PROXY STATEMENT

FOR

2006 ANNUAL MEETING OF STOCKHOLDERS

INFORMATION CONCERNING SOLICITATION AND VOTING

General

Our Board of Directors is soliciting Proxies for the 2006 Annual Meeting of Stockholders to be held at 570 Meridian Avenue, San Jose, California 95126 on Friday, April 21, 2006, at 10:00 a.m., Pacific Time. The address of our principal executive office is 550 Meridian Avenue, San Jose, California 95126 and our telephone number at this address is 408-938-5200. This Proxy Statement contains important information for you to consider when deciding how to vote on the matters set forth in the attached Notice of Annual Meeting. Please read it carefully.

Proxy materials, which include the Proxy Statement, Proxy, letter to stockholders and Form 10-K for the fiscal year ended December 31, 2005, were first mailed to stockholders entitled to vote on or about March 22, 2006.

Costs of Solicitation

We will pay the costs of soliciting Proxies from stockholders. We are required to request brokers and nominees who hold our common stock in their name to furnish our Proxy materials to beneficial owners of such common stock. We may reimburse such firms and nominees for their reasonable expenses in forwarding the Proxy materials to these beneficial owners. Certain of our directors, officers and employees may solicit Proxies on our behalf, without additional compensation, personally or by written communication, telephone, facsimile or other electronic means.

Record Date and Shares Outstanding

Only stockholders of record at the close of business on February 28, 2006, are entitled to attend and vote at the annual meeting. On the record date, 39,797,676 shares of our common stock were outstanding and held of record. The closing price of our common stock on the Nasdaq National Market on the record date was \$8.10 per share.

QUESTIONS AND ANSWERS

Although we encourage you to read the enclosed Proxy Statement in its entirety, we include this question and answer section to provide some background information and brief answers to several questions you might have about the annual meeting.

Table of Contents

Q: Why am I receiving these materials?

A: Our Board of Directors is providing these proxy materials for you in connection with our annual meeting of stockholders, which will take place on April 21, 2006. Stockholders are invited to attend the annual meeting and are requested to vote on the proposals described in this Proxy Statement.

Q: What information is contained in these materials?

A: The information included in this Proxy Statement relates to the proposals to be voted on at the annual meeting, the voting process, the compensation of directors and our most highly paid officers, and certain other required information. Echelon's 2005 Annual Report and audited financials statements, Proxy Card and a return envelope are also enclosed.

Q: What proposals will be voted on at the annual meeting?

A: There are two proposals scheduled to be voted on at the meeting:

Election of the nominees for director set forth in this Proxy Statement; and

Ratification of the appointment of KPMG LLP as our independent auditors for the fiscal year ending December 31, 2006.

Q: What is Echelon's voting recommendation?

A: Our Board of Directors recommends that you vote your shares **FOR** each of the three nominees to our Board of Directors and **FOR** ratification of the appointment of our independent auditors.

Q: Who can vote at the meeting?

A: Our Board of Directors has set February 28, 2006 as the record date for the annual meeting. All stockholders who owned Echelon common stock at the close of business on February 28, 2006, or the record date, may attend and vote at the annual meeting. Each stockholder is entitled to one vote for each share of common stock held as of the record date on all matters to be voted on. Stockholders do not have the right to cumulate votes. On February 28, 2006, 39,797,676 shares of our common stock were outstanding. Shares held as of the record date include shares that are held directly in your name as the stockholder of record and those shares held for you as a beneficial owner through a stockbroker, bank or other nominee.

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: Most stockholders of Echelon hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Table of Contents

Stockholder of Record

If your shares are registered directly in your name with Echelon's transfer agent, Mellon Investor Services LLC, you are considered the stockholder of record with respect to those shares and these proxy materials are being sent directly to you by Echelon. As the stockholder of record, you have the right to grant your voting proxy directly to Echelon or to vote in person at the annual meeting. Echelon has enclosed a Proxy Card for you to use. You may also vote via the Internet or by telephone as described below under *How can I vote my shares without attending the annual meeting?*

Beneficial Ownership

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker or nominee who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker on how to vote and are also invited to attend the annual meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the annual meeting unless you request a legal proxy from your stockbroker in order to vote at the meeting. Your broker or nominee has enclosed a voting instruction card for you to use in directing the broker or nominee regarding how to vote your shares. You may also vote via the Internet or by telephone as described below under *How can I vote my shares without attending the annual meeting?*

Q: How many votes does Echelon need to hold the annual meeting?

A: A majority of Echelon's outstanding shares as of the record date must be present at the annual meeting in order to hold the meeting and conduct business. This is called a quorum. Both abstentions and broker non-votes are counted as present for the purpose of determining the presence of a quorum. Broker non-votes, however, are not counted as shares present and entitled to be voted with respect to the matter on which the broker has expressly not voted. Thus, broker non-votes will not affect the outcome of any of the matters being voted on at the annual meeting. Generally, broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (1) the broker has not received voting instructions from the beneficial owner and (2) the broker lacks discretionary voting power to vote such shares.

Shares are counted as present at the meeting if you:

are present and vote in person at the meeting; or

have properly submitted a Proxy Card or voted by telephone or via the Internet.

Q: How are votes counted?

A: You may vote either **FOR** or **WITHHOLD** with respect to each nominee for our Board of Directors. You may vote **FOR**, **AGAINST** or **ABSTAIN** on the other proposal. If you abstain from voting on the other proposal, it has the same effect as a vote against. If you just sign your Proxy Card with no further instructions, your shares will be counted as a vote **FOR** each Director and **FOR** ratification of the appointment of our independent auditors. If you do not vote and you hold your shares in a brokerage account in your broker's name, also known as street name (see description of Beneficial Ownership above), your shares will not be counted in the tally of the number of shares cast **FOR**, **AGAINST** or **ABSTAIN** on any proposal where your broker does not have discretionary authority to vote, and therefore will have the effect of reducing the number of shares needed to approve any of those items. However, shares held in street name that are not voted, known as broker non-votes, may be counted for the purpose of establishing a quorum for the annual meeting as described above under the caption Beneficial Ownership. Voting results are tabulated and certified by ADP Investor Communication Services.

Table of Contents

Q: What is the voting requirement to approve each of the proposals?

A: With respect to Proposal One (the election of our directors), directors are elected by a plurality vote, and therefore the three individuals receiving the highest number of FOR votes will be elected. Votes of WITHHOLD and broker non-votes have no legal effect on the election of directors due to the fact that such elections are by a plurality. Proposal Two (ratification of the appointment of our auditors) requires the affirmative FOR vote of a majority of the shares of our outstanding common stock represented, in person or by proxy, and entitled to vote.

Q: How can I vote my shares in person at the annual meeting?

A: Shares held directly in your name as the stockholder of record may be voted in person at the meeting. If you choose to do so, please bring the enclosed Proxy Card or proof of identification to the meeting. Even if you plan to attend the annual meeting, Echelon recommends that you vote your shares in advance as described below so that your vote will be counted if you later decide not to attend the meeting. If you hold your shares in street name, you must request a legal proxy from your stockbroker in order to vote at the meeting.

Q: How can I vote my shares without attending the annual meeting?

A: Whether you hold shares directly as a stockholder of record or beneficially in street name, you may vote without attending the annual meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your stockbroker or nominee. In most cases, you will be able to do this by telephone, using the Internet or by mail. Please refer to the summary instructions included on your Proxy Card. For shares held in street name, a voting instruction card will be provided by your stockbroker or nominee.

BY TELEPHONE OR THE INTERNET If you have telephone or Internet access, you may submit your proxy by following the Vote by Phone or Vote by Internet instructions on the Proxy Card.

BY MAIL You may do this by signing your Proxy Card or, for shares held in street name, by following the voting instruction card provided by your stockbroker or nominee and mailing it in the enclosed, postage prepaid envelope. If you provide specific voting instructions, your shares will be voted as you have instructed.

Q: How can I change my vote after I return my Proxy Card?

A: You may revoke your proxy and change your vote at any time before the final vote at the annual meeting. You may do this by signing a new Proxy Card with a later date or by attending the meeting and voting in person. Attending the meeting will not revoke your proxy unless you specifically request it.

Q: Where can I find the voting results of the annual meeting?

A: The preliminary voting results will be announced at the annual meeting. The final results will be published in our first quarterly report on Form 10-Q filed after the date of the annual meeting.

Table of Contents

Q: Who are the proxies and what do they do?

A: The two persons named as proxies on the enclosed Proxy Card, M. Kenneth Oshman, our Chief Executive Officer, and Oliver R. Stanfield, our Chief Financial Officer, were designated by our Board of Directors. All properly executed proxies will be voted (except to the extent that authority to vote has been withheld) and where a choice has been specified by the stockholder as provided in the Proxy Card, it will be voted in accordance with the instructions you indicate on the Proxy Card. If you submit the Proxy Card, but do not indicate your voting instructions, your shares will be voted FOR Proposals One and Two.

Q: What does it mean if I receive more than one proxy or voting instruction card?

A: You may receive more than one set of voting materials, including multiple copies of this Proxy Statement and multiple Proxy Cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a stockholder of record and your shares are registered in more than one name, you will receive more than one Proxy Card. Please complete, sign, date and return each Echelon Proxy Card and voting instruction card that you receive.

Q: What happens if additional proposals are presented at the annual meeting?

A: Other than the two proposals described in this Proxy Statement, Echelon does not expect any additional matters to be presented for a vote at the annual meeting. If you grant a proxy, the persons named as proxy holders, M. Kenneth Oshman, our Chief Executive Officer, and Oliver R. Stanfield, our Chief Financial Officer, will have the discretion to vote your shares on any additional matters properly presented for a vote at the annual meeting. If for any unforeseen reason any of Echelon's nominees is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by our Board of Directors.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Echelon or to third parties except (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote or (3) to facilitate a successful proxy solicitation by our Board of Directors. Occasionally, stockholders provide written comments on their Proxy Card, which are then forwarded to Echelon's management.

Q: Who will bear the cost of soliciting votes for the annual meeting?

A: Echelon will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by Echelon's directors, officers, and employees, who will not receive any additional compensation for such solicitation activities. Echelon may retain the services of a third party firm to aid in the solicitation of proxies. In addition, Echelon may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS

Our stockholders may submit proposals that they believe should be voted upon at our next year's annual meeting or nominate persons for election to our Board of Directors. Stockholders may also recommend candidates for election to our Board of Directors (See *Corporate Governance and Other Matters - Consideration of Stockholder Recommendations and Nominations*). Pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended, some stockholder proposals may be eligible for inclusion in our 2007 proxy statement and proxy. Any such stockholder proposals must be submitted in writing to the attention of Kathleen B. Bloch, Senior Vice President, General Counsel and Secretary, Echelon Corporation, 550 Meridian Avenue, San Jose, California 95126, no later than November 22, 2006, which is the date 120 calendar days prior to the anniversary of the mailing date of this Proxy Statement. Stockholders interested in submitting such a proposal are advised to contact knowledgeable legal counsel with regard to the detailed requirements of applicable securities laws. The submission of a stockholder proposal does not guarantee that it will be included in our 2007 proxy statement.

Alternatively, under our Bylaws, a proposal or a nomination that the stockholder does not seek to include in our 2007 proxy statement pursuant to Rule 14a-8 may be submitted in writing to Kathleen B. Bloch, Senior Vice President, General Counsel and Secretary, Echelon Corporation, 550 Meridian Avenue, San Jose, California 95126, for the 2007 Annual Meeting of Stockholders not less than 20 days nor more than 60 days prior to the date of such meeting. Note, however, that in the event we provide less than 30 days notice or prior public disclosure to stockholders of the date of the 2007 Annual Meeting, any stockholder proposal or nomination not submitted pursuant to Rule 14a-8 must be submitted to us not later than the close of business on the tenth day following the day on which notice of the date of the 2007 Annual Meeting was mailed or public disclosure was made. For example, if we provide notice of our 2007 Annual Meeting on April 13, 2007, for a 2007 Annual Meeting on May 11, 2007, any such proposal or nomination will be considered untimely if submitted to us after April 23, 2007. For purposes of the above, public disclosure means disclosure in a press release reported by the Dow Jones News Service, Associated Press or a comparable national news service, or in a document publicly filed by us with the Securities and Exchange Commission, or the SEC. As described in our Bylaws, the stockholder submission must include certain specified information concerning the proposal or nominee, as the case may be, and information as to the stockholder's ownership of our common stock. If a stockholder gives notice of such a proposal after the deadline computed in accordance with our Bylaws, or the Bylaw Deadline, the stockholder will not be permitted to present the proposal to our stockholders for a vote at the 2007 Annual Meeting.

The rules of the SEC also establish a different deadline for submission of stockholder proposals that are not intended to be included in our proxy statement with respect to discretionary voting, or the Discretionary Vote Deadline. The Discretionary Vote Deadline for the 2007 Annual Meeting is February 5, 2007, the date which is 45 calendar days prior to the anniversary of the mailing date of this Proxy Statement. If a stockholder gives notice of such a proposal after the Discretionary Vote Deadline, our proxy holders will be allowed to use their discretionary voting authority to vote against the stockholder proposal when and if the proposal is raised at the 2007 Annual Meeting.

Because the Bylaw Deadline is not capable of being determined until we publicly announce the date of our 2007 Annual Meeting, it is possible that the Bylaw Deadline may occur after the Discretionary Vote Deadline. In such a case, a proposal received after the Discretionary Vote Deadline but before the Bylaw Deadline would be eligible to be presented at the 2007 Annual Meeting and we believe that our proxy holders at such meeting would be allowed to use the discretionary authority granted by the proxy to vote against the proposal at such meeting without including any disclosure of the proposal in the proxy statement relating to such meeting.

CORPORATE GOVERNANCE AND OTHER MATTERS

Board Independence and Corporate Governance Guidelines

We have determined that all of our directors, other than M. Kenneth Oshman, are independent directors under the marketplace rules of the Nasdaq Stock Market and that all of our directors, other than Mr. Oshman, and Betsy Rafael, who joined our Board in November 2005, were independent directors under such marketplace rules in the three prior years. We have also determined that all directors serving as members of our Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee are independent under the marketplace rules of the Nasdaq Stock Market and the rules of the SEC. In addition, in January 2003, our Board appointed Arthur Rock as our Presiding Director. Mr. Rock retired from our Board of Directors on March 24, 2005, on which date Robert Maxfield was appointed Presiding Director. Under our Corporate Governance Guidelines, adopted by our Board of Directors in November 2002, the Presiding Director was selected by our non-employee directors and assumed the responsibilities of chairing meetings of non-employee directors, serving as the liaison between our Chief Executive Officer and our independent directors, approving Board of Directors meeting agendas and schedules and information flow to our Board of Directors and such further responsibilities that the non-employee directors as a whole designate from time to time. Our Corporate Governance Guidelines also give our Board of Directors responsibility over such matters as overseeing our Chief Executive Officer and other senior management in the competent and ethical operation of our company, gathering and analyzing information obtained from management, retaining counsel and expert advisors, and overseeing and monitoring the effectiveness of governance practices. A copy of our Corporate Governance Guidelines can be viewed at the investor relations section of our website at www.echelon.com.

Consideration of Stockholder Recommendations and Nominations

The Nominating and Corporate Governance Committee of our Board of Directors will consider both recommendations and nominations from stockholders for candidates to our Board of Directors. A stockholder who desires to recommend a candidate for election to our Board of Directors shall direct the recommendation in writing to the Company Corporate Secretary, Echelon Corporation, 550 Meridian Avenue, San Jose, California 95126, and must include the candidate's name, home and business contact information, detailed biographical data and qualifications, information regarding any relationships between the candidate and the Company within the last three years and evidence of the nominating person's ownership of Company stock and amount of stock holdings. For a stockholder recommendation to be considered by the Nominating and Corporate Governance Committee as a potential candidate at an annual meeting, nominations must be received on or before the deadline for receipt of stockholder proposals.

If, instead, a stockholder desires to nominate a person directly for election to our Board of Directors, the stockholder must follow the rules set forth by the SEC (see *Deadline for Receipt of Stockholder Proposals* above) and meet the deadlines and other requirements set forth in our Bylaws, including, (1) as to each person, if any, whom the stockholder proposes to nominate for election or re-election as a director: (a) the name, age, business address and residence address of such person, (b) the principal occupation or employment of such person, (c) the class and number of shares of our company which are beneficially owned by such person, (d) any other information relating to such person that is required by law to be disclosed in solicitations of proxies for election of directors and (e) such person's written consent to being named as a nominee and to serving as a director if elected; and (2) as to the stockholder giving the notice: (a) the name and address, as they appear on our company's books, of such stockholder, (b) the class and number of shares of our company which are beneficially owned by such stockholder and (c) a description of all arrangements or understandings between such stockholder and each nominee and any other person or persons (naming such person or persons) relating to the nomination.

Table of Contents

Identifying and Evaluating Nominees for Director

The Nominating and Corporate Governance Committee shall use the following procedures to identify and evaluate the individuals that it selects, or recommends that our Board of Directors select, as director nominees:

The Committee shall review the qualifications of any candidates who have been properly recommended or nominated by stockholders, as well as those candidates who have been identified by management, individual members of our Board of Directors or, if the Committee determines, a search firm. Such review may, in the Committee's discretion, include a review solely of information provided to the Committee or may also include discussions with persons familiar with the candidate, an interview with the candidate or other actions that the Committee deems proper.

The Committee shall evaluate the performance and qualifications of individual members of our Board of Directors eligible for re-election at the annual meeting of stockholders.

The Committee shall consider the suitability of each candidate, including the current members of our Board of Directors, in light of the current size and composition of our Board of Directors. In evaluating the suitability of the candidates, the Committee considers many factors, including, among other things, issues of character, judgment, independence, diversity, age, expertise, diversity of experience, length of service, other commitments and the like. The Committee evaluates such factors, among others, and considers each individual candidate in the context of the current perceived needs of our Board of Directors as a whole. Except as may be required by rules promulgated by Nasdaq or the SEC, it is the current sense of the Committee that there are no specific minimum qualifications that must be met by each candidate for our Board of Directors, nor are there specific qualities or skills that are necessary for one or more of the members of our Board of Directors to possess.

After such review and consideration, the Committee selects, or recommends that our Board of Directors select, the slate of director nominees, either at a meeting of the Committee at which a quorum is present or by unanimous written consent of the Committee.

The Committee will endeavor to notify, or cause to be notified, all director candidates of its decision as to whether to nominate such individual for election to our Board of Directors.

Stockholder Communication with our Board of Directors

Any stockholder may contact any of our directors by writing to them by mail or express mail c/o Echelon Corporation, 550 Meridian Avenue, San Jose, California 95126.

Any stockholder communications directed to our Board of Directors (other than concerns regarding questionable accounting or auditing matters directed to the Audit Committee or otherwise in accordance with our Financial Information Integrity Policy) will first go to our General Counsel, who will log the date of receipt of the communication as well as (for non-confidential communications) the identity of the correspondent in our stockholder communications log.

Unless the communication is marked confidential, our General Counsel will review, summarize and, if appropriate, draft a response to the communication in a timely manner. The summary and response will be in the form of a memo, which will become part of our stockholder communications log that our General Counsel maintains with respect to all stockholder communications.

Table of Contents

At least quarterly, or more frequently as our General Counsel deems appropriate, our General Counsel will forward all such original stockholder communications along with the related memos to our Board of Directors for review.

Any stockholder communication marked confidential will be logged by our General Counsel as received but will not be reviewed, opened or otherwise held by our General Counsel. Such confidential correspondence will be immediately forwarded to the addressee(s) without a memo or any other comment by our General Counsel.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to all directors, officers and employees of Echelon. The Code of Business Conduct and Ethics is posted on our Internet website. The address of our website is www.echelon.com, and the Code of Business Conduct and Ethics may be found under the investor relations section of the website. We will post any amendments to, or waivers from, our Code of Business Conduct and Ethics at that location on our website.

Attendance by Board Members at the Annual Meeting of Stockholders

It is the policy of our Board of Directors to strongly encourage board members to attend the annual meeting of stockholders. All but one member of our Board of Directors attended in person our annual meeting of stockholders on May 27, 2005.

PROPOSAL ONE

ELECTION OF DIRECTORS

General

We currently have seven members on our Board of Directors. In November 2005, in connection with the appointment of Betsy Rafael to our Board of Directors, we increased the authorized number of directors from seven to eight. In February 2006, following the resignation of Michael E. Lehman from our Board of Directors on February 21, 2006 as a result of his appointment as Chief Financial Officer of Sun Microsystems, Inc., we reduced the authorized number of directors from eight to seven. Our Board of Directors is divided into three classes, with each director serving a three-year term and one class being elected at each year's Annual Meeting of Stockholders. Directors Robert J. Finocchio, Jr., Armas Clifford Markkula, Jr. and Robert R. Maxfield are the Class B directors whose terms will expire at the 2006 Annual Meeting of Stockholders and they have been nominated by our Board of Directors for reelection at the Annual Meeting of Stockholders to be held April 21, 2006. Directors Betsy Rafael and Richard M. Moley are the Class C directors whose terms will expire at the 2007 Annual Meeting of Stockholders and M. Kenneth Oshman and Larry W. Sonsini are the Class A directors whose terms will expire at the 2008 Annual Meeting of Stockholders. Until his resignation from our Board of Directors, Michael E. Lehman had served as a Class C director. We will consider increasing the size of our Board of Directors to eight members and appointing a replacement for Michael E. Lehman if a suitable candidate is identified. All of the directors, including the Class B nominees, are incumbent directors. There are no family relationships among any of our directors or executive officers, including any of the nominees mentioned above. Unless otherwise instructed, the holders of proxies solicited by this Proxy Statement will vote the proxies received by them for the three Class B nominees. In the event that any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxy holders will vote for a nominee designated by the present Board of Directors to fill the vacancy. We are not aware of any reason that any nominee will be unable or will decline to serve as a director. Our Board of Directors recommends a vote FOR the election of each of the Class B nominees listed above.

Board Committees

Our Board of Directors currently has a standing Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee. The Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee each has a written charter that has been approved by our Board of Directors, copies of which can be viewed at the investor relations section of our website at www.echelon.com. Pursuant to our 1997 Stock Option Plan, our Board delegated authority to Mr. Oshman to grant stock options and performance shares to employees who are not executive officers of up to a maximum of 25,000 shares per person per year and, generally, up to an aggregate of 250,000 shares per year. The Compensation Committee, Audit Committee, and Nominating and Corporate Governance Committee are described as follows:

Audit Committee: In 2005, the Audit Committee consisted of directors Robert J. Finocchio, Jr., Michael E. Lehman and Arthur Rock until March 24, 2005, when Robert R. Maxfield was appointed to the Audit Committee following the resignation on the same date of Arthur Rock from our Board of Directors and the Audit Committee. Lehman resigned from our Board of Directors and the Audit Committee. The current members of the Audit Committee are Robert J. Finocchio, Jr. (Chair), Robert R. Maxfield and Betsy Rafael. The Board has determined that directors Finocchio and Rafael are audit committee financial experts as that term is defined in Item 401(h) of Regulation S-K of the Securities Act of 1933, as amended, and that all members of our Audit Committee are independent within the meaning of Rule 4200(a)(15) of the National Association of Securities Dealers listing standards. The Audit Committee held eight meetings in 2005. The purposes of the Audit Committee are to:

oversee our accounting and financial reporting processes and the internal and external audits of our financial statements;

assist our Board of Directors in the oversight and monitoring of (1) the integrity of our financial statements, (2) our compliance with legal and regulatory requirements, (3) the independent auditor's qualifications, independence and performance and (4) our internal accounting and financial controls;

outline to our Board of Directors the results of its monitoring and recommendations derived therefrom and improvements made, or to be made, in internal accounting controls;

prepare the report that the rules of the SEC require to be included in our annual proxy statement;

appoint independent auditors; and

provide to our Board of Directors such additional information and materials as it may deem necessary to make our Board of Directors aware of significant financial matters that require the attention of our Board of Directors.

Table of Contents

The responsibilities of the Audit Committee include the continuous review of the adequacy of our system of internal controls; oversight of the work of our independent auditors, including a post-audit review of the financial statements and audit findings; oversight of compliance with SEC requirements regarding audit related matters; review, in conjunction with counsel, any legal matters that could significantly impact our financial statements; and oversight and review of our information technology and management information systems policies and risk management policies, including our investment policies.

Compensation Committee: In 2005, the Compensation Committee consisted of directors Robert R. Maxfield and Richard M. Moley until March 24, 2005, when Armas Clifford Markkula, Jr. was appointed to the Compensation Committee. The current members of the Compensation Committee are Armas Clifford Markkula, Jr., Robert R. Maxfield (Chair) and Richard M. Moley. The Compensation Committee held four meetings in 2005. The purposes of the Compensation Committee are to:

The responsibilities of the Compensation Committee include annually reviewing and approving, for our Chief Executive Officer and our other executive officers, (1) annual base salary, (2) annual incentive bonus, including the specific goals and amount, (3) equity compensation, (4) employment agreements, severance arrangements and change in control agreements and provisions and (5) any other benefits, compensation or arrangements; and conducting an annual review of the performance of our Chief Executive Officer.

Nominating and Corporate Governance Committee: In 2005, the Nominating and Corporate Governance Committee consisted of directors Arthur Rock and Larry Sonsini until March 24, 2005, when Armas Clifford Markkula, Jr. and Richard M. Moley were appointed to the Nominating and Corporate Governance Committee following the resignation on the same date of Arthur Rock from our Board of Directors and the Nominating and Corporate Governance Committee. The current members of the Nominating and Corporate Governance Committee are Armas Clifford Markkula, Jr., Richard M. Moley and Larry Sonsini (Chair). The Nominating and Corporate Governance Committee held two meetings in 2005. The purposes of the Nominating and Corporate Governance Committee are to:

develop and recommend to our Board of Directors the governance principles applicable to our company;

oversee the evaluation of our Board of Directors and management; and

recommend to our Board of Directors director nominees for each committee.

The responsibilities of the Nominating and Corporate Governance Committee include evaluating the composition, organization and governance of our Board of Directors and its committees, including determining future requirements; receiving and evaluating complaints that may be rendered under our code of business conduct and ethics and proposing actions in response thereto; overseeing the performance evaluation process of our Board of Directors; making recommendations to our Board of Directors concerning the appointment of

directors to committees, selecting Board committee chairs and proposing the slate of directors for election; and making recommendations to our Board of Directors regarding compensation for non-employee directors and Board committee members.

Director Compensation

In November 2002, we determined that in consideration for service on our Board of Directors, each non-employee director shall receive a cash payment of \$20,000 per fiscal year, to be payable on or before the day of the first meeting of our Board of Directors in each fiscal year. In addition, we determined that in consideration for service on our Board of Directors or on one or more of our Compensation and/or Nominating and Corporate Governance Committees of our Board of Directors, each non-employee director shall receive a cash payment of \$1,000 per Board of Directors meeting or Committee meeting attended, to be payable on the date of each such meeting so attended. We also determined that in consideration of the significantly greater time commitment and potential risk exposure for serving as a member of our Audit Committee, each director shall receive a cash payment of \$2,000 per Audit Committee meeting attended, to be payable on the date of each such meeting so attended. In addition, non-employee directors are eligible to participate in our 1998 Director Option Plan which provides for the automatic grant of an option to purchase 25,000 shares of common stock to each non-employee director who first becomes a non-employee director after May 29, 1998. Additionally, each non-employee director shall automatically be granted a 10,000 share option on the date of each annual meeting of stockholders, provided he or she is re-elected to our Board of Directors or otherwise remains on our Board of Directors on such date and provided that on such date he or she shall have served on our Board of Directors for at least the preceding six months. All options granted under this plan are fully vested at grant. During 2005, Messrs. Finocchio, Lehman, Markkula, Maxfield, Moley and Sonsini were each granted a 10,000 share option at a per share exercise price of \$6.81 and Ms. Rafael was granted a 25,000 share option at a per share exercise price of \$8.06.

Vote Required

Directors shall be elected by a plurality vote. The three Class B nominees for director receiving the highest number of affirmative votes of the shares entitled to be voted for them shall be elected as directors. Votes against, abstentions and broker non-votes have no legal effect on the election of directors due to the fact that such elections are by a plurality.

Board Recommendation

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE PROPOSED SLATE OF CLASS B DIRECTORS.

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

With authority granted by our Board of Directors, the Audit Committee of our Board of Directors has appointed KPMG LLP as our independent auditors to audit our consolidated financial statements for the fiscal year ending December 31, 2006, and our Board of Directors recommends that our stockholders vote FOR ratification of such appointment.

Table of Contents

KPMG LLP was originally appointed as our independent public accountants on March 21, 2002, when we retained the firm to perform the annual audit of our financial statements for the fiscal year ending December 31, 2002. A representative of KPMG LLP is expected to be present at the Annual Meeting, will have an opportunity to make a statement if he or she so desires and is expected to be available to respond to appropriate questions from our stockholders.

Audit and Non-Audit Fees

The following table sets forth fees for services KPMG LLP provided during fiscal years 2005 and 2004:

	2005	2004
Audit fees (1)	\$ 750,000	\$ 820,000
Audit-related fees	\$	\$
Tax fees	\$	\$
All other fees	\$	\$
Total	\$ 750,000	\$ 820,000

- (1) Represents fees for professional services provided in connection with the audit of our annual financial statements and review of our quarterly financial statements, advice on accounting matters that arose during the audit and audit services provided in connection with other statutory or regulatory filings. The audit fees for 2005 represent the amount billed to our company as of the date of this proxy statement.

The Audit Committee has considered whether the non-audit services provided by KPMG LLP are compatible with maintaining the independence of KPMG LLP and has concluded that the independence of KPMG LLP is maintained and is not compromised by the services provided. In accordance with its charter, the Audit Committee approves in advance all audit and non-audit services to be provided by KPMG LLP. During fiscal year 2005, 100% of the services were pre-approved by the Audit Committee in accordance with this policy.

Stockholder ratification of the selection of KPMG LLP as our independent public accountants is not required by our Bylaws or other applicable legal requirement. However, our Board of Directors is submitting the selection of KPMG LLP to our stockholders for ratification as a matter of good corporate practice. If our stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee at its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such a change would be in our best interests and the best interests of our stockholders.

OTHER INFORMATION

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our executive officers, directors and persons who own more than 10% of a registered class of our equity securities to file certain reports with the SEC regarding ownership of, and transactions in, our securities. Such officers, directors and 10% stockholders are also required by the SEC to furnish us with copies of all Section 16(a) forms that they file.

Based solely on our review of such forms furnished to us and written representations from certain reporting persons, we believe that all filing requirements applicable to our executive officers, directors and more than 10% stockholders were complied with during the fiscal year ended December 31, 2005, except that each of Anders Axelsson, Kathleen B. Bloch, Frederik H. Bruggink, Russell Harris, M. Kenneth Oshman, Oliver R. Stanfield and Beatrice Yormark were late with Form 4 filings to report grants of performance shares in January 2005 and August 2005.

Table of Contents**Certain Transactions*****Loans to Employees***

On October 29, 2001, we loaned Russell Harris, our Senior Vice President of Operations, \$1,000,000 to purchase a principal residence. Mr. Harris issued to us a promissory note secured by residential real estate. The note bears interest at the rate of 4.5% per annum, compounded monthly. The interest accruing under the note is due and payable in monthly installments over the nine year term of the note, and the principal is due and payable on October 29, 2010, subject to earlier repayment upon the occurrence of certain events. The terms of this loan have never been amended.

Management Bonus Plans and Performance Share Grants

On January 25, 2005, the Compensation Committee of our Board of Directors approved a management bonus plan for 2005 and established aggregate annualized bonus amounts for its managers. Under the bonus plan, each manager will receive, in lieu of cash, shares of our common stock, designated as performance shares, in an amount equal to 50% of each manager's individual bonus amount divided by the closing price of our common stock on January 25, 2005. The total bonus pool approved for all of Echelon's executive officers was \$1,070,000 and 29,000, as follows: Anders Axelsson, \$100,000; Kathleen B. Bloch, \$70,000; Frederik H. Bruggink, 29,000; Russell Harris, \$100,000; M. Kenneth Oshman, \$500,000; Oliver R. Stanfield, \$150,000; and Beatrice Yormark, \$150,000. Based upon the \$6.77 closing price of our common stock on January 25, 2005, an aggregate of 81,876 shares of our common stock, designated as performance shares, will be issued on January 2, 2007 under our 1997 Stock Plan to our current executive officers, subject to such executive officers continuing to be employed by our company on such date: Anders Axelsson, 7,386 shares; Kathleen B. No cash was issued under the bonus plan.

On August 15, 2005, our Compensation Committee approved, as part of the annual grant to all employees under our 1997 Stock Plan, the grant of performance shares to certain executive officers. An aggregate of 80,002 shares of our common stock, designated as performance shares, will be issued to the following executive officers in four equal installments, on each of August 16, 2006, August 16, 2007, August 16, 2008 and August 16, 2009, subject to such executive officers continuing to be employed by our company on such dates: Anders Axelsson, 11,667 shares; Kathleen B. 125,000; Russell Harris, \$100,000; M. Kenneth Oshman, \$600,000; Oliver R. Stanfield, \$180,000; and Beatrice Yormark, \$180,000. However, the actual amount payable by Echelon to its executive officers under the bonus plan will take the form of performance shares with a value equal to 50% of each executive officer's individual bonus amount, for an aggregate of \$630,000 and 62,500, respectively. Based upon the \$9.02 closing price of our common stock on February 1, 2006, an aggregate of 78,219 shares of our common stock, designated as performance shares, will be issued on February 1, 2008 under our 1997 Stock Plan to our current executive officers, subject to such executive officers continuing to be employed by our company on such date: Anders Axelsson, 5,543 shares; Kathleen B. Bloch, 5,543 shares; Frederik H. Bruggink, 8,377 shares; Russell Harris, 5,543 shares; M. Kenneth Oshman, 33,259 shares; Oliver R. Stanfield, 9,977 shares; and Beatrice Yormark, 9,977 shares; provided, however, that we will withhold from each executive officer a portion of the performance shares that have an aggregate market value sufficient to pay the minimum federal, state and local income, employment and any other applicable taxes required to be withheld by our company. No cash will be issued under the bonus plan.

Acceleration of Option Vesting

On November 18, 2005, our Board of Directors approved accelerating the vesting of approximately 1,200,342 out-of-the-money unvested common stock options previously awarded to employees and officers under our stock option plans. The exercise prices of the accelerated common stock options range from \$8.34 per share to \$20.34 per share and have a weighted average exercise price of \$10.905 per share. The closing price of our common stock on November 18, 2005 was \$8.06 per share.

The purpose of the acceleration of these common stock options was to eliminate future stock compensation expense that we would otherwise have been required to recognize in our statement of operations with respect to these common stock options after the adoption of Statement of Financial Accounting Standard No. 123R Share-Based Payment, in January 2006. SFAS 123R became effective for our company beginning in the first quarter of 2006, and requires that compensation expense associated with stock options be recognized in the statement of operations, rather than as footnote disclosure in our consolidated financial statements.

The number of out-of-the-money unvested common stock options that were accelerated and that are held by executive officers and outstanding as of November 18, 2005 were as follows: Anders B. Axelsson, 160,001 options; Kathleen B. Bloch, 118,099 options; Frederik H. Bruggink, 74,377 options; and Russell Harris, 104,793 options.

Stock Option Grants

In addition to the option grants listed below under *Option Grants in Last Fiscal Year*, in 2005 we granted stock options under our 1997 Stock Plan to the following executive officers as of the grant date and for the number of shares of common stock and at the exercise price set forth below opposite their names:

- (1) One-fourth of the shares vest on each of August 15, 2006, August 15, 2007, August 15, 2008 and August 15, 2009, subject to the employee's continued employment with our company.

Agreements with ENEL

In the second quarter of 2000, we entered into a research and development and technological cooperation agreement with ENEL Distribuzione SpA, an affiliate of ENEL S.p.A., or ENEL, under which we have been cooperating with ENEL to integrate our LONWORKS technology into ENEL's remote metering management project in Italy. Through this project, ENEL replaced its existing stand-alone electricity meters with networked electricity meters to 27 million customers throughout ENEL's service territory. Our shipments for the deployment phase of the ENEL project were substantially completed during 2005.

Pursuant to a common stock purchase agreement, dated June 30, 2000, between our company and ENEL, ENEL agreed to purchase, for cash, three million newly issued shares of our common stock for a purchase price to be based on the average trading price prior to the closing (subject to a minimum price of \$87.3 million and a maximum price of \$130.9 million). The closing of this stock purchase occurred on September 11, 2000. Based on the average price of our common stock prior to that date, the total purchase price for the three million shares was \$130.9 million and after deducting expenses associated with the transaction, we received \$130.7 million. It was agreed that until the earlier of September 11, 2003 or 30 days following the termination of the research and development and technological cooperation agreement with ENEL Distribuzione, ENEL would not, except under limited circumstances, sell or otherwise transfer such shares. As a result, ENEL is now free to sell shares of our common stock. The stock purchase agreement also gives ENEL the right to nominate a member of our Board of Directors as long as ENEL owns at least two million shares of our common stock. As a condition to the closing of the stock purchase agreement, our directors and our Chief Financial Officer agreed to enter into a voting agreement with ENEL in which each of them agreed to vote the shares of our company's common stock that they beneficially own or control in favor of ENEL's nominee to our Board of Directors. M. Francesco Tatò served as ENEL's representative on our Board of Directors from September 2000 until June 2002. ENEL has not nominated a replacement for Mr. Tatò on our Board of Directors. In December 2005, ENEL transferred to a related entity, Enel Investment Holding BV, its three million shares of our common stock.

Pursuant to a registration rights agreement, dated September 11, 2000, between our company and ENEL, ENEL may, subject to certain conditions and limitations, request that we register the shares purchased under the common stock purchase agreement. In the event we elect to register any of our securities, ENEL may, subject to certain limitations, include the shares purchased under the common stock purchase agreement in such registration.

Air Travel Arrangement

From time to time, Mr. Oshman, our Chairman and Chief Executive Officer, uses private air travel services for business trips for himself and for any employees accompanying him. Prior to January 2005, certain of these private air travel services were provided by an entity controlled by Mr. Markkula, a director of our company. Our net cash outlay with respect to such private air travel services is no greater than comparable first class commercial air travel services. Such net outlays to date have not been material.

Legal Services

During fiscal year 2005, the law firm of Wilson Sonsini Goodrich & Rosati, P.C. acted as principal outside counsel to our company. Mr. Sonsini, a director of our company, is a member of Wilson Sonsini Goodrich & Rosati, P.C.

Report of the Board of Directors on the Option Exchange Program

On September 21, 2004, we announced a voluntary employee stock option exchange program (the Exchange Program) whereby eligible employees were given an opportunity to exchange some or all of their outstanding options under our 1997 Stock Plan for a predetermined number of new stock options. Other than M. Kenneth Oshman, our Chief Executive Officer, Beatrice Yormark, our President and Chief Operating Officer, and Oliver R. Stanfield, our Executive Vice President and Chief Financial Officer, all employees holding outstanding options under our 1997 Stock Plan were eligible to participate in the Exchange Program. Directors and consultants of our company were not eligible to participate in the Exchange Program. Outstanding options to purchase 3,816,812 shares of common stock were accepted for exchange and cancelled. On April 22, 2005, which was the first business day that was six months and one day after cancellation of the exchanged options, we granted new options to purchase 2,148,725 shares of common stock in accordance with the Exchange Program. With the exception of new options granted to participating executive officers, the new options were granted at an exercise price of \$6.11, the closing price of our common stock on April 22, 2005. In accordance with the terms of the Exchange Program, the exercise price for new options granted to participating executive officers was \$8.52, which was the greater of the fair market value of our common stock on the date of grant, or 115% of the closing price of our common stock on the date the exchanged options were cancelled. For certain foreign employees, local laws restricted us from issuing the new options on April 22, 2005. For those employees, 7,268 new options were issued on May 25, 2005 at an exercise price of \$6.35, the closing price of our common stock on that date.

Participants in the Exchange Program were required to tender any options granted during the six months immediately prior to the announcement of the Exchange Program. The number of new options issued in exchange for cancelled options was dependent on the exercise price of the cancelled options. Exchanged options were replaced for new options as follows:

Exchanged options granted with an exercise price of \$11.99 or less were replaced with new options at an exchange ratio of one new option for every one exchanged option;

Table of Contents

Exchanged options granted with an exercise price greater than or equal to \$12.00, but less than or equal to \$14.99, were replaced with new options at an exchange ratio of two new options for every three exchanged options;

Exchanged options granted with an exercise price greater than or equal to \$15.00, but less than or equal to \$19.99, were replaced with new options at an exchange ratio of one new option for every two exchanged options;

Exchanged options granted with an exercise price greater than or equal to \$20.00, but less than or equal to \$29.99, were replaced with new options at an exchange ratio of one new option for every three exchanged options; and

Exchanged options granted with an exercise price greater than or equal to \$30.00, were replaced with new options at an exchange ratio of one new option for every five exchanged options.

New options granted under the Exchange Program have a term equal to the greater of the remaining term of the exchanged options or two years from the new option grant date. New options are subject to a one-year cliff-vesting schedule, at which time the new option will be vested to the same percentage as the exchanged option would have been on that date. After one year from the date of grant, the new options will continue to vest and become exercisable as to 1/48th of the shares subject to the new option on each monthly anniversary of the new option grant date. All vesting of the new options is subject to the participating employee's continued employment with our company on each relevant vesting date.

Our Board of Directors approved the Exchange Program for compensatory purposes, to motivate high levels of performance and provide an effective means of recognizing and incentivizing employee contributions to our success, and to decrease potential stockholder dilution by decreasing the number of outstanding options. Many of our outstanding options as of the time of the announcement of the Exchange Program had exercise prices significantly higher than the then-current price of our common stock. The Board of Directors believed that, at their original exercise prices, the disparity between the original exercise price of these options and recent market prices for our common stock did not provide meaningful incentives to employees holding these options. Our Board of Directors approved the Exchange Program to provide our employees with the benefit of holding options that over time may have a greater potential to increase in value, which it believes creates better performance and retention incentives for employees and thereby increases stockholder value, and is therefore deemed by our Board of Directors to be in our best interest and the best interest of our stockholders.

Notwithstanding any statement to the contrary in any of our previous or future filings with the SEC, this board compensation committee report on executive compensation shall not be deemed filed with the SEC or soliciting material under the Securities Exchange Act of 1934, as amended, and shall not be incorporated by reference into any such filings.

The Compensation Committee sets the compensation of our Chief Executive Officer, reviews the design and effectiveness of compensation programs for other key executives, and approves stock option grants for our employees. The Committee is comprised entirely of non-employee directors who have never served as officers of our company.

The goals of the Compensation Committee are to align compensation with our performance and objectives and to attract, retain and reward executive officers and employees whose contributions are critical to the long-term success of our company.

Table of Contents

The primary components of our executive compensation package are salary, commissions for sales executives, stock options and performance shares. We set our compensation package to be competitive with the marketplace.

Salary

The level of base salary for executive officers is set based upon their scope of responsibility, level of experience and individual performance. The salary range for each position is reviewed against the Radford Survey (a third-party compensation survey) data for high-tech companies with similar sales volumes located in the same geographic area. Additionally, the Compensation Committee takes into account general business and economic conditions and current circumstances of our company.

Commission for sales executives

Our 2005 sales commission plan provided the opportunity for commission payments based on meeting our revenue and other business objectives.

Stock options and performance shares

The Compensation Committee believes that the granting of stock options and performance shares is an important method of rewarding and motivating our employees by aligning employees' interests with those of our stockholders. The Compensation Committee also recognizes that a stock incentive program is a necessary element in a competitive compensation package. The program utilizes a vesting schedule to encourage our employees to continue in the employ of our company and to encourage employees to maintain a long-term perspective. In determining the size of stock option and performance share grants, the Compensation Committee focuses primarily on the employees' current and expected future value to our company. The Compensation Committee also considers the number of unvested options and performance shares held by the employee.

Management bonus plan

On January 25, 2005, the Compensation Committee approved a management bonus plan for certain of our officers that provided for bonus awards payable in performance shares, or shares of our common stock, issuable in the future under our 1997 Stock Plan, with bonus awards ranging from 813 shares to 36,928 shares. The number of shares was calculated as 50% of a set targeted cash bonus amount, valued at the fair market value of our common stock on the date the plan was established. That fair market value was \$6.77 per share. The performance shares will be issued on or about January 2, 2007, provided the officer remains an employee of our company as of that date. See Other Information Certain Transactions Management Bonus Plans and Performance Share Grants.

Compensation of the Chief Executive Officer

On January 14, 2005, our Board of Directors, as confirmed by the Compensation Committee on January 25, 2005, set Mr. Oshman's base salary at \$100,000 with a bonus under our management bonus plan equal to 36,928 performance shares. The number of shares was calculated as 50% of a set targeted cash bonus amount, valued at the fair market value of our common stock on the date the plan was established. That fair market value was \$6.77 per share. The performance shares will be issued on or about January 2, 2007, provided Mr. Oshman continues to be an employee of our company as of that date. See Other Information Certain Transactions Management Bonus Plans and Performance Share Grants.

On August 15, 2005, the Compensation Committee, in consultation with our Board of Directors, granted Mr. Oshman an option to purchase 150,000 shares of our common stock at an exercise price of \$8.19, the then current fair market value. Twenty-five percent of the option will vest on each of August 15, 2006, August 15, 2007, August 15, 2008 and August 15, 2009.

REPORT OF THE AUDIT COMMITTEE OF OUR BOARD OF DIRECTORS

Notwithstanding any statement to the contrary in any of our previous or future filings with the SEC, this report of the audit committee of the board of directors shall not be deemed filed with the SEC or soliciting material under the Securities Exchange Act of 1934, as amended, and shall not be incorporated by reference into any such filings.

The Audit Committee of our Board of Directors serves as the representative of our Board of Directors for general oversight of our financial accounting and reporting process, system of internal control, audit process, and process for monitoring compliance with laws and regulations. Our management has primary responsibility for preparing our financial statements and our financial reporting process. Our independent accountants, KPMG LLP, are responsible for expressing an opinion on the conformity of our fiscal year 2005 audited financial statements to generally accepted accounting principles. In this context, the Audit Committee hereby reports as follows:

1. The Audit Committee has reviewed and discussed the audited financial statements with our management, including a discussion of the quality and acceptability of the financial reporting, the reasonableness of significant accounting judgments and estimates and the clarity of disclosures in the financial statements. In connection with this review and discussion, the Audit Committee asked a number of follow-up questions of management and our independent accountants to help give the Audit Committee comfort in connection with its review.
2. The Audit Committee has discussed with KPMG LLP the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU §380), as modified or supplemented.
3. The Audit Committee has received the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*), as modified or supplemented, and has discussed with them their independence.
4. Based on the review and discussions referred to in paragraphs (1) through (3) above, the Audit Committee recommended to our Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2005, for filing with the SEC.

The graph assumes that \$100 was invested in our common stock on December 31, 2000 and in the S&P 500 Index and the S&P 500 Information Technology Index.
