**EXHIBIT A**

StoneMor Partners L.P. (the Company ) is unable to file its quarterly report on Form 10-Q for the fiscal quarter ended March 31, 2006 within the prescribed period. The Company has devoted considerable time and resources to preparing its annual report on Form 10-K for the fiscal year ended December 31, 2005 (the Form 10-K ) and amendments to quarterly reports on Form 10-Q for the quarters ended March 31, June 30, and September 30, 2005, respectively (collectively, Forms 10-Q ). The Company has not filed the Form 10-K and Forms 10-Q (collectively, the Reports ) with the Securities and Exchange Commission. The delay in filing the Reports resulted from an ongoing accounting review, as disclosed in the Company s press release dated April 21, 2006, which followed the Company s decision to restate its Forms 10-Q in connection with a material weakness in the Company s internal control over financial reporting disclosed in the Company s press release dated March 15, 2006. As a result of the delay in filing the Reports, the Company has not yet completed the preparation and review of its consolidated financial statements and the related footnote disclosures for the fiscal quarter ended March 31, 2006. While no assurance can be given, the Company believes that it can file its quarterly report on Form 10-Q for the fiscal quarter ended March 31, 2006 within the time limits of this Form 12b-25.
