PROXY STATEMENT

ANNUAL MEETING INFORMATION

This proxy statement contains information related to the Annual Meeting of Shareholders of UGI Corporation to be held on Wednesday, February 22, 2006, beginning at 10:00 a.m., at The Desmond Hotel and Conference Center, One Liberty Boulevard, Malvern, Pennsylvania, and at any postponements or adjournments thereof. Directions to The Desmond Conference Center appear at the back of this booklet. This proxy statement was prepared under the direction of the Company's Board of Directors to solicit your proxy for use at the Annual Meeting. It will be mailed to Shareholders on or about January 3, 2006.

Who is entitled to vote?

Shareholders of record of our Common Stock at the close of business on December 9, 2005 are entitled to vote at the Annual Meeting, or any postponement or adjournment of the meeting scheduled in accordance with Pennsylvania law. Each Shareholder has one vote per Share on all matters to be voted on. On December 9, 2005, there were 104,974,454 Shares of Common Stock outstanding.

What am I voting on?

You will be asked to elect nine nominees to serve on the Company's Board of Directors and to ratify the appointment of our independent registered public accountants for Fiscal 2006. The Board of Directors is not aware of any other matters to be presented for action at the meeting.

How does the Board of Directors

recommend I vote on the proposals?

The Board Of Directors Recommends A Vote **FOR** The Election Of Each Of The Nominees For Director, And **FOR** The Ratification Of The Appointment Of PricewaterhouseCoopers LLP As Our Independent Registered Public Accountants For Fiscal 2006.

What does it mean if I get more than one proxy card?

If your Shares are registered differently and are in more than one account, you will receive more than one card. Please follow the directions for voting on each of the proxy cards you receive to ensure that all of your Shares are voted.

Table of Contents

How do I vote?

You may vote in one of three ways:

Vote Over the Internet

If your Shares are held in the name of a broker, bank or other nominee: Vote your Shares over the Internet by following the voting instructions provided on the voting instruction form that you receive from such broker, bank or other nominee.

If your Shares are registered in your name: Vote your Shares over the Internet by accessing the Mellon Investor Services LLC Proxy Vote Online website at:

<http://www.proxyvoting.com/ugi>

and following the on-screen instructions. You will need the control number that appears on your proxy card when you access the web page.

Vote By Telephone

If your Shares are held in the name of a broker, bank or other nominee: Vote your Shares over the telephone by following the telephone voting instructions, if any, provided on the proxy card you receive from such broker, bank or other nominee.

If your Shares are registered in your name: Vote your Shares over the telephone by accessing the telephone voting system toll-free at 1-866-540-5760 and following the telephone voting instructions. The telephone instructions will lead you through the voting process. You will need the control number that appears on your proxy card when you call.

Internet and telephone voting will provide proxy holders the same authority to vote your Shares as if you returned your proxy card by mail. In addition, Internet and telephone voting will reduce the Company's proxy-related first-class postage expenses.

Vote by Returning Your Proxy Card

You may vote by signing and returning your proxy card. The proxy holders will vote your Shares according to your directions. If you sign and return your proxy card without specifying choices, your Shares will be voted as recommended by the Board of Directors.

If You Change Your Mind After Voting

You can revoke your proxy at any time before it is voted. Proxies are voted at the Annual Meeting. If you are a Shareholder of record, you can write to the Company's Corporate Secretary at our principal offices, 460 North Gulph Road, King of Prussia, Pennsylvania 19406,

Table of Contents

stating that you wish to revoke your proxy and that you need another proxy card. If you hold your Shares through a broker, bank or other nominee, you can revoke your proxy by contacting the broker, bank or other nominee and asking for a new proxy card. Alternatively, you can vote again, either over the Internet or by telephone. If you attend the meeting, you may vote by ballot, which will cancel your previous proxy vote. Your last vote is the vote that will be counted.

What is a quorum?

A quorum of the holders of the outstanding Shares must be present for the Annual Meeting to be held. A quorum is the presence at the meeting, in person or represented by proxy, of the holders of a majority of the outstanding Shares entitled to vote.

How are votes, abstentions and

broker non-votes counted?

Abstentions are counted for purposes of determining the presence or absence of a quorum, but are not considered a vote cast under Pennsylvania law.

A broker non-vote may occur when a broker, bank or other nominee holding Shares on your behalf does not receive voting instructions from you. If that happens, the broker, bank or other nominee may vote those Shares only on matters deemed routine by the New York Stock Exchange, such as the election of directors and the ratification of the appointment of the independent accountants. A broker non-vote occurs when a broker has not received voting instructions and either declines to exercise its discretionary authority to vote on routine matters or is barred from doing so because the matter is non-routine. Broker non-votes are counted to determine if a quorum is present, but are not considered a vote cast under Pennsylvania law.

As a result, abstentions and broker non-votes are not included in the tabulation of the voting results on issues requiring approval of a majority of the votes cast and, therefore, do not have the effect of votes in opposition in such tabulation.

What vote is required to approve each item?

The Director nominees will be elected by a plurality of the votes cast at the Annual Meeting. The other matter to be considered at the meeting requires the affirmative vote of a majority of the votes cast at the meeting on the item to be approved.

Who will count the vote?

Mellon Investor Services LLC, our Transfer Agent, will tabulate the votes cast by proxy or in person at the Annual Meeting.

Table of Contents

What are the deadlines for Shareholder s

proposals for next year s Annual Meeting?

Shareholders may submit proposals on matters appropriate for Shareholder action at future annual meetings by following the rules of the Securities and Exchange Commission. Proposals intended for inclusion in next year s proxy statement and proxy card must be received by the Company not later than September 5, 2006. With respect to proposals not intended for inclusion in the Company s proxy materials for next year s annual meeting, if the Company does not receive notice of such a proposal by November 20, 2006 and the matter is raised at that meeting, the proxy holders will have discretionary authority to vote on the matter. All proposals and notifications should be addressed to the Corporate Secretary.

How much did this proxy solicitation cost?

The Company has engaged Georgeson Shareholder to solicit proxies for the Company for a fee of \$6,500 plus reasonable expenses for additional services. We also reimburse banks, brokerage firms and other institutions, nominees, custodians and fiduciaries for their reasonable expenses for sending proxy materials to beneficial owners and obtaining their voting instructions. Certain Directors, officers and regular employees of the Company and its subsidiaries may solicit proxies personally or by telephone or facsimile without additional compensation.

As part of its duties, the Board oversees the corporate governance of the Company for the purpose of creating long-term value for its Shareholders and safeguarding its commitment to its other stakeholders: our employees, our customers, our suppliers and creditors, and the communities in which we do business. To accomplish this purpose, the Board considers the interests of the Company's stakeholders when, together with management, it sets the strategies and objectives of the Company. The Board also evaluates management's performance in pursuing those strategies and achieving those objectives.

In carrying out its responsibilities under the guidelines set forth by the Principles of Corporate Governance, the Board will:

- Approve the Company's strategies and objectives;
- Evaluate the performance and compensation of the Chief Executive Officer and senior management;
- Review succession planning;
- Advise and counsel management;
- Monitor policies on corporate governance and conduct;
- Establish and monitor Board and Committee structure; and
- Assess Board performance.

The full text of the Company's Principles of Corporate Governance can be found on the Company's website, www.ugicorp.com, under Investor Relations and Corporate Governance. The Company has also adopted (i) a Code of Ethics for the Chief Executive Officer and Senior Financial Officers that applies to the Company's Chief Executive Officer, Chief Financial Officer and Chief Accounting Officer, and (ii) a Code of Business Conduct and Ethics for Directors, Officers and Employees. BOARD COMMITTEES AND MEETING ATTENDANCE

The Board of Directors has determined that, other than Messrs. The Board of Directors has established the following guidelines to assist it in determining director independence: (i) if a Director serves as an officer, director or trustee of a non-profit organization, charitable contributions to that organization by the Company and its affiliates in an amount up to \$50,000 per year will not be considered to result in a material relationship between such Director and the Company, and (ii) service by a Director or his immediate family member as an executive officer or employee of a company that makes payments to, or receives payments from, the Company or its affiliates for property or services in an amount which, in any of the last three fiscal years, did not exceed the greater of \$1 million or 2% of such other company's consolidated gross revenues, will not be considered to result in a material relationship between such Director and the Company.

The Board of Directors held 8 meetings in Fiscal 2005. All Directors attended at least 75% of the meetings of the Board of Directors and Committees of the Board of which they were members. Generally, all Directors attend the Company's Annual Meetings of Shareholders, and each of the Company's Directors attended the 2005 Annual Meeting of Shareholders, held on February 23, 2005.

Selection and Evaluation of Board Candidates

The Corporate Governance Committee seeks director candidates based upon a number of qualifications, including their independence, knowledge, judgment, character, leadership skills, education, experience, financial literacy, standing in the community, and ability to foster a diversity of backgrounds and views and to complement the Board's existing strengths. As part of the process of selecting Board candidates, the Committee obtains an opinion of the Company's General Counsel that there is no reason to believe that the Board candidate is not independent as defined by the New York Stock Exchange listing standards. The Committee conducts an annual assessment of the composition of the Board and Committees and reviews with the Board the appropriate skills and characteristics required of Board members. The Committee generally relies upon recommendations from a wide variety of its business contacts, including current executive officers, Directors, community leaders, and Shareholders as a source for potential Board candidates. The Committee sometimes uses the services of a third-party executive search firm to assist it in identifying and evaluating possible nominees for director.

Written recommendations for director nominees should be delivered to the Corporate Secretary, UGI Corporation, 460 North Gulph Road, King of Prussia, PA 19406. The Company's bylaws do not permit Shareholders to nominate candidates from the floor at an annual meeting without notifying the Corporate Secretary 45 days prior to the anniversary of the mailing date of the Company's proxy statement for the previous year's annual meeting. Notification must include certain information detailed in the Company's bylaws. If you intend to nominate a candidate from the floor at an annual meeting, please contact the Corporate Secretary.

Directors Compensation***Under the 2004 Omnibus Equity Compensation Plan***

Purpose. The purpose of the 2004 Plan is to provide an incentive to our Directors, as well as our employees, to contribute to our economic success by aligning their interests with the interests of the Shareholders through grants of equity-based awards.

Administration. With respect to grants made to non-employee Directors, the 2004 Plan is administered by the Board. The Board has the authority to determine the individuals to whom grants will be made, the time when grants will be made, and the type, size, and terms of each grant.

Grants. The Board may make the following types of grants under the 2004 Plan to the non-management Directors, with terms to be established by the Board:

Stock options

Stock Units or Performance Units whose value is based on the value of our Common Stock

Stock awards, which are awards of our Common Stock

Table of Contents

Dividend Equivalents in connection with grants of options, Stock Units, Performance Units or other stock-based awards
Other stock-based awards, which are other awards based on, measured by or payable in our Common Stock

Options. All stock options will be non-qualified stock options, which are not intended to qualify as incentive stock options under Section 422 of the Internal Revenue Code. The exercise price of an option may not be less than the fair market value of a Share on the date of grant. The exercise price may be paid in cash, in Shares having a fair market value on the date of exercise equal to the amount of the exercise price, through a broker by having the broker sell Shares simultaneously with the exercise of the option, or by any other method permitted by the Board.

The term of each option will not exceed ten years. Except as otherwise provided by the Board, all options are fully vested on the date of the grant and may only be exercised while the participant is a Director, with exceptions for exercise following retirement, disability or death.

Stock Units. The Board may grant Stock Units to non-employee Directors. Each Stock Unit represents the right of the participant to receive a Share or an amount based on the value of a Share. Unless otherwise provided by the Board, all whole Stock Units credited to a Director earn Dividend Equivalents on each record date for the payment of a dividend by the Company on its Shares. A Dividend Equivalent is an amount determined by multiplying the number of Units credited to a participant's account by the per-Share cash dividend, or the per-Share fair market value of any non-cash dividend, paid by the Company on its Shares on a dividend payment date. Accrued Dividend Equivalents are converted to additional whole Units annually, on the last day of the calendar year.

All Stock Units and Dividend Equivalents are fully vested when credited to the participant's account. Account balances become payable in Shares and cash upon retirement or termination of service, unless the Director elected to defer receipt of those benefits prior to 2005.

Transferability of Grants. Grants under the 2004 Plan are not transferable by the participant except by will or the laws of descent and distribution. Grants under the 2004 Plan may not be pledged or otherwise encumbered by a participant or otherwise subject to the claims of a participant's creditors.

Notwithstanding anything to the contrary, the following reports of the Audit Committee and the Compensation and Management Development Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee is composed of independent Directors as defined by the rules of the New York Stock Exchange and acts under a written charter adopted by the Board of Directors, a copy of which is included in this Proxy Statement as Appendix A. As described more fully in its charter, the role of the Committee is to assist the Board of Directors in its oversight of the quality and integrity of the Company's financial reporting process. The Committee also has the sole authority to appoint, retain, fix the compensation of and oversee the work of the Company's independent auditors.

In this context, the Committee met and held discussions with management and the independent auditors to review and discuss the Company's internal control over financial reporting and the audited financial statements for Fiscal 2005. The Committee also reviewed management's report on internal control over financial reporting, required for the first time this year under Section 404 of the Sarbanes-Oxley Act of 2002. As part of this review, the Committee reviewed the basis for management's conclusions in that report. It also reviewed the report of the independent auditors on internal control over financial reporting. Throughout Fiscal 2005, the Committee reviewed management's plan for documenting and testing controls, the results of its documentation and testing, any deficiencies discovered and the resulting remediation of deficiencies. The Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, *Communications with Audit Committees*, as amended, and the independent auditors' independence. In addition, the Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, *Independent Discussions with Audit Committees*.

Management has the primary responsibility for the financial reporting process, including the system of internal controls, and for preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States of America. The Company's independent auditors are responsible for auditing those financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America. The Committee's responsibility is to monitor and review these processes.

The members of the Committee are not professionally engaged in the practice of auditing or accounting. The members of the Committee rely, without independent verification, on the information provided to them and on the representations made by management and the independent auditors. Accordingly, the Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with auditing standards generally accepted in the United States of America, that the financial statements are presented in accordance with accounting principles generally accepted in the United States of America or that our auditors are, in fact, independent.

Based upon the reviews and discussions described in this report, the Committee has recommended to the Board that the audited financial statements be included in the Company's

Table of Contents**THE INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS**

In the course of its meetings, the Audit Committee considered whether the provision by PricewaterhouseCoopers of the professional services described in this section is compatible with PricewaterhouseCoopers' independence. The Committee concluded that the independent public accountants are independent from the Company and its management.

Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the Company's independent accountants. In recognition of this responsibility, the Audit Committee has a policy of pre-approving all audit and permissible non-audit services provided by the independent accountants.

Prior to engagement of the Company's independent accountants for the next year's audit, management submits a list of services and related fees expected to be rendered during that year within each of the four categories of services noted below to the Audit Committee for approval.

The aggregate fees billed by PricewaterhouseCoopers, the Company's independent registered public accountants, in Fiscal 2005 and 2004 were as follows:

| | <u>2005</u> | <u>2004</u> |
|---|---------------------|---------------------|
| Audit Fees ¹ | \$ 3,994,080 | \$ 1,407,215 |
| Audit-Related Fees ² | - 0 - | 524,300 |
| Tax Fees ³ | 716,324 | 602,341 |
| All Other Fees ⁴ | 8,268 | 7,800 |
| Total Fees for Services Provided | \$ 4,718,672 | \$ 2,541,656 |

¹ Audit Fees were for audit services, including (i) the annual audit of the consolidated financial statements of the Company, (ii) the audit of management's assessment of the effectiveness of internal control over financial statements, (iii) subsidiary audits, (iv) review of the interim financial statements included in the Quarterly Reports on Form 10-Q of the Company, AmeriGas Partners, L.P. and UGI Utilities, Inc., and (v) services that only the independent public accounting firm can reasonably be expected to provide, such as services associated with registration statements filed with the SEC, and documents issued in connection with securities offerings.

² Audit-Related Fees were principally for (i) services related to due diligence services pertaining to potential acquisitions, (ii) the audit of subsidiary employee benefit plans, and (iii) consultation with management concerning final or proposed auditing standards.

³ Tax Fees were for (i) the preparation of Substitute Schedule K-1 forms for unitholders of AmeriGas Partners, L.P., and (ii) tax planning and advice.

⁴ All Other Fees were for a software license.

REPORT OF THE COMPENSATION AND MANAGEMENT DEVELOPMENT COMMITTEE OF THE BOARD OF DIRECTORS

Role of the Committee

The Committee establishes and oversees the Company's executive compensation policies and programs. The Committee also recommends to the Board of Directors base salaries, target bonus levels, actual bonuses, and long-term incentive awards to be paid to senior management. The Committee, together with the other independent members of the Board, determines and approves CEO compensation. In carrying out these functions, we believe it is important to align executive compensation with business objectives and strategies, management initiatives, financial performance and enhanced Shareholder value.

Our Committee is comprised of independent Directors, none of whom is or was an officer or employee of the Company or its subsidiaries. Periodically, we solicit and receive recommendations and advice from independent third-party compensation consultants. Towers Perrin has acted in this capacity since 1986.

Compensation for the chief executive officer of AmeriGas Propane, Inc. is determined by the Compensation/Pension Committee and Board of Directors of that company under the same process described in this report. Compensation for the chief executive officer of Antargaz is determined by the Antargaz Board of Directors and the Compensation and Management Development Committee and Board of Directors of UGI Corporation.

Executive Compensation Program

The executive compensation program is designed to attract and retain key executives with outstanding abilities and to motivate them to perform to the full extent of their abilities. We believe that executives should have a greater portion of their compensation at risk than other employees, and that executive compensation, as stated above, should be tied to the performance of the business and be aligned with benefits realized by the Company's Shareholders.

Compensation for Company executives consists of both cash and equity-based opportunities. The annual cash compensation consists of (i) base salary and (ii) annual bonus opportunity under the Company's Annual Bonus Plan. Long-term equity-based opportunities are provided under the 2004 Plan.

The Committee determines base salary ranges for executive officers based upon competitive pay practices, including those in the energy services industry. The base salary ranges for all executive officers were set at the 50th percentile of the survey companies. For Fiscal 2005, as has been the practice in the past, the Committee reviewed a report from Towers Perrin which compared base salary ranges for executive officers with base salary ranges for similar positions, as reported in published survey results in Towers Perrin's Executive Compensation Database, and Towers Perrin's Energy Services Executive Compensation Database. This comparison was weighted to reflect the Company's approximate business mix at the beginning of Fiscal 2005.

Table of Contents

Annually, the Committee recommends to the Board of Directors changes in actual salaries of senior executives based on judgments of past performance, job duties, scope and responsibilities, and expected future contributions. The most recent past performance is the prime determinant. In the case of Mr. Varagne, salary has remained unchanged since April 2004.

The Committee also oversees the Company's Annual Bonus Plan for senior executives. We establish challenging objectives based on business targets. For Messrs. Greenberg, Walsh and Mendicino the sole objective in 2005 was achieving the financial performance goal for the Company. For Mr. Varagne, the sole objective was achieving the financial performance goal for Antargaz. Mr. Bissell is covered under the AmeriGas Propane, Inc. Annual Bonus Plan. For Mr. Bissell the objective is achieving the financial performance goal for AmeriGas Propane, and this result may be leveraged by 0 to 200% based on the accomplishment of strategic business goals.

Each year, after completion of the audit of the Company's financial statements, the Committee reviews business results and determines and recommends to the Board cash bonus payments under the terms of the Annual Bonus Plan. The financial objective for Fiscal 2005 for UGI Corporation senior executives was achievement of targeted earnings per share. For executives whose sole objective is achieving a financial performance goal, bonus payments are subject to a maximum 15% adjustment of the calculated bonus based on the individual's contribution having a significant impact on corporate performance. During Fiscal 2005, the financial objective for AmeriGas Propane, Inc. was earnings per AmeriGas Partners' Common Unit and the strategic business goal was achievement of targeted customer growth. For Antargaz the financial objective was the achievement of budgeted earnings.

Periodically, the Committee reviews the overall competitiveness of the Annual Bonus Plan with its compensation consultant. In 2005 the Committee reviewed the Company's compensation philosophy and determined that the Annual Bonus Plan target bonus opportunity for each executive be established between the median and the 75th percentile of the survey companies using the published survey sources and methodology previously identified. The 50th to 75th percentile range was determined to be appropriate in light of the Committee's view that the annual bonus opportunities should have a significant reward potential to recognize the difficulty of achieving the annual goals and the significant corporate impact of doing so.

The Committee believes that the Company competes for key executives from a broad pool of companies in general industry and the energy industry. This pool of companies is much larger than the group of companies comprising the S&P Utilities Index, against which total Shareholder return is compared in the Corporate Performance section of this Proxy Statement. Therefore, the survey companies used to determine competitive pay practices and to establish base salary ranges, Annual Bonus Plan target opportunities and long-term equity-based awards, are not the same as the companies comprising the S&P Utilities Index.

The 2004 Plan permits grants of stock options, Stock Units, Performance Units, Stock, Dividend Equivalents and other stock-based awards. A Performance Unit represents the right to receive a Share, or the value of a Share, if objective, performance-based goals and other

Table of Contents

conditions are met. The Committee has established a practice of granting long-term equity-based awards annually. During Fiscal 2005, awards of stock options, Performance Units and Dividend Equivalents were made to the executive officers. Award levels were set by the Committee based on competitive practices as reported by Towers Perrin. For awards of Performance Units and Dividend Equivalents, the Committee selected total Shareholder return for the Company over a three-year period, compared to that of the companies comprising the S&P Utilities Index, as the objective performance criteria. Performance Units and Dividend Equivalents granted January 1, 2005 will be earned and vested on December 31, 2007 in amounts ranging from 0% to 200% of the original award, based on the Company's performance over that three-year performance period, relative to that of the companies in the S&P Utilities index. Also during Fiscal 2005, awards of Stock Units were made to Messrs. Walsh and Mendicino. Stock Units represent the right to receive a Share or the value of a Share if the certain conditions are met. In the case of these awards, the conditions are specified periods of continuing employment.

In the case of Mr. Bissell, a separate AmeriGas program provides annual awards having three-year performance measurement periods. These awards consist of phantom performance-contingent restricted AmeriGas Partners' Common Units and a similar performance-contingent cash award based on Partnership distributions paid during the restriction period. The objective performance-based goal for Mr. Bissell's award is total unitholder return for AmeriGas Partners relative to a peer group of publicly traded limited partnerships.

Fiscal 2005 CEO Compensation

The compensation for Mr. Greenberg recommended by the Committee to the Board of Directors was based upon the procedure for determining base salary ranges, actual salaries within ranges, Annual Bonus Plan targets and long-term incentive awards described earlier in this report and the factors and criteria described below.

Base Salary. For Fiscal 2005, the Committee determined that Mr. Greenberg's base salary be increased by 7.1% over the level set for Fiscal 2004. In making this determination, the Committee considered (i) Mr. Greenberg's position in salary range, (ii) individual performance, and (iii) the strong overall financial, strategic and operational performance of the Company. The Committee did not assign specific weight to these factors.

Annual Bonus. For Fiscal 2005, Mr. Greenberg earned the annual bonus shown on page 25. The amount of this bonus is based on the Company's Fiscal 2005 earnings per share, which increased 54% over reported Fiscal 2004 earnings.

Long-Term Incentive. During Fiscal 2005, after consultation with Towers Perrin regarding industry practices, the Board made a grant to Mr. Greenberg under the 2004 Plan of 350,000 stock options, as well as a grant of 60,000 Performance Units. These grants were effective January 1, 2005. The performance period for the Performance Units will end December 31, 2007.

Policy on Deductibility of Compensation

Section 162(m) of the Internal Revenue Code limits the tax deduction to \$1,000,000 for compensation paid to the Chief Executive Officer and the Named Executive Officers, other than Mr. Varagne, unless certain requirements are met. One of the requirements is that compensation over \$1,000,000 must be based upon attainment of performance goals approved by Shareholders.

To the extent possible, the Committee intends to preserve deductibility of long-term compensation, but it may choose to provide long-term compensation that is not deductible in order to maximize Shareholder return and to retain and reward high-performing executives.

- (2) Amounts represent tax payment reimbursements for certain benefits. For Mr. Walsh, the amount represents reimbursement of relocation expenses.
- (3) (a) Effective January 1, 2005, the Board of Directors of the Company approved performance unit awards (Performance Units) to the Named Executives, other than Messrs. Bissell and Walsh, under the 2004 Plan. Each Performance Unit represents the right of the recipient to receive a share of Stock or an amount based on the value of a share of Stock, if specified performance goals and other conditions are met. Dividend Equivalents will accumulate on the Performance Units awarded. A Dividend Equivalent is an amount determined by multiplying the number of Performance Units credited to a recipient's account by the per-Share cash dividend, or the per-Share fair market value of any non-cash dividend, paid by the Company on its Shares on a dividend payment date. These Dividend Equivalents will also be leveraged based on the Company's total shareholder return (TSR) performance as described below and distributed when the performance period on the Performance Units ends on December 31, 2007. If the recipient ceases to be employed by the Company before the end of the performance period, other than by reason of retirement, disability or death, awards of Performance Units and Dividend Equivalents will be forfeited. The performance requirement is that the Company's TSR during the relevant performance period equals the median of a peer group. The peer group is the group of companies that comprise the S&P Utilities Index. The actual amount of the award may be higher or lower than the original grant, or even zero, based on the Company's TSR percentile rank relative to the companies in the S&P Utilities Index. The maximum payout potential is 200% of the original award. The maximum number of Shares to be issued in respect of awards of Performance Units will be the target number of Shares originally awarded. All leverage on awards of Performance Units will be paid in cash, as will Dividend Equivalents.
- (b) Effective April 1, 2005, the Board of Directors of the Company approved an award of 50,000 Performance Units under the 2004 Plan to Mr. Walsh. Each Performance Unit represents the right of Mr. Walsh to receive a share of Stock or an amount based on the value of a share of Stock, if specified performance goals and other conditions are met. Dividend Equivalents will accumulate on the Performance Units awarded. The Units have separate performance measurement periods as follows: 5,000 Units January 1, 2003 through December 31, 2005; 15,000 Units January 1, 2004 through December 31, 2006; and 30,000 Units January 1, 2005 through December 31, 2007. The performance requirement is the same as the TSR performance described above.
- (c) Effective April 1, 2005, the Board of Directors of the Company also approved an award of 40,000 Stock Units with Dividend Equivalents under the 2004 Plan to Mr. Walsh. Each Stock Unit represents the right of Mr. Walsh to receive a share of Stock or an amount based on the value of a share of Stock after the expiration of a restriction period. The restriction period will end on March 31, 2007. At the Company's discretion, restricted Stock Unit awards may be paid out in stock, cash or a combination of stock and cash and the corresponding accumulated Dividend Equivalents will be paid in cash. If Mr. Walsh ceases to be employed by the Company or its affiliates before the end of the applicable restriction period, other than by reason of retirement, death or disability, the Stock Units and Dividend Equivalents will be forfeited.
- (d) Effective December 7, 2004, the Board of Directors of the Company approved an award of 16,000 Stock Units and Dividend Equivalents under the 2004 Plan to Mr. Mendicino. Each Stock Unit represents the right of Mr. Mendicino to receive a share of Stock or an amount based on the value of a share of Stock after the expiration of a restriction period. The restriction period will end on December 31, 2007. At the Company's discretion, the Stock Unit awards may be paid out in stock, cash or a combination of stock and cash and the corresponding accumulated Dividend Equivalents will be paid in cash. If Mr. Mendicino ceases to be employed by the Company or its affiliates before the end of the applicable restriction period, other than by reason of death or disability, the Stock Units and Dividend Equivalents will be forfeited.
- (e) Effective January 1, 2005, the Board of Directors of AmeriGas Propane, Inc. (AmeriGas) approved a phantom performance-contingent restricted Common Unit award (Restricted Units) to Mr. Bissell, under the 2000 AmeriGas Propane, Inc. Long-Term Incentive Plan. Each Restricted Unit represents the right of Mr. Bissell to receive a Common Unit or an amount based on the value of a Common Unit, if specified performance goals and

other conditions are met. Distribution Equivalents will accumulate on the Restricted Units awarded. These Distribution Equivalents may be leveraged based on performance described below. The performance period for the award will end on December 31, 2007. If Mr. Bissell ceases to be employed by AmeriGas before December 31, 2007, other than by reason of retirement, disability or death, all awards of Restricted Units and Distribution Equivalents will be forfeited. The performance requirement is that the Partnership's total unitholder return (TR) during the relevant measurement period equals the median TR of a peer group of publicly traded limited partnerships. The actual amount of the award may be higher or lower than the original grant, or even zero, based on the Partnership's TR percentile rank relative to that of the partnerships in the peer group. The maximum payout potential is 200% of the original award.

The dollar values shown in the Restricted Stock Awards column of the table above represent the aggregate value of each award on the date of grant, determined by multiplying the number of Performance Units and Stock Units (collectively, Restricted Shares) awarded by the closing price of UGI Common Stock or, for Mr. Bissell, the number of Restricted Units, by the closing price of a Common Unit, on the New York Stock Exchange on the effective dates of the respective grants. The total number of Restricted Shares reflected in the table above, and the total market value of those Shares as of September 30, 2005 is as follows: Mr. Greenberg, 208,000 Restricted Shares market value \$5,855,200; Mr. Mendicino, 68,500 Restricted Shares market value \$1,928,275; Mr. Walsh, 90,000 Restricted Shares market value \$2,533,500; and Mr. Varagne, 96,000 Restricted Shares market value \$2,702,400. The total number of Restricted Units reflected in the table above, and the market value of those Units on September 30, 2005 is as follows: Mr. Bissell, 35,000 Restricted Units market value \$1,126,300. Dividend and Distribution Equivalents will accumulate on all Restricted Shares awarded.

- (4) Option grants reflect a 2-for-1 stock split effective May 24, 2005.
- (5) Effective January 1, 2002, the Board of Directors of UGI approved three awards of Restricted Shares to Messrs. Greenberg and Mendicino under the UGI Corporation 2000 Stock Incentive Plan. Dividend equivalents accumulated on the Restricted Shares awarded and were subject to leverage based on UGI's TSR for the performance period established for each award. The performance periods were as follows: January 1, 2002 through December 31, 2002; January 1, 2002 through December 31, 2003; and January 1, 2002 through December 31, 2004. The restriction period for all three awards ended on December 31, 2004. UGI ranked first in TSR in its peer group (the companies in the S&P 500 Utilities Index) for each performance period. Accordingly, the maximum payout potential of 200% of the original awards was earned. The LTIP Payout column in the Summary Compensation Table above reflects the cash paid in respect of the leverage above 100% of the original awards of Restricted Stock.
- (6) Amounts represent Company contributions in accordance with the provisions of the Employee 401(k) Savings Plans and allocations under the Supplemental Executive Retirement Plans, except for Mr. Varagne. During Fiscal 2005, 2004 and 2003, the following contributions were made to the Named Executives: (i) under the Employee Savings Plan: For each of Messrs. Greenberg and Mendicino, \$4,613, \$4,500, and \$4,500; Mr. Bissell, \$10,606, \$9,673, and \$8,541; and Mr. Walsh, \$941 for Fiscal Year 2005; and (ii) under the Supplemental Executive Retirement Plan: Mr. Greenberg, \$114,733, \$63,844, and \$48,994; Mr. Mendicino, \$15,037, \$12,492 and \$13,435; Mr. Bissell, \$75,558, \$85,656, and \$58,984; and Mr. Walsh, \$4,947 for Fiscal Year 2005. For Mr. Varagne, the amount represents Antargaz contribution to the French retirement system.

(1) Option grants reflect 2-for-1 stock split effective May 24, 2005.

(2) A total of 1,536,600 options were granted to employees and executive officers of the Company during Fiscal 2005 under the 2004 Plan. Under this Plan, the option exercise price is not less than 100% of the fair market value of UGI's Common Stock on the effective date of the grant. The options shown above become exercisable in three equal annual installments beginning on the first anniversary of the grant date, except for Mr. Varagne's options, which vest in full on the fourth anniversary of the grant date. All options are nontransferable and generally exercisable only while the optionee is employed by the Company or an affiliate, with exceptions for exercise following retirement, disability and death. Options are subject to adjustment in the event of recapitalizations, stock splits, mergers, and other similar corporate transactions affecting UGI's Common Stock.

(3) Based on the Black-Scholes options pricing model. The assumptions used in calculating the grant date present value are as follows:

Three years of closing monthly stock price and dividend observations were used to calculate the stock volatility and dividend yield assumptions.

| | (i) | (ii) | (iii) |
|------------------------------------|----------|-----------|----------|
| Stock volatility | 17.85% | 17.85% | 17.1% |
| Stock's dividend yield | 4.17% | 4.17% | 3.95% |
| Length of option term | 10 years | 9.5 years | 10 years |
| Annualized risk-free interest rate | 4.48% | 4.42% | 4.65% |
| Discount for risk of forfeiture | 3% | 3% | 3% |

(i) 1/1/2005 grants;

(ii) 1/1/2005 grant under the 2004 Plan: Sub-Plan for French Employees; and

(iii) 4/1/2005 grant.

All options were granted at fair market value. The actual value, if any, the executive may realize will depend on the excess of the stock price on the date the option is exercised over the exercise price. There is no assurance that the value realized by the executive will be at or near the value estimated by the Black-Scholes model.

Retirement Benefits

The following Pension Plan Benefits Table shows the annual benefits payable upon retirement to the Named Executives other than Messrs. Bissell and Varagne under the Company's Retirement Plan and its Supplemental Executive Retirement Plan. The amounts shown assume the executive retires in 2005 at age 65, and that the aggregate benefits are not subject to statutory maximums. Messrs. Greenberg and Mendicino had, respectively, 25 years and 13 years of credited service under these Plans at September 30, 2005. Mr. Bissell has a vested annual retirement benefit of approximately \$3,300 based on prior credited service with UGI and its subsidiaries. He does not currently participate in the Company's Retirement Plan. Mr. Varagne does not participate in the Company's Retirement Plan or its Supplemental Executive Retirement Plan. He is eligible for retirement benefits under the French retirement system.

- (2) Annual benefits are computed on the basis of straight life annuity amounts. These amounts include pension benefits, if any, to which a participant may be entitled as a result of participation in a pension plan of a subsidiary during previous periods of employment. The amounts shown do not take into account exclusion of up to 35% of the estimated primary Social Security benefit. The Retirement Plan provides a minimum benefit equal to 25% of a participant's final 12-months' earnings, reduced proportionately for less than 15 years of credited service at retirement. The minimum Retirement Plan benefit is not subject to Social Security offset.
- (3) The maximum benefit under the Retirement Plan and the UGI Supplemental Executive Retirement Plan is equal to 60% of a participant's highest consecutive 12 months' earnings during the last 120 months.

Severance Pay Plan for Senior

Executive Employees

The UGI Corporation Severance Pay Plan for Senior Executive Employees and the AmeriGas Propane, Inc. Executive Employee Severance Pay Plan assist certain senior level employees of the Company and AmeriGas Propane, Inc. in the event their employment is terminated without fault on their part. Benefits are payable to a senior executive covered by either Severance Plan if the senior executive's employment is involuntarily terminated for any reason other than for cause or as a result of the senior executive's death or disability. Mr. Varagne is entitled to severance benefits under an agreement described below, and not under the Company's Severance Plans.

Each Severance Plan provides for cash payments equal to a participant's compensation for a period of time ranging from 3 months to 15 months depending on length of service. In the case of Mr. Greenberg, the time period is 30 months; for Mr. Walsh, the range is from 12 to 24 months; and for Mr. Bissell, from 6 to 18 months. In addition, a participant receives the cash equivalent of his target bonus under the Annual Bonus Plan, pro-rated for the number of months served in the fiscal year. However, if the termination occurs in the last two months of the fiscal year, the Chief Executive Officer has the discretion to determine whether the participant will receive a pro-rated target bonus, or the actual annual bonus which would have been paid after the end of the fiscal year, had the participant's entire bonus been contingent on meeting the Company's financial performance goal. Certain employee benefits are continued under the Plan for a period up to 15 months (30 months in the case of Mr. Greenberg, 24 months in the case of Mr. Walsh, and 18 months in the case of Mr. Bissell). The Company has the option to pay a participant the cash equivalent of those employee benefits. All payments under the Severance Plans can be reduced by an amount equal to the fair market value of certain equity-based awards, other than stock options, payable to the participant after the termination of employment.

In order to receive benefits under the applicable Severance Plan, a senior executive is required to execute a release which discharges the Company and its subsidiaries from liability for any claims the senior executive may have against any of them, other than claims for amounts or benefits due the executive under any plan, program or contract binding on UGI or its subsidiaries. The senior executive is also required to ratify post-employment activities agreements and to cooperate in attending to matters pending at the time of his termination.

Mr. Varagne has an agreement with our French subsidiary, AGZ Holding, which provides severance benefits in the event that his employment is terminated without fault on his part. The agreement provides for a cash payment equal to one year of compensation, based on compensation received in the twelve months prior to the effective date of termination. Like the UGI Corporation and AmeriGas Propane, Inc. Executive Severance Plans, Mr. Varagne's agreement requires that he execute a release discharging the Company and its subsidiaries from liability in connection with the termination of his employment prior to receipt of severance payments.

Change of Control Arrangements

Messrs. Greenberg, Walsh, Mendicino, and Bissell each have an agreement with the Company, or its subsidiary, AmeriGas Propane, Inc., that provides certain benefits in the event of a change of control of the Company. The agreements are automatically extended for one-year terms beginning in 2008 unless, prior to a change of control, the Company terminates an agreement. In the absence of a change of control or termination by the Company, each agreement will terminate when, for any reason, the executive terminates his employment with the Company.

A change of control is generally deemed to occur in the following instances:

Any person (other than certain persons or entities affiliated with the Company), together with all affiliates and associates of such person, acquires securities representing 20% or more of either (A) the then outstanding Shares of Common Stock, or (B) the combined voting power of the Company's then outstanding voting securities; or

individuals, who at the beginning of any 24-month period constitute the Board of Directors (the Incumbent Board) and any new Director whose election by the Board of Directors, or nomination for election by the Company's Shareholders, was approved by a vote of at least a majority of the Incumbent Board, cease for any reason to constitute a majority; or

the Company is reorganized, merged or consolidated with or into, or sells all or substantially all of its assets to, another corporation in a transaction in which former Shareholders of the Company do not own more than 50% of, respectively, the outstanding Common Stock and the combined voting power of the then outstanding voting securities of the surviving or acquiring corporation; or

the Company is liquidated or dissolved.

The agreement covering Mr. Bissell provides benefits upon a change of control of AmeriGas Partners or AmeriGas Propane, in addition to providing benefits in the event of a change of control of the Company.

The agreements provide for payment of severance benefits if there is a termination of the executive's employment without cause at any time within two years after a change of control. In addition, following a change of control, the executive may elect to terminate his employment without loss of severance benefits in certain situations, including termination of officer status; a significant adverse change in authority, duties, responsibilities or compensation; the failure of the Company to comply with any of the terms of the agreement; or a substantial relocation or excessive travel requirements.

A terminated executive who has rights to severance compensation under a change in control agreement will receive a specified multiple of one times to three times his or her base salary and annual bonus (three times in the case of each of the executives named in the Summary

Table of Contents

Compensation Table, other than Mr. Varagne). In addition, health and welfare benefits and supplemental executive retirement plan benefits (or cash in lieu of benefits) will be provided for up to three years. The change in control agreements provide a conditional gross-up for excise and related taxes in the event the severance compensation and other payments to an executive would constitute excess parachute payments, as defined in Section 280G of the Internal Revenue Code of 1986, as amended. The Company will provide the tax gross-up if the aggregate parachute value of all severance and other change in control payments to the executive is greater than 110% of the maximum amount that may be paid under Section 280G of the Code without imposition of an excise tax. If the parachute value of an executive's payments does not exceed the 110% threshold, the executive's payments under the change in control agreement will be reduced to the extent necessary to avoid imposition of the excise tax on excess parachute payments.

Stock Ownership Policy and

Indebtedness of Management

The Board of Directors established a policy effective October 1, 1997 that requires individuals in key management positions in the Company and its subsidiaries to own significant amounts of Common Stock. The required levels of ownership currently range from 6,000 Shares to 300,000 Shares for the Company's Chief Executive Officer. The policy is designed to encourage growth in Shareholder value by closely linking executives' risks and rewards with the Company's total Shareholder return. Prior to enactment of the Sarbanes-Oxley Act of 2002, the Company assisted officers and employees in purchasing Stock to comply with the policy by making interest-bearing loans available. The Company is no longer offering loans under this program. Mr. Hall's loan had an unpaid balance during Fiscal 2005. The highest amount outstanding during the year under his loan was \$57,439.59. On February 2, 2005, he paid the remaining balance of the loan.

Market Price of Shares

The closing price of our Stock, as reported on the New York Stock Exchange Composite Tape on December 9, 2005, was \$21.46.

ITEM 2 RATIFICATION OF APPOINTMENT OF

INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee of the Board of Directors appointed PricewaterhouseCoopers as independent registered public accountants to examine and report on the consolidated financial statements of the Company for Fiscal 2006 and recommends that the Shareholders ratify the appointment. If the Shareholders do not ratify the appointment of PricewaterhouseCoopers, the Audit Committee will consider the appointment of other independent registered public accountants. One or more representatives of PricewaterhouseCoopers will be present at the Annual Meeting. They will have the opportunity to respond to appropriate questions and to make a statement if they wish to do so.

Table of Contents

The Board of Directors of UGI Corporation unanimously recommends a vote FOR this proposal.

ITEM 3 OTHER MATTERS

The Board of Directors is not aware of any other matter to be presented for action at the meeting. If any other matter requiring a vote of the Shareholders should arise, the Proxies (or their substitutes) will vote in accordance with their best judgment.

The Board of Directors of UGI Corporation (the Company) has determined that the Audit Committee of the Board shall assist the Board in fulfilling certain of the Board's oversight responsibilities. The Board hereby adopts this charter to establish the governing principles of the Audit Committee.

The Scope of the Audit Committee's Responsibilities

The Audit Committee is to assist the Board in fulfilling its oversight responsibilities:

A. to oversee the quality and integrity of the Company's financial statements and related disclosure and the adequacy of the Company's accounting and auditing processes, financial reporting, disclosure controls and procedures and of its internal controls and procedures for reporting of information in compliance with law, for the safeguarding and control of assets and for assuring that transactions are executed in accordance with management's authority;

B. to become knowledgeable about and to review the Company's compliance with applicable legal and regulatory requirements;

C. to monitor the qualifications, independence and performance of the Company's independent public accountants and the performance of the internal audit function; and

D. to provide a means for open communication among the Company's independent public accountants, management, internal audit staff and the Board.

While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the role or responsibility of the Audit Committee to (i) determine that the Company's financial statements are complete and accurate or prepared in accordance with generally accepted accounting principles or (ii) assure compliance with applicable laws and regulations and the Company's codes of conduct. The primary responsibility for these matters rests with the Company's management. Nor is it the duty of the Audit Committee to plan or conduct audits. The

independent public accountants and management are responsible for planning and conducting audits of the financial statements. Therefore, each member of the Committee shall be entitled to rely, to the fullest extent permitted by law, on the integrity of those persons and organizations within and outside the Company from whom he or she receives information and on the accuracy of the financial and other information provided to the Committee by such persons or organizations.

Membership of the Audit Committee

A. The Board shall appoint the members of the Audit Committee at the Board's annual organizational meeting on the recommendation of the Corporate Governance Committee, and the members shall serve until the next such meeting or until their successors are appointed by the Board. The Board may also fill interim vacancies and remove and replace any member of the Committee at any time. The Board shall designate one member to serve as Chair of the Committee.

B. The Audit Committee shall be composed of not less than three members who are neither officers nor employees of the Company or any of its affiliates. The members will be Directors who are free of any relationship that, in the opinion of the Board, would interfere with their exercise of independent judgment as Committee members. At least one member of the Committee shall have accounting or related financial management expertise. All of the members shall meet the independence, financial literacy and other requirements of all applicable rules and regulations of the Securities and Exchange Commission (the "SEC") and of the principal market (i.e., New York Stock Exchange) or transaction reporting system on which the Company's securities are traded or quoted (collectively, the "Exchange"). A Director who is serving on the audit committee of three or more public companies shall not be appointed to the Audit Committee unless the Board determines that such simultaneous service would not impair the Director's ability to serve effectively on the Audit Committee.

Meetings of the Audit Committee

The Audit Committee shall hold at least four regular meetings annually and such other meetings as may be called by the Chair of the Committee or at the request of the independent public accountants, the General Auditor or management.
