ii

Participants in the Solicitation

Neither

Crown

Castle

nor

Global

Signal is currently engaged in a solicitation of proxies from the security holders of Crown Castle or Global Signal in connection with the proposed transaction. If a proxy solicitation commences, Crown Castle, Global Signal and their respective directors and executive officers and other members of management may

be deemed to

be participants

in

such

solicitation.

Information

regarding

Crown

Castle s

directors

and

executive

officers

is

available

in

Crown

Castle s

Annual

Report

on

Form

10-K

for

the

year ended

December

31,

2005,

and

the

proxy

statement,

dated

April

11,

2006,

for

its

2006

annual

meeting

of

stockholders,

which

are

filed

with

the

SEC. Information regarding Global Signal s directors and executive officers is available in Global Signal s Annual Report on Form 10-K for the year ended December 31, 2005 and the proxy statement, dated April 12, 2006, for its 2006 annual meeting of stockholders, which are filed with the SEC. Additional information

Joint
Proxy
Statement/Prospectus
to
be
filed

with the SEC.

This presentation contains forward-looking statements that

are based on management s current expectations. Such statements include, but are not limited to plans, projections and estimates regarding (i) the contemplated Crown Castle and Global Signal merger, (ii) the timing  $\quad \text{and} \quad$ closing of the Crown Castle and Global Signal merger, (iii) the integration risks

relating to the merger, (iv)

the

benefits

of

the

Crown

Castle

and

Global

Signal

merger,

including

strategic

and

operational

benefits,

expected

growth,

customer

and

shareholder

value,

synergy

gains

(and

the

timing

of

such

synergy

gains),

leasing

potential

and

(v)

the

impact

of the

Crown

Castle

and

Global

Signal

merger

on

leasing

opportunities,

revenue,

recurring

cash

flow (including recurring cash flow per share), Adjusted EBITDA, our customer base, total assets, capital structure, debt level, cost of debt and financial results. There are a number of important factors that could cause actual results or events to differ materially from those indicated by

the

in

forward-looking statements contained

16

this presentation, including: the ability to obtain governmental approvals of the transaction on the proposed terms and schedule; the failure of Crown Castle and Global Signal shareholders to approve the transaction; the ability of Crown Castle to successfully integrate Global Signal s operations and employees; the risk that the cost savings

and any other synergies from

the

transaction

may

not

be fully

realized

or

may

take

longer

to

realize

than

expected;

disruption

from

the

transaction

making

it

more

difficult

to

maintain

relationships

with

customers

and

employees;

competition

and

its

effect

on

pricing,

spending,

third-party

relationships

and

revenues.

Additional

factors

that

may

affect future results are contained in Crown Castle s and Global Signal s filings with the Securities and Exchange Commission (SEC), including each company's Annual Report on Form 10-K for the year ended December 31, 2005, which are available at the SEC's website http://www.sec.gov. The information set forth herein speaks
