**Item 8.01. Other Events**

As previously reported in Current Reports on Form 8-K filed by Citadel Broadcasting Corporation (the Company) on February 27, 2006 and April 28, 2006, the Company has received letters from an attorney claiming to represent holders of more than \$109 million in aggregate principal amount of the Company's 1.875% Convertible Subordinated Notes due 2011 (the Notes), of which \$330 million in aggregate principal amount is outstanding. The letters purport to be a notice of default and notice of acceleration, respectively, under the indenture governing the Notes (the Indenture). The letters allege that certain transactions and agreements contemplated by the Merger Agreement, dated February 6, 2006, by and among The Walt Disney Company, ABC Chicago FM Radio, Inc., Alphabet Acquisition Corp. and the Company, will or do constitute a Fundamental Change under the Indenture.

The Company continues to believe that none of the transactions or agreements contemplated by the Merger Agreement will or do constitute a Fundamental Change under the Indenture. Therefore, the Company does not believe that any Event of Default, as defined in the Indenture, has occurred or is continuing and does not believe that any holders have a right to declare obligations under the Notes due and payable. The Company has engaged in discussions with certain of the holders of Notes in an attempt to resolve these issues.

On July 17, 2006, the Company filed a complaint against certain of the holders of Notes in the Supreme Court for the State of New York. The complaint seeks a judgment declaring that neither the Merger Agreement nor the related support agreement constitutes a Fundamental Change for purposes of the Indenture.

**SIGNATURES**
