**Item 1.01 Entry into a Material Definitive Agreement**

On May 10, 2006 the Company issued a press release announcing the Board's action to promote David S. Haffner from Chief Operating Officer to Chief Executive Officer. Mr. Haffner succeeds Felix E. Wright, who will continue to serve as an employee Chairman of the Board. The Board also promoted Karl G. Glassman to succeed Mr. Haffner as Chief Operating Officer.

The Company entered into an Employment Agreement and a Severance Benefit Agreement with both Mr. Haffner and Mr. Glassman on May 10, 2006. The material terms and conditions of the agreements are described below. The agreements are attached as Exhibits 10.1 through 10.4 and are incorporated by reference. The following descriptions are qualified in their entirety by reference to the agreements filed herewith.

The Company and Mr. Wright were parties to an employment agreement that expired by its terms on May 10, 2006. In his capacity as Chairman of the Board, Mr. Wright will be paid a base salary of \$700,000 and his target bonus percentage will be 60%. Mr. Wright will continue to serve the Company at the pleasure of the Board. An updated summary of cash compensation for the Company's named executive officers is attached as Exhibit 10.5 and is incorporated by reference. This exhibit updates Exhibit 10.2 to the Company's Form 10-Q filed on May 5, 2006.

**Employment Agreements**

Both Mr. Haffner's and Mr. Glassman's employment agreements have a 3-year term, expiring on the date of the 2009 Annual Meeting of Shareholders. Except as otherwise noted, benefits provided under the agreements are those generally available to executive officers and/or employees.

The Company may terminate the agreements without cause upon three months written notice to the executive. In that event, the Company's obligation to the executive continues for the term of the agreement.

The agreements subject the executives to non-competition restrictions for two years after termination of employment, unless the Company terminates the executive without cause. During the non-competition period, the Company will provide health and medical insurance to the executive and his dependents at least equal to the insurance provided before termination of employment.

Other material terms of the agreements are set forth below.

### **Severance Benefit Agreements**

The severance benefit agreements provide Mr. Haffner and Mr. Glassman with certain benefits upon a change-in-control of the Company. As defined in the agreements, a change-in-control is deemed to have occurred if:

there is a change in control as contemplated by Item 6(e) of Schedule 14A, Regulation 14A or by Item 5.01 of Form 8-K of the Exchange Act

## Edgar Filing: LEGGETT & PLATT INC - Form 8-K

the Company liquidates, sells or otherwise transfers all or substantially all of its assets to a person not controlled by the Company both immediately prior to and after such sale

The severance benefit agreements have no fixed expiration dates. Any benefits provided under the agreements are in addition to, and not in lieu of, any benefits that may be provided under the executive's employment agreement. The agreements entitle the covered executives to severance benefits if, during a specified period following a change-in-control of the Company, (the *Protected Period*), (i) the executive's employment is terminated by the Company (except for cause or disability), or (ii) the executive terminates his employment for good reason, as defined in the agreements.

Additional terms of the agreements are described below.

Termination benefits provided under the agreements represent severance compensation to which the executive is entitled. The executive is not required to mitigate the amount of any termination benefit provided under the agreement, but any fringe benefits he may receive from a new job will reduce any fringe benefits the Company is then providing under the agreement.

The agreements further provide that, within one year following a change-in-control opposed by a majority of the directors, the executive may elect to terminate his employment for any reason and receive, in lieu of the benefits described above, a lump sum payment equal to 75% of the executive's cash compensation preceding the year of termination and certain fringe benefits for one year.
