall be treated as being allocated Additional Book Basis Derivative Items to the extent that such Additional Book Basis Derivative Items have reduced the amount of income that would otherwise have been allocated to the Limited Partners under the Partnership Agreement (e.g., Additional Book Basis Derivative Items taken into account in computing cost of goods sold would reduce the amount of book income otherwise available for allocation among the Partners). Any allocation made pursuant to this Section 5.1(d)(xii)(A) shall be made after all of the other Agreed Allocations have been made as if this Section 5.1(d)(xii) were not in the Partnership Agreement and, to the extent necessary, shall require the reallocation of items that have been allocated pursuant to such other Agreed Allocations.

(B) In the case of any negative adjustments to the Capital Accounts of the Partners resulting from a Book-Down Event, such negative adjustment (1) shall first be allocated between the General Partner and the Limited Partners in proportion to and to the extent of their Remaining Net Positive Adjustments and (2) any remaining negative adjustment shall be allocated pursuant to Section 5.1(c) hereof. The aggregate amount so allocated to the Limited Partners in respect of each class or series of Units shall be allocated among them ratably on a per Unit basis.

(C) In making the allocations required under this Section 5.1(d)(xii), the General Partner, in its sole discretion, may apply whatever conventions or other methodology it deems reasonable to satisfy the purpose of this Section 5.1(d)(xii).

Table of Contents

(xiii) *Depreciation.* Depreciation deductions of the Partnership for each period shall be allocated among the Partners in accordance with their relative Capital Account balances as they existed immediately after the most recent book adjustments pursuant to Section 4.8(d) of this Agreement that occurred prior to such period and without regard to allocations made after such adjustment.

Section 5.2 *Allocations for Tax Purposes.*

(a) Except as otherwise provided herein, for federal income tax purposes, each item of income, gain, loss and deduction shall be allocated among the Partners in the same manner as its correlative item of book income, gain, loss or deduction is allocated pursuant to Section 5.1.

(b) In an attempt to eliminate Book-Tax Disparities attributable to a Contributed Property or Adjusted Property, items of income, gain, loss, depreciation, amortization and cost recovery deductions shall be allocated for federal income tax purposes among the Partners as follows:

(i) (A) In the case of a Contributed Property, such items attributable thereto shall be allocated among the Partners in the manner provided under Section 704(c) of the Code that takes into account the variation between the Agreed Value of such property and its adjusted basis at the time of contribution; and (B) any item of Residual Gain or Residual Loss attributable to a Contributed Property shall be allocated among the Partners in the same manner as its correlative item of book gain or loss is allocated pursuant to Section 5.1.

(ii) (A) In the case of an Adjusted Property, such items shall (1) first, be allocated among the Partners in a manner consistent with the principles of Section 704(c) of the Code that takes into account the Unrealized Gain or Unrealized Loss attributable to such property and the allocations thereof pursuant to Section 4.8(d)(i) or (ii), and (2) second, in the event such property was originally a Contributed Property, be allocated among the Partners in a manner consistent with Section 5.2(b)(i)(A); and (B) any item of Residual Gain or Residual Loss attributable to an Adjusted Property shall be allocated among the Partners in the same manner as its correlative item of book gain or loss is allocated pursuant to Section 5.1.

(iii) The General Partner shall apply the principles of Treasury Regulation Section 1.704-3(d) to eliminate Book-Tax Disparities.

(c) For the proper administration of the Partnership and for the preservation of uniformity of the Units (or any class or classes thereof), the General Partner shall have sole discretion to (i) adopt such conventions as it deems appropriate in determining the amount of depreciation, amortization and cost recovery deductions; (ii) make special allocations for federal income tax purposes of income (including, without limitation, gross income) or deductions; and (iii) amend the provisions of this Agreement as appropriate (x) to reflect the proposal or promulgation of Treasury Regulations under Section 704(b) or Section 704(c) of the Code or (y) otherwise to preserve or achieve uniformity of the Units (or any class or classes thereof). The General Partner may adopt such conventions, make such allocations and make such amendments to this Agreement as provided in this Section 5.2(c) only if such conventions, allocations or amendments would not have a material adverse effect on the Partners, the holders of any class or classes of Units issued and Outstanding or the Partnership, and if such allocations are consistent with the principles of Section 704 of the Code.

(d) The General Partner in its sole discretion may determine to depreciate or amortize the portion of an adjustment under Section 743(b) of the Code attributable to unrealized appreciation in any Adjusted Property (to the extent of the unamortized Book-Tax Disparity) using a predetermined rate derived from the depreciation or amortization method and useful life applied to the Partnership's common basis of such property, despite the inconsistency of such approach with Treasury Regulation Section 1.167(c)-1(a)(6) or any successor regulations thereto. If

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

the General Partner determines that such reporting position cannot reasonably be taken, the General Partner may adopt depreciation and amortization conventions under which all purchasers acquiring Units in the same month would receive depreciation and amortization deductions,

B1-30

Table of Contents

based upon the same applicable rate as if they had purchased a direct interest in the Partnership's property. If the General Partner chooses not to utilize such aggregate method, the General Partner may use any other reasonable depreciation and amortization conventions to preserve the uniformity of the intrinsic tax characteristics of any Units that would not have a material adverse effect on the Limited Partners or the Record Holders of any class or classes of Units.

(e) Any gain allocated to the Partners upon the sale or other taxable disposition of any Partnership asset shall, to the extent possible, after taking into account other required allocations of gain pursuant to this Section 5.2, be characterized as Recapture Income in the same proportions and to the same extent as such Partners (or their predecessors in-interest) have been allocated any deductions directly or indirectly giving rise to the treatment of such gains as Recapture Income.

(f) All items of income, gain, loss, deduction and credit recognized by the Partnership for federal income tax purposes and allocated to the Partners in accordance with the provisions hereof shall be determined without regard to any election under Section 754 of the Code which may be made by the Partnership; *provided, however*, that such allocations, once made, shall be adjusted as necessary or appropriate to take into account those adjustments permitted or required by Sections 734 and 743 of the Code.

(g) Each item of Partnership income, gain, loss and deduction attributable to a transferred Partnership Interest shall, for federal income tax purposes, be determined on an annual basis and prorated on a monthly basis and shall be allocated to the Partners as of the opening of the New York Stock Exchange on the first Business Day of each month; *provided, however*, that gain or loss on a sale or other disposition of any assets of the Partnership other than in the ordinary course of business shall be allocated to the Partners as of the opening of the New York Stock Exchange on the first Business Day of the month in which such gain or loss is recognized for federal income tax purposes. The General Partner may revise, alter or otherwise modify such methods of allocation as it determines necessary, to the extent permitted or required by Section 706 of the Code and the regulations or rulings promulgated thereunder; *provided, further, however*, that for the Partnership's taxable year of 2006, each item of Partnership income, gain, loss deduction and credit shall be determined on the basis of an interim closing of the Partnership's books as of the close of business on the Effective Date and shall be allocated to the Partners by taking into account the Partners' varying interests during such taxable year in accordance with Section 706(d) of the Code.

(h) Allocations that would otherwise be made to a Limited Partner under the provisions of this Article V shall instead be made to the beneficial owner of Units held by a nominee in any case in which the nominee has furnished the identity of such owner to the Partnership in accordance with Section 6031(c) of the Code or any other method acceptable to the General Partner in its sole discretion.

Section 5.3 *Requirement and Characterization of Distributions.*

(a) There shall be no requirement for the Partnership to distribute Available Cash from the Effective Date through the Quarter ending September 30, 2008. If the General Partner determines in its discretion to distribute any Available Cash during such period, it shall cause such distribution to be made in accordance with this Article V to the Partners as of the Record Date selected by the General Partner in its reasonable discretion. Within 45 days after each Quarter beginning with the Quarter ending December 31, 2008, and amount equal to 100% of Available Cash with respect to such period or Quarter shall be distributed in accordance with this Article V by the Partnership to the Partners, as of the Record Date selected by the General Partner in its reasonable discretion. All amounts of Available Cash distributed by the Partnership on any date from any source shall be deemed to be Operating Surplus until the sum of all amounts of Available Cash theretofore distributed by the Partnership to Partners pursuant to Section 5.4 equals the Operating Surplus from the Effective Date through the close of the immediately preceding Quarter. Any remaining amounts of Available Cash distributed by the Partnership on such date shall, except as otherwise provided in Section 5.5, be deemed to be from Capital Surplus.

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

(b) Notwithstanding the definitions of Available Cash and Operating Surplus contained herein, disbursements made or cash reserves established after the end of any Quarter but on or before the date on which the Partnership makes its distribution of Available Cash in respect of such Quarter pursuant to Section 5.3(a) shall be deemed to have been made, established, increased or reduced for purposes of determining Available Cash and Operating Surplus, within such Quarter if the General Partner so

B1-31

determines. Notwithstanding the foregoing, in the event of the dissolution and liquidation of the Partnership, all proceeds of such liquidation shall be applied and distributed in accordance with, and subject to the terms and conditions of, Section 14.4.

(c) The General Partner may treat taxes paid by the Partnership on behalf of, or amounts withheld with respect to, all or less than all of the Partners, as a distribution of Available Cash to such Partners.

Section 5.4 *Distributions of Available Cash From Operating Surplus.*

Available Cash with respect to any Quarter that is deemed to be Operating Surplus pursuant to the provisions of Section 5.3 or 5.5 shall, subject to Section 5.3 and subject to Section 17-607 of the Delaware Act, be distributed as follows, except as otherwise required by Section 4.4(b) in respect of additional Partnership Securities issued pursuant thereto:

(i) First, 100% to the Common Units, Pro Rata, until there has been distributed in respect of each Common Unit then Outstanding an amount equal to the Minimum Quarterly Distribution;

(ii) Second, 100% to the Common Units, Pro Rata, until there has been distributed in respect of each Common Unit then Outstanding an amount equal to the Cumulative Common Unit Arrearage, if any, existing with respect to any prior Quarter;

(iii) Third, 100% to the General Partner Units, Pro Rata, until there has been distributed in respect of each General Partner Unit then Outstanding an amount equal to the Minimum Quarterly Distribution;

(iv) Fourth, (A) 90% to the Common Units, Pro Rata and (B) 10% to the General Partner Units, Pro Rata until there has been distributed in respect of each Common Unit then Outstanding an amount equal to the excess of the First Target Distribution over the Minimum Quarterly Distribution; and

(v) Thereafter, (A) 80% to the Common Units, Pro Rata and (B) 20% to the General Partner Units, Pro Rata;

provided, however, if the Minimum Quarterly Distribution and the First Target Distribution have been reduced to zero pursuant to the second sentence of Section 5.6(a), the distributions of Available Cash that is deemed to be Operating Surplus with respect to any Quarter will be made in accordance with Section 5.4(v).

Section 5.5 *Distributions of Cash from Capital Surplus.*

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

Available Cash that constitutes Capital Surplus shall, subject to Section 17-607 of the Delaware Act, be distributed, unless the provisions of Section 5.3 require otherwise, 100% to all Units, Pro Rata, until a hypothetical holder of a Common Unit on the Effective Date has received with respect to such Common Unit, during the period since the Effective Date through such date, distributions of Available Cash that are deemed to be Capital Surplus in an aggregate amount equal to the Initial Unit Price. Thereafter, all Available Cash shall be distributed as if it were Operating Surplus and shall be distributed in accordance with Section 5.4.

Section 5.6 *Adjustment of Minimum Quarterly Distribution and Target Distribution Levels.*

(a) The Minimum Quarterly Distribution and the First Target Distribution shall be proportionately adjusted in the event of any distribution, combination or subdivision (whether effected by a distribution payable in Units or otherwise) of Units or other Partnership Securities in accordance with Section 4.8. In the event of a distribution of Available Cash that is deemed to be from Capital Surplus, the Minimum Quarterly Distribution and First Target Distribution shall be adjusted proportionately downward to equal the product obtained by multiplying the otherwise applicable Minimum Quarterly Distribution and First Target Distribution as the case may be, by a fraction of which the numerator is the Unrecovered Initial Unit Price

of the Common Units immediately after giving effect to such distribution and of which the denominator is the Unrecovered Initial Unit Price of the Common Units immediately prior to giving effect to such distribution.

(b) The Minimum Quarterly Distribution and First Target Distribution shall also be subject to adjustment pursuant to Section 5.7 and 5.8.

Section 5.7 Entity-Level Taxation.

If legislation is enacted or the interpretation of existing language is modified by the relevant governmental authority which causes the Partnership to be treated as an association taxable as a corporation or otherwise subjects the Partnership to entity level-taxation for federal income tax purposes, the Minimum Quarterly Distribution, or First Target Distribution, as the case may be, shall be equal to the product obtained by multiplying (a) the amount thereof by (b) one minus the sum of (i) the highest marginal federal corporate (or other entity, as applicable) income tax rate of the Partnership for the taxable year of the Partnership in which such Quarter occurs (expressed as a percentage) plus (ii) the effective overall state and local income tax rate (expressed as a percentage) applicable to the Partnership for the calendar year next preceding the calendar year in which such Quarter occurs (after taking into account the benefit of any deduction allowable for federal income tax purposes with respect to the payment of state and local income taxes), but only to the extent of the increase in such rates resulting from such legislation or interpretation. Such effective overall state and local income tax rate shall be determined for the taxable year next preceding the first taxable year during which the Partnership is taxable for federal income tax purposes as an association taxable as a corporation or is otherwise subject to entity-level taxation by determining such rate as if the Partnership had been subject to such state and local taxes during such preceding taxable year.

Section 5.8 Special Provisions Relating to Adjustment of Minimum Quarterly Distribution and Target Level Distributions in Connection with Rights.

(a) Upon the date (the Trigger Date) of a Triggering Event (as defined in the Rights Agreement), the Minimum Quarterly Distribution and the First Target Distribution (collectively, the Distribution Levels) shall each automatically be adjusted so that the Distribution Levels thereafter shall equal the result obtained by multiplying the Distribution Levels in effect immediately prior to the date of a Triggering Event by the Distribution Ratio (defined below).

(b) The distribution ratio (the Distribution Ratio) shall equal a fraction the numerator of which shall be the number of Units outstanding on the Trigger Date, plus the number of Common Units or other Partnership Securities, as the case may be, that the aggregate exercise price of the Rights would purchase at the current market price as defined in the Rights Agreement for the Common Units on the Trigger Date and the denominator of which shall be the number of Units outstanding on the Trigger Date, plus the number of Common Units or other Partnership Securities, as the case may be, that would be issuable upon the exercise in full of the Rights; provided, however, that if the General Partner shall have exercised the option pursuant to Section 24 of the Rights Agreement to exchange all or a part of the then outstanding and exercisable Rights for Common Units or other Partnership Securities, as the case may be, then the Distribution Ratio shall be adjusted accordingly to reflect the number of Common Units or other Partnership Securities, as the case may be, that would be issuable in connection within such exchange.

Section 5.9 Special Provision Relating to Elimination of Cumulative Common Unit Arrearages.

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

Notwithstanding anything to the contrary contained herein, all Cumulative Common Unit Arrearages (as such term is defined in the First Amended and Restated Agreement) that have accrued through the date of this Agreement are hereby eliminated.

ARTICLE VI

MANAGEMENT AND OPERATION OF BUSINESS

Section 6.1 *Management.*

(a) The General Partner shall conduct, direct and manage all activities of the Partnership. Except as otherwise expressly provided in this Agreement, all management powers over the business and affairs of the Partnership shall be exclusively vested in the General Partner, and no Limited Partner or Assignee shall have any management power over the business and affairs of the Partnership. In addition to the powers now or hereafter granted a general partner of a limited partnership under applicable law or which are granted to the General Partner under any other provision of this Agreement, the General Partner, subject to Section 6.3, shall have full power and authority to do all things and on such terms as it, in its sole discretion, may deem necessary or appropriate to conduct the business of the Partnership, to exercise all powers set forth in Section 3.2 and to effectuate the purposes set forth in Section 3.1, including the following:

(i) the making of any expenditures, the lending or borrowing of money, the assumption or guarantee of, or other contracting for, indebtedness and other liabilities, the issuance of evidences of indebtedness and the incurring of any other obligations;

(ii) the making of tax, regulatory and other filings, or rendering of periodic or other reports to governmental or other agencies having jurisdiction over the business or assets of the Partnership;

(iii) the acquisition, disposition, mortgage, pledge, encumbrance, hypothecation or exchange of any or all of the assets of the Partnership or the merger or other combination of the Partnership with or into another Person (the matters described in this clause (iii) being subject, however, to any prior approval that may be required by Section 6.3) and Article XVI;

(iv) the use of the assets of the Partnership (including cash on hand) for any purpose consistent with the terms of this Agreement, including the financing of the conduct of the operations of the Partnership, the lending of funds to other Persons (including Group Members), the repayment of obligations of the Partnership;

(v) the negotiation, execution and performance of any contracts, conveyances or other instruments (including instruments that limit the liability of the Partnership under contractual arrangements to all or particular assets of the Partnership, with the other party to the contract to have no recourse against the General Partner or its assets other than its interest in the Partnership, even if same results in the terms of the transaction being less favorable to the Partnership than would otherwise be the case);

(vi) the distribution of Partnership cash;

(vii) the selection and dismissal of employees, (including employees having titles such as president, vice president, secretary and treasurer) and agents, outside attorneys, accountants, consultants and contractors and the determination of their compensation and other terms of employment or hiring;

(viii) the maintenance of such insurance for the benefit of the Partnership Group and the Partners as it deems necessary or appropriate;

(ix) the formation of, or acquisition of an interest in, and the contribution of property and the making of loans to, any further limited or general partnerships, joint ventures, corporations, limited liability companies, or other relationships;

(xi) the indemnification of any Person against liabilities and contingencies to the extent permitted by law;

(xii) the entering into of listing agreements with any National Securities Exchange and the delisting of some or all of the Units from, or requesting that trading be suspended on, any such exchange (subject to any prior approval that may be required under Section 1.6); and

(xiii) the purchase, sale or other acquisition or disposition of Units (subject to Section 6.12 and Section 17.1).

(b) Notwithstanding any other provision of this Agreement, the Delaware Act or any applicable law, rule or regulation, each of the Partners and Assignees and each other Person who may acquire an interest in Units hereby agrees that the execution, delivery or performance by the General Partner, any Group Member or any Affiliate of any of them, of this Agreement or any agreement authorized or permitted under this Agreement (including the exercise by the General Partner or any Affiliate of the General Partner of the rights accorded pursuant to Article XVII), shall not constitute a breach by the General Partner of any duty that the General Partner may owe the Partnership or the Limited Partners or the Assignees or any other Persons under this Agreement (or any other agreements) or of any duty stated or implied by law or equity.

Section 6.2 *Certificate of Limited Partnership.*

The General Partner has caused the Certificate of Limited Partnership to be filed with the Secretary of State of the State of Delaware as required by the Delaware Act and shall use all reasonable efforts to cause to be filed such other certificates or documents as may be determined by the General Partner in its sole discretion to be reasonable and necessary or appropriate for the formation, continuation, qualification and operation of a limited partnership (or a partnership in which the limited partners have limited liability) in the State of Delaware or any other state in which the Partnership may elect to do business or own property, including an amendment to reflect the admission of the Successor General Partner as a successor to the Withdrawing General Partner. To the extent that such action is determined by the General Partner in its sole discretion to be reasonable and necessary or appropriate, the General Partner shall file amendments to and restatements of the Certificate of Limited Partnership and do all things to maintain the Partnership as a limited partnership (or a partnership in which the limited partners have limited liability) under the laws of the State of Delaware or of any other state in which the Partnership may elect to do business or own property, including in connection with the transactions contemplated by the Transaction Agreement. Subject to the terms of Section 7.5(a), the General Partner shall not be required, before or after filing, to deliver or mail a copy of the Certificate of Limited Partnership, any qualification document or any amendment thereto to any Limited Partner or Assignee.

Section 6.3 *Restrictions on General Partner's Authority.*

(a) The General Partner may not, without written approval of the specific act by all of the Outstanding Units or by other written instrument executed and delivered by all of the Outstanding Units subsequent to the date of this Agreement, take any action in contravention of this Agreement, including, except as otherwise provided in this Agreement, (i) committing any act that would make it impossible to carry on the ordinary business of the Partnership; (ii) possessing Partnership property, or assigning any rights in specific Partnership property, for other than a Partnership purpose; (iii) admitting a Person as a Partner; (iv) amending this Agreement in any manner; or (v) transferring its interest as general partner of the Partnership.

(b) Except as provided in Articles XIV and XVI, the General Partner may not sell, exchange or otherwise dispose of all or substantially all of the Partnership's assets in a single transaction or a series of related transactions without the approval of holders of a Unit Majority; *provided,*

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

however, that this provision shall not preclude or limit the General Partner's ability to mortgage, pledge, hypothecate or grant a security interest in all or substantially all of the assets of the Partnership and shall not apply to any forced sale of any or all of the assets of the Partnership pursuant to the foreclosure of, or other realization upon, any such encumbrance.

Section 6.4 *Reimbursement of the General Partner.*

(a) Except as provided in this Section 6.4 and elsewhere in this Agreement, the General Partner shall not be compensated for its services as general partner of any Group Member.

(b) The General Partner shall be reimbursed on a monthly basis, or such other basis as the General Partner may determine in its sole discretion, for (i) all direct and indirect expenses it incurs or payments it makes on behalf of the Partnership (including salary, bonus, incentive compensation and other amounts paid to any Person to perform services for the Partnership, or for the General Partner in the discharge of its duties to the Partnership), and (ii) all other necessary or appropriate expenses allocable to the Partnership or otherwise reasonably incurred by the General Partner in connection with operating the Partnership's business (including expenses allocated to the General Partner by its Affiliates). The General Partner shall determine the expenses that are allocable to the Partnership in any reasonable manner determined by the General Partner in its sole discretion. Reimbursements pursuant to this Section 6.4 shall be in addition to any reimbursement to the General Partner as a result of indemnification pursuant to Section 6.7.

(c) The General Partner, in its sole discretion and without the approval of the Limited Partners (who shall have no right to vote in respect thereof), may propose, adopt and amend on behalf of the Partnership employee benefit plans, employee programs and employee practices (including plans, programs and practices involving the issuance of Units), or issue Partnership Securities pursuant to any employee benefit plan, employee program or employee practice maintained or sponsored by the General Partner or any of its Affiliates, in each case for the benefit of employees of the General Partner, any Group Member or any Affiliate, or any of them, in respect of services performed, directly or indirectly, for the benefit of the Partnership Group. The Partnership agrees to issue and sell to the General Partner or any of its Affiliates any Units or other Partnership Securities that the General Partner or such Affiliate is obligated to provide to any employees pursuant to any such employee benefit plans, employee programs or employee practices. Expenses incurred by the General Partner in connection with any such plans, programs and practices (including the net cost to the General Partner or such Affiliate of Units or other Partnership Securities purchased by the General Partner or such Affiliate from the Partnership to fulfill options or awards under such plans, programs and practices) shall be reimbursed in accordance with Section 6.4(b). Any and all obligations of the General Partner under any employee benefit plans, employee programs or employee practices (other than agreements with former employees and post-retirement benefits thereunder) adopted by the General Partner as permitted by this Section 6.4(c) shall constitute obligations of the General Partner hereunder and shall be assumed by any successor General Partner approved pursuant to Section 13.1 or 13.2 or the transferee of or successor to all of the General Partner's Partnership Interest (which is represented by the General Partner Units) as a general partner in the Partnership pursuant to Section 11.2.

Section 6.5 *Outside Activities.*

(a) After the Effective Date, the General Partner, for so long as it is the general partner of the Partnership, shall not engage in any business or activity or incur any debts or liabilities except in connection with or incidental to (i) its performance as general partner of one or more Group Members or (ii) the acquiring, owning or disposing of debt or equity securities in any Group Member.

(b) Except as restricted by Section 6.5(a) and the Non-competition Agreement, each Indemnitee (other than the General Partner) shall have the right to engage in businesses of every type and description and other activities for profit and to engage in and possess an interest in other business ventures of any and every type or description, whether in businesses engaged in or anticipated to be engaged in by any Group Member, independently or with others, including business interests and activities in direct competition with the business and activities of any Group Member, and none of the same shall constitute a breach of this Agreement or any duty to any Group Member or any Partner or Assignee. Neither any Group Member, any Limited Partner nor any other Person shall have any rights by virtue of this Agreement or the partnership relationship established hereby or thereby in any business ventures of any Indemnitee.

(c) Subject to Section 6.5(a) and the terms of the Non-competition Agreement, but otherwise notwithstanding anything to the contrary in this Agreement, (i) the engaging in competitive activities by any

Indemnitees (other than the General Partner) in accordance with the provisions of this Section 6.5 is hereby approved by the Partnership and all Partners and (ii) it shall be deemed not to be a breach of the General Partner's fiduciary duty or any other obligation of any type whatsoever of the General Partner for the Indemnitee (other than the General Partner) to engage in such business interests and activities in preference to or to the exclusion of the Partnership (including, without limitation, the General Partner and the Indemnitees shall have no obligation to present business opportunities to the Partnership).

(d) The General Partner and any of its Affiliates may acquire Units or other Partnership Securities and, except as otherwise provided in this Agreement, shall be entitled to exercise all rights of an Assignee or Limited Partner, as applicable, relating to such Units or Partnership Securities. The term Affiliates when used in Section 6.5(d) with respect to the General Partner shall not include any Group Member or any Subsidiary of the Group Member.

Section 6.6 *Loans from the General Partner: Contracts with Affiliates: Certain Restrictions on the General Partner.*

(a) The General Partner or any Affiliate thereof may lend to any Group Member, and any Group Member may borrow, funds needed or desired by the Group Member for such periods of time and in such amounts as the General Partner may determine; *provided, however*, that in any such case the lending party may not charge the borrowing party interest at a rate greater than the rate that would be charged the borrowing party or impose terms less favorable to the borrowing party than would be charged or imposed on the borrowing party by unrelated lenders on comparable loans made on an arms-length basis (without reference to the lending party's financial abilities or guarantees). The borrowing party shall reimburse the lending party for any costs (other than any additional interest costs) incurred by the lending party in connection with the borrowing of such funds. For purposes of this Section 6.6(a) and Section 6.6(b), the term Group Member shall include any Affiliate of the Group Member that is controlled by the Group Member. No Group Member may lend funds to the General Partner or any of its Affiliates.

(b) The Partnership may lend or contribute to any Group Member, and any Group Member may borrow, funds on terms and conditions established in the sole discretion of the General Partner; *provided, however*, that the Partnership may not charge the Group Member interest at a rate greater than the rate that would be charged to the Group Member (without reference to the General Partner's financial abilities or guarantees), by unrelated lenders on comparable loans. The foregoing authority shall be exercised by the General Partner in its sole discretion and shall not create any right or benefit in favor of any Group Member or any other Person.

(c) The General Partner may itself, or may enter into an agreement with any of its Affiliates to, render services to the Partnership or to the General Partner in the discharge of its duties as general partner of the Partnership. Any services rendered to the Partnership by the General Partner or any of its Affiliates shall be on terms that are fair and reasonable to the Partnership; *provided, however*, that the requirements of this Section 6.6(c) shall be deemed satisfied as to (i) any transaction approved by Special Approval, (ii) any transaction, the terms of which are no less favorable to the Partnership than those generally being provided to or available from unrelated third parties or (iii) any transaction that, taking into account the totality of the relationships between the parties involved (including other transactions that may be particularly favorable or advantageous to the Partnership), is equitable to the Partnership. The provisions of Section 6.4 shall apply to the rendering of services described in this Section 6.6(c).

(d) The Partnership may transfer assets to joint ventures, other partnerships, corporations, limited liability companies or other business entities in which it is or thereby becomes a participant upon such terms and subject to such conditions as are consistent with this Agreement and applicable law.

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

(e) Neither the General Partner nor any of its Affiliates shall sell, transfer or convey any property to, or purchase any property from, the Partnership, directly or indirectly, except pursuant to transactions that are fair and reasonable to the Partnership; *provided, however*, that the requirements of this Section 6.6(e) shall be deemed to be satisfied as to (i) any transactions described in or contemplated by the Proxy Statement,

B1-37

(ii) any transaction approved by Special Approval, (iii) any transaction, the terms of which are no less favorable to the Partnership than those generally being provided to or available from unrelated third parties, or (iv) any transaction that, taking into account the totality of the relationships between the parties involved (including other transactions that may be particularly favorable or advantageous to the Partnership), is equitable to the Partnership. With respect to any contribution of assets to the Partnership in exchange for Units, the Conflicts Committee, in determining whether the appropriate number of Units are being issued, should take into account, among other things, the fair market value of the assets, the liquidated and contingent liabilities assumed, the tax basis in the assets, the extent to which tax-only allocations to the transferor will protect the existing partners of the Partnership against a low tax basis, and such other factors as the Conflicts Committee deems relevant under the circumstances.

(f) The General Partner and its Affiliates will have no obligation to permit any Group Member to use any facilities or assets of the General Partner and its Affiliates, except as may be provided in contracts entered into from time to time specifically dealing with such use, nor shall there be any obligation on the part of the General Partner or its Affiliates to enter into such contracts.

(g) Without limitation of Sections 6.6(a) through 6.6(f), and notwithstanding anything to the contrary in this Agreement, the existence of the conflicts of interest described in the Proxy Statement are hereby approved by all Partners.

Section 6.7 *Indemnification.*

(a) To the fullest extent permitted by law but subject to the limitations expressly provided in this Agreement, all Indemnitees shall be indemnified and held harmless by the Partnership from and against any and all losses, claims, damages, liabilities, joint or several, expenses (including legal fees and expenses), judgments, fines, penalties, interest, settlements and other amounts arising from any and all claims, demands, actions, suits or proceedings, whether civil, criminal, administrative or investigative, in which any Indemnitee may be involved, or is threatened to be involved, as a party or otherwise, by reason of its status as an Indemnitee; *provided*, that in each case the Indemnitee acted in good faith and in a manner that such Indemnitee reasonably believed to be in, or not opposed to, the best interests of the Partnership and, with respect to any criminal proceeding, had no reasonable cause to believe its conduct was unlawful; *provided, further*, no indemnification pursuant to this Section 6.7 shall be available to the Withdrawing General Partner or its Affiliates (other than Group Members) with respect to their obligations incurred pursuant to the Transaction Agreement or any agreement ancillary thereto (other than obligations incurred by the General Partner on behalf of the Partnership). The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere, or its equivalent, shall not create a presumption that the Indemnitee acted in a manner contrary to that specified above. Any indemnification pursuant to this Section 6.7 shall be made only out of the assets of the Partnership, it being agreed that the General Partner shall not be personally liable for such indemnification and shall have no obligation to contribute or loan any monies or property to the Partnership to enable it to effectuate such indemnification.

(b) To the fullest extent permitted by law, expenses (including legal fees and expenses) incurred by an Indemnitee who indemnified pursuant to Section 6.7(a) in defending any claim, demand, action, suit or proceeding shall, from time to time, be advanced by the Partnership prior to the usual disposition of such claim, demand, action, suit or proceeding upon receipt by the Partnership of an undertaking by or on behalf of the Indemnitee to repay such amount if it shall be determined that the Indemnitee is not entitled to be indemnified as authorized in this Section 6.7.

(c) The indemnification provided by this Section 6.7 shall be in addition to any other rights to which an Indemnitee may be entitled under any agreement, pursuant to any vote of the holders of Outstanding Units, as a matter of law or otherwise, both as to actions in the Indemnitee's capacity as an Indemnitee and as to actions in any other capacity, and shall continue as to an Indemnitee who has ceased to serve in such capacity and shall inure to the benefit of the heirs, successors, assigns and administrators of the Indemnitee.

(d) The Partnership may purchase and maintain (or reimburse the General Partner or its Affiliates for the cost of) insurance, on behalf of the General Partner and such other Persons as the General Partner shall

determine, against any liability that may be asserted against or expense that may be incurred by such Person in connection with the Partnership's activities, regardless of whether the Partnership would have the power to indemnify such Person against such liability under the provisions of this Agreement.

(e) For purposes of this Section 6.7, the Partnership shall be deemed to have requested an Indemnitee to serve as fiduciary of an employee benefit plan whenever the performance by it of its duties to the Partnership also imposes duties on, or otherwise involves services by, it to the plan or participants or beneficiaries of the plan; excise taxes assessed on an Indemnitee with respect to an employee benefit plan pursuant to applicable law shall constitute fines within the meaning of Section 6.7(a); and action taken or omitted by it with respect to any employee benefit plan in the performance of its duties for a purpose reasonably believed by it to be in the interest of the participants and beneficiaries of the plan shall be deemed to be for a purpose which is in, or not opposed to, the best interests of the Partnership.

(f) In no event may an Indemnitee subject to the Limited Partners to personal liability by reason of the indemnification provisions set forth in this Agreement.

(g) An Indemnitee shall not be denied indemnification in whole or in part under this Section 6.7 because the Indemnitee had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

(h) The provisions of this Section 6.7 are for the benefit of the Indemnitees, their heirs, successors, assigns and administrators and shall not be deemed to create any rights for the benefit of any other Persons.

(i) No amendment, modification or repeal of this Section 6.7 or any provision hereof shall in any manner terminate, reduce, or impair the right of any past, present or future Indemnitee to be indemnified by the Partnership, nor the obligations of the Partnership to indemnify any such Indemnitee under and in accordance with the provisions of this Section 6.7 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

Section 6.8 *Liability of Indemnitees.*

(a) Notwithstanding anything to the contrary set forth in this Agreement, no Indemnitee shall be liable for monetary damages to the Partnership, the Limited Partners, the Assignees or any other Persons who have acquired interests in the Units, for losses sustained or liabilities incurred as a result of any act or omission if such Indemnitee acted in good faith.

(b) Subject to its obligations and duties as General Partner set forth in Section 6.1(a), the General Partner may exercise any of the powers granted to it by this Agreement and perform any of the duties imposed upon it hereunder either directly or by or through its agents, and the General Partner shall not be responsible for any misconduct or negligence on the part of any such agent appointed by the General Partner in good faith.

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

(c) Any amendment, modification or repeal of this Section 6.8 or any provision hereof shall be prospective only and shall not in any way affect the limitations on the liability to the Partnership and the Limited Partners of the General Partner, its directors, officers and employees and any other Indemnitees under this Section 6.8 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

Section 6.9 *Resolution of Conflicts of Interest.*

(a) Unless otherwise expressly provided in this Agreement, whenever a potential conflict of interest exists or arises between the General Partner or any of its Affiliates, on the one hand, and the Partnership, any Partner or any Assignee, on the other hand, any resolution or course of action in respect of such conflict of interest shall be permitted and deemed approved by all Partners, and shall not constitute a breach of this

B1-39

Agreement, of any agreement contemplated herein or therein, or of any duty stated or implied by law or equity, if the resolution or course of action is, or by operation of this Agreement is deemed to be, fair and reasonable to the Partnership. The General Partner shall be authorized but not required in connection with its resolution of such conflict of interest to seek Special Approval of a resolution of such conflict or course of action. Any conflict of interest and any resolution of such conflict of interest shall be conclusively deemed fair and reasonable to the Partnership if such conflict of interest or resolution is (i) approved by Special Approval, (ii) on terms no less favorable to the Partnership than those generally being provided to or available from unrelated third parties or (iii) fair to the Partnership, taking into account the totality of the relationships between the parties involved (including other transactions that may be particularly favorable or advantageous to the Partnership). The General Partner may also adopt a resolution or course of action that has not received Special Approval. The General Partner (including the Conflicts Committee in connection with Special Approval) shall be authorized in connection with its determination of what is fair and reasonable to the Partnership and in connection with its resolution of any conflict of interest to consider (A) the relative interests of any party to such conflict, agreement, transaction or situation and the benefits and burdens relating to such interest; (B) any customary or accepted industry practices and any customary or historical dealings with a particular Person; (C) any applicable generally accepted accounting practices or principles; and (D) such additional factors as the General Partner (including the Conflicts Committee) determines in its sole discretion to be relevant, reasonable or appropriate under the circumstances. Nothing contained in this Agreement, however, is intended to nor shall it be construed to require the General Partner (including the Conflicts Committee) to consider the interests of any Person other than the Partnership. In the absence of bad faith by the General Partner, the resolution, action or terms so made, taken or provided by the General Partner with respect to such matter shall not constitute a breach of this Agreement or any other agreement contemplated herein or a breach of any standard of care or duty imposed herein or therein or, to the extent permitted by law, under the Delaware Act or any other law, rule or regulation.

(b) Whenever this Agreement or any other agreement contemplated hereby provides that the General Partner or any of its Affiliates is permitted or required to make a decision (i) in its sole discretion or discretion that it deems necessary or appropriate or necessary or advisable or under a grant of similar authority or latitude, except as otherwise provided herein, the General Partner or such Affiliate shall be entitled to consider only such interests and factors as it desires and shall have no duty or obligation to give any consideration to any interest of, or factors affecting, the Partnership, any Limited Partner or any Assignee, (ii) it may make such decision in its sole discretion (regardless of whether there is a reference to sole discretion or discretion) unless another express standard is provided for, or (iii) in good faith or under another express standard, the General Partner or such Affiliate shall act under such express standard and shall not be subject to any other or different standards imposed by this Agreement, any other agreement contemplated hereby or under the Delaware Act or any other law, rule or regulation. In addition, any actions taken by the General Partner or such Affiliate consistent with the standards of reasonable discretion set forth in the definitions of Available Cash or Operating Surplus shall not constitute a breach of any duty of the General Partner to the Partnership or the Limited Partners. The General Partner shall have no duty, express or implied, to sell or otherwise dispose of any asset of the Partnership Group. No borrowing by any Group Member or the approval thereof by the General Partner shall be deemed to constitute a breach of any duty of the General Partner to the Partnership or the Limited Partners by reason of the fact that the purpose or effect of such borrowing is directly or indirectly to enable distributions on the General Partner Units to exceed the General Partner's Percentage Interest of the total amount distributed.

(c) Whenever a particular transaction, arrangement or resolution of a conflict of interest is required under this Agreement to be fair and reasonable to any Person, the fair and reasonable nature of such transaction, arrangement or resolution shall be considered in the context of all similar or related transactions.

(d) The Limited Partners hereby authorize the General Partner, on behalf of the Partnership as a partner of a Group Member, to approve of actions by the general partner of such Group Member similar to those actions permitted to be taken by the General Partner pursuant to this Section 6.9.

Section 6.10 *Other Matters Concerning the General Partner.*

(a) The General Partner may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, debenture or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties.

(b) The General Partner may consult with legal counsel, accountants, appraisers, management consultants, investment bankers and other consultants and advisers selected by it, and any act taken or omitted to be taken in reliance upon the opinion (including an Opinion of Counsel) of such Persons as to matters that the General Partner reasonably believes to be with a such Person's professional or expert competence shall be conclusively presumed to have been done or omitted in good faith and in accordance with such opinion.

(c) The General Partner shall have the right, in respect of any of its powers or provisions hereunder, to act through any of its duly authorized officers, a duly appointed attorney or attorneys-in-fact or the duly authorized officers of the Partnership.

(d) Any standard of care and duty imposed by this Agreement or under the Delaware Act or any applicable law, rule or regulation shall be modified, waived or limited, to the extent permitted by law, as required to permit the General Partner to act under this Agreement or any other agreement contemplated by this Agreement and to make any decision pursuant to the authority prescribed in this Agreement, so long as such action is reasonably believed by the General Partner to be in, or not inconsistent with, the best interests of the Partnership.

Section 6.11 *Title to Partnership Assets.*

Title to Partnership assets, whether real, personal or mixed and whether tangible or intangible, shall be deemed to be owned by the Partnership as an entity, and no Partner or Assignee, individually or collectively, shall have any ownership interest in such Partnership assets or any portion thereof. Title to any or all of the Partnership assets may be held in the name: of the Partnership, the General Partner, one or more of its Affiliates, or one or more nominees, as the General Partner may determine. The General Partner hereby declares and warrants that any Partnership assets for which record title is held in the name of the General Partner or one or more of its Affiliates or one or more nominees shall be held by the General Partner or such Affiliate or nominee for the use and benefit of the Partnership in accordance with the provisions of this Agreement; *provided, however*, that the General Partner shall use its reasonable efforts to cause record title to such assets (other than those assets in respect of which the General Partner determines that the expense and difficulty of conveyancing makes transfer of record title to the Partnership impracticable) to be vested in the Partnership as soon as reasonably practicable; provided that, prior to the withdrawal or removal of the Withdrawing General Partner or as soon thereafter as practicable, the General Partner shall use reasonable efforts to effect the transfer of record title to the Partnership and prior to any such transfer, will provide for the use of such assets in a manner satisfactory to the Partnership. All Partnership assets shall be recorded as the property of the Partnership in its books and records, irrespective of the name in which record title to such Partnership assets is held. The Withdrawing General Partner covenants and agrees that on the Effective Date, the Partnership Group shall have all licenses, permits, certificates, franchises, or other governmental authorizations or permits necessary for the ownership of their properties or for the conduct of their businesses, except for such licenses, permits, certificates, franchises, or other governmental authorizations or permits, failure to have obtained which will not, individually or in the aggregate, have a material adverse effect on the Partnership Group.

As long as Units are held by any Group Member, such Units shall not be considered Outstanding for any purpose, except as otherwise provided herein. The General

Partner or any Affiliate of the General Partner (other than a Group Member) may also purchase or otherwise acquire and sell or otherwise dispose of Units for its own account, subject to the provisions of Articles XI and XII.

Section 6.13 *Registration Rights.*

(a) If (i) the General Partner or any Affiliate of the General Partner (including for purposes of this Section 6.13, any Person that is an Affiliate of the General Partner at the date hereof notwithstanding that it may later cease to be an Affiliate of the General Partner) holds Units or other Partnership Securities that it desires to sell and (ii) Rule 144 of the Securities Act (or any successor rule or regulation to Rule 144) or another exemption from registration is not available to enable such holder of Units (the Holder) to dispose of the number of Units or other Partnership Securities it desires to sell at the time it desires to do so without registration under the Securities Act, then upon the request of the General Partner or any of its Affiliates, the Partnership shall file with the Commission as promptly as practicable after receiving such request, and use all reasonable efforts to cause to become effective and remain effective for a period of not less than six months following its effective date or such shorter period as shall terminate when all Units or other Partnership Securities covered by such registration statement have been sold, a registration statement under the Securities Act registering the offering and sale of the number of Units or other Partnership Securities specified by the Holder, *provided however*, that the Partnership shall not be required to effect more than three registrations pursuant to this Section 6.13(a); and *provided, further, however*, that if the Conflicts Committee determines in its good faith judgment that a postponement of the requested registration for up to six months would be in the best interests of the Partnership and its Partners due to a pending transaction, investigation or other event, the filing of such registration statement or the effectiveness thereof may be deferred for up to six months, but not thereafter. In connection with any registration pursuant to the immediately preceding sentence, the Partnership shall promptly prepare and file (x) such documents as may be necessary to register or qualify the Partnership Securities subject to such registration under the securities laws of such states as the Holder shall reasonably request: *provided, however*, that no such qualification shall be required in any jurisdiction where, as a result thereof, the Partnership would become subject to general service of process or to taxation or qualification to do business as a foreign corporation or partnership doing business in such jurisdiction, and (y) such documents as may be necessary to apply for listing or to list the Partnership Securities subject to such registration on such National Securities Exchange as the Holder shall reasonably request, and do any and all other acts and things that may reasonably be necessary or advisable to enable the Holder to consummate a public sale of such Units in such states. Except as set forth in Section 6.13(c), all costs and expenses of any such registration and offering (other than the underwriting discounts and commissions) shall be paid by the Partnership, without reimbursement by the Holder.

(b) If the Partnership shall at any time propose to file a registration statement under the Securities Act for an offering of equity securities of the Partnership for cash (other than an offering relating solely to an employee benefit plan), the Partnership shall use all reasonable efforts to include such number or amount of Partnership Securities held by the Holder in such registration statement as the Holder shall request. If the proposed offering pursuant to this Section 6.13(b) shall be an underwritten offering, then, in the event that the managing underwriter of such offering advises the Partnership and the Holder in writing that in its opinion the inclusion of all or some of the Holder's Partnership Securities would adversely and materially affect the success of the offering, the Partnership shall include in such offering only that number or amount, if any, of Partnership Securities held by the Holder which, in the opinion of the managing underwriter, will not so adversely and materially affect the offering. Except as set forth in Section 6.13(c), all costs and expenses of any such registration and offering (other than the underwriting discounts and commissions) shall be paid by the Partnership, without reimbursement by the Holder.

(c) If underwriters are engaged in connection with any registration referred to in Section 6.13(a), the Partnership shall provide indemnification, representations, covenants, opinions and other assurance to the underwriters in form and substance reasonably satisfactory to such underwriters. Further, in addition to and not in limitation of the Partnership's obligation under Section 6.7, the Partnership shall, to the fullest extent

permitted by law, indemnify and hold harmless the Holder, its officers, directors, and each Person who controls the Holder (within the meaning of the Securities Act) and any agent thereof (collectively, Indemnified Persons) against: any losses, claims, demands, actions, causes of action, assessments, damages, liabilities (joint or several), costs and expenses (including interest, penalties and reasonable attorneys' fees and disbursements), resulting to, imposed upon, or incurred by the Indemnified Persons, directly or indirectly, under the Securities Act or otherwise (hereinafter referred to in this Section 6.13(c) as a claim and in the plural as claims) based upon, arising out of or resulting from any untrue statement or alleged untrue statement of any material fact contained in any registration statement under which any Units were registered under the Securities Act or any state securities or Blue Sky laws, in any preliminary prospectus (if used prior to the effective date of such registration statement), or in any summary or final prospectus or in any amendment or supplement thereto (if used during the period the Partnership is required to keep the registration statement current), or arising out of, based upon or resulting from the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements made therein not misleading; *provided, however*, that the Partnership shall not be liable to any Indemnified Person to the extent that any such claim arises out of, is based upon or results from an untrue statement or alleged untrue statement or omission or alleged omission made in such registration statement, such preliminary, summary or final prospectus or such amendment or supplement in reliance upon and in conformity with written information furnished to the Partnership by or on behalf of such Indemnified Person specifically for use in the preparation thereof.

(d) The provisions of Section 6.13(a) and (b) shall continue to be applicable with respect to the General Partner (and any of the General Partner's Affiliates) (including the Withdrawing General Partner) after it ceases to be a Partner of the Partnership, during a period of two years subsequent to the effective date of such cessation and for so long thereafter as is required for the Holder to sell all of the Units or other Partnership Securities with respect to which it has requested during such two year period that a registration statement be filed; *provided however*, that the Partnership shall not be required to file successive registration statements covering the same Partnership Securities for which registration was demanded during such two-year period. The provisions of Section 6.13(c) shall continue in effect thereafter.

(e) Any request to register Partnership Securities pursuant to this Section 6.13 shall (i) specify the Partnership Securities intended to be offered and sold by the Person making the request, (ii) express such Person's present intent to offer such Partnership Securities for distribution, (iii) describe the nature or method of the proposed offer and sale of Partnership Securities, and (iv) contain the undertaking of such Person to provide all such information and materials and take all action as may be required in order to permit the Partnership to comply with all applicable requirements in connection with the registration of such Partnership Securities.

Section 6.14 *Reliance by Third Parties.*

Notwithstanding anything to the contrary in this Agreement, any Person dealing with the Partnership shall be entitled to assume that the General Partner and any officer of the Partnership authorized by the General Partner to act on behalf of and in the name of the Partnership has full power and authority to encumber, sell or otherwise use in any manner any and all assets of the Partnership and to enter into any contracts on behalf of the Partnership, and such Person shall be entitled to deal with the General Partner or any such officer as if it were the Partnership's sole party in interest, both legally and beneficially. Each Limited Partner hereby waives any and all defenses or other remedies that may be available against such Person to contest, negate or disaffirm any action of the General Partner or any such officer in connection with any such dealing. In no event shall any Person dealing with the General Partner or any such officer or its representatives be obligated to ascertain that the terms of this Agreement have been complied with or to inquire into the necessity or expedience of any act or action of the General Partner or any such officer or its representatives. Each and every certificate, document or other instrument executed on behalf of the Partnership by the General Partner or any such officer or its representatives shall be conclusive evidence in favor of any and every Person relying thereon or claiming thereunder that (a) at the time of the execution and delivery of such certificate, document or instrument, this Agreement was in full

Section 7.2 *Management of Business.*

No Limited Partner or Assignee (other than the General Partner, any of its Affiliates or any officer, director, employee, partner, agent or trustee of the General Partner or any of its Affiliates, in its capacity as such, if such Person shall also be a Limited Partner or Assignee) shall participate in the operation, management or control (within the meaning of the Delaware Act) of the Partnership's business, transact any business in the Partnership's name or have the power to sign documents for or otherwise bind the Partnership. The transaction of any such business by the General Partner, any of its Affiliates or any member, officer, director, employee, partner, agent or trustee of the General Partner or any of its Affiliates, in its capacity as such, shall not affect, impair or eliminate the limitations on the liability of the Limited Partners or Assignees under this Agreement.

Section 7.3 *Outside Activities.*

Subject to the provisions of Section 6.5 and the Non-competition Agreement, which shall continue to be applicable to the Persons referred to therein, regardless of whether such Persons shall also be Limited Partners or Assignees, any Limited Partner or Assignee shall be entitled to and may have business interests and engage in business activities in addition to those relating to the Partnership, including business interests and activities in direct competition with the Partnership Group. Except to the extent provided by Article V or as otherwise expressly provided in this Agreement, no Limited Partner or Assignee shall have priority over any other Limited Partner or Assignee either as to the return of Capital Contributions or as to profits, losses or distributions. Any such return shall be a compromise to which all Partners and Assignees agree within the meaning of Section 17-502(b) of the Delaware Act.

Section 7.5 *Rights of Limited Partners to the Partnership.*

- (b) The General Partner may keep confidential from the Limited Partners and Assignees for such period of time as the General Partner deems reasonable, (i) any information that the General Partner reasonably believes to be in the nature of trade secrets or (ii) other information the disclosure of which the General Partner in good faith believes (A) is not in the best interests of the Partnership Group, (B) could damage the Partnership Group or (C) that any Group Member is required by law or by agreements with third parties to keep confidential (other than agreements with Affiliates the primary purpose of which is to circumvent the obligations set forth in Section 7.5).

ARTICLE VIII

Section 8.1 *Records and Accounting.*

The General Partner shall keep or cause to be kept at the principal office of the Partnership appropriate books and records with respect to the Partnership's business, including all books and records necessary to provide to the Limited Partners any information required to be provided pursuant to Section 7.5(a). Any books and records maintained by or on behalf of the Partnership in the regular course of its business, including the record of the Record Holders and Assignees of Units or other Partnership Securities, books of account and records of Partnership proceedings, may be kept on, or be in the form of, computer disks, hard drives, punch cards, magnetic tape, photographs, micrographics or any other information storage device; *provided*, that the books and records so maintained are convertible into clearly legible written form within a reasonable period of time. The tax information reasonably required by Record Holders for federal and state income tax reporting purposes with respect to a taxable year shall be furnished to them within 90 days of the close of the calendar year in which the Partnership's taxable year ends. The classification, realization and recognition of income, gain, losses and deductions and other items shall be on the accrual method of accounting for federal income tax purposes.

Section 9.2 *Tax Elections.*

(a) The Partnership shall make the election under Section 754 of the Code in accordance with applicable regulations thereunder, subject to the reservation of the right to seek to revoke any such election upon the General Partner's determination that such revocation is in the best interests of the Limited Partners. For the purposes of computing the adjustments under Section 743(b) of the Code, the General Partner shall be authorized (but not required) to adopt a convention whereby the price paid by a transferee of Units will be deemed to be the lowest quoted closing price of the Units on any National Securities Exchange on which such Units are traded during the calendar month in which such transfer is deemed to occur pursuant to Section 5.2(g) without regard to the actual price paid by such transferee.

(b) Except as otherwise provided herein, the General Partner shall determine whether the Partnership should make any other elections permitted by the Code.

Section 9.3 *Tax Controversies.*

Subject to the provisions hereof, the General Partner is designated as the Tax Matters Partner (as defined in Section 6231 of the Code) and is authorized and required to represent the Partnership (at the Partnership's expense) in connection with all examinations of the Partnership's affairs by tax authorities, including resulting administrative and judicial proceedings and to expend Partnership funds for professional services and costs associated therewith. Each Partner agrees to cooperate with the General Partner and to do or refrain from doing any or all things reasonably required by the General Partner to conduct such proceedings.

Section 9.4 *Withholding.*

To the extent that the Partnership is required to withhold and pay over to any taxing authority any amount resulting from the allocation or distribution of income to any Partner or Assignee (including, without limitation, by reason of Section 1446 of the Code), the amount withheld shall be treated as a distribution of cash pursuant to Section 5.3 in the amount of such withholding from such Partner.

ARTICLE X

CERTIFICATES

Section 10.1 *Certificates.*

Upon the Partnership's issuance of Common Units to any Person, the Partnership shall issue one or more Certificates in the name of such Person evidencing the number of such Units being so issued. Certificates shall be executed on behalf of the Partnership by the General Partner. No Common Unit Certificate shall be valid for any purpose until it has been countersigned by the Transfer Agent, *provided, however*, that if the General Partner elects to issue Units in global form, the Certificates shall be valid upon receipt of a certificate from the Transfer Agent certifying that such Units have been duly registered in accordance with the directions of the Partnership and the Underwriters. Partners holding Certificates evidencing Senior Subordinated Units and Junior Subordinated Units may exchange such Certificates for Certificates evidencing Common Units on and after the Effective Date.

Section 10.2 *Registration. Registration of Transfer and Exchange.*

(a) The General Partner shall cause to be kept on behalf of the Partnership a register in which, subject to such reasonable regulations as it may prescribe and subject to the provisions of Section 10.2(b), the General Partner will provide for the registration and transfer of Units. The Transfer Agent is hereby appointed registrar and transfer agent for the purpose of registering Common Units and transfers of such Units as herein provided. The Partnership shall not recognize transfers of Certificates representing Units unless such transfers are effected in the manner described in this Section 10.2. Upon surrender for registration of transfer of any Units evidenced by a Certificate, and subject to the provisions of Section 10.2(b), the General Partner on behalf of the Partnership shall execute, and the Transfer Agent shall countersign and deliver (or, in the case of Units issued in global form, register in accordance with the rules and regulations of the Depositary), in the name of the holder or the designated transferee or transferees, as required pursuant to the holder's instructions, one or more new Certificates evidencing the same aggregate number of Units as was evidenced by the Certificate so surrendered.

(b) Except as otherwise provided in Section 11.5, the Partnership shall not recognize any transfer of Units until the Certificates evidencing such Units are surrendered for registration of transfer and such Certificates are accompanied by a Transfer Application duly executed by the transferee (or the transferee's attorney-in-fact duly authorized in writing). No charge shall be imposed by the Partnership for such transfer; provided, that as a condition to the issuance of any new Certificate under this Section 10.2, the General Partner may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed with respect thereto.

Section 10.3 *Mutilated, Destroyed, Lost or Stolen Certificates.*

(a) If any mutilated Certificate is surrendered to the Transfer Agent, the General Partner on behalf of the Partnership shall execute, and upon its request the Transfer Agent shall countersign and deliver in exchange therefor, a new Certificate evidencing the same number of Units as the Certificate so surrendered.

(b) The General Partner on behalf of the Partnership shall execute, and upon its request the Transfer Agent shall countersign and deliver (or, in the case of Units issued in global form, register in accordance with the rules and regulations of the Depositary) a new Certificate in place of any Certificate previously issued if the Record Holder of the Certificate:

(i) makes proof by affidavit, in form and substance satisfactory to the General Partner, that a previously issued Certificate has been lost, destroyed or stolen;

(ii) requests the issuance of a new Certificate before the Partnership has notice that the Certificate has been acquired by a purchaser for value in good faith and without notice of an adverse claim;

B1-47

(iii) if requested by the General Partner, delivers to the Partnership a bond, in form and substance satisfactory to the General Partner with surety sureties and with fixed or open penalty as the General Partner may reasonably direct, in its sole discretion, to indemnify the Partnership, the General Partner and the Transfer Agent against any claim that may be made on account of the alleged loss, destruction or theft of the Certificate; and

(iv) satisfies any other reasonable requirements imposed by the General Partner.

If a Limited Partner or Assignee fails to notify the Partnership within a reasonable time after he has notice of the loss, destruction or theft of a Certificate, and a transfer of the Units representing Limited Partner Interests represented by the Certificate is registered before the Partnership, the General Partner or the Transfer Agent receives such notification, the Limited Partner or Assignee shall be precluded from making any claim against the Partnership, the General Partner or the Transfer Agent for such transfer or for a new Certificate.

(c) As a condition to the issuance of any new Certificate under this Section 10.3, the General Partner may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed, in relation, thereto and any other expenses (including the fees and expenses of the Transfer Agent) reasonably connected therewith.

Section 10.4 *Record Holders.*

In accordance with Section 10.2(b), the Partnership shall be entitled to recognize the Record Holder as the Limited Partner or Assignee with respect to any Units and, accordingly, shall not be bound to recognize any equitable or other claim to or interest in such Units on the part of any other Person, regardless of whether the Partnership shall have actual or other notice thereof, except as otherwise provided by law or any applicable rule, regulation, guideline or requirement of any National Securities Exchange on which the Units are listed for trading. Without limiting the foregoing, when a Person (such as a broker, dealer, bank, trust company or clearing corporation or an agent of any of the foregoing) is acting as nominee, agent or in some other representative capacity for another Person in acquiring and/or holding Units, as between the Partnership on the one hand, and such other Persons, on the other, such representative Person (a) shall be the Limited Partner or Assignee (as the case may be) of record and beneficially, (b) must execute and deliver a Transfer Application and (c) shall be bound by this Agreement and shall have the rights and obligations of a Limited Partner or Assignee (as the case may be) hereunder and as provided for herein.

ARTICLE XI

TRANSFER OF INTERESTS

Section 11.1 *Transfer.*

(a) The term transfer, when used in this Agreement with respect to a Partnership Interest, shall be deemed to refer to a transaction (i) by which the General Partner assigns its General Partner Units to another Person and includes a sale, assignment, gift, pledge, encumbrance, hypothecation, mortgage, exchange or any other disposition by law or otherwise or (ii) by which the holder of a Limited Partner Interest) assigns

such Limited Partner Interest to another Person who is or becomes a Limited Partner, and includes a sale, assignment, gift, exchange or any other disposition by law or otherwise, including any transfer upon foreclosure of any pledge, encumbrance, hypothecation or mortgage.

(b) No Partnership Interest shall be transferred, in whole or in part, except in accordance with the terms and conditions set forth in this Article XI. Any transfer or purported transfer of a Partnership Interest not made in accordance with this Article XI shall be null and void.

(c) Nothing contained in this Article XI shall be construed to prevent a disposition by the members of the General Partner of any or all of the issued and outstanding member interests in the General Partner.

B1-48

Table of Contents

(d) Nothing contained in this Article XI, or elsewhere in this Partnership Agreement, shall preclude the settlement of any transactions involving Units entered into through the facilities of any National Securities Exchange on which the Units are listed for trading.

Section 11.2 *Transfer of a General Partner's Partnership Interest.*

Notwithstanding anything herein to the contrary, no transfer by the General Partner of all or any part of its General Partner Interest to another Person shall be permitted unless (i) the transferee agrees to assume the rights and duties of the General Partner under this Agreement and to be bound by the provisions of this Agreement, (ii) the Partnership receives an Opinion of Counsel that such transfer would not result in the loss of limited liability of any Limited Partner or of any limited partner of any Group Member or cause any Group Member to be treated as an association taxable as a corporation or otherwise to be taxed as an entity for federal income tax purposes and (iii) such transferee also agrees to purchase all (or the appropriate portion thereof, if applicable) of the partnership interest of the General Partner as the general partner of each Group Member. In the case of a transfer pursuant to and in compliance with this Section 11.2, the transferee or successor (as the case may be) shall, subject to compliance with the terms of Section 12.3, be admitted to the Partnership as a General Partner immediately prior to the transfer of the General Partner Interest, and the business of the Partnership shall continue without dissolution.

Section 11.3 *Transfer of Units.*

(a) Units may be transferred only in the manner described in Article X. The transfer of any Units and the admission of any new Partner shall not constitute an amendment to this Agreement.

(b) Until admitted as a Substituted Limited Partner pursuant to Article XII, the Record Holder of a Unit shall be an Assignee in respect of such Unit. Limited Partners may include custodians, nominees, or any other individual or entity in its own or any representative capacity.

(c) Each distribution in respect of Units shall be paid by the Partnership, directly or through the Transfer Agent or through any other Person or agent, only to the Record Holders thereof as of the Record Date set for the distribution. Such payment shall constitute full payment and satisfaction of the Partnership's liability in respect of such payment, regardless of any claim of any Person who may have an interest in such payment by reason of an assignment or otherwise.

(d) A transferee who has completed and delivered a Transfer Application shall be deemed to have (i) requested admission as a Substituted Limited Partner, (ii) agreed to comply with and be bound by and to have executed this Agreement, (iii) represented and warranted that such transferee has the right, power and authority and, if an individual, the capacity to enter into this Agreement, (iv) granted the powers of attorney set forth in this Agreement and (v) given the consents and approvals and made the waivers contained in this Agreement.

Section 11.4 *Restrictions on Transfers.*

Notwithstanding the other provisions of this Article XI, no transfer of any Unit or interest therein of any Limited Partner or Assignee shall be made if such transfer would (a) violate the then applicable federal or state securities laws or rules and regulations of the Commission, any state

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

securities commission or any other governmental authorities with jurisdiction over such transfer, (b) affect any Group Member's existence or qualification as a limited partnership under the laws of the jurisdiction of its formation, or (c) result in entity-level taxation for federal income tax purposes of the Partnership.

Section 11.5 *Citizenship Certificates; Non-citizen Assignees.*

(a) If any Group Member is or becomes subject to any federal, state or local law or regulation that, in the reasonable determination of the General Partner, creates a substantial risk of cancellation or forfeiture of

any property in which the Group Member has an interest based on the nationality, citizenship or other related status of a Limited Partner or Assignee, the General Partner may request any Limited Partner or Assignee to furnish to the General Partner, within 30 days after receipt of such request, an executed Citizenship Certification or such other information concerning his nationality, citizenship or other related status (or, if the Limited Partner or Assignee is a nominee holding for the account of another Person, the nationality, citizenship or other related status of such Person) as the General Partner may request. If a Limited Partner or Assignee fails to furnish to the General Partner within the aforementioned 30-day period such Citizenship Certification or other requested information or if upon receipt of such Citizenship Certification or other requested information the General Partner determines, with the advice of counsel, that a Limited Partner or Assignee is not an Eligible Citizen, the Units owned by such Limited Partner or Assignee shall be subject to redemption in accordance with the provisions of Section 11.6. In addition, the General Partner may require that the status of any such Limited Partner or Assignee be changed to that of a Non-citizen Assignee and, thereupon, the General Partner shall be substituted for such non-citizen Assignee as the Limited Partner in respect of his Units.

(b) The General Partner shall, in exercising voting rights in respect of Units held by it on behalf of Non-citizen Assignees, distribute the votes in the same ratios as the votes of Limited Partners in respect of Units other than those of Non-citizen Assignees are cast, either for, against or abstaining as to the matter.

(c) Upon dissolution of the Partnership, a Non-citizen Assignee shall have no right to receive a distribution in kind pursuant to Section 14.4 but shall be entitled to the cash equivalent, thereof, and the General Partner shall provide, cash in exchange for an assignment of the Non-citizen Assignee's share of the distribution in kind. Such payment and assignment shall be treated for Partnership purposes as a purchase by the General Partner from the Non-citizen Assignee of his Partnership Interest (representing his right to receive his share of such distribution in kind).

(d) At any time after he can and does certify that he has become an Eligible Citizen, a Non-citizen Assignee may, upon application to the General Partner, request admission as a Substituted Limited Partner with respect to any Units of such Non-citizen Assignee not redeemed pursuant to Section 11.6, and upon his admission pursuant to Section 12.2, the General Partner shall cease to be deemed to be the Limited Partner in respect of the Non-citizen Assignee's Units.

Section 11.6 *Redemption of Interests.*

(a) If at any time a Limited Partner or Assignee fails to furnish a Citizenship Certification or other information requested within the 30-day period specified in Section 11.5(a), or if upon receipt of such Citizenship Certification or other information the General Partner determines, with the advice of counsel, that a Limited Partner or Assignee is not an Eligible Citizen, the Partnership may, unless the Limited Partner or Assignee establishes to the satisfaction of the General Partner that such Limited Partner or Assignee is an Eligible Citizen or has transferred his Units to a Person who furnishes a Citizenship Certification to the General Partner prior to the date fixed for redemption as provided below, redeem the Partnership Interest of such Limited Partner or Assignee as follows:

(i) The General Partner shall, not later than the 30th day before the date fixed for redemption, give notice of redemption to the Limited Partner or Assignee at his last address designated on the records of the Partnership or the Transfer Agent, by registered or certified mail, postage prepaid. The notice shall be deemed to have been given when so mailed. The notice shall specify the Redeemable Units, the date fixed for redemption, the place of payment, that payment of the redemption price will be made upon surrender of the Certificate evidencing the Redeemable Units and that on and after the date fixed for redemption no further allocations or distributions to which the Limited Partner or Assignee would otherwise be entitled in respect of the Redeemable Units will accrue or be made.

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

(ii) The aggregate redemption price for Redeemable Units shall be an amount equal to the Current Market Price (the date of determination of which shall be the date fixed for redemption) of Units of the class to be so redeemed multiplied by the number of Units of each such class included

among the Redeemable Units. The redemption price shall be paid in the sole discretion of the General Partner, in cash or by delivery of a promissory note of the Partnership in the principal amount of the redemption price, bearing interest at the rate of 10% annually and payable in three equal annual installments of principal together with accrued interest, commencing one year after the redemption date.

(iii) Upon surrender by or on behalf of the Limited Partner or Assignee, at the place specified in the notice of redemption, of the Certificate evidencing the Redeemable Units, duly endorsed in blank or accompanied by an assignment duly executed in blank, the Limited Partner or Assignee or his duly authorized representative shall be entitled to receive the payment therefor.

(iv) After the redemption date, Redeemable Units shall no longer constitute issued and Outstanding Units.

(b) The provisions of this Section 11.6 shall also be applicable to Units held by a Limited Partner or Assignee as nominee of a Person determined to be other than an Eligible Citizen.

(c) Nothing in this Section 11.6 shall prevent the recipient of a notice of redemption from transferring his Units before the redemption date if such transfer is otherwise permitted under this Agreement. Upon receipt of notice of such a transfer, the General Partner shall withdraw the notice of redemption, provided the transferee of such Units certifies in the Transfer Application that he is an Eligible Citizen. If the transferee fails to make such certification, such redemption shall be effected from the transferee on the original redemption date.

ARTICLE XII

ADMISSION OF PARTNERS

Section 12.1 *Admission of Initial Limited Partners.*

Upon the issuance by the Partnership of the Old Subordinated Units to the Initial General Partner in connection with the Initial Offering, the Initial General Partner was admitted to the Partnership as a Limited Partner. Upon the issuance by the Partnership of Common Units to the Initial Underwriters in connection with the Initial Offering and the execution by the Initial Underwriters of a Transfer Application, the Initial Underwriters were admitted to the Partnership as Initial Limited Partners.

Section 12.2 *Admission of Substituted Limited Partners.*

By transfer of a Unit representing a Limited Partner Interest in accordance with Article XI, the transferor shall be deemed to have given the transferee the right to seek admission as a Substituted Limited Partner subject to the conditions of, and in the manner permitted under, this Agreement. A transferor of a Certificate representing a Limited Partner Interest shall, however, only have the authority to convey to a purchaser or other transferee who does not execute and deliver a Transfer Application (a) the right to negotiate such Certificate to a purchaser or other

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

transferee and (b) the right to transfer the right to request admission as a Substituted Limited Partner to such purchaser or other transferee in respect of the transferred Units. Each transferee of a Unit representing a Limited Partner Interest (including any nominee holder or an agent acquiring such Unit for the account of another Person) who executes and delivers a Transfer Application shall, by virtue of such execution and delivery, be an Assignee and be deemed to have applied to become a Substituted Limited Partner with respect to the Units so transferred to such Person. Such Assignee shall become a Substituted Limited Partner (x) at such time as the General Partner consents thereto, which consent may be given or withheld in the General Partner's sole discretion, and (y) when any such admission is shown on the books and records of the Partnership. If such consent is withheld, such transferee shall be an Assignee. An Assignee shall have an interest in the Partnership equivalent to that of a Limited Partner with respect to allocations and distributions, including liquidating distributions, of the Partnership. With respect to voting rights attributable to Units that are held by Assignees, the

General Partner shall be deemed to be the Limited Partner with respect thereto and shall, in exercising the voting rights in respect of such Units on any matter vote such Units at the written direction of the Assignee who is the Record Holder of such Units. If no such written direction is received, such Units will not be voted. An Assignee shall have no other rights of a Limited Partner.

Section 12.3 *Admission of Successor General Partner.*

On the date hereof the General Partner is being admitted to the Partnership as successor to Star Gas LLC immediately prior to its withdrawal pursuant to Section 4.4(d). A successor General Partner approved pursuant to Section 13.1 or 13.2 or the transferee of or successor to all the General Partner Interest pursuant to Section 11.2 who is proposed to be admitted as a successor General Partner shall be admitted to the Partnership as the General Partner, effective immediately prior to the withdrawal or removal of the General Partner pursuant to Section 13.1 or 13.2 or the transfer of the General Partner Interest pursuant to Section 11.2; *provided, however*, that no such successor shall be admitted to the Partnership until compliance with the terms of Section 11.2 has occurred and such successor has executed and delivered such other documents or instruments as may be required to effect such admission. Any such successor shall, subject to the terms hereof, carry on the business of the Partnership without dissolution.

Section 12.4 *Admission of Additional Limited Partners.*

(a) A Person (other than the General Partner, an Initial Limited Partner or a Substituted Limited Partner) who makes a Capital Contribution to the Partnership in accordance with this Agreement shall be admitted to the Partnership as an Additional Limited Partner only upon furnishing to the General Partner (i) evidence of acceptance in form satisfactory to the General Partner of all of the terms and conditions of this Agreement, including the power of attorney granted in Section 1.4, and (ii) such other documents or instruments as may be required in the discretion of the General Partner to effect such Person's admission as an Additional Limited Partner.

(b) Notwithstanding anything to the contrary in this Section 12.4, no Person shall be admitted as an Additional Limited Partner without the consent of the General Partner, which consent may be given or withheld in the General Partner's sole discretion. The admission of any Person as an Additional Limited Partner shall become effective on the date upon which the name of such Person is recorded as such in the books and records of the Partnership, following the consent of the General Partner to such admission.

Section 12.5 *Amendment of Agreement and Certificate of Limited Partnership.*

To effect the admission to the Partnership of any Partner, the General Partner shall take all steps necessary and appropriate under the Delaware Act to amend the records of the Partnership to reflect such admission and, if necessary, to prepare as soon as practical an amendment of this Agreement and, if required by law, to prepare and file an amendment to the Certificate of Limited Partnership, and the General Partner may for this purpose, among others, exercise the power of attorney granted pursuant to Section 1.4.

ARTICLE XIII

WITHDRAWAL OR REMOVAL OF PARTNERS

Section 13.1 *Withdrawal of the General Partner.*

(a) The General Partner shall be deemed to have withdrawn from the Partnership upon the occurrence of any one of the following events (each such event herein referred to as an "Event of Withdrawal");

(i) the General Partner voluntarily withdraws from the Partnership by giving written notice to the other Partners;

(ii) the General Partner transfers all of his rights as General Partner pursuant to Section 11.2;

B1-52

Table of Contents

(iii) the General Partner is removed pursuant to Section 13.2;

(iv) the General Partner (A) makes a general assignment for the benefit of creditors; (B) files a voluntary bankruptcy petition for relief under Chapter 7 of the United States Bankruptcy Code; (C) files a petition or answer seeking for itself a liquidation, dissolution or similar relief (but not a reorganization) under any law; (D) files an answer or other pleading admitting or failing to contest the material allegations of a petition filed against the General Partner in a proceeding of the type described in clauses (A)-(C) of this Section 13.1(a)(iv); or (E) seeks, consents to or acquiesces in the appointment of a trustee (but not a debtor in possession), receiver or liquidator of the General Partner or of all or any substantial part of its properties;

(v) a final and non-appealable order of relief under Chapter 7 of the United States Bankruptcy Code is entered by a court with appropriate jurisdiction pursuant to a voluntary or involuntary petition by or against the General Partner; or

(vi) a certificate of dissolution or its equivalent is filed for the General Partner, or 90 days expire after the date of notice to the General Partner of revocation of its charter without a reinstatement of its charter, under the laws of its state of incorporation or formation.

If an Event of Withdrawal specified in Section 13.1(a)(iv), (v) or (vi) occurs, the withdrawing General Partner shall give notice to the Limited Partners within 30 days after such occurrence. The Partners hereby agree that only the Events of Withdrawal described in this Section 13.1 shall result in the withdrawal of the General Partner from the Partnership.

(b) Withdrawal of the General Partner from the Partnership upon the occurrence of an Event of Withdrawal shall not constitute a breach of this Agreement under the following circumstances: (i) the General Partner voluntarily withdraws by giving at least 90 days advance notice to the Limited Partners, such withdrawal to take effect on the date specified in such notice; or (ii) at any time that the General Partner ceases to be a General Partner pursuant to Section 13.1(a)(ii) or is removed pursuant to Section 13.2. The withdrawal of the General Partner from the Partnership upon the occurrence of an Event of Withdrawal shall also constitute the withdrawal of the General Partner as general partner of the other Group Members. If the General Partner gives a notice of withdrawal pursuant to Section 13.1(a)(i), holders of a Unit Majority may, prior to the effective date of such withdrawal, elect a successor General Partner. The Person so elected as successor General Partner shall automatically become the successor general partner of the other Group Members. If, prior to the effective date of the General Partner's withdrawal, a successor is not selected by the Limited Partners as provided herein, the Partnership shall be dissolved in accordance with Section 14.1. Any successor General Partner elected in accordance with the terms of this Section 13.1 shall be subject to the provisions of Section 12.3.

(c) On the Effective Date, the Successor General Partner is being admitted to the Partnership as the successor to the Withdrawing General Partner immediately prior to its withdrawal pursuant to Section 4.4(d). At such time, the withdrawal of the Withdrawing General Partner as general partner of the Partnership shall be effective and any notice of such withdrawal required by this Article XIII shall be waived.

Section 13.2 *Removal of the General Partner.*

The General Partner may be removed if such removal is approved by Limited Partners holding at least two-thirds of the Outstanding Units voting together as a single class (excluding those Units held by the General Partner and its Affiliates). Any such action by such Limited Partners for removal of the General Partner must also provide for the election of a successor General Partner by Limited Partners holding at least a

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

majority of the Outstanding Units (excluding for purposes of such determination Units owned by the General Partner and its Affiliates). Such removal shall be effective immediately following the admission of a successor General Partner pursuant to Article XII. The removal of the General Partner shall also automatically constitute the removal of the General Partner as general partner of the other Group Members. If a person is elected as a successor General Partner in accordance with the terms of this Section 13.2, such person shall, upon admission pursuant to

B1-53

Article XII, automatically become the successor general partner of the other Group Members. The right of the Limited Partners holding Outstanding Units to remove the General Partner shall not exist or be exercised unless the Partnership has received an Opinion of Counsel that such removal would not result in the loss of the limited liability of any Limited Partner or of the limited partner of any Group Member or cause any Group Member to be treated as an association taxable as a corporation or otherwise to be taxed as an entity for federal income tax purposes to the extent not already so treated or taxed. Any successor General Partner elected in accordance with the terms of this Section 13.2 shall be subject to the provisions of Section 12.3.

Section 13.3 *Interest of Departing Partner and Successor General Partner.*

(a) In the event of (i) withdrawal of the General Partner under circumstances where such withdrawal does not violate this Agreement or (ii) removal of the General Partner by the Limited Partners under circumstances where Cause does not exist, if a successor General Partner is elected in accordance with the terms of Section 13.1 or 13.2, the Departing Partner shall have the option exercisable prior to the effective date of the departure of such Departing Partner to require its successor to purchase its Partnership Interest as a general partner in the Partnership (which is represented by the General Partner Units) and its partnership interest as the general partner in the other Group Members (collectively, the Combined Interest) in exchange for an amount in cash equal to the fair market value of such Combined Interest, such amount to be determined and payable as of the effective date of its departure. For purposes of this Section 13.3, the Withdrawing General Partner hereby waives the right to require the Successor General Partner to purchase its Combined Interest. If the General Partner is removed by the Limited Partners under circumstances where Cause exists or if the General Partner withdraws under circumstances where such withdrawal violates this agreement, and if a successor General Partner is elected in accordance with the terms of Section 13.1 or 13.2, such successor shall have the option, exercisable prior to the effective date of the departure of such Departing Partner, to purchase the Combined Interest of the Departing Partner for such fair market value of such Combined Interest. In either event, the Departing Partner shall be entitled to receive all reimbursements due such Departing Partner pursuant to Section 6.4, including any employee-related liabilities (including severance liabilities), incurred in connection with the termination of any employees employed by the General Partner for the benefit of the Partnership or the other Group Members.

For purposes of this Section 13.3(a), the fair market value of the Departing Partner's Combined Interest shall be determined by agreement between the Departing Partner and its successor or, failing agreement within 30 days after the effective date of such Departing Partner's departure, by an independent investment banking firm or other independent expert selected by the Departing Partner and its successor, which, in turn, may rely on other experts and the determination of which shall be conclusive as to such matter. If such parties cannot agree upon one independent investment banking firm or other independent expert within 45 days after the effective date of such departure, then the Departing Partner shall designate an independent investment banking firm or other independent expert, the Departing Partner's successor shall designate an independent investment banking firm or other independent expert, and such firms or experts shall mutually select a third independent investment banking firm or independent expert, which shall determine the fair market value of the Combined Interest. In making its determination, such independent investment banking firm or other independent expert shall consider the then current trading price of Units on any National Securities Exchange on which Units are then listed, the value of the Partnership's assets, the rights and obligations of the General Partner and other factors it may deem relevant.

(b) If the Combined Interest is not purchased in the manner set forth in Section 13.3(a), the Departing Partner shall become a Limited Partner and the Combined Interest shall be converted into Common Units pursuant to a valuation made by an investment banking firm or other independent expert selected pursuant to Section 13.3(a), without reduction in such Partnership Interest (but subject to proportionate dilution by reason of the admission of its successor). Any successor General Partner shall indemnify the Departing Partner as to all debts and liabilities of the Partnership arising on or after the date on which the Departing Partner becomes a Limited Partner. For purposes of this Agreement, conversion of the General Partner's Combined Interest to Common Units will be characterized as if the General Partner contributed its Combined Interest to the Partnership in exchange for the newly issued Common Units.

Table of Contents

(c) If a successor General Partner is elected in accordance with the terms of Section 13.1 or 13.2 and the option described in Section 13.3(a) is not exercised by the party entitled to do so, the successor General Partner shall, at the effective date of its admission to the Partnership, contribute to the Partnership cash in an amount equal to the fair market value of the Combined Interest on such date. In such event, such successor General Partner shall, subject to the following sentence, be entitled to such Percentage Interest of all Partnership allocations and distributions and any other allocations and distributions to which the Departing Partner was entitled.

Section 13.4 *Withdrawal of Limited Partners.*

No Limited Partner shall have any right to withdraw from the Partnership; *provided however*, that when a transferee of a Limited Partner's Units becomes a Record Holder, such transferring Limited Partner shall cease to be a Limited Partner with respect to the Units so transferred.

ARTICLE XIV

DISSOLUTION AND LIQUIDATION

Section 14.1 *Dissolution.*

The Partnership shall not be dissolved by the admission of Substituted Limited Partners or Additional Limited Partners or by the admission of a successor General Partner in accordance with the terms of this Agreement. Upon the removal or withdrawal of the General Partner, if a successor General Partner is elected pursuant to Section 13.1 or 13.2, the Partnership shall not be dissolved and such successor General Partner shall continue the business of the Partnership. The Partnership shall dissolve, and (subject to Section 14.2) its affairs shall be wound up, upon:

- (a) the expiration of its term as provided in Section 1.5;
- (b) an Event of Withdrawal of the General Partner as provided in Section 13.1(a) (other than Section 13.1(a)(ii)), unless a successor is elected and an Opinion of Counsel is received as provided in Section 13.1(b) or 13.2 and such successor is admitted to the Partnership pursuant to Section 12.3;
- (c) an election to dissolve the Partnership by the General Partner that is approved by holders of at least a Unit Majority;
- (d) entry of a decree of judicial dissolution of the Partnership pursuant to the provisions of the Delaware Act; or
- (e) the sale of all or substantially all of the assets and properties of the Partnership Group.

Section 14.2 *Continuation of the Business of the Partnership After Dissolution.*

Upon (a) dissolution of the Partnership following an Event of Withdrawal caused by the withdrawal or removal of the General Partner as provided in Section 13.1(a)(i) or (iii) and the failure of the Partners to select a successor to such Departing Partner pursuant to Section 13.1 or 13.2, then within 90 days thereafter, or (b) dissolution of the Partnership upon an event constituting an Event of Withdrawal as defined in Section 13.1(a)(iv), (v) or (vi), then, to the maximum extent permitted by law, within 180 days thereafter, holders of at least a majority of the Outstanding Units (excluding for purposes of such determination any Units held by the General Partner or its Affiliates) may elect to continue the business of the Partnership on the same terms and conditions set forth in this Agreement having as the successor general partner a Person approved by holders of at least a majority of the Outstanding Units (excluding for purposes of such determination any Units held by the General Partner or its Affiliates). Unless such an election is made within the applicable time period as set forth above, the Partnership shall conduct only activities necessary to wind up its affairs. If such an election is so made, then:

- (i) the Partnership shall continue without dissolution until the end of the term set forth in Section 1.5 unless earlier dissolved in accordance with this Article XIV;

B1-55

Table of Contents

(ii) if the successor General Partner is not the former General Partner, then the interest of the former General Partner shall be dealt with in the manner provided in Section 13.3(b); and

(iii) the successor General Partner shall be admitted to the Partnership as General Partner, effective as of the Event of Withdrawal, by agreeing in writing to be bound by this Agreement; provided, that the right of holders of at least a majority of Outstanding Units to approve a successor General Partner and to continue the business of the Partnership shall not exist and may not be exercised unless the Partnership has received an Opinion of Counsel that (x) the exercise of the right would not result in the loss of limited liability of any Limited Partner and (v) neither the Partnership, nor any other Group Member would be treated as an association taxable as a corporation or otherwise be taxable as an entity for federal income tax purposes upon the exercise of such right to continue to the extent not already so treated or taxed.

Section 14.3 *Liquidator.*

Upon dissolution of the Partnership, unless the business of the Partnership is continued pursuant to Section 14.2, the General Partner, or in the event the dissolution is the result of an Event of Withdrawal, a liquidator or liquidating committee approved by holders of at least a majority of the Outstanding Units representing Limited Partner Interests, shall be the Liquidator. The Liquidator (if other than the General Partner) shall be entitled to receive such compensation for its services as may be approved by holders of at least a majority of the Outstanding Units representing Limited Partner Interests. The Liquidator shall agree not to resign at any time without 15 days prior notice and (if other than the General Partner) may be removed at any time, with or without cause, by notice of removal approved by holders of at least a majority of the Outstanding Units representing Limited Partner Interests. Upon dissolution, removal or resignation of the Liquidator, a successor and substitute Liquidator (who shall have and succeed to all rights, powers and duties of the original Liquidator) shall within 30 days thereafter be approved by holders of at least a majority of the Outstanding Units representing Limited Partner Interests. The right to approve a successor or substitute Liquidator in the manner provided herein shall be deemed to refer also to any such successor or substitute Liquidator approved in the manner herein provided. Except as expressly provided in this Article XIV, the Liquidator approved in the manner provided herein shall have and may exercise, without further authorization or consent of any of the parties hereto, all of the powers conferred upon the General Partner under the terms of this Agreement (but subject to all of the applicable limitations, contractual and otherwise, upon the exercise of such powers other than the limitation on sale set forth in Section 6.3(b)) to the extent necessary or desirable in the good faith judgment of the Liquidator to carry out the duties and functions of the Liquidator hereunder for and during such period of time as shall be reasonably required in the good faith judgment of the Liquidator to complete the winding up and liquidation of the Partnership as provided for herein.

Section 14.4 *Liquidation.*

The Liquidator shall proceed to dispose of the assets of the Partnership, discharge its liabilities, and otherwise wind up its affairs in such manner and over such period as the Liquidator determines to be in the best interest of the Partners, subject to the following:

(a) *Disposition of Assets.* The assets may be disposed of by public or private sale or by distribution in kind to one or more Partners on such terms as the Liquidator and such Partner or Partners may agree. If any property is distributed in kind, the Partner receiving the property shall be deemed for purposes of Section 14.4(c) to have received cash equal to its fair market value; and contemporaneously therewith, appropriate cash distributions must be made to the other Partners. For purposes of computing Net Termination Gain, gain or loss on distributed property shall be recognized as if such property had been sold for its fair market value.

(b) *Discharge of Liabilities.* Liabilities of the Partnership include amounts owed to Partners otherwise than in respect of their distribution rights under Article V. With respect to any liability that is contingent or is otherwise not yet due and payable, the Liquidator shall either settle

such claim for such

B1-56

amount as it thinks appropriate or establish a reserve of cash or other assets to provide for its payment. When paid, any unused portion of the reserve shall be distributed as additional liquidation proceeds.

(c) *Liquidation Distributions.* All property and all cash in excess of that required to discharge liabilities as provided in Section 14.4(b) shall be distributed to the Partners in accordance with, and to the extent of, the positive balances in their respective Capital Accounts, as determined after taking into account all Capital Account adjustments (other than those made by reason of this clause) for the taxable year of the Partnership during which the liquidation of the Partnership occurs (with such date of occurrence being determined pursuant to Treasury Regulation Section 1.704-1(b)(2)(ii)(g)), and such distribution shall be made by the end of such taxable year (or, if later, within 90 days after said date of such occurrence).

Section 14.5 *Cancellation of Certificate of Limited Partnership.*

Upon the completion of the distribution of Partnership cash and property as provided in Sections 14.3 and 14.4 in connection with the liquidation of the Partnership, the Partnership shall be terminated and the Certificate of Limited Partnership and all qualifications of the Partnership as a foreign limited partnership in jurisdictions other than the State of Delaware shall be canceled and such other actions as may be necessary to terminate the Partnership shall be taken.

Section 14.6 *Return of Capital Contributions.*

The General Partner shall not be personally liable for, and shall have no obligation to contribute or loan any monies or property to the Partnership to enable it to effectuate, the return of the Capital Contributions of the Limited Partners, or any portion thereof, it being expressly understood that any such return shall be made solely from Partnership assets.

Section 14.7 *Waiver of Partition.*

To the maximum extent permitted by law, each Partner hereby waives any right to partition of the Partnership property.

Section 14.8 *Capital Account Restoration.*

No Limited Partner shall have any obligation to restore any negative balance in its Capital Account upon liquidation of the Partnership. The General Partner shall be obligated to restore any negative balance in its Capital Account upon liquidation of its interest in the Partnership by the end of the taxable year of the Partnership during which such liquidation occurs, or, if later, within 90 days after the date of such liquidation.

(k) any other amendments substantially similar to the foregoing.

Section 15.2 *Amendment Procedures.*

Except as provided in Sections 15.1 and 15.3, all amendments to this Agreement shall be made in accordance with the following requirements. Amendments to this Agreement may be proposed only by or with the consent of the General Partner. A proposed amendment shall be effective upon its approval by the holders of at least a Unit Majority, unless a greater or different percentage is required under this Agreement or by Delaware law. Each proposed amendment that requires the approval of the holders of a specified percentage of Outstanding Units shall be set forth in a writing that contains the text of the proposed amendment. If such an amendment is proposed, the General Partner shall seek the written approval of the requisite percentage of Outstanding Units or call a meeting of the Limited Partners to consider and vote on such proposed amendment. The General Partner shall notify all Record Holders upon final adoption of any such proposed amendments.

Section 15.3 *Amendment Requirements.*

(a) Notwithstanding the provisions of Sections 15.1 and 15.2, no provision of this Agreement that establishes a percentage of Outstanding Units required to take any action shall be amended, altered, changed, repealed or rescinded in any respect that would have either (i) the effect of reducing such voting percentage or (ii) more than an immaterial effect on a Unitholder unless such amendment is approved by the written consent or the affirmative vote of holders of Outstanding Units whose aggregate Outstanding Units constitute not less than the voting requirement sought to be reduced.

(b) Notwithstanding the provisions of Sections 15.1 and 15.2, no amendment to this Agreement may (i) enlarge the obligations of any Limited Partner without its consent, unless such shall be deemed to have occurred as a result of an amendment approved pursuant to Section 15.3(c), (ii) enlarge the obligations of, restrict in any way any action by or rights of, or reduce in any way the amounts distributable, reimbursable or otherwise payable to, the General Partner without its consent, which may be given or withheld in its sole discretion, (iii) change Section 14.1(a) or (c), or (iv) change the term of the Partnership or, except as set forth in Section 14.1(c), give any Person the right to dissolve the Partnership.

(c) Except as otherwise provided, and without limitation of the General Partner's authority to adopt amendments to this Agreement as contemplated in Section 15.1, any amendment that would have a material adverse effect on the rights or preferences of any class of Outstanding Units in relation to other classes of Units must be approved by the holders of not less than a majority of the Outstanding Units of the classes affected.

(d) Notwithstanding any other provision of this Agreement, except for amendments pursuant to Section 6.3 or 15.1 and except as otherwise provided by Section 16.3(b), no amendments shall become effective without the approval of the holders of at least 90% of the Outstanding Units unless the Partnership obtains an Opinion of Counsel to the effect that such amendment will not affect the limited liability of any Limited Partner or any limited partner of the other Group Members under applicable law.

(e) This Section 15.3 shall only be amended with the approval of the holders of at least 90% of the Outstanding Units.

(f) Notwithstanding anything to the contrary contained herein, following the Distribution Date the Partnership shall not supplement or amend the terms of the Partnership Agreement in any manner that may materially adversely affect the interests of the holders of Rights (other than an Acquiring Person or an Affiliate or an Associate of an Acquiring Person as such capitalized terms are defined in the Rights Agreement).

Section 15.4 *Meetings.*

All acts of Limited Partners to be taken pursuant to this Agreement shall be taken in the manner provided in this Article XV. Meetings of the Limited Partners may be called by the General Partner or by Limited Partners owning 20% or more of the Outstanding Units of the class or classes for which a meeting is proposed. Limited Partners shall call a meeting by delivering to the General Partner one or more requests in writing stating that the signing Limited Partners wish to call a meeting and indicating the general or specific purposes for which the meeting is to be called. Within 60 days after receipt of such a call from Limited Partners or within such greater time as may be reasonably necessary for the Partnership to comply with any statutes, rules, regulations, listing agreements or similar requirements governing the holding of a meeting or the solicitation of proxies for use at such a meeting, the General Partner shall send a notice of the meeting to the Limited Partners either directly or indirectly through the Transfer Agent. A meeting shall be held at a time and place determined by the General Partner on a date not less than 10

days nor more than 60 days after the mailing of notice of the meeting.

Section 15.6 *Record Date.*

For purposes of determining the Limited Partners entitled to notice of or to vote at a meeting of the Limited Partners or to give approvals without a meeting as provided in Section 15.11, the General Partner may set a Record Date, which shall not be less than 10 nor more than 60 days before (a) the date of the meeting (unless such requirement conflicts with any rule, regulation, guideline or requirement of any National Securities Exchange on which the Units are listed for trading, in which case the rule, regulation, guideline or requirement of such exchange shall govern) or (b) in the event that approvals are sought without a meeting, the date by which Limited Partners are requested in writing by the General Partner to give such approvals.

Section 15.7 *Adjournment.*

When a meeting is adjourned to another time or place, notice need not be given of the adjourned meeting and a new Record Date need not be fixed, if the time and place thereof are announced at the meeting at which the adjournment is taken, unless such adjournment shall be for more than 45 days. At the adjourned meeting, the Partnership may transact any business which might have been transacted at the original meeting. If the adjournment is for more than 45 days or if a new Record Date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given in accordance with this Article XV.

Section 15.8 *Waiver of Notice; Approval of Meeting; Approval of Minutes.*

The transactions of any meeting of Limited Partners, however called and noticed, and whenever held, shall be as valid as if occurred at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, Limited Partners representing such quorum who were present in person or by proxy and entitled to vote, sign a written waiver of notice or an approval of the holding of the meeting or an approval of the minutes thereof. All waivers and approvals shall be filed with the Partnership records or made a part of the minutes of the meeting. Attendance of a Limited Partner at a meeting shall constitute a waiver of notice of the meeting, except when the Limited Partner does not approve, at the beginning of the meeting, of the transaction of any business because the meeting is not lawfully called or convened; and except that attendance at a meeting is not a waiver of any right to disapprove the consideration of matters required to be included in the notice of the meeting, but not so included, if the disapproval is expressly made at the meeting.

Section 15.9 *Quorum.*

The holders of a majority of the Outstanding Units of the class or classes for which a meeting has been called represented in person or by proxy shall constitute a quorum at a meeting of Limited Partners of such class or classes unless any such action by the Limited Partners requires approval by holders of a greater percentage of such Units, in which case the quorum shall be such greater percentage. At any meeting of the Limited Partners duly called and held in accordance with this Agreement at which a quorum is present, the act of Limited Partners holding Outstanding Units that in the aggregate represent a majority of the Outstanding Units entitled to vote and be present in person or by proxy at such meeting shall be deemed to constitute the act of all Limited Partners, unless a greater or different percentage is required with respect to such action, under the provisions of this Agreement, in which case the act of the Limited Partners holding Outstanding Units that in the aggregate represent at least such greater or different percentage shall be required. The Limited Partners present at a duly called or held meeting at which a quorum is present may continue to transact business until adjournment, notwithstanding the withdrawal of enough Limited Partners to leave less than a quorum, if any action taken (other than adjournment) is approved by the required percentage of Outstanding Units specified in this Agreement. In the absence of a quorum any meeting of Limited Partners may be adjourned from time to time by the affirmative vote of holders of at least a majority of the Outstanding Units represented either in person or by proxy, but no other business may be transacted, except

as provided in Section 15.7.

Section 15.10 *Conduct of Meeting.*

The General Partner shall have full power and authority concerning the manner of conducting any meeting of the Limited Partners or solicitation of approvals in writing, including the determination of Persons entitled to

vote, the existence of a quorum, the satisfaction of the requirements of Section 15.4, the conduct of voting, the validity and effect of any proxies and the determination of any controversies, votes or challenges arising in connection with or during the meeting or voting. The General Partner shall designate a Person to serve as chairman of any meeting and shall further designate a Person to take the minutes of any meeting. All minutes shall be kept with the records of the Partnership maintained by the General Partner. The General Partner may make such other regulations consistent with the applicable law and this Agreement as it may deem advisable concerning the conduct of any meeting of the Limited Partners or solicitation of approvals in writing, including regulations in regard to the appointment of proxies, the appointment and duties of inspectors of votes and approvals, the submission and examination of proxies and other evidence of the right to vote, and the revocation of approvals in writing.

Section 15.11 *Action Without a Meeting.*

Any action that may be taken at a meeting of the Limited Partners may be taken without a meeting if an approval in writing setting forth the action so taken is signed by Limited Partners owning not less than the minimum percentage of the Outstanding Units that would be necessary to authorize or take such action at a meeting at which all the Limited Partners were present and voted. Prompt notice of the taking of action without a meeting shall be given to the Limited Partners who have not approved in writing. The General Partner may specify that any written ballot submitted to Limited Partners for the purpose of taking any action without a meeting shall be returned to the Partnership within the time period, which shall be not less than 20 days, specified by the General Partner. If a ballot returned to the Partnership does not vote all of the Units held by the Limited Partner, the Partnership shall be deemed to have failed to receive a ballot for the Units that were not voted. If approval of the taking of any action by the Limited Partners is solicited by any Person other than by or on behalf of the General Partner, the written approvals shall have no force and effect unless and until (a) they are deposited with the Partnership in care of the General Partner, (b) approvals sufficient to take the action proposed are dated as of a date not more than 90 days prior to the date sufficient approvals are deposited with the Partnership and (c) an Opinion of Counsel is delivered to the General Partner to the effect that the exercise of such right and the action proposed to be taken with respect to any particular matter (i) will not cause the Limited Partnership to be deemed to be taking part in the management and control of the business and affairs of the Partnership so as to jeopardize the Limited Partners' limited liability, and (ii) is otherwise permissible under the state statutes then governing the rights, duties and liabilities of the Partnership and the Partners.

Section 15.12 *Voting and Other Rights.*

(a) Only those Record Holders of the Units on the Record Date set pursuant to Section 15.6 (and also subject to the limitations contained in the definition of Outstanding) shall be entitled to notice of, and to vote at, a meeting of Limited Partners or to act with respect to matters as to which the holders of the Outstanding Units have the right to vote or to act. All references in this Agreement to votes of, or other acts that may be taken by, the Outstanding Units shall be deemed to be references to the votes or acts of the Record Holders of such Outstanding Units.

(b) With respect to Units that are held for a Person's account by another Person (such as a broker, dealer, bank, trust company or clearing corporation, or an agent of any of the foregoing), in whose name such Units are registered, such other Person shall, in exercising the voting rights in respect of such Units on any matter, and unless the arrangement between such Persons provides otherwise, vote such Units in favor of, and at the direction of, the Person who is the beneficial owner, and the Partnership shall be entitled to assume it is so acting without further inquiry. The provisions of this Section 15.12(b) (as well as all other provisions of this Agreement) are subject to the provisions of Section 10.4.

(b) The Merger Agreement shall be approved upon receiving the affirmative vote or consent of the holders of a Unit Majority unless the Merger Agreement contains any provision that, if contained in an amendment to this Agreement, the provisions of this Agreement or the Delaware Act would require the vote or consent of a greater percentage of the Outstanding Units or of any class of Limited Partners, in which case such greater percentage vote or consent shall be required for approval of the Merger Agreement.

(c) After such approval by vote or consent of the Limited Partners, and at any time prior to the filing of the certificate of merger pursuant to Section 16.4, the merger or consolidation may be abandoned pursuant to provisions therefor, if any, set forth in the Merger Agreement.

Section 16.4 *Certificate of Merger.*

Upon the required approval by the General Partner and the Limited Partners of a Merger Agreement, a certificate of merger shall be executed and filed with the Secretary of State of the State of Delaware in conformity with the requirements of the Delaware Act.

Section 16.5 *Effect of Merger.*

(a) At the effective time of the certificate of merger:

(i) all of the rights, privileges and powers of each of the business entities that has merged or consolidated, and all property, real, personal and mixed, and all debts due to any of those business entities and all other things and causes of action belonging to each of those business entities shall be vested in the Surviving Business Entity and after the merger or consolidation shall be the property of the Surviving Business Entity to the extent they were of each constituent business entity;

(iii) all rights of creditors and all liens on or security interests in property of any of those constituent business entities shall be preserved unimpaired; and

(iv) all debts, liabilities and duties of those constituent business entities shall attach to the Surviving Business Entity, and may be enforced against it to the same extent as if the debts, liabilities and duties had been incurred or contracted by it.

(b) A merger or consolidation effected pursuant to this Article shall not be deemed to result in a transfer or assignment of assets or liabilities from one entity to another having occurred.

ARTICLE XVII

RIGHT TO ACQUIRE UNITS

Section 17.1 *Right to Acquire Units.*

(a) Notwithstanding any other provision of this Agreement, if at any time not more than 20% of the total Units of any class then Outstanding are held by Persons other than the General Partner and its Affiliates, the General Partner shall then have the right, which right it may assign and transfer to the Partnership or any Affiliate of the General Partner, exercisable in its sole discretion, to purchase all, but not less than all, of the Units of such class then Outstanding held by Persons other than the General Partner and its Affiliates, at the greater of (x) the Current Market Price as of the date three days prior to the date that the notice described in Section 17.1(b) is mailed, and (y) the highest cash price paid by the General Partner or any of its Affiliates for any such Unit purchased during the 90-day period preceding the date that the notice described in Section 17.1(b) is mailed.

B1-63

Table of Contents

(b) If the General Partner, any Affiliate of the General Partner or the Partnership elects to exercise the right to purchase Units granted pursuant to Section 17.1(a), the General Partner or the Partnership, as the case may be, shall deliver to the Transfer Agent notice of such election to purchase (the Notice of Election to Purchase) and shall cause the Transfer Agent to mail a copy of such Notice of Election to Purchase to the Record Holders of such Units (as of a Record Date selected by the General Partner) at least 10, but not more than 60 days prior to the Purchase Date. Such Notice of Election to Purchase shall also be published for a period of at least three consecutive days in at least two daily newspapers of general circulation printed in the English language and published in the Borough of Manhattan, New York. The Notice of Election to Purchase shall specify the Purchase Date and the price (determined in accordance with Section 17.1(a)) at which Units will be purchased and state that the General Partner, its Affiliate or the Partnership, as the case may be, elects to purchase such Units, upon surrender of Certificates representing such Units in exchange for payment at such office or offices of the Transfer Agent as the Transfer Agent may specify, or as may be required by any National Securities Exchange on which the Units are listed or admitted to trading. Any such Notice of Election to Purchase mailed to a Record Holder of Units at his address as reflected in the records of the Transfer Agent shall be conclusively presumed to have been given regardless of whether the owner receives such notice. On or prior to the Purchase Date, the General Partner, its Affiliate or the Partnership, as the case may be, shall deposit with the Transfer Agent cash in an amount sufficient to pay the aggregate purchase price of all of the Units to be purchased in accordance with this Section 17.1. If the Notice of Election to Purchase shall have been duly given as aforesaid at least 10 days prior to the Purchase Date, and if on or prior to the Purchase Date the deposit described in the preceding sentence has been made for the benefit of the holders of Units subject to purchase as provided herein, then from and after the Purchase Date, notwithstanding that any Certificate shall not have been surrendered for purchase, all rights of the holders of such Units (including any rights pursuant to Articles IV, V and XIV) shall thereupon cease, except the right to receive the purchase price (determined in accordance with Section 17.1(a)) for Units therefor, without interest, upon surrender to the Transfer Agent of the Certificates representing such Units, and such Units shall thereupon be deemed to be transferred to the General Partner, its Affiliate or the Partnership, as the case may be, on the record books of the Transfer Agent and the Partnership, and the General Partner or any Affiliate of the General Partner, or the Partnership, as the case may be, shall be deemed to be the owner of all such Units from and after the Purchase Date and shall have all rights as the owner of such Units (including all rights as owner of such Units pursuant to Articles IV, V and XIV).

(c) At any time from and after the Purchase Date, a holder of an Outstanding Unit subject to purchase as provided in this Section 17.1 may surrender his Certificate evidencing such Unit to the Transfer Agent in exchange for payment of the amount described in Section 17.1(a), therefor, without interest thereon.

ARTICLE XVIII

An affidavit or certificate of making of any notice, payment or report in accordance with the provisions of this Section 18.1 executed by the General Partner, the Transfer Agent or the mailing organization shall be prima facie evidence of the giving or making of such notice, payment or report. Any notice to the Partnership shall be deemed given if received by the General Partner at the principal office of the Partnership designated pursuant to Section 1.3. BUSINESS COMBINATIONS WITH INTERESTED HOLDERS

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

Section 20.1 *Limitation on Business Combinations.*

(a) Notwithstanding any other provisions of this Agreement, the Partnership shall not engage in any Business Combination (as defined below) with any Interested Holder (as defined below) for a period of 3 years following the time that such Person became an Interested Holder, unless:

(i) prior to such time the General Partner approved either the Business Combination or the transaction which resulted in the Person becoming an Interested Holder, or

(ii) upon consummation of the transaction which resulted in the Person becoming an Interested Holder, the Interested Holder owned at least 85% of the Outstanding Units at the time the transaction commenced, excluding for purposes of determining the number of Outstanding Units those Units owned by the General Partner and its Affiliates, or

(iii) at or subsequent to such time the Business Combination is approved by the General Partner and authorized at a meeting of Partners, and not by written consent, by the affirmative vote of at least 66²/₃% of the Outstanding Units which are not owned by the Interested Holder.

(b) The restrictions contained in this section shall not apply if:

(i) The Partnership, by action of Partners, adopts an amendment to this Agreement expressly electing not to be governed by this section, provided that, in addition to any other vote required by law,

B1-66

Table of Contents

such amendment to this Agreement must be approved by the affirmative vote of a majority of the Outstanding Units. An amendment adopted pursuant to this paragraph shall not be effective until 12 months after the adoption of such amendment and shall not apply to any Business Combination between the Partnership and any person who became an Interested Holder on or prior to such adoption;

(ii) a Person becomes an Interested Holder inadvertently and (i) as soon as practicable divests itself of ownership of sufficient Units so that the Person ceases to be an Interested Holder and (ii) would not, at any time within the 3 year period immediately prior to a Business Combination between the Partnership and such Person, have been an Interested Holder but for the inadvertent acquisition of ownership;

(iii) the Business Combination is proposed prior to the consummation or abandonment of and subsequent to the earlier of the public announcement or the notice required hereunder of a proposed transaction which (i) constitutes one of the transactions described in the second sentence of this paragraph; (ii) is with or by a Person who either was not an Interested Holder during the previous 3 years or who became an Interested Holder with the approval of the General Partner and (iii) is approved or not opposed by a Person that was the General Partner (the Original General Partner) prior to any Person becoming an Interested Holder during the previous 3 years or was recommended for appointment to succeed such General Partner by the Original General Partner. The proposed transactions referred to in the preceding sentence are limited to (x) a merger or consolidation of the Partnership (except for a merger in respect of which no vote of the Partners is required); (y) a sale, lease, exchange, mortgage, pledge, transfer or other disposition (in one transaction or a series of transactions), whether as part of a dissolution or otherwise, of assets of the Partnership or of any direct or indirect majority-owned subsidiary of the Partnership (other than to any direct or indirect wholly-owned subsidiary or to the Partnership) having an aggregate market value equal to 50% or more of either the aggregate market value of all of the assets of the Partnership determined on a consolidated basis or the aggregate market value of all the Outstanding Units of the Partnership; or (z) a proposed tender or exchange offer for 50% or more of the Outstanding Units of the Partnership. The Partnership shall give not less than 20 days notice to all Interested Holders prior to the consummation of any of the transactions described in clauses (x) or (y) of the second sentence of this paragraph.

Section 20.2 *Definitions Applicable to Article XX.*

As used in this section only, the term:

(a) Business Combination, when used in reference to the Partnership and any Interested Holder of the Partnership means:

(i) any merger or consolidation of the Partnership or any direct or indirect majority-owned subsidiary of the Partnership with (A) the Interested Holder, or (B) with any other corporation, partnership, unincorporated association or other entity if the merger or consolidation is caused by the Interested Holder and as a result of such merger or consolidation subsection (a) of this section is not applicable to the surviving entity;

(ii) any sale, lease, exchange, mortgage, pledge, transfer or other disposition (in one transaction or a series of transactions), except proportionately as a Partner of the Partnership, to or with the Interested Holder, whether as part of a dissolution or otherwise, of assets of the Partnership or of any direct or indirect majority-owned subsidiary of the Partnership which assets have an aggregate market value equal to 10% or more of either the aggregate market value of all the assets of the Partnership determined on a consolidated basis or the aggregate market value of all the Outstanding Units of the Partnership;

Edgar Filing: STAR GAS PARTNERS LP - Form PRE 14A

(iii) any transaction which results in the issuance or transfer by the Partnership or by any direct or indirect majority-owned subsidiary of the Partnership of any securities of the Partnership or of such subsidiary to the Interested Holder, except (A) pursuant to the exercise, exchange or conversion of

B1-67

securities exercisable for, exchangeable for or convertible into securities of the Partnership or any such subsidiary which securities were outstanding prior to the time that the Interested Holder became such, (B) pursuant to a merger of the Partnership with or into a single direct or indirect wholly-owned subsidiary of the Partnership in a transaction that would meet the requirements of Section 251(g) of the Delaware General Corporation Law, if the Partnership was a corporation, (C) pursuant to a dividend or distribution paid or made, or the exercise, exchange or conversion of securities exercisable for, exchangeable for or convertible into securities of the Partnership or any such subsidiary which security is distributed, pro rata to all holders of a class or series of securities of such Partnership subsequent to the time the Interested Holder became such, (D) pursuant to an exchange offer by the Partnership to purchase Units made on the same terms to all holders of said Units, or (E) any issuance or transfer of Units by the Partnership, provided however, that in no case under (B)-(D) above shall there be an increase in the Interested Holder's proportionate share of the securities of any class or series of the Partnership or of the Units of the Partnership;

(iv) any transaction involving the Partnership or any direct or indirect majority-owned subsidiary of the Partnership which has the effect, directly or indirectly, of increasing the proportionate share of the securities of any class or series, or securities convertible into the securities of any class or series, of the Partnership or of any such subsidiary which is owned by the Interested Holder, except as a result of immaterial changes due to fractional unit adjustments or as a result of any purchase or redemption of any Units not caused, directly or indirectly, by the Interested Holder; or

(v) any receipt by the Interested Holder of the benefit, directly or indirectly (except proportionately as a Partner of such Partnership) of any loans, advances, guarantees, pledges, or other financial benefits (other than those expressly permitted in subparagraphs (i)-(iv) above) provided by or through the Partnership or any direct or indirect majority owned subsidiary.

(b) control, including the term controlling, controlled by and under common control with, means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract, or otherwise. A Person who is the owner of 20% or more of the outstanding voting securities of any corporation, partnership, unincorporated association or other entity shall be presumed to have control of such entity, in the absence of proof by a preponderance of the evidence to the contrary. Notwithstanding the foregoing, a presumption of control shall not apply where such Person holds voting securities, in good faith and not for the purpose of circumventing this section, as an agent, bank, broker, nominee, custodian or trustee for one or more owners who do not individually or as a group have control of such entity.

(c) Interested Holder means any Person (other than the Partnership and any direct or indirect majority-owned subsidiary of the Partnership and the Successor General Partner, and any Affiliates or Associates of the Successor General Partner) that (i) is the owner of 15% or more of the Outstanding Units of the Partnership, or (ii) is an affiliate or associate of the Partnership and was the owner of 15% or more of the Outstanding Units of the Partnership at any time within the 3-year period immediately prior to the date on which it is sought to be determined whether such Person is an Interested Holder, and the Affiliates and Associates of such Person; provided, however, that the term Interested Holder shall not include any Person whose ownership of Units in excess of the 15% limitation set forth herein is the result of action taken solely by the Partnership provided that such person shall be an Interested Holder if thereafter such Person acquires additional Units, except as a result of further Partnership action not caused, directly or indirectly, by such Person. For the purpose of determining whether a person is an Interested Holder, the Outstanding Units shall include Units deemed to be owned by the Person through application of paragraph (e) of this subsection but shall not include any other unissued Units which may be issuable pursuant to any agreement, arrangement or understanding, or upon exercise of conversion rights, warrants or options, or otherwise.

(d) owner including the terms own and owned when used with respect to any Units means a person that individually or with or through any of its affiliates or associates:

(i) beneficially owns such Units, directly or indirectly; or

B1-68

(ii) has (A) the right to acquire such Units (whether such right is exercisable immediately or only after the passage of time) pursuant to any agreement, arrangement or understanding, or upon the exercise of conversion rights, exchange rights, warrants or options, or otherwise; provided, however, that a person shall not be deemed the owner of Units tendered pursuant to a tender or exchange offer made by such person or any of such person's affiliates or associates until such tendered Units is accepted for purchase or exchange; or (B) the right to vote such Units pursuant to any agreement, arrangement or understanding; provided, however, that a person shall not be deemed the owner of any Units because of such person's right to vote such Units if the agreement, arrangement or understanding to vote such Units arises solely from a revocable proxy or consent given in response to a proxy or consent solicitation made to 10 or more persons; or

(iii) has any agreement, arrangement or understanding for the purpose of acquiring, holding, voting (except voting pursuant to a revocable proxy or consent as described in item (B) of clause (ii) of this paragraph), or disposing of such Units with any other person that beneficially owns, or whose affiliates or associates beneficially own, directly or indirectly, such Units.
